

ISRAEL 101
Part 1
“The Exclusivity of Israel in the Old Testament”

By Pastor Shane Vaughn, First Harvest Ministries

It's so vitally important if you're a member of this church for you to understand Israel. Let me say this to all of you from the start. Israel is not a state. Israel is a nation. When you see the state of Israel over in the land of Palestine, it's the land of Judea. I don't call it the land of Palestine, that's not what it is, it's the land of Judea. That nation, or that state, is called the state of Israel.

Brothers and sisters, that is not Israel. You have to know this. You have to comprehend this. You have to understand this. If they were going to name that state properly, they should've named it the state of Judah. It is not Israel. And in your human mind, you have to be able to say Satan has caused a great deception by getting you to look at a little piece of land in Judea and call that "Israel". Now we love that piece of property because that is our brothers. That is our brothers of Judah. But that is not Israel. It's actually a false name and it will cause you not to know who you are in God. And it will rob you of your identity. So I must start there today.

I can never express to you how that this ministry has revealed to you who your daddy is. We need to call this the Maury Povich show because we show you who your daddy is here, alright? We show you who your family is. We show you your identity. Before you came to this message, you were a Baptist, you were a Pentecostal, you were a Catholic, you were whatever, a Charismatic, a Episcopalian. You were all of those things. You were misgendered darling.

You were misidentified, do you understand me? They were using the wrong pronouns for you, alright? As a matter of fact, when someone calls you a Christian, you need to say...honey get my pronouns straight, alright? I'm an Israelite. Amen. Folks this is more important than you realize. You need to know your identity. You are not a Baptist, you are not a Catholic. That's why when people tell me I'm Pentecostal, I'm like...no I'm not. I'm none of those things. I am identified as an Israelite.

Now, what happens when you look over there to the land of Judea and you see the state of Israel? When you do that, you think that is Israel. I must teach you today the exclusivity of Israel. I want to say this before I get started because this makes the devil mad when I say it. Yahweh only has a contract with Israel. That's it. Yahweh only has a contract, which is a covenant, with Israel. When you understand who Israel truly is, then you'll understand what that land is over in

the land of Judea. God's got a purpose for that land, we don't negate that, we don't limit that. But we've got to get our eyes off the star of David—by the way that's a very questionable symbol. We have to get our eyes on the menorah. We have to get our eyes on true Israel because if you don't you will not know who you are in the plan of God.

Israel 101

Exclusivity of Israel - a message hated by Religion

So that is where we are starting today with this lesson. I must teach you who you are. Amen. You see that menorah below? That is your symbol. That is your identity. Every home should have one in it.

Every home should have a tallit. Why do we have these symbols in our home? They have nothing to do with our salvation. It has to do with our identity.

I want you to listen closely. This tallit does not save anybody. This tallit doesn't give you any kind of power. There's nothing magical about it. This is the symbol of your true identity. When you wear it you are literally telling the world...no, Israel's not in the land of Judea, Israel's in Waveland Mississippi, Israel is all over the world, primarily in America, Great Britain, and the commonwealth nations, alright? So we have to know that this morning without any doubt at all.

Signs of True Israel

Alright, let's continue. Let's go over the signs of true Israel. We're going to start in Genesis 12:1-3. We're going to find out the biblical signs of true Israel. Once again, Israel is not a state, Israel is a nation.

Genesis 12:1-3

1 Now Yahweh had said unto Abram, Get thee out of thy country, and from thy kindred, and from thy father's house, unto a land that I will shew thee.

2 And I will make of thee a great nation, and I will bless thee, and make thy name great, and thou shalt be a blessing.

3 And I will bless them that bless thee, and curse him that curses thee, and in thee shall all families of the earth be blessed.

The very first promise of true Israel, the very first sign of true Israel, would be a great and mighty nation. I need everyone to hear me. The first sign is you will be a great and a mighty nation. Let's read Genesis 22:17 and find out the next sign of true Israel.

Genesis 22:17

That in blessing I will bless thee, and in multiplying I will multiply thy seed as the stars of the heaven, and as the sand which is upon the sea shore, and thy seed shall possess the gate of his enemies.

So to be true Israel you've got to meet these prophecies. This one is that they would be a vast multitude of people, so much that you can hardly count them. They would literally be like the sand of the sea everywhere, not just in a little land called Judea. That they would be everywhere, uncountable. That's the second sign of true Israel. Let's go to the third sign. Genesis 17:4-6.

Genesis 17:4-6

4 As for me, behold, my covenant is with thee, and thou shalt be a father of many nations.

Of how many nations? Many. Not just this piece of land shown below. You will be a father of many nations. Not just one nation. And that's where most people miss it. They think Abraham is the father of the Jewish nation over in the land of Judea. Abraham was promised to be the father of many nations, of so many people that you wouldn't be able to count them.

5 Neither shall thy name any more be called Abram, but thy name shall be Abraham, for a father of many nations have I made thee.

6 And I will make thee exceeding fruitful, and I will make nations of thee, and kings shall come out of thee.

Not just one king. Many kings will come out of you over

these nations. Let's read Deuteronomy 15:6.

Deuteronomy 15:6

For Yahweh thy God blesses thee, as he promised thee, and thou shalt lend unto many nations, but thou shalt not borrow, and thou shalt reign over many nations, but they shall not reign over thee.

You will reign over many nations. I want everyone to highlight that one prophecy in your Bible. The Jewish people have never reigned over another nation ever. Ever! But Israel will literally have kings over other nations, ok?

I really want you to hear this lesson because I'm going to show you the deception in the world about Israel and who true Israel is so that you can quit thinking that you're a Kentucky-ite brother, you can quit thinking that you're a Louisiana-ite brother. You better know who you are in the end-times. True Israel will rule over many nations of other places and kings sitting on those thrones. Genesis 22:18.

Genesis 22:18

And in thy seed shall all the nations of the earth be blessed, because thou hast obeyed my voice.

Isaiah 42:16-19.

Isaiah 42:16-19

16 And I will bring the blind by a way that they knew not, I will lead them in paths that they have not known, I will make darkness light before them, and crooked things straight. These things will I do unto them, and not forsake them.

17 They shall be turned back, they shall be greatly ashamed, that trust in graven images, that say to the molten images, Ye are our gods.

Jews never did that. I need you to hear me. After they did the golden calf, they never did that again. But Israel did. The northern tribes did. So this is a prophecy of the northern tribes.

18 Hear, ye deaf, and look, ye blind, that ye may see.

19 Who is blind, but my servant? or deaf, as my messenger that I sent? who is blind as he that is perfect, and blind as Yahweh's servant?

So here's a prophecy that true Israel would not even know who they were. That's a prophecy about Israel. She would be so blind she would not know her own

identity. Now that does not fit the land of Israel today. They know who they are. But this is a prophecy that Israel would be so blind she would think she was a Baptist. Come on now. Isaiah 62:1-2.

Isaiah 62:1-2

1 For Zion's sake will I not hold my peace, and for Jerusalem's sake I will not rest, until the righteousness thereof go forth as brightness, and the salvation thereof as a lamp that burneth.

2 And the Gentiles shall see thy righteousness, and all kings thy glory, and thou shalt be called by a new name, which the mouth of Yahweh shall name.

True Israel would be called by a new name. Their entire identity would be so unknown that they would call themselves by a new name. Folks this is in your Bible not mine...well it's in mine too. This is your Bible telling you that Israel would be so blind that the Father would literally give them a new identity.

You know I don't know if we're ready for this teaching because it's going to force you to deal with the truth and when you see it you'll be thankful for it once we get there. Let's read Jeremiah 31:7, 31-37.

Jeremiah 31:7

For thus saith Yahweh, Sing with gladness for Jacob, and shout among the chief of the nations, publish ye, praise ye, and say, O Yahweh, save thy people, the remnant of Israel.

Now listen, we're getting ready to get to the exclusivity of Israel. Right there he said let Jacob rejoice. Jacob is Israel, not the Jews. The Jews are a part of that, but not the whole. Rejoice over Jacob because I'm going to redeem Jacob. I want you to hear me and hear me well. There is not one scripture in your Bible that promises redemption before the second coming of Christ to any other group of people but Jacob. I'm about to get somewhere with this today. I want you to read that verse again now after I said what I just said and maybe it might click a little bit with people better (read verse above again).

Save who? Thy people. The remnant of Israel. Only the remnant of Israel are Yahweh's people. I want you to hear what I just said, write it in your notes. There are no other people on earth who are Yahweh's people but the remnant. Now it didn't say all of Israel. Ha ha! The "remnant" Israel are the only people on earth with a promise of redemption before the second coming of Christ.

Now at the second coming, the whole world will get a Jubilee, but before the second coming, there's one group of people who are going to have a kinsman redeemer! Oh praise Yahweh. You've got to get it, you have to understand it. Somebody say "the exclusivity of Israel". I'm going to teach you something—that if you tell this to any Christian they will hate you for it. I've come to tell you today Israel you have an exclusive contract with Yahweh. It is exclusive. And I'm so sorry that he's sovereign and he chose this way. You cannot change it.

You cannot take your dispensational mindset that you got in Bible college and make it understand this because it won't be able to. Let's follow up. Read now verses 31-37 and let's find out the only people on planet earth who have a covenant of redemption.

31 Behold, the days come, saith Yahweh, that I will make a new covenant with the house of Israel, and with the house of Judah.

With who? Is this covenant with the whole world? Is this covenant with any other race of people, groups of people? No, I'll make a covenant with one group of people out of the whole world. The house of Israel. He didn't say the Jews. He said the house of Israel. The whole Christian church is so enamored and so in love, and thank God we are, with that little piece of land and the Jewish people that are there, that they've missed the whole message. They've missed the entire message of the Bible.

This covenant is with a multitude, a remnant of a multitude of people that are literally scattered over the nations of the world, and these are people who will not be going back to the land. All of the promises of going back to the land is for Judah. Israel—we can't fit in the land. The seed of that remnant cannot fit in that land. We need to understand this.

I have a question. In the Book of Yahweh it says the house of Judah is included also. Judah is included. The world thinks Judah is the whole of the house of Israel, ok? So in other words we've got to change mindsets. There is a remnant coming out of Judah as well. There's a remnant coming out of the other ten tribes. It is that remnant that has an exclusive contract with Yahweh.

32 Not according to the covenant that I made with their fathers in the day that I took them by the hand to bring them out of the land of Egypt...

So the covenant is with two different groups of people. Now I want everyone to look me in the eyeball. All your life in the Christian church, how many of you believed that the Jews were God's chosen people? Let me see your hands. Alright,

thank you. That's why I have to teach this lesson to the world...because there is a remnant of Jews that are his chosen people. But when they forgot to tell you about another group that's chosen, they were robbing you of your identity. Amen. Because my friend it is not the Jews who are Yahweh's chosen people, it is the House of Israel which includes Jewish people. Alright, you all have got to get this.

...which my covenant they brake, although I was an husband unto them, saith Yahweh.

33 But this shall be the covenant that I will make with the house of Israel...

With who? The house of Israel. Listen to me, I'm going to say it again. Not one other person on earth has a contract with Yahweh for New Covenant redemption but one group of people. You all better know that. If you don't know that you will not last in this message because you have to know why you have been called to this ministry. You have to know that it's not just some new little Bible study, some little fluke that you go and join for awhile and then you go find the next one. No, no, no! You've come home darling, there's no other home for you but the house of Israel.

Brother and sisters, I'm getting ready to get on the seed of Abraham today in a few minutes, show you who the seed of Abraham is. Now remember folks, if you didn't watch my lesson "Joy Comes in the Morning"* then you think I'm saying that only Israel, only the tribes of Israel will be saved. You see, that's where you need to get it all straight. I said before the second coming the only ones who will be in the government, the only ones who will be in the 144,000.

...After those days, saith Yahweh, I will put my law in their inward parts, and write it in their hearts, and will be their God, and they shall be my people.

I will be their God and only they (you all Yahweh said this, not me)—only they will be called my people. Do you know what he's saying, can I read it in reverse? Reverse engineer it. Anyone who's not in that covenant will not be my people. They will not be my bride, they will not be my treasure. They will be my children, but not my sons. I will love them and I will plan for them, but they will not be in the first resurrection. They will not be my exclusive people.

*Joy Comes in the Morning begins with part one (firstharvest.tv/video/2443), plus there is a transcript of the entire series found here: <https://thefamily.com/sermons/>.

34 And they shall teach no more every man his neighbor, and every man his brother, saying, Know Yahweh, for they shall all know me, from the least of them unto the greatest of them, saith Yahweh, for I will forgive their iniquity, and I will remember their sin no more.

35 Thus saith Yahweh, which giveth the sun for a light by day, and the ordinances of the moon and of the stars for a light by night, which divides the sea when the waves thereof roar, Yahweh of hosts is his name.

Yahweh's signing his name on this right here. Yahweh is swearing by the God who created the sun. He's swearing. He says...listen guys I don't know how much more I can tell you how serious this is, I'm going to swear to it.

36 If those ordinances depart from before me, saith Yahweh, then the seed of Israel also shall cease from being a nation before me for ever.

Listen, listen. You all walked outside. If there's still a sun up there, if you see a moon tonight, this nation will never ever be lost in the eyes of Yahweh, ever! He will never lose one of you, that's why Yahshua said...all that you have given me Father I've lost none of them. Amen. That's the signature in the contract. He's signing it giving you his word that in the year 2023 I still know every hair on every head on every man to whom this exclusive contract is made with.

And those men will be going about their business, doing their own thing, going to their Baptist churches thinking that this is their daddy, thinking the pope is their daddy, thinking that Christianity is their daddy. And I'm going to jerk them out of there and make a new covenant with them and bring them into that new covenant. And those people I will never lose site of who they are! I know who they are! I will throw a tallit around their neck so fast that they will literally have to leave their churches because now they know who they are. Amen. Amen. It's in the book!

37 Thus saith Yahweh, If heaven above can be measured, and the foundations of the earth searched out beneath, I will also cast off all the seed of Israel for all that they have done, saith Yahweh.

I will never ever, ever, ever, lose sight of the house of Israel. Saints you've got to know who you are. You have got to know who you are in Yahweh. If not, you will not understand why you're going through the same wilderness experiences that Israel went through. Alright let's read Isaiah 49:3-9. Now this next scripture is interesting.

Isaiah 49:3-9

3 And said unto me, Thou art my servant, O Israel, in whom I will be glorified.

4 Then I said, I have labored in vain, I have spent my strength for nought, and in vain, yet surely my judgment is with Yahweh, and my work with my God.

5 And now, saith Yahweh that formed me from the womb to be his servant, to bring Jacob again to him, Though Israel be not gathered, yet shall I be glorious in the eyes of Yahweh, and my God shall be my strength.

Listen, even though Israel shall not be gathered, Yahweh is still going to be glorified in their scattering.

6 And he said, It is a light thing that thou shouldest be my servant to raise up the tribes of Jacob, and to restore the preserved of Israel, I will also give thee for a light to the Gentiles, that thou mayest be my salvation unto the end of the earth.

Here's a promise to Israel, that they will not be gathered. They will be scattered and in that scattering they will bring the gospel to the whole world. Come on, somebody just caught it, thank you. *When we find ourself, our identity, we will no longer be the lost tribes of Israel, we are the remnant Israel! Absolutely sister. We won't lose our identity or our positions because he will keep us from losing it again. Absolutely.*

Elder, if I read that right, he said that these scattered tribes would preserve and restore the seed of Israel. Read that verse again. I want you to hear what scattered Israel is going to do. Read verse 6 again.

6 And he said, It is a light thing...

Is it a light thing?

...that thou shouldest be my servant to raise up the tribes of Jacob...

Hold on. You're going to be my servant while you're scattered, and you're going to raise up that valley of dry bones, you are going to raise up Jacob! How are we going to raise up Jacob Lord? Because you're going to be a light among the Gentiles, the nations, then Jacob is scattered among those Gentile nations, and you are going to be used to find those dry bones!

Is that the salt of the earth? Amen, that's what the salt of the earth does. We're the preservers. Finish that verse because it's gets better.

...and to restore...

You're going to do what? You're not going to be gathered Israel. Now Judah will be gathered, but Israel, you're going to be scattered. But even in your scattering, you're going to be gathering. Hallelujah. Oh what a scripture this is! Keep reading, you're going to restore what?

...the preserved of Israel...

Oh that's the remnant. The preserved is the remnant. You're going to restore the remnant of Israel while you're scattered!

...I will also give thee for a light to the Gentiles...

And you are going to be the light among the Gentiles, you're going to restore with the gospel of Yahshua the Messiah. He is the light of the world, now YOU are the light of the world. Do you follow me? So the only ones who can restore Jacob are those who are walking in the light. The light is Yahshua himself. It is this light that's going to ignite the dry bones. It is this gospel of Yahshua.

...that thou mayest be my salvation unto the end of the earth.

Now folks I want to look at you and ask you a question. Have the Jewish people ever fulfilled that promise? Have they ever brought the gospel to the whole world? No darling, Israel has. Do you know where our printing presses started for the Bible? Right there in Great Britain.

Do you know how this gospel got to the whole world? Through the lost tribes of Israel. Go study the printing press, go study the first printing of the Bible, you'll find the lost tribes sent the word of God to the whole world. And then Manasseh (America) sent more missionaries across the world spreading the light of the gospel of Yahshua the Messiah. The Jews didn't do it.

Pastor can we read number seven, the next verse? Sure, go ahead. It's amazing to me, it spoke to me. Ok, go right ahead.

(see next page)

7 Thus saith Yahweh, the Redeemer of Israel, and his Holy One, to him whom man despises, to him whom the nation abhor, to a servant of rulers, Kings shall see and arise, princes also shall worship, because of Yahweh who is faithful, and the Holy One of Israel, and he shall choose thee.

Even though you're going to be hated by the Babylonian religious system, even though you're going to be hated by the American government because you're a Bible thumper, even though you're going to be hated of all of them, I am going to make you a light before all of them. I've chosen you only. I need you to hear those words...

I have chosen you only.

We might as well read verse 8 too. Go ahead, let's hear it.

8 Thus saith Yahweh, In an acceptable time have I heard thee, and in a day of salvation have I helped thee, and I will preserve thee, and give thee for a covenant of the people, to establish the earth, to cause to inherit the desolate heritages.

I like that! He said I have chosen you to establish before all the other people my kingdom. I need everybody to hear me. I've chosen only Israel. Saints I need you to hear me.

Number 9's awesome too! My, my, then read 9 then.

9 That thou mayest say to the prisoners, Go forth, to them that are in darkness, Shew yourselves. They shall feed in the ways, and their pastures shall be in all high places.

Do you know why? Because Israel is bringing the light to the whole world. We're setting the prisoners free. Do you know all 200 of you in this room right now, which is 3-400 if there's 2-3 people in a room, were all prisoners that Yahweh used me to bring a light to? Do you all understand that? You're no longer prisoners of your old identity. Do you see that? He said I'll use you to release the prisoners from who they thought they were.

And then during the millennial reign we're going to release the rest, we're going to release everyone from that prison that they have been in. This is the purpose of Israel. Now let's read Psalms 147:19-20 (I'm not reading anymore of Isaiah ya'll ha! ha!).

Psalms 147:19-20

19 He shews his word unto Jacob...

He showed his word only to Israel. If you've ever wondered why people cannot see what you see in the Bible—he gave his word only to Jacob (Israel). Now I realize that the whole world has a Gideon Bible sitting in their drawer. That's not the word. Did you hear me? The word is revealed, it is the Rhema word. You see, that written word is dead. Do you know that the Bible says that your Bible is dead? Did you all know that? Your Bible is dead. The Bible calls it a dead letter.

Until his breath breathes upon it by the Holy Spirit and brings that dead letter to life in your life the Bible is not the word as long as it's not revealed. *And that's how they're so blinded by it.* Absolutely my brother. They pick it up and it's just like this book here...it's just a book. But you see when you're Israel you don't pick up this book, it picks you up. Do you understand what I just said?

He said man shall not live by bread alone, in other words, by the Bible alone. In other words, by the written letters alone, but by every word that keeps proceeding out of the mouth of Yahweh. This letter is your guide, but the Spirit is the revealer of the letter!

Pastor, now we understand why we always felt for the longest time that the Baptists preached such a dead Bible. You could see it. They didn't bring anything to just what it said, brought anything in to it. And elder, if you don't know who Israel is, then none of these verses make any sense. If you think that's talking about the Jewish people then none of this makes any sense. Exactly, and they don't get that. They don't. The Jewish people did not fulfill this prophecy. They excluded the rest of the world. It's just the opposite.

Just the opposite sister. And that's why if they can make you think that that piece of land that has the flag of Israel above it is Israel, then all of a sudden you are not Israel. All of a sudden I'm not Israel unless I live in the land, unless I, you know, have Jewish blood or whatever the case may be. But I'm going to teach you today who the seed of Abraham is and it's all going to make sense.

...his statutes and his judgments unto Israel.

20 He hath not dealt so with any nation...

Oh, oh! There it is! He has only revealed truth to Israel. He has not revealed it to anyone outside of that covenant. They may be good people, good Christians, and they've got a place in God's plan, but not in this place, not in this first harvest, not in this government.

...and as for his judgments, they have not known them. Praise ye Yahweh.

The world doesn't know his judgments, do you understand? They don't understand why order and submission and obedience—they don't get that. When they see you obeying, they label you. Do you know what your label is? Fundamentalist Bible Thumper. What they mean by the term Bible thumper is you really actually believe that's the word of God? In other words, they don't get it. Their minds cannot comprehend why you are so hateful against LGBTQ — in other words, you're a Bible thumper because this Bible is not revealed to them.

And I'll give this to you also. It's not been revealed to the vast majority of Christianity. It's only revealed to the house of Israel. *Pastor I just wanted to tell you something else, in verse 10 of Isaiah 49, backing up to, it had mentioned in regards to remnant Israel will no longer be hurt by fire nor heat, and no longer be hungry. That verse says they will not hunger. He who has mercy on them will lead them even by springs of water, he will guide them.*

That's good. Amen. That is remnant Israel that he is talking about. They will not be hungry anymore. They will not sit in their churches thinking why did I even come today? They will not be sitting in their churches and be like...what are we doing here, that doesn't make sense, is this all there is? No, no, no, they will not be hungry anymore, they will not be thirsty, they will be satisfied. This message will satisfy them. Amen.

I'm so thankful he sent me a pastor and a teacher. Thank you! Hallelujah! I'm thankful that he did that for all of us. Amen? Amen. Let's go on. I've got a long way to go.

We must cut through the lies and find out WHO the NEW JERUSALEM will be

Now I want you to look at these signs of true Israel and I want you to answer the bottom question for me. Has the Jewish nation, the land of so-called Israel ever fulfilled these promises? *No*. Now I know a group of people who have, and it is Remnant Israel. Alright? So we have to know that.

Now let's go Revelation 21:12. This is why we dance at First Harvest Church. Why? Because all of Israel in the Old Testament, when they came to the temple, were dancing, rejoicing. We know who are ancestors are. Isn't it funny, he's only called the God of Israel, isn't that amazing? The God of Israel.

Revelation 21:12

And had a wall great and high, and had twelve gates, and at the gates twelve angels, and names written thereon, which are the names of the twelve tribes of the children of Israel.

Alright, the New Jerusalem which is the epitaph, or the euphemism for remnant Israel. Ok listen folks. What is the capital of Israel? Jerusalem, correct? Alright. You've got New Jerusalem, sadly people think that's a literal city. It blows my mind. There's this literal 1,500 square mile city coming down—everybody's going to look up and see it coming from the sky, and it's going to sit right there in Jerusalem. Do you know that's what people believe?

Do you know that's what I believed for 30 years of my life? Till I wrote the book called The New Jerusalem and I proved it. Nobody's been able to disprove it—that that is not a literal city. If you don't have my book The New Jerusalem, it's free of charge, go download it (<https://firstharvestchurch.org/index.php/en/free-ebooks>). The title is The Revelation of The New Jerusalem and is 32 pages. Find it under eBooks on the website.

Folks this is not a physical city! Don't make me prove it right now, I'll be here all day long. This is the bride of Christ that a city is being used as a euphemism to describe what John is seeing in a vision. When you understand that then you understand about New Jerusalem—who is the New Jerusalem? Mt. Sion, not Zion. Mt. Sion is the New Jerusalem. The Bible said we have now come to Mt. Sion, Jerusalem above. Jerusalem below is old Jerusalem.

Jerusalem above, which means spiritual, not up there. The Bible said that the New Covenant is a spiritual covenant with a spiritual people. The law is spiritual. Therefore, New Jerusalem is described in a such a way—think about it this way—the Bible talks about One New Man. Who is that one new man? New Israel, ok? The capital of Israel is Jerusalem. So New Jerusalem is another word for New Israel or the one new man.

When you comprehend that in your mind, and trust me, I see some of you are confused right now. I wish I had time to go into the New Jerusalem and prove it, but that's an hour's lesson. Verse by verse where I prove it. So the New Jerusalem is the new Israel. Who is new Israel? The one new man.

This is representing the headquarters of the whole earth. Why? Because the whole earth will be governed by this city, by this lady, by this people, by this one... in a minute it's going to click with some of you. This whole earth is going to be governed by this one new creation, this brand new entity that did not exist in the Old Covenant. It did not exist with old Israel or old Judah or old Jerusalem.

Those are Hagar. All of that is Hagar. But Sarah is the mother of promise! She will produce a promise seed, not a fleshly seed (nobody's hearing me). Glory to God. When remnant Israel comes forth that is the New Jerusalem, the new Israel, the daughter of promise, the son of promise.

Now, how do I know that? Ladies and gentlemen, I've come to tell you no one will be in this government or this city unless they are from one of the names written on those twelve doors. The only people allowed into that one new man will be those that have come from the tribes of Israel. Why? God only gave his word to Israel. He only made a covenant to redeem Israel.

Now here's my question to all of you. We just read in the book of Psalms something very important—that Yahweh only gave his law to Israel. He said he didn't give it to the world. So here's my question. If he didn't give his law to the world, can he condemn the world for breaking his law? *No*. He can only condemn Israel and that's why only Israel had to be redeemed. Do you understand now?

He only gave his covenant to his people. And now you'll understand why Yahshua said...I'm only here to save, to redeem, one group of people—those who broke the law, those who had the law, they need to be redeemed. *Hallelujah, he could only redeem those who were under the covenant*. That's it my brother. He said I didn't give that covenant to the world, therefore, I don't require it of the world! I only require it of Israel. And now he said I've given it to Israel and they only have I come to redeem.

Did you ever wonder why Yahshua told that little Gentile woman, that Samaritan woman...you're a dog? I mean come on! He said I cannot give you what doesn't belong to you. I can't give you healing for your sin because you don't even need it, I can't even feed you from those—because you're not part of that covenant.

We need to understand why you are redeemed! Because you were a covenant-breaker. Learn this saints of God. So read that verse again and tell me the only entrance into that city. Read it again.

Revelation 21:12

And had a wall great and high, and had twelve gates, and at the gates twelve angels, and names written thereon, which are the names of the twelve tribes of the children of Israel.

That's it. That's the only ones who are going to be in that government. Israel. They have a purpose to rule during the millennial reign and to govern the earth during that millennial reign. That is their purpose. That's why they are in the lake of fire right now being burned by the fire of Yahweh to prepare them for that role

as the New Jerusalem over the entire earth. Glory to God. Only if we understood. Only if we understand this do we understand our calling in this hour. *Amen, Yahweh give us eyes to see and ears to hear.* Amen brother.

By the way, if you've got a religious mind, you can hardly deal with this message. Because that word *exclusive* is not what you were taught. You were taught...for God so loved the whole world that he gave his only begotten son. I'm going to deal with that scripture. You've got to know which "whole world" he was talking about. That's a great mistranslation there. You've got to know your Bible or else you will not know your identity. Only the twelve tribes will be in that city. Only the twelve tribes.

Let's continue. Praise the Lord. Thank you Father. Go ahead sister. *Ok, I just wanted to say something from a few minutes ago when you were discussing about how hungry we've been in the church all these years till we come to this knowledge. And I had spent 55 years from the time I was 12 years old when I first accepted Christ as my savior, and been in and out of church, nothing has really been able to keep me directed. And now this is all I really think about. So thankful to be here, to be learning this because now I don't have to starve to death anymore.*

Oh that's wonderful sister. Thank you for that testimony. We were all starving weren't we? Amen? Amen. Go ahead sister. *Let me see if I got this right. We, the overcomers, the remnant, the body of Yahshua, we are the New Jerusalem that's coming down. You know I have brought three people down to the church, you baptized one of them. They all won't listen to you now. Isn't that something. It didn't work because they were my friends. They have departed. As you go and explain, and I realize, I understand now they can't be a part of this. No ma'am. In that New Jerusalem.*

When you get that sister, when you understand that a lot of people are attracted to this message for some new knowledge, you know, they feel like they're getting smarter than other people. But when it comes down to messing with their life, messing with their identity—that's why I tell people, I tell black people, I tell white people—if you have white pride or you have black pride, you're not an Israelite. We have Israel pride, you see. We are Israelites, we're no longer part of the white race or the black race or any race. We're Israelites.

When you start messing with people's race, you start messing with their pride—they can't hang on—only Israel. So sister, you pray for them, that's all you can do. And you stand strong! Amen? Amen.

I'll take two more comments then we'll get back to the word. Go ahead sister. *So I don't know if you've ever heard this story about the pilgrims when they came over on the Mayflower. I would hope I have. They brought a printing press, they wanted to print the Bible. Yep. And when the Mayflower had suffered some damage—I don't know what all the parts of the ship are called—but it's this main part of the ship that kept the ship together, broke, they used the printing press part to keep the ship together so that it would make it across the water. Have you ever heard that story?*

I've heard the story about the printing press, but I didn't hear about the ship breaking, but I did hear they brought a printing press. *I don't know if you've heard of Wallbuilders, but they are the ones who told the story about it. And the ship would not have made it across the Atlantic without that printing press.*

Ok, I'll check that part of the story out. I did hear that they brought their printing press with them to print the word of God. That's exactly why they did it. That's beautiful, I'll check that out. Thank you sister for that great story.

Sister, quickly. *Tell me in your vernacular what happened to me in 1973 when I surrendered to the Lord and I saw the depravity of my sin nature and got slain in the Spirit and knew nothing about it. I went down and never have been the same since. I always said I got born again that night. But I'm confused because I don't think you use that terminology for that experience, right?*

You were “begotten again”. The seed was planted in you, the seed of begettal. You all it's very simple. Sister maybe this will help the analogy. Whenever you and your husband came together for the first time—the experience of creating a child was a euphemistic experience, ok? But it did not create a matured, born child. It created a begotten child. When we come together into that experience with the Holy Spirit, a seed of begettal is placed in our spirit-minds. From that day forward, we begin to be born again. We begin the process of maturation, maturing toward full birth which will happen at our resurrection. Whenever we come up we will be born again, the Bible says born of the resurrection.

And we know that is when Yahshua was born. The Bible said he was born of the resurrection. That's why he's called the firstborn of the dead. He's the firstborn son of Yahweh. And we will all be born again in the resurrection. We were begotten again at the conception or the seeding of the Holy Spirit. And if the church would change their vernacular from born again to begotten again, then people wouldn't be walking around in such a lazy Christian mentality. They would try to be sanctified and prepared for that great getting-up-morning which will be our birthing day. Amen.

Ok sister. *Thank you so much pastor for your wisdom and your knowledge, it's such and honor to be under your teaching, I mean it's just phenomenal. You know how you were talking about how Yahweh only gave his law to Israel not the world. Ok, think of two women in the front of the book. The Canaanite woman was the one he called the dog. She was a girl. I thought she was a Samaritan, so go ahead.*

She was the Canaanite woman, the woman from the world. The Samaritan woman at the well was who Yahshua used to proclaim his word, and he said... go and tell everyone. That's why it's telling us in Psalms 68:11 that Yah gave the command to a great company of women to proclaim his good news because we are the bride, we're that great company, right? I thought that was so amazing. The Canaanite woman and the Samaritan.

I want to visit that just a second. If I understand correctly, the Samaritans were in fact lost tribes! *That's right.* Because that is where the northern tribes built their temple was in Samaria. And I believe that's why she said...we worship on this mountain. You all, I think she was literally lost tribes whether they knew it or not I don't know. But I believe Yahshua knew and that's why he said go proclaim it.

That's why the Jewish people called Samaritans dogs—isn't that interesting. Ha ha! That's more a wall of partition is it not? To this day the Jewish people do not acknowledge the lost tribes of Israel. A great story! We are the bride so we do have to go and be that light.

And you know, it also reminds me of this whole idea of remnant Israel...well not just remnant Israel, but also you can take it to the three harvests like an hourglass. You think about how we came into this message at different rates, just like the sands in an hourglass come out. And when time is running short, it starts speeding up right? Yes. So we know we are in this moment when Yah is calling us out of the "church". Hallelujah.

He knows every sand that's in that hourglass, he has faith in them. And we're coming through the hourglass to be representatives of his government. And when that hourglass is empty, then he'll turn it over again, and that's when he'll get everybody in the other harvests.

Hallelujah!!! You've got me thinking of Days of Our Lives, as sands through the hourglass, so are the days of our lives, ha ha! Oh sister that is so beautiful because that is exactly what he is doing. And, you know, as a Pentecostal—this message is harder for Christians than it is for a sinner who's unchurched if you will. Because we have such mental blocks from all we've been taught. It took me so long to identify as an Israelite even after I knew who I was. I'll never forget the first time

I put a tallit on. It felt so strange but it felt so right. And I just struggled. I've got people watching me now in this class. How can I make it make sense. Ok let's do it this way.

Let's say you're a black child or a white child. And you get adopted by a black family or a white family, vice versa. And you grow thinking that's your culture. And then you realize that's not your momma and daddy. Then you meet your black momma and daddy, or you meet your white momma and daddy. I'm not trying to make it racist, I'm trying to make it cultural, ok?

So all of sudden you get thrown into a culture that you didn't grow up in. Every one of you are going to go through that struggle of changing cultures. But you have to do it. And once you get through it, you'll be like 10 shofars, you know, you'll start and wow, you'll just get into the culture of what an Israelite is.

Let's continue in the word, we're running out of time today. I want to touch on a few more things. One thing about the word of God is you can't argue with this word. So I'm going to go to the book and let's see what the book says about these things.

Israel is EXCLUSIVE and is dealt with by Yahweh DIFFERENT than other nations

Your entire Bible is exclusively about Israel, did you all know that? Did you know that Yahweh made a choice to enter a covenant only with Israel? Your entire Bible is exclusively about Israel. I tell everyone that the Bible doesn't really start until Genesis chapter 12. Do you ever wonder why there's not a lot of information about the creation of the world in Genesis 1 and 2? It's almost like there's these broad strokes—in the beginning God created the—and you're like...yeah but how did you do it, did you put it on a foundation, is it, etc. etc. I'm not going there today, but why is there no details—give us the story. First of all, if Moses would've done that, you would've needed ten Bibles, do you understand?

So he paints these broad strokes. Do you know why? Because none of that is really important. Have you ever gone to watch a play at the local theater, and you've got the backdrops, you know, you see where they painted a house, they painted Dorothy's little whatever...but it's in the background. They want you to focus on the actors and the storylines, not the background.

Moses painted a background. It's in chapter 12 that the story of the Bible begins. Your whole Bible is about Abraham all the way to the end. It's all about the seed

of who? Abraham. The whole Bible is about Israel. (*That number of that chapter is the number 12.*) There you go, it's starts in the 12th chapter.

Now, I want to show you a few scriptures, we won't read all of these. I want to show you the only way you can have good doctrine. Let's begin at Luke 24:44.

Luke 24:44

And he said unto them, These are the words which I spake unto you, while I was yet with you, that all things must be fulfilled, which were written in the law of Moses, and in the prophets, and in the psalms, concerning me.

If you cannot find it in the Torah, don't preach it. He said everything I told you lines up with Torah.

Luke 16:31

And he said unto him, If they hear not Moses and the prophets, neither will they be persuaded, though one rose from the dead.

If they will not listen to Torah, there's no need in them trying to read the red letters of their Bible. Did you ever go to a church and they say...you need to read the red letters of Jesus that's all? In other words, you read them red letters. No, he said if they won't listen to Torah, they're not going to even understand the red letters.

Acts 15:15

And to this agree the words of the prophets, as it is written.

Peter said what I'm telling you, you can find it where? In the Torah. That's why I tell people if you cannot go to the Torah and find me an eternal torment, if you can't go to the Torah and find me eternal hell—listen, if it isn't in Torah then you're misreading something in the New Testament because Yahshua said it lines up with Torah.

Acts 17:2-3

And Paul, as his manner was, went in unto them, and three sabbath days reasoned with them out of the scriptures.

What was he reasoning out of? The scriptures. What was the only scriptures he had? Torah.

3 Opening and alleging, that Messiah must needs have suffered, and risen again from the dead, and that this Yahshua, whom I preach unto you, is Messiah.

He said the way I can prove it to you is from the Torah.

Acts 24:14

But this I confess unto thee, that after the way which they call heresy, so worship I the God of my fathers, believing all things which are written in the law and in the prophets.

What did Paul just say? I am a Torah preacher. I believe in Yahshua and the Torah. I believe those two things. You must get good doctrine from the Old Testament.

Acts 26:22

Having therefore obtained help of Yahweh, I continue unto this day, witnessing both to small and great, saying none other things than those which the prophets and Moses did say should come.

I won't preach anything I cannot not find in Moses' writings. That's what he said. He said I'm not going to preach you anything I cannot find in the prophets or the Torah and the Psalms. There's a few things you can't find in there. Do you know what you can't find in any of them? Three Gods. You can't find God being a man, you can't find eternal torment, you can't find a rapture in there. None of these New Testament Christian teachings can you find in the Torah! Do you all see all these verses these New Testament leaders preached Torah? No.

Isaiah 8:20

To the law and to the testimony, if they speak not according to this word, it is because there is no light in them.

If you're listening to a preacher who's not preaching out of Torah, there's no light in that preacher! Did you all just read what I read? If they're not preaching out of Torah, they are the Antichrist. If they don't take you to Torah and they take you to the red letters of the Bible, there's no light in them! Because you cannot understand those red letters unless you know Torah. You'll think Yahshua did away with the law if you don't read Torah that said will never be done away with.

Romans 16:25-26

25 Now to him that is of power to stablish you according to my gospel, and the preaching of Yahshua Messiah, according to the revelation of the mystery, which was kept secret since the world began.

26 But now is made manifest, and by the scriptures of the prophets, according to the commandment of the everlasting God Yahweh, made known to all nations for the obedience of faith.

You need to understand that ‘all nations’ is where the lost tribes have been scattered into all the nations. These lost tribes were going to hear the gospel as it was written in the Torah and the prophets. Was it not Isaiah who told us and prophesied to us what we just read a while ago—was it not him who told us that we would be scattered, but we would be a light among the nations?

This is what he’s saying in Romans, that to all the nations this history told by Isaiah is coming to pass. It’s got to all go back to the prophets. Don’t teach me a doctrine you cannot back up in the Torah.

That’s why these churches that teach against divorce and remarriage, they don’t know their heads from a hole in the ground. You’ve got to go back to Torah to understand divorce and remarriage. They’re keeping people in bondage, in fear. Go read it in Torah where the Bible told them to give their wives a writing of divorcement and so they can get remarried legally.

You all don’t have any business listening to these half-witted preachers preaching out of the New Testament without lining it up with the Torah! The apostle Paul, he went by Torah when he spoke about it. Go read my book *Marriage and Divorce**. Go watch the sermon*. You’ll hear what you’ve never heard in any of these churches—the truth about divorce and remarriage. God hates it, but he allows for it. *You must have the full foundation*. You’ve got to have it all brother. If not, you’ll get over here in the New Testament and botch it up.

My grandmother lived in misery, her husband left her with 10 children, she was a minister, and for 17 years in the best years of her life in her 30’s and 40’s, had to live lonely, had to live with no help, had to live desperate with no child support back then in the 1950’s and 1960’s. Do you know why she lived that way? She was scared to death because she had been taught she could never remarry by the Christian church. So she loved her ministry so much that she wouldn’t even go on a date whereas she could’ve had a good husband taking care of her, helping her with them babies. But the church put her in bondage. Why? They didn’t know Torah.

I'll give you something else Torah says. And now I'm fixing to really bust some bubbles. The Bible said when a young daughter sleeps with a man, that's to become his wife just by the act of them sleeping together. No ceremony needed. That's his wife! That's why the apostle Paul said when you go around sleeping with everybody that means you've got husbands and wives all over the world! You didn't need any ceremony. Adam and Eve didn't have any ceremony to be married. They slept together, that made them married. They "knew" each other. Now why am I saying that? Because we've got people in here that say you believe in the Torah but you don't. You're still trying to be Greek in your minds.

Go ahead sister. *Do you know what? That is such a horrible thing for the whole world. And here's what...I honestly believe this, it's not that they just don't know Torah, they don't even know who God is because that's not his character. He doesn't say that every time you make a mistake you're condemned. That's not who he is.* No ma'am. And people have misunderstood the words of Yahshua and Paul. They twisted them because they don't know Torah sister, and therefore, a single woman—can I tell you all something?

I know that we have some strong women in here and I know that you're able to make a living on your own and provide for yourselves, I get that. But you were never designed to do that, do you understand? Women were not designed to have to do that. They were designed to love their children, raise their children, spend all the time protecting those kids from the world. But you see here's what happens.

We've got men who won't be men. Now please guys listen to me. I know all of you women work, I realize that. But that's where almost every affair happens with a woman on the job. Do you know why? You were thrown out there to the wolves. I know you all don't want to hear this, but I'm going to preach it anyway because I'm telling you the truth.

Now if your wife works with you, in the building with you, and you can keep eyes on old Jody over there who keeps telling her how good she looks today after you and her just had a fight at the house. And the Bible said she is a weaker vessel. I don't care if you like that or not. The Bible said she is a weaker vessel and the accolades of another man—she's not trying to have an affair—you should've kept her at home and did your job sir! Amen. Oh Lord have mercy! Hallelujah. Ok?

The minute I met my wife, before I even married her, I said, I don't know if I ever told her—I think I did say quit your job. She's a registered nurse making more money than I was making. You're coming home with me, quit your job. We'll eat red beans and rice together five nights a week but we're going to be together. Amen.

Now if you women aren't satisfied with the income of that one man, then you've got the problem. You are honoring your husband. If that man doesn't make anything but minimum wage, you better live a minimum life and be happy with that man! Do you understand me? You don't need any Prada shoes, go to Goodwill and get you some shoes the right Prada owned. You put pressure on your husband that's unfair. You want some red bottom shoes, I got some red paint, I'll paint 'em for ya.

Pastor, I'll tell you what. When my husband said quit, you know, when we were trying to save money and everything, finally Yahweh put me down, and I finally said ok I quit. But you know, we started making more money that way when I quit. Do you know why? You all were working together to make ends meet.

Hey, can I tell you all something. By the way, you sisters that have to work, please know that I'm not condemning. Let me tell you why. Here's the problem. You're part of this world's problem which is over-living, and we all got into it, ok? But I'm encouraging you brothers, start praying for a way for your wives to be able to come home—if you can't do it today, don't be condemned, I'm not condemning you, I'm challenging you.

Amen my wife's putting in her notice in February. In February she's done. There you go brother, bring her home. Hallelujah. Amen? Now I don't want you to feel bad. If you're a lady and your kids are raised right, you want to work for a little extra money, that's on you (how in the name of God did I get on this? Where were we even at? My Lord have mercy). We were talking about restoring divine order, wives submit to the husbands and husbands honor your wives.

Husbands, you listen to me, there's no wife going to submit to a man that plays pac-man all day long on a couch with Dorito's. *Amen. It's about restoring the family.* That's right sister. Sir, get you a job, go to work. If you've got a husband who won't work, I'm going to tell you how to get him to work. *This relates to this message because Israel has to be in order. We have to be in order.*

If you've got a husband who won't work, I've got a Bible answer. The Bible said if a man doesn't work don't let him eat. So here's what I want you to do sisters. When you cook dinner tonight, I want you to fix a plate for all the babies and you. Let him sit down at the table and don't give a plate. You tell him that he'll get a plate when he gets a job. He'll have one at 6 a.m. in the morning.

I was just telling my husband last night that I'm so thankful that Yahweh made the man to be the head. A woman has no business or place being in control of anything because she is the weaker vessel because women tend to run off at the mouth when they shouldn't. And there's order when the man is over the wife

because he can control that. And I'm so thankful for that because there's been many times where my flesh wanted to rise up, and my husband lovingly corrected me, and I'm thankful for that. There's a reason why Yahweh created a man to be the head over the woman.

Amen sister. I want to say this to all of you today. Sometimes I can say truth and it pierces you. Some of you are still gasping for breath after what I just went through because you feel the piercing of it, alright? I want to explain something to all of you. Husbands, your wives need to be protected, you are their protector. Just like you protect your children, protect you wives. If they want to work with you, that's one thing. But listen, when they go out to the world, every devil in hell is after your wife and your children. I promise you most affairs happen at work because they're with their coworkers more than they are their husbands.

Sometimes I just ask why he put all that in my mouth today because it has nothing to do with what I was teaching. But maybe somebody needed to hear it. Alright let's get back to where we were. *Thank you pastor for that word, I appreciate it.* Your welcome sister, thank you. When my wife walks into town I have to hold her close because everybody's looking at her. I'm serious now. I'll be honest with you, it's not everyday in our home that we're all lovey-dovey—there's days we aggravate each other. And you send them out there in the world and that enemy knows right when to say the right things. Amen? Keep your wives. We have to try to do what's right. Let's get back to the lesson or I'll be here all day.

John 5:46-47

46 For had ye believed Moses, ye would have believed me, for he wrote of me.

47 But if ye believe not his writings, how shall ye believe my words?

Amen. If you don't believe the Torah how will you believe or even understand my words?

Today I want to teach you the biblical meaning of the following terms: **Jews, Gentiles, the church, Abraham's seed, and Israel.** With those words you need to get the right paradigm. When I debate people about the scriptures, in a good way, not bad, just debating, I let them know that I cannot debate with you until I understand what certain words mean to you, ok?

That's like someone says: *Pastor Vaughn, do you believe in hell?* Absolutely. Because to me hell means the grave, alright? So if you're thinking that hell in your mind is eternal torment where people live billions of years and they never burn up, then you need to clarify that. Somebody says: *Pastor Vaughn, do you believe*

Jesus is God? Absolutely because God is divine. I absolutely believe that Yahshua is divine, 1,000%, of course I do. Now if you believe that God means Creator of the universe? No. *Amen, that changes everything.* So you have to clarify your terms.

So when it comes to the Jews, the Gentiles, the church, Abraham's seed, and Israel, you've got to know what those mean or you cannot understand the subject.

Psalms 111:9
He sent redemption unto his people...

Redemption goes to who? *Israel, his people.* That's all. That's all that's promised redemption. You all it's right there in your Bible.

...he hath commanded his covenant for ever, holy and reverend is his name.

Only to his people. Now let's go to Luke 1:68 and see if those two scriptures don't line up perfectly.

Luke 1:68
Blessed be the Lord God Yahweh of Israel, for he hath visited and redeemed his people.

He visited who? *Israel.* He redeemed who? *Israel.* Somebody say "exclusive". *Exclusive.* He only redeemed his people you all. Those who he knew from the beginning of the world, the elect, the predestined seed. He knew them. And that was the only ones he redeemed. I've come to tell all of you today if you've been redeemed, you are an Israelite. You are an Israelite if you have been redeemed. Israel was the only candidates for redemption in the first harvest.

Now none of this applies to the millennium reign, none of this. In the millennial reign, that's the year of Jubilee. But redemption, kinsman redeemer, that's before the millennial reign. The covenant and the law is given to no other people.

Israel is ABOVE all other people

Now for those who don't believe in exclusivity, then you don't believe the Bible

Exodus 6:7
And I will take you to me for a people, and I will be to you a God, and ye shall know that I am Yahweh your God, which brings you out from under the burdens of the Egyptians.

So I'm taking one group of people as my people. Israel is separated, do you all see that, from all other people? Now why did Yahweh do this? Let's go to and start with Deuteronomy 4:5. This is what you've got to comprehend. Yahweh redeemed you as an exclusive people unto himself. But not because he's not going to get the others. He's going to use you to get the others. I'll show that to you in the Torah.

Deuteronomy 4:5-7

5 Behold, I have taught you statutes and judgments, even as Yahweh my God commanded me, that ye should do so in the land whither ye go to possess it.

6 Keep therefore and do them, for this is your wisdom...

I love that. The commandments of God is wisdom.

...and your understanding in the sight of the nations...

In the sight of the nations. See, there's the purpose. The purpose of the commandments that you're keeping saints is not because you're exclusive in the fact that you're the only ones that he's going to reach.

...which shall hear all these statutes, and say, Surely this great nation is a wise and understanding people.

He said all the other nations that I have not called, not redeemed, are going to watch your peace, your tranquility, your quiet life—they're going to see your happiness and your joy, and they're going to say...*this is a wise and understanding people. They understand more than we understand about life itself because they have the commandments of their God.* Now read verse 7.

7 For what nation is there so great, who hath Yahweh so nigh unto them, as Yahweh our God is in all things that we call upon him for?

Now this is what these verses just said: "If you will allow me to make you my exclusive people, I will use your exclusivity to draw, or drag, all men unto me in the millennial reign—the other nations." He said: "I started with you, I chose you for exclusivity, but not because you're IT. No, you are above all other people that those people might look to me through you, that they might see me in you."

Now let's continue, Exodus 19:5-6.

Exodus 19:5-6

5 Now therefore, if ye will obey my voice indeed, and keep my covenant, then ye shall be a peculiar treasure unto me above all people, for all the earth is mine.

Above. Did you all hear it? Above all people. How is that fair? How is that fair to a God who's not a respecter of persons? And he just said Israel is above all other people. Where does New Jerusalem come down from? Above? (oh ain't nobody hearing me today). *Hallelujah*. Yeah he said I put you above all other nations exclusively. It's not because I'm only going after Israel, I'm starting with Israel.

6 And ye shall be unto me a kingdom of priests, and an holy nation.

You shall be a holy what? *Nation*. Not just the state of Israel in the land of Judea. You're going to be a nation, many nations.

These are the words which thou shalt speak unto the children of Israel.

Now let's go to 1 Peter 2:9 and you're going to find out that holy nation was still in existence 60 years after Christ died.

1 Peter 2:9

But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people, that ye should shew forth the praises of him who hath called you out of darkness into his marvelous light.

You see, in the days of Peter, the nation that Moses just wrote about is still in existence and Peter is writing them a letter. As a matter of fact, he said he wrote the letter to the scattered tribes.

Leviticus 20:26

And ye shall be holy unto me, for I Yahweh am holy, and have severed you from other people, that ye should be mine.

I have severed you. I have literally cut you off and I have made you mine. Does anybody feel like they've been cut off? *We could never fit in*. How can a severed arm fit on a body? You are severed. You are literally my people, you will not fit in this world, you won't fit in the church, you won't fit in Babylon. You'll fit nowhere except in my presence. You'll fit there beautifully in my presence.

Hallelujah. When you understand all of these truths, they will open up for you and the whole Bible will make sense for you. Read Daniel 8:24 and see what you and I are referred to as by the prophet Daniel.

The Holy Spirit is the SPIRIT OF SEPARATION

Daniel 8:24

And his power shall be mighty, but not by his own power, and he shall destroy wonderfully, and shall prosper, and practice, and shall destroy the mighty and the holy people.

The holy people. Yah is going to destroy the holy people. Do you know what that means? He's going to severe you and purify you and give you so much judgment. Judgment begins with the house of Yahweh. He's going to judge you so harshly you're going to feel like you've been destroyed. *Beautifully broken*.

Beautifully broken. You're going to be beautifully broken—the holy people. Yahweh calls Israel the holy people. That doesn't mean perfect people. That means severed people. Severed.

Deuteronomy 4:7-8

7 For what nation is there so great, who hath Yahweh so nigh unto them, as the Yahweh our God is in all things that we call upon him for?

These are the people of the presence, did you see that? Who are these people that when they close the doors to the sanctuary, they go up to a place called Mt. Sion, it's almost a secret meeting, it's almost a conclave, things happen in the Spirit. Who are these people that are walking in so much obedience to the commandments of their God?

Who are these people? There's no one like them—Israel. They are severed. They don't show up at your Christmas parties, they don't show up at your Mardi Gras... they're just strange honey!

8 And what nation is there so great, that hath statutes and judgments so righteous as all this law, which I set before you this day?

Deuteronomy 4:37

And because he loved thy fathers, therefore he chose their seed after them, and brought thee out in his sight with his mighty power out of Egypt.

His seed after them. Listen, read that again. I want everybody to hear how much he loves the seed. Who were the fathers that he loved? Abraham, Isaac and Jacob. That's the fathers. The Bible says just before the return of Yahshua the voice of Elijah will rise to turn all of you—your hearts back to the fathers.

In other words, somebody would finally show you who your daddy was. Somebody would finally reveal to you that you're an Israelite. Somebody would finally say no, your father's not the pope of Rome. Your fathers are Abraham, Isaac and Jacob. Elijah will introduce you to your identity as an Israelite. Amen! Hallelujah, that voice will send you back home.

Deuteronomy 7:6

For thou art an holy people unto Yahweh thy God, Yahweh thy God hath chosen thee to be a special people unto himself, above all people that are upon the face of the earth.

Romans 11:1, 7

1 I say then, Hath Yahweh cast away his people? God forbid. For I also am an Israelite,

Hold on now. We used to read that verse and here's what we thought it said: "For Yahweh has not cast away his Jewish people." That's how our minds read that verse. "Has Yahweh cast away the Jews?" This has nothing to do with just the Jewish people. There is a seed scattered, millions and billions of us, that Yahweh has not cast away, He's going to redeem us.

For I also am an Israelite, of the seed of Abraham, of the tribe of Benjamin.

7 What then? Israel hath not obtained that which he seeks for...

Uh oh. Israel has not obtained what it's seeking for.

...but the election hath obtained it...

Oh! There's a revelation there that I never saw until 3 o'clock this morning. The scattered tribes have not obtained it yet. Only remnant Israel, only the elect of the scattered tribes have received it. *Amen. Hallelujah!* My God from Mt. Zion. Now I'm going to prove that to you in the Bible. Go to Acts 2:38-39. I'm going to show you, we're going to line those two scriptures up, ok? Watch how beautifully this works out.

Acts 2:38-39

38 Then Peter said unto them, Repent, and be baptized every one of you in the name of Yahshua Messiah for the remission of sins, and ye shall receive the gift of the Holy Ghost.

Now that's the New Covenant right there. That's the blood of Yahshua and the Holy Spirit, the seals and the signs of the New Covenant, right? But notice—what did Paul just tell us? All of Israel has not obtained that New Covenant yet. But read verse 39. Who is going to receive it?

39 For the promise is unto you...

Now the promise is not for the world. The promise is to the Jewish people (the Jew first). Next...

...and to your children, and to all that are afar off...

Who are those people, somebody tell me. *The lost tribes*. Yes the lost tribes. Now there's a third thing here. Read it...

...even as many as Yahweh our God shall call.

Alright, so the promise is not to ALL your children, and not to all those who are afar off. Not. Israel has not obtained it. Not to all of them! But as many of them as Yahweh shall call into the remnant of Israel !!! *Oh how blessed are we that he called us!* Hallelujah! That's why some of you come from the same blood line as your mom and dad—they're lost tribes just like you are! Why can't they see it? He hasn't called them yet. You got your call quicker than they got theirs. Oh, my, my, my! And doesn't that line up beautifully with what we just read? All of Israel has not obtained it? Read that verse again, go back and see if those two verses don't line up perfectly for you.

Romans 11:7

What then? Israel hath not obtained that which he seeks for, but the election hath obtained it...

What is the election? The elect are the ones he has called, the election. Read about the election.

...and the rest were blinded.

Everybody else, even in Israel, even your momma, all seed of Abraham, all lost tribes—if you've ever wondered...*am I a lost tribe member?...then my momma*

has to be, and why aren't they seeing it? ...there's your answer, I just gave it to you out of two verses—the election only! And the rest of Israel are still blinded, they still think they're Baptist.

Only the elect. I just wish I could teach this better, I wish I could explain it better so you folks understand how privileged you are. *Why doesn't my husband see this?* Pray for your husband and live for Yahweh. Secretly live for him if you have to! Get in this. Obey his word how he told you to do it. You don't have to tell your husband you're not eating catfish, just act like you're not hungry when he cooks it—just live it! Amen.

You don't have to tell your husband...*well I want you to do this*. No. Win him over by your quiet conversation (conduct, behavior). Your husband is probably a member of the lost tribes of Israel. Or your wife. So what is it? Your answer is right there. All of Israel. He blinds. Even Israelites are blind! They think they're Americans. They think they're British. They think they're Australian. Darling, I'm of the nation of Israel. That's my tribe. That is my people. And that is my higher calling. *We have to get out of this identity crisis*. Absolutely brother.

I pray you're receiving the words of life today. *Amen pastor I receive it*. That your eyes are being opened. There really isn't anything more important than this, honestly, nothing. If I can teach you who you are you'll never miss another holy day celebration. You see, I can't preach unto you legalism. I can't say...*You've got to be at Passover!* Because if I have to tell you that, you're not an Israelite. Ok, it would be like me telling you if you're a black lady...*Don't forget to put your head wrap on at night*. She's a black lady, she knows, that's her culture, she knows what to do. In other words, there's some things you do naturally.

Israelites keep the Sabbath naturally. They keep the holy days naturally. It's nothing you have to remind them of. Because if I have to remind you of it, that's legalism, I'm just forcing you to do something rather than you just being something. You don't have to tell a woman to do her facial before she goes to bed, us men go straight to bed, we don't do facials before we go to bed. You don't have to tell her, that's part of who she is.

Like they say they're patriots but they don't go vote. You see! You don't have to tell a patriot...make sure you vote. Why? It's natural. Saints listen to me. Do you know why I never preach on tithing? Do you know why I hardly ask you for offerings? I don't. You don't have to tell Israelites to tithe. You don't have to tell Israelites to send their seed where they're being fed. You don't have to tell them that. It is so natural to them. You don't have to tell them when you come to the feasts bring a special offering. Why? They're Israelites. You don't have to tell Israelite men to treat their wives good. Why? They've read Torah, how to treat

their wives. You don't have to tell Israelite women obey your husband. Why? They're Israelites. Amen.

Alright, let's finish up with Deuteronomy 32:9.

Deuteronomy 32:9
For Yahweh's portion is his people...

Yahweh's portion is his people. That's all he's got. Did you all know that's all Yahweh has on this earth? Satan has the whole earth. Yahweh's portion is his people. Does that not touch your heart today? Yahweh's portion is somebody that shows up on his Sabbath, someone that honors his word.

...Jacob is the lot of his inheritance.

You are Yahweh's inheritance in the earth. Do you understand that? Until the year of Jubilee comes, you're all he's got.

Now folks I'm going to miss out on all these wonderful scriptures.* Anyway I'm done for the day. There is so much more that I want to teach on this subject, I haven't even started. I wanted to get on the seed of Abraham today but we're out of time. Thank you Father for your word.

Father Yahweh, I thank you right now for this distinct privilege to teach your people. Father I know that they are my responsibility you have given to me, and I don't take that lightly Father. Father, I bless these children in the Lord that you have given me. I bless them today. I lay my hands upon every one of them right now, and I bless them from the top of their head to the sole of their feet.

I pray that you bless them with wisdom, knowledge and understanding, you bless them with a Spirit of submission and obedience and love for the brethren. I pray that you inundate this church, all over First Harvest, with your Holy Spirit today. Father they have kept your Sabbath, they have kept it holy, they have given you their tithe, they have supported your work. Father I ask you today to keep thy covenant with them, and I know you will. Father I'm asking you to give them blessings today, restore their families, make them whole. In the mighty name of Yahshua, Amen.
