

ISRAEL 101
Part 16
“The Doctrine of Balaam”

By Pastor Shane Vaughn, First Harvest Ministries

We need to finish up with Israel 101. I have spent the last 16 weeks teaching on this subject. It is my prayer that you are beginning to now know who Israel is. We're going to discuss a lot today and I believe with all my heart that when we do that you're going to understand some things better than you've ever understood them before.

I want to go to Revelation 2:14. When we get to this verse I'm going to close out this great series with a warning. I've shown you who Israel is. I've shown you that it's not that land over in Palestine or over in Judea. I've shown you that's not the real Israel of God. Israel is not the state of Israel. It's the House of Israel. The 12 tribes, specifically the 10 tribes that have been scattered all over the world as prophesied.

Revelation 2:14

But I have a few things against you, because you have there those who hold the doctrine of Balaam, who taught Balac to cast a stumbling block before the children of Israel, to eat things sacrificed to gods (idols), and to commit fornication.

Let's read that again...

I have a few things against you because there are people among you (in your church) that hold the doctrine of Balaam.

Alright we're going to teach today about the doctrine of Balaam. This is so important to God that it needs to become important to you. Have you gotten involved with the doctrine of Balaam as an Israelite? I'm coming to warn all of you today that there is one thing that will move you out of remnant Israel. There is one thing that will cause you to leave remnant Israel. It is the doctrine of Balaam. And you need to familiarize yourself so that you never fall into the doctrine of Balaam and God would have that against you.

Now I never hear this subject preached on ever. I never hear anyone preaching on the doctrine of Balaam and yet it is so very important to God. Why does no one preach on it? I will tell you. Because it's not easy to preach on. It is very unpopular to preach on the doctrine of Balaam. Only few ministers have the backbone to preach on the doctrine of Balaam. And I just thank God that he gave

me backbone because I have no fear of offense when I'm in the word of God. And we need to understand today that after you've spent 16 weeks with me learning who Israel is and learning that you are an Israelite, I warn you that after this great series, do not lose out with God because of the doctrine of Balaam.

When the book of Revelation condemns the doctrine of Balaam, it is condemning a sin that (listen to me carefully) caused Yahweh to kill 23,000 Israelites. I want you to listen now. This is the only time that Yahweh ever killed his own people. That's how serious this is. He killed 23,000 chosen people because they fell into the doctrine of Balaam.

There are three things that Yahweh condemns in the book of Revelation. The doctrine of Balaam, the Nicolaitans and Jezebel. Those three things received open rebuke from Yahweh himself. Did you know that the doctrine of Balaam is mentioned 59 times in 8 books of the Bible? That's how serious the doctrine of Balaam is. It's no small matter. It is something every Israelite must inculcate yourself from. It's something for every one of you in this class. If people would've listened to this teaching years ago they would still be with us.

The doctrine of Balaam will take you out of remnant Israel.

It is no small matter and yet the modern church never teaches about this doctrine of Balaam. Why? Well because pastors don't want to be accused of being cult leaders. They're too scared to teach the people protection, what they need to know. And therefore the doctrine of Balaam is inside the church. It is my duty as a shepherd to reveal to you the doctrine of Balaam and to keep it out of the camp because it is death. It is death. Let's read Revelation 2:14 again. Let's finish it out now.

Revelation 2:14

But I have a few things against you, because you have there those who hold the doctrine of Balaam, who taught Balac to cast a stumbling block before the children of Israel, to eat things sacrificed to gods (idols), and to commit fornication.

The doctrine of Balaam cast a stumbling block before the rest of Israel that caused them to stumble. If you are involved with causing the children of Israel to stumble, you are involved with the doctrine of Balaam.

What were they guilty of? The doctrine of Balaam deals with fornication, and no I'm not speaking sexual. I'm speaking spiritual. Now they did commit sexual

fornication with strange wives. Yahweh protects Israel from everything except itself. Yahweh protects Israel from every enemy except the doctrine of Balaam.

Let me tell you the story of Balaam. Balaam was a so-called prophet. King Balac came to Balaam and said...Balaam I want you to curse Israel. Go out there because they're coming our way. Go curse them. And Balaam told the king: You cannot curse what God has blessed. There is no way to stop that ministry King Balac. There's no way to stop the ministry of remnant Israel. They walk under a supernatural blessing. You cannot cut off their finances. You can't cut off anything because when one person quits God sends another to finance his work.

You cannot stop them King Balac. They are blessed. The king came back and said: I'll tell you what I'll do. If you will go curse that ministry, I will give you houses, land, money. Whatever you want I'll give it to you. Go curse them. Again Balaam decided that he would go and try to curse them and get the money. He would try to go and destroy them to be part of the group that was in the destroying mode.

Yet on his way what happened to the donkey he was riding on? An angel appeared and stopped him from cursing the ministry of God. So Balaam goes back to King Balac and says: Your honor, your majesty, they cannot be cursed. No matter what I do or what I try they cannot be cursed. He said, but I'll tell you what I will do. I'll give you the secret King Balac to help them destroy themselves. I can't curse them, but I'll teach you how they can curse themselves.

I can't destroy that ministry, but I'll teach you King Balac what you need to do to let them destroy their own self. And he said, all you've got to do King Balac—they're right down their close to the Moabites. They're coming upon the Moabite camp. And if you don't want them to come any further and be any more blessed and grow anymore, here's what you've got to do.

When they get down there to the Moabite country, go tell the women among the Moabites—go pay them to go out there and seduce the men. Have the women go and seduce Israel to sleep with them, and have children with them, and mix the seed all up. Oh hallelujah. *My my my*. You go and you get them, and what will happen—God hates mixture. Balaam was smart enough to know God hated mixture. He knew that if you would mix Israel up so bad with the Moabites that God himself would curse his own people.

What had started out as blessed with God would be cursed. Do you remember in Torah God told Israel I will curse your blessings? He said we cannot curse them, but they can curse themselves by committing fornication with the women.

Now here's the problem. The problem was not the fornication with the women that God cursed them for. But when you crawl in a woman's bed, you're going to wind up worshipping that woman's god. *Amen*. And vice versa. It wasn't about the fornication with the women. That's forgivable. But the minute you begin to mix back with Babylon where you just left, the minute you begin to mix back in with the gods of this world—Easter (Ishtar)—the minute you begin to mix is the minute you've committed the doctrine of Balaam.

They went whoring after other gods through sexual relationships. Listen to me. When your God is Yahweh—he is the God of Israel—when he is your God, you commit to him completely. He allows no fornication with the gods of this world. He allows no fornication with the Baptist god, or the Catholic god, or the Protestant god. None of these are allowed if you belong to Yahweh.

There is no mixture allowed.

When you serve the god that endorses slander and gossip and destruction, that's not the God of Israel. And you've committed then the doctrine of Balaam. They went after false gods, whoring after strange gods. God told Paul in the New Testament when he was persecuting the Christians (remember what God told him?) ... God said that when you persecute them...let's read it. Acts 9:4-5.

I want to show you how connected Yahweh is to his people, and the reason you, my beloved friend, can never claim to be connected to God while you're destroying Israel. You can never claim to love God if you don't adore his people Israel. Let's read what he said.

Acts 9:4-5

4 And he fell to the earth, and heard a voice saying to him, Saul, Saul, why do you persecute me?

5 And he said, Who are you Lord? And the Lord said, I am Yahshua whom you persecute, it is hard for you to kick against the pricks.

But he wasn't. Paul wasn't persecuting Jesus. Paul was killing Christians. Yahshua is equating killing the church with killing him. *His body*. I want that scripture to sink in. Why are you persecuting me? Well as far as I know Paul had never seen Jesus, how could he be persecuting Yahshua? Because the body of Yahshua is Yahshua.

When you begin to cause Israel to mix and turn against one another, you have come against Christ himself. When you begin to mix with the religions of the

world that he delivered you out of, when you desire to go back to Babylon, it's a very serious thing. You are not your own. You Israel have been bought with a price. You are not like this world. Get over it. Be done with it. Come out of her all the way. Come out.

Look darling, you can do it today or tomorrow, but you're coming out. I don't care how far you run from the house of Israel. If you have been predestined to be in the first resurrection, you are going to come back one day or the next. You might as well surrender. Because when Yahweh gets through with whipping you, you'll wish you had just stayed out of bed with the false gods of this world.

Let's go to 1 Corinthians 6:15-18. I want to show you how serious it is to God that you not sleep with other gods.

1 Corinthians 6:15-18

15 Know ye not that your bodies are the members of Christ? Shall I then take the members of Christ, and make them the members of a harlot? Yahweh forbid.

16 What? Know ye not that he which is joined to an harlot is one body? For two, he says, shall be one flesh.

17 But he who is joined unto Yahweh is one spirit.

18 Flee fornication. Every sin that a man does is without the body, but he that commits fornication sins against his own body.

It's very important what you just read. I pray that you grabbed it. When a man sleeps with a woman, they become one, whether it's a harlot or your wife. That's why in the Torah if you wanted to marry a woman all you did was go sleep with her and that makes you married. In the Torah, when you sleep with a woman, she is your wife. Now you may not legitimize it, but in the eyes of God you have become one with that person.

I want to say this to all of you. When you crawl into bed with a gossip, you become a gossip. I hope you're hearing me today Israel. When you crawl into bed with a destroyer, you become a destroyer. When you crawl into bed with the gods of this world and the evil of this world, that's what you become. And when God sees that you've become that, he hates that mixture that Balaam taught.

It was a stumbling block because here's what happens. Now you cause your brothers and sisters to stumble because you put a stumbling block on their

Facebook inbox. Or in their email. Whatever it is you do to cause them to stumble, you've committed the doctrine of Balaam. And God hates it. What did he just tell him? Saul why are you persecuting me? Well I'm not persecuting you Lord, I'm killing Christians. He said but you don't understand. Me and them are in a relationship to where we are one. Because anything you get involved with you become.

Don't commit the doctrine of Balaam.

Don't get involved with it. Go to Numbers 31:16. I'm going to show you the secret of destroying the work of God.

Numbers 31:16

Behold, these caused the children of Israel, through the counsel of Balaam, to commit trespass against Yahweh in the matter of Peor, and there was a plague among the congregation of Yahweh.

There was a plague among the church, God's people. How did that plague get there? It tells you. Behold these. Who is he referring to? Those Moabite women who caused the children of Israel through the council of Balaam. You see, Balaam used these words: Do you know what? There's strength in numbers. I can't destroy it by myself. But if you'll get a few of them in the congregation to sleep with us (is anybody hiring what I'm saying in the Spirit?).

If you'll get them to come over to our bed and just listen to us, if you'll get them to just let us pour our hearts out to them, warn them. If you'll just let us get a hold of them, what will happen is, they themselves will crawl in bed with us and become us, and that will cause stumbling blocks for Israel. And they'll begin to worship strange gods.

They'll begin to go back to Babylon, and then God himself will have to curse the whole congregation because the congregation didn't put them out of the camp. The congregation did not cut off that plague, and therefore, the whole church will commit the doctrine of Balaam. He said I have something against you. You've committed the doctrine of Balaam.

God woke me up last night during the night. I was up all night. He said, warn my people of the doctrine of Balaam. Tell Israel she cannot sleep with everybody. She cannot become involved with everything or she'll become what she becomes involved with. I'm trying to warn you today. Numbers 31:16 says it plainly. These cause the children of Israel to turn against their own selves.

Why? I'll tell you why. Those men were Israelites. They went and slept with Moabites. Now those women are going to have children, a mixed seed. I want you to hear me. After you get through with sleeping with the enemy, you all are going to have a child. And that child is never leaving your life. That dog is going to hound you till the day you die. Once you begin to sleep with Babylon, once you begin to sleep with the enemies of Israel, you all will produce children, and those children will always be in your life. You cannot undo it.

Yahweh did not want those Moabite children who were born from that inner mixture to grow up in the camp of Israel. Why? Because they would have their mama's blood in them and their mama's blood would call out to their mother's god and bring that god worship into the house of God and mix the thing all up. *Thank you pastor, thank you.* Amen. NO MIXTURE! Look if you still love the Trinity then go back to the Trinity! There's no trinity in First Harvest Ministries. Why? You cannot take those doctrines and bring them among us!

We're a pure people. We're separated from Babylon. If you go back do not contact these people putting a stumbling block before them. If you want to go back, stay with the Moabites. Don't bring your Moabite children back in our camp. *Amen. Yahweh hates mixture.* He does elder. It was the first command in the scripture. Every seed must produce through it's own kind. Listen to me beloved. You are so pure.

This ministry is filled with the purest people I've ever met in my life. And I've been in the church all my life. This ministry is filled with good people. And yet every one of you are susceptible to becoming rotten through no fault of your own. Someone put a stumbling block in your path. *What is a stumbling block pastor?* You know, one accusation, one...did you hear? One...can you believe that? They throw a stumbling block in your path and you trip right over it.

And then you go into their camp because you've already fallen in love with them. The lie. The false gods. And you'll soon find there's no way back. Why? You've got children now that you're raising over there. I beg you saints. Stay out of the Moabite camp. Keep your eyes on what God did in your life. I want to ask every one of you a question. Listen to me well. Do you remember three years ago, every one of you, when Yahweh used this voice, the one you're hearing right now, to get you out of Babylon? I want to ask you a question.

What changed? What changed? Do you think God would've used the voice to call you out of Babylon to get you to turn against that voice? Come on saints! Stay out of the Moabites! Why? God is going to do a great work here if we can keep it together. If we can stay out of the camp of the Moabites! God wants you to never go back!! Go forward! This ministry is moving forward, and it's not that we don't

love the Moabites. It's not that we don't love the children of Israel who have gotten lost among the Moabites. But we cannot allow ourselves to be infected by that Moabite of venture. We have to keep marching forward to destroy king Balac.

Why? Listen. Thank you Holy Ghost for what you just said. Whew! King Balac represents HaShatan. And he does not want the children of Israel to become the 144,000 and remove him from his throne. So what does he do? He sends religious people like Balaam to cause his people to turn against their own selves so they'll stop marching towards the millennium, so they'll stop marching towards the throne that they are destined to reign on!

That's right pastor. Stay focused. Stay focused on the throne. Stay focused on loving. Stay focus on kindness to one another. Stay focused on no evil thing so that you can make it to the throne. Hallelujah. Read Numbers 25:1-2.

Numbers 25:1-2

1 And Israel abode in Shittim, and the people began to commit whoredom with the daughters of Moab.

2 And they called the people unto the sacrifices of their gods, and the people did eat, and bowed down to their gods.

Now listen carefully. It's started off with a little fornication, a little dilly dallying, a little texting on the side, just a little dab into the Moabites. But I want you to notice how they got the children of Israel. They invited them to a feast. They didn't tell them that the feast was to their gods. No, they thought it was a cookout. Uh huh. They just thought they were going to a Zoom meeting to just have a good conversation.

They were going to eat. They were not going to worship their gods. *No, we would never pastor go back to Babylon.* I know people right now who used to sit in this class that are back at the Seventh Day Adventist church. And I know people who are back where they came from. Do you know how they got there? They went and ate with the Moabites one time.

The Bible said that they just went and had a meal. Now the Moabites knew that it was a meal to their gods. That's why the Bible talks about "meats sacrificed to idols". Listen. I want you to hear me and hear me well. Not only does Yahweh not want you to worship false gods, he doesn't want you to eat at the table of those that do! What were the two things in the book of Revelation that was called the sin of Balaam? They ate meat sacrificed to idols and fornication.

Brothers and sisters, listen to me. Israel did not crawl in bed with those women to worship their god. They did not come to this gathering, this dinner, to worship false gods. They were just trying to show love to the Moabites and show them how we love everybody. *My my my. They got tricked.* That's right brother. They were just doing outreach. You all are going to hear this message today. You're going to hear this message. It'll never leave your mind.

They were just showing love to those who, you know, were not part of us. You know...*I just wanted to go to the Christmas cantata and just, you know, show my love, my support.* Listen to me. Listen to me. Listen to me! **STAY OUT OF THE BANQUET HALLS OF BABYLON!!** Because you may not intend to worship their gods, but I give you my word, before it's over, you will.

You are separate from this world saints. Receive that separation. Understand what God is about. Notice what it said in verse one. "And the people did eat". Oh that reminds me of another story...the people did eat. Her name was Eve. **THE PEOPLE DID EAT!**

Listen to me. Listen to me. What you receive in your mind is what you're eating. Hear me in the Spirit. The people did eat. It didn't say the people worshipped false gods. It said the people ate what those who were worshipping false gods had to say. That whatever Satan gave Eve to eat sounded so innocent, but it was filled with death. God said the people did eat. And after they ate they bowed down to their gods.

Why is that? Well the Moabites had been so good to them. The Moabites gave them their most beautiful women and filled them a banquet. I want you to hear me. When the enemy's wanting to pull you on their side darling, they'll spoil you. They'll pay your way to come see them. They'll do anything to get you to sit down at their table and feed you their lies. *They'll pull you in.* That's right. Your families will convince you if you show up with them at the Easter egg hunt and just love your family—*how dare you not love your kids enough to bring them over here.*

They'll say everything to you. And when it's over, we'll never see you again. Why? Because you get over there and it looks so innocent seeing the children laughing gathering the Easter eggs. And, you know what pops in your mind? *Well, you know, now this is not as bad as pastor Vaughn is saying it is. It's just...* There you go. Eat the food. Eat. *We feed you first. We feed you first before we kill you. We fatten you up before you worship our gods.*

Do you know of anybody who chases Easter eggs who's planning on worshipping false gods—that thinks they're worshipping false gods? No. They're just eating at

the table having a good time. *We're just having a good time at Mardi Gras pastor. Lighten up pastor. All we're doing is joining in so people don't think we're strange. All we're doing is showing up so they know we love them.*

Buddy you better be careful what snakes you love. Why? You will bow down to their gods before it's over. God said...teach my people today after you've told them who they are, how to stay who they are. Warn them so they will not fall into the sin of Balaam.

Joshua 24:10. I want to show you the difference in the bride, I want to show you the difference in a true Israelite and the other Israelites.

Joshua 24:10

But I would not hearken unto Balaam, therefore he blessed you still, so I delivered you out of his hand.

Oh listen. Listen. He said I was one of the few who would not hearken unto Balaam. I think we ought to read that again. Read the verse right before it and read it saints. Listen to what Joshua says. Joshua represents the overcomer. Joshua represents the 144,000. Joshua represents the bride of Christ (not the body of Christ). He represents the overcomer. Read what he says.

Joshua 24:9-10

9 Then Balak the son of Zippor, king of Moab, arose and warred against Israel, and sent and called Balaam the son of Beor to curse you.

10 But I would not hearken unto Balaam...

I would not hearken unto Balaam. I did not come eat with the Moabites when he tried to convince us to. I didn't hearken to Balaam. I saw the trap. And read what he says. What happened because he didn't hearken unto Balaam?

...therefore he blessed you still...

Therefore you're blessed oh Israel because you would not hearken to Balaam.

...so I delivered you out of his hand.

Did you hear that? Being an overcomer will deliver you out of the hands of Balaam. He said because I would not hearken you've been blessed. And I was able to protect you all from Balaam because I saw what he was doing. *Oh hallelujah.* We need some Joshuas. We need some Joshuas who will not hearken. *That's*

what Yahshua did. That's exactly right. That's what he did. Listen brothers and sisters. Don't hearken to Balaam. Because Balaam does not tempt you to worship false gods. He tempts you to associate with those who do. To eat with them. To sleep with them. Let's read Ezra 10:10-11. I want to show you how serious this is to Yahweh.

Ezra 10:10-11

10 And Ezra the priest stood up, and said unto them, Ye have transgressed, and have taken strange wives, to increase the trespass of Israel.

11 Now therefore make confession unto Yahweh the God of your fathers, and do his pleasure, and separate yourselves from the people of the land, and from the strange wives.

Don't just confess your sins. I love what he says here. Don't just repent. Don't say...you know what, I'm so sorry, I got messed up. He said to do that as well, but when you get done separate yourself. *Mark them.* Separate yourself from the people of the land. Notice Israel is not people of the land. Israel are people of the kingdom of God. But the other people are the people of the land.

What do you mean people of the land? The serpent was going to eat dirt the rest of his life. The people who eat dirt, the people who feed on carnality, the people that love to see people destroyed, that's people of the land. We are people of the heavenlies. We are not like people of the land! And yet heavenly beings were sleeping with earthly women and producing a mixed seed. Go read Nehemiah 9 verse 2. Listen to me carefully. You must separate yourself from this world.

Do you know what the world calls people like that? I'm going to look it up for you. Let me show you what the world calls people who want to separate themselves. The definition of a cult: A social group that is encouraged to isolate away from society. That's a cult. I'm one of them. *Sign me up. Yep.*

Anything that takes you away from their control, the ability to teach your children—you see, when you home school your children—do you know that people talk behind your back if you're a home schooler? Do you know what they really think about you? Do you have any idea? Oh they smile at your face. They think you're the weirdest person in the world. I don't care how much they say they like you, they don't. Why? You're isolating your children.

When you keep the Sabbath day, you're isolating from Christianity. *That's right.* Don't join that cult. Don't get disconnected. And yet everything I'm reading in the

word of God says...separate yourself from the people of the land. *Amen. Final authority.* That's the final authority elder, the word of God. Read that verse.

Nehemiah 9:2

And the seed of Israel separated themselves from all strangers, and stood and confessed their sins, and the iniquities of their fathers.

Oh thank God. A true Israelite will always confess and come back home and separate themselves. Hallelujah! I want you to hear me now. If you are a true Israelite you may go over there and you may have kids, but God's provided a way. It's called the red heifer. God's provided a way for you to come back home. God's provided a way for all of your non-intentional sin to be forgiven. Hallelujah. Oh blessed be his name. That's the water of separation brothers and sisters.

The seed of Israel did what elder? *Separated themselves.* I wish to God that I had an easier message for you. I wish to God that I had a message that allowed you to be part of the world and part of Israel. But there is no such message from my lips. Why? We are not of this world.

Get it in your head. Because if you don't get it in your head, he'll get it in your head. You're not of this world children. Let's go to Nehemiah 13:2-3. Let's see more about this spirit of Balaam, this doctrine of Balaam. What is the doctrine of Balaam? Seduce God's people so you can separate them. And then they'll bring their kids back into Israel. Those kids will grow up and worship false gods and it'll spread throughout the church. That's the doctrine of Balaam.

Nehemiah 13:2-3

2 Because they met not the children of Israel with bread and with water, but hired Balaam against them, that he should curse them, howbeit our God Yahweh turned the curse into a blessing.

Aww yes you may have taken some, but you don't understand Balaam. If they could be taken that proves who they were and it has blessed us in the end. Thank you Balaam! He said you've turned our curse into a blessing!

But here's what had to happen. Read.

3 Now it came to pass, when they had heard the law, that they separated from Israel all the mixed multitude.

When they heard the preacher, when they heard the man of God warn them about Balaam. When they heard the law they began separating themselves, they began to finally get it that you just cannot mix with the world. And therefore

Israel was saved by a few people that heard the word of God being preached. And that's what's happening today. There are those who are hearing the message and they're getting it. Hallelujah. Go to Hosea 5:7. And I'm so sorry that I didn't get to finish the book of Hosea. It was so good, but I must end this series today.

Hosea 5:7

They have dealt treacherously against Yahweh, for they have begotten strange children...

How did they deal treacherously with the Lord Yahweh? Because they had strange children. Read.

...now shall a month devour them with their portions.

And those strange children will wind up destroying their fields, destroying them. That's how you've dealt treacherously with me. You didn't understand the dangers of sleeping with strange women, having strange children and bringing them into the camp of Israel. Hallelujah. *Amen, could also be pagan children.* That's exactly right. And they'll turn you into that. Oh hallelujah.

Let's go to 2 Peter 2:15. We're going to find out that this doctrine of Balaam is mentioned 59 times in 8 books of the Bible. Do you think you might ought to listen to what the doctrine of Balaam is? Did you even know what it was before today? The doctrine of Balaam—it is the only thing that caused God to kill 23,000 of his people.

2 Peter 2:15

Which have forsaken the right way, and are gone astray, following the way of Balaam the son of Bosor, who loved the wages of unrighteousness.

Peter's talking about you and I in our day still following Balaam, still falling to the seduction that Balaam taught. Hallelujah.

Now I want to take you to the New Testament. 1 Corinthians 10:8. I'm going to show you the results of eating food offered unto idols.

1 Corinthians 10:8

Neither let us commit fornication, as some of them committed, and fell in one day three and twenty thousand.

23,000 Israelites were killed by God. You see God's a lot more serious about this than we are. This kind of preaching makes us uncomfortable. We've never heard

it in Babylon. Do you know why you can't handle this? You've still got Babylon in you and you like that sweet preaching. You like that encouraging preaching. You became so seduced. You still have a little seduction in you.

And when you hear truth it sounds cruel because when you hear truth you've still got Babylon in you. But there are some when you hear this voice of warning, you see it as the voice of God himself speaking to you to protect you and to keep you in the way. Hallelujah. This is a warning today to every one of us. Don't let us commit fornication like they did! Read verse 11.

1 Corinthians 10:11

Now all these things happened unto them for ensamples, and they are written for our admonition, upon whom the ends of the world (age) are come.

Why is he referring back to Balaam in this New Testament verse? Because what happened to them was not even for them. It was for our admonition so that we in the end time will read that story and say...whatever it takes Oh God I will not follow after the doctrine of Balaam! Hallelujah.

Let's go to Jude 1:11. You're going to see how serious God hated Balaam. It's in 8 books of the Bible!

Jude 1:11

Woe unto them! for they have gone in the way of Cain, and ran greedily after the error of Balaam for reward, and perished in the gainsaying of Core.

They want to enjoy the pleasures of sin. They have ran after the doctrine of Balaam. Here's another warning against Balaam. We don't have to read this but 1 Corinthians 6:9 says...no fornicator will inherit the kingdom of God. No fornicator. Oh quit thinking that's about sex. Oh no. I'm talking about a greater fornication. A fornication with false gods of this world. God is calling you out of that control of Balaam. Come out from among them and touch not the unclean thing. *Amen. Hallelujah.*

I'm going to run through these verses. I'm not going to turn there because I've got to get to part two.

Acts 15:29 Abstain from fornication.

1 Corinthians 6:13 The body is not for fornication (and we are the body).

1 Corinthians 6:18 Flee fornication.

Ephesians 5:3 But fornication, let it not be named among you.

You see we're so worried. Preachers will preach against fornication. But we're so carnal minded that we think that's talking about sex, and the whole time we're all committing fornication while telling young men not to have sex with women. We're out there "having sex" with the worshippers of false gods.

Colossians 3:5 Mortify your members against fornication. So that's not talking about sex? Yes. Come on. Grow up. Listen to me. Listen. Look beyond the letter!

1 Thessalonians 4:3 For this is the will of God, even your sanctification, that you would abstain from fornication.

That's why Yahshua said when I return will there be any faith left in the world? Anything at all?

Revelation 2:20. Let's turn there.

Revelation 2:20

Notwithstanding I have a few things against thee, because thou suffers that woman Jezebel, which calls herself a prophetess, to teach and to seduce my servants to commit fornication, and to eat things sacrificed unto idols.

There you go. So the doctrine of Balaam is the spirit of Jezebel. *Brother Vaughn, what is Jezebel?* Listen to me carefully. Jezebel, according to this verse, seduces Israelites and brings them to the table of good food, but she doesn't tell them that the food's been sacrificed to give to her god Baal. And he said...here's what I have against you: You have failed to recognize that spirit. And now you've got that spirit leading my church.

Help me Holy Ghost to break that down better. Alright. The spirit of Jezebel. He's not talking about women speaking. It has nothing to do with a woman. This has to do with a false teacher that calls themselves Israelites while they're mixing with the world and then they become the pastors of the church, and teach my people that they can do every Easter and do whatever they want to do.

You allowed! He said...I'm not mad at Jezebel. I'm mad at you because you've allowed those people that mixed the seed to lead the church!! *Amen. Amen.* He said I have a few things against you. Revelation 2:20...You have allowed that spirit, that woman Jezebel (or Balaam), you've allow them that called their self a prophetess—what did Balaam call himself?

You see, before you think this is talking about women preachers, what did Balaam call himself? *A prophet.* Jezebel herself called herself a prophetess! And

you didn't have enough discernment to know the difference in a real prophet and one who called themselves a prophet. He said...what do I have against the church? You don't understand when you hear the voice of truth and you run after the voice of lies because they wore their hair long and wore a robe trying to look like a prophet. And you fell for it.

Can I tell you, you don't have to be weird to be a prophet? You don't have to have pink hair, long hair. You don't have to "look like a prophet"!! You don't have to wear a mantle, or a robe to be a prophet. You just have to speak the words of separation. That's all you've got to do is speak the words of separation.

Let's turn quickly to Proverbs 23:27. Solomon knew the dangers. What did he do? He marries strange wives and begins to worshipping their gods. He didn't start off worshipping their gods. He started sleeping with those god's women. Just a phone call is all it was. Just an email is all it was. Never planning on worshipping their gods.

Proverbs 23:27

For a whore is a deep ditch, and a strange woman is a narrow pit.

The only way they can lure you out of God's church is to seduce you out. By inviting you to dinner, by just wanting you to feel that you are loved. They've just been so worried about you. They just want to make sure you're ok. Come have dinner with us. It's a seductress spirit. Read Proverbs 5:20.

Proverbs 5:20

And why wilt thou, my son, be ravished with a strange woman, and embrace the bosom of a stranger?

Why do you want to embrace the bosom or drink the milk of a stranger when right here at home you're getting the purest food that anyone's ever heard? Why would you go drink the tit of a stranger? Why would you go get the milk of a stranger when I've given you a shepherd after my own heart who feeds you from my word. Why would you go to the stranger's breasts?

Why? Because after they feed you their lies, they have nothing else to feed you. And you're going to get hungry again. Why is it so important not to commit fornication? I'm about to show you. I'm about to show you why you can't afford to commit fornication, the reward of not committing fornication and following Balaam's seduction. Let's read about it. One of my favorite verses. Let's go to Revelation 14 starting at verse 1. Oh hallelujah. This is the reward of not sleeping with strange women.

Revelation 14:1-5

1 And I looked, and, lo, a Lamb stood on the mount Sion, and with him an hundred forty and four thousand, having his Father's name written in their foreheads.

Here's Yahshua and he's a lamb, and here's 144,000 other lambs all on Mt. Sion. Notice it's not Mt. Zion. It's Mt. Sion. You need to go watch my sermon on the difference in Mt. Sion and Mt. Zion.* Zion is Hagar. Sion is Sarah. Zion is Judaism. Sion is remnant Israel.

He said I saw 144,000 on that mountain. This is the government. What does the mountain represent? The government. These are those who have made it into Messianic government. Keep reading.

2 And I heard a voice from heaven, as the voice of many waters, and as the voice of a great thunder, and I heard the voice of harpers harping with their harps.

3 And they sung as it were a new song before the throne, and before the four beasts, and the elders, and no man could learn that song but the hundred and forty and four thousand, which were redeemed from the earth.

If you don't have our study guide from our series on the The New Song, you need it because the 144,000 will learn a new song and I'll teach you what that is in that. Keep reading. Let's find out who these 144,000 are who have been redeemed from the land.

4 These are they which were not defiled with women, for they are virgins.

These are the Israelites that did not go to dinner with the Moabites. They did not commit fornication. They stayed virgins before me! And because they are virgins, they were able to follow, they were able to come under authority, and follow the word as their final authority wherever it led them.

I want you to notice now what Yahweh says about these people, how he sees them in verse 5.

5 And in their mouth was found no guile...

* <https://firstharvest.tv/video/2611>

There was no false teaching in their mouth. There was no falseness in their mouth. They loved truth. Now Yahshua, it said the same thing about him. There was no guile in his mouth. These people obey the word.

Oh brother Vaughn I obey the word. I keep the Sabbath. I keep the holy days. You obey the word until it says: Mark those who cause confusion and have nothing to do with them. That's when you quit obeying. Hallelujah. Not a virgin. You can't submit to the word. You submit to your emotions. But I love them!

Obey the word wherever it leads you and you'll be a virgin. You'll stand on this mountain. But notice the last line. Read it.

...for they are without fault before the throne of Yahweh.

Somebody say sinless. *Sinless*. These men have the same testimony that Yahshua had. They are without sin. I want that to sink in. Listen to me. I want this to sink in, what you just read. Yahweh revealed that scripture to me ten years ago when he showed me—because I love to always say: Well Jesus was sinless. He was without sin. And God said: He's not the only one. I was like: Huh, get behind me devil!

Of course he was the only sinless man. Huh uh. He said there's another 144,000 men who have come from the earth and every one of them are sinless and every one of them have the same testimony that Yahshua had. They're without guile and they're without sin! *Oh hallelujah! Amen, hallelujah.*

Why? Because if Yahshua is sinless his body has to be sinless! Do you understand that? *Yes sir. Thank you. Hallelujah.* You can't have a sinless head and a sinful body. They're all one. And the only people who are going to make up the body, the bride of Christ, are those who have followed the word.

Oh hold on now. It doesn't say they never failed. It doesn't say they're without mistakes. And it doesn't say that they never fall short. But God recognizes them as sinless because they always come back to the word. They always come back to the red heifer. They always come back to the cleansing of the church of Israel! *Hallelujah. Whew, hallelujah.* Read the second half of verse 4.

These are they which follow the Lamb wherever he goes. These were redeemed from among men, being the first fruits unto God and to the Lamb.

These are men who are sinless. This is the first harvest ministry. This is the first harvest. Do you all know why we named it First Harvest? From that very verse.

That's what God told me to name this ministry. Well I was going to name it First Fruits Ministry but people think we're fruity enough already, so I went with First Harvest, but it's the same thing.

There is going to be a people who are sinless before God. *Brother Vaughn, who are these?* These are the ones who have their heads cut off. If you'll keep reading about them, these are the ones who lost their heads. Why? Because if he's going to be your head you've got to lose your head. You can't have two heads on one body, come on now. *Amen, hallelujah.* You've got to lose your mind. You've got to lose your way of thinking. You've got to be transformed. And what do you do? Submit to the word.

Let me show you. Can I show you all an area? Ok, I'm ready to separate the men from the boys in this room right now. *Brother Vaughn, I want to be in that number. I want to be sinless before God.* Alright. I want to show you how you refuse to submit to the word. Watch this.

The Bible said if your brother is accused in an accusation, do not listen to it without going to that brother. You all aren't half ready to be in the bride of Christ. You refuse to obey the word. I need you to hear me now. I don't care if you like it or not.

If you receive an accusation against someone in this ministry without going to them privately, directly, you are not in the bride! Because you don't follow the word wherever it leads you. *You're following others.* Absolutely. But when you follow the word—he said if your brother offends you, guess what the word says? Don't you dare tell another person. Are you really ready to be in this number... that's cut your head off?

He said if your brother's offended you, you don't call your other brother and say... brother would you pray about this situation...brother so-and-so...no, no...you just violated the word. You're out. You're not in that number! But if that brother you're talking to offends you and you call him and say...brother can I have a talk with you. Can you and I talk? You said something that upset me. And no one else is ever going to know about it except you. Here's what you did.

And all of a sudden that brother has the Spirit of Yahshua inside of him and he feels horrible immediately for offending a brother. And do you know what that brother says? Brother can you find it in your heart to forgive me and I will try my best to never do that again. Do you know what you just did saints? Balaam can never invite you to dinner now because you've let go of the only hold Balaam could have seduced you with. An offense and a hurt. *Amen.*

Are you really ready to follow the word wherever it goes? How about this one. Oh God help me, no, no. Yes sir I'll do it. When you rob the tithe and you don't give it to the storehouse where you're being fed, you have violated the word of God! You're not ready! I didn't say you were going to hell. I didn't say that I didn't love you any less. I couldn't care less what you do.

But if you're going to FOLLOW THE WORD — The Bible said to bring all the tithes into the storehouse. Why did he use the word storehouse? Because that's where the bread is being fed. That's where you are receiving. He said to support the storehouse. *Oh I send my tithes to ten different places.* And that is not your storehouse! That is not where you have come into accountability. That is not where you have come into covenant. You feed me preacher, I'll feed you.

I've got people in this class that say they want to follow the word, and I'm trying to help you do it, and you'll get mad at me for doing that. But you'll fall in love with Balaam. *Oh I don't believe in giving my money to a preacher.* The Bible said: Don't muzzle the ox that is treading out the corn. Here's what he said: The ox feeds you. How do they feed you? They tread the corn that you wind up making food out of. And he said that you want to put a muzzle on him and watch that ox not even be able to enjoy life because you ain't gonna give him your money.

You're ready to follow the word. Boy oh boy it gets quiet when you get on that subject. I'm going to tell you why. You're not there yet. You're not ready to follow the word. Listen. The true bride of Christ says amen to the word of God. Whatever it says, however it hurts, however deep it offends you. You'll know the difference between an Israelite and a Gentile. An Israelite says amen to the word of God. *Amen!* If Yahweh cannot trust you with his tithes, he will never trust you with his kingdom.

Now I want to talk to you today. That was my introduction. *Ha, ha ha.* I'm making up for the few weeks I've not been able to spend a lot of time with you. Now I want to take you into a subject. *Brother Vaughn I want to be in that number. I want to be on the throne.* Let me tell you why people misunderstand you and First Harvest Ministries. I'm going to teach you what makes First Harvest Ministries totally different than even the Messianic movement. Are you ready?

The Messianics will teach you about the Sabbath. Hebrew Roots will teach you about the holy days, and we do all of that. And we love it. There is a message that you will hear at First Harvest that you will not hear in the Messianic movement. And it's how to get on the throne. They know nothing about it. They know

nothing about the millennial reign. Oh they might mention it occasionally but they can't explain it to you.

They know nothing about hierarchy in the coming kingdom. They know nothing about how the coming kingdom's going to be financed. They know nothing about how they're going to feed the millions and billions of people in the coming kingdom. We know those things. God has revealed it to us.

But more importantly, you need to know more than the millennium. You need to know how to get on that throne to rule in that millennium. And that's what sets First Harvest different from anyone. Because to your Christian friends that's the missing ingredient. I want to show you the missing ingredient in Christianity. Here it is. The missing ingredient is in the book of Revelation. Revelation 22. Here's why they don't understand you. Here's why they misunderstand you. I'm sorry, let's go to Revelation 11 first.

They misunderstand you because they think in one pattern. Heaven and hell. In their mind, that's it. Heaven and hell. To them that's your two options. To get to heaven you only need to believe in Christ. Guess what? They're right! (well not getting to heaven but you get the point). And all you've got to do to go to hell is not accept Christ. They're right! (except for the hell part, but who's counting). Anyway, glory to God.

Yet I want you to see your friends in the Baptist church, in the Pentecostal, etc. That's all. Their mind goes in two directions. But an Israelite messes it all up because we're not focused on any of those two. We're focused on the only thing that Yahshua ever promised us. He never promised us heaven. But he did say...if you will suffer with me, you will rule with me in my throne as I sit in my Father's throne.

Do you know nobody wants the throne except Israel? But that's natural because only Israel is qualified to have the throne and that's ok. The dominion mandate is only given to Israel. That's why the 12 gates to the city are only Israelite people.

Your Christian friends get messed up because they think you're teaching how to get to heaven. And they think when you talk about the Sabbath day, you're talking about how to get to heaven. And guess what? To them that's blasphemy. That is anathema. And guess what? They're right. Because we are not saved by any of our works lest we should boast. They are right! But they're missing what you have learned. And here it is: Get over heaven, get over hell, and get on with it.

Get on with the reason you're alive. If Christianity is correct—I've said it a million times, I'll say it again—if they are correct I don't understand why they don't hand

out Kool-aid at the altar. I don't understand why. If the reason you're getting saved is to go to heaven, then go! Why is God allowing you to live another 70 years after you get saved? If salvation is to get you to heaven, why's he letting you live another 70 years? Because his Spirit will not always strive with man.

Why did he limit your time on earth? Because he got tired of men not changing and preparing to rule with him—so he cuts your life short. You've got 75 years to get over heaven, get over hell, and get on with it. You've got 75 years to change and qualify for the throne. That's the difference in First Harvest Ministries and any other ministry I know of. We are focused on the throne. Let me show you what they're missing. Revelation 11:18.

Revelation 11:18

And the nations were angry, and thy wrath is come, and the time of the dead, that they should be judged...

This is the resurrection. Listen. This is the end of the age. This is the nuclear war. This is the return of Yahshua. The Christian church says that when he returns he's bringing you salvation (or to send you to hell). But the Bible just doesn't say that. Listen to what's going to happen when he returns and this is the missing ingredient.

...and that thou should give reward unto thy servants the prophets.

Oh that's where they miss it! He is not coming to give you salvation. He is bringing rewards with him, and the church has never told you about those rewards and how to earn those rewards! That's where you've missed it. You don't understand. You don't earn salvation. But you will earn rewards! And the church has not taught you how to earn those rewards.

That's why there'll be 30 minutes of silence on that day, when you understand that you could've ruled and reigned with Christ. If you would've quit hating those who are trying to teach you how to do it!

The word reward is the Greek word *misthos*. I love the meaning. Paid for service, your wages. You have to earn wages. You don't earn salvation. That's a free gift. But what Yahshua's bringing back is what you've earned. Do you all understand I just went all against Christianity right there? Do you understand the power of what you're hearing? The missing ingredient is rewards or pay for what you've done! That violates the whole message of Christianity.

First Harvest is teaching you how to get paid !!

But what do you do to get paid? Oh let me show you darling. You don't get saved to get paid. You don't get paid in order to get saved. Oh no, I'm going to show you what you've got to do. Oh hallelujah. Glory, glory, glory. I'm going to show you what you've got to do to get paid. 2 Timothy 2:12. It ain't salvation darling. You don't get paid salvation. Salvation's free. But you're going to get paid every reward that you have earned.

2 Timothy 2:12

If we suffer, we shall also reign with him, if we deny him, he also will deny us.

Wow! So in order to get paid we will get paid for how much we've given up for him! What do you have to do to get paid? You've got to leave the Moabites. You've got to suffer the affliction of Yahweh's people for a season so that you can rule and reign with him. If you suffer with me, you will be paid for it. And what is that pay? The throne! Millennial kingdom that you knew nothing about. Glory!

Get salvation out of your mind and get pay day in your mind! There's nothing you can do to earn salvation, but there's a lot you can do to earn rewards in the kingdom of God. *Multiply your talents*. Oh hallelujah. Oh if the church understood this, they'd quit getting mad at you for keeping the holy days, keeping the Sabbath day, forsaking Christmas, forsaking Easter. They would know you are qualifying for the reward. Revelation 22:12.

Revelation 22:12

And, behold, I come quickly, and my reward is with me...

And how will that reward be handed out? By your faith? No.

...to give every man according as his work shall be.

Isn't that against Christianity? Folks is that not against all of Christianity? That you'll be rewarded according to your works? Do you all know your Bible just said that? I didn't write that. The problem is people don't understand the reward is not salvation. The reward is the high calling, ruling and reigning with Christ over the nations of the world. Restoring planet earth to it's eden-istic glory. That is the reward.

The reward is for you to be in the 100-fold believers. There are 3 keys that I want to give you. And First Harvest Ministries is one of the few ministries that will ever give it to you. I want somebody to name these 3 keys. Put them in your notes. If you will learn these 3 keys you will never go back to Christianity.

Without these 3 keys, listen to me carefully, you cannot understand the end times and you cannot understand the Bible. And I've never heard another ministry that has those 3 keys. And I listen to YouTube all day and all night. We offer the 3 keys that's made this ministry unique before God. And it's those 3 keys that will get you into the kingdom of God, and get you on the throne.

You have to be chosen to rule. You only have to be called to be saved. And everyone will. Listen...but to be chosen. See that's what people get confused about. *But brother Vaughn, the Bible says few there be that find it.* You think that's talking about salvation? You don't know the difference in the bride of Christ and the body of Christ.

The body of Christ is all the called people who have answered the call. That's the body. But the bride comes from the rib cage. The bride is the choicest part. And when the second Adam was crucified they pierced his rib cage, and the bride, the blood and the water, flowed out. That's the red heifer! It flows out and it's covered. And the bride is different from the body. So "few there be" is the bride not the body. The body will not walk the narrow way. The bride will.

There's a mark being placed right now on the virgin 144,000 bride of Christ. And this mark (let's go read about it) will determine who will be chosen as rulers of the coming kingdom. Let's begin with Matthew 25:14. Let's go find out how we're being chosen for the throne for the rewards.

Matthew 25:14-30

14 For the kingdom of heaven is as a man traveling into a far country, who called his own servants, and delivered to them his goods.

So the kingdom of God is going to be like this. The man is Yahshua. He travelled to a far country. Where's that far country? His Father's throne. He sits at the right hand of it. But before he went to the throne what did he do? He called servants you see. Many are what? Come on now. Called. The called out ones is the church all over the world. They were called. He is calling the church, but he's not *choosing* the church.

And what did he do? He called every one of them and gave them their goods. In other words, he gave them the free gift of salvation.

15 And unto one he gave five talents, to another two, and to another one, to every man according to his several ability, and straightway took his journey.

After he did this what did he do? He went to heaven.

16 Then he that had received the five talents went and traded with the same, and made them other five talents.

One believer didn't want to be just called. They wanted to be chosen. They didn't just want salvation. They wanted to add to their faith knowledge, and add to their faith understanding. That's a scripture. You can go look it up. The Bible says to add to your faith. Add to your one talent. Add to what was given to you free. Whatever God's given to you free will not get you into the kingdom.

Hear what I told you! What was given to you freely is not kingdom-worthy. What was given to you freely? Salvation! But that won't get you in the kingdom, or the government. That'll get you outside the city. You'll be saved. 30, 60, 100. Stay with me.

17 And likewise he that had received two, he also gained other two.

18 But he that had received one went and dug in the earth, and hid his lord's money.

The one that received the free gift of salvation was so excited to be saved that they went around telling the whole world "I'm saved by grace and I'm waiting to go to heaven. I'm so thankful for my salvation. Can you believe Jesus loved me enough to die for me and give me free gift of grace? I'm so happy about my free gift of grace!"

But sir, are you keeping the law of God? "Oh no, I don't need to. I got free gift of grace". Sir do you keep the Sabbath holy? "Oh no. That is works. I don't need works. I'm saved." In deed you are sir. But are you preparing to rule and reign with Christ? Are you adding to your salvation what's going to be needed to be chosen?

Hey foolish virgins. You better put oil in that or you will not go in the first calling, in the first resurrection. You will come up in the second. Why? You didn't add anything to your lamp. You were so happy to have the lamp. All ten virgins are saved folks or they wouldn't be called virgins. Anybody with me? They're all virgins. They are all white, saved, they've come in wearing their white robes, saved. They're all saved!! But one added oil. One added what was needed to go into that first calling.

19 After a long time the lord of those servants came, and reckoned with them.

After a long time, 2,000 years, Yahshua returned. Not to give salvation, but to give a settling of the account. See that's what the church won't teach you. What I'm teaching you right now is where the church is missing it. Yahshua's not returning to save you. He's returning to settle the accounts to see what he owes you, to see what your payday is going to be, to see how much you've given up for him—to see how much he's going to have to give up for you.

We used to sing an old...payday is coming after awhile, payday is coming after awhile, I've given up so many things, but soon my praises will ring when I get my payday after awhile.

We're all being paid children on that day. And it will not be salvation.

20 And so he that had received five talents came and brought other five talents, saying, Lord, thou delivered unto me five talents, behold, I have gained beside them five talents more.

He added to. Somebody say I doubled. The purpose of your life is the lamb to the ram (remember in the Mazzaroth?). Come on now. From a 6 to a 12, remember? You must become a human now. You can't be a human then. You've got to be a son of Yahweh. You can't be a son of man. You have to double from son of man just like Yahshua did. He doubled from son of a man, but he proclaimed to be the son of God at his resurrection. He doubled!

You've got to double. What is a double? A hundredfold! If you take something and double it, you've what? Hundredfold it. You've doubled! It's a hundredfold! There's so much revelation in these classes that the whole world should listen. Everybody should get it. If I could get this message out, if I could afford television. I don't know how else to do it. Before Christ returns the gospel of this kingdom must be preached!! All we've got is a barn to have church in. We are the lowest of the earth, but we're preaching a message of a coming kingdom.

21 His Lord said unto him, Well done...

That's the only way you'll hear those words. Well done hundredfold believer. Well done you good and faithful servant. What makes you a hundredfold? Faithful. Faithful servant. You came under the yoke as a servant and you were faithful over every revelation that I gave you. Everything I taught you from the classroom of heaven, everything my Spirit sent into your spirit mind to show you how you can make your way even more straight. And I showed you. You walked in it. Faithful servant. You were faithful over a few things. You were faithful over your salvation. You didn't take it for granted and rest your faith in it. So what's the reward, what's the payday? Welcome to heaven. Is that what it says? Read.

...thou good and faithful servant, thou hast been faithful over a few things...

So I'm going to bring you to heaven now. *No sir*. What does it say?

...I will make thee ruler over many things, enter thou into the joy of thy Lord.

The joy of the Lord is not salvation. That's easy. The joy of the Lord will be payday. The joy of the Lord will be payday. The joy of the Lord will be every long mile and every hard trial and will be paid with a position in the kingdom of God. You will become a ruler. You will become a ruler with Christ.

22 He also that had received two talents came and said, Lord, thou delivered unto me two talents, behold, I have gained two other talents beside them.

23 His Lord said unto him, Well done, good and faithful servant...

Now brother Vaughn, how is that when he only had two talents? How is he getting the same reward as the hundredfold believer who had more talents? It doesn't matter. He doubled. Double is double. Hundredfold is hundredfold whether it's two or five. If you double you're a hundredfold believer! If you're faithful over the revelations he gives you, that makes you a hundredfold believer. That's the only ones going into the joy of the Lord. That's the only ones going into that throne.

...thou hast been faithful over a few things, I will make thee ruler over many things, enter thou into the joy of thy Lord.

The same reward.

24 Then he which had received the one talent came and said...

He that got saved at the revival. The one that signed the card. The one that got saved.

...Lord, I knew thee that thou art an hard man, reaping where thou hast not sown, and gathering where thou hast not strewed,

I knew that you're such a hard man that nothing good that I could ever do would earn me salvation. I knew I couldn't please you. I knew there was no way I could live up to your commandments. You're so hard. I knew that I need not even try. I

knew that within me there was no good thing. I knew that there was nothing I could do to earn your favor! So I just held on by faith to my salvation! Amen?

You know his problem? He'd been to church. They had told him that Christ was a hard man. They had told him that Yahweh's law was hard. They had told him that no one can keep the law, don't even try darling. He believed it.

25 And I was afraid, and went and hid thy talent in the earth, lo, there thou hast that is thine.

But here Lord. I'm still saved. Aren't you glad that I held onto my faith? Aren't you glad that I hid it in the earth of my heart and I told everybody and tried to get them saved too. Here Lord. Here I am (and he just saw the other two enter into the joy of the Lord. Oh yeah, those people who had added). But he said I still have salvation.

26 His Lord answered and said unto him, Thou wicked and slothful servant...

But you're still a servant. You're still my servant, but you're lazy. You did not add to your faith. You believed the lie of Jezebel. I'm not mad at Jezebel. You allowed her to teach you. Mmmm my God. What did he tell them? I'm mad that you allowed her to mix your religion with Christianity.

...thou knew that I reap where I sowed not, and gathered where I have not strewed,

You knew that I was holy and demanded holiness of my people. You knew who I was. You knew that I didn't allow mixture. You knew that I didn't allow sin in my government. You knew that! But still you allowed that woman Jezebel. You allowed Balaam to invite you to dinner. Oh you're still an Israelite. Yes. But you're lazy, slothful and wicked.

27 Thou ought therefore to have put my money to the exchangers...

You should've taken that free gift of grace and went and added to it. And if you would've done that at my coming...

... and then at my coming I should have received mine own with usury.

At my coming I should've received more than a saved person. I should've received a changed person. There should've been interest on what I deposited in my

church. There should've been interest on what I deposited in the bank of my believers. I should've earned interest! Instead you held onto it and would not invest it. You invested nothing into it!

28 Take therefore the talent from him, and give it unto him which hath ten talents.

It didn't say send him to hell. It didn't say throw him in the lake of fire. It said to take the potential that he had, the authority he could have over the nations. Take that from him. He didn't qualify. And now give the one that did qualify his region to rule over that he could've ruled over.

29 For to every one that has shall be given, and he shall have abundance, but from him that has not shall be taken away even that which he has.

30 And cast ye the unprofitable servant into outer darkness, there shall be weeping and gnashing of teeth.

What did he have? He had the potential to be on the throne. But that's now taken from him. And what are we going to do next? We're going to put him outside the city where's there's weeping and wailing and gnashing of teeth. So sadly Christians think that means the lake of fire. Go back and read your Bible and read about how in the evening times every one would rush into the city because outside the city there was weeping and fear and gnashing of teeth because of animals and robbers and thieves and no light anywhere.

You wanted to be home when the sun went down. Why? Because outside of the city there was no light. If you read in the book of Revelation it talks about the saved people being outside the city, the nations of the saved. *Brother Vaughn, I don't believe that.* I don't care what you believe. Let's see what the Bible says. Revelation 21:24. It's talking about the city of God and the only people in that city is the bride.

But there are people outside the city where there's weeping and gnashing of teeth. Outer darkness is the outer court of the temple. Why is it outer darkness? The menorah was in the inner court. There was no light in the outer court. No law. These are lawless people who are in the lawless section of his people. You didn't find the law until you went into the inner court.

Revelation 21:24

And the nations of them which are saved shall walk in the light of it, and the kings of the earth do bring their glory and honor into it.

Read it again.

The nations of them which are saved shall walk in the light of it.

The nations of saved people will walk in the light of the city. In other words, they will not be in the city. They will be outside the city, and the only light will be the law coming from the city Mt. Sion. Every other nation will be saved, but they will not be in the government. Do you all see that? It's right there in your Bible that there will be people outside the city who are saved.

I want you to notice the doubling of these numbers. A 5 that turns into a 10 is a priest who turns into a king because the number for kings is the number 10. The Biblical number for priests is the number 5. That's why in the kingdom there will be priests and kings because the priests will be the 60-fold believers, the kings will be the 100-fold believers. That's why Yahshua is king of kings.

It's imperfection turning into perfection. Let's read Matthew 13:33. Your Bible will never make sense without the 3 keys—30, 60, and 100. *Brother Vaughn, where are you getting that from?* The Bible said that there will be those who produce fruit—some 30-fold, some 60-fold, and some 100-fold. That's where those 3 keys come from, the words of Yahshua himself.

Matthew 13:33-35

33 Another parable spake he unto them: The kingdom of heaven is like unto leaven, which a woman took...

Read it again. I want everybody to hear it. Notice the number 3 (3 measures of meal). The kingdom of heaven is like a woman (the church) that has 3 levels to it. Three keys. The woman is like a church with 3 keys.

...and hid in three measures of meal, till the whole was leavened.

34 All these things spake Yahshua unto the multitude in parables, and without a parable spake he not unto them.

35 That it might be fulfilled which was spoken by the prophet, saying, I will open my mouth in parables, I will utter things which have been kept secret from the foundation of the world.

He said I just opened my mouth and gave you a secret that you didn't even hear. The kingdom of heaven is like a woman with three keys. And he that hath an ear will look for those three does, those three breads, those three keys, those three positions in my kingdom.

I want to close today's lesson by bringing you to the book of Ezekiel. I'm going to show you this 30, 60 and 100 fold. I'm going to show them to you. Ezekiel 44. What is Ezekiel 44? Well it's that chapter that talks about the millennial temple, the third temple. We're going to find out about this third temple. I want you to put this in your notes.

30 = the knowledge
60 = the understanding (of that knowledge)
100 = the wisdom (of that knowledge)

Every saved person has the knowledge of Christ, but they don't have the understanding of Christ. And every 60-fold believer might have the understanding of Christ, but he doesn't have the wisdom of Christ. What is the difference? I'm going to show you..

Knowledge knows that Jesus Christ is the son of God. Welcome 30-fold. 60 are those who have come on in to the Sabbath, they've come on in to the commandments. They've come in to the life of obedience to the commandments. They understand it takes more. But they are not 100 because they don't have the wisdom of the understanding.

What's the difference? You can understand the holy days, you can understand the Sabbath day. But until what those things represent, manifest in your personal life, you don't have the wisdom of it. Maybe you didn't get it so I'll do it again. It's profound. Please listen.

Thirty fold is knowing about Christ. Sixty fold is understanding it. Many of you are 60-fold meaning you know the Sabbath day and you do keep it, but it doesn't keep you. You go to Sabbath and as soon as you're done with it, you're done with Sabbath. But if you're 100-fold, Sabbath leaves Sabbath with you and manifests in your life every day of the week, every hour of the day. *Amen. Amen. Amen.*

The apostle Paul said we can understand all mysteries (that's 60-fold). But if we have not the love of God then it's a sounding brass and a tinkling cymbal. Here's what he meant by the love of God: If you truly love God, if you truly love him, you will allow him to take what you understand and turn you into it. You will take the Sabbath day and you will never judge another Christian for not keeping it. Oh no, that's 60-fold stuff. Oh you'll never condemn another Christian for not keeping Passover. Oh no, that's 60-fold stuff.

No, no, no. You'll be filled with the wisdom of God. You'll be filled with the understanding and the wisdom. Instead of taking that knowledge and destroying

people with it, you will take that knowledge and become a light to the world where they flow unto what you understand. The most dangerous people in the world are Sabbath keepers. Why? They condemn all of Christianity for not keeping the Sabbath. That's not your job. Your job is to let the Sabbath live in you, the one you keep every 7th day, so that every one that you're around will feel the rest of God, the peace that passes all understanding coming out of your inner most being day and night.

They'll never hear a negative word come out of your mouth. Why? Because you don't just keep Sabbath—Sabbath keeps you. Oh you can't be involved in drama. You're at rest. You can't be involved in hurting people. No one gets hurt on the Sabbath. The Bible said in the millennial reign the lion will lay down with the lamb. So when you become 100-fold, people see your lion laying down with your lamb nature, and they both become one. *Amen. That is profound.* Hallelujah!!

Brother Vaughn, I understand the millennium. I want to be in the millennial reign. Hold on now. That's 60-fold stuff. You want to be in the millennium? *Yes! I want to rule and reign with Christ.* Well when you come into the 100-fold, you'll start doing it right now. You'll be seated with Christ in heavenly places RIGHT NOW!! When you come into 100-fold, what is to come shall come. Does that make sense to you! When you come into the 100-fold you'll stop talking about the millennial, and people will start seeing the millennial before they see it. Glory to God!

You will be the prototype of the kingdom! You will be the kingdom. They'll never hear you run your brother down. Why? You won't be doing it in the millennium. No, no. Whatever you're going to be doing then (that's 60-fold), but whatever you're going to do then you'll do now. *Let your light so shine.* Amen!

Well brother Vaughn, we're all going to be keeping the Sabbath in the millennial. I know. Some of us are doing it now. You understand...60, 100. We don't eat anything unclean. *Well brother Vaughn, I don't believe in eating unclean animals!* And yet you let Balaam feed you unclean gossip all day long, and you just eat it up don't you darling? You're 60, 30. You're not 100.

How dare you. *I would not eat a piece of pork, that's a garbage can!* And if you're eating garbage, talking garbage, go eat some pig! I'm going to say it again darling. If you want to act like a pig, go eat pigs! Quit screaming. Quit bringing out the scriptures about unclean animals when you associate with unclean animals! You wallow with them!

That's 60-fold stuff, 30-fold stuff. Hundredfold—do we not only not eat unclean food or animals, but we will not eat your unclean accusations, your gossip! We

are not going to eat it! If you can be part of the destruction of anybody—you want to expose them—*oh yeah we're going to get the truth out* — who do you think you are? You're not the purveyor of truth. Are you that caught up in yourself darling to think that you when there's a God in heaven who reveals, there's a God in heaven who handles his servants? Get out of that pig pen! They're destroyers!

Hundredfold—somebody's going to make it. I said somebody's going to make it. Paul said I don't know if I'm going to make it. And I love what he said. He said this one thing I do know. I'm going to fight everyday for it, I'm going to press into it. I'm going to become what I understand. You see understating is one thing, but becoming what you understand is the 100-fold mark!

Let me give you an example. Many of you are coming in two weeks to eat the body of our Lord. That's 60-fold. That's good. That's better than 30-fold. But when you leave the table and you go to your cabin that night and someone begins to run someone down that was in the service that night, something they did, and you begin to eat the body and destroy them after you eat the body, you didn't eat the body, it didn't eat you. Discern the body.

Many of you are sick the Bible says because you did not discern that when you are the body physically, it was telling you, don't eat them spiritually. Do you know who they are before you put them in your mouth? Know that what you put in your mouth, that you think is the body, is actually Christ himself! 100-fold. If one drop of gossip comes out of your mouth, you're not at 100. You may be 60 or probably 30. Listen brothers and sisters, you must become the kingdom now. *Righteousness, peace and joy*. Sister you just said a bomb full.

What is the kingdom of God? *I know. It's going to be that millennial reign*. Yes it is. But what's going to be in that millennial reign? Righteousness. Peace. Joy. Do you know there are people gathering together in a Zoom call right now looking for ways to destroy me? Does that sound like righteousness, peace and joy to you? Brothers and sisters, get over yourself. Move into the kingdom today. And the kingdom will move into you.

Let's close with Ezekiel 44. We're talking about the millennial temple now. Let's begin at verse 4. And let's read about this temple that's being built as we speak. The temple of our God. Ezekiel 44.

Ezekiel 44:4-16

4 Then he brought me the way of the north gate before the house, and I looked, and, behold, the glory of Yahweh filled the house of Yahweh, and I fell upon my face.

So the glory of the Lord, the name, was no longer in Jerusalem. Go watch my video Where Has Yahweh Placed His Name? * Yahweh's name left Jerusalem. You don't believe me? Go read your Bible. The name of Yahweh was first placed at Shiloh. I'm sorry, before that, it wasn't Shiloh. First he placed it on his people Israel. Then he placed his name at Bethel. Then his name moved to Shiloh—his authority, the center of his government. And then it moved to Jerusalem.

But the prophet of God said that the glory of Yahweh departed from that temple in Jerusalem. In that temple it departed. And guess what? It's never returned. He took his name off of Hagar, Old Jerusalem. Yes he did. I don't care what your church teaches you. And now he's building a third temple where he has placed his name, his glory. And Ezekiel is seeing that third temple, you and I, one stone connecting to the other. And he saw the authority of Yah in that temple, the glory. The glory shows up where the authority is. And I fell on my face. Read.

5 And Yahweh said unto me, Son of man, mark well, and behold with thine eyes, and hear with thine ears all that I say unto thee concerning all the ordinances of the house of Yahweh...

He said we're going to set this third temple in order. Law and order. There's going to be hierarchy in this temple. There's going to be authority flowing down.

...and all the laws thereof, and mark well the entering in of the house, with every going forth of the sanctuary.

Watch carefully who you let come in and who you send out. We're going to set this temple in order.

6 And thou shalt say to the rebellious, even to the house of Israel, Thus saith Yahweh, O ye house of Israel, let it suffice you of all your abominations,

7 In that ye have brought into my sanctuary strangers...

What was there abomination? You have brought into the 3rd temple. You wanted people to join your church so bad that you brought the Moabite children into this 3rd temple, people who were not circumcised in their heart, they were not obedient to authority. They were not willing to surrender. You brought them in.

* <https://firstharvest.tv/video/2403>

...uncircumcised in heart, and uncircumcised in flesh...

They were uncircumcised in their mind and in that old dead body. They were not trying to change.

...to be in my sanctuary, to pollute it, even my house, when ye offer my bread, the fat and the blood, and they have broken my covenant because of all your abominations.

You have broken my covenant because of all your abominations.

8 And ye have not kept the charge of my holy things...

You have not kept charge. He's talking to all saved people here. Israel. He's talking to all saved! You have not kept my house in order.

...but ye have set keepers of my charge in my sanctuary for yourselves.

But you have put keepers that would please you, that would preach the way you like, that would make you smile, that would make you feel so good about yourself. You would leave so encouraged and so motivated, and so unchanged.

9 Thus saith Yahweh, No stranger, uncircumcised in heart, nor uncircumcised in flesh, shall enter into my sanctuary, of any stranger that is among the children of Israel.

So that's the first group of people. That is not Israel that he is talking to. All Israel will be saved. All Israel can enter into my sanctuary, but not the strangers. The sanctuary represents his government. Now read verse 10.

10 And the Levites that are gone away far from me...

Ok now we're going to move on from the congregation. Now we're going to move to the leaders of the congregation.

...when Israel went astray, which went astray away from me after their idols, they shall even bear their iniquity.

Now listen. This is so important. This is your 60-fold. These are the Levites. And their mistake is idols. And they will bear their iniquity. They won't be lost. What is bearing their iniquity? They will not be in my personal holy of holies. They will not be with me in the coming kingdom. But they will be gatekeepers.

11 Yet they shall be ministers in my sanctuary...

Hold on. But I thought they were worshipping idols. But they're still going to be ministers. Brothers and sisters, you shall be ministers in my sanctuary. Even those who didn't know about the idol of an Easter egg. They didn't have the full knowledge of the 100-fold. They didn't understand all things. They didn't realize, but they're still going to be ministers in my sanctuary. These are 60-fold believers.

...having charge at the gates of the house...

Where are they going to be? Out at the gates in those outer courts. They're going to be saved! But they're going to be at an arm's length. They're not allowed into the 100-fold. They're out there as gatekeepers. And they will minister, not to me, but to the house.

...and ministering to the house, they shall slay the burnt offering and the sacrifice for the people, and they shall stand before them to minister unto them.

They are still ministers. I still love them. They are still good people. But they don't realize that they're laying down with idols in the things that they're doing. And they don't realize it's disqualifying them from the next position.

12 Because they ministered unto them before their idols, and caused the house of Israel to fall into iniquity, therefore have I lifted up my hand against them, saith Yahweh, and they shall bear their iniquity.

I'm not sending them to hell. But I'm going to punish them. And that punishment is going to be that they'll have taken away from them what was given to them—the ability to serve and minister to me personally. Read verse 13. I love this. This is about those 30-fold believers and 60-folds. Listen.

13 And they shall not come near unto me to do the office of a priest unto me...

They cannot come anywhere near the government. They will not serve with me in Mt. Sion as those 144,000 because the 144,000 followed the lamb closely. They ministered to the lamb. They are so identical to the lamb that you can't tell them apart. They all look like sheep. Those people who are allowed to be saved, they are not allowed to come anywhere near me.

...nor to come near to any of my holy things, in the most holy place...

I won't let them anywhere near my kingdom because I couldn't trust them with my Sabbath or my tithe. You see the church thinks you're going to hell if you don't do all those things. No, no, no! He said I couldn't trust them with holy things. I'm not going to let them near holy things. *Brother Vaughn, why not?* Uh, because I tested them. I gave them something holy...my tithe. I put it in their wallet to see what they would do with it .

My Sabbath. I gave them that as a test commandment to see if they would keep it holy. They failed. Give them salvation, but I cannot trust them with holy things because they trample on holy things.

...but they shall bear their shame...

You're not coming into the 100-fold. You're not coming into the holy of holies. You're not coming into the 100-fold. You're not coming into the government. You will be governed but you will not be the government.

...and their abominations which they have committed.

What is their shame? They mixed themselves with idols and Moabites. And therefore they're not worthy for the reward. They're still Israelites. I love them. But I don't trust them. Have you ever heard somebody say "I love you, I just don't trust you"?

Yahweh loves everyone who have called on his son's name. But he doesn't trust them until he tests them. And he sends Satan to do that. And those who pass the test he lets you near. That's why some people's prayers are more effective than others. The prayers of a *righteous man*. One who is near to me I hear. I hear those prayers, they avail much more than other prayers that are prayed way out yonder. Those that are way up to me, to my ear!

14 But I will make them keepers of the charge of the house, for all the service thereof, and for all that shall be done therein.

They can keep the gates, but they're not coming near me. But I want you to hear about the 100-fold now. Ha, ha! I want you to hear about the 100-fold!

15 But the priests the Levites, the sons of Zadok...

Who? The sons out of all the priests of Israel. There is one group who are 100-fold. And it is the Zadokites. It is the sons of Zadok. Some of us keep the calendar he kept as well. The Zadokite calendar. He said, there is a people in Israel who aren't 30 and who aren't 60. They are 100. They're the Zadokites.

And when you come to Passover on that Wednesday morning Bible study, I'm going to blow your mind like God blew my mind this week. I'm going to teach you some more about these Zadokites. And then I'm going to show you some more about Passover I never knew before until now.

...that kept the charge of my sanctuary when the children of Israel went astray from me...

When all of the church was hunting Easter eggs and went a little astray from me, they still loved me, but they went astray with their idols. When all of the church, not sinners—this is the church! When they all went astray with their Sunday worship, I didn't kick them out. I didn't send them to hell for that. But they didn't keep the charge of my sanctuary. They went astray. But there was one group of Zadok the priest who never went astray.

...they shall come near to me to minister unto me, and they shall stand before me to offer unto me the fat and the blood, saith Yahweh.

He said that's the ones you'll see standing on Mt. Sion NEXT TO ME. There's your government. Only they will be chosen. Many are called, 30, yes they're out there, they're not doing it the right way, but they're called. But only a few are going to be chosen to minister to me, to serve with me, to live in the New Jerusalem with me.

16 They shall enter into my sanctuary, and they shall come near to my table, to minister unto me, and they shall keep my charge.

If I said to do it in my word, they'll follow the word wherever it leads them. They will keep my charge. When I told them to keep the Sabbath day holy, they will. When I told them to do...they will. They're the Zadokites. And they will be chosen.

God bless you today. Thank you so much for joining me. I pray that you have learned something today that will keep you in the household of Israel, the household of faith. Hallelujah.

This concludes the series Israel 101.
