The Un-Balanced Scales

Lesson Three

Libra - The Unbalanced Scales

LIBRA'S MESSAGE: WEIGHED AND WANTING

High in the sky, Libra shines with a special shape:
a set of scales. But something isn't quite right...

One side hangs low. The other? It's too light. The scale is
unbalanced.

Yahweh put that picture in the
heavens on purpose—to show us
something very important:

We were all out of balance.
Even when we try to do what's
right, our good isn't enough to fix
the wrong.

Daniel 5:27

tells of a king who was weighed on the scales and found
lacking.

Romans 3:23

says we've all sinned and fall short of Yahweh's glory.

Star Names

Tell the Story!
The stars of Libra have
ancient names:

ZUBENELGENUBI:
*“The Price That Is Too
Small”*

Our own efforts. Our
good behavior.

Our kindness.
It's not enough to fix sin or restore what was broken.

ZUBENESCHAMALI: *“The Price That Covers”*

THIS STAR POINTS TO YAHSHUA—the perfect One.
He gave His life to balance what we never could.

Revelation 5:9 says:
*“You are worthy... for You were slain, and have re-
deemed us to Yahweh by Your blood.”*

What Does This Mean for Us?
We don't have to fix ourselves.

We can't earn our way to
Yahweh.

But Yahweh loved us so much,
He sent a perfect payment.

*Now, the scales are balanced—
for everyone who trusts in
the man Yahshua, His Son Our
King..*

Let's Pray

Dear Yahweh, help us see our need for Your Gift and thank You for sending Yahshua to balance the scales for us. In Yahshua's name, amen!

Worship Song

Amazing Grace the whole day long...
Yahshua paid a debt that I could never pay!**
