

# THE HEAVENLY SCROLL—The Mazzaroth part 6

## *PISCES (part 1)*

By Pastor Shane Vaughn, First Harvest Ministries

We are going to continue into part six of the Mazzaroth. I'm not going to recapitulate too much, but I do want to take you back to this slide.

We started with Virgo, and then we went to Libra. Then we went to Scorpio. I would like to test the class. I would like for someone to chime in and tell me the story that you are seeing here. Someone tell me the story of Virgo. Caly Sewell, tell me the story of Virgo.

*The virgin represents in one hand, she has the seed of the Son, Yahweh. In her other hand, she has the harvest.*

That's exactly right, and it is in her hands that the Bible says that He can tell the End from the what? The Beginning. In the left hand we have the beginning, and in the right hand, we have the end. Virgo, *a young virgin*,

*will have a seed, and that seed will turn into a harvest.* Do you all know that is the whole story of the Bible? A seed turning into a harvest. Amen.

Now let's jump over to Libra and continue the story. Who wants to tell me the story of Libra this morning?

*I'll go. The scales are not in balance because of our sin. We have been judged and we have been deemed unworthy.*

And we were unable to balance those scales on our own, correct? *Yes.* We were weighed in the balance and found what? We were found wanting, lacking. We kept coming up short.

Let's jump over to Scorpio, and we find out that a human, a man, would be born. Let's see if someone can tell me the story of Scorpio.

*It's a picture of the battle that we have to overcome to make the scales right, and it is a daily struggle that we must encounter.* Yes. And who was the first one to enter that struggle and succeed, Sister Sandra? *Our Lord, Yahshua.* Yes, Amen.

So Scorpio is telling us, "Don't worry about those scales. They are unbalanced. You're going to die. You deserve to die, but there is a man coming. There is a Seed Son that is coming, and He is going to spend His life struggling to learn obedience by the things that He suffers." According to Scorpio, He is going to take His foot and put it on that scorpion and dragon, and He is going to overcome.

Let's go to the next part of the story. Somebody tell me the story of Sagittarius.

*May I go Pastor? Go ahead. That is us turning from animals into sons of Yahweh. We're pointing the arrow back at the scorpion, and are overcoming ourselves.*

We are following the example of whom? *Yahshua*. That's right. He was the first one that struggled with that serpent, and He rose above son of man, and became Son of God at His resurrection, according to what Paul said. Does anybody not see the beauty of this story plainly written for the WHOLE WORLD to see?

Let's go over Capricorn again. Someone tell me, after *Yahshua* overcame the flesh; after He overcame temptation and shot Scorpio, if you will; tell me the next part of the story.

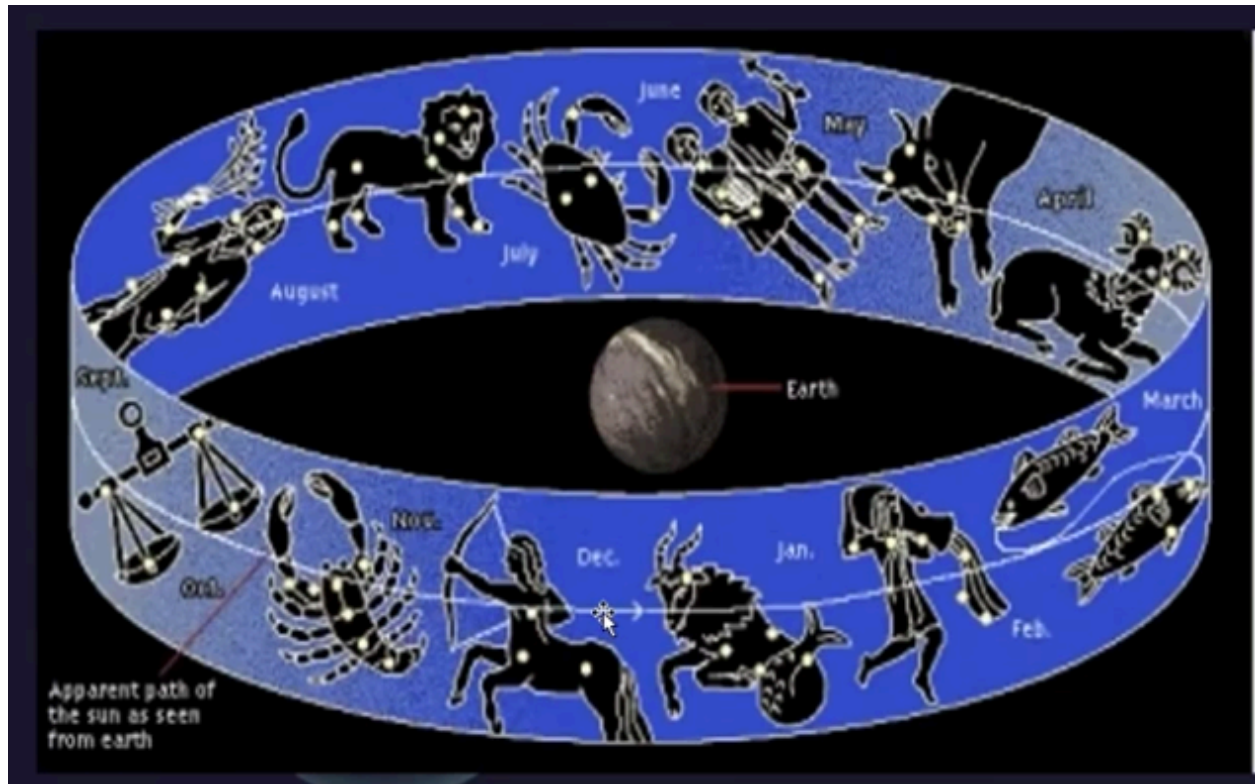

*Capricorn was the prophecy of Him overcoming at His crucifixion. His legs were broken and from what looked weak came the life that was going to be the fulfillment of the birth of the Church.*

HalleluYah! We have a goat that is falling, and the Church is born as *Yahshua* is falling. Somebody tell me the next part of the story with Aquarius.

*The Seed; the Holy Seed will be poured out. The life of Christ is in the seed.*

Abby Rose, I love it. When did this happen? *When He was baptized, right?* Actually, this happened on the Day of Pentecost when the Holy Spirit was

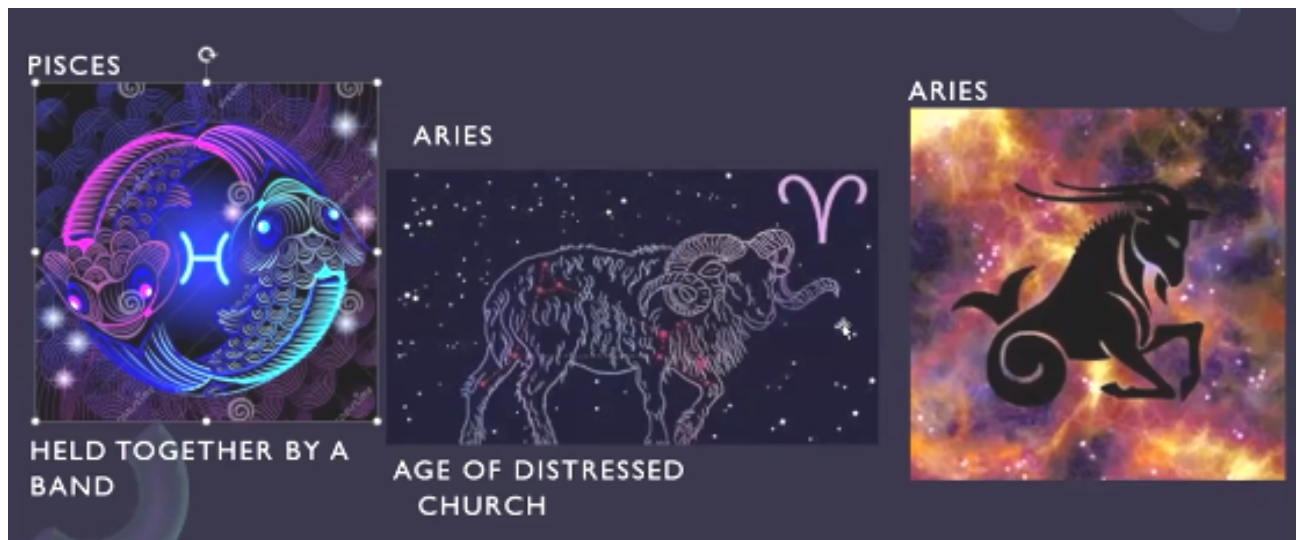

poured out upon all of us. Before we continue I want to pull up a picture of the Mazzaroth. Before these classes, would you have had any idea of what this was, and of the beautiful story being told here?

Ladies and gentlemen, I've brought you back to this picture because I want you to see the whole story, and how Yahweh told EVERYTHING that was going to happen, in the beginning. Whenever you get to a verse that says Yahshua came from heaven, that's where He came from. He came from the Throne of Yahweh, which is the Mazzaroth. The Mazzaroth is the THRONE. I will explain in the future why that is, but Yahshua came from heaven where the stars dwell. You can find Him in every one of those pictures in the Heavenly Scroll.

Now let's go to our next symbol—PISCES—and I'm warning you that we won't get off it today because I have so much to teach you. I want you to notice the symbol of Pisces. It's TWO fish, not one fish. Those fish are held together by a band. Do you see how they form a band, like a wedding ring? The symbol is of two fish held together by a band. That's going to lead me

into today's lesson. Pisces will be a two-part lesson because there is so much to cover.

What Yahweh is telling us in the stars here, is of a COMING DAY. After we go through the period of Aquarius; after the Holy Spirit is poured out on the Church, then we're going to come into the time of bringing the Church together. Now you're going to see what Yahweh's plan is next for His Church, after the Day of Pentecost. I'd like to start out in the book of Acts chapter two, verses thirty-eight and thirty-nine. I want to show you something that is going to set the foundation for today's lesson, which is the REUNIFICATION of the House of Israel.

PISCES is the PROMISE of the Reunification of the Two Houses of Israel! This is a prophecy in the stars that Yahweh is going to REUNITE the House of Israel. Today, we are really going to get into that. I was in the Church all my life and I never knew what I'm teaching you today. After thirty or forty years in the Christian Church, I never knew what I am going to teach to you today. Chances are it's going to sound like Greek to some of you. That's okay. You need to hang tight with me, and learn this truth.

Today is a lesson that might mess with some of your minds because we have an incoming explosion of truth that does not line up with the modern Christian faith. It all has to do with Pisces and the reunification of the

House of Israel. I'm going to show you something in Acts 2:38-39 that I never saw in all of my Pentecostal background. We love to quote it, and never understood what it was truly saying. Let's read it.

**Acts 2:38-39 Then Kepha said to them; Repent and be baptized, everyone of you, in the Name of Yahshua Messiah for the remission of sins, and you will receive the gift of the Holy Spirit. 39 For the promise is to you and to your children,**

Let's pause there. The promise of the Holy Ghost goes to a very specific and ordained group of people. If this promise was for the whole world, there would be no need to specify who this promise is for. I'm talking about Aquarius pouring out the water. We just came out of Aquarius—the outpouring of the Holy Spirit—and we're coming into Pisces. According to Peter, this Holy Spirit is not for the whole world YET. Otherwise there is no need to specify who the promise is for. If it was for everybody, just don't say anything; Just say, *I pour My Spirit out*, and be done with it.

But no, Peter's going to tell you exactly who the Holy Spirit is going to fall on. Number one, to you. Where is Peter when he says that? Jerusalem. Who is he speaking to in the Upper Room? The Jewish people; the 120, the Jewish apostles—the Tribe of Judah. He speaks to them, and he says, “The promise is to you and your children.” But he also says there is another group of people that the promise is for. Read the next group.

**and to all who are afar off**

Pause. Group number one is the House of Judah. Group number two is those who are *afar off*. In my mind growing up, I thought *afar off* meant around the globe, a long distance away. But if you go read all the prophets like Jeremiah and Isaiah, all of them refer to the Lost Tribes of Israel, the House of Israel, as those that are afar off. Why is the House of Israel afar off? Because they had been divorced. I need you to listen. Yahweh did not divorce Judah! He divorced Israel.

What is another phrase for divorce? Putting away. What did Yahweh do to the House of Israel? He put her away, and now she's afar off. So the Holy Spirit is promised to be poured out on the House of Judah and the House of Israel. You automatically think that must mean it is ALL of the House of Judah and the House of Israel that He will start pouring His Spirit on. But no, there is a third group, and I need you to underline this third group in your Bible. Out of those two Houses, read who the third group is.

**—as many as Yahweh our Father will call.**

There is going to be a REMNANT. He said, "Out of the Jewish people and the Lost Tribes, I'm going to pour My Spirit out; nobody else." Do you hear what I just said? NOBODY ELSE! *Brother Vaughn, then all of them are going to have the Holy Ghost.* No. There's a third group here. Not ALL of the House of Judah and not ALL of the House of Israel, but FROM those two I AM GOING TO CALL A REMNANT ISRAEL. I'm going to call another group out of those two Houses alone. I am going to call them, and they are going to receive the Holy Spirit.

Ladies and gentlemen, what you are getting ready to learn today is mind blowing. What you are about to learn is WHO you are! You are about to see why you have the Holy Spirit. I promise you, if you're not a descendant of Abraham, you don't have the Holy Spirit. I'm going to show you today that the ONLY people that the Holy Spirit is calling right now, are the Tribes of Judah and the Tribes of the House of Israel. They ALONE are who Yahweh is calling in this hour. Today you are going to find out who you are. Praise Yahweh!

I want to answer several questions today. Let's talk about the Kingdom of Yahweh. In the Kingdom of Yahweh, you have two parts that make up a kingdom. Whenever you start studying the Word of Yahweh, and you see the phrase *Kingdom of Yahweh*, I want you to take the word *kingdom* out because very few of you have any idea of what a kingdom is. You didn't grow up in a kingdom. Change the word *kingdom* to *government*. That way, your American mind can understand what the Kingdom of Yahweh is.

The Kingdom of Yahweh is the GOVERNMENT OF YAHWEH. In order to have a government, you must have two parts. You must have the governors and the governed. There are two parts to a kingdom. You cannot have all governors, and you can't have all governed. You must have both. So when we're talking about the Kingdom of Yahweh, we're talking about those that go into the government of Yahweh. When you are reading your Bible about the Kingdom of Yahweh, there are two parts to it. Those that come up in the first resurrection will be the governors. Those that come up in the second resurrection will be the governed.

The next question we have to answer is who are the governors? Who are the rulers? Who are the kings? Who are the priests in the Kingdom of Yahweh? Let me tell you who they are, and the only ones they will ever be. They are people that have been specifically CHOSEN from the House of Israel and the House of Judah. There is not one person who will be in the governors, or the government, or in the first resurrection that are not members of the House of Judah or the House of Israel.

Number one: If you are going to be in the government, you are going to have to be chosen from the bloodline of Israel, called Remnant Israel.

Number two: You will have to raise the standard or the banner, which is the sign of the Sabbath Day. Two qualifications so far. What are the qualifications of governors in the Kingdom? I'll do it again.

Number one: You will come from the ROYAL bloodline of the House of Judah or the House of Israel. I know what you're all thinking already: *But Paul said...* No he didn't. That's what you thought Paul said. I'm going to help you with all of that today.

Number two: You will wave the flag of the government. What is the sign of the House of Israel? It is the SABBATH DAY! What is a banner? It's a sign. What did Yahweh say that the sign would always be of His Son? The Sabbath Day.

Number three: You will have the SEAL of YAHWEH in your forehead, in your mind. That means you'll KNOW His Name. You'll SAY His Name. You'll DECLARE His Name. You'll LOVE His Name.

*Everyone is looking for some physical sign of the beast, but it's a spiritual sign.*

Yes, Don Robbins. Saddest thing I've ever seen. They are all looking for these red heifers in Jerusalem. They're so distracted by carnality, they are waiting for the Third Temple to be built in Jerusalem. I prophesy to everyone of you that not one of these red heifers is going to be used in temple worship. Here's why: a qualified High Priest has to kill the red heifer, and they don't have one, except Yahshua. HalleluYah. Go ahead Brother Eric Blackman.

*So when we talk about the banner, this is a figurative banner, right? Correct. The banner is that we celebrate Saturday as the Sabbath? Yes. That's the sign; the banner. Brother Anikewich.*

*Another way to say carnal mind is fornicators, and in God's eyes, they have a carnal mind, correct? Yes. And they are looking through their carnal mind not knowing that we can praise the name of Yahweh and speak the name of Yahweh. So many people want to stop us because we have that mark on us already. When we proclaim His Name, and we speak it, we show them who we are in these three lines: the bloodline of Israel, keeping the Sabbath Day banner, and being able to proclaim His Name. This is beautiful.*

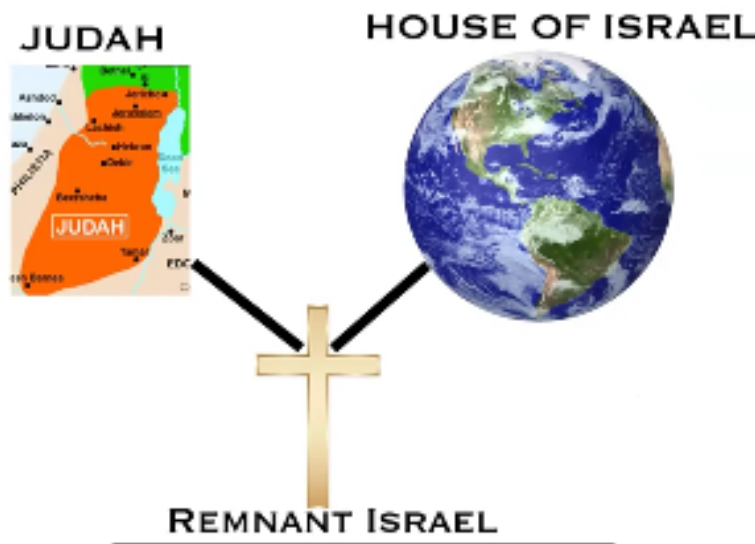

Yes. Isn't this beautiful? And we're just getting started. Are you ready for the fourth sign that you'll be in the governorship? You have to be delivered from the law, but not the law you're thinking; it's the LAW of SIN AND DEATH. And you have to come into covenant with Yahshua and live the Law of the Spirit of LIFE. Do you know what the Law of Sin and Death is? It's the Law that works in your body and says, *You have to be a Commandment breaker. You have to sin. You can't help but sin. You can't*

*help but break God's law.* That's a law that's in your members until you accept the Spirit of the Life of Christ.

Because Christ was a Commandment keeper, when His Spirit moves inside of you, what will that turn you into? *A Law Keeper.* And if He moves in you, a new Law has moved in, and now you've got two laws at war with one another. That's where Sagittarius comes in. Now you have that beastly nature with the Law of Sin and Death that says, *I can't help it.* But then here comes the Life of Christ in you that says, *You can help it, and I'm going to help you help it. You are going to rise from your beastly nature to the son of Yahweh.* That is the fourth sign that you will be in the governorship; when you get the guile out of your mouth that says, *I'm only a human and I can't overcome sin.* You MUST overcome the Law of Sin and Death. HalleluYah! Get that lie out of your mouth!

Let's go to the fifth sign. The fifth sign hasn't happened yet. It will be the First Resurrection. All of these things are leading you to the first resurrection. Those following the example set by our Elder Brother, Yahshua our King, are those who have been signed, sealed, and delivered

into His government. Now I want to show you a graphic that I want you to get in your mind. I thank Brother Anikewich for drawing this graphic. It is very well done. I am going to share it because I want you to look at this graphic and get it inside of your mind really well. This is Pisces; two fish. It shows the House of Judah on the left and the

House of Israel on the right, which is scattered around the whole world. Out of those two Houses, Yahweh is *not* going to call ALL. Look under the cross. He is going to call REMNANT ISRAEL. Not the whole House of Israel or

Judah. Out of both of those Houses, He is going to call ONE NEW MAN. The name of that New Man is Remnant Israel. I'd like for this to become a logo in our ministry because this identifies who you are! Is anybody seeing what I'm putting down with that graphic? ONE NEW MAN! That One New Man is coming from those TWO NATIONS! From two entities, a remnant is coming out that will be saved! A remnant shall be chosen.

Look at that graphic again, and I'll show you something else. I want this verse to make sense to you: *Many are called, few are chosen*. The House of Judah is called and the House of Israel is called, but only the One New Man—Remnant Israel—will be chosen. What you need to understand is that Remnant Israel does not come from anywhere but the BLOODLINE of Abraham! I'm going to prove it to you in a moment from the Word of Yahweh. I'm going to show you that the only place you get Remnant Israel from is from Natural Israel. Some people call that Spiritual Israel, but they mess that up with the word *spiritual*, and they call that Replacement Theology. They act like the One New Man is a totally different entity. They act like this is some new thing that came out of thin air. But no; Remnant Israel is the *choice* part of Natural Israel.

Now let's learn about more of that today. Before we can understand Remnant Israel, we need a basic understanding of Abrahamic Covenant. So we are going to talk about the Abrahamic Covenant so that you can understand the truth of Remnant Israel. In the Christian Church that you came out of, they love to talk about the apostle Paul. We call that Paul-ing Doctrine. IF—and it's a big if—what the Christian Church says about Paul's writings is correct, then Paul is a false teacher. I hope you heard what I said. I never said Paul was a false teacher. I said IF the way his teachings are presented is true, then Paul goes against the entire plan of Yahweh.

We know that's not the case. We know that the Word of Yahweh is inspired by Yahweh, and it has been misunderstood and mistranslated by men. Paul struggled with an accusation. Paul was the most misunderstood apostle because he understands about Remnant Israel, which Peter did not understand. Paul struggled with an accusation from the Jewish Church and

from the other disciples. They all knew that Yahweh's sons that would be in the government would descend exclusively from the bloodline of Jacob, or Israel. However, in the end, Paul was able to convince the Jews of his day and the disciples, that he was not a false teacher.

Let me make this clear for you: The first three years of Paul's ministry was an utter failure. Yahshua ordained Paul to the ministry, but for the first three years he had no success whatsoever—none! As a matter of fact, they had to drop him down the city walls and hide him because the apostles were against him. I want you to really pick up on this. The apostles and the Jewish verge were against the apostle Paul. Why? First, he tried to kill them all.

Number two, there were false accusations floating about Paul's teachings. They were saying what the Christian Church says to this very day: that Paul was against the Law and the Torah. They were saying Paul was teaching about One New Man and forgetting about Natural Israel. Do you know what Paul had to do eventually? He had to go to Jerusalem and meet with the board; the hierarchy of the Church. Apostles Peter, James, John said Paul tried to start his ministry without being ordained by the Church. He tried to circumvent the Apostolic Apostles' authority like many people do today when they go straight to Jesus, while ignoring the pastor; ignoring delegated goldy authority.

So what did Paul do? He went to the Church and met with the board. While he was there they grilled him. They wanted to know what he was teaching, because if he was teaching that there was going to be a group of people in the first resurrection that were not descended from Jacob, they knew he was a false teacher. Do you know what happened? Paul said, "No, brothers, that's not what I'm saying. What I'm saying is that the House of Judah and the House of Israel will become Remnant Israel, and that's what I'm calling The One New Man: Remnant Israel. Many are called; few are chosen."

Do you know what happened then? The apostles were satisfied. Do you know what they did? They gave him the right hand of fellowship, they

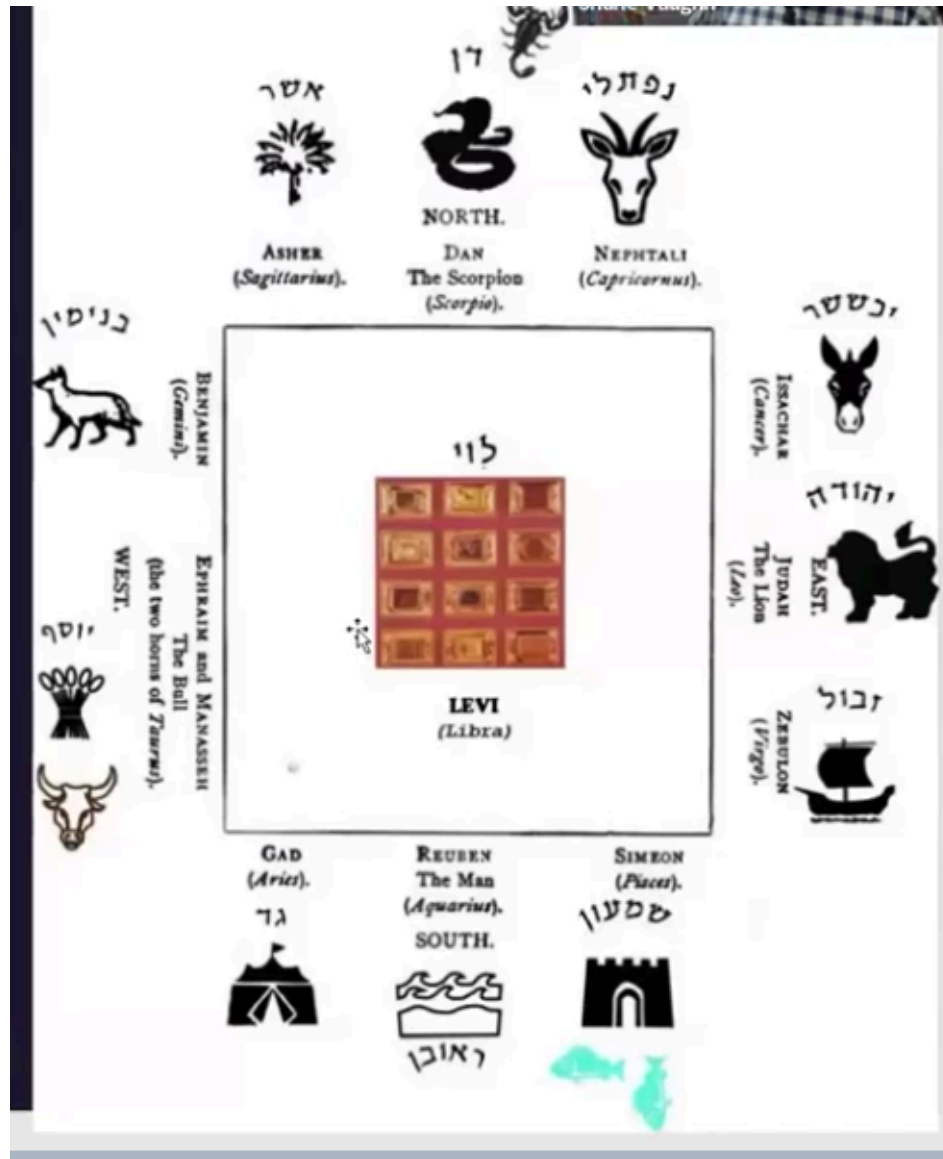

ordained him, and they gave him a letter to give to all the churches of Jewish believers, because they found out what he was teaching was the truth.

Now let's continue and talk about how Paul is not a false teacher, and what he was saying. In today's lesson I'm going to prove the following four points: I'm going to prove that the apostle Paul was unique among the apostles in understanding the plan of Yahweh. Number two, I'm going to prove that Paul was uniquely qualified to do exactly as Yahshua commanded, and reclaim the Lost Sheep of the House of Israel. When we call them the Lost Sheep, it's not that they were lost to Yahweh. They were lost among the Gentile nations.

Number three, I'm going to demonstrate that Paul knew exactly what he was doing, taking the Gospel to the so-called Gentiles. Put that in your notes: the so-called Gentiles. And I will show how Paul recognized the Lost Sheep of Israel among these pagan societies. I'm going to show you today how you can recognize members of the Lost Sheep of the House of Israel.

Number four, I'm going to show you that Paul clearly taught that Remnant Israel was a small remnant taken EXCLUSIVELY from the House of Israel and the House of Judah. Before I can do that, I have to establish the history and the prophetic words of Yahweh concerning the nation of Israel. Paul talks about these prophecies in his writings. If we want to understand these writings, we too must have an understanding of these prophecies. Let's talk about the nation of Israel.

Somebody tell me who the first Israel was. *Jacob*. Amen. How many sons did Jacob have? *Twelve*. Together, these twelve tribes formed one nation. If you want to see those twelve sons, I will show them to you below, so you can get a mental graphic in your mind. There's the Tabernacle on the right, and there's the twelve sons of Jacob: Asher, Dan, Reuben, Simeon, Levi, Judah, Naphtali, Gad, Issachar, Zebulun, Ephraim and Manasseh which is Joseph, and Benjamin.

You're looking at the Twelve Sons of Jacob. What you are looking at is the complete unified nation of Israel. It is important that you know that so as I continue to teach, you will not be confused.

That picture is when they all were under one king, one capital city, and one temple. Who was that one king that all of Israel bowed down to? *David*. And then all of his descendants of the House of David. *I was going to say Yahweh*. He's the ultimate King, you're exactly right. That's a powerful lesson. I'm not going to go there right now, but what she just said is correct. Remember I said they all bowed down to one king, and I said it's David, and

then she said it's Yahweh. What people don't understand is when they bow down to David, they're bowing down to Yahweh. David was the proxy of Yahweh.

That's why you better be very careful how you treat authority. All you people who run down the Queen of England and say she's an evil monster, she may be, but it doesn't matter. If she's on the throne, you bow your knee because it's Yahweh that you're bowing to when you bow to delegated authority. When you say, *Yes, sir* to the police officer instead of acting like a maniac, you're saying, *Yes, sir*, to Yahweh. *But the police are evil*. It doesn't matter. Solomon turned evil in the end of his days, as well, but you better bow down to him. You better bow down to authority, as long as it is LEGITIMATE authority.

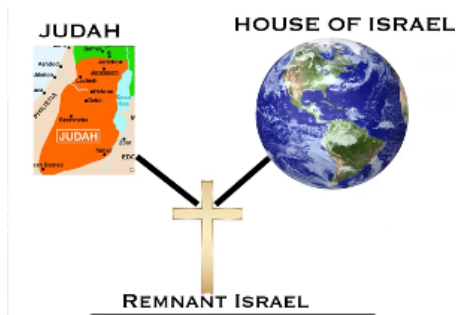

*It's the same when you're in the military. You salute officers. You aren't showing respect to the person. You are showing respect to the position that they hold.* You just said it, and my brother, that is where we are missing it. It's just like the pastor of a church. The Bible says to obey them that have rule over you in the House of Yahweh. People don't like to think that anyone has the rule over them. *We're equal!* No, NO. Get that demonic thinking out of your mind. David was no better than the man who bowed down to him, but he had the throne. Amen. Sister Caly, go ahead.

*My older sister is tracking our DNA, and I never met her, but my grandmother was from the Middle East. She was not Puerto Rican. Why am I the only one of my blood relatives who is following this message?*

The answer was in the beginning of the lesson. Go back to Acts 2:39 and read it again. That's the whole lesson I'm trying to teach right now. He is not calling ALL of the House of Judah and the House of Israel, but as many as He shall call. They're all from the House of Judah and Israel, but He's not calling them all. He's calling as many as He chooses to call. It's up to Him. I don't know why He chose you, Caly; I don't know. He chose me and I'm just grateful. Let's read it again.

***For the promise is to you and to your children, and to all who are afar off—as many as Yahweh our Father will call.***

Notice what he just said. The promise is to two different bloodlines: the House of Judah and the House of Israel. Then He qualifies it: As many as Yahweh our Father will call. He chooses from those two Houses who and how many He will call. That's why we should be the most grateful of all people that someday, somehow in His Divine grace, He chose us. One more time if you'll bear with me, I need everybody to look at this graphic. Sister

Caly, you and all of your bloodline descendants come out of that House of Israel on the right. Some, like Debra Boggs, come from the House of Judah.

Out of those two Houses there is going to be a CALL; even as many as He chooses to call will come through the Cross of Yahshua and turn into a New Man, or another entity called Remnant Israel. Not the House of Israel, and not the House of Judah—Remnant Israel. Remnant Israel will come from those two Houses. Brother Joseph Anikewich.

*When King Saul was the anointed the King of Israel, and he was taken by the hand of the Philistines and killed, a man ran to King David because he figured King David would be joyous over this news, King David's response was, "Chop his head off," so we better beware of the authority that is above us and the proxies that are presented to us. Not just the angels, but the men and the women who have been put in authority over us, that we go back to Romans and understand that they are our governing authorities.*

Brother Anikewich, that is so powerful. I believe that is why Yahweh has put it in all of our hearts to fight so hard for a man called Donald Trump: because we know that he is the legitimate ruling authority over the nation. We don't accept the usurper of authority. Satan was a usurper. If it is not legitimate authority, we do not have to be beholden to it.

We know there was fraud. We know that if it had been run without Covid he would be sitting in the office. We know that. I was never into politics. There was something that rose up in me and said, “Fight for the king.” If you watch old movies, they would rise up and fight for the exiled king. They have the mantle of authority. I know by the Spirit that dwells in me, that I was told to stand up and fight for the legitimate president of America, and stand against evil. Go ahead, Brother Mark.

*It hit me like a ton of bricks as soon as you were talking about Acts 2:38 and 39, another verse in John 10:16 (KJV) when Yahshua says, “And other sheep I have, which are not of this fold; them also I must bring, and they shall hear my voice; and there shall be one fold, and one shepherd.”*

Read it again. I want everyone to read this verse. I planned to use it later in my lesson, but let’s do it now. Yahshua is speaking to the House of Judah. He is standing among them. They are one of His flocks, but listen to what He says:

**Yahchanan 10:16 Now I have other sheep which are not outside this fold. I must bring those also, and they will hear My voice. And there will be one fold, and One Shepherd.**

That is Pisces! Those two fish are going to hook back up! Yahshua said, “I’ve only got two folds: the House of Judah and the House of Israel. I’m going to speak and if they are of those two Houses, they are going to hear My voice if I call to them.” Remember, *as many as He shall call*, they are going to hear His voice.

*Pastor, this is Keith Marron. Please forgive me. Can we just stop for one second? This is not an every Saturday Bible Study. You just laid something at our feet, and I feel like we are steamrolling through. May we just stop and think about this for ten seconds? I’m exploding here from what you have just laid at our feet of who we are. You just laid the whole thing at*

*our feet, and I can hardly breathe. We're doing ninety miles an hour past the point.*

I believe the book of Psalms calls it Sela. Let's just take a little Sela. Let's pause. What you are feeling, Brother Marron, is your identity being revealed. For the first time in your life, you're not a Pentecostal. You're not a Baptist. You're not a Catholic. You're not even truly a white man. You're not really even an American. You're really an Israelite. You're an End-Time Israelite. HalleluYah!

Everybody, receive your identity right now! Let the seal of Yahweh go on your forehead right now! HalleluYah! Thank you Holy Ghost. Let Him write the seal on your forehead right now. Glory, glory, glory, glory, GLORY! *It's a new season, it's a new day; Fresh anointing is flowing my way. It's a season of power, identity. It's a new season coming to me.* HalleluYah! You've got to learn WHO YOU ARE!

Your identity is EVERYTHING! Learn your identity and you'll never fall prey. I've come to tell you that if you're in this classroom, there's always a few tares among the wheat, so not everybody, but seven times out of ten if you are in this classroom, you have descended from either the House of Judah or the House of Israel. That's the only way you're here today. Thank you, Brother Marron for obeying the Holy Spirit and giving us that praise break. HalleluYah! Glory to Yahweh! Go ahead, Sister Sandra.

*There are those of us because of genetics who are from both Houses. That is correct. I am one of them. It's the calling. I didn't realize that I had to be in the bloodline until today.*

The graphic of Judah and Israel says it all. Get it in your head! If you've come through the Cross, it was because He called you into one of those two Houses. I have many more scriptures to share that prove what I'm teaching. Before I do that, I will take a few more comments. Sister Janelle Brown, go right ahead.

*I've been exploring inside. I have a question. I've heard you say that when they left Egypt, it was just the Israelites. What do you do with the Egyptians that went with them?*

They became Israelites. All you had to do to become an Israelite was to accept the God of Israel, and become circumcised. The moment they were circumcised, they joined the House of Israel. Now they are Natural Israelites because they came into the Covenant of Abraham. So now their descendants are the House of Israel. That's all you had to do to become an Israelite: join the Covenant of Abraham. All of those people that came out of Egypt and were not of the bloodline, they joined the bloodline. They married into the bloodline, and they all became the bloodline.

*Brother Brown speaking: If that worked for those coming out of Egypt, why wouldn't it work today for the Gentiles not descended from the northern tribes?*

Because He doesn't promise to call them. He's not calling them in this hour. He is only calling the House of Israel right now. He calls for the Gentiles in the Millennial Reign. Their turn is coming. It's not their turn right now. Let's prove that from the Word of Yahweh, and turn to the book of Acts fifteen, to prove what I just said. Let's start at verse fourteen and read through verse seventeen. I want you to highlight this scripture in your Bible. I want you to always go back to it.

**Acts 15: 14-17 Yahweh's Prophets have declared from the beginning how Yahweh will visit the nations,**

**KJV Simeon hath declared how God at the first did visit the Gentiles, to take out of them a people for his name.**

Let's pause. Yahweh visited the Gentile nations. We have to find out why He visited the Gentile nations, because according to His Word, Remnant Israel is not coming out from the Gentiles. Remnant Israel will come from the

House of Judah and the House of Israel. So why is He visiting the Gentiles? He tells us. Read.

**to take out of them a people for His Name.**

He is not going to save the Gentiles. He says, “I’m only going to visit them for one reason: to take out of them, what has been scattered among them—the people of My Name.” The King James Version, which uses *for his name*, is a mistranslation. The only people that have His Name is Israel.

He said, “I’m visiting the Gentiles, not to save the Gentiles, but to deliver from the Gentiles, the people of My Name.” In other words, the people under His Covenant. What did He seal His covenant with? He swore by His what? His Name. He said, “I swear by My Name, if you are part of Israel, you are the people of My Name.”

When is Yahweh visiting the Gentiles to take out His Name? RIGHT NOW! America, and China, and Russia, and the Ukraine, and all these places are Gentile nations. He’s not worried about the Gentiles. AMONG those Gentiles are the people that He lost; the people of His Name. That is all He’s getting! Yahweh didn’t say He was going to the Gentiles to save them all. No. Just to take out a small portion of His people from them.

**15 And to this the words of the prophets agree, as it is written:**

So if you want to know what Peter is talking about, you go back and read the prophets: Isaiah and Jeremiah which all talked about the Lost Tribes of Israel. Those prophets agree that the seed will be scattered among the Gentiles, and one day, Ezekiel’s two sticks—Pisces is those two sticks—He is going to go out there and get them back. He never said anything about going to get the Gentiles UNTIL the Millennial Reign. He’s going to get all the Gentiles at the right time. Let’s find out when the right time is. It happens to be in the next verse.

**16 After this, I will return**

Stop! After what? After I have found the Lost Tribes. After I call as many as I shall call. After I have formed Remnant Israel. After I have found the Lost Sheep. THEN I will RETURN. What is that? The SECOND Coming of Christ! He says, “Then I will return, and now what will I do?” Read the rest of the verse.

**and will rebuild the tabernacle of David that has fallen down. I will rebuild its ruins, and I will set it up.**

Here is what that means: *After I have gotten My people out of the Gentile nations, I will return and here is what I’m going to do: Now I am going to turn first to the tabernacle of David that has fallen down—Judah and the Lost Tribes.* He is turning to Judah and the Lost Tribes because they were all under the tabernacle of David; he was king of them all.

He said, “I am going to return and get all of them: the House of Judah and the Lost Tribes, and build them back up to their position. I’m going to build those Houses back up.” Why? “Because I didn’t call them all during the Gentile Age.” That is the Age that we’re living in right now! The Bible says it so plain.

He said, “I didn’t call all of Israel and Judah. I chose a small remnant out of them so they could qualify to be governors in the Millennium. I need a government, and then I’m going to come back and restore the Natural House of Israel.” What is He going to do after that? Read.

**17 So that the rest of mankind may seek Yahweh—all the Gentiles upon whom My Name is called, says Yahweh, Who does these things.**

AND ALL THE GENTILES! He doesn’t start calling the Gentiles until His SECOND Coming, beloved. Are you getting it? Do you see it? Are the lights coming on for you? He’s going to get all of the Gentiles during the Millennial Reign. Why? Because then He’ll have a government in place to

teach all the Gentiles the ways of Yahweh. We are in PART ONE right now! This is part one. You are Part One of a THREE-PART HARVEST. Why do you think the name of our ministry is First Harvest? Because that is all He's gathering right now—that small springtime harvest. I need to get to these scriptures, but there are so many hands up, but I'll take a couple. Mama Dot, go ahead.

*I was looking at Romans 11:25: I do not want you ignorant of the great secret brothers, so you may not be wise in your own conceit; that blindness in part has come upon Israel, until the full number of the Gentiles has come in. Who would the full number of Gentiles be?*

The ones who *thought* they were Gentiles. Those are the Lost Tribes that were scattered among the Gentiles. He is calling them out. They think they are Gentiles to this very day, until they hear this message like you're hearing it, and realize that they're not a Gentile. At that moment, when the Full Number of the Lost Tribes has come in, there will be no more blindness. There is a real number of how many He's calling. Amen. Sister Denisa.

*Mama Dot just answered my question a little bit. Cornelius in the tenth chapter of Acts when the Holy Spirit was poured out among the Gentiles, those were not actual Gentiles to Cornelius?* No, ma'am. What did Yahshua specifically tell Peter? Do not go the way of the Gentiles. Seek only the Lost Sheep. But they had to go to the Gentiles to FIND those Lost Sheep. I'm getting ready to explain that in a minute. I really need to get back to this lesson and explain everything even better for you.

Let's talk about the history of the nation of Israel. Among these twelve sons of Jacob, there were two blessings that were given. Two. When Jacob was dying and his twelve sons were there, he gave out two blessings. Put this in your notes. One is called the SCEPTER BLESSING, which is the right to be a king. Then he gave the BIRTHRIGHT BLESSING. Two different blessings given to twelve sons. They fell into categories. Each son was either given a scepter blessing or a birthright blessing.

The Scepter Blessing was given to Jacob's son, Judah. Judah was given the RIGHT TO RULE. The Birthright Blessing was given to Jacob's sons Ephraim and Manasseh. What is the Birthright Blessing? To become GREAT WORLD EMPIRES. America and Great Britain are Ephraim and Manasseh. It was prophesied to Ephraim and Manasseh, what would happen to them in the last days. The only two nations that have come close to fulfilling those blessings are Great Britain and the United States of America. That's why they still have a Queen that sits on the throne, and a king, God bless her soul now, because those are the birthright blessings.

These two blessings created something called ENMITY. It put an enmity between the Houses of Israel. This enmity split the two Houses into two Kingdoms. This one nation becomes two nations. Instead of one capital in Jerusalem, you now have two capitals—one in Samaria, one in Jerusalem. Two different kings now. One is Jeroboam, one is Rehoboam. They are brothers, but they've had a church split. They've moved their headquarters out of Jerusalem.

The Northern Kingdom of Israel is known categorically as the House of Israel—Ten Tribes; ten of the twelve sons went to Samaria in the north. In the future, it is they that carry the birthright blessing because in those ten tribes are the tribes of Ephraim and Manasseh. Collectively, they carry the birthright blessing to be scattered around the world, to build world empires, to be blessed in the city and in the field. They carry the birthright blessing.

The Southern Kingdom of Judah is now called the House of Judah. They are no longer referred to as the House of Israel. They are the House of Judah. If you don't get this, you cannot understand your Bible. In the House of Judah were Two Tribes—Judah and Benjamin, and *some* of the Tribes of Levi stayed there. They carried the Scepter Blessing, that through Abraham, all the nations of the earth would be blessed, and a King would rise up from there.

Let's talk about the enmity between these two Houses. It put them literally at war with one another. Did you know the first time you find the word *Jew* in your Bible is the Tribe of Judah fighting against the House of Israel? When I first saw that in my Bible, it blew my mind. I had always thought that an Israelite was a Jew. But an Israelite is not a Jew, no more than a Texan is a Mississippian. They're separate. You need to learn these basics.

This enmity between them made Yahweh very angry, and it was the reason that Yahweh sent pagan rulers to take both of them into captivity, because they were divided now. Listen to me carefully. If you have many children and you see them getting divided, it hurts your heart. Yahweh saw His children, Israel, divided. They had an enmity between them now. That enmity was the scepter blessing versus the birthright blessing. They separated.

Pisces, the sign that we're in now, is a prophecy in the stars of a day after the Holy Spirit is poured out in Aquarius, where now the Holy Spirit would reunite the enmity between those two Houses. It would remove the enmity between the Lost Tribes and Judah, and make them into ONE NEW MAN called Remnant Israel. Let's read Isaiah, chapter forty-six. We're going to read verse eight through verse ten.

At this point, the Northern Tribes are referred to as rebels because they have forsaken the Sabbath Day, they have forsaken the Name of Yahweh. They've now been captured by Assyria, which is modern day Iraq, and they have now released millions of them throughout the nations of the world. What do we call the nations of the world? Gentiles. So now the House of Israel is mistakenly called Gentiles. Why? They marry Gentile wives. They started taking on the Gentile ways of the nations that they've gone into. So now the House of Israel is being called Gentiles. But read what Yahweh says to these rebels.

**Isaiah 46:8 Remember this, and show yourselves *to be men*; and take this to heart, you transgressors.**

**9 Remember the former things of old, for I am Yahweh, and there is none else; I am Yahweh, and there is none like Me,**

**10 Declaring the end from the beginning, and from ancient times those things which are not yet done, saying; My counsel will stand, and I will fulfill all My plan;**

*My counsel will stand, and I will fulfill all My plan BECAUSE I WROTE IT IN THE STARS. I wrote in the stars that this enmity was coming, but I was going to pour out My Spirit in the book of Acts, and reunite and remove that enmity—that wall of perdition. I was going to remove it by the outpouring of the Holy Spirit, and call out Remnant Israel. Believe that if I say it's going to happen, it is going to happen.*

Brothers and sisters, it is happening right now in the moment that we are living in. At least seven out of ten of you who are here today are descended from those Houses, and the enmity has been removed. We have all become a NEW CREATION that is mistakenly referred to as Gentile Believers. We know better. We're going back home. We're returning to the hearts of the fathers. The voice of Elijah is promised to turn the hearts of the children—those afar off—back to the fathers. Who are the fathers? Abraham, Isaac, and Jacob. The voice of Elijah will turn you back to the House of Israel. HalleluYah!

From this point forward, the House of Israel is now called GENTILES. Please remember what I just told you: From the moment of their captivity, they are now called Gentiles, but the House of Judah never lost their identity. Somebody tell me why they never lost their identity. The SABBATH. They never left Jerusalem, they never willingly left the Sabbath. They never let go of the Sabbath Day. And even when they were in Hitler's Germany, he knew who they were because they were keeping Sabbath. It got them all killed, because there is a sign that you are in the Covenant!

We know that the children of Israel that came from the birthright blessing have become great empires: Great Britain and America, covering the globe

as Yahweh promised through Abraham. This fact was confirmed to Moses, and it has happened. We are living now in the Time of the Gentiles. That phrase *Time of the Gentiles* is referring to that time when Israel thinks they are Gentiles. That should be in your notes: the Time of the Gentiles is that time when Israel thinks they are Gentiles. That's the time we're living in right now, and I'm looking at a few people on my screen who know better. We KNOW we're not Gentiles. We know in times past that we participated in Gentile ways, and we got caught up in Gentileism, until there was a light in the evening time. HalleluYah!

The Bible says there will be a LIGHT in the evening time. It's evening time right now, and there is a great light shining on the House of Israel. It is important that you understand that the Jews are a very small group of people. They do not comprise all of Israel, and in no way have they fulfilled the birthright blessing. Think about it. The Jewish people have never fulfilled the birthright blessing, which was what? To become big empires. Who fulfilled it? Ephriam and Manasseh—Great Britain and America. That's why America is FIRST: We are END-TIME ISRAEL.

Only a small group of Jews will make up Remnant Israel. We have Sister Debra Boggs and Sister Elizabeth Brody with us today. They are Jewish and in our Bible Study today. They are of the House of Judah, but they are also of something else called Remnant Israel. They are of the House of Remnant Israel, as well. Amen. HalleluYah. Sister Elizabeth.

*This is so thrilling to me to have an identity that is so special. I am so thankful that Yahweh led me to you.*

There you are, a natural descendant of Judah, but you came because of Messiah. He called you out of Judah and turned you into Remnant Israel. It's important that we understand that the birthright blessing was fulfilled through those people that thought they were Gentiles. However, these groups of people—a remnant from both Houses—will be called the governors of the Millennial Kingdom. And now, maybe you understand why

the twelve gates into New Jerusalem are reserved ONLY for the descendants of one of those twelve tribes!

Go look at the twelve gates to the city. You won't find one Gentile gate. You will go in through the gate that you're a descendant of. Do you understand that? Maybe it's the gate of Dan. Maybe it's the gate of Naphtali. You'll come in through one of those gates because Yahweh never lost track of you! He never forgot who you were! You forgot who you were, but He didn't, and He's got a gate with your name on it, reserved for you. You're coming in through one of those gates to rule and reign with Yahshua in the Millennial Reign. Let's read a prophecy in Deuteronomy 32:26.

Before we read, let me say that the sons of Yahweh are scattered among ALL nations on earth at this time. We have found Israel in the African nations. We have found Israel in the Japanese islands. Israel has been scattered across the world, and they all are descendants of Jacob. Remnant Israel will be called out of all nations at the end. They will literally be physical descendants of Israel, but they will have lost their identity and not know that they are of the bloodline of Jacob, and they will be called Gentiles.

**Deuteronomy 32:26 I said that I would scatter them, and make their remembrance cease from among men.**

Let me break that down for you: I will scatter the House of Israel into all the corners of the earth, and I will make the remembrance of them to no longer exist, even in their own minds. Until when? Aquarius pours out the water. *They are all going to forget who they are until I pour some water on the seed, and a little sprig pops up.* The seed is in you, children, and that water pops it up. Then you say, "Whoa! Who am I?" The Holy Ghost is only poured out on as many as He calls out of those Two Houses.

Yahweh divorced the House of Israel, but only to plant them as seeds around the globe to grow into many great Gentile nations. But later, they would be called back and Yahweh's Name would be written in their

forehead. Let's read Jeremiah 23:26-27. I'm going to show you how you can know that you're a descendant of Israel. I'm going to show you the one thing besides the Sabbath that the Church stole from you, that Yahweh is going to call you back to.

**Yeremyah 23: 26-27** How long will *this* be in the heart of the prophets who prophesy lies? Yes, *they are* prophets of the deceit of their own minds; 27 Who devise; *plan and scheme*, to cause My people to forget My Name through their dreams, which they tell every man to his neighbor, just as their fathers have forgotten My Name for Baal; *Lord*.

Just let that percolate a minute. "There's coming a day," He said, "when I will deliver My people from the lying preachers that have changed My Name to Lord." Baal means Lord. I'm going to sit here until someone realizes how they know that they are Israel. Let's read it again.

When you replace the Name with titles, you have gone into Baal worship. *But My people are going to be restored to THE NAME. My people are going to be RESTORED to THE NAME of their Father in Heaven.* That's how you can know that you have returned to the House of Israel: you replace titles with a name. Instead of God—God is not a name—use Yahweh. Lord is not a name, and there is nothing wrong with using it as the identifier of Lord Yahshua, but you don't take the Name out and just say Lord. There is nothing wrong with saying God on occasion to refer to the Father, but you don't replace His Name.

He said the day was coming in the House of Israel when He'd put His Name back on their forehead. Has anybody been called to that today? Have you seen that happen to you in the last few years? Put THAT NAME BACK on your forehead!! HalleluYah! HalleluYah! He's putting that Name back in your forehead because the Church took it out. What church? The Church that prophesies LIES! Now read Jeremiah 16:21, and this is really going to get some of you Baptist folks to shouting! This is the One Key that you can know you're part of Remnant Israel.

**Yeremyah 16:21 Therefore behold, I will make them to know—**

Hold on. This is a prophecy for End-Time Israel: I will cause them to know. I will remove the ignorance, is what He is saying. I will give them the Aquarius water and this water will not just teach them how to run the aisles and how to speak in tongues, and how to cast out devils. No, no, no. If they get the real Holy Ghost, the real water, it will cause them to KNOW. It will make them remove the ignorance from their eyes. And what is He going to cause you to know? Read.

**this time I will teach them My power and might; and they will know that My Name is Yahweh.**

Wow. Wow. Wow. That says it all! What days we're living in! He said, "In the end time, I'm going to cause My Remnant Israel to know My Name. One day I'm going to cause you to know. I'm going to get you to quit shouting in church long enough to sit down, shut up, and learn something."

Brother Don Robbins said for us to read Deuteronomy 6:4-9, so everybody put that in your notes and make sure you read that, as well.

**I WILL MAKE THEM KNOW MY NAME!**

Now I want to talk to you about Replacement Theology. It is what the Christian Church believes. The only problem is that it is not in my Bible anywhere. Here's what the Christian Church teaches, and I want to get a witness if this is what you grew up believing. The Christian Church teaches that anybody, whether they are descendants of Abraham or not, can be GRAFTED to the Tree of Christianity.

The Christian Church teaches a Greek doctrine, and it's based on their own reasoning that says that God is finished with Natural Israel; He did away with them and divorced them, and now He has created something else called the Christian Church, and that Church now has REPLACED Natural

Israel, and God is focused on building THAT Church outside of Natural Israel. Put up your hands if that was what you were taught. Okay, all of you were taught what I was taught. That's called Replacement Theology, and if you don't get it out of your head, you won't be in the First Resurrection. If you don't get it out of your head, you won't be a governor in the government. It won't happen. Get Replacement Theology out of your brain. It's paganism. It replaces the COVENANT of Abraham!

In order to teach these lies, they made all previous covenants null and void. They abolished the Old Testament entirely. The New Testament in the Christian Church REPLACES the Old Testament, instead of enhancing the Old Testament. The Christian Church will tell you that the New Covenant has replaced the Old Covenant. Christmas has replaced the Feast of Tabernacles. Easter has replaced Passover.

It's called replacement: REPLACEMENT! We are going to replace these things. The Christian Church is replacing Natural Israel. They are replacing the Feast of Tabernacles. Easter is replacing Passover. All the pagan holidays are replacing Yahweh's Holy Days. Christianity has replaced the Shema. What is the Shema? *Hear O Israel, Yahweh our God is ONE*. What replaced the Shema? The TRINITY. It replaced the Shema, so we're living in a Replacement Theology.

Guess who else replaced somebody? Jesus replaced Yahshua! I'm going to keep saying it: JESUS REPLACED YAHSHUA!

*Yahshua also replaced Yahweh.* That's a fact, Eric. We're learning what all has been replaced in the Christian Church. Let me tell you what else was replaced. Rome replaced Jerusalem as the City of God. Do you know what they call the Vatican? The Eternal City. Do you know what Jerusalem was called? The Eternal City. So Rome replaced Jerusalem. And guess what? The church you grew up in came from Replacement Rome. You've replaced everything, and you grew up believing these things until this light shone on your path.

Guess what else! Sunday replaced the Sabbath! Isn't that something? And preachers, and pastors, and priests replaced the Royal Priesthood of the House of Israel. The list goes on, and on, and on. Replacement theology is a lie. The truth that is found in scripture is this: the House of Israel was given a divorce, and torn from the olive tree. The Christian Church said anyone can be grafted in. They're using Paul's writings that *we were grafted in as Gentiles*. No you weren't! A Gentile cannot be grafted into the olive tree. Impossible! But I'll tell you who can be grafted into the olive tree: the wild olive tree can be grafted back into the natural olive tree. Who was the wild olive tree? The rebels, the Northern Kingdom. The House of Israel can be grafted back in.

May I make this so simple that even the dumbest in the world can understand it? Can I just break it down? You cannot graft an apple tree into a lemon tree. The only tree you can graft into a lemon tree is another citrus tree. You can do it with an orange tree; that's citrus. You can't put a Gentile tree into an Israel tree! You can't take a bunch of people who were never Yahweh's to begin with, and turn them into Israel by grafting them in. You'll have two weird trees. One will be making apples, and one will be making lemons. You cannot graft two opposite trees together! That is why Israel had to be grafted back into the tree that they CAME OUT OF, which was the House of Israel.

All of the prophets foretell of one thing. Can anybody show me one prophecy from the prophets that talks anywhere other than the Millennial Reign, where a Gentile EVER was in the plan of Yahweh? Nope. Go read all the prophets. Show me one prophecy from the prophets of what they prophesied about Gentiles. What did they prophesy? Only of the reuniting of the two Houses of Israel. We are studying Pisces today; the two fish connected together by a wedding band. She was divorced, now she's coming back. That is the only prophecy in the prophets anywhere.

*All of these replacement things which they have done—all these lies—reminds me of when Yahshua spoke to the churches in Revelation*

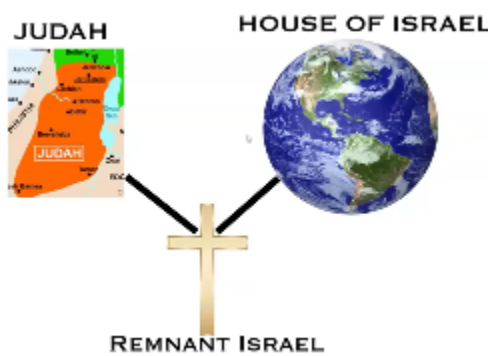

*and said if they were not an overcomer, He would remove them out of their place. Can you explain that?*

Yes, ma'am. We're only talking about the governors. Israel and the House of Judah were all supposed to be in that 144,000. They were all supposed to be the original governors of the Millennial Reign. But because they did not come into Remnant Israel; called, chosen, and did not overcome, they were taken out of their governing position.

Here's the thing: Remnant Israel is not the same as Natural Israel. However, Remnant Israel IS Natural Israel, but it's not the same as Natural Israel, because they don't make up Remnant Israel. I'll prove it to you. Let's go to the New Testament; Romans, chapter nine, verse twenty-seven. This verse would never make sense before today. I want you to read it.

**Romans 9:27 Isayah also cries out concerning Israyl: Though the number of the children of Israyl be as the sand of the sea, only a remnant will be elected;**

There you go! Everything I've been teaching you for the last two hours is in

that verse. Let's see what Paul just said. I'm going to explain it with the graphic. He said though both Houses—Judah and Israel are like the sand of the sea because we are everywhere, only REMNANT ISRAEL will be elected. He's still talking about Judah and Israel. He's never once mentioned a Gentile. In this verse, the KJV uses the word *saved*, instead of *elected*. He's not

talking about salvation in this verse, as many believe. That word there is *sozo*, which means delivered. Only Remnant Israel will be delivered or elected into the First Resurrection. Only they will be delivered from the first grave, or the first resurrection.

My question: According to this verse, the ones coming up in the first resurrection are only the bloodline of what? *THE HOUSE OF ISRAEL*. Who is coming up in the first resurrection? It tells you right here. It refers to two groups of people that are One. Who is he referring to? The NATURAL Houses of Israel, and only a Remnant from Natural Israel. Paul tells you where the remnant is coming from. It is so plain: NATURAL ISRAEL.

*And as it says in verse twenty-nine: “And as Isayah said before: Unless Yahweh of Sabaoth; host, armies, had left us a seed, we would have become like Sodom, and we would have been made like Gomorrah.”*

Yes. And who is that seed? It is the Remnant Israel that has come through Messiah out of Both Houses. He has called them and chosen them. It was prophesied by Isaiah.

*I thought in I Kings 19:18 it says that the remnant is only seven thousand. Can you explain that to me?*

That was those that had not bowed their knee. That was Remnant Israel at that time, who had not bowed their knee to the false prophets of Baal. That was in the days of Elijah. When Yahweh told Elijah, he thought he was the only one living for Yahweh, and Yahweh said to him that He had preserved for Himself, seven thousand of the remnant of Israel. Remember, the Old Testament and a precursor and example of what is going to happen in the new. In those days, even when the House of Israel at large was worshipping Baal, there was a remnant who were overcomers, even back then.

Now I want to prove to you in Hebrews chapter two, that it is ONLY Abraham’s descendants that the Messiah helps in His role as High Priest, and no one else He is helping right now as the High Priest. We’ll start reading at verse ten and go through verse seventeen.

**Hebrews 2:10 For it was fitting for Him—on account of Whom are all things, in bringing many sons to glory—to lead the Prince of their salvation to perfection through sufferings.**

**11 For both He Who sanctifies, and those who are sanctified, are all out of One—Yahweh; therefore, He is not ashamed to call them brothers,**

**12 Saying: I will declare Your Name to My brothers; in the midst of the congregation I will sing praise to You.**

**13 And again: I will put My trust in Him. And again: Behold, I and the children whom Yahweh has given Me.**

Let's pause right there. Who had Yahweh given Him? What did Yahshua say? *I only came for the Lost Sheep of the House of Israel. That's all Yahweh gave Me. He doesn't give Me the Gentiles until the Millennial Reign. All I get in the First Coming, are the children He's given Me; the children of Israel.* Keep reading.

**14 Therefore, since the children have partaken of flesh and blood, in the same way He Himself also shared the same things, in order that through His death, He might destroy the one who had the power of death, that is, the devil;**

**15 And deliver those who, through fear of death, were all their lifetime subject to bondage.**

Now listen carefully to verse sixteen. Let's find out who the High Priest is helping right now.

**16 For truly, He does not take hold of malakim, but He takes hold of the seed of Abraham.**

Listen carefully. It is not angels that He is helping. He didn't take on the nature of angels because they didn't need help, but He is helping Abraham's descendants. That's why He took on the nature of Abraham's descendants.

The SEED of ABRAHAM are the ones He's taking ahold of right now, by the power of the Holy Spirit. Only the seed of Abraham.

**17 For this reason He had to be made like His brothers in every way,**

He had to be made like His brothers. Who were his brothers descendants of? Abraham.

**in order that He might become a merciful and faithful High Priest in service to Yahweh, and that He might make atonement for the sins of the people.**

This is only part one, and I'll have to continue next week. In closing, I want to show you a major prophecy that prophesied everything I am teaching you. Let's turn to the book of Ezekiel chapter thirty-seven. I'm going to show you the only thing your Bible prophecies, and it is the same thing that the Heavenly Scroll prophecies with Pisces. We're going to start at verse fifteen.

**Yechetzqyah 37:15 The word of Yahweh came to me again, saying:**

**16 Also, son of man, take one stick and write upon it; For Yahdah and for the children of Israyl associated with him.**

Now hold on. You've got one stick that is for Judah, and they are sons of Jacob, of Israel. Now read the rest.

**Then take another stick and write upon it; For Yahseph, the stick of Ephraim, and all the house of Israyl associated with him.**

Okay. He grabs two sticks, and tells Ezekiel to write *House of Judah* on one stick, then take another stick and write *House of Israel*. Two sticks. They are separate people. Read.

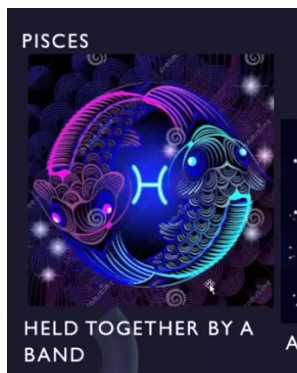

**17 Join them together into one stick, so they will become one in your hand.**

**18 And when the children of your people speak to you, saying: Will you not show us what you *mean* by this?**

**19 Say to them; This is what Father Yahweh says: Behold, I will take the stick of Yahseph, which is in the hand of Ephraim, with the tribes of Israyl associated with him,**

That's called the House of Israel. Here is a prophecy being given now, for not the Jewish people, but for the House of Israel.

**and will put them with it—with the stick of Yahdah, and make them one stick; and they will be one in My hand.**

Hold on. I want to show you that prophecy in the stars before it was ever given by Ezekiel. There it is in Pisces: two sticks, two groups of people—the House of Judah, and the House of Israel.

Right after Aquarius pours out the water, it will be unto you and to them who are afar off, which are these two sticks. The purple fish is Judah. That is the royal scepter. Then there are those that are afar off. They will be joined together through Remnant Israel. Keep reading.

**20 When the sticks upon which you wrote are in your hand before their eyes,**

**21 Then I will say to them; This is what Father Yahweh says: Behold, I will take the children of Israyl from among the heathen,**

That's the pagans; that's the Gentiles. He says, "This is what I'm going to do when Aquarius pours out His water; when the Holy Ghost comes: I'm going to do exactly what I said I was going to do. I will visit the pagans, or the Gentiles, and take out of them MY people." He said, "Behold, I will take the sons of Israel from among the Gentiles, where they have gone."

**wherever they have gone, and will gather them on every side, and bring them into their own land;**

The LAND is the symbol of the Covenant: the Promised Land. He is going to bring them back to the Covenant. What do you think the voice of Elijah is bringing you back to? The Land, the Covenant! Ladies and gentlemen, you are hearing the voice of Elijah, even today, bringing you back to the land from all the nations where you have gone. You've assembled in this little room today!

**22 And I will make them one nation in the land upon the mountains of Israyl, and one king will be king over all of them. They will no longer be two nations, nor will they ever be divided into two kingdoms again;**

This is the only prophecy that lines up with Scripture, and you don't see one mention of Gentiles. Not one. You have the mistaken identity of Israel who think they are Gentiles, *but I am going to get them out and reunite them under one banner called Remnant Israel*, says Yahweh.

**23 Never again will they defile themselves with their gods (elohim),**

How do you know if you are part of this process? How do you know if you are in this prophecy? The first thing you'll see is that you'll no longer celebrate pagan holidays. *They will no longer defile themselves with paganism*. You'll know you're coming out of Gentiles when you don't even keep their holidays anymore. You *are* what you celebrate! If you celebrate Gentile, you are Gentile, but if you celebrate Israel, you are Israel. It's really

that simple. What is the next thing that is a sign that you're being called out?

**nor with their detestable things,**

They won't be eating detestable foods anymore. *Whenever I start fulfilling this prophecy, they will get out of paganism, and they'll stop eating unclean.*

**nor with any of their transgressions; but I will save them out of all their dwelling places where they have sinned,**

Where are their dwelling places? The Gentiles. They are dwelling as Gentiles. When He says Remnant Israel will be saved, what is He saying here? *I will deliver them from their Gentileness. I will deliver them not from hell, but from Gentileism.* Yahweh isn't trying to save you from hell. He's trying to save you from your Gentileism.

How have they sinned? They left the Covenant. They left the Law. When you go live among the Gentile churches, you'll say *Amen* when they preach against the Law. *But there is coming a day when I am going into those churches to get My people out. Babylon is falling: Come out of her My people! I am going to get them out and deliver them.*

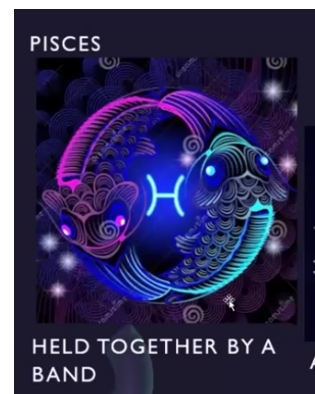

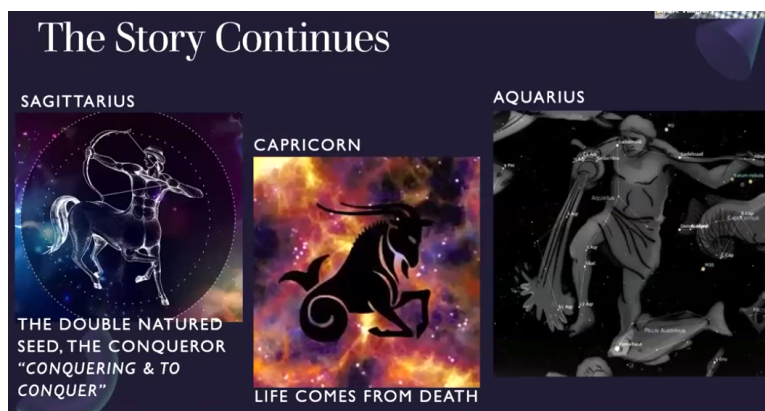

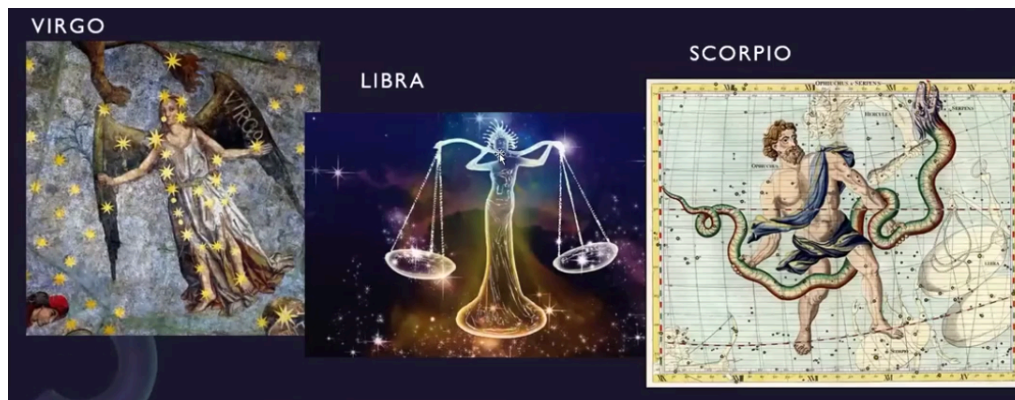

If you're in this room today, you've been delivered. From where? Your dwelling places; your churches. You've been delivered from Gentileism; those that were preaching against the Law. He said, "I'll send the voice of Elijah to prepare the way of the Lord, and then I'll cleanse them."

**and will cleanse them. So they will be My people, and I will be their Father,**

*After I cleanse them, what will be my promise? All of a sudden they will not be Gentile; they will be Israel.*

Brothers and sisters, we'll do part two next week. Before we go, let's tell the story again:

A virgin will have a Son. He will balance out the scales after He struggles a lifetime with the serpent and defeats the scorpion saying, *O death, where is your victory, and O grave, where is your sting?* He will rise above His human nature and be declared the Son of Yahweh at His resurrection. When He dies, He will give birth to the Church, and the Holy Ghost will be poured out. Finally, the two Houses will join back together. Ladies and gentlemen, it was all in the stars.
