Unlocking the Unseen Realm (Pastor Vaughn, Part 4 of 11, fhtv.tv #2866)

Every wonder why you never fit in
the most popular crowd?
You felt like a misfit because
they were arrogant and proud.

Father chose you early in life
to be different from the rest.
He had in mind a perfect design
to make you one of His best!

You've been set apart,
different in every way.
And now you are taking your place
among those who pray.

First, ask the Father:
Is there anything I need
to repent of before You
and for forgiveness plead?

Get up from the altar,
go make things right.
This is most pleasing
in the Father's sight.

When fiery trials come,
they are meant to purify you.
They will break you and make you
sing "I glorify You!"

Above all, you must trust
in the Father's plan for you,
and for all He has planned
for everyone else, too!

This is a holy walk,
not everyone is invited.
We see what others don't because
we're spiritually-sighted.

We're called apart to serve,
so we must stay submitted.
Obey His every Word,
and be completely committed.

When I don't understand,
I'll trust the Father's heart.
He has a master plan
where everything plays a part.

Daily we're becoming
more like Yahshua.
His Spirit is guiding us!
Praise Yahweh! Halleluyah!

We, too, must suffer
and be mistreated,
lied about and mocked
and sometimes cheated.

Like Yahshua,
we must be tempted.
From the evils of this life
we are not exempted.

That's how we learn obedience,
made fit to serve others.
Especially those we call
our sisters and our brothers!

A priest represents Yah to man,
lending Him their voice
to speak the Father's Will
and give each man a choice.

A priest represents man to Yah,
pleading for them to see
that they can be restored
and finally set free!
