

ISRAEL 101
Part 10
“Ephraim & Manasseh Explained”

By Pastor Shane Vaughn, First Harvest Ministries

Let's get into the word of God quickly, and we're going to start in Revelation chapter 21. Today is part 10 of Israel 101. We have spent the last 10 weeks trying to give you an understanding of who you are as an Israelite. And what that means, and why it's so important that you identify as an Israelite. It's time to take all your old identities as a Baptist or a Pentecostal or a Catholic or a Brethren or a German Baptist or whatever. All of those were false identities that you carried all your life until Yahweh revealed who you are.

An Israelite. And that is not just some cute little new fad. That's not some cute word that we just throw around. No, being an Israelite is not a name. It is a responsibility. Being an Israelite is a responsibility and what is that responsibility? To be unlike all the other people of the world. That's what an Israelite is. We are different from the whole world. We are the special treasure of Yahweh himself.

And so as an Israelite you've got to change your vision. I preached on this last night. You have to change your vision from a Christian to an Israelite. You have to change your vision and begin to see everything through the prism of the kingdom of God. How many of you can testify that before you found the truth the word “kingdom of God” was just a euphemism almost? It was really just an ethereal idea. You know it's just some place up in the great beyond.

But the kingdom of God—the first thing you've got to learn about it is that it is a physical world-ruling government. I don't think some of you grasp that. And the reason I know you don't is if you truly believed that you were going to be part of the next one-world government, and that is something that you're going to have to take a screwdriver into your brain, and you've got to punch a hole in your brain (don't take that literal please). Anyway, you've got to punch a hole in your—I can see the clip now—he's told everybody to punch holes in their brains. Ha, ha. Anyway, you've got to put a hole in your brain and let it drain out. You've got to let things drain out that have been inculcated into your mind all your life.

And one of those things is the kingdom of God. Here is what the kingdom of God is if you're taking notes: A literal, one-world government. Now isn't it funny that all the prophecy teachers all believe in a coming one-world government. But they believe in Satan's one world government that is coming through the antichrist. They are clueless that the next one world government will not be the government

of the antichrist because the Bible tells us that the toes are always going to what? Be divided. Come on get with me. On the statue. It's always going to be mixed with iron and clay. They're never going to join together. Can I ask all of you, how many all of your life, and I'm going to look at your hands now, has always believed that their was about to be formed a one world government all over the world? I was one of those.

Alright, it's nowhere in the word of God. As a matter of fact, the word of God says that those ten toes on Daniel's statue, or Nebuchadnezzar's statue, will never come together ever. However, the next government of planet earth—oh if we could only grasp that. The next government on planet earth is going to come rolling down the mountain. Hallelujah. Amen? The government on planet earth is already rockin' and rollin'. And it's going to take over every government on planet earth.

Now that you know what the kingdom of God is and what's coming next, the next question is: Who is going to make up that government? I'm going to give you one word ladies and gentlemen. Israel. That's the only people in the world who's going to be in that government. Israelites. That's it! No one else. Only Israelites will make up this coming government. Why is that? This is why we need to understand what an Israelite is. I've spent ten weeks trying to teach you what an Israelite is. Let's go to Revelation 21:10 and start there.

Look, I want to see you all open your Bibles saints. Because if not, if you don't prove everything I teach by the word of God, then you've done nothing but joined another cult. We demand you to read the word with us. Don't ever believe anything I teach, study it. If we're right believe it. If we're wrong love us and go on and just don't worry about it. But always prove what we teach by the word of God.

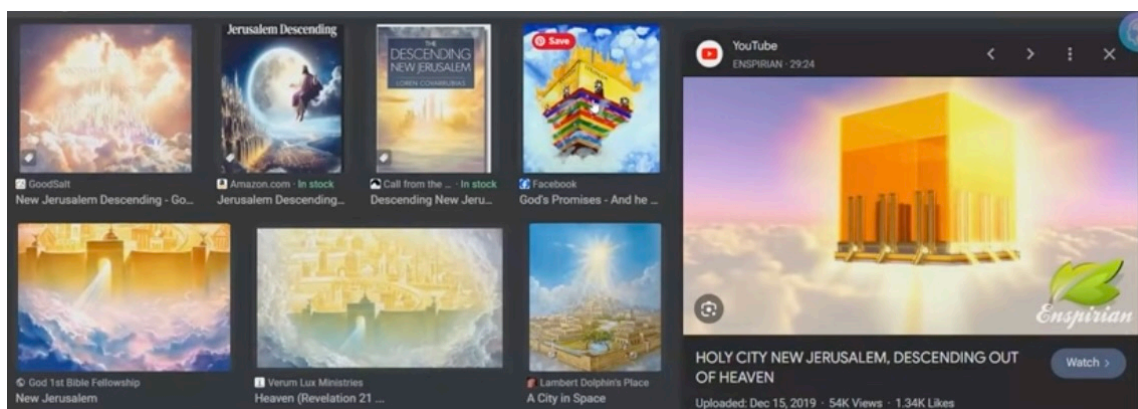

Revelation 21:10

10 And he carried me away in the spirit to a great and high mountain, and showed me that great city, the holy Jerusalem, descending out of heaven from Yahweh.

Alright, first of all, if you don't have my booklet New Jerusalem* and have not read it, you are missing out on great knowledge. It's free of charge. Go download it. Read it. It's a pdf. You can read about the New Jerusalem. Here's why—because there is no such thing as a great city called the New Jerusalem

*firstharvestchurch.org (under ebooks)

descending out of God from heaven. Let me show you how carnal our minds are. I saw this the other day and was like my God did I ever believe that? Alright, you all are going to love this. Look on the right at this photo.

That's what we used to believe. See this picture on the right? See that literal city up there (to the left of it) with 12 foundations? That's what we used to believe. That's what we always believed, that there was a literal city coming down from Yahweh out of heaven. That's what we believed. That's called carnality, carnal minds. There is no literal city coming down from God out of heaven. Now you need to know that. So if that's not what's going to happen then what is it?

The answer is in the very verse right before it, that the whole world has missed. Read verse 9. This is John.

Revelation 21:9

9 And there came unto me one of the seven angels which had the seven vials full of the seven last plagues, and talked with me, saying, Come hither...

Come hither. Come up higher. Come into the glory realm. Come into the visionary realm. Come out of your carnal thinking. And when you do, what did he say next?

...I will show thee the bride, the Lamb's wife.

I'm about to show you a holy people, not a holy city. A holy people called the bride of Christ. The Messiah's wife. I'm going to show you the bride. And in the very next verse he says I did it—I went up higher, he carried me away in the Spirit and I saw, I came to a great high mountain. Well guess what the word mountain always means in prophetic language. Government. He brought me to show me the next one world government. He brought me to the great high mountain.

Remember Daniel said that this government would become a mountain that would cover the whole earth! A great and high mountain. And he showed me that great city. *Oh see there it is brother Vaughn, it's a city.* No, no, no, It's not a city. I'm going to show you what it is whenever I can find how to spell innumerable. There it is. Hebrews 12:22-23. We're going to find out who the city that he saw is.

Hebrews 12:22-23

22 But ye are come unto mount Sion...

You are come...talking to who? The begotten children of Yahweh, the bride of Christ. You have come to Mt. Sion.

...and unto the city of the living God...

Whoa whoa whoa. What is he now calling Mt. Sion? He's calling it the city of the living God. Now who does he say is dwelling in that "city"? Who is in that mountain now? You, the bride of Yahshua.

...the heavenly Jerusalem...

What is he now calling this city? The heavenly Jerusalem, or the New Jerusalem who is you darling. The New Jerusalem is not a heavenly city. It is a heavenly people who have been transformed from human beings to heavenly bodies or spiritual bodies, heavenly creatures. They are the new government or the New Jerusalem. Jerusalem indicates the government of David. It represents the high government that's going to rule the earth.

...and to an innumerable company of angels.

Do you see how it says innumerable company of angels? You automatically thought that was winged creatures with halos on their head. The word *angels* there is *messengers*. These are not angels. You have come to the city that is filled with the messengers of the message of the end time kingdom of God that's an innumerable company. And what did he say right after that?

23 To the general assembly and church of the firstborn...

You have come to the church of the first harvest. Does anybody see it? You. You are the church of the first harvest, the firstborn! It is you that is that heavenly city. It is you that make up that new government that is coming out of heaven. You're coming out of a spiritual dimension. You have graduated Jacob from your carnal mind. You've been transformed to an overcomer or a messenger of the covenant now. You make up that city!

Let's go back now to Revelation 21:9. The angel is not showing John a literal city. He's showing him the same city that Hebrews just wrote about. He is showing him the bride, the lamb's wife. And we, brothers and sisters, are coming down from God out of heaven because only those that leave their humanity and their carnal minds and ascend into the glory realm of understanding by spiritual revelation will qualify.

Once you do that you are now seated together with Christ in heavenly places right now. And one day that government is going to descend, but first it must ascend into the heavens, into the new mind, so that we can govern with the mind of God. Hallelujah! Oh that people would understand this. You are being called to be changed from a Christian to an Israelite. You are being changed from a human to a begotten son of Yahweh. And when that begetting happens the Bible said that you will begin to be renewed in your mind daily with the mind of Christ.

You know it sort of helps when a man and woman's living together for them to start thinking alike. Amen? You sort of start developing a gelling together. Well when you come to Christ, the Torah, the living Torah, you're going to have to become Torah-minded to get along with the Torah in the flesh that you're going to live with. Come on now. You see, you're going to have to start developing his mentality. Amen.

Let's go back now and keep reading there. Verse 10, let's read it again.

Revelation 21:10

10 And he carried me away in the spirit to a great and high mountain, and showed me that great city, the holy Jerusalem, descending out of heaven from Yahweh.

Immediately we always think that's descending out of a far distant galaxy somewhere, out of heaven. We think that that's where that's coming from, our carnal minds go to. But the Bible says that we are seated together with Christ right now in heavenly places as we take on that new mind. Brothers and sisters, that holy city is you and I. There's an old Jerusalem that's associated with Hagar. But there is a NEW Jerusalem that is the children of Sarah, and the only children of Sarah are Israelites. Did you hear me? Amen. So the New Jerusalem is the city of Sarah.

11 Having the glory of Yahweh...

Now how is a literal city a her? It's the bride children. It's that new church that came out of the church. It's the Kahal. It is that church within the church. Her

glory, not some city's glory. Her glory. Now why does she have the glory of God? Because she has submitted unto God just like Yahshua did.

...and her light was like unto a stone most precious, even like a jasper stone, clear as crystal.

What does Yahweh call his bride? His segulla? His precious treasure. He's describing his segulla in this verse. He is describing her as a stone MOST PRECIOUS! Hallelujah. She's better than a jasper stone. She's clear as crystal because she has no hidden sin, no hidden agenda, no hidden rebellion. She's clear, you understand? You can see straight through her. Hallelujah. She's not hiding any rebellion in her heart.

12 And had a wall great and high, and had twelve gates...

(In my booklet I'll tell you what that wall is, I'm not going to get into it right now. I've got somewhere else to go.) So there's 12 entrances into this government, this New Jerusalem government. There's 12 entrances and 12 gates.

...and at the gates twelve angels, and names written thereon, which are the names of the twelve tribes of the children of Israel.

And there are 12 angels. Once again that's not angels, ok? That's messengers. And who are those messengers? We'll read it in a minute. It's 12 sons of Jacob. And the names were written on these gates. What are the names? The 12 sons of Jacob which are the names of the tribes.

Now I want to ask every one of you: According to this verse, the only people going into that 144,000 New Jerusalem government must be children of what? *Israel and Judah*. There is no other way into this government than to be circumcised in the Holy Ghost as an Israelite and to submit to Torah. Listen to me! There's not one entrance into the New Jerusalem for a Christian. There's not one gate on that city, not one, called Baptist or Pentecostal or Catholic.

One day you all are going to get this. One day you're going to understand that I'm giving you the revelation of the end times. You have got to change your vision. You have got to understand who you're not and who you are. If you're going into that city you're an Israelite. Why do you think on the land that Yahweh told me to buy—he spoke to me to take all those banners with the 12 tribes of Israel—put them everywhere on the land. When you're driving down the driveway the first thing you see when you come around that curb are those flags waving. It's the banners of Israel with their names on there.

Why? I must get you to thinking like an Israelite. You must understand your duty to the word of God is to be changed like an Israelite. So on the land when you drive up you'll see those banners waving with all 12 names.

So the only path into the government is as an Israelite. Now, here's the problem with that. We don't know how important the kingdom is. Your mentality must change to a kingdom vision. Here's why. Yahshua, his ministry, while he was on the earth, do you know how many times Yahshua preached about salvation? Twice. Yahshua mentioned salvation two times. Do you know how many times he proclaimed the kingdom message? Get ready, write it in your notes. In 306 verses he talks about the kingdom of God. In 964 verses he talks about the king of that kingdom. In 901 verses he talks about the rejection of that king. In 782 verses he talks about the rejection of the kingdom. And he mentions salvation in two verses.

And yet if you go to your church this Sunday, do you know what the entire sermon will be about? Salvation—with no mention of the kingdom. Now they might talk about "the kingdom" once in a while but they're clueless to what it means. So 78% of the gospels concern the kingdom. There's not one Christian church in your town that can tell you anything about the kingdom. *It's like it's hidden there in plain sight but for some reason it's hidden to the world, but not to Israel.* Oh hallelujah. When you come to understand that brother, when you get the revelation of that, all of sudden you'll understand what Yahshua meant when he told his disciples...blessed are your eyes.

I have a question. Go ahead. Is there a difference between the kingdom of God and the kingdom of heaven? None whatsoever. It's like where does Yahweh dwell in heaven? So therefore, the kingdom of heaven belongs to the one who owns heaven which is God. It's like the bank of Mellon. The bank of Mellon is from the city of Mellon but it doesn't tell you who owns it. If it tells you who the owner is then it might be the Bank of George Whitmore. So it's the exact same bank whether it's the Bank of Mellon or the Bank of George Whitmore. It's the exact same bank.

Yahshua said it in Matthew 13:16. He said this to his disciples: Blessed are your eyes for they see, and your ears for they hear. Blessed. Every one of you here today have blessed eyes. Your eyes are truly, truly blessed. Yahshua mentions salvation two times in Luke 19:9 and John 4:22. And do you know that not one time did Yahshua invite anyone to salvation? Not one time. He did invite them to the kingdom, He did invite them to repent and be baptized in his name so they could undergo circumcision of the spirit and become an Israelite. Hallelujah.

But he never mentioned salvation. Also he only mentions the word church three times, but he mentions kingdom. See you've got to get rid of your church mentality and get a kingdom mentality.

Now let's go read about these kingdoms. Let's find out the first mention of the kingdom in the word of God. You can always go to the first mention. We're going to read this and find out exactly what the kingdom mentality is all about and how we develop that mentality. And we're going to find out that the only people in the world who will ever be in that kingdom, that government. Change the word kingdom in your mind to government because we didn't grow up in a kingdom. It's hard for us to comprehend kingdom, so just change it to government. The government of God.

And where does that government practice before the kingdom? In the church, in the Ekklesia, in the Kahal. That is why church has order. That is why church has structure. Do you all really believe that when we get into the kingdom of God in the millennial reign that everyone's going to be independent doing their own thing letting no man tell them what to do? Can I just get you all to listen to me? Every one of you who don't want a pastor right now because you and God have your own thing going, you're in for a rude awakening when you get into the millennial kingdom.

There will be so much structure and order. There will be a clear chain of command. All the way from Yahshua and then David will be right under Yahshua, and then the 12 apostles will be under David sitting on a throne over each of the tribes. And then that authority will flow down to Daniel and to whomever else is in that chain of command. And in the city you live in. There's going to be a mayor of that city. Oh yeah. There's going to be a Torah police force in that city. Ha, ha.

Come on now. There's going to be a government structured in the millennial government. And you can't even get your behind up and go to church because you think no man's going to tell you what to do. *Pastor you just gave them the vision.* Thank you sir. That's it. The millennial government is the vision. That's why there's church order. That's why the Bible teaches how to run the church. The Bible says...obey them that are over you in the Lord. People go crazy over that verse. They wish they could rip it out of the Bible, but you can't!

Do you know why? Because if you can't do it now—a zebra doesn't change his stripes darling. You'll get mad at King David when he tells you what to do in the kingdom of God. You'll get mad at the prophet Jeremiah. You'll tell him...I'm an overcomer just like you—who do you think you are? I'm here too. Uh huh, I'm messing with some you all now. That thing hides in your heart children. Get it out. Do you hear me? It hides. Wives, husbands, children, that rebellion hides in

you and you justify it. You ignore it. When you see the first sign of rebellion, fall on your knees, repent quickly and get it out of your mouth. Confess it. Confess it to your pastor, to your husband, your wife, your children. Confess it! I don't want rebellion in me. It will have no place in the kingdom.

And oh by the way, I might as well say this because I'm on a roll. If you're stealing from God now, do you think he's going to allow you to handle finances in the coming kingdom for him? Oh, ha, ha, oh. Whew-hoo. Somebody say incoming. Hallelujah because that one just came in. If you'll steal the tithe from the work of Yahweh right now, you're a thief, and you thought you were going into the kingdom. Listen darling, you can't keep the Sabbath and keep the tithe. That doesn't work. Oh hallelujah.

Hey elder, ain't nobody saying nothing—they just staring at me. Hallelujah. Do you know why? Because I'm digging in you. I'm digging at you. I don't need your money, I don't want a dime. You need to. I don't want anything from anybody. But I will tell you this. He's trusting you. Don't you know the tithe is a test to see if you're a liar? The Bible said...if a man will rob from God he'll rob from anybody.

He could just leave us with the 10%. That's right darling, he could take it all. But he trusts us. Do you know what he does mama? He trusts us. He gives us everything and says now...will you remember me or no? Will you remember my work, my servant that I've raised up that's trying to build the gathering place for my people, that's trying to get this kingdom. Will you support that work? Will you be part of it? And the truth is, some of you watching me right now, so rebellious, you're ignoring everything I'm saying.

And that's alright, I love you anyway. But I will tell you the truth and you'll have to live with that truth. It'll get up in your craw and it won't come out. You'll get so mad that it won't come out. Hallelujah. Praise the Lord. *Amen. Thank you pastor.* Amen. Listen, being submitted—we have to submit in every area of our life. Why are we here today on the Sabbath? Obedience. We are passing the test of obedience. We could've got up tomorrow on Sunday morning and went to church with the rest of the world. He said...remember the Sabbath day, keep it holy. We're doing it today. That's a test, and you passed it! To Yahweh be the glory. Hallelujah.

1 Samuel 10:16

And Saul said unto his uncle, He told us plainly that the asses were found. But of the matter of the kingdom, whereof Samuel spake, he told him not.

Alright. But the matter of the kingdom, he told him not. The matter of the government of God—Yahweh was about to institute a government over the people Israel. Now go to 1 Chronicles. Listen to me and listen carefully. The government of God has never been for anyone but an Israelite. I want you to remember that. Now after the kingdom was given to Saul, it's now going to be given to David.

1 Chronicles 10:14

And enquired not of Yahweh, therefore he slew him, and turned the kingdom unto David the son of Jesse.

Yahweh's kingdom. This is the Lord's kingdom. This is not man's kingdom. How is this kingdom being governed on behalf of Yahweh? It was turned over to a man. Do you all understand this kingdom we're reading about was not David's kingdom, it was not Saul's kingdom? This is Yahweh's kingdom that started with Moses or Moshe. It started with Moses as a republic. They rejected the republic. And now Yahweh is instituting a government of men. The Bible says Yahweh slew Saul and then turned his kingdom over to David. The truth is David was not the king of Israel. The truth is David was the proxy of the king of Israel.

Psalms 22:28

For the kingdom is Yahweh's, and he is the governor among the nations.

Awww the kingdom belongs to Yahweh. So where is Yahweh? All I see is David and Saul. All I see are men. But this says this is not their kingdom. And let me make it plain for all of you. First Harvest Ministries is not my kingdom. I just happen to be the little boy who's willing to do the work. This is Yahweh's kingdom. This is his church. This is his people. How I treat you and handle you I will answer to who you belong to. Amen.

That's why I tell everyone in this church...you don't need to worry about what I'm doing because I've got to answer to one who's got a judgment like you've never seen. Hey, he killed Saul because Saul wasn't doing right on the kingdom. And David to David. David was as imperfect as any many you've ever met. Hallelujah. Did you hear me? God wasn't looking for a perfect man. He was looking for a man who was after his own heart.

Yahweh doesn't need perfect people, he needs people who know how to repent, how to confess their sin and repent quickly. That's a man after his own heart. Amen? Now let's go read 2 Samuel 7:12-16. What we're going to find out here is that the denominational churches of the world teach that the kingdom of God is a *spiritual* kingdom. They teach that's it's just this unseeable fog out there somewhere, and it lives in our hearts. Alright, I'm going to prove that to be a lie

today. Let's read it and see if Yahweh's ever been interested in a spiritual government.

2 Samuel 7:12-16

12 And when thy days be fulfilled, and thou shalt sleep with thy fathers, I will set up thy seed after thee...

I will set up your what? *Seed*. Now does that sound spiritual to you? No. That's physical descendants. I will set up your physical seed after you.

...which shall proceed out of thy bowels...

So in case you thought that seed was Jesus, no it's not. Go back and search FHTV on the seed and I taught a few weeks ago. I know what you think it says in the New Testament but the mistranslation is horrible. They're physical descendants of Jacob.

...and I will establish his kingdom.

13 He shall build an house for my name, and I will establish the throne of his kingdom for ever.

Well now I thought it was Yahweh's kingdom. Now he's saying it's the seed that's coming after them. What he's telling you, ladies and gentlemen, is once you become an overcoming son of Yahweh, Elohim, once you become that, it is your kingdom because you have become one with your Father. And whatever is his is yours. Hallelujah. Amen.

14 I will be his father, and he shall be my son. If he commit iniquity, I will chasten him with the rod of men, and with the stripes of the children of men.

15 But my mercy shall not depart away from him, as I took it from Saul, whom I put away before thee.

16 And thine house and thy kingdom shall be established for ever before thee, thy throne shall be established for ever.

If that throne is not established still today on planet earth, you need to throw your Bible away. Amen. I want you to listen to what he just told David. Now this is the promise from Yahweh. If you cannot find this physical throne on earth today throw your Bible away. It says plainly 'my mercy will not depart from him as I took it from Saul'. He's talking about David. 'My mercy will never depart'.

When you look at all these royal houses that have taken that and you thought that they were bad people, it doesn't matter. 'My mercy will never depart'. 'I will have mercy and thy kingdom shall be established forever and forever'.

Brothers and sisters, if that throne is not in existence today, then that prophecy failed. But you see the Christians get around it by what? Spiritualizing it. *Oh that was Jesus*. No darling. Go back and read it. The physical seed of the house of Jacob. And then David, specifically the tribe of Judah, is the throne-tribe. You need to know that. Let's read 2 Chronicles 13:5.

2 Chronicles 13:5

Ought ye not to know that Yahweh, God of Israel, gave the kingdom over Israel to David for ever, even to him and to his sons by a covenant of salt?

Who? Who is the kingdom given to? Israel forever. The government belongs to Israelites only. Yahweh gave the kingdom over Israel to David forever. Even to him and not just his son Yahshua, but his sons. Do you not remember that Yahshua will see his seed? Yahshua has sons as well. Do you understand the kingdom is going to the SONS of Yahshua, the seed of Yah, to establish and sit on this throne FOREVER. The throne that nobody wants. Everybody wants to go to heaven. This is the throne that nobody wants!

The church won't even preach about this throne. And that's why I believe there will be 30 minutes of silence in heaven. I believe there will be such disillusionment from saved people of what they could have had, where they could have sat, what they could've done. I believe there'll be a moment when they're like...wait a minute, this is not what the church told me. Nobody told me to live holy and I could sit on a throne. No one told me if I gave up the world I could have the throne. They told me to accept Jesus as my savior.

Now let's go to 1 Corinthians 15:50 in the New Testament. I'm going to show you why no one sitting here today has the kingdom of God within them. Nobody here today, I don't care what the church has taught you, the kingdom of God is not within you. No one here in this room is in the kingdom of God. You are in the Ekklesia, you are in the college that is preparing you to enter into the kingdom of God.

Prince Charles, you are in waiting. You are training all your life, 75 years. I find it interesting that Charles inherited the throne at 75. God only promised man 75 years. I find it interesting, almost like a shadow. He spent his lifetime preparing for the throne. He wasn't allowed to go to regular schools. He wasn't allowed to wear regular clothes. Oh hallelujah. He wasn't allowed to talk the way he wanted

to talk. He wasn't allowed to mouth off and tell all the reporters when he was mad at them. No, he was being trained for a royal throne. Every one of you don't realize you're in class, you are being trained to see if your mouth can come under control. For all you cussing Christians, you have a rude awakening coming darling. For all you tithe-stealing Christians, you have a rude awakening coming. For all you Sabbath-breaking Christians, you have a rude awakening coming. For all you non-praying Christians, you have a rude awakening coming. You didn't know you were being trained for royalty to change your vision from common to royal. Whew!

1 Corinthians 15:50

Now this I say, brethren, that flesh and blood cannot inherit the kingdom of Yahweh, neither doth corruption inherit incorruption.

Is anybody in this room flesh and blood? *Yes sir.* Then not one of you have inherited the kingdom of God. *That's right, it's a future event.* Amen elder. No one here has inherited anything. Not one of you. You've been promised something if you'll hold on till the end. But no one's inherited it. So when the church tells you...*oh brother you entered the kingdom when you accepted Christ.* Wait a minute! I'm still flesh and blood dude.

So let me ask you, brothers and sisters, if you're already in the kingdom of God, then there's no wonder you're not worried about living a holy life, you're already in the kingdom of God. Do you see Satan's deception? So, now, who will inherit the kingdom of God? Not flesh and blood, but flesh and bones will inherit the kingdom of God. *What do you mean pastor?* Ah ha, I'm going to show you.

When you come up in the resurrection, you will not be flesh and blood. But you will be flesh and bone. You'll have no more blood because life for you will no longer be in the blood. Life for you will be eternal life that requires no blood. That's why I laugh when people say they have eternal life right now. I'm like... then shoot yourself. There's nobody believes they have eternal life. Watch somebody try to kill you and see if you don't beg to live. You don't even believe it. Because you don't have it yet.

The Bible says you have the *HOPE* of eternal life. You have the *PROMISE* of eternal life. Now in case you think I'm off my rocker, let's go read Luke 24:39. You're going to find out that Yahshua, after he was resurrected, was no longer flesh and blood, but rather flesh and bone. Read about this new spirit-body that Yahshua had. That's the one you're going to have.

Luke 24:39

Behold my hands and my feet, that it is I myself, handle me, and see, for a spirit hath not flesh and bones, as ye see me have.

That's his spirit-body. And they were like you. The pharisees believed in ghosts like a bunch of you folks believe in ghosts. They thought he was a ghost. He said no, this is my new body, my spirit-body. And it's made up of what? *Flesh and bone*. Bone, not blood. So when you're changing your vision to a kingdom vision, here's another thing you've got change. What you're going to be like in your new body.

In your new body you're not going to be floating. You're not going to be oooooh ooh woo hoo...ha, ha, ha! Amen? And you're not going to be peeping Tom on people as spirits, you're not. No, Yahshua, when he came out of the grave, he has his new body. Oh sorry, after he descended to the Father and came back down he had his new body. And it was made of what? *Flesh and bones*. You see, change your vision.

In this coming kingdom that you're preparing for, guess what? The Bible said you will be known even as you're known. What does that mean? You're going to be YOU. Yahshua did not look any different. Granted you'll be a much healthier you, you'll have eternal life. You'll be in perfect order. But others will know your face. Why is this important? I'm trying to get you out of carnal Christianity that has no idea about this kingdom. If you're an Israelite you've got to know about this kingdom because you were born to rule in it. Let's go to everybody's favorite verse, Luke 17:21. This is everybody's favorite verse. The minute you get on Facebook and post that you're looking for the kingdom of God to come, here's what they're going to shoot back at you.

Luke 17:21

Neither shall they say, Lo here! or, lo there! for, behold, the kingdom of God is within you.

Oh, see pastor Vaughn, I've got the whole kingdom of God inside of my heart. First of all, I hope it ain't in your heart because we're going to need your blood to flow through your heart. *Amen. It should be among you.* Absolutely elder. It's a mistranslation. Yahshua is speaking to pharisees who he just called children of the devil. And do you think he's telling them that the kingdom of God is within them? No. Thankfully the new translations have changed it to what it should have always said. THE KINGDOM OF GOD IS AMONG YOU.

I wonder why that was? Because the king of the kingdom was standing there talking to them. And they didn't see it. Amen. So, let's go to another scripture that

they love. John 18:36. And this is the only two verses they have. They love these two verses.

John 18:36

Yahshua answered, My kingdom is not of this world, if my kingdom were of this world, then would my servants fight, that I should not be delivered to the Jews, but now is my kingdom not from here.

*There you go pastor Vaughn, ‘my kingdom’s not of this world’ and you’re talking about we’re going to rule right here on the earth. Let me help you out ok? Alright. The word world is *cosmos* right there. Cosmos means arrangement or order ok? ‘My kingdom will look nothing like the arrangement of Rome. My kingdom will look nothing like the order of the current government of this world which is Satan’s government. My kingdom is not of this arrangement’.*

What do we mean by that? It’s not governed by self-interest and dirty politics. It’s not arranged by greed and love of money. No, ‘my kingdom is not of this arrangement or this order’. And that’s all they’ve got. That’s the only two verses they have. So they can take the whole Bible from front to back and discredit all of it with those two verses! Don’t let them do it children. Don’t let them do it. Know the truth and the truth will make you free.

Let’s find out what the prophets said about the kingdom of God. Isaiah 9:7-8. We’re going read about this kingdom. You’ve got to get these kingdom scriptures highlighted and put a note beside every one of them “a kingdom vision”. You’ve got to change your vision saints.

Isaiah 9:7-8

7 Of the increase of his government and peace there shall be no end, upon the throne of David, and upon his kingdom, to order it, and to establish it with judgment and with justice from henceforth even for ever.

How long? This throne of David is going to last how long? Forever. The government.

The zeal of the Lord Yahweh of hosts will perform this.

8 Yahweh sent a word into Jacob, and it has lighted upon Israel.

Ha! There you go! This promise is only for whom? For Israel to govern his kingdom. Go to Isaiah 60:12. Let’s see what the prophets said about this kingdom. It shall have no end. It will be increasing. Today it’s increasing, I’m

watching the numbers go up every minute. This kingdom is increasing. Yahweh is sending people from all around the world to learn the kingdom vision, to change their desire from heaven to holy.

Isaiah 60:12

For the nation and kingdom that will not serve thee shall perish, yea, those nations shall be utterly wasted.

If they don't serve Israel. Israel was created to rule, do you get it? If those other nations will not serve Israel they'll be destroyed. Let's read Jeremiah 51:19-20. I love the very first line of this verse. What you're going to find, ladies and gentlemen, in these verses, every mention of the word kingdom is followed with the word Israel. Now you'll see in Revelations 21, where we started, why I started there. Because I had to show you the end of the kingdom is still associated with Israel.

Jeremiah 51:19-20

19 The portion of Jacob is not like them...

The portion of Jacob, the remnant of Israel, is not like other people. Do you see that? That's you. We're not like them. I know what they celebrate, we don't. I know how they have church, we don't have church that way. I know what they do, we don't. And we're not sorry for it. We're not like them.

...for he is the former (maker) of all things, and Israel is the rod of his inheritance...

Israel is that rod. The rod. Remember Yahshua, the Bible said, that when he returns he's going to rule the nations with a what? *Rod of iron*. Now you know who the rod is. Do you see? He's going to rule with Israel. Oh my, my, my. Not even with Yahshua. Yahshua's going to be the head of this government, he's not going to be the government. Do you grasp that?

Do you know that the queen of England did not govern England. She was the head of the government. She doesn't run the housing projects, she doesn't run the tax collection. She doesn't run any of that. She's the head of all it to make sure it gets done. Yahshua's not going to be governing the earth. Israel is.

And if you cannot govern your own emotions...look in these blue yes...I want to give you my word. If you ever change your vision to ruling and reigning with Christ, you'll start ruling and reigning your own emotions with no problem. Look, if you cannot reign over how you treat your enemies, you're in the wrong class today. If you cannot reign over your worry and your fears and your doubts—

oh yes they'll come—the bow is always bent correct? There's always a bow right? But there must always be a king in you that is able to take the shot, pull it out, and keep on in the battle.

I didn't say that thoughts wouldn't come. Your job is not to keep thoughts from coming to you. Your job is to reign over those thoughts, to rule and reign your thoughts. When they come...oh no devil not today, not today Satan, not today. No, no, no , no. Because I'm ruling.

When you feel yourself getting depressed, discouraged, you're going to have to do like David did. He was a king. Do you know what David said? David said...I will encourage myself in the Lord. Hallelujah. I will know that he's got a plan for me and he knew that plan before I was created. And what I'm going through right now is part of that plan. And do you know what? If he's ok with that, I guess I will be as well.

That's why the Bible said....in all things acknowledge him. In ALL THINGS acknowledge him and give thanks. That will turn you into a ruler and reign-er. You must learn when you hear bad news it's really good news or it wouldn't have been allowed to come to you. Now what are you going to do about it? It's ok to get rattled a little bit, but then you've got to rise back up and you've got to rule. Why? You're Israel.

That's why in First Harvest Church, here locally, we don't allow what a lot of churches allow. The first sign of gossip you're out. Bye. We love you. The first sign of running anybody in this church down you're out. Why? We're not building that kind of church, do you follow me? That's Christian. That's what Christian churches do. Israelites, we rule our tongues. Yeah, and we can discern you, trust that. We can discern you even before we learn you.

And what you've got to understand is Israel is a judging body. We're learning to judge all things. The Bible says we're learning to judge all things. We must become judges. We must become discerners. We must protect. Why? Because one day we're going to be discerning the nations of the world. *That's going to be our job, judging men and angels.* Amen my brother.

And if you can be offended, brothers and sisters, you will never rule and reign with Christ. Do you know the people who have hurt my heart, and do you know there's not one of them today, and I mean it, God knows I mean it, that I wouldn't be there for them in a moment. Do you know why? I have got to overcome my personal offenses to be in the kingdom of God.

Does people do you wrong? Absolutely. Do people hurt your feelings? Absolutely. Now get rid of your feelings and it won't get hurt anymore. Amen. Feel what he feels. Hallelujah. Hallelujah! Finish reading these verses.

...and Israel is the rod of his inheritance. Yahweh of hosts is his name.

20 Thou art my battle axe and weapons of war, for with thee will I break in pieces the nations, and with thee will I destroy kingdoms.

Do you think he can use you for that Israel if he can't even trust you right now how you treat your enemies? Do you think he's going to send you in there with your own vengeance and your own vendettas? Boy I tell you, this ministry will mess with your mind. This ministry will mess up your human mind. It won't allow you to be a human. Hallelujah. It will force you into your calling. Let's go to the book of Psalms. And I want you to see the kingdom vision, get the kingdom vision in your mind.

Pastor while we're looking that up, can I ask you a question? Sure. Is it wrong if you cry when you're overwhelmed? Oh no, crying is a good thing. No, crying is fine. As a matter of fact, crying gets it out. So it's ok to cry. The Bible says there's a time for all things. There's a time to mourn, there's a time to weep. But the problem is we can't stay in the graveyard, we can't stay there.

That's not what I mean. I mean when you're overwhelmed by all the things that we're receiving. It's just so overwhelming. Amen. No that's a good thing because that means your spirit-man is feeling conviction to be honest with you. And those are good tears because this overwhelming tells us all...we've got to get it right. Amen. And I thank Yahweh for those tears sister. Oh hallelujah.

Psalms 89:3-4

3 I have made a covenant with my chosen, I have sworn unto David my servant,

4 Thy seed will I establish for ever, and build up thy throne to all generations. Selah.

My throne is to all generations. Brothers and sisters, the Bible said in...

Psalms 132:11

Yahweh has sworn in truth unto David, he will not turn from it, Of the fruit of thy body will I set upon thy throne.

The house of Israel will always have a monarch sitting on a throne. Always. And those houses of Israel. Now I want to clarify something too if I may. Someone asked me this last night at church, and I need to clear something up that I believe is bringing confusion to some people. I want you to look at this graphic.

Ephraim and Manasseh. In Genesis 49, Israel placed his name on Ephraim and Manasseh, ok? Now we're about ready to get into a lot of this right now. I'm going to give you about a ten minute break and we're going to come back and go into some deep, deep things about Israel.

But I want to make something clear. Just because Ephraim and Manasseh, we focus on the United States and Great Britain—please never think that we're teaching that those are the only tribes of Israel. You realize there's nine other lost tribes besides Ephraim and Manasseh, ok? Ephraim and Manasseh came to the United States and Great Britain, but you still have nine other tribes that are scattered to Africa and all the way to China. They're everywhere, ok? So keep that in mind. But...

Brother Vaughn why do you think America and Great Britain are so special? Because Ephraim and Manasseh alone were given the name of Israel and the birthright blessings. Alright? In other words, all the other tribes are tribes of Israel. I saw last night as I was watching a video that Africa, an entire tribe over there we had no idea about, for thousands of years have been keeping the Sabbath and all the holy days, and were wearing the talits. And they were Israelites in Africa! Ok? But that's not Ephraim and Manasseh.

I don't want people to get confused to think that we only think that the lost tribes are in America and Great Britain. We know better. But the birthright blessing. I'm going to talk about that birthright blessing when we come back from our little break. When we come back, I'm going deep, deep—prepare your minds. For those of you that's already lost, you don't have to come back. But for those who want to dive in even more to this that I'm going to be discussing (some of these things so that you're able to better understand), we'll be right back after ten minutes.

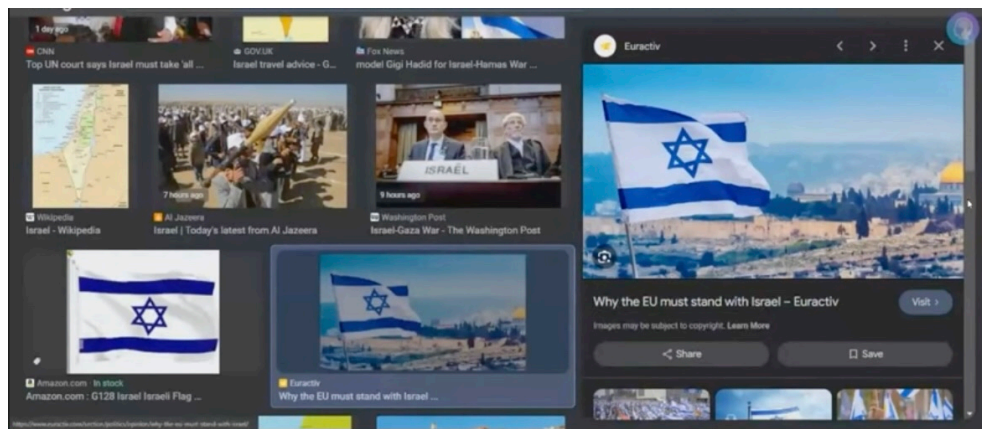

Psalms 45:6

Thy throne, O Yahweh, is for ever and ever, the scepter of thy kingdom is a right scepter.

We're going to talk more about that scepter in ten minutes.

Alright, we're going to pick right back up real quick today. I want to discuss a few things about the lost tribes and how Israel's going to govern. But I need to clear up something for you. Let me try to do it this way. I tread carefully into this subject because I never ever, ever want to be misunderstood. And it's easy to misunderstand me. But you've got to get something concrete in your mind, and I think I will do it this way.

This is where so much confusion comes in. Look at the screen here. Look at the picture on your far right.

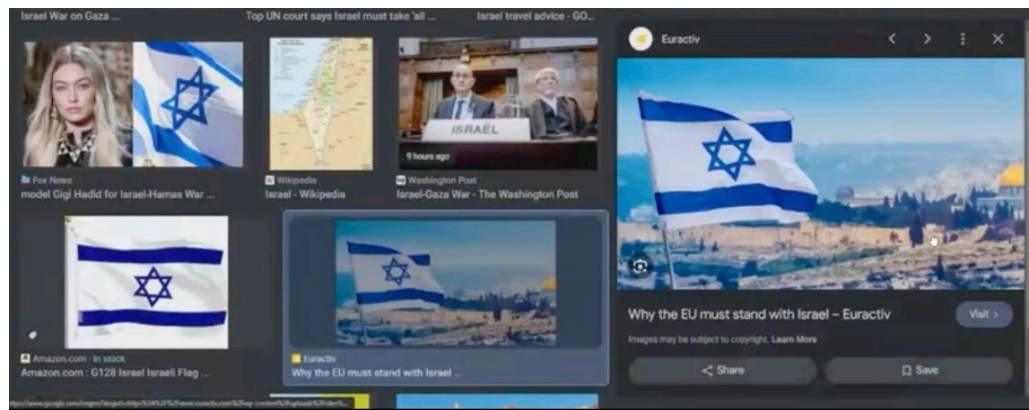

It says "why the EU must stand with Israel". But the problem, brothers and sisters, that is not Israel. This is where so many people misunderstand—see the name Israel right there (top center)? That is not Israel. I'm going to teach on this today because if you're not careful you'll think that these are the ones who are going to rule and reign with Christ. And you'll think these are the house of Israel. And so it's very difficult when they name their nation Israel—it's difficult for me to teach that YOU are Israel when they are Israel.

You've got to get your vision changed on this, you've got to understand this. Now to do that, what we've got to do now is journey into one of the books of the Bible that you cannot understand Israel unless you understand this book. It is the book of Hosea. The book of Hosea is where we find out the most about Yahweh's plans for end time Israel.

Now Hosea was a prophet. In the next three weeks, I'm going to be totally covering, verse by verse, the book of Hosea to give you a better understanding of Israel 101. Hosea was a prophet, but he was a prophet to the House of Israel. Now who else was a prophet at the same time as Hosea? Who was a contemporary prophet who lived at the exact same time Hosea did? *Haggai*? That was one. But the main one would be Isaiah.

Now how do we know that? Because both Isaiah and Hosea lived during the days of king Uzziah, king Ahaz, king Hezekiah. Now those three kings, Uzziah, Ahaz and Hezekiah, were kings of Judah, not Israel, alright? Now Isaiah lived at the exact same time under those kings, alright? Now even though Isaiah and Hosea had a few things to say about Judah, the main majority of their ministry was not to Judah.

Let me make it plain for you. Let me show you. The ministry of Isaiah and Hosea were not to these people. I'm showing you for a reason, you've got to get it in your mind. Their ministry (Hosea and Isaiah) was not talking to the people who lived right here in Jerusalem.

Do you see Jerusalem? When you read the book of Hosea and Isaiah, you as a Christian, would've thought they were talking about these people. But they were not talking to those people. That is the House of what? *Judah*. That's right. The picture I just showed you is the house of Judah, ok? So when you read Hosea and Isaiah you've got to get Jerusalem out of your head or you're going to mess up what you're reading. And therefore, you will not see *you* in those verses, ok? Am I making sense? I'm trying to help you change your vision. Alright.

Can I ask where the reference for that is, like how we know that they were talking to the house of Israel instead of Judah? Yes, absolutely. We're headed there now to the book of Hosea and we're going to read those, ok?

Now I'm only telling you these things before we start reading. I'm trying to get your brain to be able to separate the house of Judah from the house of Israel. Because they are not the same house and we are going to prove that in just a minute.

Now the northern tribes of Israel are who Isaiah is writing to. Now the northern tribes were carried away to where? Does anybody know where they were carried away to? *Assyria*. Amen. They went to Assyria. Now when did they go to Assyria? About 70 years after Hosea's prophecies. Seventy to 120 years after Hosea comes and prophesies, that's when they're carried away just as Hosea said they would. Both Isaiah and Hosea prophesied about the judgment and the ultimate restoration of Israel.

Now, before this, Saul, David and Solomon had the privilege of reigning over a united kingdom, the only kings who had a united kingdom of Israel. There was a time when everyone in that kingdom was known as an Israelite. There was no such thing as the phrase "Jew" or the word "Jew" at all, ok? Everyone was citizens of the united kingdom of Israel. Now each one of those kings ruled for forty years, Saul, David and Solomon.

After Solomon dies, after he's dead and gone, then Rehoboam, Solomon's son, takes the throne. You can read this story, I'm not going to read it now, in 1 Kings 12:16-20.

1 Kings 12:16-20

16 So when all Israel saw that the king hearkened not unto them, the people answered the king, saying, What portion have we in David? neither have we inheritance in the son of Jesse, to your tents, O Israel, now see to thine own house, David. So Israel departed unto their tents.

17 But as for the children of Israel which dwelt in the cities of Judah, Rehoboam reigned over them.

18 Then king Rehoboam sent Adoram, who was over the tribute, and all Israel stoned him with stones, that he died. Therefore king Rehoboam made speed to get him up to his chariot, to flee to Jerusalem.

19 So Israel rebelled against the house of David unto this day.

20 And it came to pass, when all Israel heard that Jeroboam was come again, that they sent and called him unto the congregation, and made him king over all Israel, there was none that followed the house of David, but the tribe of Judah only.

There's the story. If you don't understand those verses, you can never read your Bible properly. Those may be the most important verses in the Bible. I didn't say they are, but they may be. Why? Because it is in those verses that your entire Bible falls apart if you don't understand it.

Alright, so with king Rehoboam, the taxes that King David and King Solomon had imposed was too high. The citizens wanted him to lower the taxes. Rehoboam got with his young advisers, he ignored the elderly advisers who told him yes lower the taxes. He listened to those young whippersnappers who wanted to finance wars, and he said...do you know what? Tell them I'm not going to lower the taxes, I'm going to raise these taxes.

Well, when he did, a brand new nation was formed. Let's break it down. Let's go to the civil war of the United States of America. And let us assume that the south had won. The south had already renamed themselves. What was their name, can anybody remember? They were known as what? The Confederates. Because why? They had broken away. They had succeeded from the union. They were no longer the United States of America.

Now no longer can the Confederates claim the name American. They were now Confederates even though they were Americans. Do you follow me? Ok. Even though the Confederates belong to the original Americas, divided now, the name America could not belong to them. They took on the name they were known as, their trait, they were Confederates. And so they named their nation. Their president was Robert E. Lee. They had a total different nation. The Confederate States of America, not United States of America.

I just wonder what the word *confederate* means. I'm just curious, has nothing to do with the lesson. I apologize but my brain will not stop if I don't figure it out. Confederate: united in a league, to band together. So they banded together and now they were called The Confederates. Let me ask you a question. Because they chose to break away or because they were no longer part of the "united" states of America, could they continue to claim that name? No. Alright. That's very important that you remember what I just told you. So very important.

So, after Rehoboam refused to lower the taxes, the ten tribes broke away and now they are called the House of Israel. Judah, Benjamin and Levi are no longer eligible to have the name Israel. But why is that? Judah, Benjamin and Levi can no longer identify under the name Israel. Why is that? I'm going to show you. Let's go to Genesis 48:16 and read this. You're going to get more knowledge today than most Christianity has ever heard. Hopefully more than knowledge, you'll get understanding.

Genesis 48:16

The Angel which redeemed me from all evil, bless the lads, and let my name be named on them, and the name of my fathers Abraham and Isaac, and let them grow into a multitude in the midst of the earth.

Alright, so two boys, Ephraim and Manasseh, are given the legal right to carry the name of what? *Israel*. Who was it laying hands on them and transferring his legal name to them? That was Israel. And he lays his hands (look at the screen) on these two boys.

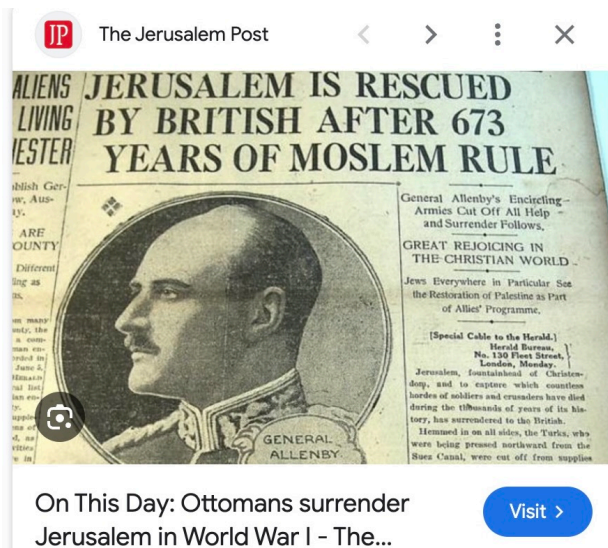

There they are. He lays his hands on them and says...let my name Israel be upon these two boys. I really hope that some of your spiritual eyes are seeing what I'm teaching you today. "Let my name be on them".

So when the kingdom divided, guess who Ephraim and Manasseh went with in the division? Was it the northern tribes or the southern? *The north*. They went with the northern tribes. So whoever is in league with them are the only ones who have the legal birthright to carry the name of what? *Israel*. Amen. That's why

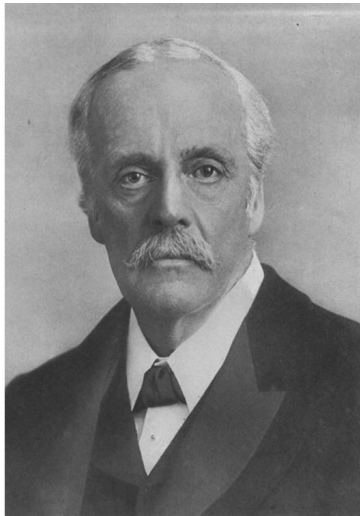

from that day to this day the tribes of Judah, Benjamin and Levi have no legal right to the name of Israel. I want to show you the only people in the world with a legal right to the name Israel and you're looking at them right there (in photo above). And anyone who left with them in the division is Israel.

Now, brothers and sisters, if you don't get what I'm teaching right now, you will live the rest of your life thinking that "Israel" is waving a flag with the star of David over it. I've come to tell you she's waving a flag with 50 stars over it. *Hallelujah. Amen.*

Hi pastor. Quick question. So maybe because England gave land to the Jewish people, that's why they named it Israel? That's right. Ok, because they weren't Israel. Ok. Remember everyone, Yahweh did not give that land to the Jewish people. He gave it to the birthright holder Israel. Come on, 1917. Does anybody remember the headlines? I wish I had them or I'd pull them up for you right now. As a matter of fact, hold on, I'll find those headlines for...the Balfour Agreement? That's it, yes ma'am. Look saints, I want to show you who Yahweh gave the land to. Look right here. Jerusalem is rescued by the British after 673 years of Muslim rule.

The surrender of Jerusalem, December 9, 1917.
(photo credit: Wikimedia Commons)

Foreign Office,
November 2nd, 1917.

Dear Lord Rothschild,
I have much pleasure in conveying to you, on behalf of His Majesty's Government, the following declaration of sympathy with Jewish Zionist aspirations which has been submitted to, and approved by, the Cabinet

"His Majesty's Government view with favour the establishment in Palestine of a national home for the Jewish people, and will use their best endeavours to facilitate the achievement of this object, it being clearly understood that nothing shall be done which may prejudice the civil and religious rights of existing non-Jewish communities in Palestine, or the rights and political status enjoyed by Jews in any other country"

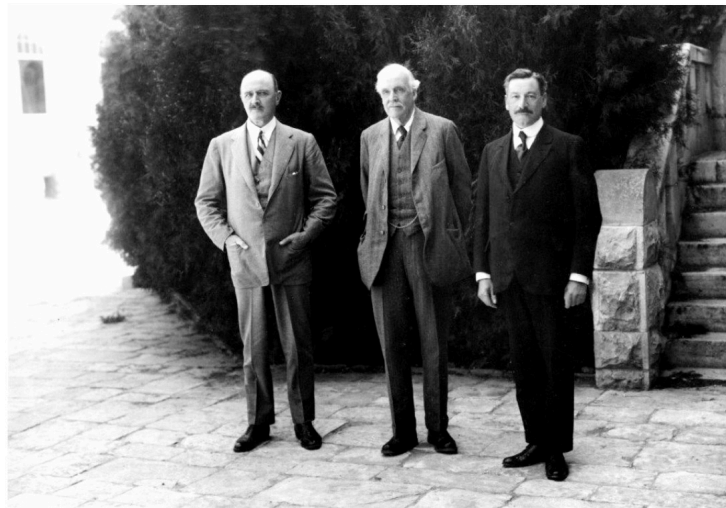

I should be grateful if you would bring this declaration to the knowledge of the Zionist Federation.

Arthur Balfour

British Foreign Secretary Arthur Balfour and his signed letter, dated November 2, 1917. (Photo: Wikicomms)

Bible Prophecy Fulfilled

The Balfour Declaration was incorporated into the Sevres Peace Treaty with the Ottoman Empire and the League of Nations Mandate for Palestine which gave

The first High Commissioner Herbert Samuel (left) in the governor's house in Jerusalem stands with Lord Arthur Balfour (middle) and General Edmond Allenby (right), who captured Jerusalem from the Ottoman Empire.

Jerusalem captured by British troops says another headline. Another says the Holy City is in British hands. Well you know the word *British* means covenant, correct? These were people of the covenant. Yahweh gave the holy land to Israel, not to Judah. And it was Israel who called in their Jewish brethren and gave the land to them. It was literally the birthright holder that had the birthright that gave back to the Jewish people, their brother, what was taken from them. And

from that day to this day who are those who are protecting our Jewish brethren and made sure the land stayed in their hands? It is Israel (Britain and USA) the birthright holder! Amen. Whenever you understand this you will begin to see how perfect your Bible is because the land never belonged to Judah. It belonged to Ephraim and Manasseh. They were given the birthright. Now we're going to talk about that, ok?

And pastor, it was president Trump who gave Jerusalem back to Israel.
Absolutely. And now you understand why they hate him so much.

Go ahead sister. So what I'm seeing in this a little bit is the dead bones. There you go. The two sticks. Because he will bring them together, and Judah will become Israel in the final kingdom. Come on now. Your kingdom come. But they're not Israel now, but they will be Israel. That's exactly right. But not until the dry bones are found and brought back together, which is the house of Israel.

Now I want to encourage everyone to go to FHTV. If you have not watched The Parables of the Kingdom*, everyone needs to watch this series. Currently there are four parts to it and adding on more. There you'll find the bones and the sticks. I'm going to bring you all through the New Testament, and when I get done, there will be 50 lessons in Parables of the Kingdom which will help you to understand what we're teaching today, alright?

Now I want to go back and pick up there where we left off. So Israel gives his name legally to the northern tribes of Israel. From that day, in the future, the prophets will refer to these houses as totally separate nations. To the south the House of David was left only with the territory of Benjamin and Levi. They had to give up the name Israel. Why? They were no longer in unity with Ephraim and Manasseh. I cannot stress to you how important it is to understand Ephraim and Manasseh.

Why do you think Yahweh raised up Professor Toto miraculously? To reveal to America who she is. I do it almost every show, to reveal America first. Ladies and gentlemen, I'm about to give you a prophetic word from the Lord. I want you to hear it.

(see next page)

*<https://firstharvest.tv/video/2501> (part 1)
<https://firstharvest.tv/video/2510> (part 2)
<https://firstharvest.tv/video/2533> (part 3)
<https://firstharvest.tv/video/2723>. (part 4)

If you have the birthright—that means you are first.

President Trump is so dumb that he doesn't even know what he's saying when he says "America first". Yahweh took his mouth and put in his mouth a prophecy to WAKE UP THE DRY BONES !!! Did you hear me? I want you to understand something ladies and gentlemen. Donald Trump doesn't even know what AMERICA FIRST means! He has no idea. The man's so dumb. He's just a box of rocks that God has used. I'm not putting down on him, I'm trying to make a point.

He's not as smart as you all make him out to be. He's just an old piece of clay that Yahweh raised up with a spine to declare "Make America Great Again". Make her first again. Remind her SHE'S FIRST! *Amen pastor! Hallelujah.* It's quite the contrary. We don't worship Trump around here. I know that Trump doesn't even know what he's talking about. I'm smarter than Trump, ha, ha, ha! And I didn't mean that the way it sounded. But I've got more knowledge of who America is than Trump does.

Trump isn't anything but an old millionaire that God needed. He needed someone with plenty of money that could pay Eugene her money and can fight. You know, he can fight and have the money to fight them all. God just picked an old millionaire with an old craggily mouth who doesn't have any manners. God needed someone like that—he couldn't have used me and you because we have to be sweet to people. Trump doesn't have to be sweet to anybody. He's just God's servant.

He doesn't even know we're a Republic. But the thing is he doesn't have to know it. Because what happens is God said he would take the man's mouth and make the man say what he wants him to say, and he needed a rich man to do it. He needed a man who couldn't be bought. He needed a man without politeness, and a man who can call people names because we can't do that, ha, ha. We've got to love our enemies.

Trump is probably not even a Christian. It doesn't matter. Neither was King Cyrus. Oh hallelujah. Brothers and sisters, listen to me. We don't worship Trump. We know better. We know Trump is nothing but a tool in the hands of God. But we also know that when God raises up a man you better get behind him and become the army of the Lord. We know that. And guess what? When God's done with Trump, he'll raise up the next man. And we'll all be right there to support him! Hallelujah!

Oh they get mad when I call Trump a messiah, but they don't understand David was the messiah, full of sin, full of mistakes. I don't worship Trump. I worship the God who is using Trump's mouth like a ventriloquist. *He is a trump!* Come on now!

Pastor I wanted to add something. Go right ahead. You mentioned what Trump's qualities are but he's a fighter. That's right. That's what David was. *He's been fighting in New York politicians all his life. So Yahweh's been training him for this time.* Absolutely. You're right sister because I could never—God could not use me in that position.

Just like Mike Pence. God couldn't use Mike Pence because Mike Pence doesn't have a backbone, ok? And I would say, and I hate to say it, God knows I hate to say it, I can't even believe I'm about to say what I'm about to say. But Mike Pence may be too good of a man—do you know what I mean? I know he's a traitor and I was the first one who called him that, I get that. But he may have too many good qualities, ha, ha, ha. So I'm trying to tell you that God reached down and found David. What was David? A warrior. God has to use people sometimes for his purposes that don't fit into your ideal category.

No I don't like the way Trump talks to people. I would never do that. I know. But I also know that right now where we are, we're not in a war of niceness. We're in a battle. Those people aren't nice, do you understand? So there's got to be somebody that's not intimidated by them. And Yahweh found that man. I'm telling you Yahweh found that man! Nothing they've done will stick to him.

But let me tell you why. Because of two words that came out his mouth. AMERICA FIRST. MAKE AMERICA GREAT AGAIN. Those are words that catches God's attention because Yahweh knows who America is. And Trump doesn't know but he's saying what he doesn't even know.

I almost left the airwaves, almost, after 2020. Do you know why I almost did it? Because I began to see carnal patriots turn into false god worshipers, they literally turned Trump into God. They said he had the plan. Come on now. And some of you in here were guilty, ok? Trump—he's wearing the white hat. First of all, you can take all of your hats off, ok? You can take your red pill. There's only one crown and it's worn by Yahweh. Do you understand me?

And God will take a man like Trump and Trump won't even know what he's doing. Look, I'm just going to tell you, Trump isn't a chess master. If he was a chess master, he—no, God's a chess master. Do you understand? Yahweh is a chess master. Hallelujah. And Trump is his tool. So we have to be very careful.

You see, when they say I do Trump worship, I'm the total opposite. There's no Trump worship here at all, ok? But they would've called me a David worshipper if I would've been living in the time of David because I would've been in the army with David fighting and upholding David's hands. Alright, so let's get that clear.

Now, America First is a prophetic word from the Lord for America. And we're going to find out why in just a moment. So the southern tribes are no longer Israel. Put that in your brain. The Jewish people, the Benjaminites and the Levites are no longer legally recognized as Israel. It's important that you understand the names of these two kingdoms because after the split, the prophets refer to these as separate nations. Keep that in mind.

So when they spoke of Israel they're speaking of the northern tribes. That nation is called the House of Israel. So when you go read about the valley of dry bones and the prophet Ezekiel, God speaks to him and says...these dry bones are the whole house of Israel...your mind always thought it was the Jewish people. They're not the house of Israel in that vision. No, you find them in the same chapter in the next vision of the two sticks.

But the vision of the dry bones is about America, Great Britain and all the scattered dead tribes who don't know who they are until Yahweh sends Elijah to let them know who they are. Oh hallelujah. When Yahweh sends the voice of Elijah he will turn the hearts of these lost children back to the Father of Abraham, Isaac and Israel. Oh that's what this ministry does on a daily basis. Professor Toto does that—they don't know that I'm doing it.

Do you all ever listen to me and think...I wonder if anybody has any idea how hard he's fishing right now? Do you all ever listen to Toto and say...there he goes, he's fishing for them. Hallelujah. Yahweh raised that cartoon character Professor Toto up like he did Trump. He took that voice and said...go tell my people I'm going to give you a platform supernaturally overnight. That's how God does it—suddenly. The suddenlies of God. I'm going to give you a platform and it's going to in one day grow bigger than any other podcaster who's tried to build theirs in years. In one day!

I mean folks I get almost as many viewers as CNN gets (that's really not saying much anymore). Anyway, in one day Yahweh did that! Think about it! And here you sit because of a cartoon character that brought you to the house of Israel. I didn't create it. That's why you'll never worry about me getting prideful. Oh baby, I look around my office and I know I didn't do anything. I was just minding my business. Yahweh did all of this.

When he raised up Trump he did it. Now you know why Trump lost in 2020 (we know he didn't lose, but follow me). You know now why none of you would be sitting here. Boy, boy, boy. You don't need to be crying over 2020, you need to be calling that the extension. Because Yahweh turned Trump from an 8 year voice into a 12 year voice. 12, 12, 12. Anybody with me?! *Yes hallelujah.*

Did anybody hear you pastor? Trump would've had an 8 year voice and God extended it to a 12 year voice. Why? Because he's calling out the 144,000 that starts with 12! It's all in the prophetic numbers! Whew woo! *Is that why 2024 would be double 12?* That's exactly right and not only that sister January 6...6 is the base of 12. 6 has to start 12. It all works together.

God's up to something—do you all hear me? Yahweh is up to something and all has to do with what happened in 2020. And now if you take 2020 and take the zeros out, you come with 22. Twenty two is known as the eagle number. Twenty two is known as the prophetic eagle number. Come on, it's all in there darling. God is working, he's moving by his power. Carnal minds can't see that, but blessed are your eyes. *2028 is 12.* There you go. Hallelujah. It's everywhere.

Brothers and sisters, now I want to talk about this division, the house of Israel and the house of Judah. Something major happened in this split that was much more than political. And this, what I'm getting ready to teach you, is the missing ingredient to understanding everything. I'm about to give you the key. Because when these nations split something happened that would change everything. What was it?

Each nation, at this point now, when the moment the split happened, all of a sudden the destiny or the calling of each nation changed (put that in your notes). When the split happened their destinies changed. We're going to talk about that. The dominion mandate that was given in the garden of Eden (I've already taught on that, we're not going to do that today), there were two things that man was commanded to do. Number one in Genesis 1:26 take dominion, and number two multiply, be fruitful.

Those two mandates are known as the dominion mandate and the fruitfulness mandate. Two different mandates given to man. Genesis 1:28 is the fruitfulness mandate. Got it? Dominion and fruitfulness. Now later on, in Genesis 14:18 there was a third mandate given. That was the mandate of the priesthood. That's in the story of Abraham and Melchizedek.

Alright. Let's go now to Genesis 48. So we have 3 mandates. Dominion, Fruitfulness, Priesthood. Let's go to Genesis 48:14, 16 for the key that changes your understanding. Here is Israel dying, he's on his bed. As a matter of fact I

want to help you see this. I want you to get a mental picture because sometimes a mental picture will help plant it in your brain. I want you to see this as we read this. Here you go.

I want you to read while looking at this picture.

Genesis 48:14, 16

14 And Israel stretched out his right hand...

There it is. You all look at the photo. Israel is right there. That's Israel. Of course we know that's not really him but that is Israel dying on his bed. And he has called the 12 tribes into his bedroom. And he tells them—we're going to read that in just a moment. He said...gather near so that I can tell you what's going to happen in the end times, ok? *Wow*. This is a picture of the END TIMES. This is a prophecy. So he stretches forth his hand. Keep reading...

...and laid it upon Ephraim's head, who was the younger, and his left hand upon Manasseh's head, guiding his hands wittingly, for Manasseh was the firstborn.

Now read verse 16.

16 The Angel which redeemed me from all evil, bless the lads, and let my name be named on them, and the name of my fathers Abraham and Isaac, and let them grow into a multitude in the midst of the earth.

Only these people are going to grow into a multitude throughout the earth. No other tribes will become empires except these two. Who? *Ephraim and Manasseh*. These two are going to grow into a what? An empire.

Only these two tribes carry the birthright blessing.

And only these two boys, only these two, receive the prophetic word that they would become a multitude of nations scattered. They would literally build empires—only these two boys.

Go ahead sister. *Ok, just to get it clear, I was confused. I thought it was Joseph who did this, but it was Jacob who blessed Ephraim and Manasseh.* Take the name Jacob out, change the name Jacob to Israel. *Israel. But they were Joseph's children. So my question is...* They were adopted. They were adopted by Jacob at this point. He took them as his own sons. And now Joseph is known as Ephraim and Manasseh. *Ok so they become that tribe and then the brothers become the other tribes we know.* Yes. *Ok got it.* Then later on the tribe of Dan is removed, and so I'm getting there, give me a few minutes and we'll cover that, ok? Because it gets a little confusing and I want to walk through this if I can for everybody.

Alright. In these verses he gives Ephraim and Manasseh a what? A double portion by adopting Ephraim and Manasseh as his own sons, giving them the full inheritance as tribes. At this point, ladies and gentlemen, when he adopts Ephraim and Manasseh, there are now 13 tribes, ok? And how many colonies started the United States of America? *Thirteen.* Come on now. How many original stars on that flag? *Thirteen.*

Alright. So, ladies and gentlemen, when you begin to see this, oh you could never ever not see it after that. *So pastor Vaughn, if there's 13 tribes, why do we call them the 12 tribes?* Because Levi was the priesthood and Levi was denied any land inheritance. Therefore, he's not a state or tribal state. There were only 12 tribes that were given statehood.

So let me explain it like this to break it down for you. The Levites were the preachers. They were like me, they dedicated their life to serving the 12 tribes. What did that mean? That meant that they got no financial inheritance in the land. They were not given a piece of land that they could make money off of. See, all the other tribes made money off of their land and crops they would trade and would sell. They were able to provide for themselves off of their land. Levi was never given his own state, or his own place to say 'that's my land'.

Why? Because all the 12 tribes were to what? They were to give all their tithing to Levi so Levi would have income. Anybody following me? Alright. The tithe was to make sure that Levi didn't have to worry about the day-to-day income. They made sure he was taken care of, Levi, with the tithe of the people. Yahweh said...I want you to take care of my work. Who was his work at that time? Levi. They

tended to the temple. They were there when you brought your sacrifices so they had no income. The people gave to them. Alright, at that point you have 12 tribes in the land. So that's where we get those twelve tribes instead of thirteen. Is everybody clear on that? Ok, alright. So when you're thinking 13 and 12 that's where that comes from.

Now, who does the dominion mandate go to? The dominion mandate does not go to Israel. Let's read it. Genesis 49:10. First of all, how many mandates are there? Three. Dominion, what's the next one? Fruitfulness then Priesthood. Ok. Let's see who the dominion mandate would stay with.

Genesis 49:10

The scepter shall not depart from Judah, nor a lawgiver from between his feet, until Shiloh come, and unto him shall the gathering of the people be.

Alright, so the dominion mandate which is to rule—that dominion mandate for a king, for the monarchy, would not come through the house of Israel. The monarchy which is still in existence today has to come from Judah. And I'm glad to tell you that Tea Tephi was from the tribe of Judah when she came to Ireland. Now when she comes to Ireland the lost tribes were already in Ireland but they did not have a monarchy because the monarchy had to come from the dominion mandate of Judah.

It wasn't until Tea Tephi married the king of Ireland that now the monarchy from Judah could be set back up over the house of Israel. Why do you think the throne of England was over America? Why do you think the throne of England was over the lost tribes? Because that's how it has to be. They have the dominion mandate. *Perfection*. It is perfection. If I could ever get this church to know how perfect your Bible is, Satan can never get in your mind again ever. When you see the perfect plan of Yahweh.

Now let's talk about the birthright. The birthright does not carry the dominion mandate. The birthright carries the fruitfulness mandate. The name *Ephraim* means "double fruitfulness". That's what that name Ephraim means. Double Fruitfulness. Let's read Genesis 49:22 and let's see who is given the fruitfulness to replenish the earth mandate.

Genesis 49:22

Joseph is a fruitful bough, even a fruitful bough by a well, whose branches run over the wall.

Oooh, Joseph, who is Ephraim and Manasseh, is going to be such a fruitful son. The word *bough* means son. It's going to be such a fruitful son that he's going to have so many that they will not be able to stay in one state or region—they will run over the wall (that's called an empire). His sons will expand beyond their home territory. They will literally become fruitful. He's a double fruitful, replenish the earth, multitude.

So the fruitfulness mandate does not go to Judah. That's why Judah has never been fruitful. They did produce a king by the name of Yahshua. Hallelujah! But they fulfilled their mandate. That's it. They were to produce the king. That's why Yahshua said salvation is of the Jews. What did he mean by that? It was the Jews that produced the Savior. That was their mandate.

But it is up to Israel to produce the fruitful sons overflowing. Do you know the British empire—history said that the sun never sets on the British empire? Do you know what that means? Their fruit went “over the wall”. It went to Hong Kong. It went to South Africa. It went to the United States of America. The sons went over the wall! The fruit went over the wall! You've heard of that plant called the “Wandering Jew”? I've got plenty of them in my backyard. Has anybody ever seen them? They literally take over. Well they should've named it the wondering Israel because that's who really has that fruitful mandate.

Alright, now let's read more about this fruitfulness mandate. 1 Chronicles 5:2. We're going to see what the Bible says about the tribe of Joseph. We're going to show that he was given the fruitfulness mandate, or the sonship calling, shall we say.

1 Chronicles 5:2

For Judah prevailed above his brethren, and of him came the chief ruler...

Judah prevailed above his brethren. Why is that? Because he produced the what? What does the scripture say? It's right there, you just read it. Judah produced the what? The chief ruler. Who is the chief ruler? Yahshua. And David. David was produced by Judah, Solomon, and finally Yahshua. Now from Yahshua's going to come forth the many sons of Yahweh. So that's why he prevailed above his brethren. But read what it says about Joseph. Interestingly it's talking about Judah and Joseph.

...but the birthright was Joseph's.

Hallelujah. Hallelujah. The birthright. Somebody say FIRST. *First*. Do you know why you don't know what I'm talking about because you don't know what a

birthright is. A birthright makes you first in the pecking order. And it gives you a double inheritance. But why do you get a double inheritance? So that you can take care of your brothers. Now you see why we were given a double inheritance so we could give the land back to our brothers. Is anybody with me now? Come on now! *Hallelujah!* Hallelujah. The elder brother takes care of the younger brother. The elder brother protects the younger brother. That's why we protect the holy land to this very day. We have the double portion. Oh hallelujah. Read Saint John 1:12.

So the birthright does not belong to the Jewish people. You all need to get that in your head. We've been so enamored all these years in Christianity with the Jewish people, and we love them while totally ignoring the birthright holders. Do you want to know why American and Great Britain have more wealth combined than all the other nations of the world? We're first! We're the birthright holder. The birthright holder gets the double blessing. We're number one. Now do you get it? Now do you get America first? That's what it is! Glory, glory, glory.

What is the birthright? Now I'm going to show you the birthright is the right to be born. The birthright is the right to be first. And now I wait for everybody while I play the drumroll. I'd like for you to hear what I'm about to say. Now you know why this ministry is called First! *Amen.* Oh hallelujah. We named it what Yahweh said to name it. He said we were the first harvest. Now anybody sees Donald Trump's big word is FIRST! What is our big word? FIRST! Double portion. First fruit.

John 1:12

But as many as received him, to them gave he power to become the sons of Yahweh, even to them that believe on his name.

So you have to be given the power to become the sons. Do you know what the power to become the sons of Yahweh is? The birthright! You have to have the birthright blessing. That's why the gospel is not being preached to the world yet. They don't have the birthright blessing. That's why Yahshua came for the lost sheep of the house of Israel. Only they have the right to be born! FIRST!

Why is the gospel not being preached to the Jewish people? They don't come in first. They were first, but when the first became last — the last has become first!! Do you know who was supposed to get the birthright? Reuben. Why? Reuben was the firstborn son of Israel (Jacob). But Reuben was removed because of idolatry. And that's why the Christian church has been removed. Because of idolatry. And she's been replaced with the remnant of Israel who has put away her Christmas trees, put away her Easter bunnies, put away her idolatry! Glory!

See this ministry, you all are last, you all are preaching this message and ain't nobody ever heard it. Darling, no, this isn't last. This is first even though we're last. We are going to be first because we have heard the message of the birthright! Glory. The only ones who have a right to be born first are those he has given the power and the right to. And who does it say it is? Those that believe on his name. On his name. ON HIS NAME. *Yahweh*. Amen, on his name.

And who are the only ones who have the ears to hear that name and love that name, the ones who are the people of that name? The lost tribes of Israel. Amen. Israel is the birthright name. Listen to me, and listen well. When you meet a Christian that cringes when you say you're an Israelite—you'll see them cringe. You know why. Israel's the birthright name. Only the holders of the birthright will recognize their name.

Brothers and sisters, the mark of the birthright holders is the name ISRAEL. When you throw that talit around your shoulders, brothers and sisters, when you sisters wrap it over your head, do you not understand what you're doing? You see, I don't believe in white proud or black pride. I believe in Israel pride. Hallelujah. Glory to God. Oooh, you're proud to be who Yahweh said you are. And of course the talit doesn't make you that. It's a symbol of that, that's all. But you know symbols are important things aren't they? We love our American flag. We wave it as a symbol of liberty. Well we wear that talit as a symbol of birthright. We know who we are. We're the birthright holders.

Now, we read earlier in Genesis 48:16 that that name Israel was only given to the northern house of Israel. Thereafter, all the other tribes are Israelites. But guess who are no longer Israelites? The Jewish people. Can you imagine if somebody would've told you this three years ago that the Jewish people are not Israel. Can you imagine if somebody would've told you that? Ha, ha, ha. Hallelujah. Glory.

Now, please don't ever take that wrong. We are the protectors of our brothers the Jewish people. We feed them. Did you hear me? We protect them. They are our brothers. But they don't have the birthright. They have the dominion mandate, and they did it. But they don't have the birthright. It was their turn, now it's our turn. Amen? *Wow that just makes so much sense for like the iron dome and everything we've done over there.* Come on now brother!

And now you know why Donald Trump went and put his feet there and moved the embassy of Israel, which is what? America—to downtown Jerusalem. To bring these two sticks together. *The Abraham Accords*. And boy they hated him when he did it. Not them. Our own people. Do you know that even Jacob himself was not an Israelite until the angel gave him that name in Genesis 32:28? He was not born an Israelite. Why? Because the name Israel was a testimony of a new

revelation of the sovereignty of Yahweh. (You should put that in your notes.) The name Israel was a testimony of a new revelation of the sovereignty of Yahweh. Listen to me now. You don't become an Israelite because you just found out—no, no, no. There's a moment in your life when you move from a Christian to an Israelite. When is that? When you realize that Yahweh created all things including the devil. And that Satan is the minister of Yahweh. And that Yahweh is sovereign. And that he sets kings up and he takes them down. And that he's got the plan to fix everything that's broke.

He's going to redeem everything. The sovereignty of Yahweh transforms you into an Israelite. It was when Jacob realized that Yahweh was sovereign that his name was changed to Israel. Before you become an Israelite, you think man is sovereign. That's right. You've got free will, you decide whether you go to heaven or hell, you decide where you're going to spend this and that. No, darling, darling, darling. Quit, quit.

Do you think King Nebuchadnezzar decided to go live out there among the animals? Wake up! *That was Jacob before he got that name. He decided everything himself.* That's right elder. Jacob planned it all out. Jacob thought he was his own God. Jacob had a plan for everything. He was a con artist. He had a plan for everything. But one day he ran into Michael who is the Proxy Angel of Yahweh. And he wrestled with Michael. Michael said 'I've got to go'. He said 'oh no, no, no, no, no. You're not going anywhere Michael until you take over my life and you bless me because I'm tired of blessing myself. I'm tired of figuring this thing out. Guess what? Today I surrender that Yahweh is my provider. I surrender to that'.

And do you know what happened? The angel touched his thigh and said 'alright son, you're going to limp for the rest of your life. You're not going to have the ability to keep running and creating more messes in your life. You're going to limp and always be reminded that you're not in control'. And at that moment he became an Israelite!

There will come a time in your life, brothers and sisters, where you will surrender and you will become an Israelite. The word *Israel* means "a prince with God" or "one who rules with God". And you start off ruling over yourself. No one is an Israelite until he or she bears the same testimony. You might be a believer because Jacob was a believer. But to be an overcomer requires a revelation of the sovereignty of Yahweh. The story of Jacob/Israel gives you the pattern, showing all believers how to become overcomers and get the name of Israel. It's important to understand the difference between a natural born Israelite and one who's been begotten by the Spirit of Yahweh. It is the difference between biology and law, or between natural and spiritual.

To be a legal Israelite is to be a spiritual Israelite. This is contrary to most people's thinking. Most people think that it starts the other way. But I want to explain something to you today. THE HOUSE OF ISRAEL HOLDS THE BIRTHRIGHT. But the house of Judah holds the scepter. Listen to me carefully. Neither one can fulfill their ministry, or their destiny, apart from one another. Because their ultimate destiny must come back together. Because in order to rule Judah, you need a fruitful brother who will bring in the nations of the world for you to rule over.

That's why when Yahshua returns, he comes as the tribe of Judah with the scepter. But we have to come as the fruitful bough. Oh hallelujah! Judah's not the fruitful bough. Judah's got a few million people over there, that's it. That's all they've got. We've got the empires of the world! I love what Queen Victoria said: 'I wish that Yahshua would return in my lifetime so I can lay my crown at his feet and give him my throne and my kingdom'. She said 'I've sat on his throne'. She said 'I've sat on his throne holding it for him'. Hallelujah. Hallelujah!!

This story sounds way better than flying on clouds and that salvation story that we grew up with. It sounds way more important, way better than ourselves can even comprehend. Hallelujah. Can I show you minister why Yahshua is going to return? The answer's found in Isaiah 58:12.

The moment the division happened between Israel and Judah, that was called The Breach, ok? Now they're breached, do you know what a breached birth is? They're breached now, they are separated—there's a BREACH between them that no one can reach. No one can reach over the breach. There's a breach there. But I want you to hear who our Messiah is.

Isaiah 58:12

And they that shall be of thee shall build the old waste places, thou shalt raise up the foundations of many generations, and thou shalt be called, The repairer of the breach, The restorer of paths to dwell in.

Hallelujah! The repairer of the breach is not only Yahshua, but all of his brothers that are going to be born in the resurrection. We are coming to repair the breach Israel and Judah. And how are we going to do it? Hosea 1:11.

Hosea 1:11

Then shall the children of Judah and the children of Israel be gathered together...

How would you all have read that in your Bibles before? The children of Judah and the children of Israel. What did we ever do with those verses because they

were one and the same to us. But in THAT DAY the children of Judah and those who are divided by that breach (the children of Israel), tell us what's going to happen.

...and appoint themselves one head, and they shall come up out of the land, for great shall be the day of Jezreel.

Oh hallelujah. Listen children. How are they going to come back together? They're going to have one leader! That's why the Messiah is coming back. Do you get it? To repair the breach! Now you know why when he came the first time he said...hey I only came to repair the breach, I only came for the lost sheep—I'm not here for the world !!! Yahshua said in his prayer...I pray not for the world*. Do you know Yahshua said that? I don't pray for the world, I pray for those who you have given to me. He's coming to repair the breach children. And then we'll have one leader, one king. Read Hosea 1:10 and tell me who that leader is.

Hosea 1:10

Yet the number of the children of Israel shall be as the sand of the sea...

Now not the children of Judah. The children of Israel will have so many people in their empire, the fruitful bough. It'll be like the sands of the sea. Judah has never been able to claim that. As a matter of fact you can do a quick google search right now—how many Jews are in the world and it'll tell you 15 million (google search: as of 2023, there were approximately 15.7 million Jewish people in the world, which is about 0.2% of the world's population). That's it. That doesn't sound like the "sands of the sea".

But now you go to find out how many children of Israel there are. Google can't tell you that.** But Yahweh knows every hair on their head! The Bible said not one of them will be lost even though they're scattered—he knows every one of them. Whew! And they're like the sand of the sea. Hallelujah.

***I pray for them (lost sheep), I do not pray for the world but for those whom You have given Me, for they are Yours -John 17:9 (NKJV)**

****Google search on how many of the children of Israel are there in the world?**
The number of descendants of the Ten Lost Tribes of Israel is unknown because the tribes have not been seen since the 8th century B.C. However, many ethnic groups around the world claim to be descended from the tribes.

(see next page)

Explanation

- The Ten Lost Tribes of Israel were exiled to upper Mesopotamia and Medes by the Assyrian King Shalmaneser V in the 8th century B.C.
 - The tribes have not been seen since, but many groups claim to be descended from them.
 - Some of the groups that claim descent from the Ten Lost Tribes include the Mormons, the Afghans, the Assyrian Christians, the American Indians, and the Japanese.
 - Some Ethiopian Jews, also known as Beta Israel, claim descent from the Tribe of Dan.
 - The tribes of Judah and Benjamin are the ancestors of most of the Jewish people.
-

However, before this happens beloved, finish reading that verse...

...as the sand of the sea, which cannot be measured nor numbered, and it shall come to pass, that in the place where it was said unto them, Ye are not my people, there it shall be said unto them, Ye are the sons of the living God.

Whew! You were in that valley of dry bones, you were not my people, you were dead. There were so many of you. There were so many of you nobody could number you. Even Google can't number you. Do you know Google cannot number the lost tribes? It's a prophecy. You could not be numbered because nobody knows who you are! Hallelujah.

So if you can go and number the Jewish people then they're not fulfilling that prophecy that you can't be numbered. However, the divine judgment on the house of Israel still stands. There's been a divine judgment to be scattered throughout the nations for their iniquity. Whenever they left the house of David they lived in Samaria 210 years before they were captured and sent to Assyria. During those 210 ten years they were known as Israelites. But I want you to listen to me everybody.

After they were deported to Assyria something happened. The king of Assyria took their name away and re-identified them to separate them from their love of Israel. God stripped the house of Israel of it's birthright name, but you're living in a day when he's restoring the birthright name to those very same people. Hallelujah. Hallelujah!

Whenever they went to Assyria their name was changed, and the way to regain the name of Israel is to go through that spiritual process of circumcision. Oh you have to be begotten of the Holy Spirit. And he nurtures that seed of Israel that's inside of you. These are the true Israelites, remnant Israel, that God intended from the beginning when he commanded them to be fruitful and to multiply.

Now, the present Jewish nation that calls itself Israel is not the fulfillment of Hosea's prophecy. It is a state that was not founded on a repaired breach. It is not even a regathering of the natural Israelites that I taught you three weeks ago when I preached on the pre-gathering because the gathering doesn't happen until Shiloh comes. Amen. The name Jew was simply a contraction of the name Judah. It does not mean Israel. All the prophets understood the difference, I'm sorry that your church does not. Let's find out if they knew the difference in these two nations. Jeremiah 18:1-11.

Oh I've got so much more to teach you on this subject, I honestly don't know. We've got to get started on Hosea and go through that whole book before you can even understand Israel (will be covered in next lesson). Let's go to Jeremiah and let's see if the prophets knew the difference.

Jeremiah 18:1-11

1 The word which came to Jeremiah from Yahweh, saying,

2 Arise, and go down to the potter's house, and there I will cause thee to hear my words.

If you go watch Parables of the Kingdom, Part 1, it is about the potter's house*. You and I grew up thinking that this parable was about us, Christians, and how God puts us on the potter's wheel. We preached that sermon a million times thinking that was about each of us individually. Oh no, no, no. You're going to find out who it's about. Read.

3 Then I went down to the potter's house, and, behold, he wrought a work on the wheels.

*firstharvest.tv/video/2501 (part 1)

4 And the vessel that he made of clay was marred in the hand of the potter, so he made it again another vessel...

He made a vessel and it was marred. So what did he do? He didn't throw that vessel away like most potters would do. *That would be ruined right?* That's right. Do you know what he did? He recreated the same vessel into something totally different. Oh I could shout right here. I could shout right here. He took natural Israel and reformed her into remnant Israel. I need you to understand this. The Bible said...now you're one new man. This new vessel is created out of the same clay!! But it's a brand new creation. Read.

...as seemed good to the potter to make it.

5 Then the word of Yahweh came to me, saying,

6 O house of Israel...

Oh who is this to? *The house of Israel*. I'm going to take what you were. I'm not going to discard you. I'm not going to destroy you. I'm not going to throw you in the potter's field. I'm going to recreate you. I'm going to take natural seed line of Israel, and I'm going to recreate the spiritual seed line. I'm going to recreate you into one new man, Israelites, but of a total different creation. But not created from something brand new, but created with what I started with. When you get that parable it's to the house of Israel. Read.

O house of Israel, cannot I do with you as this potter? saith Yahweh. Behold, as the clay is in the potter's hand, so are ye in mine hand, O house of Israel.

7 At what instant I shall speak concerning a nation, and concerning a kingdom, to pluck up, and to pull down, and to destroy it,

8 If that nation, against whom I have pronounced, turn from their evil...

Oh hallelujah. If that nation. He's calls you a nation—that I have destroyed. Yahweh destroyed them after 210 years, took their name away through the king of Assyria. But he said...oh house of Israel, if you ever hear the voice of Elijah, and turn from your Christian ways, and return to Torah, oh, I'll rebuild you !!! I'll give you your name back!!! Whew!!! I'LL GIVE YOU YOUR NAME BACK. Read.

...I will repent of the evil that I thought to do unto them.

9 And at what instant I shall speak concerning a nation, and concerning a kingdom, to build and to plant it,

10 If it do evil in my sight, that it obey not my voice, then I will repent of the good, wherewith I said I would benefit them.

Ok now read verse 11.

11 Now therefore go to, speak to the men of Judah, and to the inhabitants of Jerusalem, saying, Thus saith Yahweh, Behold, I frame evil against you, and devise a device against you, return ye now every one from his evil way, and make your ways and your doings good.

Alright, now, now now. He's going to a different prophecy. But this prophecy is not to the house of Israel. This one is to the inhabitants of Jerusalem which would be the men of Judah. Do you see the difference there? Israel didn't live in Jerusalem, they were not inhabiting Jerusalem. Who was? Judah! Learn how to read your Bible and now you have a total different prophecy that has nothing to do with the house of Israel. That's going to the inhabitants of Jerusalem. Alright I just wanted to point that out so you know how to read your Bible.

Alright, now in the prophecy of Israel, the illustration about the potter making a jar using wet clay, in the second one, to Judah, he's talking about an old earthen vessel and how the clay has been hardened. (We're not going to be teaching on that today). In the first one, to Israel, the wet clay was beaten down and made into another vessel.

But let's read Jeremiah. You've got to see the prophecy for Judah—totally different. Let's see what the prophecy is to the house of Judah. Let's go to Jeremiah 19:2, 10-11. Everyone remember with the house of Israel he's got wet clay and he does not destroy it. He makes something new out of it. But let's read what he says about Jerusalem.

Jeremiah 19:2, 10-11

2 And go forth unto the valley of the son of Hinnom, which is by the entry of the east gate, and proclaim there the words that I shall tell thee.

Verse 10. By the way, what is the valley of Hinnom I taught you months ago. What is in the valley of Hinnom? *That's the trash pile.* That's the lake of fire. That's right, Gehenna.

10 Then shalt thou break the bottle in the sight of the men that go with thee,

11 And shalt say unto them, Thus saith Yahweh of hosts, Even so will I break this people and this city, as one breaks a potter's vessel, that cannot be made whole again, and they shall bury them in Tophet, till there be no place to bury.

Awww, for the house of Judah he's smashes the bottle and he doesn't make anything new out of it. Do you know why? Because his plans for the end time have nothing to do with the tribe of Judah. No, no, no. The tribe of Judah has to come back into Israel to be a part. Oh hallelujah. Do you see?

No ma'am, it's not the Jews, no ma'am, they already brought forth the king. They already fulfilled their mandate. Now what they will have to do is when Yahshua returns, they will have to enter back into Israel through the Messiah, through the shed blood of Yahshua—for them to become Israel again !!! Oh hallelujah. My, my, my, my.

I'm done. I wanted to get to Hosea and Gomer but I'll have to wait. I'm done, I'm out of here. Hallelujah. Thank you Father. *Awesome, awesome, thank you.* Glory. Thank you elder. *Thank you pastor. Thank you. Thank you so much pastor!* Thank you all for listening.
