

ISRAEL 101
Part 6
“Transformation Time”

By Pastor Shane Vaughn, First Harvest Ministries

To Israel 101, I encourage you to go back and watch part one, two, three, four and five. They are filled with information about Israel. Last week we left off with the dominion mandate. I'd like for someone in the class to tell me what the dominion mandate is. *That we will have dominion over the world.* Amen. And when was that mandate given? *It was given to Adam in the garden.* That's right. To Adam in the garden of Eden man was given his mandate.

Someone tell me what that mandate was specifically, do you have the verse of scripture where the original mandate was given to mankind? *Genesis 1:26-27.* Let's read it.

Genesis 1:26-27

26 Then Yahweh said: I will make man in My image, according to My likeness, they will have rulership (dominion) over the fish of the sea, over the birds of the air, over the cattle, and over all the earth and over every creeping thing that creeps upon the earth.

27 So Yahweh created man in His own image. In the image of Yahweh He created the man. Then He created the woman from the man.

Now here's the question. I grew up being taught that Adam was given the earth and the world when he was created. But that is not true. Somebody tell me why that is not true and tell me in the scripture that we just read the answer is in that scripture. Tell me why we were wrong in assuming that Adam was created as ruler of the world. *God told him he had to take dominion.* There you go. In other words, someone already had dominion over the earth.

Who was that someone? *Satan.* Amen. HaShatan, Lucifer. He was already the god of this world and remains the god of this world after 6,000 years. Why does Satan remain the god of this world? *Because Adam didn't take dominion.* There we go. He did not fulfill his mandate.

Regarding the mandate, I want to show you all the weakness of Christianity and the Christian message. You know, I know I pick on Christianity a lot, I get it. But alas, it's my duty. Every one of you in this room I want to ask you a question. When you grew up in Christianity, their message is salvation. Our message—what is the difference in us and Christianity? Their message is salvation. Our message

is transformation. That's the difference. In other words, their message was what? Saved and go to heaven. Our message is get transformed and go nowhere and fulfill your dominion mandate that Adam failed in to rule and reign with Christ.

Now, you need to understand. Someone tell me the mantle of dominion—tell me who it was passed to, someone give me the path from where it went to. Someone who was listening last week. It started with Adam. *Then it went to his son Seth, then it went to Noah, then it went to Abraham, Isaac and Jacob.* And then all the nation of Israel. Ok, and then whom? *Yahshua.* Amen. *He passed the test though.* That's exactly right. *Hallelujah.* Amen.

Now I want to help all of you with a subject that troubles many people. I want to help you. And that subject is the preexistence of Jesus Christ, or Yahshua MaMashiach. Every one of you grew up being taught preexistence. Can I see a show of hands? You know, we would say that the fourth man in the fire that was Jesus. And the burning bush was Jesus in that bush. And on and on and on. We called all of those appearances of Christ in the Old Testament.

And by the way I need to give you all a warning about something. When I wrote The Dream Team ten years ago, I still believed in preexistence. You will still see preexistence in The Dream Team unfortunately. I've got to get it out of there. I've just got to take the time to rewrite that book. It's a daunting task though. But anyway though, and there's one of our booklets called The Coming Kingdom of God that's also got preexistence in it as some of the elders have pointed that out to me, and we will get rid of that. As a matter of fact, sister, let's not print anymore of The Kingdom of God booklets until I get that corrected.

But anyway, I want to ask you all a question and you're going to have to follow me. Here is the question that I want you to ask people if they want to talk to you about preexistence. One of the main things you're going to have to do to get preexistence out of your mind—it's not true, it was created by Catholicism.

Alright. Supposedly the doctrine of preexistence is this: That Yahshua was with Yahweh (and even brother Herbert Armstrong believed this and he was wrong about this. He was right about so many other things, but wrong about this). Preexistence—that Yahshua was with Yahweh at creation. And that he was there and that Yahshua appeared throughout the Old Testament in physical form to people. And then one day he divested himself of all of that Godhood that he had, that divinity from the beginning. One day he just decided to divest himself of all of that power, and become a man.

Then he lived a life of perfection, and the only reason he came here was to die for our sins—which never made sense to me because he begged not to die the whole

time he was here. But anyway, so this is the doctrine of preexistence. And then once he died he went back to his original status as divinity.

Alright. Let's assume that this is true. Let's assume that he was always God, and he was there with God in the beginning. Let's assume that Trinitarian Catholic doctrine is correct. Let's assume, even though Yahweh said no one was with him when he stretched forth the heavens, let's just assume that Yahweh lied about that, ok? Because the church said Yahshua was there with him. Yahweh said no one was with him, alright? But let's assume all of that.

And by the way, you've got to be in this class. You've got to come up to the college level. When I say some things, I can't explain everything because I don't have time.

So let's assume that's correct. Alright, here's my question for all of you. And this is the question you're going to ask those who believe in preexistence:

If Yahshua was always God, if he was always preexistent,
and he just popped into that flesh body for a little while
so he could go right back to what he was, I want to bring you
to the mount of temptation.

Now the Bible says that Yahshua was tempted in every manner that we are. Now what is a temptation? Elder, I want to ask you a question. A temptation for you elder, would you agree that it probably would not be if someone brought you a hookah filled with weed? Would that really be a temptation for you? *Not at all.* Ha, ha! We're glad to know that, ha, ha.

Now, however, let's say someone offered you a great recording contract to display your talent and your ministry. You know, they're going to pay for everything. And there may be a few little strings attached that you're not comfortable with. But that, more than the hookah, would you say would be a temptation? *Yes sir.* Ok getting to my point. Thank you.

So, it's only a temptation if you can yield to it. Look, you can bring me spinach right now and I promise you I will overcome that temptation. I give you my word I will overcome spinach that quick. Now bring me birthday cake and we have a total different thing to deal with. Because if I cannot yield to it, then it was not a true temptation.

Alright, so here's Yahshua on the mount of temptation. Here comes the god of this world. Remember Yahweh promised Yahshua the nations of the world. That is Yahshua's inheritance—this earth. That belongs. Yahweh created it all because of Yahshua, to give it to him as an inheritance as a son of Adam.

Alright, well here comes the man, the entity rather, that is the god of this world, that Yahshua wants. The whole purpose of his death is to reconcile the whole world back to his Father. Not to himself, back to his Father. And so here comes HaShatan. And he tells Yahshua...Listen, everything the Father has promised you is mine already. And he said you have come here to be obedient to him, and you had to obey and go by the commandments. And if you did all of that—and oh by the way, if you let them beat you to death and strip you naked in front of your own mother, and if you let them rip your skin from your own body—then you can get it.

But Yahshua, I have a deal for you, and here's the deal. What you want I'll give you. And I'll do it with no strings attached. I will give you the nations of the world. And you and I together will rule and reign. And guess what? You don't have to die. You don't have to get naked. You don't have to get beaten. We'll do it right now. We'll sign the contract right now.

Now, if Yahshua did not have the ability to accept that offer, then it was all a joke, there was no temptation. Don't call it the mount of temptation, call it the mount of showmanship—it was a big show.

Now, if, let's assume, in this garden would be these two trees, here's the second Adam talking to the same serpent the first Adam talked to (the first Eve and Adam) ... same two choices ... what are those choices? The tree of life which is the fruit of the Spirit, or the tree of the knowledge of good and evil which is rebellion. The second Adam had to make that second choice. Why? The dominion mandate could not be passed unto him until the Father knew the choice he would make. Until the Father saw that choice, he sent Satan just like he does in your life to see if you're worthy of the dominion mandate.

Assume with me that Yahshua, at that moment, would have given in to that temptation. I know that's uncomfortable because you've been taught not to think such things. But I'm begging you, as a college professor, to reach beyond your own comfort zone and answer the question.

So I'm going to ask you brother: Could Yahshua have accepted the offer? One word. *Yes*. Ok. Elder could he have accepted the offer, yes or no? *Yes*. Ok, let's assume brother that you said 'no he couldn't have'. Then, if he could not have accepted that offer, he was never tempted. And the Bible said it was the "mount

of temptation”. If it was not a temptation there was nothing for him to overcome. Now here’s the next question. You say in preexistence he was always God. And he dropped into this body.

Here’s my question: What if he would’ve accepted Satan’s offer? Would he have still been God? *No, because God can’t be tempted.* Darling, if you can’t still be God it’s because you never were. *Amen pastor. Pastor, James 1:13.* Read it.

James 1:13

Let no one say when he is tempted: I am tempted by Yahweh, for Yahweh cannot be tempted with evil, nor does He tempt anyone.

Amen. So if this is the eternal God standing there, he cannot be tempted.

Alright brother go right ahead. *Yes pastor. That has always bothered me in that Matthew 4 because now the next question would've been: if Satan knew he was actually speaking to Yahweh and none of the scriptures mention that.*

Never. As a matter of fact, he calls him, and says...if thou be the son of God, of Yahweh. Even Satan knew who Yahshua was, and more so even than the church does. So here’s the question everybody. If he would’ve accepted the offer, now we would have a major problem because now we would have an eternal co-equal, co-existing, God that would join in league with Satan.

Brothers and sisters, perish the thought. Perish it. We’re getting ready to get into these scriptures. Yahshua was the *image* of God. And we’re going to talk about that.

Brother go ahead. *The scriptures tell us that he had to learn obedience through his suffering, meaning that because of the suffering of the cross, he had to submit to that will. If he’d been the Father, that eternal battle would not have been there.*

Absolutely. And if he had been, brother, he couldn’t have been tempted in any way by sin. To say that that man was who we always thought is to literally place Yahweh in the position of being tempted with sin. We already know he cannot be. So that one question that I just asked all of you—the Holy Spirit gave me that question about four years ago. To this day, no one, a modalist, or a trinitarian, or binitarian (which was what brother Armstrong was, binitarian), none of the most gifted theologians when I ask that question, they just sit there and stare at me. I’ve spoken to the best. No one has an answer for that.

We do at First Harvest because we know who Yahshua is. And when you know that, then you understand the dominion mandate. Brothers and sisters, Yahshua could not have been given the dominion mandate until he did what? Until he did what the first Adam was commanded to do—take dominion and subdue the enemy. What did Yahshua take dominion over? Not Satan, because Satan's still out there running things. He took dominion over himself.

Brothers and sisters, the dominion mandate for every one of you who are wanting to rule and reign with Christ, and wanting to rule the nations of the world, you will spend 75 to 95 years taking dominion over the earth which is you! Your time is one of the animals that you have to take dominion over in your earth. Do you understand? Every one of you are made from the dust of the what? The earth. You must do what Adam failed and take dominion. That's what Yahshua did. And now Yahshua lives in you. That same power to take dominion is within you.

That same anointing to just say no to the enemy is within you. If not, then he died in vain, because he did not come to take dominion by himself. If you'll remember, you're going to bruise Satan under *your* feet shortly. So to do that, you've got to bruise him right now in your life. Every single day you have to bruise Satan. You have to bruise him every single day.

That is the mandate that you have been given. You have not been given Christianity's mandate which is to get saved and go to heaven. You have been given the dominion mandate and you need to know what that mandate is. Now let's look at who Yahshua was.

Now why do we stress in this ministry the humanity of Christ? Because if we don't, then you will use the same copout you used all your life. What is that copout as to why you can't overcome? *Because he was God.* That's right. *I'm not God, so therefore, I can't resist the devil.* But Jesus did. *But yeah, he was God!!*

You see, that's why you have to rid your mind of preexistence. You have to know that Yahshua was just like you. And Christianity will not let you believe that. As a matter of fact, they will get offended if you say that. But the reason that we harp on it here is because we need you to get rid of that lie. The Bible said that that man, anointed of God—where do you think that anointing came from? —God, the same anointing that comes on you—I said it's the same anointing that comes on you, it's the same Holy Spirit that he had is what you have. You are without excuse beloved.

You really are without excuse and we just got rid of one of your excuses—a demigod named Jesus. We killed that for you. Why? We want you to get this dominion mandate. It did not stop with Yahshua. That's the problem. In the

Christian church, Yahshua has the dominion mandate, but I'm about to show you where he passed off that mandate to his brothers, that he might be the captain of their salvation, bringing many sons into that same dominion mandate as he had. Amen.

Go ahead brother. *Yeah, you just made me think of a scripture in 2 Corinthians 5:15. "And he died for all, that those who live might no longer live for themselves, but for him who for their sake died and was raised". And it goes along with 1 Peter 2:21. "And to this you've been called because Christ also suffered for you, leaving you an example so you might follow in his steps".*

Yes, and that's exactly what we're supposed to do. He gave us that example and the Christian church takes that away from us. The Christian church tells us that we're nothing like him, you know? But listen brothers and sisters, we are becoming like him everyday. That's the difference in their message and ours. Theirs is salvation, ours is transformation. Amen.

Sister go right ahead. *Well then what do you do with this: You said that's one reason why the message of preexistence wouldn't be good because it would give you an excuse, but you said there were some other reasons. I don't know why it happened this way, but it did happen. And that is in my life way before, maybe ten years before I was born again, I had the opportunity to propose a particular program in an elementary school in Tuscan Arizona. And I went to the principal who was Catholic. I so wanted to do it. I knew it would work.*

It didn't look like it would work on paper, but I knew it would work if she would just let me. And she said...oh you're going to do all this work and you're going to be so disappointed, you know our parents are not going to go for this. And I said...please let me try! Give me the right to fail. Please! And she said...even Jesus Christ couldn't do this. And I said...but Jesus did do it. And she looked at me and said...yes but that was Jesus. I said...if he did it I can do it, he was a man.

There was no doctrine attached to this. But that was my mindset. So, I'm not using that as an excuse. I did believe in the Trinity. I did not use that as an excuse so tell me is there another reason I shouldn't believe in the Trinity?

There's many. As a matter of fact, in that lesson I taught on the Trinity, I explained how it decimates the message of the overcomer. And there's many other reasons. Throughout this lesson I'm going to touch on a few more of those reasons today. Another reason is that it leads us to idolatry because Yahweh said "my glory I will not share with anyone else". So when we take his creation glory and give it to someone else, we have in fact committed idolatry and had other

Gods before us breaking the very first commandment. And so it is imperative we understand the person of Christ.

Now let me clarify something with all of you. I'm not speaking of Christ's position right now. I'm speaking of when he was on the earth, ok? Right now he sits at the right hand of the Father. He is divinity. He is divine. He is far above angels, far above me and you. But when he was on the earth he had to earn that. That was granted to him by his Father in heaven. That's why, after the resurrection, what did he say? "Now all power, now all authority both in heaven and in earth has been given to me". His Father had to give that to him after he took the dominion mandate and wore that garment as a bonafide son of Adam.

Brothers and sisters, we have to be so very careful that we do not buy the false image of the Messiah. If you're not careful, you will turn Christ into the Antichrist. Now I want you to hear me now. If you're not careful, you will turn the living true Christ into the Antichrist. Why? Because what is the Antichrist going to do? The Bible says he is going to exalt himself and put himself in the temple of God as God. He will literally position his image in the place of Yahweh, and get the church to worship him as Yahweh. That is what the Antichrist will do and that's what he has done.

What did Paul say? The spirit of Antichrist does already work in the church! 2,000 years ago. Somebody said...*I'm waiting on the Antichrist to come*. And that's why you can't see the Antichrist that's here now. The Antichrist is sitting in the temple! The 3rd temple. Yes! He's in the temple of the church of Babylon exalting himself as God! That's why it's important.

Sister go ahead. *When you got a moment, I know this is probably not included in this lesson, but when you got a moment at the end maybe, would you explain "image of Yahweh"*. We're headed there now actually. *Oh hallelujah!* Hallelujah that's our next scripture. Let's go look at it. Hallelujah.

2 Corinthians 4:3-4

3 But if our gospel be hid, it is hid to them that are lost,

4 In whom the god of this world (who is the god of this world? *HaSatan*) has blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them.

So Christ is the image of Yahweh. Alright. Let's break this down for you. It's very simple actually. Notice what the verse does not say. It doesn't say Christ who is Yahweh. It actually says the total opposite—it says no he's not Yahweh. He is the

image of Yahweh. Alright, if I take a mirror and stand in front of it, my image reflects on the mirror. Let's say I'm hidden. I'm hidden behind the wall. You can't see me. I'm invisible to human eyes. But I can reflect myself in the image of Yahshua the son. So I reflect myself onto something or into something. And now you're able to look at that image in the mirror and see what it reflects.

Now the image in the mirror—there's a question brother. The image in the mirror, is that my person? Is that image my substance? Is that me in the mirror? *No that is a reflection like you said.* It's a reflection. It is the image of Shane Vaughn. However, Shane Vaughn is hiding behind the wall. You can't see him over there. But if you look in the mirror over there, he's standing to where the mirror can see him.

Yahshua said I know my Father, I'm in his bosom and he is in me, therefore, I am the image because natural eyes cannot look upon him. He needs a physical image and therefore Christ is the perfect reflection. Can I say it like this—he's the "moon". Amen? He is the moon of God if you will. Yahweh sends his light and it shines through the sun. And when we look at him, all of a sudden we see the reflection of love, mercy and grace.

And brothers and sisters, I'm going to bring it one step further. You also are to be the very image of God. When people look at you, they should see the same forgiveness, the same love, the same mercy, the same truth, the same grace. So does that make you God? No. It makes you the image of God. Remember Yahweh is Spirit. Human eyes cannot see Spirit. We have to look at flesh.

Alright, that brings me to my sermon last night. To see Christ you need to look at the Passover bread. Why? He's reflected in the bread, do you follow me? You see, the bread is the moon. The blood that you drink, the wine that you drink, is not Christ. And that's not Christ's physical, literal blood! It is reflecting in that image. Something far greater is reflected in something far less.

Go ahead sister. *So would this be what the apostle Paul was speaking of in 1 Corinthians 13:12 when he speaks about looking through a glass darkly? Amen, amen. Now we see through a glass darkly, but then face-to-face, we know in part, but then shall I know even also as I am known.*

And sister that is a key verse when I teach on the image of God. How many of you have been told all your life in Christianity that God is invisible and no one will ever see God? We will only see Christ. Has anybody ever heard that? Ok, that's a lie. That is a lie. You need that lie to turn Christ into the Father because if you believe no one's ever going to see God—but the verse sister just read proves that one day you're going to see Yahweh face to face.

But until then, we have to see him through a glass darkly. We have to see a reflection in Yahshua or a reflection in the brothers of Yahshua. You see, we see him in part. Amen.

Sister you're next. And then I've got to move on with the lesson. *In my heart, where you're going in teaching this is going to Eve and Adam. Is she going to be the image of Adam as the bride? We are the bride and we must become the image of that one that we were taken out of.*

Sister that's why your name—what is your husband's name? That is why technically you are Mrs. So-and-so. We used to call women Mizress (unsure of spelling). That is your identity. Back in the day, you lost your name (first name) and last one. No one even referred to you as that. You were Mrs. John Doe. You literally began to reflect your husband in that moon. You were the moon. The moon is always feminine. That's why witchcraft uses the moon. It's a feminine religion, you see?

The other day, I was thinking I almost forgot my maiden name. Absolutely. Back in the day, you were Mrs. John Doe (his last name). Now I realize women today despise that because you've been deceived by the serpent seed and you want your own identity. I hear women who come to counseling—let me tell you the stupidest thing I've heard a woman say. I just don't know who I am anymore. My whole life is in him. I've lost my identity! Good!

That's where we're headed. And that's where we are sister. We're in the world now where wives want their own identity. *Yes and now we're in the Lord's identity.* Listen to me everybody. As goeth the church so goeth the nation. But, as goeth the family, so goeth the church. Ok? Satan has attacked family. If a woman ever desires more than a husband, she is not a woman of God. She is a woman of the world.

Your identity is your husband. I know you women don't like to hear it, but this message is going to change you from the inside out. Or you won't show up next week. If you'll let this message change you, it'll heal. And sir, sir, less the women think I'm always preaching to them. Sir, you need to give her something to reflect. *Hallelujah.* Sir, you need to give her joy in bearing your name. You need to give her the honor of bearing your name and you need to make your name good.

Yeah. If I would've been Adolf Hitler's wife, I would've changed my name. Why? His name was no good. Make your name good and let that woman be honored to be called Mrs. John Doe. Amen? You've got to give the image that they're honored to bear. If you don't love Yahweh, and you don't love his church, and

you're just an old deadbeat, and you're not submitted to a pastor, but you're telling them to submit to you? It doesn't work that way. Authority flows from the top to the bottom. Amen. If they hear you running your authority down sir (your pastor) then they feel fine when they get with their girlfriends running their authority down (you). Do you see what I'm talking about? It goes from the head to the toes. Amen.

Sister go ahead. *My thought was if Yahshua is reflected in the bread and the wine, and we partake of the bread and the wine, that's Yahshua's image reflecting in us.* You see, what we have done is ingested the same light that's in him that came from his Father and is reflected in water baptism, in the Passover, in these elements that he gives us. That's where that sunshine that the bride is clothed in comes from...from our husband. Amen. You're absolutely right sister.

Brother ok now. *Yahweh just showed me something really beautiful. So you have the wife that submits to the husband. And at the same time, she's teaching the husband not to be the bride of Christ.* Yes that's right. Brother I tell everyone marriage is your opportunity to experience the life of Christ because you see it in the marriage. You have hard days, you have good days. At the end of the day, if you know that you're going to forgive one another in spite of, you're experiencing what Christ experienced.

Every day he experiences the pain of an unfaithful wife, his church. We cheat on him all the time. And yet he's making intercession for us before the Father even in our condition, even when we mess up. In a marriage, you get to experience the life of Christ, what he experiences. Nobody in this room is not going to be disappointed by their husband or their wife. And you get the chance everyday to experience abundant forgiveness towards one another. And you get to experience what Christ and his church goes through in a marriage. It's a beautiful thing. Amen.

Let's go to Hebrews 1:3.

Hebrews 1:3
Who being the brightness of his glory...

Who are we talking about here? We're talking about Yahshua. What does it say Yahshua is? The brightness of who's glory? His Father's, Yahweh's glory. Yahshua is the brightness of it. Yahshua is the apex of it.

...and the express image of his person...

Or the exact representation of his nature. He is the exact image or reflection of who Yahweh is. It says that Yahshua is the exact replication of the Father. Now go to John 14:9

John 14:9

Yahshua saith unto him, Have I been so long time with you, and yet hast thou not known me, Philip? He that has seen me has seen the Father, and how sayest thou then, Show us the Father?

There you go. He who has seen me—I am the image of the Father. I'm the perfect radiance of his glory. There is nothing in him that is not in me. Why? His mercy is new every morning. Did I not have mercy on the woman at the well? His love is overflowing. There's no greater love than to lay down your life for your friends. Did I not do that? I and the Father are one. Then you cannot separate me and the Father anymore than you can separate the image in the mirror from the person it's reflecting.

John 1:14

And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth.

He's full of what? Grace, mercy. His Father is full of mercy, is he not? His Father is full of truth, is he not? Well here Yahshua is full of grace and truth. Why? I and my Father are one.

Go ahead sister. *It reminded me of the marriage scripture, the two shall become one.* There you go, it's that simple. Actually sister it says 'and the two shall no longer be two'. That's why you're Mrs. Doe. In other words, you were not a Mrs, you were a Miss. Then you became a what? A Mister-ess. You became a Mrs. You literally became one with the Mister. And that is what Yahshua did with his Father.

But you can't be separated. What God has brought together cannot be separated. And what joins you together? Sister what makes them one? The covenant that they are in. The same thing with a marriage. It is that covenant that makes us one, that vow to one another. Yahshua made a vow. I will obey you and you will be my God and I will be your son. That was a vow. And he fulfilled that vow.

Now that is the end. I brought you from Adam #1 to Adam #2. And I've shown you the dominion mandate being passed down. But now brothers and sisters, I'm ready to bring you to the next entity that the dominion mandate must pass to. Let's read in Romans 8.

Romans 8:28-29

28 And we know that all things work together for good to them that love Yahweh...

Everybody loves to quote this scripture. Every Christian friend you've got loves to quote this scripture. *Well I know all things are working out for my good.* No it's not. That scripture doesn't apply to 99% of the world. Everything ain't working out for you for the stupid choices you're making. Everything is not working out together for your good unless you meet the qualifications for that verse. The qualification tells you in the next line the only people this verse applies to.

...to them who are the called according to his purpose.

That would be the house of Israel. Those who are called according to what? His purpose in the earth. Listen to me carefully. Unless you are called to take up the dominion mandate and rule the earth, that's the only people that verse applies to because his purposes in the earth are to raise up an obedient family of sons.

Did you hear what I just said? His purpose in the earth is to raise up an obedient Elohim, a family of sons, the God Family. And only those who are in that process is everything working out for good for you.

29 For those whom he foreknew he also predestined to be conformed to the image of his Son, in order that he might be the firstborn among many brothers.

Oh my God what a powerful scripture. Hallelujah. The son was created to be transformed to the image of his Father. But you are the bride right now, remember the woman in Revelation? You are not being transformed to the image of your Father, no need to be. You have been espoused unto Christ. Come on now! So therefore, you now have to be transformed into the image of your husband his son. Why? Because if you will transform as a bride into the image of the son, then in the next age you will become the son and be in the image of your Father. Hallelujah.

So not only did Yahshua have to be transformed, but so does brother John Doe. You have to be transformed. Christianity stops right there. They thought salvation was transformation. No, no, no. After salvation, then you start the transformation. Who are you being transformed from? From John Doe to the very image of Yahshua HaMashiach. We had to leave John in the water of baptism. He had to be, that's right, beheaded, martyred for the gospel's sake.

Oh I wish you all had ears of the Spirit to hear what I'm saying. You see, you had to be put under the altar and be beheaded for the gospel's sake. And now you get a new head brother, a new way of thinking. You see, you used to, brother, wake up every day living for John, building your financial empire, and making sure you had plenty of money in the bank. And now you make sure the church has plenty of money, you see the change of your brain? Hallelujah.

There has to be a transformation. In the John Doe family, there's addictions, there's selfishness, there's all about you. But in the Christ family, you don't even know who that man was anymore. You look around and you can't find John.

Now listen carefully what I just said. Listen carefully. Remember I told you that marriage problems today are because women can't find themselves anymore? They've lost themselves in their husband's identity? Oh do you hear me? You've got to lose yourself. When you hear a woman say she needs to go back to work to find herself—what she's saying is...I'm not a wife. I'm a woman but I'm not a wife. A wife loses herself in her husband and her children.

And then you become the wife of Christ. How many of you, before you found this truth, never went to church so much in your life, and bible study, and you don't even know who you are anymore. You have become somebody, you don't even know who you are anymore. Oh that's a wonderful thing, ha, ha! I said that's a wonderful thing! You lost yourself! You lost your identity!

I mean, come on brother, if anybody told you brother four years ago you'd be driving 10 hours to church multiple times a year, many times, what would you have said? *You've got to be crazy*. What if they said you've been putting money in the mailbox quite often? What if they'd have said, by the way, you're not going to celebrate Christmas with your kids anymore?

We really don't know who we are anymore! We are a NEW CREATURE! A new creation in Yahshua. We do what he does. We eat what he eats, we celebrate what he celebrates. Amen?

Go ahead sister. *My parents think I've lost my mind!* And you have! Thanks be to God. Hallelujah. Why? Let me give an example. I have a little niece, she's so beautiful, you may've seen pictures of me with her on Facebook at her wedding. She's a beautiful young lady. Well, she always thought highly of Uncle Shane—she always loved and adored me. Well the minute she marries this goon, she forgets any of us exist anymore. She's so wrapped up in this dude who she married. But that's a wonderful thing isn't it? Amen? In other words, she has lost her identity as my niece, and now she's become his wife. Amen? Isn't that beautiful? Hallelujah.

Alright we've got a long way to go and a short time to get there. My, my, my. Let's see. Praise the Lord. I'll try to go a little bit further. *Pastor we just got started.*

Let's go to Romans 9:23-27. Let's see who's being called according to his purpose and did he conform to the image of the son. I want you to underline those words in your Bible—conformed to the image of the son. Until you see that scripture being fulfilled in your life, you have not taken the dominion mandate. I wouldn't mind if you would read that verse everyday. That's your dominion mandate, to be conformed.

And you know I just wonder what the Greek word for “conform” is. It might get interesting, let's see. *I have it pulled up pastor.* Go right ahead. *Having the same form as another, similar, to be conformed to.* Having the same form as another.

Everyday you wake up saints, your job is to be conformed. And you know that's why they'll say that you're in a cult. Because you change so much overnight that they don't know who you are anymore. You're being conformed. Literally. Has anybody in this room had anybody tell them...*I don't even recognize you anymore, I don't know who you are anymore?* How many has said...*I liked the old you better*, ha! ha!

You know why. The old you did not convict them. The old you did not make them look in a mirror. Ahh, but there's no going back for me now. I'm too far in this thing now. Hallelujah. If I'd go back now, I'd be like a half-way monster, I'd done gone halfway into Christ. I'd done been so changed internally I can't go back. Hallelujah. My mind is changed. My mind is gone, taking on that new mind.

Romans 9:23-27

23 And that he might make known the riches of his glory on the vessels of mercy, which he had afore prepared unto glory,

24 Even us, whom he hath called...

Paul is speaking to the house of Israel. This is Israel 101. I'm trying to teach you the only people in the world who have been called for this glory to be placed on them is the house of Israel. Now read that verse again slowly so I can teach it.

23 And that he might make known the riches of his glory on the vessels of mercy...

Alright, who are the vessels of mercy that he is going to make known the riches of his word, his glory, his son Yahshua? We need to find out who the vessels of

mercy are. These are the only people on planet earth who will be shown mercy in the first harvest.

...which he had afore prepared unto glory...

There is a people who he predestined before to receive this glory. And it's not every person. Who did he say it was?

24 Even us...

Us. Somebody say us. *Us*. Who is he writing to? The lost tribes of Israel in Rome. Only on us has this been predestined. This mandate, this dominion mandate was given to us as vessels of mercy. What is the name of our series? Israel 101. I just taught you if you have been shown this message who you are—because it's only being given to the vessels of mercy

...whom he hath called, not of the Jews only, but also of the Gentiles?

Now there you need to remember the lesson from two weeks ago, the unfortunate word Gentile. Does anybody remember that lesson? This is not the Gentiles. These are the Israelites who think they are Gentiles, who are living among the Gentiles. The Jews and the house of Israel are the only vessels of mercy.

Before you continue to read, let me show how valuable this ministry is to you. In times past you would've read that and thought that those vessels of mercy were all the Gentiles and the Jews. Well if that's the case then what about the house of Israel? Where are they at in that verse? Do they not get any vessels of mercy? No, this is the Jews and the Israelites.

25 As he saith also in Hosea, I will call them my people, which were not my people...

Ok brother Vaughn, I don't know if that really is the lost tribes when he says Gentiles there. Really? Really? He just proved it to you. Who did he just say these Gentiles were? His people. These were the people he was referring to in the Old Testament. And what did he say about the lost tribes? Read it again.

25 As he saith also in Hosea, I will call them my people, which were not my people...

He said in the book of Hosea. Who was Hosea prophesying about? Was it Gentiles? No! It was the lost sheep of Israel. Read what he said. He said I talked about you people, the vessels of mercy. Keep reading.

I will call them my people, which were not my people and her beloved, which was not beloved.

Why were the lost tribes ‘not my people’ anymore? I divorced them. So Paul, when he says ‘vessels of mercy’ are us, he says the Jew, and then that bad translation says Gentile. It can’t be the Gentiles. They were never Yahweh’s people. I hope the scales are falling off your eyes right now. I hope you see that whoever Hosea was walking about—a people that were not my people is the house of Israel. And we are the only vessels of mercy that he’s going to show mercy to in this age.

26 And it shall come to pass, that in the place where it was said unto them, Ye are not my people, there shall they be called the children of the living God.

27 Isaiah also cries concerning Israel...

Oh wait, concerning who? *Israel*. I thought it was Gentiles. Come on now. Paul is trying to tell you he’s talking to the lost tribes and the tribe of Judah here. And he brings you to Hosea as one prophecy. Now he’s going to bring you to Isaiah for another prophecy. Those prophets never prophesied about Gentiles ever. Their prophecies were to the house of Israel.

...Though the number of the children of Israel be as the sand of the sea, a remnant shall be saved.

Wow. Now go back to the verse you started with and find that word *us*. And forget where it says Gentiles because Paul describes who he’s talking to and it’s not the Gentiles. He tells you...I’m talking to the ones Hosea talked to. I’m talking to the ones Isaiah talked to. The house of Israel.

We are the only ones predestined to be conformed to the image of Yahshua! Folks, you’re getting a mighty revelation now. Listen. If you ever wonder why your friends are not interested in conforming, they were not predestined to conform! Leave it alone! Quit worrying about them! God will get them at the great white throne. They’ll be there. Quit stressing over them and focus on you! Focus on what you’re called to do. You’re called to conform.

Go ahead sister. *Can we read chapter 9 verses 4 and 5?*

Romans 9:4-5

4 Who are Israelites, to whom pertains the adoption, and the glory...

And the glory? Did Paul not just say that there were a certain group of people called “us” that this glory was predestined to come to? There they are right there. Read.

...and the covenants, and the giving of the law, and the service of Yahweh, and the promises,

5 Whose are the fathers, and of whom as concerning the flesh the Messiah came.

Amen. For them! Brothers and sisters, now you might understand what the ministry of Elijah will do. It will turn the hearts of the children, who didn't know they were sons, back to the fathers. And Paul just told you that those fathers are Abraham, Isaac and Jacob. They will think they're Gentiles, but they will hear the voice of Elijah, and they'll know they're sons of the fathers. And they'll go back to the house of Israel. That's the ministry of Elijah.

You all, I was in the church forty years and I never understood what that meant...”turn the hearts of the children to the fathers” (Malachi 4:6). What did that mean? Now we know. She read verse 4 and 5. Hallelujah.

Go ahead next sister. *Pastor as we study all these things and we are overwhelmed by such beautiful revelation, the thought comes to me...how did we, and how did I, become part of this remnant? I did nothing. I mean yes I was searching for him, but I did nothing to deserve what's happening now, but I too am in chapter 9, verses 15 and 18.*

Romans 9:15, 18

15 For he saith to Moses, I will have mercy on whom I will have mercy, and I will have compassion on whom I will have compassion.

18 Therefore hath he mercy on whom he will have mercy, and whom he will he hardens.

Boy Christians hate those verses. Hallelujah. Christianity doesn't like those verses. That takes man's power all the way doesn't it? Hallelujah. And what did Paul just call you and me? Vessels of mercy, the house of Israel. And do you know that Yahweh told Moses that and do you know why he did? Because Moses was begging God to kill them all. In other words, Moses was tired of fooling with them. And God said, hey, I'll have mercy on whom I will have mercy. And he will

only have mercy on the house of Israel. Why? He has a covenant with Abraham. Amen.

Go ahead next sister. *Ok so that scripture that says he knew us and he formed us in our mother's womb—it means we were not picked now. He didn't pick us out of nowhere. We were picked before we were born.* That's right. Absolutely. He saw that seed. The Bible says it's called the predestined seed. He saw the seed.

Let me give you an example of that sister. The Bible says that Levi paid tithe in Melchizedek. Now why is that interesting? Levi was not born until thousands of years after Melchizedek. Yahweh gave Levi credit for paying tithe before he even paid tithe. Do you know why? Because the seed was paying tithe in Melchizedek. Ooh! And the father follows that seed! He knows every hair on the head of his vessels of mercy. Hallelujah! Glory!

The father's been following this seed since Genesis 3:15 when he said her child will bruise your head. He's had to follow the seed. And Satan was following the seed as well. That's why he killed Yahshua, but he just didn't know about these other seeds that would grow from that seed! Hallelujah! Glory, glory, glory!

Go ahead sister. *So no matter how much you're wrong one way, you are predestined to be here, that's pretty much it.* Yes ma'am. Now there are many that leave. Here's what the apostle said, I'll read it to you real quickly. I believe it was the apostle John who said these words. *Now brother Vaughn, what about those who come to truth and they leave?*

1 John 2:19

They went out from us, but they were not of us, for if they had been of us, they would no doubt have continued with us, but they went out, that they might be made manifest that they were not all of us.

But they went out that we could know that they were not of us. That they might be manifest that they were not of us even though they were in our church, even though they sat right with us. Yahweh said I made them leave so you would know who they are not. *Tares growing with the wheat.* Amen.

Brothers and sisters, what powerful revelation. If you're not careful you'll think everybody sitting in this message is part of us. Oh no. The Father has a way of manifesting. The Bible says they went out to make it manifest that they were not of us. They were not Israel. I'm telling you an Israelite cannot leave this message. Not an Israelite.

Alright sister go right ahead. *For years Philippians 2:12 had bothered me. Salvation just for—accepting Christ, being saved in Babylon, didn't sit right with me. There was more. But the church couldn't ever answer me what the more was when Paul is talking about working out your salvation because I was being told after being baptized 2 or 3 times, you know, I was saved on the left, on the right side of the cross and all of this.*

It's all in God's timing. It's all in my having finally found David Pack, Mr. Armstrong's message and working my way to you. You were miraculously put in front of me if you will, that first viral video. That has made sense. The message of the kingdom is my working out my salvation and accepting my place as the called-out future heir, child of God, brother/sister of Yahshua.

But it just amazes me that in 30 years that passage has bothered me and no one else could ever answer it. You will never get a big head. You will never because you're too busy teaching and hearing from your lambs and your grown sheep that need to hear your message. You don't have time to get a big head because you bring it all out to us. Amen sister. Amen.

And it just blows me away day after day of the revelation that I get because I have someone who can teach me. Amen sister. And you're being conformed. I've seen so much growth in you sister even over the last year I've seen just so much change in you. I'm telling you it's been phenomenal to watch the strength that's come into your life. You went, if I can use the words, from being controlled by your emotions, to I'm hearing more of the word come out of you now, and so that's a wonderful thing. I am so proud of you. Amen. I know it's the Father's work. Hallelujah. Amen.

Next sister, go ahead. *You know that verse that says "many are called but few are chosen"? Yes. Would you be able to say many of Israel are called, but few are chosen, so remnant Israel? And that's the word Remnant. You're exactly right. So all of Israel, because they're children of Abraham, have been called, you know, to a specific purpose. But the Bible says only a remnant of them will return to the Fathers. And that remnant is in this room today and of course much greater across the world.*

So the chosen ones will be sister. Adam was "called" to take dominion. But only the second Adam was chosen to do it. Why? Because he took that calling and submitted to that calling. There are many Jews and many natural-born Israelites that will not be in Remnant Israel. They are called, but they will not be chosen. Amen. Praise God.

Brother you're next and then I got to move forward, we're running out of time. *I just want to go back to what you were just saying and this kind of goes along with what sister just said. When many of Yahshua's disciples turned away from him, and then with the 12, he said...will you also go away? Then Simon Peter said...Lord who shall we go to? You have the words of eternal life.*

And that's the same thing I think of when we have many of those people that have left our ministry. I sometimes think...well where are they going? So the Father says the same thing to me and many other people that may be thinking of going, of saying...where are you going?

It's a sad situation to be honest with you. Brother I want to tell you that I have noticed of all the congregation there are certain men who are my sons in the gospel. And I've noticed your unique ability—you, elder and a few others—your unique ability to grab this message. I watch you when you grab it, and it has been grabbing you. Every time you speak I hear the message coming out of you. You are in the right place, the right time, to carry this message long after I'm gone.

And so I'm seeing sons in the gospel that are rising up and you've got this message. It's in your heart. I see it. And it's coming out of your mouth. Last night when you took the microphone—it won't be long before you'll be able to preach this message. Amen? Just stay where you are and stay humble before Yahweh, and love his truth. Amen. I don't brag on people too much, I try not to inflate people, but brother is truly a gem among us to what Yahweh is doing in so many things in his life. Amen.

I want to show you a scripture here talking about “conformed” in Romans 8:29. I just saw something that was of interest. I want to go back to the word *conformed*. It's the Greek word (G4832 in Strong's) *Summorphos*. And one thing I noticed—I notice whenever I do a word study, I always go to the root word because that word—if you'll go to the root, you'll find the richness of what is trying to come out, ok? So when you study the root of *summorphos*, you'll get two words that make up the etymology of that word.

In the root, it really is talking about the “external appearance”. But I want you to notice the difference in the words. The root is *Morphe* (G3444) which really is the external appearance. But when you go to *sum-morphe*, or *summorphos* if you will, you're going to come and find out it has a little different meaning, it's got a little different feel to it. And the difference is—it is “similar to, conformed to, or fashioned like unto, having the same form of another”. It's not an “external” but it's literally “fashioning yourself after the very nature, the internal part, of that person”.

When you are being conformed to Christ, not so much the external, you must be conformed internally before the external can line up. If not you'll become religious by getting the external right without the internal. But remember this, you cannot have dominion without the image of Christ, they are hand-in-hand.

Elder go ahead. *You know this whole thing has changed me so much. And something that sums up all of today is this: When Yahshua said... 'do you know what? They hated me without even a cause'. That's right. You don't even have a cause anymore. We can't let the world and what they think about us in any way shape or form even affect us anymore. Absolutely. And the evidence has been here today.*

Do you know what? If you don't like it that I don't like Christmas—I don't care. I really don't care. I care about what Yahweh cares about. And to me that's just a strength of mine. Hallelujah. We've got to outgrow a cause that doesn't exist anymore. It simply doesn't exist anymore. Yahshua said it. They hated me without a cause. You don't even have a reason for. Amen.

That's exactly right. The only reason is because you look just like him, and if he was hated, you're going to be hated. Because your very presence is a judgment against the world. Nobody wants to be judged. Your very presence—you don't have to say a word. *That's it. I used to walk on eggshells for years, and now it's like I don't. I do not.* Because I know who I am. Amen? And when you know who you are, it changes everything.

Alright, go ahead brother. *So doesn't it say, I don't know if you've ever heard it before, but it's called "in the dust of the rabbi". And what that means is that when someone wants to become a student of a rabbi, there's a saying that he becomes so much like the rabbi they say the dust is all over them and the dirt in the sandals, and that sort of becomes so much like the rabbi that he resembles him. He doesn't physically become him, but he becomes the image of that rabbi.*

Absolutely. And that's why they called Yahshua rabbi because he was literally their rabbi. They followed so closely to him. Now brother, do you know what the modern world would call that? A cult. *A cult, ha, ha, ha!* Following so close to a man that you get the dust that he's walking on, on your feet too! They would call that "following a man". It's only because of ignorance. You cannot become a son of a spiritual father, you cannot without getting the sand that they're kicking up even on your feet. And it's the same way with Yahshua.

If we're not walking so close to his word, then the dust of that word will not cover us. So very good. We all need to make him our Rabbi—the word, our rabbi, teaching us day and night. Amen. Thank you for that.

Let's go to 2 Corinthians 3:18 and then we're going to have to get out of here.

2 Corinthians 3:18

But we all, with open face beholding as in a glass the glory of Yahweh, are changed into the same image from glory to glory, even as by the Spirit of Yahweh.

2 Corinthians 3:18 (Book of Yahweh)

And we all, with unveiled face, beholding as in a mirror the glory of Yahweh, are being transformed (changed) into the same image, from one degree of glory to another degree of glory which comes from Yahweh Who is the Spirit.

We are what? We are changed. We are beholding in a mirror the glory. And as we look in the mirror, we are changing to what we see in the mirror. We are beholding Christ (Messiah) because Christ is the mirror of Yahweh. And as we look into that mirror, which is his word, we are being changed.

Oh my, did you read that? As we are looking at the image of God, which is Yahshua, we are being changed into what we are looking at! And how are we doing it? By the Holy Spirit. The Spirit of God is transforming us. Listen guys, if you look in the mirror and still see you, you've got more changing to do. We're being transformed. Amen.

Is your hand up sister? Go right ahead. *Pastor, for example, when Moses went up and he got transformed his complete appearance was so brilliant...like Yahweh.* Absolutely. He literally transformed into what he was looking at. I want to tell you something. If you're looking at Netflix and Prime Video and Kardashians, and all of that, that's what you're going to become. Do you understand that?

But when you're looking at the word—that's why people don't read it because they know they'll change into it if they read it. This word will transform you. Every time that you listen to the preaching, that seed is impregnating you, even again and again and again, until you don't know who you are anymore. We're being transformed. Let's go read 2 Corinthians 3:2-3, 6. Boy these scriptures are so good, aren't they?

(see next page)

2 Corinthians 3:2-3, 6

2 Ye are our epistle written in our hearts, known and read of all men.

3 Forasmuch as ye are manifestly declared to be the epistle of Christ...

Listen carefully what Paul just said. Paul just said that you, the body of Messiah, are the letter that I've been writing. Listen to him now. You are the letter. You are the epistle. Let me break it down. You are the letter known and read of all men. Brothers and sisters, do you know why people don't want you around them? You're a walking letter, and that letter says...be conformed to the image of Christ.

Listen, do you know why they don't want you in their rooms and in their jobs? They don't want you around them. Just like they put the Bible in a drawer to hide it in a hotel room, so those people cheating on their wives can't see the Bible! *Right. The word became flesh.* And that's what it's doing again! The word was made flesh in Yahshua. Paul just said the word is being made flesh all over again! — in you.

The reason they want you out-of-sight and out-of-mind. Go in a hotel room right now and open a drawer and see what's out-of-sight and out-of-mind. It's a Gideon's Bible. Do you know why they put it in the drawer? There's a lot of people in those hotel rooms doing what they don't need to be doing. Last thing you want to see is a Bible looking at you.

That's why when you walk in a room, they try to find a "drawer" to put you in because you are the Bible! Why did they take them out of the school? It reminds them, it's a letter! It's a reminder to them that there's a God still in charge and you're going to answer to him. And when you walk in a room you are the Bible. You are what they cannot get rid of, every time they see you love your enemy, you are the Bible.

Every time they see you do good to those who do you wrong, they're reading the Bible. Every time they don't see you get them back after they get you, you're making them read the Bible. Whew! Hallelujah. You ARE the word made flesh! Do you understand? Does that make you God? No! The word was made flesh (*and walked among men*), and so do you. And that's why they don't want you walking among them. They don't want you at the party.

Go ahead sister. *I have a question concerning what we become on what we feed on, on what we're looking at, but I hear people who say 'I look at the word but I can't understand it'. So something is given, the seed is given to those he has chosen, and the world does not have that vision. But evidently, from what you are saying, they're getting some sort of glimpse when they see us that they can't*

understand in the spoken or written word. But when they look at your life, evidently God is opening something that they're seeing.

And sister that's why when people tell me that God doesn't care about the external I want to laugh. Because the external is representing the internal, ok? And what you just said is so true. Yahshua, when he came to the earth, he said to them...don't think that I've come to do away with Torah, but what I've come to do is show you Torah. I have to give you Torah in the flesh.

Even if you read it and don't understand what that might mean. For example, what does the law of the parapets mean and all of these laws? Just watch me and you'll see these principles, and you'll see the glory of it revealed through me, my flesh. Now, what does that scripture mean...turn the other cheek? People will find out when they see you do it. Amen.

Now listen, I watched the other day and I'm not here to preach on clothes—dress how you want to—that's not my business. We were at a place, and I watched sister Kendrick walk in a place, and there was almost a disdain of her appearance of humility as a wife with long hair and things of that nature.

The world hates being reminded of the feminine role and the masculine role. They hate it. There are people who are walking epistles, even in the way they dress, even in the way they present themselves, that hey, you've got to be different from the world. And when they walk in a room—as a matter of fact, sister commented on a picture of mommy and daddy's the other day. And she said that there was a time in her life when if mamma would've walked in a room where she was at, she would've ran out.

And why was that sister? Well it didn't fit my lifestyle, and I look at that and I'm like...they think they're better than me, that was my thinking and I thought holiness was so fake that I would run the other way. Like, I don't want to hear you, I don't want to be around you because you're going to tell me all these that I don't want to hear. In other words, they would mess up your atmosphere. Exactly. Because it would mess up with my beliefs, mess up with what I want to do.

So I encourage every one of you, men, women, present yourselves godly before the world. I can't tell you what godly is and what godly looks like, but the Holy Spirit can. Present yourself as godly before the world. Well I can tell you a few things that aren't godly. Anyway, I'm not going there today.

Sister go right ahead. Yes sir. I just went to breakfast with my daughter-in-law for the first time in however long she's been my daughter-in-law. It was just

convenient, we had a great breakfast. We went to Golden Corral. I'm slightly familiar with the place so you notice things. They had the ten commandments at the register where they used to have the board of alcoholic beverage managers. And Lisa the cashier, she's been there forever. She says...you know we've gotten a lot of flack for that, but she said...our management's not taking it down. It was brand new to be there. And you know, the traditional 'keep the Sabbath' commandments, not the Catholic commandments.

It was just refreshing and in particular in this time of year. I hope you told them how much you enjoyed seeing it. I did, we just discussed it, passed it briefly. But I just wanted to share that for everyone else, it's taken down so much, Golden Corral in our own little city here in Virginia has put them back on the wall in a family establishment.

Well the next time you go ask to see the manager. And when he comes out thank him for putting those up, and that'll make him feel wonderful. *I will. I just needed to share that with everyone else today.* That is great because there is a movement—the Father's turning hearts back to the commandments, I know it and I believe it. Amen.

Go ahead sister. *Shabbat shalom! You know, what sister was just saying, a person like Charlie Kirk who has a huge influence, he's a Sabbath keeper. I know it. With young people when he goes to college campuses. But anyway, I was thinking of before some of us left our previous Babylonian establishments, you really didn't feel like you had many friends, right? Because there was something different about it.*

But we're just coming out of Hanukkah and so where it talks about the light, we're to be the light. And the light either attracts or repels. It depends on who is looking at the light. To think that we can understand, I think, as we're transforming, we have the ability to be either a night light or a football stadium light. And a football stadium light is going to attract many, many, many more people than a dim light. So the wattage that we portray is how we're transforming. So night light to a 30, 60, 100!

I like that! Don't be a night light! Yeah, be a bright light. I like it. 100-fold, ha, ha! Hey it ought to be whenever you walk in the room, they moved that switch and whew! Light!! That's beautiful. Amen.

Sister and then brother. And folks we need to get back to the lesson.

I just want to add to that last comment that if you really want to know you are on the right track, you go around mama Kendrick and she will tell you because

she now has complemented seven of my outfits! So that means I'm on the right tract! Ha, ha! I love it! I love it! Ha, ha, ha! Hey look, sister Kendrick will never come to you and put down what you're wearing, but if she likes what you're wearing, you'll know it. She'll give you a complement. Ha, ha, ha, ha! Hallelujah. She's trying to make our ladies ladies. Hallelujah.

Go ahead brother. I'll catch you real quick, go ahead. *No I'll hold.* Ok we'll get you at the end.

Let's finish reading that because it gets better where we were just at in 2 Corinthians 3:2-3.

3 Forasmuch as ye are manifestly declared to be the epistle of Christ ministered by us, written not with ink, but with the Spirit of the living God Yahweh...

That is so good! YOU are the epistles of Christ. Hallelujah! Oh my, I just felt that flying man. Hallelujah. Look, you have not been written with ink. They can throw all the Bibles away tomorrow but they can't kill us all. We are walking letters that Paul wrote. We're the walking letters of the Bible. The word made flesh. You know people use that verse to prove Jesus was Yahweh—he was the word made flesh. Well am I? No. I'm the word made flesh. It says not with ink, but with the Spirit of the living God. That's the Holy Ghost.

...not in tables of stone, but in fleshy tables of the heart.

Oh yes. A changed mind. A changed mind is the evidence of the Spirit of God. Now go to verse 6.

6 Who also has made us able ministers of the new testament, not of the letter, but of the spirit, for the letter kills, but the spirit gives life.

Does it ever! The letter I preached on the moon. The moon kills, but that sun will give you life. You know it's the moon that causes a lot of death and things because it pulls that ocean and you know, people feel all kinds of ways with the moon. But the sun, when it shines, it gives life. And we want to be that sun. Let's go to the book of Colossians 3:10 and we're almost done for the day. If you want to wear the dominion mandate, you've got to get the image that's qualified to wear it. That's the image of Christ.

Colossians 3:10

And have put on the new man, which is renewed in knowledge after the image of him that created him.

Now I want to say something. How do you put on the new man? It says nothing here about going to an emotional church service where everybody's getting a word and all. No, no. It says if you want to put on the man you've got to put on the true knowledge. You've got to sit down in a class like this and get true knowledge of Yahshua so that you can be transformed into his image.

So, in other words, if they're teaching you the wrong Yahshua, then you cannot be transformed into the right image. In other words, if they're teaching you a preexistence all-powerful Yahshua, then you can never be transformed into that. They have to teach you of a Mary's baby boy who had to learn obedience by the things he suffered. How many of you are already identifying with those three things? Born a baby, learning obedience, and suffering, you see?

You have to get the knowledge of that true Christ, and you have to see that true Christ who went to the garden of Gethsemane still not submitting to the Father's will! Still begging...I don't want to do this! Still trying to negotiate with God—can anybody identify with that one? Then the only way you can be transformed into the image of Christ is you have to have the right image.

He's in the garden negotiating with God. Until when? Until he finally gave up and learned the lesson of an overcomer with these words. You already know. "Not my will but thine be done". You see, whenever you get to that point in your life—now you're being transformed into the right image.

So many people want to be transformed into the "water-walking Jesus". Come on now. The one that controls the storms. They want to be transformed into the one that raises the dead. You don't understand. That was not Jesus doing any of that. Oh hallelujah, hallelujah. That was not Jesus doing that! That was his Father! *That's exactly right. Like Elijah.*

Yahshua said...'the works that I do, I'm not doing any of this...it's my Father in heaven that does it through me'. So you're wanting to be transformed into the image of the Father when you're supposed to be transformed into the image of the son!! Oh you want to be almighty Father God instead of that suffering servant Yahshua. Does anybody see why you're not being transformed? You've got the wrong image. Oh we want to be transformed into that one that casts demons out of everybody.

He said it's not me that does it. No, no, no. He said I'm still learning to obey. *Brother Vaughn, well I'm not in full obedience.* Then you're in good company. Neither was Yahshua. He had to learn. Do you hear me? He had to learn it. And as you begin to be transformed, that's what you're going to learn. You're going to learn to get to those four words—'not my will but'. You're going to get there. I said

you're going to get there. You're going to make it. You're going to get there. Do you know what? You need a little more suffering, a little more persecution. You'll get there to where it's like elder said a few minutes ago. She said 'I used to walk on eggshells'. Do you know why? She still had some of her will mixed in there. But she said 'now I don't even care'. Why? We're being transformed.

Not into the image of God Yahweh, but into the image of the son. And if we become the son, then we will automatically receive the power of Yahweh like the son did. Hallelujah! Amen. Glory!

Let's keep reading and I'll come to you sister in just a moment. To verse 10 again. It says...

Put on the new self with true knowledge according to the image of the one.

Notice what it said there. It doesn't say 'be transformed to the image of the Father'. But 'be transformed to the image of the One who was created by the Father'. Amen. Alright, Colossians 3:12-14.

Go ahead sister before we get to that. *So I read a little earlier to verse 8. And not only is the scripture 10 telling us to put on something, verse 8 tells us what to put on.* That's Colossians 3:8? 8, *putting off anger, wrath, malice.* Yeah, we're headed there, that's my next verse. Amen. *Oh sorry!* Yes ma'am, you're on the right track. You're on the right track! Let's go there now. Colossians 3:8-10.

Colossians 3:8-10

8 But now you also put off all these...

If we're putting on Yahshua, he won't fit on the following things.

...anger, wrath, malice...

Do you know what wrath is? Getting people back. You know those things that you've always liked to do. We all got to cut our head off, cut it. You can't have a get-back spirit. Did you all watch? I hope you saw how I handled Tim Greer and Greg Locke. I hope you saw. There was never a get-back spirit in me. I never responded. I was being attacked publicly from the largest pulpits in America. I never responded. Oh I could have. But I didn't.

Why? I'm being transformed. And then I thought about how they talked about Yahshua, and I thought...well my Lord, I'm not going through anything. You've got to lay down the get-back spirit. Vengeance is mine saith Yahweh, I will repay.

And then you've got to take off malice, slander, running people down. You can never ever—listen to me—the mind of Christ never slanders people. Someone asked me yesterday why I've not reported on the TD Jakes story. If you've not seen it, he's all over TikTok right now for being caught with a boy or something. A lot of people are asking me why I've not reported on it on the Toto show and things like that.

Because right now it's just slander. I don't know if it's true or not. Why would I spread slander? We don't spread slander. Now if something is convicted, verified and true, we can share news, but not slander. Amen. We don't slander people.

...blasphemy, filthy communication out of your mouth.

Abusive speech, filthy communication

9 Lie not one to another, seeing that ye have put off the old man with his deeds.

10 And have put on the new man, which is renewed in knowledge after the image of him that created him.

So if you still see any of those things we just read ever, do you have the new man? *No sir.* You still have some beheading to do. Amen. Colossians 3:12-14.

Colossians 3:12-14

12 Put on therefore, as the elect of Yahweh, holy and beloved, bowels of mercies...

Put on a heart of compassion. Bowels of mercies is another word for a heart of compassion. Put on compassion.

...kindness...

Oh my I could preach there for an hour. Kindness. Be kind to one another. Stop and listen to people when they're hurting. Listen to people when they lost a loved one. Stop and actually listen to a conversation without trying to respond. Just be kind to one another. We're living in a mean world, there's so little kindness left. Be kind to one another.

...humbleness of mind...

Humility.

...meekness, long suffering,

13 Forbearing one another, and forgiving one another...

That means putting up with one another. Forbearing. That means those people who get on your nerves. Put on a new man and learn to discern the body of Christ. I watch how some of you all speak to one another real snippety. And it just hurts my heart. You're supposed to be a new man. Even if you don't agree with them be kind to them. Amen?

...if any man have a quarrel against any, even as Christ forgave you, so also do ye.

If you've got a quarrel with somebody, get over it. That's what he said! *But now they didn't ask for me to forgive them.* Right. It didn't say that, I didn't read that, did you all? I didn't read where if they ask you to forgive them. I read that if you've got a complaint against somebody, just go ahead and forgive them. *Well they ain't asked me.* Well they don't need to...just go ahead and do it anyway. Put on the mind of Christ. Be transformed so you can wear the dominion mandate. How can you rule over people that you've not yet forgiven? How can you rule over people that you can't love?

14 And above all these things put on charity (love), which is the bond of perfectness.

Put on love, charity. That's the bond of perfection. I want you to hear me today. God is love. Yahweh is love. His son is love. And if you're not, you're not a walking epistle. You have to love those you hate. As a little boy, I've had a unique ability to forgive. I have forgiven the most vile things. And it's no where in my heart, God knows it. Brothers and sisters, listen to me. Christianity drops you at the cross. First Harvest carries you to Mt. Zion. We must get there.

We have to quit playing this church game to where we...*oh I love that preaching.* But did that preaching love you? *Pastor I love that revelation.* Do you think I'm giving you revelations to make you smart? No, you must become the revelation. Do you think I'm teaching you all these things so you'll brag about how much you know about this message? God no. If that's what we're doing let's shut it down now.

But if every revelation causes you to look a little bit closer in that mirror, beyond that dark darkly—if you see a little bit further into the true Messiah, then this ministry is doing you good. We have to be perfected in love. We have to. If not we're a sounding brass. We're not being transformed. Are you being

transformed? I want everybody right now to wake up. I want to ask you a question. Are you being changed from the inside out? Hallelujah. If you are then you will wear the dominion mandate. Before God will let you rule over America or Yugoslavia or wherever he's going to put you he needs you to rule that tongue. He needs you to rule those emotions. He needs you to take dominion over what's had dominion over you.

I'm not here to build a large church. I'm here to build a holy church. One that will stand when I'm dead and gone. This message will become your food. You must love one another. We're going to do one more verse in Romans 12:2, and then I'll come to these hands that are raised.

Romans 12:2

And be not conformed to this world, but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of Yahweh.

Does it say 'be renewed by the blood of Christ'? No. Does it say 'be renewed by a good church service'? No. Does it say 'be renewed by a prophetic word'? No, no, no. The only way you can be renewed is by the transforming of the way you think. Dominion over your thoughts will take dominion over your world. The first thought that comes in that mind that's not like Christ—and by the way, they will come no matter how holy you get. They will come. Why? That's Satan's job, to fill your mind with thoughts. Your job is to do what?

Grab those arrows with the shield of faith and quench those fiery darts of hell. When the enemy comes to your mind and says...the elders are too busy for me... quench your thoughts and say...no they're doing the work of Yahweh, and they're doing it with all they've got. Quench that thought out of your mind!! When the devil comes to you and says...you know, nobody loves me...put up the shield of faith and say...every one of them love me.

Quench those thoughts. Why? If you don't, they'll get you. Learn. The shield of faith will put out every lie, every one of them. Lift it up. Listen to me. When that arrow hits your mind, grab the word of God and quote that word. And you will put out every lie of the enemy. If God told you that this ministry was your ministry, the first time a lie says it's not, pull up that original word from the Lord. When the enemy comes throw up the truth and drown out the lies. Hallelujah. And you will be transformed so you can have the dominion mandate. Amen. Blessed be the name of Yahweh. Hallelujah.
