## **The Key of Patterns**

The Word of Yah is perfect.  
It's just as He intended.  
There is no private meaning  
and it never needs amended.

To understand Yah's intent,  
patterns must be followed.  
There is a sacred unity  
to all His Word most hallowed.

From Genesis to Revelation,  
the Word must agree.  
It is used to convey  
it's meaning consistently.

Patterns give us a clue  
to a deeper meaning  
of what we are reading,  
of what we are gleaning.

It must be read in context  
to see how it is used.  
Some have made it a pretext,  
causing truth to be abused.

It's a theory until proven.  
Repeated patterns will make it a law.  
In the Word we see them woven  
bringing clarity to all.

A word study will reveal  
a pattern previously hidden.  
What joy to discover a truth  
long ago forbidden!

Yahweh hides His jewels of truth  
to see who will pay the price  
of daily diligent search  
and personal sacrifice.
