

THE HEAVENLY SCROLL–The Mazzaroth Part 10

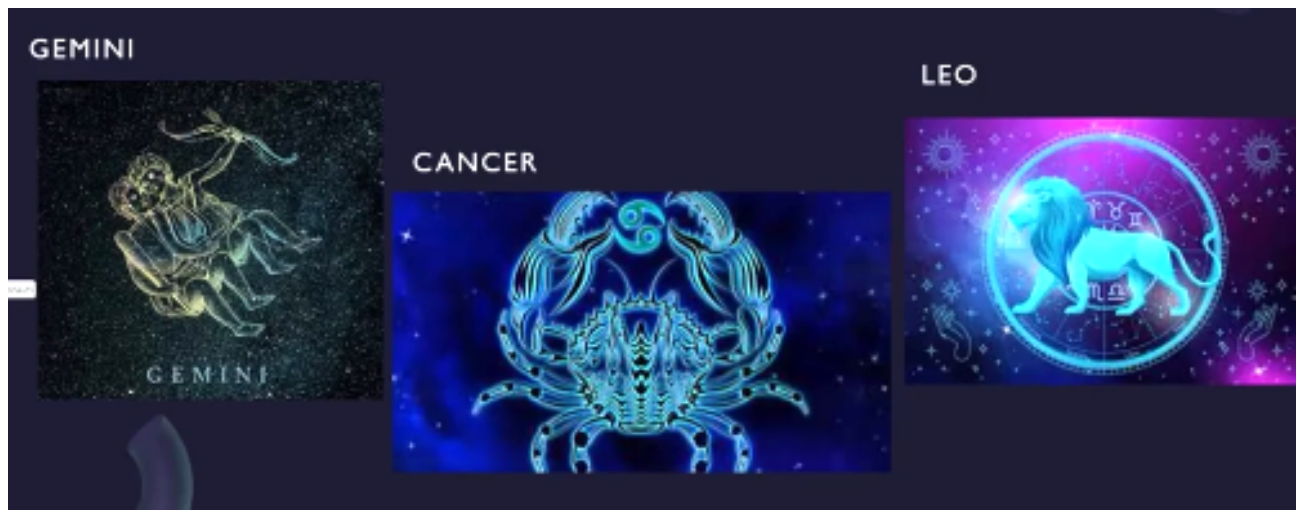

Gemini Part 1–The Two Witnesses

By Pastor Shane Vaughn, First Harvest Ministries

Let's go to the word of Yahweh. Today we are going to pick up where we left off last week. Let's just do a little recapitulation here. Last week we left off with those golden tablets. I'm curious. Did anyone do any research on those tablets? No? Okay. It's an interesting research to say the least.

We learned all about Taurus last week. We found out that Taurus is the Rushing Judgment, and right now where we are living is on the cusp of Aries and Taurus, but we're also living in the next sign that we are going to talk about today.

These three signs in the Mazzaroth are simultaneously working together. The Judgment is rushing to planet Earth. The Church is turning from a Lamb into a Ram. To understand the next sign, you've got to understand

that these signs are all working together in tandem. You're going to have to blend these three signs because we're in that Crossing Over Age. Last week we finished up with Taurus, and today we pick up in the next chapter of the story which is GEMINI. Let me just say this. I have prayed earnestly for the revelation of Gemini and Yahweh has given it to me, and I'm going to share it with you today.

Before I do, I want to recommend something. Elder Morgan was at my house a night or two ago. He was outside and said, "Pastor, come outside. I want to show you something." He has an app on his phone called Sky Guide. You just point your phone up to the Heavenly Scroll every night and it shows you what our forefathers saw with their naked eyes when they used to look at the sky. This is where they came up with these images and these diagrams of each star cluster.

You ought to do this with your children, and show them the Heavenly Scroll right above their heads. He showed it to me and we looked right over my house, and what we looked at was Aquarius pouring out that Holy Spirit. I almost shouted right there, seeing the Word of Yahweh written above my house! HalleluYah! It was a marvelous thing to behold.

Today we are going to move into Gemini, and let me tell you what Gemini is. To do that I would like to take you to the book of Revelation, and I want to show you who Gemini is. Let's go to Revelation chapter eleven, and verse one. I'm going to show you where the Church is right now in the Heavenly Scroll.

Revelation 11:1-3 And there was given to me a reed like a measuring rod. And the malak stood, saying: Rise and measure the temple of Yahweh, and the altar, and its confines; *where they worship within.*

In the end-time which is where we are living, there is going to be an angel ministry that measures the Church. I need you to hear it from the Spirit today. Just before the Bull Taurus comes rushing in, up until this moment,

there has been no measuring of the Church. Yahweh has allowed all kinds of junk to just float along in the Church for two thousand years. There has been no measuring to make sure that the Church is measuring up from a lamb to a ram. How do you know if the Church is maturing? What do you do to a child that is maturing when buying them new clothes? You MEASURE them. The Church is coming into an era now where the ignorance that we were allowed to have in days gone by is over.

We're in the measuring time of the Church. Notice what he was told to measure. He did not tell him to measure the Gentiles. He did not tell this angel to measure your neighbor, your mama, or your daddy, or your family who will not listen to this message. He told the angel to measure those who worship in the Third Temple! Oh, my, my, My! Read the next verse to see who was not supposed to be measured.

2 But the court which is outside the temple leave out, and measure it not;

The thirty-fold is in the outer court. Don't worry about measuring the outer court—those 30-fold Christians that still love their holidays, still love the Name Jesus instead of Yahshua. He said, "Don't measure them because I don't have plans for them. I'm going to save them. They are not going to Hell, but they are not being measured or fitted for the wedding garment." Those in the outer court are not sinners. The outer court is Christians that are still in Christianity.

He didn't say to cast them into Hell. He just does not measure them, because they are not going to measure up. They are going to talk about grace. They are not interested in measuring up. They think they are already measured up. Read.

for it is given to the Gentiles.

These are people who still think they are Gentiles. They have not accepted their identity as Israel. I really need you to hear me in the Spirit today. This

is a group of people who are really given over to their Gentile identity. They are Christians, and they're proud of it. They are the Assembly of God, the Church of God, Pentecostal, and Catholic. They are not identified in the Third Temple. They are not measured up to that. Read.

And the holy city they will tread under foot three and one-half years.

I will talk about that later. Let's keep going.

3 And I will give to My Two Witnesses to perform their prophetic offices, and they will foretell events about the three and one-half years, those cast about with darkness.

Hold on now. Listen to me, and hear me well. It is from the MEASURING that the Two Witnesses come forth. Gemini is the TWO WITNESSES. Gemini at the time that the Lamb is turning into a Ram; at the time that the Taurus Bull is rushing to earth with Judgement, at that same time Gemini is rising as the two end-time witnesses. Gemini is TWINS, and we are going to talk today about these two witnesses: who they are and what they are, and how you can identify that they are on the earth today. Are you ready for that study?

This is all about the Two Witnesses because Gemini is the Two Witnesses. Number one, who are they? If you've ever listened to Perry Stone, he believes they are Moses and Enoch. If you've listened to any of these prophecy teachers, they believe it is either Moses and Elijah or Elijah and Enoch, Moses and Enoch, or Christ and His Father. Ladies and gentlemen, I've come today to make the crooked path straight and tell you that it is hogwash.

It is none of the above. None. And anyone that believes that is steeped in carnality. That is poppycock. That is tomfoolery. That is the sorcery of Satan, the crumbs of carnality. It is all a LIE. It is none of the above. Today

we are going to reveal the Two Witnesses so you will never be confused again, and so you can understand that Gemini is rising today, as we speak.

Who are they?

- Moses & Elijah
- Elijah & Enoch
- Moses & Enoch
- Christ & His Father
- The Old & New Testament

Or..... NONE OF THE ABOVE?

Remember this: the Two Witnesses immediately precede the coming of the Seventh Day. I want you to look at this picture. According to the book of Revelation, the Two Witnesses are going to breathe fire out of their mouths. How dumb to think that two men are going to be half dragon and half human. Did you really think that these Two Witnesses are going to be a morph between humans and dragons, and that fire is going to come out of their mouths? Similar to the sword that Yahshua carries, it's the Word of Yahweh.

Now let's follow up on that. None of you believe this is literal fire coming out of their mouths, so here is my question. Why do you believe then that it is literally two MEN? You just said you don't believe it's literal fire. Then why do you demand that it be two literal men? It's all carnality. It's the crumbs of carnality when you read the book of Revelation and that's what you see.

I'm going to prove it to you so stay with me. Here's the problem with these scenarios. All of these men: Moses, Elijah, and Enoch are all dead; graveyard DEAD. They are all dead. I know some of you watching do not believe that because you've been taught that Enoch went to heaven, and Elijah went to heaven. That's all lies; tomfoolery.

All you have to do is go to fhtv.tv and type in the word *Enoch* and type in the word *Elijah*, and we'll teach you what happened to those two men. None of those men are in heaven. If they are, your Bible is a lie. John 3:13 says that NO ONE has ascended into heaven except the Son of Man; Yahshua. Your Bible says that. Always study anything I teach you in the Word of Yahweh. According to this verse, how many men are in heaven right now? None, except for Yahshua.

Why have we not seen that scripture in our Bibles our entire life? I want to show you the moment we are living in. We're living in the hour of the Two Witnesses. There is a revelation coming to you in this hour that none of Church history has ever seen before. Why did we never see that scripture? If there is no man in heaven right now, then how are these two witnesses waiting in heaven to come back to earth?

It's absolutely ludicrous to think that these are two literal men, because these men—everyone of them—are waiting for the same thing your mama and daddy are waiting for: the resurrection. They are all waiting for the resurrection; every single one of them. If that's the case, then they are not the Two Witnesses. You need to know this truth today so you won't be deceived by the enemy when he brings lies upon lies, and feeds them to the Church of Messiah which is so carnal minded. So let me show you now who these two witnesses are so we can go forward.

Let's go to the screenshot on the next page so I can help you never to never, ever be confused again. That is a lampstand. When you first start reading the book of Revelation, you are going to read about a lampstand. When you read this, it talks about Yahshua walking between the lampstands. We know that this is the Menorah. How many of you know that He is holding seven

stars in His hands? There's a picture of Him there. How many of you believe that is literal stars? I hope none of you. Those stars are symbolic of the seven angels to the seven churches that He holds in His hands. Remember your symbols. They are the instruments used in this poetic drama, depicting great spiritual truth.

So here is what you're going to learn today:

Who they are

What they will do

Who will come against them

What the end of their ministry will be

Let's read the book of John chapter four, because the reason you must understand this is because you all are living in the Age of the Two Witnesses, and most of you don't know they're here. You're just going along with your life, wrapped up in your emotions, still making non-important things important to you, still ignoring the work of Yahweh, still putting everything first except what matters. After today, you won't be able to do that anymore. You will realize where we are on the heavenly timeclock.

Yahchanan 4:23-24 But the hour comes,

Who is talking here? Yahshua. This is a prophecy about a certain hour. Where are we today? We are in the LAST HOUR of the Sixth Day. Are we not cusping between Aries, Taurus, and Gemini right now? Are we not cusping, are we not blending? He said there is an HOUR coming, not a day. Listen, everybody. He's not talking about the Sixth Day anymore. He's not

talking about the Fifth Day. He's not talking about the Seventh Day. NOW He's breaking it down to a certain segment of time—THE LAST HOUR. And here is what is going to happen in that twilight hour. Read.

But the hour comes, and now is, when the true worshipers will worship the Father in Spirit and in truth; for the Father seeks *just such worshipers* to worship Him.

24 Yahweh is a Spirit Being; and those who worship Him must worship *Him* in Spirit and in truth.

Yahshua prophecies of a coming hour when finally, two things are going to rise up in the earth and become twins to one another. They are finally going to join together at the end of the hour. Those twins are going to usher in the Coming of Yahshua. Those Twins are coming together to be the VOICE OF ELIJAH! This is the hour that you were born for: the hour of SPIRIT and TRUTH! These are your Two Witnesses! Yahshua prophesied when they would rise. They would not rise in your mother and father's generation, because your mother and father might have had Truth, but not Spirit.

For example, the worldwide Church of God, had Truth but no Spirit. Other movements had Truth but no Spirit. Then you had the Pentecostals. They had Spirit. Apostolics—a lot of Spirit, but no Truth. But right before that Bull of Taurus rushes in, Gemini will Rise and at last there will be a people who don't come to a dead service to find Truth, and they don't go to an exciting service to find Spirit; they bring them both together.

Yahweh is going to raise up a ministry that brings the gifts of the Spirit with Truth of the Word of Yahweh! That's the moment that we're living in right now! Give Him the glory!! You were born for this moment! No other Christian has ever lived in this prophesied hour!

When I came into the message I now preach, I had a lot of Messianics that said, "He's got too much Pentecost in him." But what they didn't

understand is, that is what is going to call the END-TIME BRIDE in this HOUR! Listen. You can go turn on those teachers of Truth, but it is as dead as a doornail. There's no Witness of the PRESENCE of Yahweh! There's no Glory Cloud. There's nothing like the feeling that you are standing in His Presence!! You don't have to give up one for the other, my friend.

Welcome to First Harvest! You can have them both, and bring them together! HalleluYah! Those who don't have Spirit want to rename it the Kabbalah Spirit. Ladies and gentlemen, I'm sorry that you've never had the baptism of FIRE, but there is a group of people that are going to walk in Truth and the Power of the Holy Ghost. When you bring those two together, you've brought together Gemini. You've brought two twins together that are now working in UNITY for this End-Time Harvest!

That's why when people make comments saying, *I'd listen to him if he wasn't so loud*, I respond like this: "I'm sorry that you were raised in a dead church. I'm sorry you don't understand what passion and power looks like. I'm sorry that you fell asleep in your church, but when God raised me up in that old Pentecostal Church, He knew what He was doing. He knew I'd pick up the POWER and lay down the LIES!" He needed somebody to lay down the lies and bring it into truth. That's what He's doing with you.

That's why this ministry is one thousand percent unique among so many ministries in the world. When you first come into our service, you think you are in a Pentecostal church. Then you hear the teaching and you say, "This isn't a Pentecostal church!" When you come into the Messianic movement, they want you to give up all of the Spirit. You go to their meetings and everybody is just sitting there. I don't want to give up the Spirit!

The Father knew who you were. He found you. He brought an old, loud preacher to you to tell you that you don't have to do a trade out. You can have it all. Spirit and Truth can come together in this hour. Read.

Yahchanan 14:17 The Spirit of Truth, which the world cannot receive, because it does not see Him, nor know Him. But you know *Yahweh*, for He dwells with you, and will be in you.

That's why they censor us. That's why they cancel us. That's why they get rid of Truth: because they cannot receive Truth. For those of you who are getting upset when your family won't receive the truth, listen to that verse one more time. They cannot receive it! Don't you understand? The more you try to force it on them, the more they're going to hate you. You know what you do with a pearl of great price? Do you know what rich people do with their jewelry?

Poor people like to show their fake jewelry off, but rich people don't cast it before swine. They take and hide it in a secret place. You better take this pearl of great price, and when you hear people talking junk all around you, just smile and know that you know the truth. You aren't going to change them!! You just don't let them change you. The Bible said to buy the truth and don't sell it. *Buy it* means that it will cost you everything!

When you go to your family gatherings during the holiday season—the pagan holidays are upon us now—you've got to be around family, but don't walk in there trying to force your pearl on those people. Just know in your heart of hearts that that is not who you are. You are a separated people, you are a peculiar segula. You're a treasure. Keep that treasure in earthen vessels. Don't let people mock it and make fun of it, and tread on it because you have no wisdom.

You don't have to be a prude. You don't have to walk in and be better than everybody else. You just have to know in your heart that this isn't you or your place, but you can smile and make it through. You've got to walk in the Spirit of Truth, and you've got to love people who don't look anything like you. Brothers and sisters, don't walk in the spirit of the Pharisee or the Sadducee. Don't walk among people that cannot receive truth and wonder why they don't receive truth. The Bible said they can't, so just pity them and thank Yahweh for what you have.

This is Yahweh's true desire: to have a church balanced in Spirit and in Truth. Let me talk to you about that balance. If you come to our church, there is one thing you're going to see: for about an hour you are going to see people non-stop moving in the Spirit. We're going to pray for the sick, we're going to prophesy. We're going to dance before the Lord. We're going to move in the Spirit. But something everybody knows is that you can take as much time as you want to take with all that Spirit, but one thing will happen before you leave—I'm going to teach the Word of Yahweh.

Why? Because we must be BALANCED. There must be a balance. That is what the Father is seeking for is that balance. Notice in that first verse we read, what the Father is not seeking for. The Father is not seeking for worshipers. Did you notice that? Everybody is a worshiper, but He didn't say He's seeking worshipers. What is His heart's desire? Let's read that verse for what it says. The Father seeketh TRUE WORSHIPERS. Let's read that verse again. I want everybody to see this. I want you to see the difference between you and the world, and the church world.

Yahchanan 4:23 But the hour comes, and now is, when the true worshipers will worship the Father in Spirit and in truth; for the Father seeks just such worshipers to worship Him.

The what? The TRUE WORSHIPERS! You've got worshipers and you've got True Worshipers. The Father never desired worshipers. He's got them in every Sunday church. They are everywhere. There are so many worshipers.

But the Hour is coming when I will get True Worship. Not just Spirit with everybody falling out. Not just that. I want you to love Truth as much as you love the worship. I want you to become that powerhouse church that is going to rise up under Gemini; those twins that are working together.

I hope you are hearing what the Word of the Lord is saying today.
HalleluYah!

The question is not Who these Two Witnesses are, but rather, WHOSE they are. Quit asking who the Two Witnesses are. That's the wrong question. The right question is Whose witnesses are they? Let's find out. Let's read Acts chapter one, and verse eight.

Acts 1:8 But you will receive power after the Holy Spirit has come upon you; and you will be witnesses of Me, both in Yerusalem, and in all Yahdah, and in Samaria, and to the uttermost ends of the earth.

Now go back to Revelation and read where the Father said, "These are My Two Witnesses." It is not about who they are, it's about WHOSE they are. What are the Father's Two Witnesses? Spirit and Truth.

It's not by power nor by might, but by My Spirit. In the last hour there is going to rise up a ministry that will bring My Two End-Time Witnesses, and instead of them opposing one another, instead of these two being dichotomous; instead of these two being positioned against one another, instead of the Pentecostals running down those dead churches that are teaching truth, and instead of those truth churches making fun of those Spirit churches, they're going to turn into TWINS.

They are going to join together and look just alike. What are twins? They are basically two becoming one. You can't tell the difference. Read where He said, "These are My Two Witnesses."

Revelation 11:3 And I will give to My Two Witnesses to perform their prophetic offices, and they will foretell events about the three and one-half years, those cast about with darkness.

Whose witnesses? MY TWO WITNESSES. Out of the mouth of Two Witnesses, let the Word be established! I need you to hear me now. *The Word has no power until it is held in the hands of My Two Witnesses: Spirit and Truth.* HalleluYah! You better learn these things and quit listening to these carnal-minded preachers. The Church is being measured

right now to bring forth. Let's read again Revelation 11:1-2. Listen to when the Two Witnesses come forth.

Revelation 11:1 *And there was given to me a reed like a measuring rod. And the malak stood, saying: Rise and measure the temple of Yahweh, and the altar, and its confines; where they worship within.*

This is the whole Church world. This is all of the people who are worshipers. Remember? Worshipers versus True Worshipers. This is all the people who look at you and tell you, "Don't judge me for not keeping the Sabbath; I love the Lord." Everybody is all in this temple together. They have all confessed Christ, so they are in the Third Temple. But listen to the next verse.

2 *But the court which is outside the temple leave out, and measure it not; for it is given to the Gentiles. And the holy city they will tread under foot three and one-half years.*

I cannot bring that 30-fold Christian in, from what I am getting ready to bring forth from the measuring. I really need you to hear me. I'm taking the whole Church—the babies, the adults, the rams, the lambs—and I am going to measure. When I'm done measuring and the lamb turns into the ram, something is going to come out of that measured Church. What is going to come out of it? Verse three.

3 *And I will give to My Two Witnesses to perform their prophetic offices, and they will foretell events about the three and one-half years, those cast about with darkness.*

What is coming out of the measured Church? *My Two Witnesses! They are who are going to establish My Word in the earth like no other people have ever done before!* The Two Witness ministry comes out of the measuring. So if you want to know why you can't get by with what your Pentecostal, Baptist, and Apostolic friends can get by with, you have a HIGHER calling.

Why do you feel constrained into this life of obedience? Because He has wrapped a measuring around you. He has put a tape measure around you. You are measuring up so that you can have Spirit and Truth! Father, help us get this today; it is so vitally important.

Let's read Revelation 12:17. Go ahead Sister Caly.

I just want to make a quick comment. I did a testimony at the church and that dream came back up. In my dream, Yahweh showed me you were the pastor for me, and He showed me with those two fires out of His mouth. He showed me the Two Witnesses and I said, "He's the pastor for me."

HalleluYah! We're getting ready to get to that fire! That fire doesn't care if you like it or you don't like it, if you leave the church or if you stay in the church, get mad, get glad. That fire doesn't care. It just burns, baby. Don't you understand? When the fire comes out of the mouth of the Two Witnesses, it doesn't care who got their feelings hurt. It doesn't care who quit paying their tithe. It doesn't care. Fire doesn't care. No, no. When a fire is burning a house down, anything that can burn will burn. When you get under the preaching of the Two Witnesses, your feelings are going to burn, your emotions are going to burn, and I'm not going to care. How about that?

There's a fire burning! HalleluYah! *Pastor Vaughn, you're not like other pastors.* No I'm not. I know that. I realize that. But I tell you that there is a fire going forth and it will burn you. And I'll tell you what else it will do. When people get to gossiping, inboxing you; they will not stay under my preaching because the fire exposes them and what they are. We don't put up with any junk around here. You want to in-box and do that, you'll be burned up before next week from one sermon. Why? We don't play.

Fire doesn't play! You better watch your inbox; letting these people get in there. You better breathe some fire on that inbox. You better breathe some fire on it! If you want to get rid of a gossip, breathe truth on them. It's

Fire. If you want to get rid of a troublemaker, breathe truth on them! It's Fire! My God from Zion! I said, "It's Fire." Read Revelation 12:17.

Revelation 12:17 And the dragon was enraged with the woman, and went to make war with those who forsook her seed; *her seed being those who keep the Laws of Yahweh, and have the testimony of Yahshua Messiah.*

KJV And the dragon was wroth with the woman, and went to make war with the remnant of her seed, which keep the commandments of God, and have the testimony of Jesus Christ.

Here we go! Here is Remnant Israel, and Satan makes war with Remnant Israel. He doesn't make war with the Church. He makes war with the SEED. That's why you stay attacked the way you do, because that dragon is blowing fire on you! One day you're going to learn that you've got as much fire in your mouth as the dragon has in his, and you're going to use it. It is called the Law of Yahweh, the Testimony! USE YOUR FIRE! You are the Two Witnesses, darling. You can beat a dragon everyday when you open your mouth! HalleluYah!! Praise Yahweh! When the dragon blows, you blow back!!

Read Revelation 14:12. I'm getting ready to show you Remnant Israel, the 144,000. I'm getting ready to show you First Harvest. I'm getting ready to show you right now. I am going to show you your Two Witnesses. What does a witness do? They VERIFY what you say. Since you are a child of Yahweh, you need two witnesses to show up and prove it. I'm going to say it again. What do witnesses do? They PROVE what you said. You said you were a ram. You said you were a son of Yahweh. Now you need two witnesses to show up and prove that you are what you say you are. Those Two Witnesses are found right there in Revelation. Read it.

Revelation 14:12 In this manner are the saints purified—by keeping the Laws of Yahweh, in *conformity with the faith, as Yahshua Messiah.*

Here you have the Two Witnesses. They have SPIRIT which is Faith, and they have TRUTH—the Commandments. This is Remnant Israel, and there are Two Witnesses that will mark them, and seal them, and identify that their claim is valid. You better have these two witnesses. Going to church and falling out, and having good church are not enough witnesses. Do you hear me? I'm talking about the End Time Church. All those other churches have a Spirit; maybe they have Truth, but the End Time Church is going to have Two Witnesses telling on them. TWO.

You're going to walk in there and you're going to think you've landed smack dab in a Charismatic conference. But the minute they open their mouth, you'll say, "Where is the door? I don't believe any of this." Listen to me. That's the hour we're living in. You better have TWO witnesses. You better breathe something out of that mouth besides profanities, besides gossip. You better breathe some FIRE out of that mouth if you have the Two Witness anointing. Yahshua had Two Witnesses. He had Spirit to heal the sick. He had miracles, He had signs, He had wonders. But guess what else He had? TORAH.

Don't misunderstand me. Some people think I'm against speaking in tongues, but you ought to know better than that. They think I'm against all the prophets—no, no, No. I'm not. I'm just looking for both witnesses. I need to see Torah in there as well. We're walking on water, but I need you to get out and walk on the Word when we're done.

I need Two Witnesses, and that's the problem I have with today's prophets, especially the pink-haired one who just went to Christmas Town in heaven. Sister Pink just went to heaven and found Christmas Town. The whole Church believes her!! I'm sorry, I need Two Witnesses. I need you to be in the Spirit, and I need you to walk in Torah. Then I'll know who you are. Go ahead, Sister Jan Meadows.

The problem is that when you talk to most people in church about truth, they say it's the Word of God, but they have forgotten the Law that's in the Word of God.

Actually, the truth is that the Torah is Truth. The Bible said, "Your Torah is a lamp to our feet and a light to our path." All of the rest of the Word is built on the foundation of Torah. That is the Two Witnesses. When someone tells me that the prophet so-and-so said so-and-so, do you know the first question I ask? Are they a Sabbath keeper? The reason I ask that is because I'm looking for Torah. I don't know how you can prophesy anything if you can't prophesy what day the Sabbath Day is. If you can't tell my people the difference between the clean and the unclean, then you can't tell them anything.

Whenever the Bible talks about John the Baptist, he would come forth with the fire to purge the threshing floor. We are in the age of fire preaching right now. There is a purging of the threshing floor. The threshing floor is the Church, and there is a FIRE message coming forth from the Two Witnesses—Spirit and Truth. Some of you watching right now say, "I see your point. Maybe it could be Spirit and Truth, but I need a little more Bible evidence." Thank you for asking. I would love to do that. Let's go to the book of Revelation eleven, verse four. Then I want to go to Zechariah 4:1-3.

We're talking about TWINS today—GEMINI. I'm getting ready to show you twins. I am going to show you two visions that are twins. I'm going to show you two scriptures that are twins, given by two different men thousands years apart. They are exactly the same. Let's read.

Revelation 11:4 *These are, as it were, the two olive trees, and as it were, the two lamps of the seven lamp lampshade, ministering for the Father in the earth.*

Now go back to Revelation 11:3. I want to show you something. How many of you have wondered who the Two Witnesses are? Read this next verse,

and it tells you so plainly who they are. Read Revelation 11:3, and then verse four.

Revelation 11:3 And I will give to My Two Witnesses to perform their prophetic offices, and they will foretell events about the three and one-half years, those cast about with darkness.

KJV 3 And I will give power unto my two witnesses, and they shall prophesy a thousand two hundred and threescore days, clothed in sackcloth.

Now let's pause right there. Take that word *power* out. It really should be the word *authority*. *I will give a unique authority to a unique ministry in the last hour of the Sixth Day. That unique authority will have fire in it, and it will bring forth a message that will burn the Church, and bring forth the Church into its maturity.* But who are these Two Witnesses? Read.

4 These are, as it were, the two olive trees,

KJV These are the two olive trees,

Stop. It's that simple. *Brother Vaughn, I wish I knew who the Two Witnesses were.* Just read this verse. They are the two olive trees. That's who they are. These are the two olive trees. Keep reading.

and as it were, the two lamps of the seven lamp lampshade, ministering for the Father in the earth.

and the two candlesticks standing before the God of the earth.

It is also two candlesticks. It is two olive trees, but it is two candlesticks. It is because the two churches in the book of Revelation that had the Two Witnesses were Smyrna and Philadelphia. There were only two candlesticks that qualified as a Two Witness Church. These two churches are the two

olive trees. Now let's go to Zechariah, and I'm going to show you a twin scripture; a twin vision by two different men.

Notice the three things in Revelation: witnesses, olive trees, and lamp stands.

Zechariah 4:1-3 And the malak who talked with me came again

Here's another man four thousand years earlier having a vision from an angel, just like John the Revelator said an angel came and brought him the same vision. I'm going to show you Gemini, the Twins. Read.

and wakened me, as a man who is wakened out of his sleep.

This was not a dream. This was a vision.

2 And said to me: What do you see? So I said: I see, and behold, a lampstand all of gold, with its *bowl for oil* on the top of it,

He saw the menorah which has a cup in the middle that holds the oil. Remember what the menorah is. The menorah is the light of the world, but it's not Yahshua. Yahshua is not the light of the world. Why? Because He's not in the world anymore. But He says that now You are the menorah. You are the light of the world. Before He left, He told His disciples, "I'm not the light anymore; you are the menorah." When you see that menorah in my church, and I hold it up, that is the symbol of the End Time Light Of The

World Church—ISRAEL. Remember the menorah is Israel, which is the End Time Church: Remnant Israel. Read.

with its seven lamps on it, and *there are seven pipes to the seven lamps.* 3 And *there are two olive trees* by it,

Wait, wait, wait! Revelation 11:4 said, “My Two Witnesses are the two olive trees.” Zechariah is having a vision of candlesticks just like John did, and he also sees two olive trees. It’s the olives that are going to give the OIL, olive oil, into the Church that causes the pure light to come forth. Keep reading.

one upon the right side of the bowl, and the other upon the left side of it.

How many trees is that? Two. What did Revelation say about the Two Witnesses; they are what? Two OLIVE TREES. These twin visions, twin prophecies that are exactly the same are four thousand years apart, written before John was born. Read.

4 So I spoke to the malak who talked with me, and I asked him: What *are* these, my ruler?

5 Then the malak who talked with me answered, and said to me: Do you not know what these are? And I said: No, my ruler.

I don’t know what these Two Witnesses are. But he’s about to find out. Read.

6 So he answered, and spoke to me, saying: This is the word of Yahweh

This is the WORD of Yahweh. This is TRUTH.

to Zerubbabel, saying: Not by might, nor by power, but by My Spirit, says Yahweh of hosts!

This is the WORD and the SPIRIT. What are these two olive trees? I don’t know, but I do know this: without both, there is no light coming out of the menorah. The Church has failed the world! They don’t have both olive trees pouring olive oil into the Church. You’ve got a Church that is producing a

form of godliness, but denying the Power thereof, which is Spirit and Torah! Go ahead Brother Anikewich.

The two things the oil does is anoint us, and they feed the fire. That's the one thing I keep getting in my head in this teaching. When I go in front of people and speak, people break down and cry. It is the power of Yahweh. I don't prepare anything; they confess things to me like they are going to kill themselves, or the death of a child. Pastor, I don't understand why all these years that I was an evangelist, nothing ever happened. But since I've been in this ministry, the anointing and the fire keeps coming out when I go online. I don't even say a word. I just listen, and they cry, and they cry. I didn't understand it then, but I do after this message. It's the Two Witnesses, the Anointing, and the Fire.

Yes. HalleluYah! Spirit and Truth, Fire, Holy Ghost. You mix them all together and you wind up putting OIL in the MENORAH! You can have a menorah all day long, but there's got to be oil from BOTH TREES or you get strange fire. You can make fire with oil from the Spirit tree. Oh yes, you can. That's why you go into these Holy Ghost filled churches and you get confused. They don't have Truth but they've got so much Fire and Power. You feel the presence of Yahweh. The Bible calls it STRANGE FIRE. It's not a pure fire. It will burn you if you touch it, but it's not PURE FIRE.

I'm going to give you an example because I trust you all. There's a prophet in the land today and he's well known. Before I get started, I want to say that I like the man personally. I have nothing against the man himself. But he is a prominent voice right now in the prophetic movement, especially with Donald Trump. People love to listen to him. He's very articulate; a handsome fellow. Kent Christmas is who I'm talking about.

I like Kent, but everyone falls for his prophecies and he's probably a great man, but the other day he got on his telecast and said these words. He said, "People ask me why we don't wear the tallits here, and we're never going to wear a tallit in this church. We're never going to be weird like that." Then somebody asked why he didn't have a shofar, and he said, "This church will

never have a shofar. We're not going to be the weird church." Then they asked him why he doesn't say the Name Yahweh and Yahshua, and he said again, "We are never going to be that weird church. That's not us."

I heard the strange fire right then, but yet the whole Church is acclimating to him. Do you know why? His prophecies are powerful. You better learn the Two Witnesses or you are going to be deceived by these ministries. I'll tell you something else you'll be deceived by. Let's flip the script now. You go into these churches that are teaching the truth like Worldwide Church of God, and maybe some of the Seventh Day Adventists—a little bit of truth. You walk in and the moving of the Spirit is not allowed. That is just as strange a fire as Kent Christmas' fire. It's all strange; it's all out of balance.

How many of you remember the first time you came to one of our services and you noticed me pushing you to dance before Yahweh? That is a tell tale sign of our ministry. We will never ever calm down. We will never tame it. And for those of you secretly hoping that we will, you don't even know who we are. We have the Two Witness anointing. Spirit is always going to be in this church, and it's going to be loud, and there's going to be a crowd, and it will get louder and probably louder. Why? We're raising the roof! The Spirit is coming forward in magnanimous measures as we release the river into the earth today.

I want to continue and show you more scriptures to tie it together, but Sister Sandra, go ahead.

When you spoke about the strange fire, all the way back in the garden of Eden there were two trees. One tree has good and evil on it, and the other brings us life.

That's good. I've got you. One tree you've got to do good and evil. But there is one tree that is pure life, and I've told everybody that the gift of discernment does not show you the difference between good and evil. It shows you the difference between holy and good. Anybody can tell you the

difference between good and evil, but only the Son of Yahweh can tell you the difference between the gray area and the black.

I want to ask you, how many groups of Israel are there? Two. Judah and the Ten Tribes. Are not both of them called olive trees with one being a natural and one being wild? Yes. What did Zechariah see? Two olive trees. My Two Witnesses are two olive trees. The Jewish people are natural olives. Remnant Israel is the wild olives. Natural Israel held onto Torah for all these years—Truth! The wild olive tree has had the Spirit. Remember, Ephraim is going to provoke Judah to what? Jealousy. Remember? Because Ephraim is going to have something that Judah doesn't have.

Judah has Torah. *Ephraim has Spirit, and in the last days I am going to bring the two houses of Israel back together as My Two Witnesses: Torah and Spirit.* This will be the Church: Remnant Israel! The two olive trees will come together into one menorah. The Remnant Israel, the Torah and the Holy Ghost will meet up at the End Time, and that will be the Two Witness Church.

Notice where the lampstand was placed in the tabernacle: the HOLY PLACE. It is the two trees in the House of Israel. The two bowls pouring into one bowl shows their UNITY when both come into the Church. When both come into one: One New Man. There is going to be a One New Man that is made up of both olive trees. They are both going to pour into the same bowl.

That is going to be the OIL that releases the most POWERFUL Church that history has ever known. Gemini is rising. Of these Two Houses: Judah has Torah, and Ephraim has the Holy Ghost. TWO Olive Trees—the NATURAL olive tree, and the WILD olive tree. But when they both start pouring into the One New Man—BAM! When they both start collecting in the bowl of the

One New Man, these are His Two Witnesses. These are not two separate witnesses. They are TWINS!

I'm not going to read all of these next slides; I don't have time, but you can read them on your own, and we will come back next week and do part 2 of Gemini.

This is NOT 2 separate witnesses

- The number 2 is used as the number of witness – this is a group of people who GOD WITNESSES Through..... OF HIMSELF
- Notice- -- the two elements... LIGHT, OIL and Lampstands – a Church united in Spirit and Truth – grace and works, law and grace.... Producing THE LIGHT of Gods WORD with power and demonstration -----
- **Psa 119:104-105; John 6:63**
- The light of the two lampstands is thus the *revelation of the living word, the present truth of God!*

The vision REVEALED by GOD HIMSELF

- Zech 4:5-6 – He was ignorant of it's meaning
- Now who is Zerubbabel? He was the head of Judah at their return to Jerusalem. The one who led them back to their homeland.
- Zerubbabel's great work was that of rebuilding the temple, but the work was dogged by danger from the outside and discouragement from within. God is giving this vision of present-truth to strengthen the faith of Zerubbabel and there are two elements in the meaning of the vision *This* is the WORD of the Lord, saying, the temple will not be built by might nor by power (an army), but by my SPIRIT, saith the Lord! That is what the two items in the vision are! **They are the WORD of the Lord saying that the temple of God can be built only by the SPIRIT of God!** Can we not see by this that the lampstands signify the Word of the Lord and the olive trees signify the Spirit of the Lord! The *two witnesses* are the SPIRIT and the WORD! That is the mystery.

Two anointed Ones

- Notice what these two trees are called - In the vision of John both the two lampstands and the two olive trees are said to “stand before the Lord of the earth.” The meaning is, that they stood, as it were, in the very presence of God
- The oil of the olive trees represents the *anointing*! The lampstands represent the *Word*! “And I will give *power (unction)* unto my two witnesses, and they shall *prophesy*!” “This is the *Word* of the Lord, saying...it is by my *Spirit*!”

Read that verse in Revelation that tells what the Two Witnesses are going to do after they receive this special unction.

And I will give power unto My Two Witnesses and they shall prophesy

Did you hear that? That word *prophesy* means preach. *I will give a new power; a new authority to the One New Man who has the Two Witness Ministry. And they are going to preach again.* They are going to preach a Fire message that the earth has never known—Holy Ghost and Truth. My Lord, I wish I could talk to you about the Two Witnesses and the blood and the water.

This is A PEOPLE

- They are a two witness company, an anointed body of people bearing the present truth of God, just as all the prophets of old were anointed by the Spirit to speak the present truth of the Lord. The two witness company is called prophets and they are commissioned to prophesy. This further identifies them as an ANOINTED PROPHETIC MINISTRY

New Testament Proof

- **I John 5:8** – The Spirit is one of the witnesses
Heb 10:15; Rom 8:6;
- **I John 5:6** – Jesus came by blood and water
- Jesus is THE WORD and He was filled with THE SPIRIT OF YAHWEH... making Him a true witness
- The true witnesses of these final days will be no less a Word and Spirit Bride – fulfilling the Fathers Dream for TRUE WORSHIPPERS

The power of the Witnesses

- Rev 11:5-6 – these plagues and powers refer to the ministry of Elijah and Moses - John is not referring to the actual prophets but to the qualities which they express
- Moses and Elijah had the ability to challenge the established order of their day and lead God's people forward into the purposes of God, so the witnesses are also credited with that ability

Now I'm talking about the plagues that they bring on the earth. Let's stop there and make a part two for next week.
