

## **Prayer**

### **Unlocking the Unseen Realm** (Pastor Vaughn, Part 1 of 11, fhtv.tv #2839)

Yahweh is calling you  
to partner with Him in prayer  
so His Will may be accomplished  
for all men, everywhere.

Prayer is your haven of rest  
when you get weary and tired.  
Here you can be renewed,  
corrected, and inspired!

Yah waits for you each morning,  
before the day begins.  
Only those who put Him first  
this daily battle wins!

You are in training to rule,  
you practice every day  
to gain victory over yourself  
in all you do and say.

The Will of Yahweh  
we've been commissioned to declare.  
That's why He invites us  
to His Throne Room in prayer.

For you are His proxy,  
representing Him on earth.  
Speak the words He gives you,  
show every man his worth.

All He asks is your obedience.  
He'll give you full instruction.  
When you follow through,  
you will win your induction.

You are not learning to trust Him,  
He's learning to trust you!  
He'll give you daily assignments  
to see what you will do.
