

The Bride

**(Based on Pastor Vaughn's message,
"Song of Solomon" 8/27/23)**

Yahshua is searching for a Bride,
she must be more than beautiful.
To rule and reign by His Side,
she must be more than dutiful.

Though He calls her out and sets her apart,
doesn't mean He loves others less.
If she really has His Heart,
she will help Him win the rest!

She will keep the love fires burning
in their secret place.
While, like Yahshua, she is learning
to love the whole human race!

He must have a Bride who loves Him enough
to do whatever is needed
to give new birth to all who will come
so His Family can be completed!
