

# The Mazzaroth

(Pastor Vaughn, Part 9 – fhtv.tv #2063)

Taurus is a rushing Bull  
(the elect and Yahshua!)  
We're coming to crush our enemies!  
Oh, halleluYAH!

The Bull is pawing the ground,  
waiting to descend.  
And He will not slow down  
til unrighteousness comes to an end!

The Bull will trod down  
all the disobedient,  
and will use all means  
He deems to be expedient.

But the Bull will not come  
until the Church matures,  
passing every test  
of what it endures.

The Gospel of the Kingdom  
to the whole world must be preached  
and the Holy Spirit will call  
all destined to be reached!

Be ready to give an answer  
to those who want to know.  
Honor those who teach you,  
and wiser you will grow!

Do not be deceived -  
for Yahweh has appointed  
end-time false prophets  
with a ministry anointed.

This is what will separate  
the wheat from the tare,  
and prepare the wheat for harvest  
with satan unaware!

With the sound of a great trumpet,  
Yahshua will descend  
and gather his elect  
in the world from every end!

There's a cluster of seven stars  
in the Bull's neck,  
representing the Menorah  
guiding the elect.

These Heavenly Scrolls  
serve as our protection  
from arguments and confusion  
and satanic deception!
