**(Pastor Vaughn, Part 11 – fhtv.tv #2076)**

There's more about Gemini  
that we need to see  
and more to learn about  
the Two Witnesses ministry.  
It's not a future event,  
it's happening right now!  
We're receiving a greater anointing  
as we keep our hands on the plow.

First came the spirit of Moses,  
calling the people out  
to healings and deliverances  
and worship with a shout!  
Now the spirit of Elijah  
is challenging what's been taught.  
And we are discovering truth  
for which long we had sought!  
The spirit of Elijah  
is taking us much higher.  
Churning and burning  
and purging us with fire!  
Changing, rearranging us  
to give up our old ways  
of Christmas and Easter  
and all pagan holidays!  
This fire is burning everything  
that we once knew.  
This revelation and power  
is making us brand new!  
As we obey the Spirit's call  
and accept all correction,  
loving Yahweh's Law  
will bring us to perfection!
