

# **The Sacred Simplicity of the Sabbath**

**Pastor Vaughn, Chapter One**

## **The Voice of Elijah Will Restore All Things**

Before King Yahshua returns  
to take His rightful throne,  
the voice of Elijah will restore  
and make ancient truths known.

It will cut through the lies  
and the religious hypocrisy  
bringing us back to the practices  
of early church history.

The truth about the Sabbath,  
divinely designed for rest,  
for reverence, and rejoicing,  
has been put to the test.

Some ignore it completely  
as just another day.  
Others create man-made rules  
that take its joy away.

But Elijah's voice strong and clear  
tells of that first Sabbath Day  
when heaven and earth were in harmony  
in worship to Yahweh.
