

Prayer

Unlocking the Unseen Realm (Pastor Vaughn, Part 10 of 11 fhtv.tv #2991)

The Lord's Prayer was not meant to be
a prayer for everyone.
It is a prayer of relationship
between Father and Son.

Beyond salvation
there is a narrow road
and those who choose it
with special grace are bestowed.

But sometimes we fail
to always do what's right.
We react to what is happening
and of the Kingdom we lose sight!

When someone hurts our feelings
or we feel we've been left out,
our flesh wants to complain,
to withdraw and to pout.

But we must learn to rule
over all that mess.
By the Spirit within us we can
push through and pass the test!

As we forgive others,
no matter what they've done,
we show our Father Yahweh
we are truly His Son.

And when we miss the mark
and need to be forgiven,
Father will be merciful,
seeing how hard we've striven!

To be like our Father,
that is our ultimate goal.
To walk like Him and talk like Him
with all our heart and soul!

If we fail to see the unexpected
and our weakness goes on display,
we must confess our faults to others
and not let flesh take us astray!

Don't give up because you fall!
Satan is a liar!
You can overcome it all,
bid the Spirit take you higher!

Father has much invested in us,
we cannot let Him down.
Remember who you are
or Satan will steal your crown!

Pray for each other
and keep the Body healed.
Let kindness be your language
and faith be your shield.

When we sin we create debt,
but if we truly repent,
Father will forgive and forget.
His grace is heaven-sent!
