

Scriptural Science 101 – Part 8

(Pastor Shane Vaughn, fhtv.tv #3232)

The Unpardonable Sin

Sin moves in two directions,
horizontal and vertical.
The difference between them
for us is highly critical!

When we sin against others,
we can always be forgiven.
After amends have been made,
we go on with daily living.

The Blood Yahshua shed
paid for all mankind's sin.
And everyone is granted
a new life to begin.

Yet we are more than human.
Our spirits must be fed.
To develop into maturity
we must be Spirit-led.

And there is a sin
where pardon is not offered.
No matter what you do,
there's nothing you can proffer.

If we refuse to listen
when the Spirit calls,
we grow weak and weary,
full of faults and flaws.

Yahweh cannot use us
in this horrible condition.
He's looking for obedience
and a heart of deep contrition.

Did you know this is blasphemy
against the Holy Spirit?
When He gives us truth
and we refuse to hear it?

Words coming out of our mouth
were first in our mind.
Whether they be carnal
or the spiritual kind.

We're going to be judged
for every idle word
and how we handled
the truth we heard.

Sins against the Holy Spirit
have consequences that are ongoing.
Yahweh warned us in His Word:
“You will reap what you're sowing!”

Know that the fruit
of your unbelief
will cause you to weep
and be gnashing your teeth!

You'll be banned from the Kingdom,
though you will still be saved.
You'll have a lower position
due to how you behaved.

You will strongly regret
making the choice
to do things your way
and not heed His Voice.

Repent while you still can
and begin today
to feed your mind with truth
and His every Word obey.
