

Scriptural Science 101 - Part 4

(Pastor Vaughn, fhtv.tv #3169)

Physical to Spiritual Parallels

We learn to interpret the Word
by seeing the parallels
from physical to spiritual
and the message that it tells.

Yah's Words are Spirit
and His Words are Life.
They are meant to help us
deal with this world of strife.

When we find a word
we want to know more about,
from Genesis to Revelation -
we need to search it out.

If you find a pattern
that's consistently true,
you've uncovered a jewel
that was meant for you!

This is how you make
the Bible verifiable.
Your faith in it will grow
when you see it is reliable.

You are hearing from the Spirit
when the patterns are repeated.
The Spirit confirms the Word
and false teachings are defeated!

Of this Holy Book
there are many translations.
It's easy to get confused
with so many interpretations.

Though the text may not be perfect
because of man's "correction",
The Spirit and the message
is absolute perfection!

Our job is to find those patterns.
The message is hidden within.
Study to be approved by Yah
and this battle you will win!

Not following this plan will cause
confusion and division.
The Bible will seem full of flaws
if you don't make the right decision.

Everything must line up
in the Old Testament and the New.
It's worth whatever it takes
to find out what is true!

These patterns will never change
their message is eternal.
And the truths they uncover
must be made internal.

Whatever does not agree
with the patterns that you find,
are lies born from deception
meant to darken your mind.

Some things in the Old Testament
are more than just a story.
They're repeated in the New Testament
in the form of an allegory!

The more you will search,
the more you will find.
And you will experience
a renewing of your mind!

Knowledge is not the reason
we search diligently.
We want to be transformed
into spiritual maturity!
