

LOGOS AND ELOHIM DISSECTED
A Bible Study with Pastor Shane Vaughn
By Shane Vaughn, First Harvest Ministries

We are going to have a great class tonight. There are a lot of things I want to share with you that I believe will be a blessing to every single one of you. I had a dream last night and it shook me to my core. I am going to be sharing what I saw in that dream, and I am going to give direction for this ministry. The End-Time Work of Yahweh is what I'm teaching tonight. I really need to talk to this ministry tonight. Why is it the end-time work of Yahweh? We are living in a time when knowledge has increased like never before. Every one of you watching me is very smart. You do YouTube searches. You follow all sorts of rabbit trails. You are looking for knowledge.

You've learned a lot of stuff, yet why is Yahweh's End-Time Church so splintered? Why? Can nobody pull it all together? There are so many Messianics in the world; so many people that keep Sabbath. I have a serious message tonight for all of the congregation that you're going to need to listen to. Why can nobody pull it together? Why are all of Yahweh's people so splintered? Why does every group, every person you talk to; why do they all want to go into their own little echo chambers? Why can we not rebuild what Herbert Armstrong built for the Lord?

It breaks my heart, because Yahweh revealed the Sabbath message to Herbert Armstrong back in the 1920s and 30s. Herbert was able to pull together a World Wide Church. I've never seen anything like it. Colleges everywhere; restoring the Sabbath Day message in all the earth. It was something to behold, I'll be honest with you. And yet, here we are at the end of time and none of us can come together. So along comes First Harvest Ministries, a very unique situation. Most everyone in this group—I'm going to say about ninety percent of you—never knew anything about the Messianic movement. You were not a Sabbath keeper. You were not a Holy Day keeper. You were just a regular Christian before you came here.

Ten percent of you had your feet in those waters before this ministry. So First Harvest Ministry comes out of nowhere and SUDDENLY we are able to do what no other groups have been able to do: pull something together that has lasted four years. Something that has lasted! Many of you in this group right now have been sitting there looking at me for four years. We are still here. It's a miracle. It's a miracle because Bible Study groups like this last about six months. After that six months nobody knows who the leader is, and everybody has so many different ideas that they can't keep it together.

I looked last night, and tears flowed down my cheeks as I looked across the room and saw what we were building. It was so beautiful to behold. I looked over and saw the Parker family and the Stiltner family that brought their little children to headquarters so that those Israelite children would never miss out on this world's holidays. They would feel special. I saw that we built that. Sister Caly, Sister Tina, Sister Chelsea, Sister Betts, and all of them that worked down there this week built that. This week I saw the children at Remnant Ranch riding horses all day out there, and enjoying the fishing pond. I thought, "Lord, we are building something."

Then I got an email moments ago from a lady who said, "You're now my pastor. For years I told everybody that what you were teaching was wrong, but now I've come to know you are telling the truth, and you're my pastor." Listen to me carefully. How have we been able to build this ministry and keep it, and it's constantly growing? It's consistently growing; steady, easy does it. We have built a family of love that is so pure that I have never seen anything like it. What is the greatest miracle of all of that?

I saw it in a dream last night which I'll share with you in a minute. The greatest miracle of all of that is that everybody watching me tonight doesn't agree on everything. Everyone watching me tonight has different opinions on Bible subjects that may be different than even I have, and yet we've been able to build something that is growing and that is solid. Now we are so much family that we can't imagine being anywhere else in the world. How did that happen? I'll show you.

I had a dream last night. In the dream I saw people floating in the sky. I was starting to think Yahweh was telling me I was wrong about the rapture. I look up in the sky and people are floating all through the sky, but they're not floating; they are holding something. I look up and everybody is holding a balloon. They are floating all through the sky with these balloons. It was the strangest dream. After a while I saw an angel of the Lord come and he took all of these people together and dragged them back down to the earth. It was like he was gathering balloons, and he brought them back down to the earth. I saw this angel take all those balloons and tie them around a huge key; almost as big as the earth.

I saw him tie those balloons around this key. I am going to try to show you what I saw, if I can. AI did the best they could drawing this for me.

The name on the key was Kingdom Konnect. The Lord spoke to me and said, "The key is the Kingdom, and He said the balloons that everybody is flying all over the sky with are their personal issues. They never can accomplish anything for Me on the earth because they are not connected to the KINGDOM MESSAGE." Yahweh said, "First Harvest Ministries has

brought the key that will bring people out of the sky who are floating around, with no effect on the earth. It will CONNECT them, and tie them down to the MESSAGE that will keep them from floating all over the sky with their balloon. Your balloon might be the Flat Earth balloon. I'm getting ready to dig tonight. I had a dream. Your balloon might be the Sabbath Day. We're not keeping the Sabbath the way you do. That's your balloon. Your balloon might be the Holy Days. Your balloon might be the Calendar. Your balloon might be Unclean Animals and the way we're not doing it exactly right. That's your balloon. Fly away with your balloon if you want to. Your balloon might be the Sacred Name; how to pronounce it. We don't have it right. Your balloon might be Church Order.

The reason Yahweh's people are not getting anywhere except in the sky with their balloons is because they don't have the KEY of the Kingdom message. We love our balloons! Every one of you watching me now has a balloon. Every one of you has one. Maybe it is the way you are supposed to dress. Maybe you think people ought to dress like you. That's your balloon. You need to POP your balloon and TIE IT to the Kingdom Key.

I am speaking more prophetically than any of your faces are showing. I'm bringing you a message from the God of heaven! Your balloon has caused you to not connect to the gospel. None of those balloons is the gospel. There is only One Gospel Message that must be preached to the ends of the earth before Yahshua returns, and it's not clean and unclean animals. It's not *how* to keep the Sabbath Day perfectly. It's not flat earth, round earth, green earth, or circle earth. That's not the gospel. The gospel is:

THE KINGDOM OF YAHWEH IS COMING TO EARTH!

That is the only key that Satan is scared of! You can tie your balloon to that KEY and we will all work together to build the Kingdom of Yahweh message in the end-times. You've got to connect your balloon. It's a PROPHETIC WORD. I am telling you that Yahweh woke me up in the middle of the night and said, "I've anointed you to lay down the key of the Kingdom on this

planet, and everybody needs to tie their balloon to that key and quit floating away by yourself with your issue.”

That’s why you look around and none of these Messianics can get anything done. Nothing. Why? Nobody will take their balloon and tie it to the ONLY message that is the foundation of it all. Do you know the funny thing about those balloons? I believe in every one of them. I love that balloon of clean and unclean animals. Right? I love every balloon. But when you disconnect your balloon from the Kingdom message, it’s become a balloon rather than part of the key. None of that scares Satan. There is only one thing that scares him. It is The Coming Kingdom of Yahweh on planet Earth. Now, let’s go through a few of these. I want to show you the difference between the two wavelengths. Do you see that word *Kingdom Konnect*? Until you get that key in your life you cannot understand the Bible.

I have a lot of graphs to show you. I have been preparing all day to speak to you from my heart. How are we going to protect First Harvest Ministries for the next four years? How are we all going to all still be here four years from today? We are going to connect to the Kingdom message, and whatever balloon you’re flying, you’re welcome to fly it here, but it’s got to tie back to the Kingdom. That will keep us all working together for the Kingdom of Yahweh. I started a new project called Scriptural Science 101. If you’ve not made those part of your daily life, you need to. Yahweh said, “I want you to stop and go back to the basics, and teach My people how to study My Word.”

When I did part three, which was a night or two ago on the Kingdom Key, I had this dream after I preached that sermon, and I never dream. You never hear me say, “This dream came from Yahweh.” I know where this dream came from. So if you’ve not listened to those, please listen to them. As soon as I release them, please listen to them immediately. I’m going to do a lot of teaching tonight. I’m going to teach you why your friends look just like this image below when you’re talking to them about this new truth—the Kingdom Konnect message.

Two Different Wavelengths

- The UNDERLYING KEY to a perfect understanding of the BIBLE has been missing from the Christian church since the CATHOLIC CHURCH decided THEY WERE THE FULFILLMENT of the KINGDOM OF GOD on earth.
- They took THE KEY AWAY of a COMING KINGDOM.
- Inherent within a KINGDOM is what is known as LORDS – CHOSEN and TRUSTED men that are GIVEN large amounts of land to GOVERN. This is known as REWARDS of the KINGDOM.

That's you on the left, and them on the right. You are on two different wavelengths because the underlying key to a perfect understanding of the Bible has been missing from the Christian Church since the Catholic Church decided they were the fulfillment of the Kingdom of God on earth. Let me break that down for you. The Catholic Church does not believe in a Coming Kingdom of God. Do you know why? Can any of you tell me what they believe?

They believe that they are the center of the Kingdom; of everything.

Yes. They believe in the Pope. They do not believe that Yahshua is literally coming back to earth. They believe the Pope is the return of Christ, that he is the Vicar of Christ. They believe that Vatican City is the New Jerusalem. They believe that from there goes forth the Law from Mt. Zion, so therefore, they do not believe in a Coming Kingdom. The Catholic Church believes they are. That's why they have so many missions to help the poor and the orphans. They believe they are here now to make the world a better place. They put cathedrals in every city. They truly believe that.

They took the Kingdom away from their people, and when the Protestant churches broke off, they didn't carry with them a concept of the Kingdom

either. That is why in today's Christian Church, you will never hear anything about the Coming Kingdom. You will hear about the Kingdom within you, which is a bunch of bull, but you never hear about that physical, literal world-ruling One World Government that is coming to planet Earth. That's why Christians are not qualified. I don't mean that the way it sounds, but they are not qualified to discuss these things with you. Why? Because the Key to understanding EVERYTHING has not been given to them. Yahweh only gave the keys to the Kingdom to those who desired to know Who He was! Hear what I'm trying to tell you.

Yahshua told Peter, "Who do you think that I am?" Peter said, "Thou art the Son of God." He said, "You're not a Trinitarian, You're not a Oneness. You are the Son of God." Yahshua said, "To you I am giving the key of the Kingdom and upon this rock—not upon Peter—the Kingdom ROCK I will build My Church! I've come to preach to you tonight that Yahweh is building His Church on the Rock of the Kingdom. That is the Key at the bottom of it all, and if you don't have that key, you'll be floating away with your balloons.

I'm calling this ministry tonight to please bring all your balloons. I love your balloons. They are beautiful. I love the red ones. I love the green ones. I love everybody's balloons. I love clean and unclean. I love Sabbath. I love Holy Days. But I need all the members to bring your little balloons, and let's tie them to the Kingdom message, and we will build an end-time work together. Four years from now, we will still be walking hand in hand defeating every devil, defeating every attack, defeating every discouragement, defeating every darkness. Why?

**UPON THIS ROCK I WILL BUILD MY EKKLESIA,
AND THE GATES OF HELL WILL NOT PREVAIL
AGAINST A CHURCH BUILT ON THE KINGDOM!**

We've got to bring this thing back to the Kingdom. Everything we teach, if you don't teach it from the Kingdom, you are teaching pharisaical doctrine. I asked you when we started tonight how we have been successful? How are

we all still here? It isn't because of me because some of you have seen so many faults in me that you could have left. You don't like my personality, I'm too loud, and so forth. I don't care because you're stuck with me because we are all working in the Kingdom, to bring to pass the message of the Kingdom. I'm tired of some of you too, and I don't like some of your personalities, but we're all in the Kingdom. HalleluYah!

They took away the key of the Coming Kingdom. What did that do to us? When you talk to your Christian friends and your family you are coming from a foundation they don't have. They don't have the key to the Kingdom. They don't have that. Let's not make fun of the Catholic Church too much. Let's go over here to the Pentecostal Church, the Charismatic Church, and the Baptist Church. Let's go to all of them, and let me show you what they did with the Kingdom. They did the same thing the Catholics did. The Catholics believe the Kingdom is here now. Guess what all of Christianity believes? That it is within you; it's here now.

They have desecrated the Key! They have destroyed the Key! Therefore, when you come and talk to them about the Sabbath and Holy Days, they don't understand. These balloons are not what is holding the key. The key is holding the balloons. Let me try that again. The Sabbath Day and Clean and Unclean is not holding the key. The key is holding all of that. If you begin to preach all of that without the key, you're going to have a mess. That is what happened to all these Messianic movements. Their understanding of the true Kingdom has been destroyed. Now that it's been destroyed, here is what your friends don't understand: When we say the word *kingdom*, we don't understand what it is because we didn't grow up in a kingdom.

Let me explain how a kingdom works. In a kingdom like Great Britain, Scotland, and other places where they have a kingdom, the king OWNS EVERYTHING. He conquered that land in battle just like Yahshua is going to do. He is the victor. To the victor goes the spoils. That king has all of this land and guess what? There are people living on that land out there in the countryside, out there in the hill country. Guess who does not have eyes in all of those places? The king. Guess who cannot govern all that land? The

king. So what does the king do? He goes back in his mind and remembers who fought with him in battle to win that land; who drew the sword and their blood was spilled fighting alongside him? Who suffered with him that they might reign with him? I wish somebody would wake up out there and see where I'm going.

Then what does the king do? He says, "I need some lords over my land. I've got a hundred thousand acres over there." So he gets a soldier that he trusts, and makes him lord of that land. He gives him all that land and tells him to govern it, put people to work. He is the lord of that land. Whenever he calls a council together, he calls on *my lords—my trusted lords!* So when you read your Bible, you don't see yourself as a landlord, which is what you are going to be. Right now you are in the battle everyday. You are fighting beside Him. His Word is Him. When you stand by the Word, you are fighting in the battle with King Yahshua. You are in the battle with Him—taking the hits, taking the blows, standing strong.

He said, "If you suffer with Me, you will be a landlord." *I will give some people ten cities. I will give some people five cities. I will give some soldiers that were lazy and wicked, no cities.* What does this have to do with anything? I know that sixty percent of this ministry does not hear my message. I know that. If you did get it, you would never gripe about anything! You would never have a complaint or a negative word. If you truly believed you were training for reigning, you'd start training. Amen? Half of you are members but you are not members. If you were a member, you'd remember what I preached.

I've not got my eyes on the rapture. I've not got my eyes on trying to get out of here. I have my eyes on being the SOLUTION to this world's problems. I'm that guy. I am the one. I know Yahweh has a plan to make me a landlord, but before I can become a lord over the land, I've got to become lord over myself; my gossiping and my griping, and my love of drama. I've got to overcome my land, which is this land that I'm stuck in. Brothers and sisters, this is why when you are talking to a Christian, they are the ones on the right. They don't mean to look at you like you are stupid, but like this

black lady on the left, they do see you with weird looking eyes like that. That is how you appear to them. Why? Because they don't have the Key.

The key has not been given unto every man. And because they don't have the Key, there is one more concept they can't fathom. I'm going to make this as plain as I can. If you don't have the Kingdom Key, you can't comprehend how any of us are willing not to celebrate Christmas because after all, we're not going to hell if we do. Your problem, my Christian friend, you don't have the key to understand anything about me. You think I choose what I eat on my plate carefully because I'm afraid of hell? We are on two different wavelengths. We are on two different rocks. You are on sinking sand. I am on a Rock called the Kingdom, and I couldn't care less if it saves me or doesn't save me.

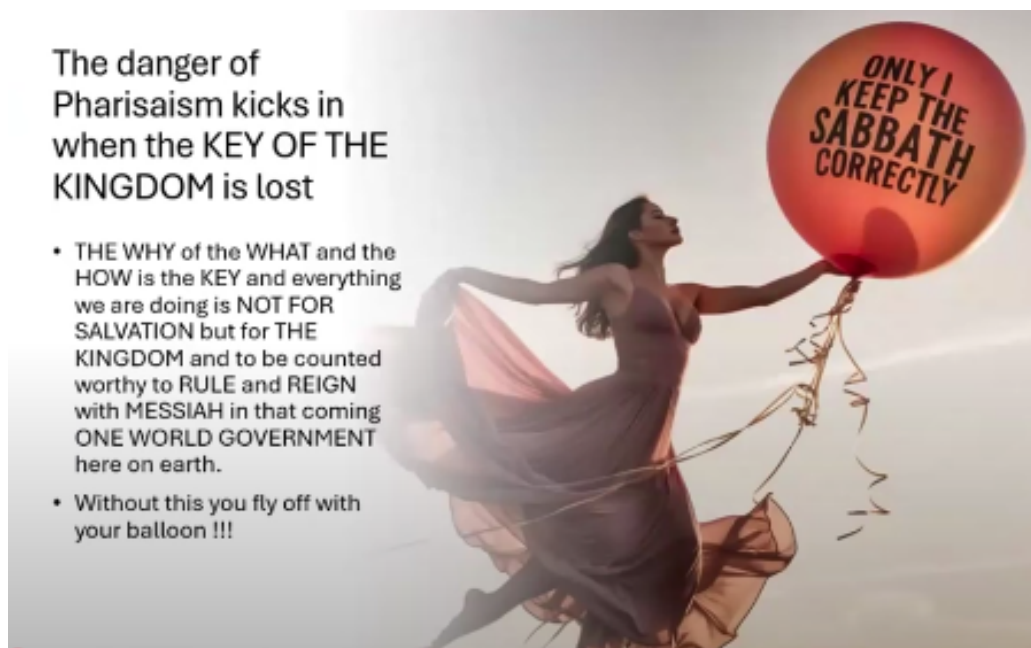

If they don't have that ROCK, they cannot comprehend why you're doing what you're doing. Until you understand rewards in the Kingdom, you will be a good Christian who would never deny Jesus as Lord, but you won't do anything more than that. You're definitely not going to look weird. Even though you quote that scripture, *I'm in the world, not of the world*, it doesn't mean anything. Why? You aren't on the same rock that I am on. I understand that I'm going to be a landlord. I understand, and I can't wait to get it together then. I've got to get it together TODAY!

You think I don't keep Christmas because I'm trying to go to heaven. Please, get on my wavelength. I couldn't care less what any of you do. I am talking to the world, not you in this class. I couldn't care less. Put ten trees in your house. I'm not judging or condemning you. This is: *For Me and My House, we're going to serve Yahweh*. We are going to obey Him. We're going to do everything we can to be sure the rewards of the Kingdom are laid up for us in heaven so that when He comes, we can receive a full reward. Amen? We've got to get a FULL reward. That's why it breaks my heart when I see people in this ministry squabbling over how to say the Name right or what shape the earth is. All balloons are welcome here.

Bring your balloon to the party, but if I am your pastor, I am going to make you tie that balloon to the gospel. That will always be our main focus here: the message of the Coming Kingdom of Yahweh. Everything else can be a distraction, while a balloon is carrying you up into the sky and you are getting closer to Yahweh. Yes you are! You are up there by the sun. The only problem is that you are up there by yourself, and you can't do any good here on earth. Yahweh needs us to build something. Yahweh needs us to get the Gospel of the Kingdom out, whatever what we have to do.

THAT IS OUR MANDATE! THAT IS OUR CALLING! WE MUST GET THE GOSPEL OF THE KINGDOM TO THE ENDS OF THE WHOLE EARTH!

Now I'm going to show you what these balloons look like. Balloon Number One: *Only I keep the Sabbath Correctly. I fly away. You don't do it correctly.*

See? The dangers of Pharisaism kicks in when the KEY OF THE KINGDOM is lost. What is the Key of the Kingdom? The WHY. The *why* of the Sabbath is the Key; not the *what* or the *how*. Everything we are doing is not for salvation, but for the Kingdom. It is to be counted worthy to rule and reign with Messiah in that Coming One-World Government on earth. Without

this Kingdom Key, you will leave this ministry because we don't quite keep the Sabbath like you do. Do you know what? Fly away, little bird, but here is what is going to happen. You won't find the key to the Kingdom. You may find an echo chamber where all twenty people believe in keeping the Sabbath just like you do, and you can all get together, but there is one thing that will be missing: The Kingdom Message.

How do I know that? Because the Kingdom Message brings the Third Temple together in spite of our differences. It doesn't send us spiraling off because of our differences. The Kingdom is our UNITING factor. You are always going to find people who will agree with you, but they are clueless of how to prepare for the Kingdom of Yahweh. So make sure before you fly off, that you are ready to fly with the birds, because you won't be flying with people.

Let's find another balloon. Rather than connecting to the Key message, and allowing all of your issues to float out from that message, whether it is flat earth, how to say the Name, how to dress right. Everyone wants to split away into their issue group; their echo chamber, rather than laying them down for the sake of the Kingdom.

Here is another balloon. Only I can pronounce the Sacred Name correctly.

Here is another balloon: *I want my own ministry.*

Here's another balloon: *My balloon's name is my issue and we are all floating away.*

Brothers and sisters, those are called DISTRACTIONS. The only way we are going to survive as a group is to take all distractions and keep them to

yourself. Live how you need to live, *but* you have found a group that preaches the gospel, and we do everything we can to get all those balloons right. I love the balloons, but I cannot disconnect them from the GOSPEL. Otherwise, I turn into a Pharisee. Do you know why Yahshua despised Judaism? They were the only ones that He called sons of snakes. Do you know why? Their issues overrode the Kingdom, and that is why He looked at them and said, “Hey! Do you not know the King is standing right in front of you? You have totally missed the Kingdom. You have missed the *why* of the Kingdom. You have focused on the *how* of the Kingdom: *when* is it coming, *how* is it coming instead of WHY it is coming. It’s Coming to bring back to earth the beginning of all things, and you’ve missed that beauty and joy because of your balloons.”

ONLY ONE MASTER KEY!

Now I want to show you something. I want you to all listen to something; I want to show you why I am focused on this tonight. This is one of those AI podcasts. I want you to listen to about thirty seconds of the two computers, and I am going to point something out to you. I want to show you the blindness of the whole world. It is perfectly illustrated in computers, because they talk just like people. Listen carefully.

We’re talking about different views within Christianity about God, and more specifically about Jesus.

Big questions.

Yes, huge questions like the Trinity. Some Christians believe it. Some Christians don’t. It is one of those things that has been debated for centuries.

Absolutely. It causes a lot of division, I think; even today.

Yes. And that is what is so fascinating about the conversation we’re going to unpack today. It’s a YouTube conversation between a pastor, Pastor Shane Vaughn who rejects the Trinity, and Mary Lynn, a Christian who believes in the Trinity, and here is the kicker: they both end up affirming the same belief about salvation. Isn’t that interesting?

How is that possible?

Exactly. How is that possible? That is what we are going to...

Alright. These computers are shocked; blown away, and they even say later in the podcast, “Why have these discussions if they both believe the same thing about salvation?” I am listening to the computers and they don’t even understand why we should discuss these things. I’ve just shown you the blinders that are on the whole world. What are the blinders? It is called SALVATION. The Salvation Gospel has blinded the whole world! Somebody tell me what you heard these computers say. I’m tired of talking. Somebody tell me what you heard.

That salvation was the total message. That the differences in beliefs didn’t matter if you both got to that same place.

Sister Renee, you nailed it. These computers are dumbfounded. *It’s all about salvation so why is Pastor Vaughn and this woman even discussing this if they are going to wind up at the same place? Why even have all these discussions?* You know why? Truth doesn’t matter to a salvation-minded person. I just gave you all a quote: a loaded bomb! Why would truth matter to a salvation-minded person, because to them Jesus is the Truth, and they believe in Him?

They know nothing about the Kingdom. It is a travesty what has been done to Yahweh’s people. The Key has been stolen from the Church, and that’s why the Church is powerless. That’s why you can’t get them to show up on the Sabbath. They don’t pay their tithe because: *I’m saved*. So when I heard that conversation, my heart was broken because they basically said: *What is the point of truth?* That is the world we live in now. That is something that you will have to deal with as members of this ministry.

Why am I so concerned about the truth? Number one, if you’re trying to be saved you already wasted two hours of your Friday night because you were already saved. *Good night. God bless you. Thank you for coming. You’re saved. You’re good.* But one day when you get the Key that opens your position into the Kingdom of Yahweh, you will be singing, *You all go enjoy*

being saved, but I'm working on a building, ♪ HalleluYah! Working on a building ♪. Working on a building, and I've got to finish the job. I've got to build until the day of Redemption! HalleluYah.

We cannot EVER lose our love for TRUTH. It is the only thing that matters. What is the point of truth? When the podcasters asked this question, it revealed to me instantly the disconnect in the Christian mind, and the pursuit of truth. Is your hand up, Elder Bedard? Okay, go ahead.

What I'm hearing you say is that the Christian Church makes Christ the Truth, not the message Christ came to share. They ignored what He said.

They don't explain why He's the Truth. He is the Truth because He KEPT the Truth and He TAUGHT the Truth, which is Torah!

What I want to show you now is very important. I created a new word for you all. We're going to add it to the Vaughn vocabulary. I want to reveal that word to you tonight. The word is:

• We must all be ReKINGDOMitioned !!!!

• Not just Re-Conditioned in our thinking but Re-Kingdom-itioned !!!!

We have a NEW WORD !!

• Otherwise – we all just fall in line and look like this

Everyone in this room tonight has to become **ReKINGDOMitioned!**

You have to move from Churchitioned to Kingdomitioned. Church wants to get you saved. Do you know how many preachers ask me how many got saved in my church last month? I tell them: NONE. I'm not trying to get anyone saved. That's the Holy Ghost's job. I'm trying to get people *matured*. That is my job. He said, "I left you five gifts to mature the saints: pastor, prophet, evangelist, teacher, apostle." Those are to mature the saints. He said, "I draw the sinner, but the Church matures the saints."

If you do not become ReKINGDOMitioned, this is what you are going to do as a Christian all your life. You are going to march in that Zombie army. Oh yes, you're going to believe in Jesus, but you are going to walk in the way of Christmas, Easter, Halloween. You're going to walk in the way of Christianity and then one day, somebody gives you the key, which is the Kingdom.

Then you are going to look like this below! A few people see the light and they start to walk in a different direction. HalleluYah!

They began to leave that Zombie Army one by one so they can be chosen for the KINGDOM of Almighty Yahweh!

Now I've got to talk to you about doctrine. Doctrine matters because your Destiny matters. Salvation is not your Destiny. Salvation is your Gift. My mother can give me the gift of a free college education. My mother can send me to college. The only thing she can't send me to is my destination. She can give me the free gift of college, but she can't give me the character of study. Yahshua can give you the free gift of salvation but He will never force upon you the duty to study to show yourself approved to Yahweh. A workman that needeth not to be ashamed, rightly dividing the Word of Truth. That is your duty. It was my mother's duty to pay my way through college. It was my duty to get through college.

Yahshua sent His Son free of charge. YOU ARE SAVED! You don't have to pay any tithes to be saved, you don't have to keep Holy Days to be saved. You are saved by Faith alone! But I am so glad tonight that a few of you have the key in your hand and are not trying to be saved. Oh no. You are trying to get to your Destiny: a landlord—Lord So-and-so, Lord So-and-so.

Don't call me Lord.

Oh you poor, pitiful thing. The Bible said you are going to be a king and a priest unto your God. I can't stand when little Christians trying to sound humble say that they don't want to be a ruler. Get over yourself. If you were really humble, you would say, "Is that what my Lord promised me? I'll take that! I'll fight for that. I will work for that." That is real humility. Get over your false humility. Accept your DUTY. They tell me Queen Elizabeth was one of the most humble women in the world. She was the queen of a nation, and yet, she was humble. Why? She gave up her life. She gave up her children and grandchildren; everything to serve the throne. That is humility.

If you're going to be chosen to sit on this throne, there are a few things I have to teach you. I was praying to reach you on another level tonight,

because we are about to go to the next phase of this ministry. Gathering in the sheep during the Biden administration was one phase. Now we are in a new phase. Now it is time to secure the sheep. It is time to build this work slowly, surely, but quickly at the same time. We are doing it supernaturally by the help of the Holy Ghost. Time is really something. It waits for nobody.

If you are going to be chosen for the Kingdom, you will have to become totally anti-trinitarian for the Kingdom's sake. I spoke to a brother last week who told me about a church he's been going to. I'm very familiar with the church. This brother knows the truth, and I said, "Brother, you know that church believes in the pre-existence of Christ; that He was there at Creation with the Father." He acted like it wasn't any big deal and said, "Yeah." I said, "Do you realize that? Do you realize it is a Babylonian Center?"

If you are going to be in the 100-fold, your job as a soldier of truth is to destroy trinitarianism and modalism. If there is anyone watching me tonight, and if you are attending a trinitarian church, you are not worthy to be in this class. I realize this will cause me to lose some people. I love you with all my heart, but if you are still going to a trinitarian church that denies the ONENESS of Yahweh, you are part of an abomination, and you might as well eat pig if you are going to fellowship with pig. Go ahead, Brother Anikewich.

You can't ride both sides of the fence. There are too many people who are trying to ride both sides of the fence. You are either in or you're out. They just are lukewarm Christians. They are going to be spit out of His mouth. He is going to say He never knew them on that day. That's not what we're here for. We are here to build a Kingdom, and understand the Kingdom is coming. They don't get it.

They don't get it, but they are going to get it tonight or they will kick me to the curb, because Yahweh woke me up in a dream last night. I've had a dream! I have been to the mountaintop and I see where we're headed. You are going to begin to see people in this congregation falling away. You're

going to begin to see a little falling away. I am fine with it. I don't mean that ugly. I don't mean that rude. If I am not your pastor, please let me know. Please just let me know. Why? I'm trying to build something and I need to know who is in the Lord's Army with me because I can't afford to be fighting in the battle with people who really aren't battling in the same battle as me.

I'm in the battle against LIES. I'm in the battle for Truth. If I am left with three hundred people across the country, I'll rename it Gideon's Army. That would be just fine. Why? Because we are in a different time! We are at the END! I believe we are at the end of the Way! If the voice of Elijah is not coming to make the crooked path straight, then I don't know what Elijah is supposed to do. I don't claim to be Elijah but I do claim to be part of that voice that is bringing those high places down low. HalleluYah! Elder Jan, were you going to say something?

I was just going to say that about sixty years ago there was a thing called Vatican Council II. It brought into the vocabulary the word ecumenicalism. Ecumenicalism is going to become more and more prevalent. The basis of ecumenicalism is that everyone gets along; it doesn't matter what you believe as long as you are united together. It is a lie from the pit of Hell! But that is Satan's message: for everybody to get along. It doesn't matter what the truth is as long as we get along. That is very dangerous. We are going to see that become more and more prevalent among Jews and Christians. Everybody is going to all be the same.

Absolutely. You know what? Anybody that stands for truth will be labeled a cult. We will be labeled troublemakers. We will be labeled heretics. Look guys, if those labels scare you, you might be in the wrong place. In other words, it's coming. I promise you it's coming. Minister Justina.

I just really felt in my spirit that Yahweh said to remember Lot's wife; to not be like Lot's wife. Don't look back. There is nothing to look back to except destruction. Lot's wife looked back because she desired that. She

looked back and she was turned into a pillar of salt. There is no time. We can't waste time looking back at what was.

We can't, Minister Justina, because we are in a NEW DAY. Yahweh was moving Lot and his family into a new day, and she wanted to hold onto an old day. There is nobody in this class tonight who can do that. You can look back, but here is the problem: You were called to stand in a different day. If you do try to get back to that day that you were in, you will turn into a pillar of salt. I'm not talking physically, but you are going to be out of your place. You are going to be out of your day that Yahweh called you to be part of.

Pastor, I don't believe in trinitarian. I'm good.

I need to clear something up tonight. If you believe in the pre-existence of Christ, that is trinitarianism. I don't care what you call it. If you don't believe he started in the FLESH, you are part of Babylon. So if you are going to a church that believes Jesus created the world, darling friend of mine, you are breaking the very First Commandment: *Have No Other Gods Besides Yahweh*. I am going to get to the rest of these hands in just a moment but I need to move ahead and finish these other slides.

Tonight I want to show you why the world cannot see what we call unitarianism; biblical unitarianism. Do not be confused. There is a universal unitarianism that is from Hell. I am talking about biblical unitarianism which means ONE GOD. Do you know why trinitarians can't see it? Their underlying concept is not Kingdom. They get tripped up with the word Elohim. Let me help you now.

Pastor Vaughn, why do smart people not get it?

There are trinitarians out there who are smarter than me. Absolutely. That doesn't matter though. You can be as smart as Albert Einstein, but if you are missing a key principle that guides your smartness, you won't get it. Albert Einstein was missing a key principle. It was called CREATION. How many of you know brilliant people who cannot see One God?

It is because they don't have the Kingdom concept. I am speaking so deep right now. I pray that you're hearing me. They cannot see One God, not because they can't read it in the Bible, but but they don't understand the Kingdom. I'm going to prove that to you now. The Elohim is their problem. Someone tell me the first place we find Elohim. *Genesis 1*.

Most people believe that Elohim means God. They look at that word and they believe it is talking about a God in Three Persons. If you add *im* to any Hebrew word, what does that do to it? *Makes it plural*.

Now take that word *Elohim*, and show me the singular part of that word. *El*. Elder Morgan, what does El mean? *Creator. Yah. One*.

Bring it back further than that for me. *El* is mighty. Take that word *mighty*, add *im* to the word *mighty*, and you would have to say what?

The Mighty Ones.

Bingo! We have the word El which means MIGHTY. Super Duper! Add *im* to it and you've got MIGHTY ONES. Without this understanding, you cannot understand the Kingdom. Without understanding the Kingdom, you can't understand ELOHIM. For example saints, if there is going to be a Kingdom with billions of people who are landlords, where are we going to get those landlords from? The Elohim.

If there is a Mighty One, we have to have mighty ones to bring to pass the will of THE Mighty One. Therefore, if you don't know about the Kingdom, if somebody doesn't understand the Coming Kingdom at the end, they can't understand the meaning of the word Elohim at the beginning. That is why I say that without a proper understanding of the Kingdom, you might as well close your Bible because you will get it wrong every time you read it. The Church took that key away from you all your life by sending you to heaven.

The next question is what will make someone WORTHY to govern and what will make someone unworthy to govern? Who are the GOVERNORS of the

Coming Kingdom? It is not the angels. The Bible said that man will be over all the works of Yahweh's hands. It will not be the angels governing. It will be men—mighty men, super men: els. Superman's name was Kal-EL. Do you not know that the whole family of Superman; him, his mother, his father, his grandfather were all els? They were all supermen. They were the Elohim. But if there is not going to be a Kingdom on earth, why do we need Elohim? Why do we need mighty ones; a bunch of Jor-Els? Without the Kingdom, you can't understand the Elohim. Amen. It makes no sense in your brain.

Listen to me, you elders. If you don't become experts on Elohim and Logos and Kingdom, you will never be able to lead your regions and your states into a proper understanding. This ministry must do well in training the Els. We are training them to govern this land; to be landlords of the King of kings. If you ever get that in your brain, you'll live right. I am going to show you why your friends in the Christian Church don't care about any of this, and why they can't understand how you care so much about it. The reason is they have not been ReKINGDOMitioned. They do not comprehend what you are saying. It doesn't make them bad people. It just makes them people without a key.

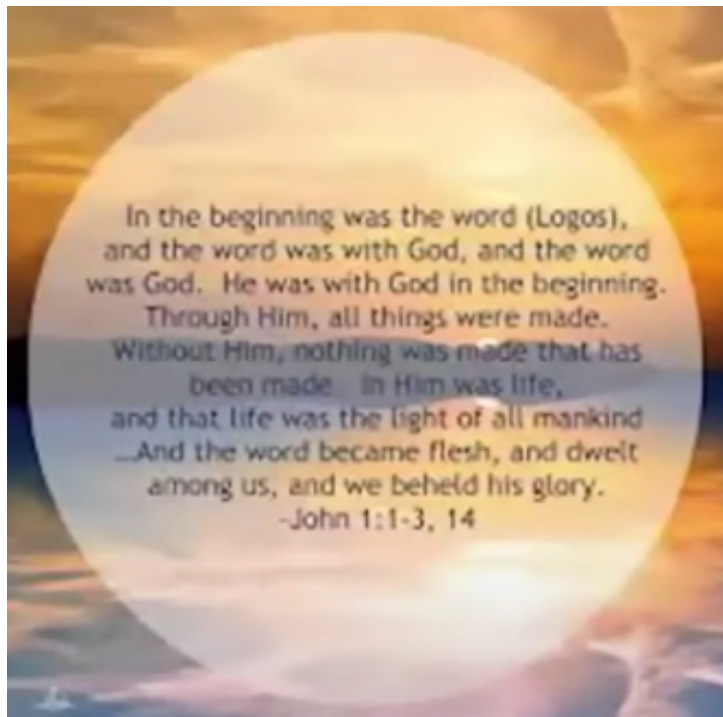

We're going to move right along now. Tonight I want to help you move out of Babylonianism, Trinitarianism, Modalism, and every kind of ism. I want to help you to develop a fundamental understanding of the Elohim and the Logos. Otherwise, you will not be in the 100-fold. Why not? Because you have developed an unhealthy relationship with two other gods besides Yahweh. You slept in the bed with them, and gave them your worship. It is called spiritual adultery, and you are guilty. You did this while having no relationship with your Heavenly Father Who Art in Heaven!

Wrong baptism is a matter of Kingdom AUTHORITY. If you have not been baptized according to Acts 2:38 in the Name of Yah Who is your Salvation—Yahshua, then you will never be qualified for Kingdom authority. Why? You were baptized in pagan gods' titles. You must be baptized in the Name of Yahshua Hamashiach for remission of your sins!

What is so sad is that some people are listening to me right now thinking, “That’s nice.” If I am your pastor and you are sending me your money, may I borrow your ears? Please. Don’t send me your money and not send me your ears. I want your ears. If you are listening to me and you’ve not been baptized, call your elder TODAY and say, “Put me in the water!” The first act of obedience to the One God message!

You’ve got to understand Logos. You must fully comprehend the meaning

of that word. I want to show you something. I want to play something for you, and I’m going to show you where every one of us has got to get it together. What I am showing you is a video of a young woman interviewing me.

The woman on the video starts out by saying: *This is about the creation of the world and is in the Gospel of John.* She reads the text of John 1:1-3, 14 from the King James Bible.

Then she says, “It might sound corny, but I have told him that I have three basic questions: Who does the text say made the world? Where was that person? Who were they with; this person who made the world? And where were they by the end of the text?”

Pastor: Give me question number one again.

Interviewer: Who does the text say made the world?

Pastor: The LOGOS. Next.

John 1:1 (LGV)

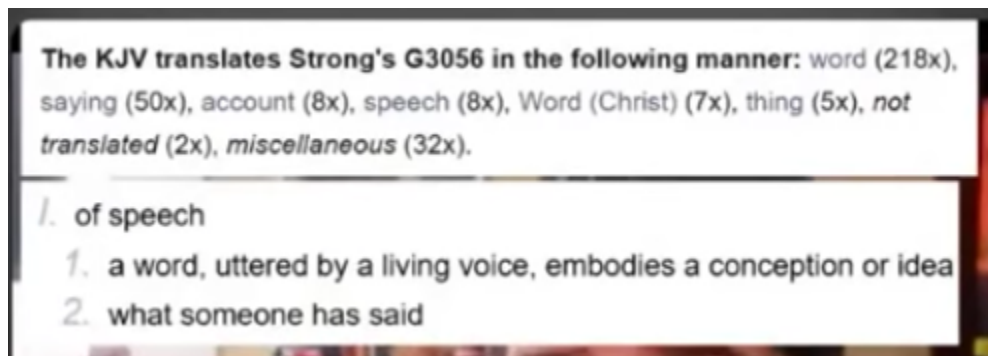

- a. In the beginning was Logos
- b. and Logos was with God,
- c. and Logos was God.

Interviewer: The Word. Who was that first with?

Pastor: No, let's bring it back to the Original if we can. In other words, if the Word is translated in Spanish it is something else. Logos is what created the world.

Interviewer: So where was the Logos, the Word? Who was that person with?

Pastor: You're adding. Logos is not a person. Logos is a Greek word that matches up with the Hebrew word dabar, and it is definitely not a person. Logos is the EXPRESSED THOUGHTS OF YAHWEH EXPRESSED IN A WORD.

Interviewer: You are free to disagree with that. I am going to use the language I am using.

So in other words, "I am not going to use Logos because I don't understand Logos. We are going to go with the King James Version." She just looked

me in the eyes and said, “No, we’re not going to the Original. You can use whatever language you want to use, but I’m going to stick with this.”

Brothers and sisters, I must educate you tonight as I never have before on the Logos. You’ve got to get it. Take notes. You must be able to destroy Trinitarianism, Modalism, and every other ism that exalts itself against Yahweh! We are soldiers and we have been called to RESTORE the Menorah. That sounds real cute to Hanukkah keepers, but that Menorah stands for the SEVEN SPIRITS of the One God. We must restore that One God back to the Temple.

In order to do that, I am getting ready to teach you, and you are going to become experts at the Logos. After tonight, I want you to walk in full confidence of this Logos. What did the interviewer ask me? What did she ask me first? She said, “Who created the world?” What did she expect me to say? The Word. What did I say? LOGOS! Then I said, “Next.” In other words, I know what created the world. It was the Logos. Then she said, “No, who was the person?” I then said, “No, no, no. It doesn’t say *person*.” This is what they add to it and assume it says that.

Tonight we are going to dive in for just a few moments and learn more about this logos than we’ve ever learned before. If you do not get this right you are committing an abomination. You make Yahweh no longer Supreme and Unequal in Splendor and Authority. Someone tell me the Trinity doctrine quickly. Tell me the exact verbiage.

God in Three Persons.

And they are what?

Father, Son, Holy Spirit Co-Eternal.

They are CO-ETERNAL. They are CO-EQUAL. They are CO-EXISTING. They are Abomination times THREE! They are not co-eternal. They are not co-existing, and they are not co-equal. And if you make this mistake and are

going to a church that has this in their doctrine, you are a pig. Go ahead and eat pig. You have taken the PEARL that Yahweh has given you in this ministry, and trampled it under your feet. You are committing an ABOMINATION. Have you ever noticed why trinitarians get so angry at you for believing in One God? Why is that? There is a spirit behind it. You're messing with their agenda.

- The Hebrew word used in John Chapter 1 for "word" was 'debar'. A Hebrew and Chaldee Lexicon to the Old Testament shows us that the Hebrew word 'dabar' refers to Yahuah's 'Plan' and His Laws.

The Hebrew word all throughout the Old Testament for *Word*, all through the Old Testament is the Hebrew word *Dabar*. We are going to look up the meaning of the word *dabar*. We are going to go to the Interpreter's Dictionary, volume four, page 870 and 871.

Hebrew
"DABAR" is the
Equivalent of
GREEK
"LOGOS"

The Interpreter's Dictionary, Volume 4, pages 870-871

"The word of God" (o logos tou theou) is used of:
 (a) the OT Law (cf. Mark 7:13-Matt 15:6, where it is contrasted with the tradition;
 (b) a particular OT passage (cf. John 10:35, referring to Ps. 82:6);
 (c) in a more general sense, God's revealed WILL, or His Whole Plan and Purpose, but now manifest to his saints... which is Christ in you"; Heb. 4:12);

A Hebrew and Chaldee Lexicon to the Old Testament, by Julius Furst, page 312

Dabar
 a) command, precept, law
 e) decree, plan, proposal

According to the Interpreter's Dictionary, the word *Dabar* means The Word of God. Go to number c. In a more general sense it is God's revealed will; His whole plan and purpose. That's what *Dabar* means: PLAN and

PURPOSE. Put that in your notes. If you go to the Old Testament and look up the word *Word*, you are going to see the word Dabar. Generally, it simply means *God's Revealed Plan*. Let's go to the Hebrew Chaldee Lexicon (above). Dabar means *a command, a precept, a law, and a decree, a plan, or a proposal*. That is the same thing as a blueprint.

The Word of Yahweh is His COMPLETE PLANS: His Counsel and HIS WILL DECLARED! The poetic version of the Sacred Name is YAH. It simply means SELF EXISTING ONE WHO IS—or the I AM. He was saying Yah. He is the Self Existing One Who IS; He just IS.

At one time He Existed ALONE with only His THOUGHTS!

One day these THOUGHTS formed into WORDS and ONE of those Thoughts was EXPRESSED in Genesis 3:15.

Genesis 3:15 And I will put enmity between you and the woman, and between your seed and her seed; He shall bruise your head, and you shall bruise His heel.

Where do you think that Word came from? It started way back in the MIND of YAHWEH. Yahweh was putting together this Plan, this Dabar, this Counsel, this Will; and now it comes out of His MOUTH and it is revealed to the World Now in that original prophecy of YAHSHUA. Before it was revealed in Genesis 3:15, it was REVEALED IN THE MAZZAROTH! Let's read about it in Daniel 4:35.

Daniyl 4:35 And all the inhabitants of the earth are accounted as nothing. He does according to His will in the army of heaven and among the inhabitants of the earth. There is no one who can restrain His hand, or say to Him: What are you doing?

Where is His will revealed? First, in the Army of Heaven. The MAZZAROTH is the Army of Heaven. The strength of heaven is the STARS! That is where He first revealed His will. What was the first thing that was in

the Mazzaroth? Exactly what you read in Genesis 3:15. A woman will have a SEED! He has been revealing this Plan from Time in Memorial: in Eternity Past. It was ALL in His Plan. Then one day, that plan did what? John 1:14.

Yahchanan 1:14 According to this plan flesh was created; and dwelling among us, *who are flesh*, and we beholding His glory, was the glory of the begotten Son of the only Father, full of honor and truth.

According to this plan: FLESH. What plan? Genesis 3:15—the Mazzaroth. And even before the Mazzaroth, in here was the Plan, the Dabar, was manifested and revealed before our eyes in Flesh. It was revealed in the Plan way, way back. Now go to Hebrews 10:7. Watch this carefully.

Hebrews 10:7 Then I said: Behold, I have come (in the volume of the Book it is written of Me) to do Your will, O Yahweh.

He said throughout the whole plan, the volume of the Book; through the whole dabar, *the whole plan, it was all written of ME. Here I am and I am here to do one thing only: To do THY WILL.* That doesn't sound like a God to me. It sounds like this god had a God. He said, "I am here to do Your Will." Does that sound co-equal to any of you? Co-equal in Equality and Authority? If I am here to do Your Will, we aren't EQUAL! It sounds like a SERVANT to YAH. Yahshua was the Fulfillment in the Flesh of that Prophecy, that Word! He was not the walking and talking Torah. He was Not Literally the Word made Flesh!

NO! HE WAS THE PLAN MANIFESTED in the FLESH! He, Himself, was not the Torah. Oh, no. If He was, He wouldn't have had to learn to KEEP the Torah. C'mon now. I'm messing with some Messianic doctrine now. No, my beloved friend, I'm going to prove it to you in another couple of scriptures. He was not the Torah. He came to LEARN to KEEP the Torah. That is why He was in the synagogue for thirty years LEARNING the TORAH. He had to learn OBEDIENCE to it! Read Matthew 6:10.

Mattithyah 6:10 Your Kingdom come. Your will be done in earth, as it is in heaven.

As it is in the what? The HEAVENLY SCROLLS! As it is where the stars dwell, in the MAZZAROTH! As it is where the six planets line up on Inauguration Day. *As it is done in heaven, I have come to teach Your people how to line the planets up on earth!* He said “It is written of Me in the Book.” Now I want to show all of you what the Logos looks like. There is is:

The THOUGHTS, the PLANS, the REASONING of His MIND coming out of HIS MOUTH.

Brothers and sisters, I just showed you the great mystery of the LOGOS. In the Beginning was the LOGOS. That is what was in the Beginning. Yahweh had a cloudy head full of THOUGHTS and they came out of His mouth. HalleluYah! You all are looking at the Logos there. That is what the Logos looks like. Why do we make things more complicated than they are? It was

a COLLECTION of YAHWEH'S THOUGHTS. I just gave you the best definition for Logos that you'll ever hear: A Collection of His Thoughts.

G3056 λόγος - Strong's Greek Lexicon Number

λόγος
the word
Dodson:
λόγος
a word, speech, divine utterance, analogy.
Thayer:
1) of speech
1a) a word, uttered by a living voice, embodies
a conception or idea
1b) what someone has said
1b1) a word
1b2) the sayings of God
1b3) decree, mandate or order
1b4) of the moral precepts given by God
1b5) Old Testament prophecy

This image is of the Strong's Lexicon Number for Logos. It simply means speech, divine utterance, what someone has said. Let's go to Romans 1:2-5, and let's talk about these collections of His thoughts.

Romans 1:2-5 Which He had promised before through His prophets in the Holy Scriptures:

He has made a promise concerning Yahshua. Read.

3 Concerning His Son, Yahshua Messiah our King, Who was born of the seed of David according to the flesh.

4 And declared *to be* the Son of Yahweh with power, according to the Spirit of holiness, by the resurrection from the dead;

So if He had never resurrected from the dead, He would have only been the Son of man. Read.

5 By Whom we have received mercy and apostleship for obedience to the faith among all nations for His Name;

For obedience to the faith. He came to teach us Obedience to the Faith: The Kingdom Message! That's why He came. Brothers and sisters, I want to show you in the Word of Yahweh so there is absolutely no confusion. Let's look at this meaning. Let's turn in our Bibles to John 1:1. I want to show you plainly the truth, so you will never forget it.

IN THE BEGINNING WAS THE LOGOS! Click on Logos. Let's follow the trail. The first thing I always do to find the Truth is to find the INTENT behind a word. I don't want to just know the definition because if I go to the definition, I see immediately that Logos is talking about reasoning, mental faculty, thinking, meditating, calculating.

//. its use as respect to the MIND alone

1. reason, the mental faculty of thinking, meditating, reasoning, calculating

Strong's Definitions [?]

(Strong's Definitions Legend)

λόγος **lógos**, log'-os; from G3004; something said (including the thought); by implication, a topic (subject of discourse), also **reasoning** (the mental faculty) or motive; by extension, a computation; specially, (with the article in John) the Divine Expression (i.e. Christ):—account, cause, communication, ✕ concerning, doctrine, fame, ✕ have to do, intent, matter, mouth, preaching, question, reason, + reckon, remove, say(-ing), shew, ✕ speaker, speech, talk, thing, + none of these things move me, tidings, treatise, utterance, word, work.

I can see here that it also means discourse, reasoning, computation, computerism. And if I come here, look what I find from Thayers' Greek Lexicon concerning Logos. A collecting, or a COLLECTION.

Accordingly, a twofold use of the term is to be distinguished: one which relates to speaking, and one which relates to thinking.

I. As respects speech:

1. **a word**, yet not in the grammatical sense (equivalent to vocabulum, the mere name of an object), but language, vox, i. e. a word which, uttered by the living voice,

Lexicon :: Strong's G3006 - <i>logos</i>	
λόγος	
Transliteration	Pronunciation
<i>logos</i> (Key)	log'-os
Part of Speech	Root Word (Etymology)
masculine noun	From λέγω (G3004)

So the Logos is a collection of something. I wonder what the real meaning of Logos is. To do that we have to do what? Does anybody know? Let's follow the root. Let's click on the root and we find what Logos comes from.

Lexicon :: Strong's G3004 - <i>legō</i>	
λέγω	
Transliteration	Pronunciation
<i>legō</i> (Key)	leg'-o
Part of Speech	Root Word (Etymology)
verb	A root word

It comes from the word *legos*. Does anyone have any legos? What is legos? It is a COLLECTION. What do you do with legos? Look at the next image below. You lay them together; lay them forth.

Strong's Definitions [?]	(Strong's Definitions Legend)
<p>† λέγω <i>légō</i>, leg'-o; a primary verb; properly, to "lay" forth, i.e. (figuratively) relate (in words (usually of systematic or set discourse; whereas G2036 and G5346 generally refer to an individual expression or speech respectively; while G4483 is properly to break silence merely, and G2980 means an extended or random harangue)); by implication, to mean:—ask, bid, boast, call, describe, give out, name, put forth, say(-ing, on), shew, speak, tell, utter.</p>	

You lay your legos together. So what is Logos? Laying Together all of the THOUGHTS of Yahweh; the Collection of His Total Plan—Putting it ALL Together and forming WORDS out of it. So In The Beginning, WAS the Collection of His Thoughts! It was His Plan. When you hear me say the word *PLAN*, and you turn there and it says *thoughts, plans, reasoning*, and

calculations, all of that, creates a what? A PLAN. The Logos is a Plan. So let's read it from The Book of Yahweh.

Yahchanan 1:1-3 In the beginning was the plan of Yahweh, and the plan was with Yahweh, and the plan was Yahweh's.

The plan was with Yahweh. Where are everybody's thoughts? With them.

2 The same plan was in the beginning with Yahweh.

3 All things were done according to it, and without it nothing was done, that was done.

All things were done according to that plan, and without that plan, nothing was done. If we aren't careful, this is going to make too much sense.

HalleluYah. If we aren't careful, it is going to go together like Lego blocks. What does it say in the regular Bible? *By Him were all things created.* But the problem is that Logos is not a *Him*. Logos is an *it*. Who gave them the authority to change it, to murder the Word of Yahweh by putting: *By Him all things were created?*

Brother Mario, what does your King James Bible say in verse three?

Mine is actually an Apologetic Bible translation.

Well, let's see if they have to apologize.

John 1:3 Apologetic Bible Through him all things were made; without him nothing was made that had been made.

They need to apologize for the Apology Bible. Where do you get *him* from? Let's go look. I might be wrong. I know I'm not wrong, but let's go look again.

		αὐτοῦ
him:	G846	αὐτός
		autos

See the word *him* in verse three? That is the Greek word *autos*. Now look at the image below. One of the meanings is *it*. It could have been translated *it*. What determines whether it is *him* or *it*? It could have been *her*. What if the translators had put *All things were created by her*? What if it said *All things were created by them*? The reason it can be any of them is because the word *it* is neutral. So who gave the translators the authority to put *him* there? Who gave them that authority?

KJV Translation Count — Total: 5,785x
The KJV translates Strong's G846 in the following manner: him (1,952x), his (1,084x), their (318x), he (252x), her (242x), <u>they</u> (121x), same (80x), himself (58x), miscellaneous (1,678x).
Outline of Biblical Usage [?]
I. himself, herself, themselves, itself
II. he, she, it
III. the same

If *him* is the pronoun, a pronoun is referring back to a noun. What is the noun? LOGOS. What is Logos? A PLAN. So when did a Plan become a *him*? About the same time that Wisdom became *her*. We have a pronoun problem.

Let's go back to verse three in *The Book of Yahweh*.

3 All things were done according to it, and without it nothing was done, that was done.

4 In this plan was life, and that life was the light to mankind.

This plan was what? LIFE. Wait a minute. In this plan was Life; Eternal Life. Guess who had to be provided for us to have eternal life? The Sacrificial Lamb of Yahshua—He was in the PLAN. The LIFE was in the Plan! Glory to Yahweh! I'm about to lose my mind. Your eternal life was in the Plan from the very Beginning. Let's keep reading.

5 Now that light shines in the darkness, but the darkness does not take hold of it.

That life was the Light to mankind. Now, that light shines in the darkness. John wrote this sixty years after the fact.

(26 AY) 6 There was a man sent from Yahweh, whose name was Yahchanan.

Hmmm. So a man was sent from heaven, and the man was John. Do we now make John God because he came from heaven? Wake up everybody. C'mon. There was a man sent from heaven.

Jesus came from heaven.

He sure did. And so did John. Let's keep reading.

7 Yahchanan came as a witness, that he might testify of the Light, that all men, through it; the Light, might believe.

That is what the voice of Elijah does: get everyone to believe.

8 Not that he was the Light, but that he *was sent to testify of the Light,*

(30 AY) 9 That was the true Light which lights *the way to the Kingdom* for every man that comes into the world.

10 It was in the world, and the world was enlightened through it, but the world did not know Him; *Yahweh*.

He, Yahshua, was in the world and the world was reconciled not to Yahshua, but to YAHWEH, THROUGH Yahshua. We were not reconciled to Yahshua, so He cannot be co-equal if we're not reconciled to Him, as well as to Yahweh?

11 He came to His own, but His own did not receive Him.

Yahshua came to His own, which was the Jewish people. They did not receive Him. But verse twelve tells us what the small number of Jewish people who received Him got.

12 But as many as received Him, to those He gave authority to become the Sons of Yahweh to those who believe the testimony of Yahweh—

For those who believed in His Name, He gave the right to become Sons of Yahweh. Now go to verse fourteen.

14 According to this plan flesh was created; and dwelling among us, *who are flesh*, and we beholding His glory, *was the glory of the begotten Son of the only Father, full of honor and truth.*

In the predestined plan of Yahweh—the LOGOS—became FLESH and made His dwelling among us. We have seen Yahweh's Glory! How is that? Because the Plan was Yahweh's Plan, and it came to pass without fail. That was Yahweh's Glory. That's why Yahshua is called The Glory of Yahweh. He was the FULFILLMENT of that PLAN.

Now I want to read for you, John 17:3, and we're coming to a close.

Yahchanan 17:3 And this is life eternal: that they know You, the One True Father, and Yahshua.

Co-equal. Co-eternal. Co-existing. Is that what we have to believe? No. This is Eternal Life: that they know the Only True God—Yahweh—and that they believe that One True God sent His Anointed Messiah. If you believe that, you have eternal life. If you believe that Son is co-equal to the Father, then you are Babylon. Turn with me to I Timothy 2:5.

I Timothy 2:5 For One is Yahweh; and One Mediator between Yahweh and men: the Man, Yahshua Messiah.

My, my, my. There is ONE GOD, and ONE MEDIATOR between man and that God, and guess Who that is? The MAN, Yahshua Messiah. Let's go to Hebrews 4:15. It gets better!

Hebrews 4:15 For we do not have a High Priest Who cannot sympathize with our weaknesses, but was in all *ways* tempted as we are—yet was without sin.

How could He sympathize with our weaknesses if He was never really like us? If He really had a special extra touch, how can He sympathize with me if He was never really tested? How many of you have talked to a trinitarian? This is what they say:

Yes, He was man BUT...

Amen. No, no, no! Either He was man, or He wasn't. If He was, He can sympathize with my weaknesses. The Bible says that God cannot be tempted, so if Yahshua was tempted how can He be God?

Let's go now to Hebrews 5:3. Here is my question. The verse we just read was about the High Priest. You don't become a High Priest before you are Mikveh. Yahshua stepped into the High Priest role at Mikveh—Baptism. And the Bible said as High Priest He never committed sin. He stepped in as Lamb and High Priest at Mikveh, and He knew no sin, or He *learned* to know. He did not learn sin. He learned Obedience. Read Hebrews 5:3.

Hebrews 5:3 And for this reason, he has to offer sacrifices for his own sins, as well as for the sins of the people.

Who has to offer sacrifices for his own sins? Who is the High Priest? Yahshua. This is why Yahshua as High Priest has to offer sacrifices. Yahshua is our High Priest. He was Mikveh for a reason. The Bible said He had to do it to fulfill the Torah. No High Priest could be High Priest without the Mikveh. He was baptized to enter His role as High Priest. The Bible said that as High Priest He learned not to do any sin, knowing no sin. Yahshua knew Who He was. I'm sorry that the Church doesn't. He tells you Who He is in John 20:17.

John 20:17 Yahshua said to her: Do not touch Me, for I have not yet ascended to My Father. But go to My brothers, and tell them; I am ascending to My Father, and your Father, and to My Power, and your Power!

MY GOD AND YOUR GOD!

He said, "I'm going to My God." How in the Name of God do you have a co-equal, co-eternal, co-existing God ascending to His God? Brothers and sisters, it is Babylon. I don't care if they keep the Sabbath Day. Get out! The Seventh Day Adventist keep the Sabbath and they are trinitarian. I don't care if they keep the Holy Days. I don't care if they keep the Sabbath better than I do. You better come back to the KINGDOM! You better come back to the Kingdom concept and tie those balloons solidly!

Before we go tonight I want to ask you a question about the Logos. Did Yahshua ever claim to be the Logos? John 14:24. What is the Logos? Let's read it before I answer that question.

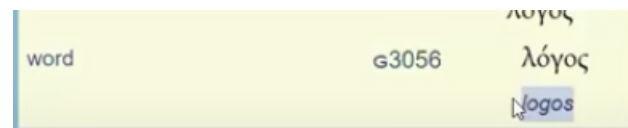

John 14:24 He who does not love Me, does not keep My sayings.

Hold on. What is the word there for *sayings*? Logos. Read.

Now the word which you hear; *the Law and the Prophets,*

Wait. *The Logos which you hear.* Read.

is not Mine, but the Father's Who sent Me.

Whoa! If you ARE the Logos, how are you going to say the Logos is not yours? He said, "This Logos that I'm speaking, these sayings are not Mine. I am not the Logos. The Logos in IN ME."

If it is not His but the Father's how can He be co-equal? Go to John 2:22. It keeps getting better.

Yahchanan 2:22 Now when He was raised from the dead, His disciples remembered that He had said this to them; and they believed the Scripture and the plan of Yahweh, which Yahshua had spoken.

They believed the Logos that He had spoken. Listen to me, and listen to me well. HE WAS NOT THE LOGOS. HE CARRIED THE LOGOS. The Logos was in His Mouth. The Logos did not belong to Him. He said, "The things that I say, I don't even know what I'm going to say next." If we're not careful, we're going to find something that is going to make sense. He said, "The Logos is in Me." What was in Him was the Holy Spirit, and that same Spirit that was in Christ is the Logos, And if that same Spirit that was the

Logos dwells in you, here is what it means: It means that in the Beginning you ALSO were with Yahweh! Yahweh was IN YOU, and you were IN YAHWEH! The LOGOS makes you ONE when you Connect with His Word! Glory to Yahweh! Did you hear me? When that Word comes out of your mouth, it makes you and your Father ONE! That is why Hell trembles when you speak!

Who do you think it is that comes through your mouth in that anointing Word? It is the Logos! That's why when you pray, it isn't just somebody praying. That's why I pray in tongues all the time. When you pray in the Holy Ghost, that is not you praying, I promise you. Your mouth may be moving but Yahshua said, "My mouth is moving but this isn't Me." That's why Yahshua could stay humble. He knew He wasn't anything but a ventriloquist. He knew it. Why? He wasn't the Logos. The Logos was IN HIM. If that same Logos that was in Him is in you, it will quicken your mortal body. Glory to Yahweh!

You better get this Logos right! The Logos is the Torah. It is not that Yahshua is the walking Torah. It is that the Torah was walking in Yahshua. The Torah is the Word of Yahweh. I pray there are some walking Torah's in this class.

John 8:43 Do you know why you cannot understand my language? Because you cannot hear My word; *You reject the Law and the Prophets.*

Hold on. He just said you cannot hear My Logos, but He just got done telling us that it was not His Logos. He understood when He was speaking on behalf of Yahweh that He was a co-worker, a partner with Yahweh, and Yahweh's Word became His Word because He and the Logos were One. There will come a time in your walk with Yahweh that your prayers will become the Logos of Yahweh. Your voice will become the Logos of Yahweh. Because of that it is your voice, but it is His Words. John 15:3.

Yahchanan 15:3 You are already clean through the word; *the Law and the Prophets, which I have spoken to you.*

Change it now and tell me how it should read.

You are already clean through the PLAN which I have spoken to you.

And the word is Logos. I am trying to prove to you what the Logos is: the Word, the Logos, the Plan of Yahweh has already cleansed you because you were in the Plan, Elected in that Plan.

Yahchanan 17:14 I have given them Your Law;

Hold on. It's not Law there; it is Logos, so let's look at it. *I have given them Your Logos.* I thought He just said it was His Logos. Then He said it wasn't His. All of a sudden, it's not His anymore. He said, "I gave them Your Logos," but wait a minute. If you are the Logos, and You were in the Beginning with Yahweh, why is it now His Logos, and not Your Logos? Read.

and the world has hated them because they are not of the world, just as I am not of the world.

How can you know you're not of the world? When you're absolutely in love with the Logos. He said, "They didn't receive the Logos. That's how I know they are of the world." This message that I've taught you tonight will connect you to the Kingdom Key. There is no other message out there today that is as important as the Kingdom. You have to know Who the head of this Kingdom is. Everything we do at First Harvest Ministries is to connect

you to that key. When we teach you hierarchy, when we teach you there must be a structure, a government from the top to the bottom. Why are we doing that? We are trying to connect you to the key of what it will be like in the Millennial Reign.

That hierarchy from the Father, the Son, then all the brothers. It is going to flow perfectly. Everything we do will flow. Why do we dance when we come into church? Do you think I love preaching on dancing? Why do you think we dance? I told somebody the other night, “I will have people walk in my church, sit their behind down and not dance because they don’t believe in that, and yet, if you buy them a plane ticket to Jerusalem, bring them to the Wailing Wall on a Friday night when the Sabbath begins, they will join hands and dance with all those Jews around the wall because you have to.”

I’m trying to make a point. There is going to be dancing in the Kingdom. Everything we do at FHM is for the Kingdom’s sake. That’s why we preach tithing. If you don’t put the first in now, you won’t qualify for the Kingdom. I’m sorry, tithing is not from your horses, your lambs. Get all that Messianic mess out of your head. It’s from your INCREASE. If there is anybody in this ministry teaching you against tithing they are not part of this ministry. We believe in tithing. We believe in firstfruits. We praise Yahweh first in our dancing when we come into the House of Yahweh. We give Him EVERYTHING. God bless you. Thank you for joining me tonight. We love you. Shabbat Shalom.
