Unlocking the Unseen Realm

(Pastor Vaughn, Part 6 of 11)

The church at large is sick,
their standards are appalling!
This the end of times and
Babylon is falling!

But Yahweh has a remnant
staying true to His Word,
embracing all the ancient truth
that they have heard!

Yahweh calls them Nazarites.
They are holy and separated.
They stand steadfast for truth,
though hated and berated.

But be very careful
how you treat one another.
The Body of Yahshua
is your sister and your brother!

Yahweh calls them holy
and has set them apart
from a world of lies
to share His Heart.

There are still those in churches
from the old folk to the youth
who are sick of hypocrisy
and hungry for truth!

Sound the alarm of Zion!
Wake them out of their sleep!
Share the light of truth,
as deep calls unto deep!

Yahweh is looking for
all those who will vow
to become a Nazarite
and fulfill their destiny now!

Do you hear Him calling you
to a higher place?
He will anoint you with power
through His amazing grace!
