

UNLOCKING THE UNSEEN REALM

With The Key of Prayer (part 11)

By Pastor Shane Vaughn, First Harvest Ministries

Please turn with me to the book of James, chapter one.

Yaaqob 1:13-16 Let no one say when he is tempted: I am tempted by Yahweh; for Yahweh cannot be tempted with evil, nor does He tempt anyone.

14 But each one is tempted when he is drawn away by his own lusts, and enticed.

15 Then when lust has conceived, it brings forth sin; and sin, when it is fully matured, brings forth death.

16 Do not be deceived, my beloved brothers.

Do not err. Do not be deceived and tempted and drawn away by lust. Go back to verse thirteen.

Let no one say when he is tempted: I am tempted by Yahweh; for Yahweh cannot be tempted with evil, nor does He tempt anyone.

We have a big, big problem. Let's turn to Matthew six. According to James, Yahweh cannot tempt any man, but when we get to Matthew six, we do run into a problem. Let's start in verse nine.

Mattithyah 6:9-13 After this manner; *example and general outline*, you should pray: Our Father Who is in heaven, hallowed is Your Name.

10 Your Kingdom come. Your will be done in earth, as *it is* in heaven.

11 Give us this day our daily bread.

12 And forgive us of our debts, as we forgive our debtors.

13 And do not *allow* us to be led into temptation,

13 KJV And lead us not into temptation ,

We have a conundrum here. What's a conundrum? A problem. I just read in the book of James where Yahweh never leads anyone into temptation. And yet, in the Lord's Prayer, we are begging Yahweh not to lead us into temptation. Houston, we have a problem. This ministry is very well known for solving these problems. There is a solution, and we are going to find that solution today.

**KJV And lead us not into temptation, but deliver us from evil;
for thine is the kingdom, and the power, and the glory, for ever.
Amen.**

Father, help us to understand Your Word. Open the ears of our understanding that we might know the Spirit of Council, which is the Divine Plan of Yahweh. Let there be no mysteries in Your Word to us, that Satan can use to get us to doubt Your Holy Word. Reveal to us the mysteries, that we might be strong in our faith, never wavering because of questions.

Satan's greatest tool to get you to doubt Yahweh is to show you a discrepancy in the Word of Yahweh. By the way, there are many to the untrained eye. For example, how was there life in the Beginning when there was no light until the Fourth Day? You can read that and doubt the perfection of Yahweh, because it makes no sense. By the way, if you get with a Muslim, they will rip the New Testament apart because you are not trained, and then they will plant a seed in your mind that will cause you to doubt the Word of Yahweh because of the discrepancies. I tell you, there is

not one discrepancy from Genesis to Revelation. I can promise you that. It just looks like that.

There is a fine man right there—Elder Jon Kahl. A solid rock in this church. He's a man I lean on, and depend on; a faithful presence. I don't need to say a word. I love people like that. I don't have to say a word. They will be there. They will be in their corner wherever they are supposed to be. That is what builds a great ministry—quiet, solid rocks. Can you be depended on? Can you be counted on? If not, you don't have any value. You really don't. My grandmother told me your word is your bond. There was a day when they didn't have to sign contracts; they shook hands.

Your word is your value. When you know you're supposed to be somewhere, you're there. You don't have to say, "I'm coming!" Just be there. There is another discrepancy in the Word of Yahweh. Yahshua is speaking to His disciples and He says, "There are some of you here today that will never see death until you see Me in My Father's Kingdom." How many of you know that they all died, and none of them saw Yahshua in the Kingdom? That is a discrepancy. The Muslims love that one. I have already taught that verse to you, so I won't be going over it today. The answer is in the very next verse that nobody reads.

So Satan will come into your mind when we get to a scripture like this, that says Yahweh never leads you into temptation. Then please tell me why every Christian prays the prayer: *Please don't lead me into temptation.* Yahweh told us He never would, so what are we really praying? That is why the Bible says your prayer is not answered when you pray amiss. You miss it. You don't understand what you're praying. Most of us have prayed the Lord's Prayer hundreds or thousands of times in our lives, but very few who have prayed it understand what they are praying. The truth is that the Bible could be called *The Book of Temptations*. It starts with Temptation and it ends with Temptation.

On the first page is the temptation of the first man and the first woman. On the last pages are the descriptions of the Great Temptations that are coming

to the world to try those who dwell on the earth. So from Genesis to Revelation you have what? Temptation. How does that work when you have millions of Christians praying, “Lead us not into temptation.”? So if we’re going to have temptation. Even at the end of the Millennial Reign there is going to be temptation when Satan will be loose for a little season to tempt. Between the beginning of the Bible and the end of the Bible there is a history of Yahweh’s people; men who were tempted. Abraham had a great temptation of whether or not to sacrifice his son. Then at the very end of the Bible are temptations.

This is difficult to understand why Yahshua would say, “When you pray, pray: *Lead us not into temptation*, because that prayer infers to us that this is something that Yahweh ordinarily does. When you say *Lead us not*, you are basically saying, “You are always leading us into temptation, but I’m praying that you don’t lead me into temptation.” So in fact, the Lord’s Prayer is making a liar of Yahweh and His Word. This is why you need a teacher. Even saying the phrase *Lead us not into temptation* is almost blasphemy. All your life you’ve been praying a prayer that is blasphemous to the nature of Yahweh.

That’s why you need a teacher to teach you how to pray. When you say, “Lead us not into temptation,” you are saying, “Your Word is a lie because Your Word said You would never tempt me with sin. Please don’t tempt me.” Are you with me? If you could see how when I tell people that the King James Bible is *not* inspired, they lose their minds. They would rather believe the lies that they know, than the truth. There is no interpretation of the Bible that is inspired. None. Not even *The Book of Yahweh*. None of them are the inspired Word of Yahweh. None.

Do you know that the only inspired Word of Yahweh is sitting in museums all over the world. The ORIGINAL books were inspired by Yahweh. This one is not. Lazy Christians cannot handle what I just said because now you are facing a difficult situation where the Bible says to STUDY to show yourself approved to Yahweh. Why do we have to study? So you will not be ashamed by saying something stupid like: *Lead me not into temptation*.

Otherwise you'll be ashamed when you realize when the sun was really created. Do you know that it took me a whole two minutes of study on two words to make my creation point? But we are living in a world where people want to love God, but they don't want to study God.

Your Duty is to study the Word of Yahweh, and if you don't study the Word, your faith will diminish. People lots of times accuse me of being cocky. It's not cockiness. It's confidence because I can stand on that Word and defeat anything you throw at it. If you think that's cocky, that's on you. That's years of study, night and day. I stand on this message; what we believe! I have confidence in the Truth, not in myself. The Truth will set you Free. All these years we have been praying, "God, please don't do what you've already promised me You would never do." Do you know what is sad? You never even thought twice about it. Do you know why?

It's just like the Sabbath Day. Yahweh told you the Sabbath is the Seventh Day of the week. It's so plain. You only get confused when you go to church. But if you just open your Bible instead of listening to your Baptist preacher, your Pentecostal preacher, your Catholic preacher. Open your Bible and you'll find out what day the Sabbath is. You don't need a preacher to help you when it is plain as the nose on your face: the Seventh Day of the week. I can bring in one of the children here, give them a pencil and a calendar, and say, "Please count seven days for me from front to end," and we'll end up on Saturday every time.

If you are not studying the Bible from front to end, Satan will get in your mind. Let me tell you how he will get in your mind. All over Youtube there are television preachers everywhere screaming about how you can make your life better. I will listen to these people, and I am so versed in the Word of Yahweh that I hear the deception. Brothers and sisters, if you're going to survive what is coming on this earth, you better become a student of the Scriptures. I want to tell you something. These good feelings that we get in church, won't last. Some of you have already lost some good feelings already. They come and go. Shield yourself with the Truth of Yahweh's Word and you'll be here next year, and the year after that. One of the things

that you've got to come to understand is what you're truly praying in the Lord's Prayer.

First of all, temptations are a good thing for us, so why do we want the Lord to not lead us into what is good for us? That's another problem. Temptation is good. So why would we pray away a good thing? If it is not good for us, why would Yahweh ever lead us into it? See? There's a problem every way you look. First of all, there are two things that are true at the same time: You *need* to be led into temptation. Everyone in this room! Yahshua went down into the water of baptism. He received the Holy Spirit. The Bible said that when He came up out of the water, He was led by the Spirit to be tempted of the devil. I'm so glad He wasn't praying, "Lead me OUT of temptation!"

He told you to pray something He didn't even pray Himself. Some of you look so lost. I'm so sorry. I apologize. I like to mess with your brain. I like to mess with your mind because I want you to get so angry at the lies, that the minute I unload the truth to you, you fall in love with it. Yahshua was LED by Yahweh! I am not going to read it to you but you know that it's there. He was led by Yahweh to be tempted! So I have a question for you. If He is our example and we are following in His footsteps, should we not be led into temptation?" Then why are you praying, *Lead me not?* Listen to me. The greatest tool Yahwh has for you is TEMPTATION. It is a time in your life when temptation comes when you're going to find out who you are.

First of all, you've got to know that Yahweh tempted Abraham. Yes, He did. He told Abraham, "Go out there and kill your son." Whew!!! What a temptation to disobey Yahweh. Think about it! *YAHWEH, DON'T LEAD ME INTO TEMPTATION!* Yahweh is leading Abraham into temptation. He went and drew back the knife, ready to pass the test of temptation and Yahweh said, "Hold on. Now I know that you love Me." How did He know Abraham loved Him? Temptation proved it! Temptation proved who he was. Then Yahshua tempted Philip. You can read about that in John 6:5-6. He wanted to know how they were going to feed all the people. Yahshua

acted like He didn't know. The Bible said He was tempting Philip, to see if he had faith.

There are all of these examples and you've prayed all your life, *LEAD ME NOT into temptation!* Yet, that is exactly where you need to go. But when Satan puts his preachers in the pulpit to teach you how to pray, they teach you to pray: *Lead me not into temptation.* Everyone in this room, there is evil that lurks in your mind—your fleshly nature. I want you to hear me and hear me well. There are things in your heart that no preacher can cast out of you. There are things in you that only the Crucible of Suffering can burn out of you, and yet you're praying not to go there. You are praying, *Don't lead me into that temptation*, and yet that is exactly where you need to go.

I'm not screaming today, but I'm screaming. I've come to tell you that the best place for you is in the FACE of Temptation! Why? Because there are some attitudes in you, there is some resentment in your heart towards ex-husbands, ex-wives, people who dropped you that you had faith in, people you counted on that you say you have forgiven. Let me tell you the Biggest Lie in carnal wisdom: Forgive, But Don't Forget. How many of you are glad that Yahweh doesn't live that way? It is Not FORGIVENESS unless you have FORGOTTEN!

I'm going to protect myself.

That's your problem. You are trying to protect yourself. I read a Scripture that said that the angels of the Lord come around those who fear Yahweh, and protect us night and day. I don't protect myself. No, no, no. If you hurt me, I'm going to forgive you so much that you're going to be shocked at how much I forgave you. Why? Because I truly must pass the test of temptation. What temptation? To be like Satan or to be like Yahshua. How will I ever get there without temptation? How will I ever get there if I don't walk through the doors of people screaming in my face? How can I forgive unless you give me something that is almost impossible to forgive?

Quit praying, *Lead me not into temptation.*

Pastor, Jesus said that.

No He didn't. I'm getting ready to show you in this translation. I have to settle something with you first. The very place Yahweh will always lead you is temptation. He won't lead you. He will send you to the ministry of Satan, that he might tempt you. The whole time you are going, you are praying: *Lead me not, lead me not, lead me not, lead me not. Don't lead me into temptation.* You are praying against the very PLAN of Yahweh for your life. Without the temptation, you will go the way of sin. Yahweh doesn't tempt you. Yahweh stands there in the temptation and gives you a way to escape.

What way is that? There is a trap door. When you are standing there and that beautiful woman is enticing you, or a gorgeous man who is a sugar daddy with plenty of money, or you are being enticed by someone who has hurt you who you won't forgive; you are standing on temptation. Yahweh says you are standing on a trap door. There is a way to escape. There is a way out. The lever to that trap door is the Word of Yahweh! Pull that lever. If you'll jerk it up you will go right out of that temptation. You cannot get out of temptation by walking in rebellion to the Word of Yahweh. Or the man of Yahweh, or the things of Yahweh. You will never get out of that temptation.

For example, if Yahweh is giving you wise counsel through His servant of what to do in a situation, that is His trap door. If you obey that, you will escape. Now we need to understand what Yahweh is doing in all of our lives. It's just like gold that has impurities in it, that are separated out through the fiery furnace. Therefore, we must endure the temptation of our Faith. Here's the problem: the word temptation is mistranslated. It should say, *Lead us not into TESTING*, not temptation. The word temptation there is the word *test*. Yahweh tested Abraham.

Get this in your spirit. The Old Testament word for temptation is the Hebrew word *masah*. It means *to examine or to put to the proof*. That is what it means. Here is what Yahshua actually said: *Lead me not into the*

testing. That's a strange prayer when I just told you that we all need to be tested. How many of you know that before we use anything, we have to test it? It has to be tested. We test steel to see what it will support. You don't go under a causeway and use wooden beams. They tested that. We test our ability to read in school. We test our ability to run or to think because testing reveals one thing: what you're capable of—where you're at on your Overcomers' journey.

Remember, I told you this prayer is not for everyone. It is only for sons. Here is what Yahshua was saying: When you get on the Sonship Journey—*Our Father*—HalleluYah, we pray: *Father, in Your testing of us, if You find us capable, we pray that as we're growing in You, that You will be able to quit leading us through the same tests everyday of our lives. By now Lord, I should be over my resentment. I should be over my lust. I should be over my unforgiveness. Please quit testing me, because I'm willing to grow in those areas where You are leading me to the same test.*

I told you this prayer isn't for everybody; it's for sons. Our earnest desire is not to be not tempted! Our earnest desire is for so much MATURITY that Yahweh can quit testing us in that area of our life! HalleluYah! *Forgive my debts, and Father, my prayer is that I am modeling after Yahshua.*

Yahshua said, "When you pray, I'm going to teach you a prayer that models My life."

Yahshua was sent to the wilderness for forty days to be tested in a certain area of His life. We're going to look at that area real quick. How many of you know that Yahshua did not win the Battle on Mt. Calvary? Where did He win it? On the Mount of Temptation! Mt. Calvary was not His crucifixion. Mt. Calvary was His Pathway to the Resurrection. Do you understand? He had not won the Battle at His crucifixion, but the Mount of Temptation! As soon as He passed that test, that part of His life was DEAD!

There are some of you who keep getting tested in the same lowdown area of your life, and you keep failing the test! You need some real prayer today: *Please let me grow up so You don't have to keep leading me into that tes!.*

You're not praying: *Don't lead me into temptation.* You're saying: *Send me into temptation so I can PROVE to You that I have overcome that area of my life!* Why the temptation? Why does He have to do it? Because Yahweh is building an ARMY. He's not building an LGBTQ club of sissies.

Let me explain something to you, because there are people watching who call me a bigot and a homophobe. They don't like me because I tell the truth, and it offends you. I want to tell you what I am, and explain something. Homosexuality is known to Yahweh as an abomination. To the world it is known as an alternative lifestyle. Let me explain to you what an alternative lifestyle is. We have some people in this church who have chosen an alternative diet—Carnivore. I'm going to kill a spirit in this church. I'm going to knock the devil in the head. When you choose an alternative, you cannot expect society to adapt to your alternative choice.

The problem with alternative lifestyles is you don't keep it in your closet. Keep it as an alternative, and don't expect society to accept it and you're fine. Keep it in your bedroom; lock the door. Don't force my children to look in the window while you do what you do. We are not homophobes. We believe in something called normalcy. There has been normalcy for six thousand years. It's called Mama and Daddy. That is society. You chose to shut out normalcy. You chose an alternative, and that's your choice. You will never be mistreated by me in any way. Ever. We don't mistreat homosexuals. I have a cousin who is a lesbian and married to a woman. I love her as much as I love myself. We don't have problems with homosexuality. Yahweh does.

Our problem is that you don't know what the word alternative means. Alternative means you made a choice. You chose to be abnormal. That's what you chose. There are consequences to that choice. There are some people in this church, you chose a diet that is not part of normal life for most people. Guess what that means? You can't come around me and expect me to be part of your alternative. You can't be a victim around me because you made a choice. I'm going to cook Nachos, hotdogs, Fritos, pies; whatever I want. When you begin to judge me for being normal, we've got a

problem. At the same time, I respect your alternative to be homosexual, but if you're outside of normalcy, don't expect to come inside of normalcy and make us animal because you are animal.

If we have a gathering at church, you have to do our food; you have to adapt to what we do. We cannot account for everyone's different diet. We don't accommodate. You accommodate. You made your choice. We won't divide this church over anything. We are all one. Some people here have an alternative lifestyle. Some people here are allergic to peanuts. We don't pull all the peanuts out of church. I'm sorry. In a normal world, we eat peanuts. I've touched a nerve. I'm sick of that little victim mentality because everyone wants to be accommodated for their choices. Like my wife does, put a bag in your purse and fill it up with whatever you eat. Sit down with us and pull out your food, and we will all fellowship together. Amen.

I'm making a point here. There are some people who are so deceived that they don't realize they aren't normal. We love the whole world. One day Yahweh will deliver every one of them. In the meantime stop the victim mentality. First of all, you live in my world, I don't live in yours. You live in my society, in our overall society, and we don't accommodate everyone's alternative choices. I'm teaching now for you to get over yourselves. Handle your business, and don't allow anything to let you become a victim. Anything.

Brothers and sisters, I had a lesbian cousin walk out of my grandmother's funeral. There were probably a thousand people there. She knew who we were before she came to the funeral. She knows we believe the Word of God from cover to cover. She knew who we all are. A guest preacher is up preaching about how my grandmother stood for truth. The preacher said, "She stood against the sins of this world. She stood against butchering our children and mutilating their bodies."

My cousin got so mad that we would offend her. I'm sorry you are living an offensive lifestyle, but we live in the real world. Would I go to her house and condemn her? No! But when you come out to the real world, there is

something called normal, and you are not it. I'm sorry that you made that choice, but there are consequences that come with that choice. Victim mentality comes when we feel like we need others to accommodate us. I get victimized everytime I go to Waffle House. Those booths are so little my stomach can't squeeze into those booths. I sit there trying to eat, and my stomach is in my neck.

Now, am I going to get mad at Waffle House? No. I chose to eat there. They chose to have skinny tables. But I know some people who would sue Waffle House because they choke on their own stomach. It's a privilege. You don't have a privilege. We're all together moving into maturity and perfection. When you keep failing the test, you will keep taking it again, and again. Did anybody get hurt this week? Then I will make you a promise. I didn't get hurt all week long. There is nobody who can hurt me. Nobody. I've been there and done that. Do you know why I didn't get hurt this week? Because I didn't get hurt the week before. I'm over it. I'm done with feeling hurt. If I feel hurt by somebody at church this week, I have to take the test again.

Father, please quit testing me. I want to pass the test. That's what we're praying. We're praying to grow up like Yahshua. *Lead me out of this same circle. I want to pass the test!* There comes a time eventually when you've got to stop looking at everybody else. There comes a time when you need to pray: *Father, You can stop leading me to the test,* because You don't have to. *I'm going to pass it, and You won't have to test me anymore in that area of my life.* That's the Son's Prayer. In that prayer, we truly want to Overcome. We don't pray not to be led into temptation. We are praying the opposite.

We pray: *Please lead us to the temptation so we can overcome it and You can stop leading us to the test!* Yahshua had to pass a major test on the Mount of Temptation. When you read about Yahshua on the mountain, you're going to find out where the Lord's Prayer came from. I am going to teach you something very powerful now. The Lord's Prayer was never meant to be repeated. It was meant to be COPIED in your LIFE. If you want to know where the Lord's Prayer came from, I'm going to show you.

Turn to the book of Matthew, chapter four. I am going to show you the test that Yahshua passed, and once He passed, the Father quit the test.

There are some people in this ministry who will quit being tested because you are going to pass the test. You know that test of worry about your bills? I want everyone in this room to tell me one time that Yahweh didn't come through for you. So shouldn't you already be over that test? Do you really want to go back to worrying? You already know He is your rear guard, He guides you, He is on your right and your left—His angels—so if you want to go back to that test, worry again. Worry is the opposite of Faith.

Pastor, I don't know how I'm going to make it!

You don't have to know how you're going to make it. You've just got to know that you are going to make it. That's all. You just have to know, and then that worry will leave your mind. HalleluYah! Just get rid of it! Why? You're done with that test!

How am I going to survive?

How did you survive last time? Get over it. You're done! Just be done with that test! Say, "Father, I'm done! I trust You. I'm good. Don't lead me back to that test." Otherwise He'll say, "If you're not, I can make them come cut your electric lines if you're not. I'll have them shut off your water. How far do you want to go with this?"

God, I can't afford to pay my tithes.

I'll tell you what we'll do. I'll test you, and we'll find out. Somebody better cry mercy and be healed, and then the Lord won't lead us into that test anymore. I want to show you where the Lord's Prayer came from. Your eyes are getting ready to go wide open. Matthew 4:3—The Temptation of Christ. Hasatan told Yahshua to command that the stones be made into bread. Now you know where *Give us this day our daily bread* came from.

Mattithyah 4:3 So when the tempter came to Him she said; If You are the Son of Yahweh, command that these stones be turned to bread.

What was His temptation? Command! Do it on Your Own! Command! He said, “You don’t have the power if you don’t. You can call down a legion of angels.”

You can create Bread when you pray: *Father, give us this day our daily bread.* It’s rare, but here is what He went through! He is telling you the test that He Overcame: *When you pray, make sure you don’t have to go through what I went through. Don’t trust in yourself! GIVE ME MY BREAD!* The purpose of the Lord’s Prayer is found on the Mount of Temptation.

Mattithyah 4:1 Then Yahshua was led up by the Spirit into the wilderness, to be tempted by the devil.

Now you know where *Lead us not into temptation, but deliver us from evil, the devil*, came from. What He is saying is: *When you pray this prayer, it will turn you into Me.* He said, “When you pray, you need to pray: *Father, I’m going to ask You one time to deliver us from evil.*” Yahshua was delivered from Evil! Do you know where the Lord’s Prayer came from? The same place that your prayer is going to come from: your lowest valley, and your hardest trial. This prayer was created in the Test of His Faith!

The problem is because we teach that He was God, because we turn Him into a Mega-man, we skip over these verses like they had no meaning, like He wasn’t truly tempted. I render to you that He wanted to turn those stones into bread! Do you know why? He was starting to feel like a victim, being led by Yahweh for forty days to be left alone in the wilderness. Do you not think that Satan knew that inside the mind of that man that there was some concern about why a loving God was allowing this to happen to Him when He had done no wrong? Your Prayer Life is what will keep you off the Mountain of Temptation! *I’m sorry if You’ve not eaten in forty days. There*

is no bread store. There is nobody there and You are hungry. Do you know what Yahshua could have said? We don't like to go there in our minds but He who walked the shores of Galilee *was* the SON of man, and that man suffered. That man was tempted in every area of His life! In every doubt, every confusion: He was truly tempted!

I know I would have been tempted to tell Satan that my God was bigger than him. That temptation will come: *My God is a healer. Let me see myself be healed.* But if you overcome, it won't matter if He has healed you or not, because you *will* overcome! That scene will always remind you of how powerful your God is, and why He didn't show up. You don't think I didn't pray for Elder Beal and still wonder why he's not walking? You don't think that came to my mind to say, "Where is your God?" I don't know where He is, but I know where my Faith is, and it's as solid as a rock!

THE LORD GIVETH AND THE LORD TAKETH AWAY. BLESSED BE THE NAME OF THE LORD!

I overcame that temptation of questioning Yahweh a long time ago. Oh, yes. Therefore, Satan has no place in my mind because I've seen the Hand of Yahweh move quickly, and I've seen it move slowly, but I've never not seen Him move. I Trust in the Lord! That is the greatest test—trusting in the Lord. It's the greatest test ever! The prayer is this: *Give us this day our daily bread. Don't lead me to that test again of not trusting You. I'm there. I'm there. Stop. I'm done. I trust You in all things. I will trust You when I understand, and when I don't understand. I want to be a son of Yahweh and that requires Total Trust.*

Yahshua said, "After you pray, *Give us this day our daily bread*, go get a bit further. I want you to say, *I want to be so much like Yahshua that You don't have to keep giving me to trust. Deliver me from that thing in my mind; the evil that lives in my own heart.*"

I want everyone in this room to hear me. The problem with this big Circus Show called Deliverance, that is happening in every church in America, the

Bible said that the deceitfulness of man is in his own mind, in his own heart. Man, and what he has tried to throw away is his own heart. You cannot get rid of your evil heart. All you can do is wash it with the Word of Yahweh. That's the only way you can be Free! I'm so tired of the Fake Show! Yahshua did not get deliverance from His own thoughts because someone cast the devil away from Him. He Faced them with the Living Water of the Word of Yahweh. He said, "The enemy is not able to take that from Me."

If you're going to a church that has praise and worship for an hour and preaching for twenty minutes, you're not in a church. You need to find a church where the Word of Yahweh is with the people in every service that you might have POWER over the enemy! Satan is not afraid of your praise or your worship. But when you get the Water of the Lord, when you start spitting out Water like water spurting from a well, he is! I want to show you where the last part of the Lord's Prayer came from. Let's turn to the book of Luke. I'm going to show you where the Lord's Prayer came from.

Luke 4:5-6 Then the devil took Him up into a high mountain, and showed Him all the kingdoms of the world, in a moment of time,

6 And the devil said to Him; All this authority I will give to You, and the glory of them—because it has been given over to me; and to anyone I please, I can give it.

The devil showed Him all the kingdoms of this world; all the power and the glory! That's why Yahshua said, "When you pray, *Thine is the Kingdom, and the Power and the Glory forever and ever*. It is ALL YOURS!" That is the PURPOSE of the Lord's Prayer! When you pray, you learn the purpose of it. You had the Kingdom! You had the Power! You had the Glory, for THINE IS THE KINGDOM! Satan told Yahshua, "You know that the kingdoms of this world are mine." They are for Six Days, but Yahshua knew the Word. He read about the Seventh Day already. He said, *It Was Written*. I am going to tell everyone of you that you need to get IT WAS WRITTEN, in your spirit.

But I don't feel...

Nobody cares how you feel about What is Written!

Pastor, I personally feel like...

I don't care what you personally feel like. Your heart is desperately wicked, which is why you don't trust what was written. Satan said, "Yahshua, I will give you the kingdoms." Yahshua never argued with him. He was the god of the world. He agreed that he had the glory of the whole world. At that moment was the TEST to trust in thine own self or to choose to stay hungry, to stay hot in the desert, to stay busted, but to stay faithful to Yahweh. Yahshua said, "Guys, I will teach you something. When you pray *Give us this day our daily bread*, I had to tell Satan that the bread that I have is from My Father. I've overcome the desire to be fed by the devil."

Listen to me. There will be devils who come into your life to try to provide for you. Yahshua said, "When you pray, first of all it's all about *Our Father Who art in heaven; hallowed be Thy Name. Thy Kingdom come, Thy will be done*. And when you get to the end I want you to look to your Father and say, *I didn't do it, Lord. I didn't take the bait even though he said it was his kingdom. I read in the Word that the earth is the Lord's, and the fullness thereof. So Father, today I'm passing the test. Thine is the power and the glory forever, and ever, and ever.*"

GIVE THE LORD THE HONOR AND PRAISE! HALLELUYAH!

Now you know where the Lord's Prayer came from—from the Lord's Life! I'm closing the series today. Yahshua said, "Deliver Me from evil," He wasn't talking about the devil. He would never be delivered from the devil. He was talking about the evil that hides in your heart. You can be delivered from that with the Lord's Prayer, the Lord's Life, and depending on Him for everything.

I won't get in a hurry, I won't rush. I won't turn to the right or to the left because at the end of the day, I need You to give me my daily bread. I won't want to go where the grass is greener when I've had a word from the Lord.

I'm talking to somebody right now!

I won't complain. Yahweh! You called me to this place, You called me to this point, and You know about my daily bread. I don't know where tomorrow's daily bread is coming from, but I know today that You will provide, because after all, I'm depending on You.
