

**Preparation for Passover**  
(Part 2 – Pastor Vaughn, fhtv.tv #2303)

**Marriage and Adoption**

Passover is a shadow  
of what is to come.  
It has not been fulfilled  
by anything that's done.

Our hands and feet are washed  
to make us spiritually clean  
of the spots and blemishes  
that to others are unseen.

We died in water baptism,  
created new so we could be  
betrothed to Yahshua,  
from Satan set free!

Our marriage to Yahshua  
to adoption opens the door,  
to the praise of Yahweh  
who is blessed forevermore!
