

Moving On From Babylon
Written by Minister Larry Cambre

CHORUS:

I'm moving on from Babylon;
I'm moving on from Babylon, Oh yeah!
I'm moving on from Babylon;
I'm moving on, I'm moving on from Babylon.

Yah called me out, I have no doubt;
Yah called me out, I have no doubt, Oh yeah!
Yah called me out, I have no doubt;
I'm moving on, I'm moving on from Babylon.

CHORUS

All of their lies are in disguise;
All of their lies are in disguise, Oh yeah!
All of their lies are in disguise;
I'm moving on, I'm moving on from Babylon.

CHORUS

They said to me that Yah was three;
They said to me that Yah was three, Oh yeah!
They said to me that Yah was three;
I'm moving on, I'm moving on from Babylon.

CHORUS

Now I can say I've come away;
Now I can say I've come away; Oh yeah!
Now I can say I've come away;
I'm moving on, I'm moving on from Babylon.

CHORUS

I'm moving on from Babylon;
I'm moving on from Babylon;
I'm moving on from Babylon;
I'm moving on, I'm moving on from Babylon.
