

# **The Sacred Simplicity of the Sabbath**

**Pastor Vaughn, Chapter Six**

## **“Back to the Beginning”**

The Sabbath was established  
as a relationship of trust.  
It was never intended to be  
“you should” or “you must”.

It's a reflection of Eden's harmony,  
preparing us for future blessing.  
An ongoing communion,  
regardless of life's testing!
