

JOY COMES IN THE MORNING

Part 1

By Pastor Shane Vaughn, First Harvest Ministries

Ladies and gentlemen, we start a new series today. The name of the series is Joy Comes in the Morning. This is part one of that lesson. Over the next several weeks, I expect this series to go 10-12 weeks. There's a reason it's going to take so long to plow through it. Because this series is going to require a radical transformation of your thinking. Imagine that, right?

You're literally going to have to go in your brain with spiritual screwdrivers and unscrew some things. And you know when something doesn't quite fit, you've got to unscrew it a little bit to shimmy it and then you screw it back. Well, you're going to spend the next several weeks unscrew-driving some things in your mind, religious things that you've always been taught, that I've always been taught.

For me to get you to the nuts and the bolts, I have to start off today in part one with a foundation that will get you to thinking, and then when I can get you to questioning what you believe, then I can teach you the doctrine that I need to teach you.

Father, I ask you today, Almighty Yahweh, of the power of your Holy Spirit, that you would not only anoint my lips and my mind, but that you would anoint the ears of everyone listening, would take their own preconceived ideas, and just say, you know, today Father, I'll set them aside, just so I can hear what the Spirit is saying to the church. Father, I'll take my Baptist mind, my Pentecostal mind, my Catholic mind, my Church of England mind—I'll take all of that, and I'll just set it to the side, only for two hours Lord, and allow your servant to teach me your word. And if it lines up with your word Father, I'll accept it as true. If not, I'll reject it and move on with my life. In the name of Yahshua I pray, Amen. Amen.

Once again, never believe anything I teach you ever. If you ever believe anything I teach you without studying for yourself, without researching it, then you're back in the same situation you were in in the churches you came out of. You're just the blind leading the blind at that point. Always study! And listen, we don't have to agree on everything. I want you to know that, alright? But we need to agree to disagree. We need to agree to travel this road together until we come to ALL truth.

Alright, let's get this party started! Hallelujah. We're going to start and take you on a journey the best we can today. Today we're going to start a journey into the mind of the Creator concerning his "plan for the ages".

Now, brothers and sisters, let me say as we prepare to start this great lesson, until you know how your partner thinks, you can never have a real relationship. My wife and I have been married going on ten years now. She knows what I'm going to do before I do it. She already knows what time of the day my pajamas are coming on. She already knows...don't get anywhere near that recliner. Why? She knows me. She knows the way I think. She knows after the house is calmed down, I'm going to get graham crackers, peanut butter and milk. And she knows there's nothing she can do to change that. She *knows* me, ok? Before I say something, she already knows how I'm going to say it. Because she has learned my what? My mind.

There are many of you who are learning your Bibles, but you're not learning the mind of Yahweh. Many of you are learning doctrines, but you're not learning the thoughts of God. Today in this lesson, I want to take you into the way God thinks. I want you to begin to think like he thinks. And to where so much so that before you know it, you'll be saying what he says.

That's why Yahshua said...I say nothing unless my Father says it. Why? He knew his Father's mind. They were so unified that he said...when you've seen me, you have seen the Father. What he means is...if you want to know him, you've got to know me. That's the way we've got to become. It ought to be that if others want to know Yahweh, they have to know us because we think like him. We act like him, we walk like him, and we talk like him.

And so today, we begin that journey into the mind of Yahweh for the plan of the ages. Let me ask you a question. Do you know the plan of the ages? Do you know what the plan is? I want to ask you today...can you tell somebody if they ask you right now, *what is the plan?* Until you can tell people "the plan of the ages", then you have not yet learned the mind of Yahweh. You've not yet learned the mind of God.

I promise you that mind is not a mind of rebellion. That mind is not a mind of being offended. That mind is a holy mind. And it is your job to adapt to that way of thinking today. We all have to do that.

Let's talk about this plan of the ages. The very word "plan" suggests a progression or an arrangement with a final goal. When elder starts building our new fence out at the land, here's what I'll ask him Monday morning...*what's the plan? How does this go from a thought in my mind to completion?* And then elder's going to say...*first of all, I need a credit card, got to go to Lowes, and I've got to get this and I've got to get that. Then I've got to get this and I've got to get stone, and I've got to go down to the stone maker, then we've got to get the lumber, etc.*

He is going to tell me a progressive plan to bring this gate to where when I come home and I drive down that driveway, I see in the flesh what I already saw right here (in my mind), ok? The plan is the way that the idea becomes a reality. So Yahweh has a plan, and you and I must learn that plan.

The divine revelation can only be seen as beautiful and harmonious from this critical paradigm of PROGRESSIVE REVELATION.

Allow me to explain. I hope everybody listens. When you read your Bible without knowing the PLAN, you turn your Bible into a weapon, and it's not a good weapon. When you know the plan, when you know the mind of God, and you read one verse of scripture that is contrary to the mind of God, then you can clear all the confusion up by going back to the plan instead of the verse. And so it's very important when you are reading the verses of your Bible, that they must line up with the overall plan.

Let me give you an example. What if elder tells me, what if he says...*now this is the plan for the fence*, and then all of a sudden he says...*now I've got to go to Colorado and buy some cattle*, and he starts telling me something that has nothing to do with the plan for the gate, right? Now we've got a problem because you're giving me something that's not part of the plan.

So when you come to a Bible verse that doesn't line up with the overall plan, you've got to figure out what you're reading wrong. And this is all going to make sense to you all in a few minutes. But I must teach you the danger of one verse of scripture. You cannot read your Bible looking for a verse! You must read your Bible looking for a plan. And the verses must support the overall plan of Yahweh. That's why we have so many different denominations in the world, because people know their doctrines but they don't know the plan of God.

Can I give you a perfect example of that? You ask any Christian you know what God's plan for the ages are. Here's what they will tell you: to bring us to heaven, and that is the total opposite of Yahweh's plans. So now when you read your Bible, you don't even know the plan. So therefore, you read your Bible, and there's a verse that's out of context, and it messes churches up everywhere.

That's important that you allow me to lay this foundation, that you follow me. Some of you are not following me right now. Grab ahold of yourself. Get your spirit mind under control and grab hold of what I'm teaching you. One day I'll be dead and gone. Grab hold of what I'm teaching you now because it has eternal value. And you must understand. Remember what I'm teaching you. You've got to know the plan.

What if I called one of you out right now and said, tell me the plan. I may do it. I just might call one of you out and say, tell me the plan. I'm looking around now to see who I'm going to choose. Tell me the plan for the ages. That plan has been hidden from the whole world.

You are living in a period of time where sin has reigned supreme. It has been a dark night for our planet, so dark that mankind is immediately filled with hopelessness when they consider the very sum or the meaning of their life. The world is dark. Everybody is depressed. I just saw something on my phone, and I screamed out and told my wife this is horrible. There's now an app on your phone where you can put your finger on the phone and test your depression level. I said get the guns ready honey because they're liable to start shooting themselves.

The whole world's depressed. Not me. I'm never depressed. But the whole world's depressed. I wouldn't be depressed. You couldn't pay me to be depressed. I don't know how to be depressed because of the goodness of the Lord. I know how good my God is. So therefore I cannot be depressed.

He woke me up this morning.
He started me on my way.
He filled me with the Holy Ghost
and he guides me day by day!

I can't be depressed. *Somebody hurt my feelings.* I thought you didn't have any feelings. Get it under control. Grab ahold of yourself. You're an overcomer. You're not under your flesh. You're over your flesh. So in this world that we live in, everybody you know is walking in darkness.

The darkness surrounding our earth...everybody I meet in the airport—darkness, darkness. People walk around like zombies. The whole world is filled with darkness. Now that's not the sad part. That's not the bad part. Let me tell you what makes it worse. Let me show you what adds to the darkness.

The teachings of the modern church about the afterlife adds madness to the misery. Alright, people's already discouraged about their life. And then they walk in church, Here's what they hear: *God's going to boil you in the flames of hell because you didn't live a holy life. He's going to take you and drop you in that boiling lava, and watch you for as long as he lives. You're going to be down there screaming. The maggots are going to be crawling out of your ears.* I'm telling you I've heard it all.

Now, you've got a world that's already going mad, correct? *Come to church! Hear the gospel.* And you just add madness to your own misery. *You're never going to add up. You're never going to be enough. You're never going to be able to dodge hell.* I grew up hearing these words. *If I could barely make it in, I'll be alright.* I mean, my God, somebody shoot me now! I mean the world's already mad and you go to church, and here's what you hear: *You better hope you don't go to hell. You better hope this, you better hope that.*

Ladies and gentlemen, I've come to tell you today that we have bought into the biggest lie that you've ever believed. That *that* is God's plan. That's the best he could do! My, my, my. That's the best he could do. That's his plan—get right or get tormented for all eternity. That is his plan.

I'm going to try to educate you today, help you try to understand a greater plan. Let's go to Romans 8:22-23. We're going to find out when we read this the current state of planet earth and all creation.

Romans 8:22-23

22 For we know that the whole creation groans and travails in pain together until now.

Listen. Listen to that. Read it again and with all your feeling. Express the feeling of that scripture. FOR WE KNOW! Somebody say the whole creation. Everybody. Every thing on planet earth is doing what? Groaning and travailing in pain. Everything is in pain. Everything. You've got our kids out there cutting their breasts off trying to be boys now.

Everybody's in pain. Every thing in the world is in pain. Now this doesn't apply to the house of Israel because we're *in* the world, but we're not *of* the world. Amen? Alright. But for everyone else, they are in pain. They're groaning and travailing in pain. Now notice what Paul said. Even until now. That was written 60 years after Jesus Christ, Yahshua, died.

So, why is the earth still in pain after Christ fulfilled everything on the cross? If you listen to Jimmy Swaggart's teaching, it was all done on the cross, the finished work of the cross. Well, I can tell you one thing that wasn't finished. Groaning and travailing. The pain of mankind wasn't finished on the cross. The only thing that was finished on the cross was the suffering of Christ. Your suffering continued. The whole earth is groaning and travailing in pain still.

23 And not only they, but ourselves also, which have the firstfruits of the Spirit...

Now listen carefully. There's a group of us that already have the firstfruits of the Spirit. Our groaning is not the same as theirs because we have a blessed hope they don't have. We know the plan. We understand the plan.

...even we ourselves groan within ourselves, waiting for the adoption, to wit, the redemption of our body.

Ok, they're in pain knowing nothing about an adoption. They're in pain with no hope. They know something's wrong with no idea of the future. But we are not like them. We are groaning, but we are doing it not out of pain, but out of anticipation for the redemption of our bodies. Hallelujah.

Our pain is not without hope. But they have no hope in this world. We're in pain, but we're just waiting because we know the plan which is the redemption of our bodies. Brothers and sisters, if you want out of pain today, know the plan, and then nothing else will ever bother you.

Some 60 years after Christ died, the wound of earth is not healed. There is no finished work of the cross for planet earth and all of her inhabitants. They are waiting for a glorious day of righteousness when all the wrongs will be made right. They are awaiting the fulfillment of Psalms 30:5.

Psalms 30:5

For his anger endures but a moment, in his favor is life, weeping may endure for a night, but joy comes in the morning.

Hallelujah. Folks, I've come to teach you today about the joy that is coming in the morning! Yes, the earth is dark, I get it. The Bible says that darkness has covered the whole earth. But listen, if you grew up in the church I grew up in, it's all about the anger of God, what he's going to do. But I know that his anger only endures during the night season. Yes he's angry. Yes he's frustrated. But there is coming a morning, and ladies and gentlemen, I need you to hear me, the very joy that is coming in the morning nobody is preaching about!

Nobody understands the joy that's coming in the morning. Nobody is telling planet earth what they need to hear, and here is the message! Yes it's dark. Yes the world's crazy. But there is a new world about to be formed. There is a new government being trained right now on a Saturday morning Zoom call! They're being equipped to take away the darkness and bring the light of the world. This is the hope that nobody preaches about! Hallelujah to Yahweh!

Joy comes in the morning!!!

Oh hallelujah. I want you to hear me and hear me well. The joy that is coming nobody preaches about! Listen to me. This is not joy—the message I grew up on. Here's the message: *Do the best you can. Try hard. And if you get lucky enough then you'll go up in the rapture. But everybody else? God help you all.*

Where's that joy in the morning? Planet earth, you've got a bright morning coming. I'm sorry nobody's preaching it to you. I apologize about that. Planet earth, I'm sorry you're in darkness and nobody's telling you the true story! I'm sorry that you're only in pain, and then on top of that pain, you can look forward to going to hell. Welcome to Christianity.

And that is no wonder why people are shooting themselves. No wonder. My God, they sell that I've got two choices. Live in hell or go to hell. That's why a lot of people are leaving the church. There is no hope in their message.

Ladies and gentlemen, I promise you by the end of this series, I'm going to answer all of your questions about this verse and that verse. We're going to go through them. But the first thing I need for all of you to become is bearers of the light—bearers of the joy that is coming in the morning. The only way that planet earth can know that that joy is coming in the morning is if they find somebody that joy has already come to! Hallelujah! That the joy of the Lord is your strength! It is your effervescent light. We are living in a world that needs to see what is coming.

The whole earth is in darkness. And ladies and gentlemen, if the church is in darkness, my God have mercy. We must get to the point. I want to ask you right now—if someone looked at you right now, would they see joy? They'd quit being a hypocrite and get on out of this thing. I don't care if you're a Sabbath keeper, I don't care what you are, if there's no joy emanating from you, you're in the wrong ministry, go find another one because we have the joy of Yahweh emanating from us everyday, not occasionally. Because you don't have that option to occasionally be joyful.

Some of you are like roller coasters, I can't keep up with some of you. I see you one time, you're shouting in the Holy Ghost, speaking in a heavenly language—next time I see you you look like someone done run over you. I'm going to be honest with you—you're not fit for the kingdom. The joy of the Lord is your strength!! When you feel down, get somewhere and leap for joy!! The Bible said LEAP FOR JOY !!!

What does that mean? You should be so full of joy because you know the plan! You know that Yahweh's bringing joy to your mama, your daddy, your brother, your sister. There is joy coming in the morning. But it's got to come to somebody

right now. Oh hallelujah. That's why every time I meet somebody, I don't care what I'm going through, you're going to see that smile pop on my face. Why? This world needs the joy of the Lord. Hallelujah. The church needs to have joy unspeakable and full of glory. Because joy can't come in the morning if it can't come right now, hallelujah.

Did you hear me? Joy can't come in the morning if it can't come right now in your life. The Father wants to give us joy today. I want to call on this congregation to become the happy-clappy church, hallelujah. That's right...the happy, clappy, dancing, shouting, running church. Every time you run, that's joy!

I've got the joy, joy, joy, joy down in my heart. It used to kill me. These people were singing it—I've got the joy, joy, joy, joy—I'm like, where's it at?? Ha! Ha! We need the joy of the Lord because joy is coming in the morning.

Sadly, the very voice of this Hope speaks not
of this glorious day—the Great Sabbath
because they refuse to celebrate the
very SHADOW of that COMING DAY.

The very voice of this hope, the very voice which is the church, never speaks of this glorious day, the Great Sabbath. Do you know why they cannot teach on the Great Sabbath? Because they've rejected the Weekly Sabbath. Do you know why the church can't teach on this joy that's coming on that last Great Day? Because they don't celebrate that day every week. Listen to me. When you lose the Sabbath day, you've lost the message of hope.

The 7th day of the week, the 7th day which is today, is not a day. It is literally a day out of time. It is not your day. Just as the tithe is not your money. This day is set apart to remind you of the great joy that's coming to the earth. So when the church got rid of the Sabbath, they got rid of the joy! They got rid of the very message, the only message that gives hope to the world that joy's coming in a new day. And then the next question is, well I don't know nothing about that day. Of course you don't, you're going to heaven.

The church has robbed planet earth of her hope, of her joy of that last Great Day. We cannot let it continue. Someone must become the voice of hope that all things will be made new.

The Golden Age has been replaced by golden streets

1. Men still grope blindly because they are not aware of YAHWEHS purposes and plans and the TIMING OF THAT PLAN.
2. No one hears that plan preached in church - so now men leave church only to add to their misery.
3. They simply do not know that Yahweh is preparing a "Feast of Fat Things" for His creation. **Isa 25:6**
4. Rather, they are taught that Yahweh is getting ready to throw them all in hell for as long as Yahweh lives. **Isa 55:8-9**

This Photo by Unknown author is licensed under CC BY-SA.

The golden age that is coming has been replaced with golden streets. Did you hear me? There's a golden age coming. Remember the "plan of the ages"? You've got to know there's an age coming—golden—that's been replaced by golden streets. Do you know that your Christian friends desire to walk on golden streets more than they do to live in a golden age?

The church has robbed you of the Golden Age and replaced it with golden streets. And we must correct that, reclaim it. Men still grope blindly because they are not aware of Yahweh's purposes and plans. And more importantly, the timing of that plan. Ladies and gentlemen, if Satan has his way, you will believe that everything is chaotic, that everything's out of control. But I don't believe that. Why? Because I know the plan, but more importantly because I'm a feast-keeper, I know the timing of the plan. I know what has to happen after Passover. Amen? I know what has to happen after Trumpets. You see, I live that plan, I don't just know that plan, I practice that plan ever year. I rehearse that plan.

Brothers and sisters, when you become a rehearser of the plan, joy will fill your heart like you've never known, amen? When you start rehearsing the plan, all of a sudden, right when you were thinking about getting discouraged, you look at your calendar and whew! It's almost time to show up for Sukkot! I better not quit yet! Because I'm going to have to be happy there, I might as well be happy till I get

there, hallelujah. You see, only those who've been practicing the plan can be joyful about that plan. That's why Satan has you celebrating Easter and Christmas. Because there is no plan there. Did anybody hear me? There's no plan there!

No one hears that plan preached in church so now men leave church only to add to their misery. People are leaving the church in huge numbers. People are leaving the church because if their only two choices are live in hell, or go to hell, they make that choice to leave. They do not know that Yahweh is preparing a feast of fat things for his creation. Do you know that people don't know that Yahweh's preparing a feast for all creation?

Isaiah 25:6

And in this mountain shall the Yahweh of hosts make unto all people a feast of fat things, a feast of wines on the lees, of fat things full of marrow, of wines on the lees well refined.

My Lord, that verse right there! Yahweh is preparing where? On this mountain. What is a mountain? Government. Who is the government? The 144,000. Remnant Israel. What is Yahweh doing? Preparing the mountain first! To give a feast to how many on planet earth? ALL! Come on! Did you think that Yahweh just loved you! Did you think that because you had it together, he loved you more than the drug addict that can't get it together?

Did you really believe that? He created every homeless person in their mama's womb. He knew them by name! He created every drug addict. He knows their mama's praying for them. Did you really believe you were special because you were first? Hallelujah. Darling, don't get it twisted. You're not all that. You have a higher responsibility than all others. You've been called to be the mountain where the feast is prepared for all people. You're going to be the "wine" that they drink. Honey, they're going to leave the barrooms, oh yeah. Because they're going to find good wine that's coming from the mountain. Hallelujah.

I've come to give you hope today for tomorrow. If you've got hope for tomorrow, you can have hope for today! That's my message. If you could ever get hope for tomorrow, you've got hope today! You don't have to live in darkness and misery. But, I bet you didn't know while you were in Christianity that Yahweh was preparing on this mountain a feast of fat things. Ohh! He's not going to leave anybody out!

I just showed you the plan folks. Listen. You've got to get to know and believe this plan. Don't you ever look down on someone else because they don't know what you know. Awww, you ought to just look at them and say, hold on a little while

longer, it won't be long you'll know everything I know, it won't be long you'll live like I live, it won't be long you'll experience what I'm experiencing. Oh, the first will be last. But then the last will become first!

The marrow is where the life comes forth to the body. The life is coming and do you know what that life is coming from? It is coming from our death. You see, it's death that brings new life! We're all having to die *for* them. Listen, we are the *saviors* of the world! Oh hallelujah! *Brother Vaughn, there isn't but one savior of the world.* Don't embarrass yourself darling. Don't make me pull out the scripture on you. I think I will. Obadiah 1:21. *Brother Vaughn says we are the saviors of the world.* Brother Vaughn didn't say it! Brother Bible said it. Brother Obadiah said it. Listen to what it says.

Obadiah 1:20

And saviors shall come up on Mount Zion...

Well there's another mountain! There's that mountain again. Who's coming up on Mt. Zion? SAVIORS! Hallelujah! There's nobody listening to me!! Did you not hear what that said? Finish the verse.

...to judge the mount of Esau, and the kingdom shall be Yahweh's.

Come on, come on! The kingdom's going to become Yahweh's until more than one savior rises up! Oh yeah! Whew! Hallelujah! The lambs. We're all the sacrificial lambs. As we all die, they all live! You've got to know this plan or you'll fall into the darkness. Honey, when you know this plan, you couldn't backslide if you wanted to. Because you understand they're waiting on you to get it right so they can quit groaning in travail and pain.

The manifestation of the sons of Yahweh is what they're waiting for. The manifestation of the saviors! They're waiting for us to get over ourself. They're waiting on us to grow up and quit having church problems and quit getting your feelings hurt, getting upset because somebody said something. Grow up why don't you! There's some folks waiting on you to pull it together and be the joy of the Lord.

Now the church doesn't teach that Yahweh's preparing a fat feast for all people. What does the church teach? God's getting ready to skin you all alive and put you in hell. But that's not what Isaiah said. Now brothers and sisters, you've got to find the whole scope of the picture to understand all these verses.

Isaiah 55:8-9

8 For my thoughts are not your thoughts, neither are your ways my ways, saith Yahweh.

9 For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts.

He's telling you right there, until you get into my mind, until you get into my thoughts, you cannot understand my plan. *Now, Brother Vaughn, it says right there that none of us can know those thoughts.* Oh, but this is how you've got to know how to study your Bible. I'm going to show you another verse that will bring it all into balance for you.

1 Peter 1:12

Unto whom it was revealed that not unto themselves, but unto us (it has been revealed)...

1 Corinthians 2:9-10

9 But as it is written, Eye has not seen, nor ear heard, neither have entered into the heart of man, the things which God has prepared for them that love him.

10 But God has revealed them unto us by his Spirit...

First Harvest Ministries

A Plan Must Have Three Parts

1. All successful plans must deal with THE PAST, THE PRESENT and THE FUTURE
2. Scripture therefore must be seen as a collective plan of THE WHOLE COUNSEL OF YAHWEH rather than in the PRISM of your favorite purview. **All the pieces must fit**
3. You can never allow yourself the luxury of soundbite theology with singular scriptures that sound great on their own but they do not align with their counterparts of scripture, failing to FIT INTO THE PLAN

A plan must have three parts. The past, the present and the future. That's why Christianity doesn't know the plan. Because what's the first thing they get rid of? The past. Where do they tell you not to go and study when you ask where do I start reading the Bible? The New Testament. Stay away from the past, the Old Testament. That's all just types and shadows and laws back there. Now you see why Christianity is so out of whack. They don't know the plan because the plan has three parts. The past, the present and the future.

Yahweh said he knew the end from the beginning. If you don't know the beginning, you can't know the end or, therefore, you'll get the end wrong. You take away the foundation and the whole building crumbles. That's what's happened. Christianity is a falling empire because they don't have the foundation.

Let me give you all an example. It's so easy to disprove the rapture teaching. If you want to know if there's going to be a rapture for the house of Israel, just go back and find out if there's ever been a rapture for the house of Israel. Go back to Egypt. Go back to where Yahweh sent his wrath upon the earth. Did he rapture his people or did he protect his people? You see, the reason they don't know is they don't go to the past.

Christianity only knows the present part of the plan. But because they don't know the past and the future, they mess up the present part. God is wanting us to know his plan from the beginning to end. Therefore, scripture must be seen as a collective plan of the whole mind of Yahweh rather than in the prism of your favorite purview. Listen. All the pieces must fit.

When you read your Bible with Pentecostal glasses, you'll read that there were 120 people in the upper room on the day of Pentecost. And your Bible never said that. I challenge anyone right now to show me where there were 120 people in the upper room on the day of Pentecost. And yet how many has heard there were 120 gathered on the day of Pentecost? I heard that preached all my life. And that's not in your Bible. But it is when you put on what? Pentecostal glasses. Now there were 120 in the upper room ten days before the day of Pentecost. But not on the day of Pentecost, there were only 12. Peter stood up with the other eleven. That's the only Biblical evidence we have, but my point is, if you don't know, you read it with your "glasses". Your biggest job will be to remove the glasses.

You can never allow yourself the luxury of sound bite theology with singular scriptures that sounds great. Let me give you all an example. Right now, some of you are already thinking of a scripture that said...and the smoke of their torment ascended forever...you're already going there. Ok? And that's good. That's fine. We're not afraid of those scriptures. But if those scriptures don't line up with Isaiah, that he's planning a fat feast for everybody—if it don't line up with his

plan, then you've got to say, ok, what is this scripture really saying? Ok? Because we're going to deal with all those scriptures. What about Lazarus that lifted up his eyes in torment of these flames? First of all, that never happened. Ok? You need to go watch my teaching about Lazarus. It has nothing to do with hell or the afterlife or flames of fire, nothing at all! But I don't have time to teach that today.

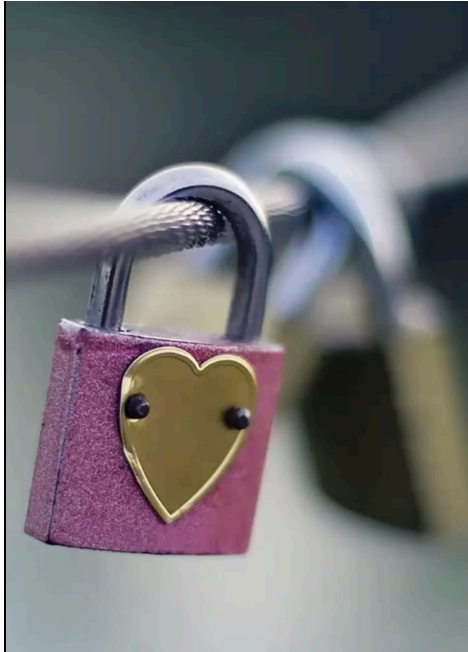

Now, I want to talk to you before we move forward. You're going to have to make use of something very important that God gave you. Yahweh gave you something that scares the church to death. There's something that everyone of you have that scares your pastor, scares your bishop, it scares your denomination to death. It's called a brain. And it's filled with *questions*.

Now, for them to get you under control, they've got to get rid of your questions, ok? At First Harvest Ministries, we love questions. Questions leads us to more truth. So, there's something Yahweh gave you and it's the ability when I say something, to say...no that doesn't sound right. That's a God-given ability. Or when I say something to say...now that clicks, that makes sense. That question just got absolved in my mind.

That's the purpose of the church and the church is scared to death of questions. If you don't believe me, go ask the church you attend to give you three scriptures or one that says you're going to a place called heaven. Nobody can do it. *Can you show me in the Bible where I'm promised to go to heaven when I die? Just show me one.* It's nowhere in the Bible, did you all now that? It's nowhere in your Bible.

Questions are not evil. Now, a question disguised in place of a statement is bad. You've got to get the ability to discern a question from a statement disguised as a question. You've got to learn a question verses making a point and phrasing it as a question. I don't answer every question because I know all questions are not questions. Does that make sense? If you're trying to convince me of your "statement" and you've rearranged it to a question, then I know you don't want an answer anyway. I know a question when I hear it. And you need to get that discernment to know a real question when you hear it, otherwise, you'll live in arguments with people.

Alright, now, let's talk about that God-given gift. The reason. Don't give up your reasoning for superstition. (see next slide on following page)

Don't give up your "REASONING" for superstition

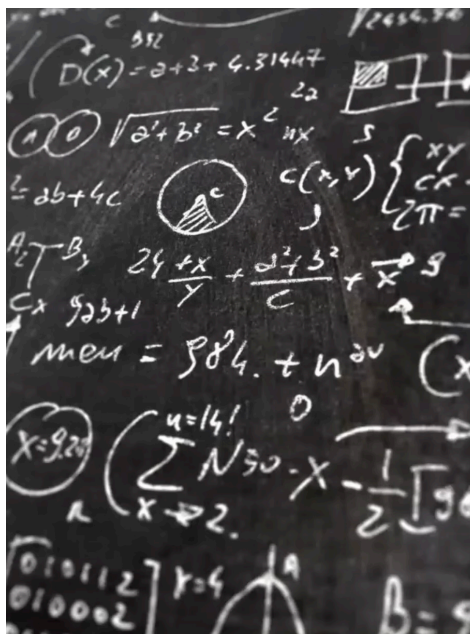

1. The ability of your QUESTION is a gift from Yahweh Himself to HIS SONS created in HIS IMAGE.
2. Religion will ask you to lay aside that ability and to accept what you are taught by faith. Any faith not built on a scriptural foundation is not faith it is a fallacy.
3. If it does not MAKE SENSE to your LOGICAL MIND then keep studying until it does
4. Until you see a PERFECT PLAN in the scriptures that is HARMONIOUS - any reasonable mind must only accept a plan in agreement with the CHARACTER OF THE CREATOR - Explain Character

Your character is the very essence of who you are. If your Father is a loving Father, and he said in his word he loves you more than your earthly father does, then you read a scripture that seems to show him as anything but that loving Father, we've got a problem. You've got to know his character to interpret his scriptures.

For example, in the Torah, they would stone their children for rebellion. But when you read that, you're like uhhh, that's a little uhhh right? And yet Yahweh demanded that? So now you have to find his character. He loves all of his children. So why stone a child? First of all, the word "child" shouldn't say a child. It was a grown behind boy that was grown enough to be a man, so get that word child out of your mind. They didn't stone babies. They didn't stone kids.

So you ask yourself why would Yahweh allow that or even worse command that? Because. He loved all the other children so much in that house that he knew if they didn't get rid of that one rebellious child, all the others would turn that way. Now that is a loving Father. I've had to do the same thing with my children. When you know the character of God is love, then your job is to find out why he allowed certain things.

Do you know why Yahweh allowed divorce? Because he loves us! Yes, he hates divorce, but he loves you more than what hates. He knew that you didn't live in the kingdom yet (you all need to listen to my lesson on divorce and remarriage if you haven't: firstharvest.tv/video/1429). But the love of God does not hold us in bondage. It sets us free.

Your goal as a truth seeker is what?

FIND THE PLAN !!!! One that is harmonious to the character of Yahweh and find THE WHOLE of that plan, not just the PIECE that applies to our small window of time.

John 16:13 – we very the VERY EVIDENCE of the HOLY SPIRIT

But how do we begin that journey? We must all start at the exact same spot – with NO AGENDA !!!!

What is your goal as a truth seeker? To find the plan. Let's read John 16:13. Now I want to prove to you whether you have the Holy Spirit or not. This is very important for you to understand.

John 16:13

Howbeit when he, the Spirit of truth, is come, he will guide you into all truth, for he shall not speak of himself, but whatsoever he shall hear, that shall he speak, and he will show you things to come.

So what is the evidence, the real evidence, that I have the Holy Spirit? If he's guiding you into more truth. Darling, if you thought speaking in tongues was the evidence that you're walking in the Spirit...I know more tongue-talkers standing dead still in yesterday's truth. The job of the Holy Ghost is not just to give you an unknown language, but TO GUIDE YOU INTO ALL TRUTH!

What does that verse mean? The truth you had yesterday, if you didn't get more today, you don't have the Holy Spirit. You don't have the Holy Ghost, you have the holy almost. When I meet tongue-talkers that won't listen to this message I preach, I seriously doubt they're Holy Ghost. Do you know why? This is an end-time message, and the Bible said he would speak to us about the future. Read that verse again.

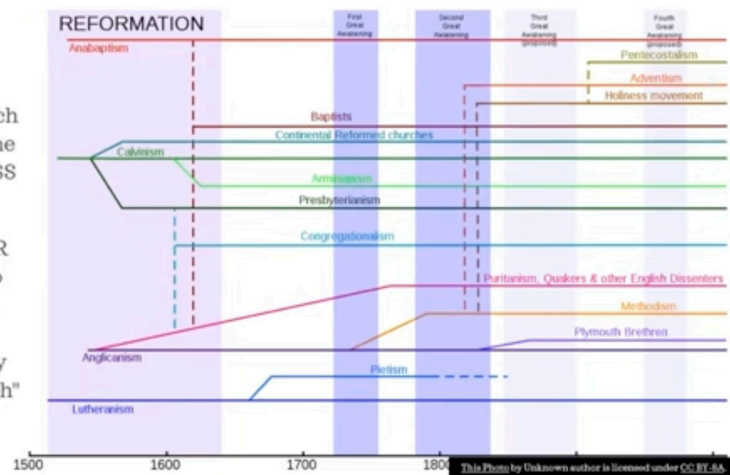

If you have the Holy Spirit, he's always showing you what? The plan! He's always showing you things to come! He's always showing you the future, the plan. If you're not interested in Bible prophecy, you don't have the Holy Spirit. I'll say it

again. If you're not interested in the plan, you don't have the Holy Spirit because when you have the Holy Spirit, he's always telling you about things to come. He's guiding you into more truth everyday. Brothers and sisters, you've got to desire to know more tomorrow than you even knew yesterday.

The Two Methods of Study Available to us all !!!

Seeking answers from the various denominations and segments of the church and find an element of truth from each one and fabricate them together - an ENDLESS TASK

If we choose this method - we will NEVER FIND TRUTH. Because we will attempt to FIT INTO one of those SECTS - people in those sect have made an unconscious decision to NO LONGER seek Truth - they proudly declare "they have found the truth" but you are only in a TRUE MINISTRY if you are rather always FINDING THE TRUTH.

But how do we begin the journey into all truth? It starts with one thing. No agenda. We all start at the exact same place. No agenda at all. I want to show you the two methods of study that is available to all of us.

Number one, we can seek our answers from all these denominations that you see listed on the screen here. And the sad thing about every denomination that you're looking at on that screen is every one of them have an element of truth. Every one of them. The Anabaptists. What truth did the Anabaptists have? Water baptism by immersion. Before that, they were sprinkling people. The Holy Spirit led them into more truth.

What about the Adventists? The Holy Spirit led them into that truth of the 7th day Sabbath. What about the holiness movement? The Holy Spirit led them into living a separated life from the world. What about Calvinism? The Holy Spirit revealed to him predestination. The only thing is he messed it up with his own thinking and made it a predestination of heaven or hell verses the elect in the first resurrection. On and on and on. Preterism or pietism, Lutheranism, they all have an element of truth. Pentecostalism has an element of truth.

We can choose to go to all these denominations to find truth. If you go to those denominations to find truth, here's the problem. You will have to accept the lies associated with that truth. Amen? If you go to Baptists, they have a great truth, but if you're going to sit down among them, you have to make an agreement to accept all the other lies attached to that truth. Hallelujah.

There's a second way that we can study the Bible. First of all, if we choose the first way, we will never find truth. We will attempt to fit in with one of those sects. People in those sects have made an unconscious decision to no longer seek truth. They proudly declare they have what? Found the truth. Yet elder didn't you just read a verse that says finding the truth is impossible? Nobody in this room today has found the truth. Truth has found you!

Truth found you and now he's guiding you and leading you into even more every day. You're not allowed to do that in any denomination. You're not allowed to. Your journey ends where your church membership begins. Amen? Your journey for truth ends whatever denomination you choose to join. Whatever you choose, that's where your journey stops.

Oh, now you found a little bit of truth. The Baptists have great truth. The Pentecostals have great truth. But you signed the card when you joined the church. That's why I tell everybody First Harvest is not a church! We're not a local church. We are a ministry, a study group, a fellowship. We have no membership. You don't join First Harvest. First Harvest joins you. Listen, when you walk through the doors of First Harvest, what you heard last year, you're going to hear more next year. Why? Because there's no creed for our church. No creed but Christ, no law but love, no book but the Bible.

I want you to listen to me and listen well. When you shake their hand, you must make an agreement to be ok with no more truth. Now if you're ok with that, that's fine. That just proves you don't have the Holy Spirit. Why? The Holy Spirit is guiding you into more. They're telling you there's nothing more to find, we found it all. Make your choices children. It's like when you join a denomination, you become stagnant basically. Why? Because they have invested a lot of money into their statement of faith and they cannot afford to change it. If you have the Holy Spirit, you're moving on while they're telling you they've got it all.

Let's read Proverbs 4:18. This is going to be our theme scripture that I want you to memorize, and I want you to start quoting it everyday if you can. For this series, this is the scripture I want you to know and memorize.

Proverbs 4:18

But the path of the just is as the shining light, that shines more and more unto the perfect day.

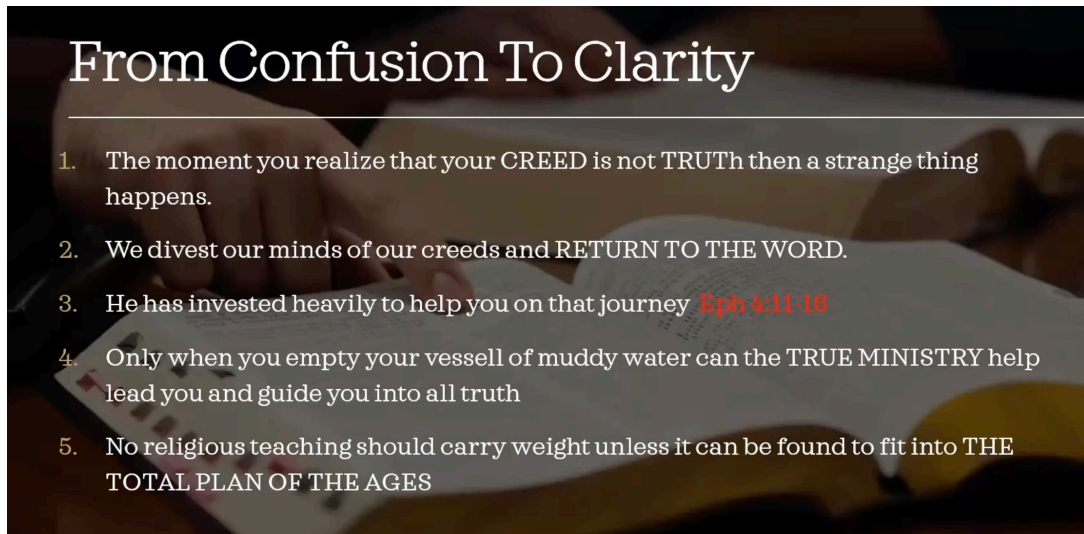

Amen. The path of the just, not everybody, but the just, is like a shining light. It's like the sun. And that sun shines more and more until it gets to high noon, the perfect day. If you're on the path of the just...that means you're not standing still with the Baptists, but you're on the path of the just...you're not standing still with the Catholics, but you're on a path. If you're on that path, here's what you're experience is going to be.

Just like the sun, more and more, and more and more, until you get to that perfect day which is the Sabbath day. Read 2 Peter 1:19.

2 Peter 1:19

We have also a more sure word of prophecy, whereunto you do well that you take heed, as unto a light that shines in a dark place, until the day dawn, and the day star arise in your hearts.

He said we have a more sure word of prophecy. We have a greater revelation than they had before us. Therefore, we have become that light in a dark place. The creeds of every church were set and agreed to century's ago. They all contradict one another. It's utter madness.

The moment you realize that your creed is not true, then a strange thing begins to happen. We divest our minds of our creeds and return to the word. Let's go to Ephesians 4:11-16.

Now, brother Vaughn, how do we return to the word? How do we know what we're reading? How do we understand? It's very simple. Yahweh gave you gifts to help you return to the word.

Ephesians 4:11-16

11 And he gave some, apostles, and some, prophets, and some, evangelists, and some, pastors and teachers;

You know, the ones that are no better than you are. You know, the ones that put their pants on just like you do. You know, the ones that you don't need to teach you because you have the Holy Spirit. You know, the ones where if someone dies they're there to preach a funeral. He gave. He gave!

When you despise what he gave, when you belittle what he gave, you have belittled him. He gave true apostles, true pastors, true teachers. Now why would he give you a teacher if he's the teacher? Because he doesn't have a mouth. Ok? He gave you teachers. *But my Bible says he will teach me.* Yep, he will. Through teachers! It's really that simple. *Oh, he said the Holy Spirit would teach me all things.* He will. He's just got to find a mouth to use because you've got to be able to *hear* a teacher, and somebody's got to have a voice to hear—how can they hear without a preacher/teacher?

That's right. You better be careful what you disregard, what you don't honor, what you don't respect. Be careful of those who talk in your "ear" against what he

gave. They love to do it. They love to get you involved. He gave true pastors. I didn't say every pastor, but *true pastors*. True teachers. Keep reading.

12 For the perfecting of the saints, for the work of the ministry...

Oh, we're not there to just preach funerals? We're not there to tell you to just live your best life now? What are we there for? To perfect you! That is my only job. Do you know my job? Nowhere in that verse are you going to find in my job description to win the lost.

We are here to perfect the ministers of this gospel. That is our jobs brothers is to perfect you. Now to perfect you I've got to make you mad, I've got to make you angry and get huffy. I love when I see people get huffy and puffy at me because it tells me I've still got a job to do! Hallelujah. It says we're still not there yet. He's perfecting us through the voice of his true teachers.

What is our job? To perfect you. I'm sorry to say, it is not our job to visit the sick. *Well, he didn't even come see me when I was sick.* It wasn't my job. Why would I waste days going from house to house when I've got a church full of people who can pray for the sick? Don't you think Satan would love me wasting my days taking care of what the church is supposed to be taking care of? You don't need me to come pray for you. I'm raising up prayer warriors. They lay hands on you, that's me laying hands on you. *Well he didn't even call me!* And I probably won't the next time.

I've got a job to do. It's to find out if you can still get up in your feelings. Oh, my, my, I'm digging now, I'm digging. Listen! The job of the minister is not what you were taught. You see in the Baptist church, you all hired preachers to baby sit you all. But in this end-time work, first of all, you didn't hire me. Not one of you has ever hired me. You didn't vote me in, you're not going to vote me out. I'm here. You all can vote me out by leaving. You can leave, I'm going to be here every Sabbath. Alright, so I know who I am in Yahweh. I know who I am.

Now you need to know who I am. And I need to know who you are. Know them that labor among you. Listen, we have to grow up! We've got to do the work of the ministry. *Well I need counseling.* Don't you know we've got Holy Ghost filled people all in our church that'll counsel with you? They know what I believe. They're going to counsel you according to my message. Folks, we've got to grow up.

What I'm teaching you now is what you will be teaching others in the kingdom age. Think of it as being in a "teacher's college". I'm the teacher in the teacher's

college. You all are going to be teachers as well. I'm just the teacher in the teacher's college preparing you to do the work Yahweh's called you to do.

Can you show me one verse that said I'm to go out and hold evangelistic campaigns and get people saved? I'm sorry, I thought that was the job of the minister. No. Let's go 1, 2, 3. Tell me my three job descriptions. Perfecting the saints.

So my job is to perfect the saints so that they can do the work of the ministry. That's job description number one. The saints have to be perfected to do the job that they thought was my job. So they can do the work of the ministry. What is my next job description? Hallelujah.

I love watching last night in that service. I watched you all doing the work of the ministry. If you need me to be there every service, something is seriously wrong with my ministry. If you need me to be on the premises, then I have failed in some area. And you see, that's why I laugh when people call us a cult. Because a cult leader wants to control the congregation, and I'm the total opposite. I want to set you free so that you can do the work of the ministry. Amen.

...for the edifying of the body of Christ.

That's my second job description. The edifying of the body.

13 Till we all come in the unity of the faith...

That's my next job description. To get the church in unity. And to get rid of anybody that's causing disunity. That's my job!

...and of the knowledge of the Son of Yahweh...

And to bring you into the full knowledge of who Yahshua is and who he's not. That's my job. That's my calling.

...unto a perfect man, unto the measure of the stature of the fulness of Christ.

That's my job. I've got to get you all looking just like Yahshua.

14 That we henceforth be no more children, tossed to and fro, and carried about with every wind of doctrine...

If you ever get a real teacher, a real pastor, all your confusion will end, you'll quit going back and forth, and here's the real evidence of it. Some of you all have been on this Zoom class for three years now. You haven't moved back and forth, you haven't gone from me to Rav to me and this one to that one. You're not tossed to and fro. You found your place and you're learning and you're blooming where you're planted and growing. You're no longer confused. That's my job to bring you into that position.

...by the sleight of men, and cunning craftiness, whereby they lie in wait to deceive.

Once you find this message, men will lie in wait to deceive you.

...But speaking the truth in love, may grow up into him in all things, which is the head, even Christ.

Our job is to grow up into the head.

16 From whom the whole body fitly joined together and compacted by that which every joint supplies, according to the effectual working in the measure of every part, makes increase of the body unto the edifying of itself in love.

I want you to hear what my job is. To make sure that body is so compacted in unity that it can grow up into the head. Why do you think I don't mind turning people out of the church like it's nothing? Why do you think I don't mind? Because I've got a job to do. To compact the body. That's my job. Go read that scripture. To compact you until you fitly join together. Why do you think in my sermons I make it so plain here. We don't allow that in here!

You can go to that church across the street and get mad because they didn't have your Bingo game or whatever, but NOT IN HERE! The first sign of disunity I fly home. That's the only thing I'll allow. You can fall a million times and you're welcome as flowers in the spring. But the first sign of disunity, that's where my job, that's my duty to make sure that we're so compacted together that we're just growing into the head. It's really a beautiful thing.

From elder Jan Meadows...

I was just thinking how we are in a different age. If you think back on our grandparents and great-grandparents, and even our parents, a lot of times, if you're as old as me, people stayed in the same job forever, they stayed in the same church forever. But now, we've become Christian gypsies who hop from church to

church because each church like you said has a little truth, but not all the truth, so you're hopping and hopping and hopping...and Satan has come in now to get people to think that they don't need church now at all, they don't need to be under anyone's authority so they can stay at home, they can do it on TV. But what is happening I think is that we're going back to that *home* where everyone, just like our parents stayed in the same church and job forever. Everyone is coming into this truth where we will all be together in that unity.

That elder Meadows is my goal and that's the Father's goal. Listen, we do not all, like she just said, have the same understandings of different things, but there is a spirit of unity to where if you send me a message about what you believe, I'm never going to discredit that. We are going to walk together until we all come into the unity of the faith.

Until you get to the unity of the *doctrine*, you've got to come into the unity of the *faith* that we're going to get there! Hallelujah. And that's what's happening with this group of people. We are scattered all over the nation and yet we are so unified that when we gather together for holy days, it's like we never missed a beat, you know, there wasn't six months in between that visit. And that is where we are.

This extended study will include

1. Various FRAGMENTS of TRUTH from the scattered denominations - they all were built on a FRAGMENT OF TRUTH
2. The TRUTH SEEKER must create a BLANKET OF TRUTH out of these FRAGMENTS - we must all become "QUILTERS OF TRUTH"
3. We will use Holy Scripture, with Holy Reasoning and Sacred History to thread all these fragments together into ONE perfect PLAN OF THE AGES
4. Orderly study in the SPIRITUAL SCIENCES are even more necessary than the PHYSICAL sciences. Random scriptures are the enemy of TRUTH
5. Too many turn into PROPHETS without being PROPHETIC STUDENTS

Ladies and gentlemen, what we need to do now is understand that we must become *quilters*. What do I mean by that? Various fragments of truth from scattered denominations were all built on a fragment of truth. But the truth-seeker must create a "blanket of truth" out of all these remnants, all these fragments. We must all become *Quilters of Truth*. We take the remnants.

What is the remnant? Let's go back to Calvinism. There's a remnant of truth there, is there not?

We take that remnant and we quilt together in the threads of love a blanket of truth.

And we cover ourselves in that truth, and we grow into that truth, and that is what the Father is calling us to do—to become quilters of all the fragments, of all the remnants. *How do we do that pastor?* Holy scripture with holy reasoning, and sacred history, to thread all these fragments together into one perfect plan of the ages.

I want everyone in this class to become a “spiritual scientist”. That means orderly study. That's what we're doing right now. It is more necessary than physical science. Random scriptures are the enemy of truth. That's what drives the scientist crazy, when you take something random that doesn't fit into the law. You have the law of physics, the law of whatever. And then you find this random anomaly that doesn't fit into the law. That's what drives a scientist batty. What will that scientist do? They will try to figure out how that anomaly does fit into the law.

That's how you have to become with a random scripture that's not fitting into the pattern. It's an anomaly. For example, when we talk about who Yahshua is. And you've got this random scripture that he's Emmanuel, God with us. And your like, *pastor that scripture says this and you're teaching this*. Ok, so let's take that random scripture and let's see if we can weave into the whole plan—come to find out, it does! Come to find out, that was a prophecy not even about the man Yahshua at the time. It was about another boy. And so now you start studying that, and you realize that Yahshua fulfilled the meaning of the word.

So, be careful of “roman rockets” is what I call them, random scriptures that's not fitting into the characters of God. If not, you'll fall into false teaching over and over and over. If it doesn't fit in the plan, put it in the pan! Now I didn't say throw it away—I said put it in the pan. What do you do with the pan? You let it simmer, ok? One day you'll be out doing your job and the Holy Spirit will take that scripture out of that pan that you've been simmering, and all of a sudden, it'll fit in the plan.

So don't let scriptures that don't fit into the plan drive you insane. Put them in the pan, let them simmer. And then we'll come back to them, and eventually they'll all fit if you know the plan. The problem is that many of you don't know the plan. So therefore these random scriptures drive you insane.

Too many are turning into prophets without being prophetic students. You must become a student of the scriptures. You must become scientists of the scriptures. Literally, when I'm studying for a message, I literally have ten books, of course the Bible, and I'm seeing how this person sees it, and how this person sees it. And something that's clicking a little, but it's not fitting into the plan. That person is saying something that sounds good, and some of it fits, some of it doesn't.

I'm literally being a scientist of the scripture because I know it's got to fit into those feast days. I know it's got to fit into Passover. I know it's got to fit into Shavuot. I know it's got to fit within Sukkot and the last great day. I know it's got to fit in that pattern or it's an anomaly. And so my job this week and these several weeks is to dive into that plan.

Let's read 1 Peter 1:12 and see what the word says.

1 Peter 1:12

Unto whom it was revealed, that not unto themselves, but unto us they did minister the things, which are now reported unto you by them that have preached the gospel unto you with the Holy Ghost sent down from heaven, which things the angels desire to look into.

Listen to what he just said. I'm revealing to a certain group of people what even the angels do not know. That's how blessed you are today. He said in that scripture...the things are being revealed today that have never been revealed before.

The word of God, when it was written down, robs you of the excuse that we did not know. It is the evidence against ignorance. The Bible is the evidence against ignorance. If we didn't have a Bible, you would have an ignorance claim. If he wouldn't have given you teachers, you would have an ignorance claim. But you don't have that claim anymore. Read 2 Timothy 2:15.

2 Timothy 2:15

Study to show thyself approved unto Yahweh, a workman that needs not to be ashamed, rightly dividing the word of truth.

The only way you can be approved by Yahweh is to do what? Study. Study! Become a scientist of the scriptures. Study! Or you will be ashamed. Use your reasoning ability and use your spiritual reasoning and those work together and you'll come to the truth.

Why do we study Prophecy?

1. Not to make us SMART or settle our curiosities but rather to LOVE HIS PLANS and then to enjoin ourselves into those plans to no longer see things from the VALLEY of THE PRESENT but the lofty mountains of TOMORROW.
2. It proves our desire to no longer be a SERVANT but a SON - fully aware of THE FATHERS BUSINESS - the Business of RESTORATION OF ALL THINGS
3. When studying what SHALL BE it counteracts the influence of what NOW IS

Now why do we study prophecy? It's not to make us smart or settle our curiosities, but rather to love his plan. And then to enjoin ourself to those plans. To no longer see things from the valley of the present, but the lofty mountains of tomorrow. It proves our desire to no longer be a servant but a son.

When I hear Christians tell me... *well I'm not into all that prophecy, well, I don't need to know all that...* they just told me they're a servant. They're not a son. I'm sorry if my Father has a business and he's going to leave it to me one day, I want to study about that day, hallelujah. Hallelujah! You see? I want to know all about it because I'm a son not a servant. I'm a son! Christians that have no desire to know prophecy are not sons of God—they're Christians.

When studying what shall be, it counteracts the influence of what now is. My Lord that was good preaching right there if you picked up on that. When you're

studying what shall be, it counteracts what now is. That's why Satan doesn't want you to study prophecy. He doesn't want you to know the plan because he wants you to be steeped into what now is—darkness.

You are not PROPHECY students but rather you STUDY THE PLAN

1. As you begin to study this plan you will quickly face the ignorance of how this plan has been presented to you by the Christian church, so-called.
2. If the PLAN is RECOVERY OF THE WHOLE WORLD - Restoration of ALL THINGS - that GOAL needs A PLAN.
3. You have been taught that THE CHURCH in its fallen state is the SOLE AGENCY of this plan
4. The gospel has been preached for 19 centuries and look at the results.

You're not prophecy students. You're students of the plan. You're studying the plan. That word prophecy is a little mystical. You're studying the plan. As you begin to study this plan, you will quickly face the ignorance of how this plan has been presented to you by the Christian church. If the plan is recovery of the whole world, restoration of all things, that goal needs a plan. If that's the goal.

If the goal is to restore all things, then what's the plan? To get us to the goal. You're going to learn about that plan over the next several weeks. You're going to learn the nuances and the details so that you can want to get involved with that plan, so that you can want to know your part in that plan.

You have been taught that the church and its fallen state is the soul agency of this plan. Now listen. Listen carefully. You have all been taught that the church is the tool to bring this plan to pass. Now it's starting to get good—you all better stay with me. You've been taught that this plan, this goal of God is going to be fulfilled right now by the church. You've been taught that the church has replaced Israel! You've been taught that the church is the new thing and that God's plan will be fulfilled by the church.

No! The beginning of that plan will be instituted by the church, but it will not fulfill that plan at all. If that's the way God's going to do it, if the church is how he's going to do it, then I want you to look at this.

The gospel has been preached for 19 centuries, and look at the result. Think about it. Look around your world. The gospel's been preached for 19 centuries. If that is the plan, the gospel, to restore all things, tell me how we do it. Has your world gotten better or worse over the past 19 centuries? The gospel's been preached for 19 centuries! And where has it gotten our world?

I want you to think about this because that is not Yahweh's plan. Yahweh does not plan to save the world with the church. I'm going to blow your mind. Yahweh plans to save the world with the 144,000. But the 144,000 can only be found in the church! Be called out! The church is only preparing the bride. And then the bride, which is the 144,000, will do the work of the plan. Now the church is in the plan, but not for what you thought. The church is in the plan in order to produce the bride.

What grade would you give the church for accomplishing THE PLAN?

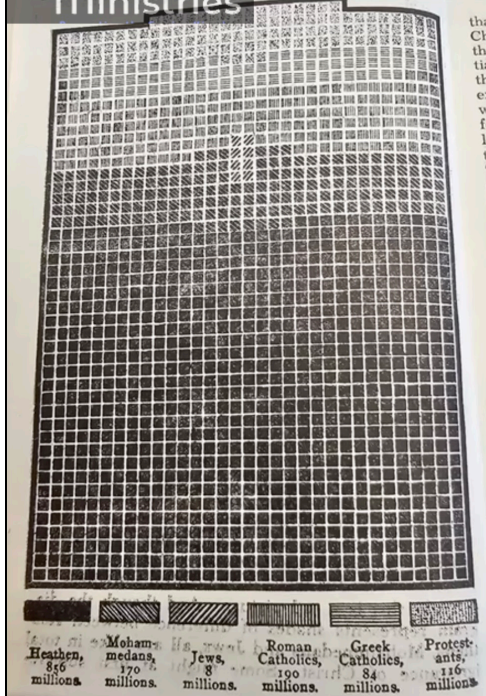

1. We have one of two options -

BLAME YAHWEH for a faulty plan

2. Or BLAME THOSE who do not UNDERSTAND THE PLAN

What grade would you give the church for accomplishing the plan? The plan is here in this picture, there's the blueprints. What is the plan? To restore all things. How has the church done in restoring all things? Let's give them a grade A to F. I'm going to give them about a D because you know, the church has done good in the world. Let's get them to a D+. Let's give them a C because the church has done a lot of good in the world. I love the church. The church produced me. I'm going to give them a D+ or C-.

However, the leadership of the church, the system of the church Yahweh's called us out of is to prepare us for the plan. Let's go back now that we've given the church a grade. We've got now two options. The plan is on the left. We've got to either blame Yahweh for a faulty plan because his plan is to restore all things, to prepare a feast of fat things. So we've have to blame him, but we're not going to do that are we? Or we have to blame those who do not understand the plan, that's leading the church.

Behold the mindset of the church

Published by "LONDON MISSIONARY SOCIETY" it is a sad tale of DARKNESS - SATAN HAS WON !!!

Now, I want to show you a picture above. I'm going to show you the mindset of the church. This was published by the London Missionary Society. This is their booklet that they mail out for world missions. Now I'm going to show it to you in just a minute. This is what they mailed out to all their churches to raise money for missions. According to this picture, this is what the world looks like.

According to this picture, all the dark you see is the heathens of the world. Right above that are the Muslims, right above that are the Jewish people, right above that are the Roman Catholics. At the very top, on that first line are the Protestants of the world, about 116 million Protestants that are supposedly Bible believers. Now according to this booklet, that's what your world looks like. Satan has won. According to the church, the church admits it's own failure. This is the mindset of the church.

Nearly 2/3 are heathen. The rest are Muslims or Christians—so called, meaning that fewer than 2/3 are actually Bible believers and followers of the Original Way. The church says these billions of people from Adam are all dying lost and headed to an eternal hell, everyone that you see in that picture except for that first line at the top, everybody else is going to boil in hell for all eternity.

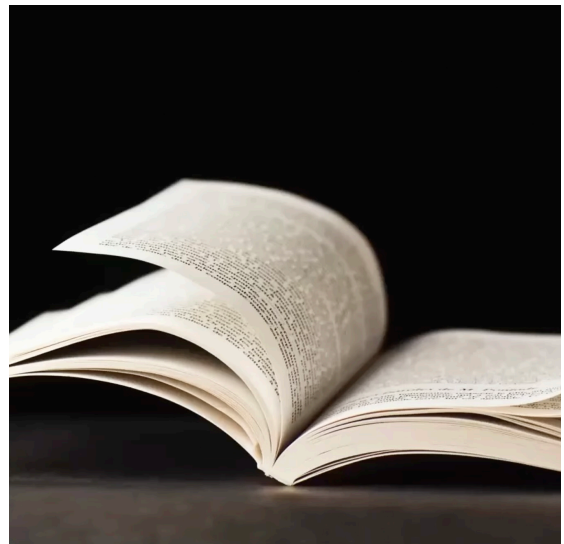

Ladies and gentlemen, that's how the church advertises to raise money for missions. That's how they raise money. The whole world is lost, so wait a minute, your job was to save the whole world. You're admitting your total failure? Do you know why? They don't know the plan. They don't know that if Yahweh wanted all these people right now, I promise you he'd had every one of them. That picture would change overnight. But according to the mind of the church, why? They don't know the plan.

Why is that picture so dark? Because it's a snapshot of a moment in time. Only those who know the plan are not bothered by this present snapshot. If you don't come up here with me and look at the plan, you're going to look at the snapshot. Come on now, you've got to know the plan! Here's why.

If I'm building a home (let's say Remnant Ranch) and you drive up and just see a snapshot, you could say brother there's no way you'll get all this done, you took on too much. Oh it's overwhelming. It's too much to do. Would you please get your snapshot out of my face! Because I've got eagle eyes. I've already seen 1,000 Israelites on that property for the feast of Tabernacles fellowshiping together, eating together, loving on one another. I've already seen the first gathering IN MY MIND!

Don't bring me your snapshot. You've got to have a vision. Yahweh has a vision. But we have a snapshot. That picture above is a snapshot. But that's not the plan. You've got to know this plan. Here's what they said in that magazine. "Evangelize the generations as one thousand million souls are dying in Christless despair at the rate of 100,000 people a day". And do you know what? The church has no solution for it. There's one word for that folks. Failure. The God I serve does not fail. If he said I'm preparing fat things for all of the people of the earth, then you cannot bring me your snapshot and convince me otherwise. Amen?

Let's read what the Bible says, not what the church says in Isaiah 1:18. My job today brothers and sisters, and in the next several weeks is to introduce you to the doctrine of TOTAL RESTORATION. It's time to turn away from the traditions of men and embrace the plan. And then join yourself to that plan, and then to pray for that plan.

To do this you'll be forced to use the scriptures and your ability to reason.

Isaiah 1:18

Come now, and let us reason together, saith Yahweh, though your sins be as scarlet, they shall be as white as snow, though they be red like crimson, they shall be as wool.

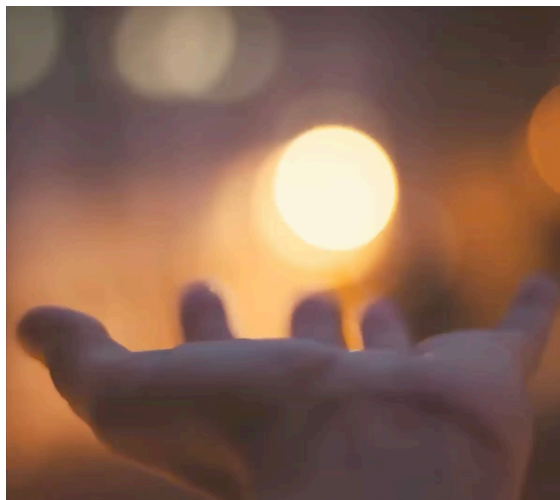

So we're required to come and reason with Yahweh's word. And that's what we're going to do. We're going to reason.

There is a certain group of people with a promise - Proverbs 4:18

Now we've already read Proverbs 4:18 about that light that shines more and more, but I want you to notice that it's only for the "just" — a class or group of people among men who are seeing a light in the evening time. The patriarchs, the prophets and the apostles have all walked in that increasing light. And the light will continue to increase on the just until we arrive to the perfect day.

More light comes in due time or in due season when it is needed. In other words, for whatever amount of darkness there is, there must be an increase of light. Only those who are not walking forward into more light will be allowed to sit in darkness.

Here is the Truth about the Darkness

Isaiah 60:1-2

1 Arise, shine, for thy light is come, and the glory of Yahweh is risen upon thee.

2 For behold, the darkness shall cover the earth, and gross darkness the people, but Yahweh shall arise upon thee, and his glory shall be seen upon thee.

Yes, why does that not excite people? The darkness is going to get grosser than it's ever been. But not on you! Oh, how I wish we could get it — the glory of Yahweh is going to rise not on the world at this time, but only on the just. Folks listen. The darkness is here. But as we get more dark, as you look around at all these transgenders and all of this stuff, you should be rejoicing—that means we've got to have more light coming to us now.

We're going to get more revelation, more understanding than we've ever had before. Because why? It's time for more light! When you get more darkness, you've got to get more revelation, more light, more understanding of the plan!

Isaiah 21:12

The watchman said, The morning comes, and also the night. if you will inquire, then inquire, return, come.

The watchman is calling you not to worry about the darkness. He's telling you to rise above it and know the plan. Listen to me. Satan has not hidden the gospel from the world. He has hidden the plan. Satan has not hidden the gospel of Christ. He has hidden the plan. When he took away the Sabbath, when he took away the holy days, he took away the plan.

The **RISING SUN** is not
just for **THE JUST**

It arises upon us **NOW** – so that **WE CAN ARISE UPON THEM LATER**

The light shone in the past but **DIMLY**. Yet we have this affinity to **LIGHT UP HIGH** the moves of Yahweh of **THE PAST** as if they somehow eclipse **TODAYS MOVE OF YAHWEH**.

No one in history walked in as much **TRUTH** as you are walking in. Your Israelite forefathers kept Feast with **NO UNDERSTANDING** of their meaning as **YOU NOW KNOW**.

Then Yahshua came and **BROUGHT MORE LIGHT !!!!**

Let me explain something and try to break it down for you. How many of you have ever heard Christians talk about yesterday in such glowing terms? Oh if we just had what we had yesterday. Oh we used to have this and we used to have that. That is non-biblical. You cannot have more light yesterday than you have today. I'm going to prove to you. There are people complaining that we don't have

what we had yesterday, and they'll refuse to come to this class and see the light that is shining today. While they're missing yesterday, they're also missing today.

The light shone in the past dimly, but yet we have this affinity to light up high the moves of Yahweh as if they somehow eclipse today's move of Yahweh. No one in history walked in as much truth as you are walking in. Your Israelite forefathers kept feast with no understanding of there meaning as you now know! And then Yashshua came and brought more light!

I want you to hear me. No one in history has ever known as much as you know! And I'm going to make a broad statement, and this one here is going to be one that if anyone took it out of context, it wouldn't be good. You know more than even the apostles understood. I'm going to prove it to you before you sit there and look at my crazy. You understand more than even the apostles understood! I'll prove it to you. I'm going to open the Bible and prove it to you.

You're walking in a light that scares me to think how some of you take it so lightly — that light you're walking in. The revelation, the understanding, that you could allow such little things get to you with such light that you've been given.

After Yahshua brought more light, the apostles came and brought us more light. But guess who brought us more light after the apostle Peter? The apostle Paul came and brought more light than Peter brought. Then apostasy set in on the church. We entered into the dark ages of Christianity and the light was only kept by a little flock. But in Zechariah 14:7 we've been given a promise.

Zechariah 14:7

But it shall be one day which shall be known to Yahweh, not day, nor night, but it shall come to pass, that at evening time it shall be light.

Hallelujah. When it gets so dark and the light of truth is almost gone out of the church (right at evening time, before the 7th day begins, in the evening of the 6th day, it's not night or day, it's neither of these days [6th or 7th]—we're coming out of the 6th day but we're not quite in the 7th day)—right at that time there will come a supernatural light. And that will be more light than anyone in history has ever walked in. Folks I hope you know what light you're walking in!

2 Timothy 1:10

But is now made manifest by the appearing of our Savior Yahshua Messiah, who has abolished death, and has brought life and immortality to light through the gospel.

In other words, Yahshua came and brought more understanding than any of the prophets ever had. They didn't understand immortality. They didn't understand eternal life. Noah didn't understand it. There was not this revelation of truth even to the prophets nor even in the Torah. The truth of Noah's day was not a message for Adam's day or even our day. Every day has it's own light to walk in.

John 16:12-13

12 I have yet many things to say unto you, but you cannot bear them now.

13 Howbeit when he, the Spirit of truth, is come, he will guide you into all truth...

Hold on now. Did Yahshua just say you're not ready yet for more truth? You're not ready. It's not your day for that truth yet. It's not time. You don't need it now. It's not your time for that truth! But when the Holy Spirit comes, he will take over and begin releasing truth to you as you get it.

...for he shall not speak of himself, but whatsoever he shall hear, that shall he speak, and he will show you things to come.

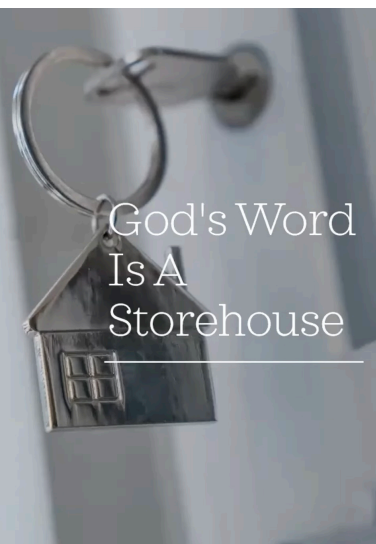

He will show you. The Holy Spirit is for future truth. Yahshua said there's truth that even I'm not going to teach you. So those who say all's you need to do is read the parable, read the New Testament, read the red words, Yahshua said I'm not even going to show you all truth. You're not ready for it. You don't need it yet. Brothers and sisters, the truth of Noah's day that a rain was coming was not a message that Adam needed. You don't go preaching in Adam's day there's a rain coming. Every day has it's own light to walk in.

What is a storehouse? It stores food for ANOTHER DAY, today.

Contained within the scriptures is all the food the bride will ever need - but it will not be released until DUE SEASON.

Luke 12:42-44
Matt 13:52

This is impossible to do from any denomination. You are allowed to bring out OLD THINGS but NOTHING NEW

Let's talk about the storehouse. What is a storehouse? Read Luke 12:42-44. A storehouse is where you store food for another day. Contained within the scriptures is all the food the bride will ever need, but it will not be released to the bride until due season.

Have you ever looked at your Bible and said, why didn't I see that? It wasn't due yet! Are you all hearing me? It was always in the storehouse and it would be released by the Holy Spirit when it was due. *Brother Vaughn, how are you all getting all this truth?* Baby we're not all that! It's just DUE! We're living in a time where it's our due. We are due it. The light is shining in the evening time.

Luke 12:42-44

42 And Yahweh said, who then is that faithful and wise steward, whom his lord shall make ruler over his household, to give them their portion of meat in due season?

43 Blessed is that servant, whom his lord when he comes shall find so doing.

Who is he going to release food to in due season? Whoever he's going to put in charge of the Father's estate. Who is Yahweh going to put in charge of the millennial reign? What evidence is there? How will we know who they are? How will we identify those who are going to rule in the millennium? He said here's how you'll know. They will eat their portion of revelation when it comes due. They won't say—*why didn't my grandma believe it? Why didn't my mama believe it?* No! When it's due them they will eat what's in storage! It's high time! It's due season. Keep reading.

44 Of a truth I say unto you, that he will make him ruler over all that he has.

Whew! Oh, if you learn to eat when it's due, glory to God! *Why didn't my mama...?* I don't know! But I know I've just been fed. And I'm going to eat when the meat's been released. I'm going to receive when the light comes! I'm not going to question, I'm going to eat! Hallelujah. Oh, taste and see that the Lord is good! Hallelujah. He said if you want to know who's going to rule and reign, they'll be the ones who eat when it's time to eat. Our Father doesn't feed us until he knows we're ready for it.

If you've ever heard the saying "the Bible's an old fiddle upon which any tune can be played" — the reason that is, is because people learn verses rather than the plan. This is why I told you at the beginning that the Mazzaroth was so vital to all

of our doctrines. Because the Mazzaroth lays out the plan in 12 steps, and any verse that does not line up with that plan, must be studied until it does.

Your duty is not to convert people. Your duty is to study his word. 1 Peter 3:15 explains your duty for you.

1 Peter 3:15

But sanctify the Lord Yahweh in your hearts, and be ready always to give an answer to every man that asks you a reason of the hope that is in you with meekness and fear.

That's all you're required to do. Study so that you can give an answer to any man that comes up to you, not that you go up to. You all need to learn this. It'll save you a lot of heartache. Let's read 2 Timothy 3:15-17.

2 Timothy 3:15-17

15 And that from a child you have known the holy scriptures, which are able to make you wise unto salvation through faith which is in Messiah Yahshua.

16 All scripture is given by inspiration of Yahweh, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness,

17 That the man of Yahweh may be perfect, thoroughly furnished unto all good works.

I noticed one thing it didn't say it was good for. Making you feel better about yourself. You all, this Bible is here to correct you. If you don't read this Bible and leave corrected, then you've not read the right Bible. Let's read 2 Peter 1:19.

2 Peter 1:19

We have also a more sure word of prophecy, whereunto you do well that you take heed, as unto a light that shines in a dark place, until the day dawn, and the day star arise in your heart.

We have a what? We have a *more sure word* than even the prophets had. Brothers and sisters, you cannot stand in the light. There's no such thing. You can only *walk* in the light. Why? Because light never stands still. If you're standing in yesterday's light, you're now in darkness. Let's read 1 John 1:7.

Ladies and gentlemen, you watch that sundial. Does light stand still? No. Light shines more and more. And if you stand in the light that you received...maybe you received a Baptist light, or Pentecostal light, or whatever light you received, if

you're still standing there...you're in the darkness. Because light is no longer where it was. Remember what I just said! Light is never where it was.

LIGHT IS NEVER WHERE IT WAS.

TRUTH is marching on. Let's read 1 John 1:7 and I'll prove it to you.

1 John 1:7

But if we walk in the light (you have to walk in the light), **we have fellowship one with another, and the blood of Yahshua Messiah his Son cleanses us from all sin.**

Only if we're walking in the light. Hallelujah. And the only way you're walking in the light is if you're walking in unity with the body. We're walking in the light. Brothers and sisters, quit bragging about the truth you had and long for the next one.

Revelation 21:24

And the nations of them which are saved shall walk in the light of it, and the kings of the earth do bring their glory and honor into it.

Walking in the light. Now according to Isaiah 42:7, let me show you the opposite of walking in the light. The ever-increasing light. Somebody say "the light that shines more and more". Unless you're walking *that* light, here's what you're doing.

Isaiah 42:7

To open the blind eyes, to bring out the prisoners from the prison, and them that sit in darkness out of the prison house.

What is our ministry? To reach into Babylon for those who are sitting in darkness. The sad thing about it—they're sitting where light once was. Notice the phrase "sitting in darkness". You can't walk in darkness. You have to walk in light. But if you're not walking in light, you're sitting in darkness. It wasn't always dark where you're sitting. There was light there, and you fell so in love with that light, that truth...you fell in love with that old light, you don't even realize it's darkness now.

(see next page for new slide)

The WORD was given In the Past but not THE REVELATION of the WORD

Ladies and gentlemen, your Bible is perfect. We never add to, we never take away from. Contained within that storehouse is all your food. But until you get the revelation by the Spirit, of the food, then you're not walking in the light of revelation. And therefore, it will do you no good. That's why the letter killeth. If you're eating food that's not for your day, the very Bible will kill you instead of help you. Let's read Ephesians 1:9, 10, 17, 18. I'm going to show this to you now.

Ephesians 1:9, 10, 17, 18

9 Having made known unto us the mystery of his will, according to his good pleasure which he has purposed in himself,

10 That in the dispensation of the fulness of times he might gather together in one all things in Messiah, both which are in heaven, and which are on earth, even in him.

It says he did not reveal this until the *due* time.

17 That Yahweh, the God of our Lord Yahshua Messiah, the Father of glory, may give unto you the spirit of wisdom and revelation in the knowledge of him,

What did he just say? You need to pray for the spirit of what? Wisdom and revelation. You've got to pray for revelation. That revelation doesn't come free to you. You've got to desire it. It's not Yahshua giving it to you. It's Yahweh, the God of Yahshua who will give you the spirit of revelation if you ask him for it. You have to *want* to know. And the only way you get the want-to is if the Father gives you that spirit.

18 The eyes of your understanding being enlightened, that you may know what is the hope of his calling, and what the riches of the glory of his inheritance in the saints.

That's the plan. Go back and read it again. Listen to what he said. You have to pray for an understanding of the plan. Read verse 18 slowly. You're praying that the eyes of your understanding will open about what? That you may know the HOPE about what? The hope of the whole world! You have to know the hope, and you can't know it by reading your Bible. You can only know it by *desiring* to know it. And desiring it so much that you pray to the Father for him to reveal it to you.

Or you don't even understand the plan. If you want to know the riches, you've got to pray for it. And then maybe you'll be scrolling through YouTube, and Yahweh will answer your prayer by sending you a teacher who will reveal to you the hope and the riches of his glory. Hallelujah. That's just the way he operates. I've heard it said...when you're ready, the teacher will show up.

Let's close out. And I want to prove to you what I said earlier that you all know. But go ahead and read Ephesians 3:4-6.

Ephesians 3:4-6

4 Whereby, when you read, you may understand my knowledge in the mystery of Christ,

He didn't say I want you to just read, but you need to understand the mystery.

5 Which in other ages was not made known unto the sons of men, as it is now revealed unto his holy apostles and prophets by the Spirit.

So are you telling me that Isaiah didn't know what that little rag-tag group of people now knew? According to scripture, Ezekiel saw the wheel in the middle of the wheel, he didn't understand what he saw. According to that scripture, Jeremiah didn't even understand the whole book he wrote, he didn't even understand it.

6 That the Gentiles should be fellow heirs, and of the same body, and partakers of his promise in Christ by the gospel.

Now, I want to prove to you that the prophets did not understand what they were saying. I'm glad they didn't understand. If they would have, it wouldn't have been written by inspiration of Yahweh. It would've been written by the minds of men. Listen. They were inspired. They wrote what he said, and then had no idea what they were writing. No idea. Now I want to prove to you that's the truth.

1 Peter 1:10-12

10 Of which salvation the prophets have enquired and searched diligently, who prophesied of the grace that should come unto you,

They prophesied it. But I didn't reveal to them. Yes, Isaiah didn't know what brother knew. Isaiah didn't know what sister knew. Do you all know that I didn't write that scripture? I'm just reading it. 1 Peter 1:10, read it again. Wasn't it Isaiah that said a virgin shall conceive, or a young lady? Wasn't it Isaiah that prophesied it? The Bible said they didn't have any idea what they were prophesying about. They didn't understand any of this.

11 Searching what, or what manner of time the Spirit of Christ which was in them did signify, when it testified beforehand the sufferings of Christ, and the glory that should follow.

12 Unto whom it was revealed, that not unto themselves, but unto us they did minister the things, which are now reported unto you...

Listen to what he just said. They spoke of things that was not for them. Guess what? The whole Bible was not released to church historian. That's why I place very little faith in the church fathers, so-called. Because they didn't even understand—it wasn't due for them to understand the light that would come in the evening time. Brothers and sisters, we're living in that great light.

The Apostles wrote truth that even
their human minds did not understand

Acts 10:28 - Further REVELATION came to Peter about the LIE of the laws of COMMON FOOD - 60 years after HE WALKED WITH THE WORD

Acts 11:1-3 & Gal 2:11-14 & II Cor 12:4-6 & Gal 2:2

Not one Apostle understood the mystery of the Book of Revelation - it was written in 96AD and the very title means UNVEILING, there was something being unveiled AFTER THE APOSTLES

Much more light is now DUE to us than any other age in church history !!!!

I'm going to prove to you right now that the apostles wrote truth that their human minds did not understand. Acts 10:28.

Acts 10:28

And he said unto them, You know how that it is an unlawful thing for a man that is a Jew to keep company, or come unto one of another nation, but Yahweh has showed me that I should not call any man common or unclean.

Hold on now. This is an apostle, 60 years after Christ died, that just said...I received further revelation! Hallelujah. He walked with the Word himself. Peter walked with the Word, he had the Bible walking in front of him. But he didn't have the revelation of it! You've got to get the *Due Season Revelation*. Peter said for 60 years I've been an apostle, and I didn't even understand about the difference in common food and unclean food. (I'm not going to teach on that today. You can go watch it on fiirstharvest.tv, the difference in common and unclean food.)

Peter was following Jewish tradition that said if you shake hands with a gentile, it makes you common. And that was nowhere in the Bible. And here's an apostle who's been teaching 60 years, teaching a lie. You all don't want to here that do you? You can't handle that truth can you? Sixty years the apostle Peter was wrong! Oh people don't know how to handle that. Sixty years he believed a lie. I'm talking about an apostle! I'm going to keep saying it to make you more nervous. Because, do you know what? You can't erase that verse. And I didn't write it, hallelujah.

Peter was wrong for 60 years! And he was leading God's church. Do you know what? It was not required of him until it was REVEALED to him !!! You're not hearing me !!! My grandmother didn't keep the Sabbath day right. It wasn't revealed in her day! It's revealed in my day! Peter, for 60 years, was keeping the wrong "Sabbath" if you will. He had wrong doctrine. But he was willing to walk in the light. Amen. Glory! Aren't you glad that he overlooks you if you're willing to walk in the light!? Amen. You've got to be willing to walk in it. Let's read further. Acts 11:1-3. I want to show you all that there's further revelation coming to you all even next year, and the year after.

Acts 11:1-3

1 And the apostles and brethren that were in Judaea heard that the Gentiles had also received the word of Yahweh.

Alright, now who is this? This is the leaders of the Christian church, the apostles! They're calling the headquarters church in Jerusalem and they're all mad. Do you know why they're mad? Because Peter has just started walking in a fresh revelation. Peter's coming back to his denomination. Peter's coming back to headquarters with a new revelation. And they are mad about it.

He found the right calendar, he found the right name, he found the right Sabbath day. He found all of that and here he comes back to the headquarters, and they, all of the apostles, James, the brother of Yahshua are angry. Because Peter's forsaking *the faith*!

2 And when Peter was come up to Jerusalem (here he comes before the counsel), they that were of the circumcision contended with him,

They were fighting. It was a church fight. There was a church fight among the apostles! They were having it out! They were calling him every name in the book. And when you start to follow a fresh light, they'll call you every name in the book. The church folk.

3 Saying, You went to men uncircumcised, and did eat with them.

You broke the church law! You violated the Bible! No he didn't. Because that common law is nowhere in the Bible. It was a Jewish tradition. And do you know who was purporting, who was supporting that wrong church teaching? The apostles! I said the brother of Yahshua! They were telling Peter...you're wrong Peter. But Peter had seen a fresh light. There's more to that story, but I don't have time to read it all. You can find out how they handled that.

Galatians 2:11-14

11 But when Peter was come to Antioch, I withstood him to the face, because he was to be blamed.

Uh oh. Here's the apostle Paul having it out with the apostle Peter. Watch this folks. The apostle Peter just had a revelation of truth, and now he's fighting with Paul who's had more revelation than he just had, and they're fighting over Paul's revelation of truth! You all aren't hearing me.

12 For before that certain came from James, he did eat with the Gentiles, but when they were come, he withdrew and separated himself, fearing them which were of the circumcision.

13 And the other Jews dissembled likewise with him, insomuch that Barnabas also was carried away with their dissimulation.

14 But when I saw that they walked not uprightly according to the truth of the gospel, I said unto Peter before them all, If you, being a Jew, live after the manner of Gentiles, and not as the Jews do, why compel the Gentiles to live as the Jews do?

In other words, I rebuked the church leadership. Paul said...I went with the light. And I went against Peter himself.

2 Corinthians 12:4-6

4 How that he was caught up into paradise, and heard unspeakable words, which it is not lawful for a man to utter.

I want you to hear what he's about to tell you. "I had a revelation of the plan, and I was told not to tell it."

5 Of such an one will I glory, yet of myself I will not glory, but in my infirmities.

6 For though I would desire to glory, I shall not be a fool, for I will say the truth...

Listen to what he said. "I want to tell you the whole truth. I want to tell you the whole plan, but I can't. I can't because I'll tell it to people who aren't ready for it yet." Listen. People come to me all the time. *Pastor you need to teach about this, and you need to teach about that.* I cannot teach everything I know, not even yet. Why? It's not due yet. Paul said...I wanted to tell you what I saw, but it's not the right generation, it's not the right time.

Listen to me folks. Some of you are out there telling truth, telling people, and it's not their time to hear it! You want to go run and tell everything you know who's not worthy of it! They won't receive it. Don't cast your pearls before swine.

Paul just said...I just saw something in the spirit. I saw the whole plan and I would tell you, I want to tell you, but if I do, it's going to make you ashamed because it's not time. You all are out there trying to get your whole family to be Sabbath keepers and they don't even know what the word Sabbath means. Before you know it, you get yourself ashamed and then them ashamed and everybody ashamed. Let them watch you keep the Sabbath faithfully for a few years. Come on now! And let them ask you...why do you do that? And then you better be ready to tell them.

...But now I refrain, (some of you need to know how to refrain. I would tell you but I better hold my mouth), **lest any man should think of me above that which he sees me to be, or that he hears of me.**

He said if I were to tell you the whole thing right now, you would think that I was a god. He said I'm going to refrain until the time is right—in due season.

Galatians 2:2

And I went up by revelation, and communicated unto them that gospel which I preach among the Gentiles, but privately to them which were of reputation, lest by any means I should run, or had run, in vain.

Oh my, you all didn't hear that. Read it one more time. I had a revelation. Listen to what he did. I went up to these people and I was going to give them this revelation of the plan. But I decided to just preach to them the same gospel I preached to the gentiles. But, privately, I found people who were worthy to hear this revelation. I found men who had a reputation of loving truth and I only shared the revelation with them. I preached the gospel to everybody else. He said...I knew who was hungry and who wasn't.

That's what some of you have to figure out. Who's hungry and who's not. And if they're hungry, go to them privately. You don't have to put on a spectacle with the whole family at Thanksgiving trying to show how smart you are. Go to them one-on-one privately. Hallelujah. Folks as I close, I want to remind you all that not one of the apostles understood the book of Revelation. Do you know how I know that? It was written in 96 AD, they were all dead. And the very title Revelations means what? Unveiling. There was something being unveiled after the apostles were all dead. Think about it.

Much more light is due to us than any other age in church history!

It's our time. Now, you may be thinking...what does this have to do with Joy Comes in the Morning, and hell and all that. I can't even go there with you until I help you understand there must be more light and revelation for our day because the first question you're going to ask when we finally get into these teachings... *well why didn't my mama know about it? Why didn't my pastor know about it?* I've got to clear out and help you up here (your head), to get all of those thoughts out of your mind. That's why today was to prepare you for more revelation that no, even my grandmother did not have. Sister no, I don't believe John understood the revelation either. I don't. I believe this end-time generation will understand the revelation. Hallelujah.
