

The Mazzaroth

(Pastor Vaughn, Part 15 – fhtv.tv #2142)

(Leo the Lion)

The King of all beasts,
the Lion reigns superior
over all other creatures
found to be inferior.

The Lion is strong
and full of power.
His enemies cringe
and before him cower.

He can crush the skull of a horse,
break the backbone of an ox,
and always find his prey
when they hide among the rocks.

The purpose of Leo the Lion
is to destroy the works of evil.
And to bring forth the City of Zion
after a global upheaval!

He will come to reclaim the earth
that the first Adam lost.
He's already paid the price
by His death on the cross.

We were created to take dominion
over ourselves and others.
To serve Yahweh, trust and obey,
and love our sisters and brothers.
We were born in royalty,
our lives are not our own.
We're called to service and loyalty,
and to govern from the throne.

First, we must conquer ourselves -
our feelings and emotion.
Learn to hear our Father's Voice
and give Him full devotion.

The path to becoming a Lion
starts with becoming a Lamb.
To those who rule over us,
we say: "Yes sir" and "Yes Maam".

Rebellion says: "I don't need a man
to tell me what to do.
I can talk to God
just as good as you!"

This is the seed of rebellion,
and if it gets in your heart,
it will turn you into a hellion
and from truth you will depart!

Don't let this happen to you!
You were born for greater things!
Yahweh wants you to become
royal priests and kings!

This earth is your inheritance,
that's why Satan hates you.
He sees you as a threat
and constantly berates you!

Yahshua has done His part,
now we must follow His lead.
Be sanctified and crucified,
the harvest of Abraham's Seed!
