

## **Prayer**

### **Unlocking the Unseen Realm** (Pastor Vaughn, Part 2 of 11, fhtv.tv #2850)

Without a life of prayer,  
you won't know what to do  
in whatever situation  
has come to deal with you.

Every problem in your life  
is by Divine design.  
It's meant to make you pray  
and cause your flesh to resign.

If you think you have the answer,  
you will never pray.  
Pride won't let you listen  
to what Father has to say.

Unless you humble yourself  
and like a child become,  
you'll never know the joy  
of becoming one!

A child says "I don't know  
what I'm supposed to do.  
Please show me, Father.  
I really need You!"

Your Father sits high  
and He looks low.  
He will guide your feet  
wherever you go.

He is your Provider.  
Simply learn to receive.  
Prayer makes a way  
when you truly believe.

When you don't know how to pray,  
keep on pressing through.  
Let the Holy Spirit  
pray the prayer through you!

Father needs your voice  
(He will do the praying)  
to release on earth  
what He is saying!
