

The Mazzaroth

(Pastor Vaughn, Part 5 – fhtv.tv #1992)

Aquarius is pouring out
the water of the Holy Spirit
to empower the newborn church,
but it's only for those who hear it.

Now we have a drop of the river,
this will keep us alive.
But as we turn from a getter to a giver,
we will begin to thrive!

On that Great Day, the river will flow,
reaching all far and wide.
Then they will listen to truth
and with Yahweh want to abide!

Lift your hands up high.
Become an open vessel.
He'll pour more on you
so the enemy you can wrestle!

When we assemble together
to praise the Yah we know,
He opens the windows of Heaven
and lets the river flow!
