

## **THE HEAVENLY SCROLL—The Mazzaroth part 2**

### ***In Search of the Throne***

By Pastor Shane Vaughn, First Harvest Ministries

Revelation 13:8. That's where we're starting our study today. Get your Bibles open.

**Revelation 13:8 And all who dwell upon the earth will worship him—whose names have not been written from the foundation of the world, in the Book of Life of the Lamb Who was slain.**

Sister Suzie Alvarez, I have a question for you. According to Revelation 13:8, when was Yahshua crucified? When was He slain? *When He was slain*. That's what we all think, but what does the Bible say? The Bible said He was crucified when? *From the foundation of the world*. That is correct. Before there was ever a world, there was a crucifixion. This is important for you to understand, and this is why this lesson on the Mazzaroth is so important. The world calls it the Zodiac, but the Mazzaroth is the ORIGINAL Bible. That Bible was the ORIGINAL PLAN!

There was a plan before Yahweh ever created the earth, and what was in that plan? Sister Holly Durfee, what was one of the main things written in that plan before the world was ever created? *Yahshua*. And His what? *His Crucifixion*. Revelation 13:8 says that He was crucified before ANYTHING; before there was a world. How was He crucified? In the Heavenly Scroll, in the Mazzaroth, in the story, in the plan.

Let me ask all of you something. How many of you know that most major movies were first a book? Right? Most movies were originally books. Let's take *Pretty Woman* for example. Before *Pretty Woman* ever had a Julia Roberts, before it ever had a beautiful apartment in the sky, it was in a book. Therefore, everything that appeared on the screen already existed in a story. This is why you must understand the heavenly scroll. This is why Satan has hidden the heavenly scroll from you and me all our life. He only

wants you looking at the written Bible, because if you just read the written Bible without comparing it to the heavenly scroll, then you will not get the whole story because in the translations of these scriptures, Satan has hidden the whole story.

For example, when you read your Bible, the main story according to Christianity is the crucifixion of Christ, a virgin having a son. The main story according to Christianity is the crucifixion of Christ; a virgin having a child. What they never teach you is what the Mazzaroth teaches you. They never teach you about Leo the Lion. They never teach you about the day when the Lion will GOVERN the earth. They don't teach you what the *Story in the Stars* teaches you! Satan hid that Bible from you, but these days, the voice of Elijah is restoring that ORIGINAL Bible into the hearts of YOU! You are called for when all things are being restored! HalleluYah!

You must understand the Mazzaroth. When you see what Satan has done; when you see how good Satan is at hiding the STORY, then you will understand how blessed you are to be hearing the story for the first time in your Christian life.

The truth is, YAHSHUA is the beginning of the Mazzaroth, and He is also the end of the Mazzaroth. He is the Beginning and the End. When we hear that Yahshua is the beginning and the end, we don't even know what that is referring to. It's referring to the Mazzaroth. How do you begin the Mazzaroth? VIRGO—a *virgin shall have a child*. Where does the Mazzaroth end? At LEO the LION. Yahshua is at the beginning, Yahshua is at the end. Therefore, that's why He's the Beginning and He's the End. Amen.

Let's see if we can make all this make sense for you today. Let's go look at Genesis 1:14. That's where we're going to start today.

**Genesis 1:14 And Yahweh said: Let there be lights in the expanse of the sky to separate the day from the night, and let them serve as signs to mark the Feasts, and for days and years,**

**Genesis 1:14 KJV And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for day, and years: and let them be for lights in the firmament of the heaven to give light upon the earth: and it was so.**

When you hear that Yahweh created lights in the heavens, automatically we think of the sun and the moon, but that is not the light He is talking about. There are many purposes to these lights in the heavens. Number one is to divide the day from the night. Many people think He is talking about the moon, but He is not. It is not the moon that guides the night. How many of you have walked outside at night time and there was not a moon anywhere, but there was still light? Those lights comes from a canopy of lights called the Mazzaroth, or the stars.

The verse said the lights were given to separate the day from the night, and what else, Brother Morgan? Name them one at a time for me. *Signs*. Number one: they are for SIGNS. The Mazzaroth is a HOUSE of SIGNS. The Mazzaroth gives us messages. A sign gives us a message. So Yahweh created these lights in the heavens to give us MESSAGE!S HalleluYah!

Now let me show you the three-fold purpose of the heavens. Somebody tell me what the word in Hebrew is for *Heaven*, and what it means. *Shamayim*. Yes. And what does shamayim mean? *Where the stars dwell*.

Whenever you read your Bible, quit thinking of HEAVEN. Nine times out of ten, it is not the heaven that you're thinking of in your Baptist mind. It is the shamayim; where the stars dwell. What are those stars arranged in? CLUSTERS. And those clusters are SIGNS.

Now let's look at the Hebrew word for signs, because according to Genesis 1:14, these stars in the heavens are for signs. The Hebrew word for *signs* is *OWTHS*. What is an Oath? It's a promise. Learn to break these words down. So therefore, these stars in the heavens are literally PROMISES.

What is the original Bible: A HEAVENLY SCROLL FULL OF PROMISES FOR GOD'S PEOPLE, that Satan has perverted.

The heavens also give light, but not just physical light. They give us the light of Truth or Understanding. Amen. When I say *The heavens are preaching*, I'm literally saying that the STARS are preaching. Let's go to Psalm 19:1-8 and let's find out if the stars are preaching to us. I don't want to just run through these verses. I want everyone to listen intently, and let me break it down while Brother Morgan reads.

**Psalm 19:1-8 Heaven's messengers proclaim the glory of Yahweh, and the expanse of the sky declares the works of His hands.**

Let's pause right there. It says the HEAVENS DECLARE the glory of Yahweh, but what are the heavens? The STARS; the SHAMAYIM. So therefore, read it again and replace the words *heaven's messengers* with *shamayim*.

**The Shamayim proclaim the glory of Yahweh,**

Who is the glory of Yahweh? YAHSHUA. So the Shamayim are declaring Yahshua. That's why Yahshua said, "I came from the shamayim. I came from heaven." It doesn't mean He literally came down from heaven. It means He was in the shamayim, because the shamayim are telling about Him. Brothers and sisters, I feel like sometimes I'm beating a dead horse because I feel like I'm not getting past your religious mind. I have to beat that horse and beat it again, and beat it until it isn't there anymore.

I need you to compartmentalize in your mind two things right now. I need you to see that Yahshua was in the New Testament telling everybody, "Before Abraham was I AM. I came from heaven." We know that Yahshua did not preexist, so what does He mean that He came from heaven? Your answer is in Psalm 19:1. The shamayim are telling about Yahshua. Therefore, what Yahshua said is: *I came from the shamayim*. Yahweh, help

me to teach this. Otherwise, you are going to get your doctrines all wrong if you don't understand the heavenly scroll or the Mazzaroth.

**2 Day after day speech is uttered,**

Everyday, the stars are doing what Brother Morgan? *They're speaking.* They are uttering their speech. They are talking. Everyday the shamayim are talking about Yahshua.

**and night after night knowledge is shown.**

What??? Did the Bible just say that the stars are giving us KNOWLEDGE—the knowledge about Yahshua?! HalleluYah! Satan allows you to have a *little* knowledge about Yahshua. He lets you know about Virgo; about the Virgin, but He doesn't want you to know about Leo. The Church doesn't teach you about Leo. The Church doesn't teach you about a king that is coming to earth to rule and to reign to set up a government. You've got to get that in the Mazzaroth. You only get the full story in the Mazzaroth unless you know what you're looking for in the Bible, because of the way that it has been falsely interpreted by men. Read, brother.

**3 There is no speech nor language, where their words are not heard.**

Why would Yahweh choose to put His Bible in the stars rather than on paper? Because if He puts it on paper, He would have to put it in English, He would have to put it in Latin, He would have to put it in every language. But if He puts it in the stars, every language on planet Earth knows the signs of the Mazzaroth. Every culture in history knows these signs, and they know what these signs are represented by.

*Question. So scientifically, light has intensity in varying degrees, so is there light in the language?*

I do believe that light has a language.

*But light also has varying intensities; frequencies, so this goes along with what you've been saying.*

Absolutely. They have frequency, and that's why people don't understand when Yahweh said, "Let there be light," it was literally the frequency and the vibration of the light that brought forth Creation at His command.

*It is constant and it is universal.* That is correct. That's why even today, I wear patches on my body to trap the light in my body, because there is light in your body that heals you. These patches are designed so when light escapes your body, it has to go back in, and it creates stem cells in your body. Light is so powerful.

According to the Word of Yahweh, whenever Yahweh created these lights in the sky, He gave them the language of the Gospel. *There is the light spectrum.* Yes, that is correct. We need to go back to Genesis in a moment, and I want to prove to you that He is not talking about the moon when He refers to the light. Go ahead and read the next verse, brother.

#### **4 Their witness goes out through all the earth, and their story to the end of the world.**

Did you say their words had gone to the ends of the earth? *Yes, Sir.* How do stars have words? How about their STORY? What is a story made up of? WORDS. Their story has gone to the ends of the world. Now you may know why Satan said in his heart, "I will ascend about the stars." HalleluYah! He planned to take these stars and to pervert them for humanity, and to turn it into a form of worship.

*Does this mean that the entire world has all seen and knows the Word of Yahweh?* Absolutely. Paul said in the New Testament, "Everyone—the entire Earth—has heard the Gospel." Yes?

*Pastor, this is Joseph Anikewich. I John 1-5. is the message which we have heard and declare to you that God is light, and in Him is no darkness at*

*all. Like Eric was saying, light is not only frequency. I heard a recording in space a few years ago from one of the NASA satellites, and it was sound. It was choir sounds, yet there was an absence of light in space. When we see the pictures of space there is an absence of light, yet we receive it here on earth. This study is amazing. You're blowing my mind today. This is beautiful.*

I love it, Brother Anikewich. We're learning together. Satan has perverted this beautiful story in the sky and turned it into a Zodiac of worship. We don't care what Satan has done. We're taking it back. We are restoring the Father's story in the stars. It lines up perfectly with the Bible, but you have to compare the Bible to the FIRST Bible. The Bible you are holding in your hands is the LAST Bible. FIRST it was in The Heavenly Scroll before it was put in the written Scroll. Amen. Continue reading.

### **In them He has set up a house for the light;**

Oh oh! In these stars He has set houses—tabernacles—for the SUN. No, Satan did not create the Zodiac. No, it is not satanic, anymore than sex is satanic, UNLESS it has been what? Perverted? Alright, read.

### **5 He comes forth like a bridegroom from His canopy, and He rejoices like a champion to run a race.**

He said, "The sun is just like a man who is about to marry; he runs out of the house going to the next house, like he is running a race." What is that race that the sun is running? It is a 365 day race, and every 30 days it runs from one house to the next house, just like a groom that is chasing after his bride, going from house to house like he's in a race. Amen. Read.

### **6 His going forth is from the end of the heavens, and His Feast Circuit; tekufah, to their ends,**

I need everybody to listen now. I'm getting ready to prove to you that heaven doesn't mean heaven. The sun, according to his scripture, starts in

heaven. Well, we know that our sun is not outside of our universe. Amen? It says it starts in the beginning of the Mazzaroth, so there is your proof that heaven is the Mazzaroth. Read that verse again.

***His going forth is from the end of the heavens, and His Feast Circuit; tekufah, to their ends, and no one is hidden from His wrath.***

The sun wherever it starts, is the beginning of heaven, and wherever it ends is the end of heaven. You all know I didn't write this Bible. I'm not making this up. I'm just reading your Bible, that's all I'm doing. It is there. This has ALWAYS been in your Bible! Why did nobody teach it to you? Because *these* are the days of Elijah! These are the days of the RESTORATION OF ALL TRUTH!

According to David, the heavens does not mean the galaxies. It doesn't mean where Yahweh lives, or where you're going to live. It means the BEGINNING of the Mazzaroth which is Virgo, and the END of the Mazzaroth which is Leo. THAT IS THE THRONE OF HEAVEN! Keep reading.

**7 The Laws of Yahweh are perfect, converting the whole person. The testimony of Yahweh is sure, making the simple ones wise.**

My Lord! Wait a minute! Did this verse just compare the Mazzaroth to the Law of Yahweh? Did it just compare it to the actions of Yahweh? Brothers and sisters, I have a question for you today. Where does law originate from? It originates from a THRONE, or a government. According to this scripture, the Mazzaroth is where the statutes, and the laws have all come from.

That's why Moses was told to build the Tabernacle after the pattern that he saw on the mountain when he was looking at the Mazzaroth. I'm going to prove to you that the Mazzaroth is the very THRONE of Yahweh! It is there that all the TORAH comes from; all of the law and all the statues! Now you

know why Satan has turned it into perversion. Read verse eight, Brother Morgan.

**8 The statutes of Yahweh are right, rejoicing the heart; *mind*. The commandments of Yahweh are pure, bringing understanding to the eyes.**

This Mazzaroth is telling you the commandments, they're telling you the statutes, they're telling you the law. David is telling every one of you that the stars are speaking to you. Remember how it started? They're telling you something. What are they telling you? They're telling you about the Law. Why is that? Because the Law of Yahweh is PERFECT and because the Mazzaroth is perfect.

For millions of years or however long, that sun has gone like a man looking for a wife. It has gone from house to house without fail. It has never not sat in one of those houses for thirty days. Just as sure as that Mazzaroth is, when you look at it you should have FAITH in the perfection of your God; in the perfection that He has Order and Law that will never, ever be abolished! It will never fail you! You can trust in it, you can depend on it! You can put your flag in the rock solid ground of Yahweh Almighty! When you look at the stars you see His Perfection, and you can TRUST IT!

*The message is constant, and it just repeats.* It is constant. It never changes.

*May I say something?* Yes, Ma'am. *So actually, the Mazzaroth is the beginning, the end, and everything in between.*

You just said it. That's why Yahshua is the Beginning and the End, because the Mazzaroth is about Him and you. You were *in Christ*, so therefore, the Mazzaroth is about you. It's a beautiful thing! HalleluYah! The heavens are preaching without a voice, they are preaching across all cultural and language barriers. In them He sets up houses for the sun. What is that called? The WAY or the PATH the sun follows. HalleluYah!

He sets up houses for the path that the sun follows. Listen to me carefully. That way that the sun travels is *the Way*. It is the *Path to Dwell In*. This is why Yahshua said, “*I AM the WAY. Just like the sun goes from house to house, I am the **Son** of Yahweh. If you follow My Steps, I’ll lead you the exact way that the sun above is leading you. I will start you at Virgo, Mt. Calvary, and I’ll bring you to Leo, the ruling family of Yahweh during the Millennial Reign. I AM the Way. You come to Me and I’ll bring you to Virgo, and we’ll end up at Leo. FOLLOW ME!*”

*I AM THE WAY! I AM THE PATH TO FOLLOW!* Glory to Yahweh! Amen!

*Brother Shane, do you remember that I mentioned Micah Dank, the man who wrote the books about the Mazzaroth? Yes, I do. He is a Jewish man and he one day he got to his end and cried to God and said, “Show me the truth,” and that’s when he was shown the Mazzaroth. He as a Jew said that every sign points to Christ. Every sign points to Yahshua.*

Sister, I would love those books. He came to Christ, not by the Holy Bible, but by the Mazzaroth. That’s why Satan perverts it.

*Brother Vaughn, I bought those books and I literally read one in a day. You can’t put them down. Enjoy them. Who is this, Sister Baker? Yes. And there’s eight of them.*

I’ve got to have them. Just send Kourtney the link to those books and I’ll buy them. Thank you so much. This is amazing because remember, the Mazzaroth is all about Yahshua.

Why did David in these verses mention the Torah directly in the same thought as the stars? Let’s go read Job 38:32, then Job 9:2-9.

**Iyyob 38:32 Can you bring forth the Mazzaroth; constellations, in their seasons? Can you guide Arcturus with his sons; the Bear with her Cubs?**

In other words, Yahweh just took ownership of the Mazzeroth. May I say it plain and just shock you? Yahweh just said in those verses that HE is the Master of the Zodiac. That's what He just said. I'm going to ask you all a question. How can the Zodiac be evil if Yahweh just took authorship of it? Read Job 9:2-9.

**Iyyob 9:2-9 Truly, I know that this is so, but how can man be just; *righteous*, before Yahweh?**

**3 If one desired to contend with him, man would not be able to answer Him one time out of a thousand.**

**4 Yahweh has wisdom of understanding, and vastness in power. Who has ever resisted against Him, and remained unharmed?**

**5 He moves mountains before one knows it and overturns them in His anger.**

**6 He shakes the earth out of its place, and its pillars tremble.**

**7 He commands the sun, and it does not rise; He seals off the light of the stars.**

**8 He alone stretched out the heavens, and treads on the waves of the sea.**

**9 He is the Creator of the Bear, Orion, the Pleiades, and the constellations in the south.**

Wow. Sounds like the Zodiac to me. He stretched forth the stars. He created these houses. And we are scared to death of them and call them evil. He created the Bear. He created Pleiades. Do you know what Pleiades is? It's all clusters of stars.

**Iyyob 38:31 Can you bind the chains of Pleiades, or loose the band of Orion?**

*Can you change up the clusters of Orion and Pleiades? I've clustered them together.* Do you know what else the Bible says? He called them by what? By Name. Who do you think named these clusters? Who do you think named Virgo? YAHWEH.

**Amos 5:8 Seek Him Who created the Seven Stars: Pleiades, and Orion; Who changes the shadow of death into morning, and darkens day into night; Who summons the waters of the sea, and pours them upon the face of the earth—Yahweh is His Name.**

That's why I don't believe in Climate Change. Quit trying to ignore the fact that Yahweh is cursing you with no rain, because the Bible says it is He Who sends rain where He wants to send it to. Man doesn't have the power to control or affect the climate. Yahweh says that He does. You better forget about Climate Change. That's demonic over Yahweh's Creation! Only demonic democrats believe in it. Yahweh is the climate Master. He said, "I'll make it rain over here and withhold it over here. I'll make it so hot you'll feel like your skin is baking." Okay, that wasn't in the lesson for today.

Why are we so scared of the Mazzaroth? The intent of your heart will determine whether the Mazzaroth is bad. If you worship and live your life by their dictates, and think they are talking about you instead of Yahshua, that is paganism. Those stars aren't controlling your life. Those stars are pointing you to the Way. If you see their message and it all points you to the crucified Lamb of Calvary, then it is THE WAY OF TRUTH.

But if you think that the stars care about you winning the lottery tomorrow, you are a PAGAN. If you want to win the lottery, pay your tithe, and I promise you that you will never be forsaken. *I've never seen the righteous forsaken, nor his seed begging for bread.* I can show you the best way to win the Blessings Lottery. Give Yahweh the first, and I promise you all the rest will be taken care of. Amen?

So let's talk about the Throne of Yahweh. Where is Yahweh's Throne?  
*Brother Vaughn, one day when we get to heaven, we'll see the throne of God.* No, I saw the throne last night! Everybody wants to find the throne. However, a THRONE is a symbol of what? Government. And government is a symbol of what? Law and Order. What is the PURPOSE of the Throne? To ESTABLISH Law and Order.

Can you imagine what our earth would be like without the ORDER of the Mazzaroth; the order of the sun going in those houses for thirty days? It would be chaos. It would have no throne governing the earth, no throne above it! My God!! Yahshua IS the Throne of the earth, because the Mazzaroth tells of Him!

What number is the number of Divine Government? TWELVE. How many houses are there? Twelve. Why not eleven? Why not thirteen? There are twelve houses because in these houses Yahweh has established His Throne over planet Earth. His Throne is literally in the heavens!

David said, "Thy Throne O Yahweh, is in the shamayim. Your Order, Your Law, Your Torah, Your Perfection is right above my head." Why do you think Satan said, "We will ascend to the stars and take the throne of Yahweh!"? Anytime you practice astrology, you're worshiping at a pagan throne! Satan took the throne of Yahweh, declaring himself to be God.

Somebody is going to get it. Somebody who has ears to hear is going to get what I'm teaching you. Satan has taken—like JoeBama took the throne of President Trump and is sitting in a throne that is not his—and Satan has perverted the throne of Yahweh.

But I know a people that in the last days are going to take it back and restore it to the Glory and the Honor of Almighty Yahweh! Glory to Yahweh! You don't know what day you're living in and you have no idea of how blessed you are! Oh! I know the angels of Yahweh are rushing in my office to let the Father know that His throne is being exalted! HalleluYah! I

know when the angels come in. I feel them when they come rushing by. HalleluYah! From this little office, truth is going to the ends of the earth today! HalleluYah! HalleluYah! Thank you Lord, for the presence of the Almighty Yahweh through His angelic army.

**Isayah 66:1 This is what Yahweh says: The heaven is My throne,**

What?! *Where the stars dwell is My throne.* When I said that at the beginning of the lesson, people thought I was crazy. *Where the stars dwell are My Law and My Order. That's where I govern planet Earth through My Torah which is written in the stars.* Read.

**and the earth is My footstool. Where is The House that you will build Me? Where is the place of My rest?**

There you go. *I rule from the shamayim, and I bring it to pass in the earth which is My footstool.* Now you know why Yahshua said, "When you pray, pray that Thy will be done as it is written in the Heavenly Scroll let it be done on the footstool; the earth." My God, My God, MY GOD! You wrote your WILL in the Heavenly Scroll and Father, let it be done at Your footstool, just like it is done at Your Throne. HalleluYAH! Glory to Yahweh!

*Our Father, Who art in the heavens, hallowed be Thy Name. Thy kingdom come, Thy will be done on earth like Your will is written in the Heavenly Scroll.*

Because what does the heavenly scroll end with? THE KINGDOM OF YAHWEH: LEO THE LION. Our Father Who art in heaven, hallowed be Thy Name. Let Leo the Lion come on earth like it's written in the stars! HalleluYah! Why does He say, *forgive us our debts*? Because the very next sign in the heavens is LIBRA, the unbalanced scales. The Father's will is done perfectly in the heavens. That sun never misses a beat. You and I must pray that the story that is written in the heavens comes to pass in the earth just like it written in the heavens. HalleluYah!

*It's opening up, Pastor! Is it opening up for all of you? Yes, Amen! That's why I told you last week at the beginning of the lesson that this is the foundation. You must understand what it means when He says, *I came from heaven*. You've got to know what He's saying. Now let's go to Isaiah 14:13, and Satan is going to tell you where the throne of Yahweh is. We're going to get a double witness. Isaiah just said that his throne was in the Mazzaroth.*

**Isaiah 14:13 For you have said in your heart; I will ascend above the heavens; I will raise my throne above the stars of Yahweh. I will sit in the highest place on the holy mountain of the congregation.**

*I will ascend into the shamayim where the stars dwell. And he did it. It's called the Zodiac. He put his throne right in the midst of the Throne of Yahweh, and now men worship his throne through astrology. Now you know why the Torah forbids any graven image of any of those stars; any of those SIGNS in the heavens of Virgo, and Leo, because they would take those signs and make images, and worship those images instead of the One Who created the image! **YOU SHALL HAVE NO OTHER GODS:** They're talking about the stars in the sky! *You shall not have any of those as your god!**

Why? Because there is a duplicate throne in the heavens. There is the original throne and a perverted throne. When you look anywhere besides your Father Yahweh, you are worshiping at a false throne. They have done it with the Virgin Mary in the Roman Catholic Church. Yahweh has put that in our heart not to acknowledge a perverted throne. Listen, the Roman Catholic Church has taken the Virgin Mary which is Virgo, and put her in every church that they have, to pray to Virgo! Sister Jill Sidock.

*Norm said that the words that come forth from him are an unending treasure. That's a voice that is unparalleled out there. You also said that as the days get darker His light is going to be brighter.*

C'mon. C'mon.

*I'm so amazed at this truth. It's overwhelming in a good way. We just wanted to share that.*

Jill, that means the world to me and what your husband said really touched my heart. I'm a hated man by people who don't understand me. To understand me you've got to listen to me, and to do that requires time and sacrifice. So when I hear words like that, that are hearing and receiving, how it blesses my heart. Thank you Brother Norm.

*To Yah be the glory!* Always. Amen. We always give Him the glory. I am just a willing vessel. This is not my truth; this is His truth. It's not me. All you see now is my lips moving. It is Him, because this man is broken, but these lips are willing. Like Isaiah; *Here I am Lord, send me*. You go to one of the places He put me and you'll be willing real fast. Sister Sandra.

*I want to verify the importance of this message. All my life since I was a young child, I've been drawn to the Lord, and the Zodiac in the world, I knew that was evil. But you gave us clarity today and I thank you. This is a message that everybody needs to know. Thank you.*

Yahweh bless you Sister Sandra. What I want all of you to do now, as you read your Bible, when you see the word *heaven*, stop and ask yourselves, "Which heaven are we talking about?" You'll have to do your own study. Otherwise, you'll get everything messed up. Yahshua said, *I'm the Bread of Life, and I'm the Bread that came from Heaven*. Here's the problem: bread doesn't come from heaven, but in Virgo's hand is wheat, right? And what is bread made out of? Wheat. He is the Bread that came from heaven. Sister Nicole Kirk.

*You know our government is perverted and how they took the Virgin Mary and perverted it. It's no coincidence that our government sits between Virginia and Maryland, hence the name: the Virgin Mary.*

Oh, wow. Hold everything; say that again.

*If you look at the map where Washington DC is, Pastor said the legitimate government is written in the stars. They have taken Washington DC and perverted that. That government sits between Virginia and Maryland, hence the name the Virgin Mary. It's no coincidence that they picked that specific place.*

Okay. You know it was the masons that built Washington DC. Isn't that something! We're all having a little light-turn-on moment here. Interesting. Go ahead Brother Joseph. Thank you Nicole.

*I was just thinking as Nicole was speaking, that the government was created in Freemasonry. I want to touch on a few things very quickly. When you say shamayim, you are bringing so many things together for me. When you taught on the plan I knew that the plan was in the stars already, and we had that from the beginning. We can look at that on navigation just like it was given to Moses to build the Temple.*

*Secondly, I have a lot of people debate with me that Yahshua is God because Yahshua said He is the first and last. But now I have my ammunition to go back. He's not Yahweh. He's from the first part of the plan and the last part of the plan. And when you say He's the Way, I always say that about myself. I am a student of the Way. I didn't want to say that I was a Christian. I said that I'm a follower of the Way.*

*I want to say one last thing. I've been called to evangelism since I was a child. I heard Billy Graham and I said, "What is that man?" My dad said, "He's an evangelist." I didn't want to be a firefighter, football player, or musician. I wanted to be an evangelist. That calling is clearly on my life and unfortunately Satan took my life into a different direction with astrology. I was an astrologer for many years. Like you just said, I should have been an astronomer like Daniel reading the scrolls. He's given me that gift, so now I'm going to.*

I see it, I see it! The Three Wise Men were not astrologers. They were astronomers from Daniel. They were part of the Meads and the Persians. Daniel was the astronomer like they were. Brother, you had a perverted calling that came from an original calling. Now it's time to unpervert it and follow the Way! HalleluYah. Sister Holly, go right ahead.

*I'm trying to soak this all in. So what you're saying is that from birth Satan has been trying to steal our identities? Are Pisces and these different signs part of him destroying our identity from birth?*

Yes, it is the satanic system. When people study astrology, the sad thing is that they don't know that that is one's inborn desire to find Yahweh. In other words, if He is written in the stars, His creation is looking to the stars are they not? There's a natural human desire that Yahweh gives us to procreate. We naturally want that, and Satan comes along and puts men with men and women with women. He takes what was intended for creation and turns it into nothing but pleasure. That's what he did with the Mazzaroth. And now the Church comes and tells us it is evil and not to look at it. So now we have the Church and Satan trying to destroy the Throne of Yahweh.

*So if you were born in the house of Pisces it doesn't have anything to do with your personality, right?*

Here's the deal about it. Every house that you are born under carries influence over the earth. The Bible says they govern the earth. Here is the problem: they govern your CARNAL nature. They have no governance over your New Man. You have to die or you will be Pisces, or you will be Gemini; you will have the influence of it.

We live by the ocean. I can tell you when there's a full moon. There's the influence. They say that people go crazy during a full moon. There is truth to that because the moon affects the water. What are humans made up of? Water. What influences the earth is the heavens. The oceans follow the moon. Right? They pull the ocean.

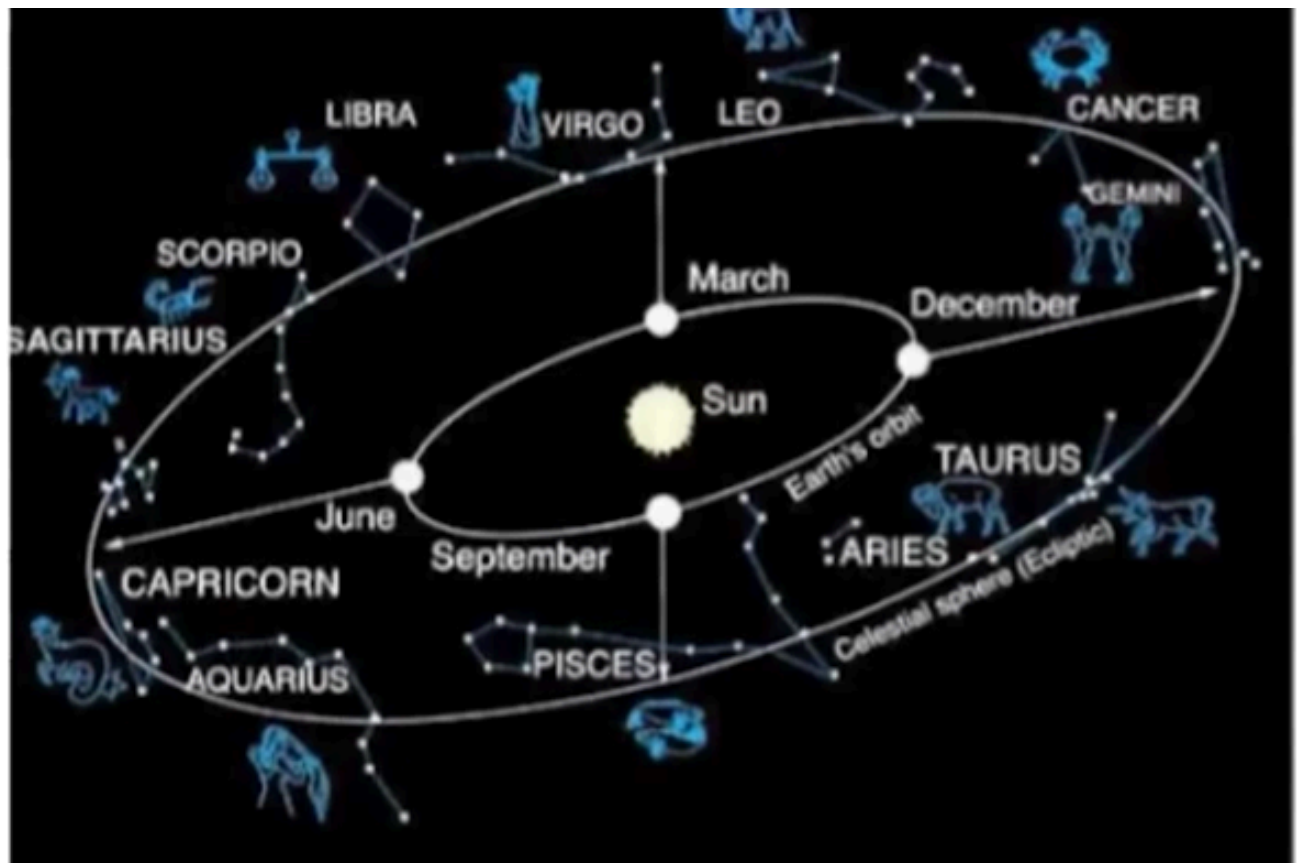

There is a connection between heaven and earth. If you are carnal, then that will pull on you. But when you come out of the spirit of the age you were born under—Paul said that at one time you walked according to the spirit of the age; the mindset, the mentality of the age—but when you are begotten by the Spirit of Yahweh, nothing has a pull on that except for the Holy Spirit, Yahshua, and the Word of Yahweh. Therefore, you are an Overcomer of Pisces. HalleluYah! You don't want to be that negative side. Sister Caly.

*I used to be on the Zodiac so bad that I was scared of the stars and the moon. I read it in Genesis, but I didn't know how to read the signs without being pagan. Where I come from in Puerto Rico, there are many places where you can see the stars like they're right here, and the moon and the ocean. The most beautiful view is at nighttime of the ocean when the moon is lighting the entire ocean. I used to speak to the ocean and everything. It got perverted, and then I got scared of it. Hearing it this way today, now I see that it was meant to be that it got perverted. So thank you.*

That's right. Sister Caly, I really feel the Spirit of Yahweh on you right now, and I know He is delivering you not just from the astrology, but even from the fear of the correct version of this. And now you need to know something. That desire for astrology was actually a desire for Yahweh. He was drawing you to that, but Satan's throne is sitting right where His is. And one day, the sons of Yahweh are going to deliver creation from that FALSE Throne, just like we are going to be delivered from Biden's presidency. It's coming. I see more hands raised but I must get back to the lesson, but we will answer them afterwards.

Why are the angels referred to as stars? Why are they called Morning Stars? Because they are the HEAVENLY government and their physical SYMBOL is the stars; the THRONE OF YAHWEH. Next week we will describe the PERFECT ORDER of these Constellations or HOUSES of the SUN, the PATH or the WAY.

So what is the Mazzaroth? Exactly what is it? All of you who are afraid of astrology and afraid of astronomy, all you are afraid of is a diagram.

The Mazzaroth is just a harmless diagram. You're looking at the Mazzaroth. It's a map of the SUN. What are you scared of? As it travels through the star constellations, here is Earth's orbit. Everybody, find Virgo on the map. It's up above March. Find Virgo. The sun starts its journey here at the beginning of the year. That's why March is the new year, not December.

The Mazzaroth marks the seasons, the equinoxes and the solstices. It's a divine clock showing the Ages of mankind and proclaiming the Battle of the Ages. It's a pictograph of the PLAN OF SALVATION. It is the First Bible. It is the Heavenly Scroll.

You read the Mazzaroth counterclockwise. Not clockwise; you read it counterclockwise. You start with Virgo, go to Libra, and to Scorpio. The sun

will go to Virgo's house and fellowship there for thirty days. He has a cup of coffee there. Then He goes to Libra for thirty days. Just like a bridegroom looking for a bride, these are all his brides. He goes to each of their houses because he—the sun—is a polygamist. The sun has twelve wives. He goes to all of their houses for thirty days. He starts with Virgo for 30 days; then he goes to Libra for 30 days. Then he goes over to Scorpio, Sagittarius, Capricorn, Aquarius.

I want you all to look at Aquarius. Tell me, what is Aquarius the MIRROR of? LEO. The reason you have to read this backwards is because this half is simply the mirror of this half. Watch carefully. The Age of Aquarius is the Age of Leo. Let me try it again. It's a mirror of the other half: six and six. This is a picture of your life.

You are a SIX. Every one of you is a six because why? That's the number of man. What is your goal in this life? To become a TWELVE. This six has to line up with this six to make you a twelve. In other words, you're not WHOLE. There is half of you that must meet Yahweh to find the other half of you. When those halves come together, you create the Throne of Yahweh in your own life. You are governed by TWELVE.

Now this is important. Then you go to Pisces, Aries, Taurus, Gemini, Cancer, and Leo. Yahweh named every one of them! I'm going to prove it to you in a minute. You can see the earth orbiting the sun in the four seasons and the constellations of stars in the sky. THIS IS HEAVEN!! What you're looking at is heaven. This is where the stars dwell!!! This image shows our solar system which was organized into a star chart called the Zodiac Chart. It is an accurate representation of the stars as seen from Earth. Nothing to fear! It's just a diagram. That's all it is.

Now I want you to notice how this chart is divided into four quadrants: Winter, Spring, Summer, and Fall. The Sun is in the middle and we see the Earth orbiting the Sun. The two lines that intersect to form a cross are the Equinoxes when daylight is equal to the darkness of night. The new year

always begins on the first Wednesday after the equinox in the Spring, normally March 20.

An equinox occurs twice a year, around March 20 and September 22, when the tilt of the Earth's axis is inclined neither away from the Sun nor towards the Sun. The center of the Sun is in the same plane as the Earth's equator. The term equinox can also be used in a broader sense, meaning the date when such a passage happens.

The name *equinox* is derived from the Latin word *aequus* (equal) and *nox* (night), because around the equinox, the night and the day have approximately equal length. Now I want to go to Isaiah 40:26 and Job 38:32. Hang tight. It's going to get real good.

**Isayah 40:26 Lift up your eyes on high, and behold Who has created these,**

Hold on. Who has been told, “Don’t look at the stars.”? I have. Go to any Christian church and they will say not to do it. But here is Isaiah saying what? What does Isaiah command us to do right here? *Look to the stars.* The Church says, “Don’t.” Listen to what he said. He didn’t say to lift up your eyes on high and look at the creation of the stars. He said, **LOOK BEYOND THE STARS and see the CREATOR BEYOND THE CREATION.**

In other words, this is what he’s telling you: *Don’t look at the stars and see Pisces and Aquarius. Look at them and see the Throne of Yahweh!* That is important. Don’t look at them for the sake of looking at the stars. Look at them to see PERFECTION, ORDER, GOVERNMENT, and THE THRONE OF YAHWEH. That’s why you look at it. Continue reading.

**Who brings out their host by number. He calls them all by name**

Wait a minute. I said that a while ago and people thought I was crazy. Read it again, until the end of the verse.

***Who brings out their host by number. He calls them all by name through the greatness of His might; through the strength of His power, not one is missing.***

He brings out the starry host by NUMBER: **TWELVE**. He created the numbers and then He came back after He divided them into twelve, and NAMED these constellations! HalleluYah! This is not evil. The Mazzaroth is a DIVINE WITNESS to mankind of the Creator’s Plan from the Beginning to the End. Understanding that one simple fact, brings into sharp focus why the Zodiac was the focus of knowledge given to mankind by fallen angels whose goal was to corrupt humanity. Hold tight. I’m getting ready to show you where astrology came from and why. Let’s read Job 38:32.

**Iyyob 38:32 Can you bring forth the Mazzaroth: constellations, in their seasons? Can you guide Arcturus with his sons; the Bear with her Cubs?**

Yahweh is guiding the Mazzaroth, but brothers and sisters, pay attention. I'm getting ready to show you who brought the knowledge of the stars in their perverted form: the NEPHILIM, the Watchers. The Nephilim perverted Yahweh's message to humanity. Instead of the Mazzaroth pointing to the MESSIAH, Satan did what he always did, and pointed it to SELF. The Mazzaroth points to Christ and His brothers. The Zodiac points to Self, because Satan is all about Self. Listen to me carefully. The way of Yahweh is the way of what? GIVE. But the way of Satan is the way of GET.

Satan, and anyone living under the number six, six, six (666), is living under the way of Get. Therefore, they look to the stars to get information about their life. The sons of Yahweh look to the stars to give PRAISE for Yahshua and The Coming Kingdom of Yahweh. I'm going to prove it to you. We're going to go to the book of Enoch chapter eight, verse three. Enoch said it was the fallen angels who perverted the message of the Zodiac and taught magic, astrology, and idolatry of creation in order to corrupt mankind. The names of the fallen angels are listed in Enoch 8:3.

I am getting ready to teach you something you might not like, and I don't know how to keep from offending everybody. You all better be careful with your essential oils, and you better be careful with your herbs. You better be careful with your plants, because much of that is rooted in witchcraft. I do use essential oils, but I know people who literally worship essential oils for their healing rather than believing in the prayer of faith. They believe in their oils, they believe in their roots, and they believe in their plants.

Hang tight. I need everyone to hear me now. The fallen angels are who taught mankind to not look to the healing of Yahshua's stripes as written in the stars, but to look to the roots. Let's bring it to the next level. The modern day *roots* is pharmacia, which is medicine. I had to get there

eventually. You better be careful. Satan wants to alter your mind any way he can.

That's why when I walk into a place and I smell a lot of sage burning, I get very nervous. My faith is not in sage! I know that what I am preaching is not popular. I just lost two people. Let's surround the children of Yahweh and protect us night and day! Be careful of secret witchcraft in the Church. I'm not against oil. The Bible said to anoint the sick with oil and pray the prayer of faith. Don't put your faith in the oil; put your faith in the PRAYER. You've got to be careful. These spirits are creeping in the Church. Let's read Enoch 8:3.

**Enoch 8:3 Amezarak taught all those who cast spells and cut roots, Armaros the release of spells, and Baraqiel astrologers, and Kokabiel portents, and Tamiel taught astrology, and Asradel taught the path of the moon.**

These fallen angels taught them how to cast spells and cut roots. Armaros taught them to release spells. Do you know what the release of a spell is? Selfish Prayers. Have you heard Christian Church lately say, "Declare a thing! Speak it out! Release what you want!"? You better be careful that you are not releasing a spell! Witchcraft is nothing but trying to manipulate Yahweh with your words. Witchcraft prayers are the release of spells. Praying for God to get your enemy, you're not praying; you're releasing spells. But when you humble yourself and ask your Father to bless your enemy, now we're moving into prayer! You better be careful about releasing your spells.

The other angel Baraqiel taught them astrology. Kokabiel taught them how to make potions. Anything to get your eyes off of the Throne of Yahweh and to heal yourself. Anything to get your eyes off of Yahshua. That's why people won't come to my ministry; it's too Word-based instead of emotional based. It's focusing too much on the Sovereignty of Yahweh; the Name of Yahweh. It's too focused on Sovereign Control. It's too focused on Obedience. It's too focused on Commandments. It's too focused on the

LAW which is the THRONE! They would rather go to the church of the fallen angels. What are you going to learn there?

You're going to learn to cast spells called prayer. You're going to learn how to cut roots. You are going to learn to release the spell. You're going to learn astrology, and potions. The other angel, Tamiel, taught astrology. And then Asradel taught the path of the moon instead of the path of the sun. The calendar we use at First Harvest Ministries is a sun-based calendar. We don't chase the moon. That's what the Jews do. We don't follow the Jewish calendar anymore. We don't look for the moon because that was taught by the fallen angels. The moon is the sign of witchcraft.

I have friends that are witches. I know them. They live in this town. They worship the moon. Do you know when their shabbats are? They call them shabbats. Do you know what a witches shabbat is? They follow the moon! Yahweh doesn't follow the moon. **Yahweh set the Sun in the Throne.** We follow the Sun for our calendar. It's called the Zadokite Priestly Calendar. Now let's go to the book of Enoch chapter nine, verse six.

**Enoch 9:6 Nothing can hide itself from Thee. Thou seest what Azazel hath done, who hath taught all unrighteousness on earth and revealed the eternal secrets which were preserved in heaven, which men were striving to learn.**

Who was Azazel? Lucifer! People look to the stars to learn the secrets of their life because Satan taught them how to do that, but here's what he said: There are secrets in the heavens, and men are trying to learn them, but instead of learning the Way of all the houses, they are learning about themselves. *Eating from the tree of good and evil.* Absolutely, sister. Ladies and gentlemen, that is our lesson for today. HalleluYah!
