

The Mazzaroth

(Pastor Vaughn, Part 6 – fhtv.tv #2005)

Pisces is a picture of
the two houses of Israel
they are being reunited -
but there's more to tell.

Not all of Judah and Israel
are being called today.
Their time will come later,
in another day.

But there is a remnant,
descendants of Abraham,
who now are being called
by the great I AM!

Beloved, you have been chosen
to govern and to reign
as holy kings and priests on earth
when Yahshua comes again!
