

The Mazzaroth

(Pastor Vaughn, Part 12 – fhtv.tv #2077)

The Voice of Elijah is sounding now,
causing a great separation
of wheat and tares everywhere
for harvest preparation!

Yah used to wink at ignorance
til the message of truth was sent.
Now He is commanding
all men everywhere to repent!

Keep the Feasts and Holy Days,
they will stand forever!
Watch and pray for each other,
and worship Me together!

We are the Voice of Restoration,
declaring the will of Yahweh,
changing lives, making reparation,
learning the Kingdom way!

This ministry is restoring things,
the true calendar included.
In our calling as priests and kings,
we are no longer deluded!

Our ministry is coming to a close,
our testimony almost done.
We're almost finished the groundwork
for King Yahshua to come!

But before that Day is here,
Father Yahweh needs to know
we can be trusted to love others,
even when they hurt us so.

So He is allowing people
to hurt and mistreat us
because He needs to see
this will not defeat us!

The Greatest Commandment
is to "Love one another".
Forgive all with open arms,
as your sister and your brother!
