### **Unlocking the Unseen Realm** (Pastor Vaughn, Part 8 of 11, YouTube only)

The modern church is saying:  
“We will let You bless us,  
and give us Your Holy Ghost,  
but don't ever test us!”

“Jesus is our Saviour,  
our Healer and Deliverer, too.  
Don't think You have the right  
to tell us what to do!”

“We do not need a teacher,  
Jesus died for all.  
Our faith is in the Blood,  
don't put us under Law!”

This church is not perfect.  
She has been deceived  
and is being held in bondage  
by the lies she has believed.

But Father has a people  
He is holding in reserve.  
Surrendering all, they embrace His Law,  
Him alone do they serve!

They will be His Government,  
His sons by the New Birth.  
They will take dominion  
over all the earth!

Prepare to receive your King!  
This long night soon will pass.  
We'll all be gathered together  
to bring peace to earth at last!
