

## **The Sheaf and the Scepter, Chapter Six (Pastor Vaughn, May 2025)**

### **Shadow Chasers – Following the Roadmap**

When we see a shadow  
we know the reason why.  
It proves someone is present  
and standing close nearby.

The Feasts of Yah are shadows  
and we are chasing the One  
Who is the Shadow-caster,  
Yahshua, Yahweh's Son!

Against the world's opinions  
we find that we must fight  
while these patterns of truth are guiding us  
into more and more light!

These Feasts are Holy Days.  
They tell Yahweh's story  
of His love for all mankind.  
Appointments of divine glory!

The world calls it bondage  
and Jewish tradition.  
But they celebrate the pagan days,  
blind to their deception.

Let them say what they will.  
We're being judged and separated.  
Those who speak the truth  
will be hated and berated.

The church hails Christ as Savior  
but reject Him as their King.  
They refuse to walk the narrow path  
and give Him everything.

Yahweh is calling you  
to keep His Holy Days.  
Watch for the shadows  
and learn of His ways.

One day the Shadow-caster  
will appear for all to see  
You'll be glad you held to truth  
to fulfill your destiny!
