

THE HEAVENLY SCROLL
The Mazzaroth Part 18/Leo the Lion Part 4
By Pastor Shane Vaughn, First Harvest Ministries

What makes our ministry unique and different is not the Sabbath Day, because there are entire denominations built around the Sabbath Day. It is not the Holy Days, because there are entire denominations that have the Holy Days. We believe what separates First Harvest Ministries' message from the messages of anyone I've found, is our unyielding focus on Leo the Lion, our unyielding focus on The Coming Kingdom of Yahweh to planet Earth.

All of the things that we preach and teach, such as what foods you eat and don't eat, and all of those things, if you do not connect those things to The Coming Kingdom of Yahweh, then you don't even know why you're doing it. None of the things we teach you, pretty much, are required for salvation. Did you know that? That is correct. Salvation is a free gift of grace. Salvation cannot be earned. I don't care how much you do, you cannot earn salvation. Let's make that plain and very clear.

The problem is, salvation is not the issue. When someone asks me if that's a salvation issue, do you know what I say to them? I say, "Salvation is not the issue." I flip the script on them. So if you're ever talking to somebody and they say, "Is that a salvation issue?," tell them, "Salvation is not the issue," and watch what they do. The whole church world is focused on salvation. That's not what Yahweh is focused on. That is not even what your Bible is focused on. That is not even what the gospel is focused on. We don't preach the Gospel of Salvation because salvation is the easiest thing in the world that will ever happen to you. It's so easy.

There is something BEYOND salvation. Is preparing for The Coming Kingdom of Yahweh to planet Earth. Many of you watching me still don't get it. You've been with me a long time, and I fear that I have failed in teaching you the main message of First Harvest Ministries. So I want to ask

every one of you right now: What are you preparing for? What is your LIFE all about? Andrew Vaughn, your life, son, is not about waking up and going to bed. It's not about finding satisfaction for that day. Your life is about The Coming Kingdom of Yahweh to this earth, and what you were born to be in that Coming Kingdom.

The reason people cannot live for Yahweh, the reason people can't walk in the righteous pathway, is because they don't understand the point. If salvation is free, and all there is, is being saved and going to heaven, then why live a righteous life? What is the point? In other words, if Jim Bob is saved, and I am saved—by the way, none of you are saved, but that is beside the point today—but if they're saved, and I'm saved, and Obama is saved, and Nancy Pelosi is saved, and everybody is saved, then why can't I live like them?

That is the point of Leo the Lion. In the Mazzaroth, as we came to Leo the Lion, we have spent the last few weeks teaching you about The Coming Kingdom of Yahweh to planet Earth. That's where we're going to pick up today; what that Kingdom is going to look like. We're going to help you understand your role in that Coming Kingdom. To explain these things, I'd like to start in the book of Zechariah chapter eight, verse twenty-three.

Many times I believe that people believe we are a Sabbath Day ministry, but the truth is, many people are keeping the Sabbath Day, but they are not celebrating the Sabbath Day. There is a difference in keeping the Sabbath and celebrating the Sabbath. If you will go and read in the Old Testament, we are not told to just keep the Sabbath, but: *You shall CELEBRATE My Sabbath*. How do you celebrate the Sabbath? This is very important. What is the Sabbath Day a shadow of, Sister Sandra Broliar?

It's a shadow of the Seventh Day, the Seventh Thousandth Year; the Reign of Yahshua.

If I'm going to celebrate the shadow, and I'm going to celebrate the Sabbath Day, I'm really not looking back as the Sabbath churches teach us. I'm

really not looking as much to Creation, as I am the NEW CREATION that's coming; the Recreation. So when you celebrate the Sabbath Day, if you will look at First Harvest church service on Friday night, we will teach you how to celebrate the Sabbath, because we don't come together just to keep it. We come to celebrate it. For example, our services start out at sunset. Why? Because the Day of the Lord will start with gross darkness. So we start our celebration at the same time as when the Seventh Thousandth Year is going to start: at nighttime. We greet the Sabbath Day as it comes.

Then the people walk in our church. You ought to see them sometime. They come in dragging, tired, worn out, haggard-looking, not hardly wanting to talk to anybody. They'll come dragging in like dead people, and they'll sit down, and just like the coming Sabbath Day, you're not going to know what happens first. The first thing that is going to happen on the Sabbath Day is the sounding of the shofar. So we practice that. We celebrate it. We blow the shofar in celebration of the seventh trumpet that is going to sound. Ladies and gentlemen, all of a sudden at First Harvest Church, when that trumpet sounds, do you know what happens? The dead in Christ literally rise up every Seventh Day, and they come out of their seats.

Then, do you know what they do? They do what we imagine we are going to do at our Resurrection; and it is not with our arms folded, and it's not sitting down and drinking coffee with one another. No! We imagine on that great day when we come up in the First Resurrection, it's going to be a Holy Ghost party! There is going to be shouting and dancing; celebrating!

So we celebrate the Sabbath Day in anticipation of everything that it means to us. Amen. The Sabbath Day is always in connection with The Coming Kingdom of Yahweh. That is the point I am trying to make to you today. If not, you'll just become a Sabbath keeper with no celebration. You will not be obeying the commandment. I feel like I'm talking to somebody. You will not be obeying the commandment: *Celebrate My Sabbath*. Don't celebrate the Shadow; no, no, no. Celebrate the FULFILLMENT that is to come! If not, you just become a Messianic, which is a mess.

I call them Messy Messianics. I love them, but they are just as religious as the Catholic Church. The Sabbath Day is not about the Sabbath Day. It is about what it represents, and the celebration thereof. So what happens is when you get all these doctrines that we're not supposed to eat that, I agree, but we are doing it in Connection with The Coming Kingdom of Yahweh; in Preparation for that Kingdom. Everything you do, do it in PREPARATION for The Coming Kingdom of Yahweh.

Do you know how in Christianity you were living your life in preparation of going to heaven? Scratch all that now. Live your life in preparation of your role in The Coming Kingdom of Yahweh. HalleluYah. In Zechariah, we are going to start off today, with explaining what you are going to be doing in The Coming Kingdom of Yahweh.

Zechariah 8:23 This is what Yahweh of hosts says: In those days ten men, out of all languages of the nations, will take hold of the Tzitzit on the tallit of him who is a Yahdai, saying: We will go with you, for we have heard that Yahweh is with you.

This is very important. This is the connection of the Ten Lost Tribes with the Tribe of Judah. According to Zechariah, in those days, which are upon us now, there is going to be a job for the Ten Lost Tribes and the Jewish people. When they come together in the Millennial Reign, they are going to have a job to do. What is that job that you're going to have? Let's take the word *job* out now. That's an ugly word. You will have a DUTY and a PURPOSE. You are going to have a purpose and a ministry in The Coming Kingdom of Yahweh, and it's going to be to teach the nations the ways of Yahweh.

For me to explain it to you, I'm going to have to use a parable. I know some of you watching me have your own thoughts about the Royal Family, but I need to use them right now to illustrate your purpose in the Coming Kingdom, and the only people I can think of to use as an analogy is the Royal Family, whether they act royal or not. That's not the point. I just need you to follow this parable today.

When Queen Elizabeth II of Great Britain gave birth to Prince Charles, Prince Charles was unlike anyone else that was born in Great Britain. He was British just like the commoners were British. He was no more British than they were, or he was no more saved than they were. Are you following me? He was no more a child of Great Britain than anyone else. He was a British man, just like the one that is shining his shoes. Both are British. Both are saved. Both are loved. Both are cared for.

However, Prince Charles when he was born had a DESTINY that other saved people, other British people, didn't have. From the moment of his birth, he received the education and the training necessary. Not to become a scientist. Not to become a doctor. Not to become a lawyer. Not to become an engineer. He received specific training every day of his life. Do you know what that was? How to be a king. That's it. Every day when he woke up, he had one thing in his mind: a THRONE that it looked like he would never sit on. It looked like his mother would never pass away.

The man is now seventy-seven years old, finally a lifetime of training on reigning will be implemented. He has learned in that training what it takes to keep his nation together. He is the figurehead of all the British people. When he sits on that throne, his life destiny will be realized: to rule over the nation of Great Britain. He received the training necessary to serve the people. Prince Charles has a son named William. I'm sorry to say he has no life, and neither do you. Prince Charles and Prince William are not like Prince Harry.

Sister Linda Andreas, go ahead.

I think it's wonderful that you're bringing up royalty because I was studying Esther this morning. Queen Vashti didn't do her duty. She did her own thing. It made me think of my rule in government right now. I can choose my own hours. I can do anything I want. I don't have to show up to work if I don't want to, but I wouldn't be doing my duty. I wouldn't be serving my people or my Lord.

That's right. There's eyes on you now that were never on you before. You are now in government. This is a great analogy. Before Linda became a county clerk, Linda was just a grandma. But now Linda is government. What does that mean? I hate to say it, but her life now is open for inspection. Her actions are not of her own. She can't wake up today and decide to do something stupid just because she wants to. In days gone by, when she just wanted to be a citizen of the kingdom—when she just wanted to be saved—she could go do her own thing. But the moment she aspired to serve the people, was the moment she was called into royalty.

She mentioned Queen Vashti. For those who have not heard my sermon *Esther, a Shadow of Things to Come*, you must go listen to it. Queen Vashti is the old version of Prince Harry. Prince Harry wanted a life. He wanted to make his own choices. He did not like the restraints of a royal life. He wanted to do like your *old man* likes to do: he wanted to get his story out. He wanted to be important. He wanted to do it his way without the restraints.

I'm not endorsing the Royal Family or disendorsing them. It has nothing to do with them. It's got to do with that institution. Harry and Meghan are getting all the attention. This is important. They are getting all the attention. They have the Netflix series, they've got the bestselling book, and yet, something is happening to them in the polls. Their popularity is plunging. Do you know why? They're not royal. Notice who has not responded. Notice who has not been able to say their story—William and Kate.

All this mud is being slung at Kate while she is serving her country, while she is out today at charity balls raising money for those in need in her nation. While she is out there serving as a role model for mothers and wives, Meghan is throwing mud at those who are serving. They can't say their piece. Don't you know that Kate would like to tell her side? Why can't she? She was born for greater things than drama. She was born to SERVE. She chose that life. Every one of you has been called, like Prince William. At

his birth, he was called to the throne. The man has no choice but to abdicate, because it is a call to something great; beyond being British. He has been called to royalty. Just like Prince Charles was born INTO the reigning family of England.

I'm getting to something. Remember, I taught you a few weeks ago that nobody is born again yet. Remember? I showed you when you will be born again. Do you know when you will be born again? When you are born INTO a REIGNING Family. That family is the elohim; the God family. You were saved, not to go to heaven, but to be qualified like Prince Charles, to not abdicate your throne.

Today, I'm teaching you about Christians who have abdicated their throne! A Christian who is trying to go to heaven has abdicated their throne. This is bigger than you realize. What you're learning in these classes, oh if the world understood it! You are promised ONE thing by the Messiah, and I want to show it to you. It comes in Revelation chapter three, verse twenty-one. I want to show you how you're abdicating your throne by wanting to go to heaven.

Revelation 3:21 To him who overcomes I will grant to sit with Me on My throne, as I also overcame, and sat down with My Father on His throne.

Brother Vaughn, what is the point of me overcoming drugs and alcohol, sexual immorality? What's the point of me overcoming those things?

Because only those who overcome those things—overcoming rebellion—will sit with Me on My throne. And yet, I know very few Christians who have any desire to sit on the throne. I'm serious. I don't know of any Christian where that is their desire. Ask any Christian what their major desire is and they will tell you, "To make heaven my home." Did you grow up hearing that testimony in service? They all pray, "I just want to make heaven my home. I just want to barely get in there. As long as I make it in!" I get so tired of hearing all of that.

I'm trying to sit where Yahshua made me a promise that I could sit with Him in the governing family of Yahweh! He made me a promise that everything I'm going through will be worth it one day. Is anybody hearing me? Everything that I've overcome has a promise: to sit with Him in His throne. Just like Prince William, you are destined for the throne! That's why you can't do your own thing. That's why royalty never explains and never complains; because they're FOCUSED on their PURPOSE that they have been born to do.

But unlike Prince Charles and Prince William, you are not going to be a temporary king. You are going to have an ETERNAL throne, and I'm going to ask each student in this class today to try to fall in love with the throne! In your mind, think about what you're going to do in that Millennial Reign. We're going to learn more about that today. Let's read Romans chapter eight, verse sixteen through verse seventeen. I want to explain that the throne comes by INHERITANCE. You must be a child of Yahweh to inherit the throne.

Romans 8:16-17 *Yahweh's Spirit itself testifies with our spirit, that we are the children of Yahweh. 17 And if children, then heirs: heirs of Yahweh, and joint-heirs with Yahshua, since we suffer with Him in order that we may also be glorified with Him.*

There it is. Did anybody really hear it? When it says *you're joint heirs with Yahshua*, that is better than being a joint heir with Prince William or Prince Charles. What are you an heir to? That's the problem. You all scream, "I'm a joint heir with Jesus," but what are you a joint heir to? Cloud riding? Honestly, think! What are you a joint heir to? The River of Life? What does being a joint heir with Yahshua mean? A mansion in the corner of glory? What are you really a joint heir to? THE THRONE!

He was promised the throne and He said, "I don't want to govern by Myself, so I am going to have joint heirs that will govern with Me." Now I want to try and break it down further for you. Joint heirs to the throne of England,

receive special training for their future positions. Now I'm going to say some things that some of you won't like, but by now you should know I don't care. Where do we get this training for our future role? This is important! Why do you think Yahshua came the first time? To create something, and it's not the Kingdom of Yahweh. Yahshua came the first time to Establish the CHURCH OF YAHWEH.

The Church of Yahweh and The Kingdom of Yahweh are not the same. *Why not, Brother Vaughn?* I'll make it real simple. The Church of Yahweh, which you're sitting in right now, is the TRAINING CENTER for The Kingdom of Yahweh. *How is that Pastor?* Because when you come into this meeting Saturday morning, you're going to have the tar beat out of you. You're going to get every little bit of rebellion in your heart exposed, and you will feel the constraints of royalty. What are the constraints of royalty? A ROYAL LIFE. What is a royal life? I want to show you what royalty looks like. Do you know why Meghan Markle could not make it in the Royal Family? Nobody ever taught her to honor or respect authority.

How do you know that Pastor Vaughn? Because I watched the documentary on Netflix, I'm ashamed to say, but I did it for research. Did you know that when Prince Harry was bringing her to meet Queen Elizabeth for the first time, Harry looked at her and said, "You do know how to curtsy, don't you?," and she laughed and said, "Why should I have to curtsy to anybody?" When you're a commoner, you don't understand royalty or authority and you will not submit to it. You will see other men and women as your equal. You get that because you are an American: *All men are created equal*. But what you don't understand is that we may be created equal, but we don't wind up being equal.

I really need you to hear me now. You're not equal with the county judge. I promise you, you're not. You're not equal with the sheriff. You think you are? *I put my pants on just like he does. God speaks to me just like he does to him.* You better get rid of that common mentality. You better get rid of that Christian mentality. You better get rid of that American mentality. You've got to train how to curtsy, because in The Coming Kingdom of

Yahweh there will be a hierarchy. Did you know that? You better be curtseying in the Kingdom when King David walks by you. Really folks, I need you to break through your Christian mentality.

This subject I'm teaching now is the most hated subject I teach on! There is something that comes up in the hearts of men where we think we are all equal. That's why when we get to that scripture that says to obey them who have the rule over you in the Lord, we despise that scripture. *Who has the rule over me? We're all Christians. We're all saved. God speaks to all of us.*

That spirit is going to keep you out of the first resurrection. If you go into the Coming Kingdom with that common mentality, you will never submit to David, Paul, Silas, or anyone else who is ruling over you. Did you know that there will be no democracy or voting in the Coming Kingdom? Democracy is demonic. It was created to keep demons under control, because we can't have righteous leaders right now, so we can't have democracy. Listen folks. Yahweh created the Church to see how you would respond to the structure of the Church, and the authority of the Church Order, before He would let you pass into the Kingdom Order.

I'm watching the screen and I'm getting no claps. I get it; it's tough. I told you before you started with me that everybody was not going to stay. Everybody is not going to last. You have to get rebellion out of your hearts, whatever it takes. You've got to break this mentality. I've got to break this mentality. I have a pastor that I'm fully submitted to, and as long as I'm alive, I will curtsey to him. You know I'm speaking metaphorically, right? I'm not physically curtseying to him. Curtsey is a symbol of surrender to authority. Yahweh is calling us all to prepare for the Coming Kingdom. He gives us the Church so that we can examine one another, so that we can prepare to rule and reign with Yahshua.

The Kingdom of Yahweh is a FAMILY, as well as a Government. So could we say that it's a family government? Yes. What is The House of Windsor? A family government. Some people are born into it. That means they have been called into that family government. You have been called into that

family government. Right now there are only two personages in that government. Right now there are only two: Yahweh and Yahshua. That's it. That family only consists of two personages. I will not call Yahweh a person. He is a person, but He is not human. Two right now; the Father and the Son. That's it! That's not going to work on an earth with multiplied billions of humans to be governed.

Right now, the Father and the Son are in the throne room. Why is the Son there? Because He qualified for it! He EARNED that throne. "Now, all power and earth has been given unto Me," He said. He didn't have it before. Now it's been given to Him because He earned it. He came to earth, He submitted, and He even submitted to Pontius Pilate. He submitted to authority even when they were wrong! But you're not going to do that, I know. You're God's special person and you don't submit.

I don't know why Yahweh has me on this today, but I'm on it. Yahweh wants to break your MENTALITY. He wants you to learn to let go of your LIFE, your CHOICES! You cannot go to the stipclub, William! Why? Because you've got to lead by example. You can't go out there William, and respond to Harry's book. But don't you know there's a part of William telling his Father, "I should be able to."? But you can't, William! Why? You're not like commoners!

DON'T BE COMMON CHRISTIANS! BE ROYAL ISRAELITES!

Don't be common. Common Christians don't submit to anybody. Break that mentality. Find a place to serve your brothers and your sisters. Plan a place to serve with whatever gifts you have, and start practicing. I am so thankful that there are so many wonderful people in the headquarters church who are servants. I looked at the congregation last night. Our church is filled with so many wonderful people who are beautiful servants. One family just moved there: the Sewell family. Before they arrived, nobody cooked for the church family after services on a regular basis. We always went out to eat and it always cost a good deal of money.

When the Sewell family moved here, Sister Caly cooked for our church nearly every service, and she stays and cleans up the kitchen afterwards. With her high heels on, she is cooking and cleaning; serving the people. Not one time did we ever ask her to do it. She never came to me and said, "I hope you see what I'm doing." Why? Because we all must learn where to serve; what to do to prepare for royal life. Amen.

May I give a testimony to that? I've never experienced a church full of servants. When we come to the Feasts no matter where they are, the people on both ends set up and clean up. They are servants the whole way. We are so grateful and blessed by them, and their example.

Thank you. That makes my heart happy. There are only a few of us, but we serve the whole congregation across the nations. I'm grateful. So many wonderful people.

Now let's go to Daniel 7:27. There are a few hands up. While we're turning to Daniel, I'll take you next, Sister Sandra.

Good morning. What keeps coming to me about all of this in the body, is that the great motivator for this service that you speak of, is that we have a tremendous desire to have the beauty of His holiness. The throne of God is not like some earthly throne of a tyrant. There is such beauty on God's throne, that we have this tremendous desire to sit on that throne with Him, and be like Him.

Sister Sandra, the throne used to bring the people together. The throne was to bring hope to the people. Remember, they used to say, "Long live the King!" The reason they said that was because if it was a good king, he brought safety and prosperity to the people. We are going to bring HOPE to the WORLD through the THRONE of Yahshua. But only those who have submitted to the Church can submit to the throne. That's why Yahshua created the Church. Read.

Daniel 7:27 Then the kingdoms and governments, and the greatness of the kingdoms under the whole heaven,

Hold on. Is this a prophecy about heaven or a prophecy about under the heavens? *Under the heavens*. What is under the heavens? *The earth*. According to Daniel, all the kingdoms of the earth will what? Read.

will be given to the people of the saints of Yahweh, Whose kingdom is an everlasting kingdom, and all governments will serve and obey Him.

Notice that it didn't say that all these kingdoms will be given to Yahshua. They are given to the SAINTS OF THE MOST HIGH! That's your throne that you've been promised; the throne that nobody wants. Nobody wants the throne. I can tell by your attitude if you want the throne. I can tell by how you respond to authority if you want the throne. I can see by the choices you make in your personal life if you want the throne. I can see by the way you treat your brother and your sister, if you want the throne. I can see it in your FRUIT if you're in the throne-zone. If your eyes are on the throne, then you're on the throne now.

Ladies and gentlemen, there is your promise! I was in Christianity all my life and never really heard that verse. You are training for reigning, beloved. Don't get so caught up in the Sabbath Day and the Holy Days that you forget what you're celebrating. Passover is in three months. Passover is not even about the death of Christ. It is a SHADOW of something still to come. Passover has not been fulfilled, because it is The Marriage Supper of the Lamb. We celebrate these things in anticipation of what the promise to us is. Let's turn to Revelation 20:6. Go ahead, Sister Caly while we're turning there.

Hi Pastor. I have a question. It has to do with the blood of Yahshua and Passover. I watched a movie of the book of John, and something caught my eye. It was when it was prophesied that Jesus came to die for our nation, which is Judah and the ten other tribes. Did that mean that He

only died for Israel? I know everybody thinks He died for all of us, but if He only died for Israel, is it fair to say that the other people don't get what we got because it's not for them?

Absolutely, He only died for Israel. And nobody gets what Prince William is going to get. However, they are all British, or they are all saved, but only Israel was ever promised to lead in the Millennial Reign. So in our history, the only ones that Yahshua is calling is "Prince William!" Don't get confused. I'm not talking about Prince William. I'm talking about all the royal princes. The reason that Yahshua said, "I have only come to seek and to save that which is lost, the Lost Tribes of Israel," is because right now, all He's trying to do is create the royal family before He saves the whole family of earth.

We don't understand these things, and that's why we get so confused. Right now we're dealing with royalty. He is calling people to royalty right now, but He will not be choosing everyone for royalty. All the Lost Tribes are being called right now. Many of them are sitting in this classroom. They were called, but until you can SUBMIT, you can't be chosen. That's from the Word of Yahweh. Until you understand your position, you won't live like it. Before you know it, you'll be like Harry. Prince Harry was called to royalty, but now he's been rejected. All of the Tribes of Israel, all of those bloodlines in your family will be called; as many of them as Yahshua shall call. Some of you who have been called will not be chosen.

Many are called. Only a few will be chosen. Meghan was rejected; Kate was chosen. Are you getting the picture? One day, all of the British people will be in the Kingdom, but not on the throne. We don't comprehend this. Christianity has destroyed the gospel of Yahshua. Destroyed it. We're trying to restore it. We're trying to get you into the throne mentality; into the Kingdom mentality. Sister Shefflette, go ahead.

Pastor, you always amaze me because I just had this conversation with a family member, and he's created his own religion. He said if we call on God, any god can interject. So I had to explain authority to him, and that

there's authority in the Name and the title. I guarantee you, those gods want to be called by their name and title. I told him that my God is Yahweh, the Creator. Then Yahweh threw in an analogy. I am Tina. In my castle, I am the grandmother and the mother. I am the mother of Chelsea, Devin and Brianna. I created them. No matter what they do, no matter what they achieve, they will never hold my position of authority.

Yes. Even though they are female like you, they will never hold that position of authority.

I need to walk correctly and righteously in that authority, hence the commandment to honor your father and mother. I am their first authority, and the first way they can submit themselves. As a parent I walk in righteousness and authority over them.

You bring up a good point Sister Tina, and I want to comment on it. You are over your child. That can go one of two ways. If you are a bad mother, you can be over them to damage them; to harm them. If you are a righteous mother, your being over them makes sure that they're home at midnight, because you know what happens after midnight. You're not over them for their destruction. You are over them for their instruction. You are over them in the Lord to bring them down the Path of Righteousness.

Now let's go back to titles. Has anybody ever wondered why there is still a Royal Family in our modern world? Let's think about this. Why has Yahweh allowed all the trappings of Buckingham Palace, and all of those things? It's mesmerizing. Why is there still a Royal Family? They really don't govern anymore. They have no power anymore, very little. And they really don't fit with the mentality of the modern world. So why are they still there? First of all, that is the throne of David.

Oh Yes! Go watch my teachings on the British Throne on fhtv.tv. David was promised that there would always be someone sitting on that throne. If you don't believe that's the throne of David, go to Ireland to the museum there, and you will see where the prophet Jeremiah brought over the

granddaughters of King David after they went into Babylon. It's all in Ireland. Why do you think Ireland is called Ireland? The ire is the harp of David. Look at the harp on their flag, and then look at Her Majesty's flag. You will see the harp of David.

There is a reason that the Monarchy still exists. It is to put in your mind thoughts of royalty. They are only there for you to see it as a parable. That's all. They serve no other purpose in this life. There is no other reason than for you to look at that and say, "That is my destiny." You have to know these things or you'll be a commoner. Listen. The Title is so very important. Now let's read Revelation 20:6.

Revelation 20:6 Blessed and holy is he who has part in the first resurrection; on such the second death has no power, but they will be priests of Yahweh and of the Messiah, and will reign with Him a thousand years.

All those who come up in the first resurrection will reign with Yahshua Messiah. And no, that is not all of Christianity. That is only the CHOSEN. If you are called, you will come up in the first resurrection. You will come up in that first resurrection. Only those that were in the Church in this age, and learned the royal life will be in the first resurrection. The Church was not built to get people saved! All of these poor people out on the streets trying to get people saved, blows my mind. Honestly, you are totally ignoring the PURPOSE of the Church. I didn't mean to step in that pile of it.

How many of you have heard that the purpose of the Church is a hospital for the hurting? No it isn't! The Church is the Coming TEACHERS in the Millennium! Every one of you has been called to be a teacher in the Millennial Reign, and you've got to be trained for that somewhere. If you're still trying to get dirt on your brother or sister, and inboxing people to find out what you can about that person, do you think Yahweh is going to let you do that in the Millennial Reign?

The Church is to call you on the carpet! You don't like this. I see that spirit in some of you. You've got rebellion a mile deep in your heart. The Holy Ghost will root it out or you won't be back in this ministry. You hate what I'm preaching, you spirit! I see you! You hate what I'm preaching because it's the Truth, and it goes against everything you believe. You cannot kick against these pricks. You've got to surrender. You've got to say, "Yahweh, something is wrong in my heart. I love drama too much. I love the common stuff." You've got to learn in the Church that we are not like the world.

But Brother Vaughn, we are to go save people and bring them to Christ.

No. The Holy Ghost DRAWS people to Salvation. The Church BRINGS them to Perfection! I don't know if you heard me or not, so I'm going to say it all over again! The job of the Church is to bring the saints to Perfection.

Brother Vaughn, is there any Scripture for that?

Where do you want me to start? I wish I had time, but I'll just bring a few up from my mind. The purpose of the five-fold ministry from Ephesians 4:11—Apostles, Prophets, Preachers, Pastors, and Teachers—has ONE purpose, and it isn't to get anyone saved. It is for the PERFECTING OF THE SAINTS! It's for the Perfecting of the Government that is about to control the whole world! You're about to have control of the whole world! Did you know that? You are about to control the NATIONS, but you can't control your own curiosity. You can't control your own desire for attention, your own desire. The Church will hold you accountable.

Why do you think that when people rise up against us, we beg them to come before the Church? Because your lies are getting ready to become proven true or proven lies, and you're not ready for that. You want to hide in the shadows like a rat or a cockroach. When light comes on you run because you've got a spirit in you that is not throne-ready. If you are trying to get on that throne, you're trying to get away from drama. You're trying to get away from the ugly things that people put in your ears.

I want to tell every single one of you something, and I want you to hear me now. According to the Word of Yahweh, there is only one way to settle problems in the Church. Number one: you go to your brother or sister before you ask anyone else their opinion of it. It doesn't say that you go to the accuser. Oh, no, no. You don't go to the accuser. One day you're going to have to govern in the Coming Kingdom. If you don't know this basic principle of problem solving, how are you going to solve problems in the Coming Kingdom? Do you know what Paul said in First Corinthians 6:1-11? He said, "I'm ashamed of you all. You're going to court with one another, but you are to judge these matters in the Church."

Nowadays you can't judge matters in the Church, because nobody wants to come before the Church. The Bible said that if you hear an accusation against an elder, you are not to receive it. If you do it, you are operating in Satanism.

I just want to see if it's true.

Then go to the elder.

I want to do my own investigation.

Who do you think you are? Investigation STARTS with the one being ACCUSED, and we don't even do that in the American system of justice! We don't go to the accuser; we call the defendant to the stand. In Yahweh's Church we don't even do that, but you're going to rule and reign with Christ in the Judgment Seat? I fear who is going to be chosen for the First Resurrection. To some of you, this is just a game, but some of you are hearing what I'm saying. Yahweh has a job for you to do, and that's why He created the Church. Are you starting to get it now? The Church is the microcosm of the Kingdom!

Brother Vaughn, what do you mean we're not here to save the world?

The Holy Ghost needs no help to save those whom He is calling. He will bring them to a member of the Church who will bring them in, and that member will bring them to the local assembly to train them for reigning like I'm doing to you right now. Some of you right now who think I'm being harsh; you're not kingdom-ready. It's when I'm harsh just like your loving parents. When they got harsh with you, it was to turn you into a good citizen of the United States of America. A productive citizen. I'm trying to turn you into a RULER; a ruler with Christ! You cannot rule if you don't obey the Scriptures, beloved.

He has called you today, but will He choose you? He has called me, but I'm like the apostle Paul. I don't know if He's going to choose me. Paul said, "I don't know if I'm going to make that first resurrection." Paul said those words, and that's the way I live. I don't know if I'll make it, but I'll promise you one thing. I will do as Paul did.

I'm going to read the rest of that verse. He said, "I'm going to forget those things, those mistakes that are behind me, I'm going to forget the failures where I didn't measure up to that message being preached, Pastor. I'm going to forget all those things, and from this day forward I'm going to press toward the mark of that HIGH, Royal Call. I'm going to press towards it." I promise you, beloved, if you press towards it, I believe you will get there!

The next question is WHO are we going to be reigning over? Let's go to Revelation 2:26. Go ahead Sister Camry, while we're turning there.

First of all I want to say thank you for everything you're teaching. I also wanted to say a thought about what we're talking about today. I think I've been looking at this the wrong way about the ruling and reigning. I was thinking that I didn't want to be in power over everybody because that makes me seem like I am better than them. But the way you explained it, I now see that I get to serve, and I feel like that is more how I want to be. I want to help people, and not necessarily be over them in the sense of 'you do this and do that.' I'd rather be over them in the sense of teaching them.

I think you have the same concern that everybody in this room has. Nobody wants power over people. To want that power is satanic. When I used to look at Queen Elizabeth, I felt sorry for her. I never thought I wanted to be Queen Elizabeth. I felt sorry for the woman. She lived her life waking up every day unable to live her own life. She was under constant scrutiny, and she served. She woke up with a calendar telling her what charity she had to be at, that day. Then she had to walk in Parliament with that heavy crown on her head, knowing the whole world was watching her. She brought her nation together. She brought unity to her nation.

The Throne is a SERVICE. Yes, there were evil kings who took the throne and took power over people. That's what Satan does. That's why the Father has to make sure that when He gives you the throne, that you won't do that. Where does He find that out? Right Now. Amen. Let's go ahead and read Revelation 2:26.

Revelation 2:26 And he who overcomes, and keeps My works until the end,

Whoa! We have a problem. *It's not by works*, they all say. How many of you have ever sat in a church where they would throw you out for the word *works*? Amen. All I'm doing is reading the Bible. You all realize that, don't you? I didn't write it. Who wrote it? The Holy Spirit did it. Yahweh did it. According to that scripture, the only way you're getting on the throne is by your works. *Come out of her My people!! Get out of there!*

If you ever hear somebody tell you that there's no works involved, you are listening to a satanic teaching. There are no works for salvation, but who cares about salvation? Salvation isn't the issue. I was promised a Throne, and I want it. I want to SERVE in the Coming Kingdom. Now keep reading, and let's find out who we are going to rule over.

to him I will give power over the nations—

We will rule OVER THE PEOPLE! Humans! That word *power* is a bad word. It should have been translated as *authority*. Here is where I'm trying to get to today. I am going to look up a scripture that is popping up in my mind. Now go to Matthew 8:9. You are going to have authority over humans because you won't be a human anymore. You are going to be a spirit-being. You are going to look like a human, but you are not going to be flesh and blood.

You will be governing in authority over the commoners. There is nothing wrong with the commoners. Everyone can't be royal. We love the commoners. We serve the commoners. Do you know that the Queen of England couldn't even go into the House of Commons? She wasn't even allowed in the House of Commons. Blackrod would knock on that door so that the House of Lords, and Her Majesty could come in. Do you know why? She was a servant to the commoners. It was all about the commoners. She was their servant, not their lord. She didn't have power over them, but she did have authority over them.

According to this scripture, a day is coming soon when you are going to be given authority over humanity. Guess what that means? It means you will be given authority over your enemy. What will you do with that authority then? *Love them*. Thank you. Now do you see why I am saying that the Church is the microcosm of the Kingdom? You can't even go to church with people right now and get along with them, but you're going to have authority over people that get on your nerves?

My church gets on my nerves sometimes, and I get on theirs when I'm late all the time for everything. We could go down the list of when I get on their nerves. But it doesn't matter because the love of Yahweh abounds in our hearts, and our love for one another overlooks their failures. The only thing we never overlook in this church is rebellion, because rebellion is Satan himself. The rest we overlook.

You're going to be given that authority very soon. What are you going to do with it? Whatever you are doing with it right now. Many people have often

mentioned that when people have mistreated me publicly, that when I see them on the streets, you would think they had never done anything to me. I won't say anything about what they've done. Do you know why I don't walk up to them and say, "I know what you said about me."? Do you know why I walk up and throw my arms around them? They may think I don't know, but I know more than you think I know, because people inbox me on the regular, and they send me screenshots of your messages; the ones you told them not to tell me. But you'll never know it. I'll never treat you any differently, because I don't abuse this authority.

I want to teach you how to use your authority. The way I teach you is by demanding that you come under authority. If you don't know who your pastor is, if you don't know who your shepherd is, and you're just following television teachers, that's a cop-out. You've got to have a father in the Lord.! Paul said you must have a father in the Lord; someone who can scold you, and you're okay with it because you know they love you, and you know that no matter what you've done to them, it's forgiven before you ever did it. We've got to learn how to be in authority. Let's read Matthew 8:9 now.

Mattithyah 8:9 For I am a man under authority, having soldiers under me; and I say to this *man*: Go, and he goes; and to another: Come, and he comes; and to my servant: Do this, and he does *it*.

I AM A MAN UNDER AUTHORITY, AND THEREFORE, I HAVE AUTHORITY.

Do you want to know a secret? Do you want to know why nobody has been able to shut our church down? Before you say, "It's because Yahweh is protecting you," oh no, no. There's an old man that sits in my church. He sits on the left side, and hardly says a word, but you can't get to me unless you can get through him. I'm under authority, and that man knows my life better than all my enemies. If you think he would put up one minute for all they've accused me of, then you don't know Bishop Frank Kendrick.

Have you ever thought when you've heard things about me, that Bishop Kendrick has been in that church for fifty years? Do you think he would give his life ministry to a man that is guilty what they say? Have you lost your mind? That man is at my house every few days. He knows my life better than anyone. Do you know why I'm protected? You can't get to me until you get to him, and you're not getting to him. Do you know why? His stamp of approval on my ministry is bigger than your accusation.

Those of you under my ministry, they can't get to you until they can get to me. When you come under authority, all of a sudden you get authority. Isn't that amazing? Yahweh is really working on all of us to get us ready for the Kingdom. We're going to go to another verse: Revelation 11:15. Go ahead Sister Jan Meadows.

I really think where we are on the biblical timeline is all about being falsely accused, just sd Yahshua before He died and went to be with Yahweh in heaven, was falsely accused. It tells us in Isaiah fifty-three that He was oppressed and afflicted yet He opened not His mouth, and as a sheep before its shearers is silent, He opened not His mouth. I think that we, in this timeline we're in as we are coming out of Christianity, are being falsely accused of speaking the truth, just as Yahshua was falsely accused of speaking the truth.

Before we can ascend in that first resurrection, we have to know how to deal with false accusations. It's all over the place. In Isaiah He tells us that the heritage of the saints is that nothing against us will prosper and every evil word spoken against us, God will refute on our behalf. It tells us in Romans 12:19: "Beloved, do not avenge yourselves; instead, leave the way open for Yahweh's wrath, for it is written: Vengeance is Mine, I will repay, says Yahweh."

Yahweh will repay by us being seated and ruling and reigning with Him in His Kingdom. All those that were against us, that is the vengeance we will see: that we will be ruling and reigning over them in authority but in

love. Just as Yahshua shut His mouth, and never said anything, that's how we will be.

It's really amazing. And in James it says, Count it all joy, my brothers, when you meet trials of various kinds, for you know that the testing of your faith—that's where we are—produces steadfastness; and let steadfastness have its full effect, that you may be perfect and complete, lacking in nothing. We will be lacking in nothing when we rule and reign with Him.

Mother Jan, pray for me, because I am not there yet. I want to get there! HalleluYah! I want to be right where she just read. Her Majesty had a saying: Never complain, never explain. That's ROYALTY! If you're having to defend yourself, you're not trusting in your defender. Sister Jan, those were powerful scriptures that we all needed to be reminded of this morning. Please put those in the chat. We need to ruminate on those all week. HalleluYah! That had the anointing of the Holy Spirit all over it! HalleluYah! You convinced me, child! I love correction from the Word of Yahweh! HalleluYah! Glory!

We are all growing; everyone of us. Did you all see how Sister Jan just corrected me? She wasn't doing it for that. I know that. She corrected me in love, from the Word of Yahweh, because the Word of Yahweh is the Judgment Seat of Christ. It's where we are all being judged. Those scriptures just cut my feet out from under me, that quick. I've got two choices at this point. I could say, "They needed to know my side." That's not what the Word just said, though. You've got to SUBMIT to the Word. What do you think we're going to be doing in the Millennium Reign? Problem solving. There are still humans that we will be ruling over. We're going to be the judges in the Coming Millennium.

If you believe what your church taught you—*Judge Not*—that shows how backwards Christianity is. Your future job is going to be to JUDGE! Did you not know you are even going to judge the angels? Judging is teaching. Sister Jan just judged me. It's not a bad word. Judging is teaching. The Scriptures

just taught me, and it brought judgment on my own actions. Either I'll surrender to that, or I'll go on my way. So will you. Go ahead, Brother Christopher Aguon.

For those of you who haven't watched 'The Chosen,' I highly recommend that you do. Here's why. I use that setting to take me back. As we read the message, imagine Yahshua being right there. Some of the questions you may ask yourself are like, "Why did Yahshua only tell a few, "Follow Me."? Why did He select only a few people? If we take this message of this Bible Study today, bring yourself back to that setting and answer those questions. Right now, it's so clear in my mind. The message that we heard today was meant not for the time of the disciples. It was meant for us, today. Imagine if the disciples knew this message.

Brother Christopher, we are the End-Time disciples. The end of the world came upon us, not the original disciples. The disciples knew so little. They kept asking Yahshua, "What do you mean by that?" We know what He means now, because it's been revealed to us by the Spirit. The disciples did not even know He was going to delay His coming for two thousand years. They were not aware of this timeline. I do recommend the series *Chosen*. We do not agree with everything, but that's not the point. It will help you to understand some of what we're teaching. Let's read.

Revelation 11:15 And the seventh malak sounded, and there were great voices in heaven, saying: The kingdoms of this world have become the Kingdoms of our Father, and of His Messiah; and He will reign forever and ever.

So the Kingdom will be given to Yahshua. He doesn't have it yet. It will also be given to us. Mama Dot, go ahead.

I wanted to share how Yahweh has confirmed His throne will be given to us. When Jacob had a dream, and he hurt his hip fighting with the angel, that throne has been preserved over the ages, and every king or queen of

England has sat on that throne during their coronation. Queen Elizabeth sat on that throne, and King Charles will sit on that throne.

Excuse me for interrupting. Mama Dot, I'm watching this Coronation for one thing. It's going to tell me a lot. I'm looking to see if the Stone of Scone will be in the throne at this Coronation. Remember, they took this stone back to Scotland. There is a rumor that Charles said, "There will be no stone at this Coronation." If that is the case, it will tell me how close we are to the Coming Kingdom.

I want to recommend two books to all of you: *When Scotland was Jewish* and *Tamar the Tender Twig*. The second book is a novel about David's granddaughter who went over to Ireland. I have many books on the Stone of Scone.

I would like to ask a question. When we are training and reigning, it will be during the thousand year reign, is that right? I want to get my timetable correct.

That's correct.

Therefore, when the first resurrection occurs, it will be the Overcomers, and for that thousand years will we be training and reigning since we'll be the only ones at that point?

We won't be the only ones at that point. The Millennial Reign could start today. Remember the Mazzaroth. We are on the cusp now. We are moving out of Pisces and going into Aquarius. There is a period of time when you're not in Pisces, and you're not in Aquarius. There is a cusping now; the crossing over. The Millennial Reign begins in that cusping.

If it started today, nothing would dramatically change. Everyone that is alive right now, remains alive. A New Government takes over. Every school in your town will have new teachers. They will begin teaching a new way of life to all of us. Everyone will come under Submission because of the Rod of

Iron which comes with the nuclear war. What happens is that people will be alive, and we will be reigning in authority over those billions of humans that will be here during the Millennial Reign.

I knew that, but when we read Revelation 20:4-5, it talks about the Overcomers reigning for a thousand years, and the rest of the dead will stay asleep for those thousand years.

That's just the ones who come up in the First Resurrection. What about all those people that are alive at the resurrection? What is the point of the first resurrection unless there are people to rule and reign over? Let's say the resurrection happened today. Your neighbors don't all fall dead. They keep living until they die. So all those people will be on planet Earth. Otherwise there are no people to rule and reign over.

Pastor, I'd like to add something that most people don't take into account. A generation for genealogy is twenty-five years, and during the Millennial Reign, there will be forty generations of people to be ruled over.

That's correct. So even children will be born during the Millennial Reign. There will be death. People will die. Death will not be conquered until the end of the Millennial Reign. So when we think of the Millennial Reign, think of a NEW ADMINISTRATION. You go from the Obama administration to the Trump administration. When we enter the Millennial Reign, we are just entering into a new administration of government. It will be a One World Government.

All that's going to change is that the government will have the righteous rulers that we are begging for now. Those righteous rulers have been trained. Those righteous rulers are in college right now. This government that is about to take over, is in college. It's called the CHURCH. I'm not talking about your church in your town, on the corner. That's a social get together. It's The HOUSE OF ISRAEL! We are in training at First Harvest Ministries. When we are given our jobs, we are going to be ready to teach this Word, and to teach the ways of holiness, and righteousness.
