

## **PURIFICATION OF THE BRIDE**

**(Based on Pastor Vaughn's #145 video)**

Why hasn't Yahshua returned to earth  
and taken His rightful place?  
Why is satan allowed to continue  
destroying the human race?

The answer, clear and simple,  
from you He does not hide.  
There's going to be a Wedding,  
but He's waiting for the Bride!

Yahweh will do whatever it takes  
to drive Babylon out of her heart.  
She may suffer for a season  
until she does her part.

She must make herself ready,  
and reject the worldly ways  
of paying homage to other gods  
with their pagan holidays.

Her mind is cleansed with Yahweh's Word,  
as she learns to control her emotion  
and embraces all the truth she's heard  
and deepens her devotion.

Her gown is spotless and wrinkle-free  
a Wedding song she hums.  
She's eagerly watching and waiting to hear:  
"Behold, the Bridegroom comes!"
