

**ISRAEL 101**  
**Part 5**  
**“The Dominion Mandate”**

By Pastor Shane Vaughn, First Harvest Ministries

This morning we're picking up with part 5 of Israel 101. It's been a wonderful series and it just keeps getting better and better every week. Today we're going to venture into the subject of why Yahweh chose Israel, and it is the right to rule. The right to rule only belongs to one people. I want you to look at that crown and that scepter, the reason being, that photo is an official photo that I have taken for First Harvest Ministries. I've been using it for ten years. As a matter of fact it's in my book The Dream Team you'll find this photo.

I chose this photo because I wanted to make an indelible impression in your spirit-mind that never leaves. That crown and that scepter belongs to one group of people on planet earth. Israel. Not the state of Israel, always keep that in mind. The state of Israel is not the nation of Israel. The nation of Israel is the ten lost tribes that are scattered throughout the Gentile world. They alone have the right to wear that crown and to hold that scepter.

If you do not desire that crown and that scepter, you are not an Israelite. There is a natural desire in Israel to wear the crown. And so I want that picture to find a lodging place in your mind. If you'll notice, we don't put up a lot of pictures of the cross, we love the cross, but that's not our focus. We don't put up a lot of pictures of a dove like most churches do because we are not like most churches.

Our focus is not on the past work of God. Our focus is on the coming work of God that is yet to come. Amen. And we are now in the shadows of the coming kingdom

of God and you must become throne-minded. We're going to talk a lot about that today and try to get your mind out of churchianity. People that go to church and the church becomes their focus, their society, they lose focus of the throne and the crown. Why is that? Because you'll hear nothing about the throne or the crown at church. All you'll hear is the old rugged cross and we love the old rugged cross. But this is the message of the moment.

### What is the Dominion Mandate?

- The Dominion Mandate is the authority to rule the earth – **Gen 1:26-27**
- The entire purpose of THE SONS OF GOD is found here.
- This is NOT THE PURPOSE of all of creation only a CERTAIN ELECTED and CHOSEN people
- If it were for all of creation then there would be nothing to rule.

Alright, today I want to teach you in depth about the Dominion Mandate. Let's go to Genesis 1:26-27. Put in your Bible if you're taking notes, underline these two verses and write the word "Dominion Mandate" or "my mandate".

What we're about to read we've read many times, but we're going to read it again. If you do not understand the dominion mandate, you will remain a Christian for the rest of your life rather than a son of Yahweh, part of the manchild, part of the overcoming company of believers. Now I just said a mouthful there. Let's read what the dominion mandate is.

### **Genesis 1:26-27**

**26 And Yahweh said, Let us make man in our image...**

I'm not going to teach right now on what "our image" means because I've done it many times.\* I'm not going to stop here and teach that but the video for that teaching is in the footnote below. It's not a trinity. Let's just say that that's not more than one God there. There's no trinity and that's where all the trinitarians always go to, but we've explained it in depth what it means for those that would like more clarification.

**...after our likeness, and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creeps upon the earth.**

Now you all know why I preach so hard against this animal-loving world that equates animals with humans. Because man was created greater than all animals. We must be very careful to never fall into witchcraft, into new age mentality.

\*<https://firstharvest.tv/video/1424>

Someone wrote on my Facebook page the other day that all of us, all created beings, are one soul, all part of one family. No we are not. NO we are not. We're not connected to dogs, cats. We're not connected to anything. We rule over them. We are the dominion keepers. Witchcraft doesn't believe that. They believe that a human baby is just as valuable as a dolphin, or a dolphin is just as valuable as a human child.

Abortion is witchcraft. Why? It devalues the human. It takes the human and puts it on the level with animals. *Well, you know, they're all animals.* Let me tell you right now. People will get more upset over abusing a dog than they will abusing a child. You have got to come back and understand humanity was created to have dominion over the whole earth.

Now this is important. You need to listen because you are not aware of your mandate, and the reason you're not aware of it is because the church has robbed you of your mandate. Now I want you to read it again in that verse. And then I'm going to compare the message of the church with the mandate of Yahweh. Read it again.

**26 And Yahweh said, Let us make man in our image after our likeness, and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creeps upon the earth.**

So all of mankind, everything in humanity, was created to rule the earth. Now, I want to ask you a question. From that verse of scripture to the very end of your Bible, I want you to find me one place where that mandate for man has ever changed.

Now according to the church you were created to hurry up and get through this life so that you can do what? Leave the earth and go to heaven. I'm just going to say it. That is a demonic message. It is demonic when heaven is your goal. The earth becomes a temporary place that you're just having to endure until you get to heaven. I've heard it said in many of the gospel songs that I grew up singing. Has anybody ever heard these words: This world is not my home. I'm just passing through. Oh I love the song, we sang it all our life. But it's a lie. *Satan celebrates it.* You're exactly right.

This world is our home. This world was created for us to have a home. And if heaven was our home then why not create us and put us in heaven first? Ha, ha! Is anybody with me? Alright. You've got to understand the mandate on your life. Do you know why you can't live a victorious life right now? Because you're trying to get out of this life and go to a better place called heaven where everything

that's wrong with you now is going to mysteriously be made right when you get to heaven. Ok? In other words, if you've got a heart filled with hate right now, when you get to heaven, it's just going to disappear. Everything that you refuse to take under subjection right now you think when you get to heaven it's going to all disappear. You've got a bad attitude right now, you've been taught—zoom!—go to heaven and all of a sudden we're all going to be little cherubim and everybody's going to like everybody.

Listen, if you don't like them now, you're not going to like them then. Do you understand me? *Is that spiritual evolution?* That's exactly what it is. That's exactly right. But that is the message of the church. The church message is escapism. And therefore, why do you have to work on yourself? If heaven's going to heal you and make you perfect, then why are you told in the word of God while on earth...be ye perfect even as I am perfect?

See, you are in a journey, but because the church has stolen your mandate from you—it's the church that did it—it wasn't the devil—well it was the devil through the church that took your mandate from you, and said...don't worry about ruling over your own emotions, don't worry about ruling over sin, you can't do it. Awww, but I just heard Yahweh telling mortal man...I created you to have dominion, I created you to rule...not to be ruled. Amen? You don't have to be ruled by your passions or your emotions, or even what you're going through.

So many of you watching me right now, you're like a roller coaster. I see in one service you're on top, next service you're on the bottom. One service you're happy, you're believing in miracles, the next day when you didn't get any miracles you don't believe in them anymore. You're up and you're down, up and your down. You're being ruled by your emotions.

One day you don't like everybody, the next day you love everybody. Rule—you're being ruled. Do you know why? The church told you it's ok he knows you're powerless, God knows you're just a man. Oh, just a man? Are you talking about just a man that was created to rule over everything?? And I'm just a man, I'm just a woman? No, no, no. That 'just man' and 'just woman' was created in the image of Yahweh himself. No other animal on this earth makes that claim.

Now, sadly, this is why Satan teaches your children evolution. If he can convince your children they came from apes, then they'll be ok acting like apes. Is anybody listening to me? If you're just an evolved toad frog, if you're just an evolved minnow, you started off as algae in the ocean, then no wonder you act like algae, uncontrolled.

We teach our children that you were made by the hands of Yahweh literally, in the image of Yahweh, and we send them to school to learn the total opposite. We send them to public schools to be taught that you and I, their parents, are superstitious, we're crazy. Did you know that everything you're teaching your child at home they're teaching them the opposite of eight hours a day? And therefore your children come home acting like animals and you want to know what's happened to them. They were taught that they came from animals.

Brothers and sisters, your mandate has been stolen. Now don't get upset at the evolution teachers. Don't get upset at them if you're not upset at your preacher—well not at your preacher, but at the other preachers ha, ha! Because when you go to church, you're told the same thing. When you go to church, you're told that you were made in sinful flesh and that Yahweh knows you cannot obey him so therefore he's fine with that. And what does that do to you? It makes you a weak believer. It turns you into something else besides what you were created to be. That's why people are on drugs today, they don't know what they were created for. That's where you and I are correcting that error here at First Harvest Ministries.

Now let's continue. The entire purpose of the sons of God—notice what I said—the sons of God. Not all of mankind are the sons of God. Keep that in your mind. Not all of mankind are sons of God. Adam was a son of Yahweh. But all of creation are not sons of Yahweh. Remember what I taught you last week. Just because you are the creation of Yahweh doesn't mean you're the son of Yahweh. You are made sons of Yahweh by being begotten again, ok? It's very important. It's that new begettal that will make you a son of Yahweh.

Only a chosen people are called to rule the earth. Who is that? The sons of Adam. You need to understand today that we have been called to rule the earth. We've not been called to go to heaven. Anyone watching me right now that doesn't understand that, I challenge you to find me one scripture, and we'll answer it at the end of the class today, one scripture in your Bible that promises heaven to the believer. Find me one.

Do you know you've been reading this Bible all your life, and you've been going to heaven all your life, and you've never seen that in your Bible anywhere? I want you to think about what I just said. I want that to percolate in the coffee pot. All your life you've read your Bible. All your life you've been to church. All your life you've listened to TV preachers. You've listened to it all. And you believed you were created to get through this life real quick and go to heaven. And it was nowhere in your Bible. Nowhere. Somebody say nowhere. *Nowhere.*

It was nowhere in your Bible. Elder it was nowhere in your Bible. And that's why we all act like animals. That's why we struggle over our emotions. That's why we can't take control. That's why men sleep around on their wives just like dogs do in a yard. Any female dog that walks by they go mount them. Just animals.

And so until you get the dominion message in your mind, you'll always be an animal. And what's worse, you'll always be ok with it. And your excuse will always be what? Well I'm just a man. Get that word 'just a man' out of your mind. You're a ruler. You're a king. You have dominion over what has dominion over you. You have dominion over cigarettes, you have dominion over alcohol, you have dominion over drugs, you have dominion over lust, over pornography. You have dominion. If you don't you're not living up to your dominion mandate. Amen.

Go ahead sister. *I was just thinking, we're not even children of God. It tells us in John 1:12 you have to believe in him and believe in his name to even be a child of Yah. And we don't even know his name. So that means nobody's a child even—forget the son part.*

Now you just said a mouthful because the whole church does not even know who their Father is. They don't even know his name. I believe sister that when he reveals that name to you, he is bringing you into sonship because the Bible said he gave us power to become the sons of God. Amen? And that power is that authority for when he begins to reveal this truth to you. If you're sitting in this room today, you're on the path to sonship.

You are growing in the womb of mama church, you are becoming that manifested manchild that I've been teaching about for four weeks now. And we must not abort that. How do you abort your birth? By believing the lie that you are going to heaven, you are just not here to rule and reign. So today I want that to become paramount in your mind that I am just a man, and when I read about what man was created to do, to rule the earth, then I'm ok with being just a man. Hallelujah. That's like saying 'I'm just God' ... ok, alright, act like it! In other words, act like a man, don't act like an animal.

It is science, it is schools that turn you into animals. And there it was your church that did it. Evolution is a doctrine of demons just like climate change is a doctrine of demons. Why? It is giving all power to the created being rather than the Creator. And we must never allow that ever, ever, ever. If all mankind were part of this dominion mandate, then there would be nothing for us to rule over. All mankind was not created for this dominion mandate. Listen. Only one group of people on planet earth carry the dominion mandate—starts with an I and ends with an L. Hallelujah. Hallelujah. The house, not the state. The house of Israel.

Now I hope nobody thinks that I demean the state of Israel. I don't mean to do that. I'm trying to open your understanding and broaden it. You can't think of Israel as the state of Israel. That's just where Judah is going back to. But the House of Israel is worldwide.

I read somewhere the other day, one of the researchers said that Americans have more Hebrew blood in their bodies than the Jewish people do that's over in the land of Israel right now. Why? Because we are the scattered seed. That the Americans and the British and others do. In other words, the Jews that have gone back to the land, many of them are former Idumeans and yes there's Jewish blood there, I'm not saying there's not. But I'm telling you that if you think that they are the chosen people, you'll give up your dominion mandate.

Is anybody with me? Are you following me? Alright, because I want you to understand who you truly, truly are. Alright, let's continue. Let's go read about the dominion mandate. Let's go to 1 Corinthians 15:25.

I just showed you where the dominion mandate started. Now I'm going to show you where the dominion mandate ends.

### **1 Corinthians 15:25-28**

**25 For he must reign, till he has put all enemies under his feet.**

That is the end of the dominion mandate. Adam was told to put all things under his feet, was he not? And now we see Yahshua reigning. You see, here's the problem. Do you all realize that Yahshua will not be reigning after the millennial reign? Alright, I just threw some of you for a loop. Let me follow up with what I just said. Yahshua only reigns supreme for 1,000 years. You just read it in your Bible. Let's read it again.

**For he must reign, till he has put all enemies under his feet.**

Until. Somebody say until. *Until*. He only reigns through the millennial reign. He's Lord of the Sabbath day only. Oh my, my, my. Hallelujah. He's Lord of the 7th day, that's why we're Sabbath-keepers, we identify with the day that he rules over. He rules for 1,000 years and what's the last thing he's going to put under his feet? Death. That means death will be there during the millennial reign. He will put it under his feet, and then what is Yahshua going to do? Keep reading.

**26 The last enemy that shall be destroyed is death.**

**27 For he hath put all things under his feet. But when he saith all things are put under him, it is manifest that he is excepted, which did put all things under him.**

Now if that's confusing to you, read it in the Book of Yahweh and it will take all the confusion away.

(BOY)

**27 For Yahweh has put all things under His feet. But when it says that everything has been put under Him, it is clear that this does not include Yahweh Himself, Who put everything under Yahshua.**

**28 And when all things shall be subdued unto him, then shall the Son also himself be subject unto him that put all things under him, that Yahweh may be all in all.**

(BOY)

**28 When He has done this, then the Son Himself will be subject to Him Who put all things under Him, so that Yahweh may be acknowledged as the Supreme Head over all.**

Alright, alright. See you thought I was crazy a minute ago when I said he was only going to reign for 1,000 years. After death is put under his feet, then he is going to subject himself (demote himself), and he's going to once again move out of the way. Read it again.

If Yahshua is Yahweh, how's that going to work out? Ha, ha. You all act like I'm speaking in tongues. If Yahshua is the God of heaven like they taught you then he just said he's going to become as nothing again so that his Father may have the preeminence. Did you all know that was in your Bible? It's in there the whole time.

Now, let me show you something about that dominion mandate. Romans 16:20. During that millennial reign, he just said that he's going to put all enemies under his feet. That's the end of the dominion mandate. But there's a caveat here. Yahshua himself is not his feet. Oh hallelujah.

**Romans 16:20**

**And the Father of peace will crush Satan under your feet shortly. The mercy of our King, Yahshua Messiah, be with you.**

Hallelujah. Do you understand who the feet of Yahshua is? It's those who carry the dominion mandate among mankind. Oh hallelujah. It's Israel. Remnant

Israel will put Satan under our feet and therefore they will be under Yahshua's feet. Yahshua is subservient to the Father. Let's talk about subservient to the Father, shall we? Let's take that verse of scripture and you tell me how you can get a coequal Yahshua in a trinity with this verse of scripture? Somebody say coequal. *Coequal*.

That's trinitarian doctrine that Yahshua is coequal to Yahweh. That's what the Roman Catholic Church taught you. But I just read a scripture where once Yahshua's ministry as king of the Sabbath is over, he decreases and our attention—you see, for that 1,000 years our attention goes to Yahshua. He will be reigning from Jerusalem. He will be king of the earth. All he is doing is cleaning up the third temple for the return of his Father.

You've got to understand this...or not...you will think Yahshua's going to come, put all things under his feet, and.... no, no, no, no, no. Yahshua cannot come until he has some feet, do you all hear me? YOU ARE THE FEET. You are the feet that Yahshua will use for that 1,000 years to put all enemies under his feet. That way when the Father comes and dwells with men...the Bible says in Revelation 22, and then God, Yahweh, will come and make his dwelling place with his creation. But to do that, Satan has to be eradicated, and sin has to be eradicated—everything that wasn't in the Garden of Eden originally has to go, and who's going to do that? The feet of Yahshua which is the house of Israel. Remember I'm teaching Israel 101. Amen.

Sister, go ahead. *Ok, so I started on one of the videos, and I wrote..."so this is when Yahweh will show up, after Yahshua gets the earth ready". So, after 1,000 years, Yahshua is not a king anymore. No, no, no. He will always be a king. But I mean the head. He will still be the elder brother, but he will not be the focus, the preeminent. Yahweh will be all in all.*

*Ok, so Yahweh will come. He will take over. So it will be like Yahweh, Yahshua and all of us still the same. But after 1,000 years, it says in the Bible also that Satan will be loose again. Yes, that's the test of the millennial saints. Ok, so even if Satan is out testing people and people are trying to sin, Yahweh is going to be present? No, no, that happens before Yahweh returns. That happens before Yahweh comes. That is the cleansing of the millennial saints who were saved during the millennial—that will be their test of faith.*

After that battle is over, then all of those not truly converted will die. And then you will have the second resurrection. After that, Satan is loosed, ok? And that is where the great white throne judgment will happen. That is where all of mankind will be restored back to Yahweh. Then Satan will be cast into the lake of fire at that time. And then Yahweh returns.

*Ok, so he will be cast out to hell before the millennial reign is over?* No, no. He does not go into the lake of fire. Satan does not go into the lake of fire until the end of the millennial. At the beginning of the millennial, he is simply put away, the Bible says, in a wilderness, in a dark place, so he has no influence over humanity.

At the end of the 1,000 years, he is released to do what? What he was created to do, test the sons of Yahweh. And if they can be tempted and turn, he'll prove it. Then there'll be a great battle. The Bible says in that battle the ashes of the wicked will cover the earth. The wicked will be gone from all the earth, and now the second resurrection will take place of all those wicked, of all those dead people. And they will get their chance to hear the gospel. *Ok, thank you pastor.* You're welcome.

Real quickly folks, I still have a long way to go. Go ahead sister. *So, I know what you're saying, what you're explaining, so I have to ask. So Jesus, Yahshua, is not God?* Ok, so let me clarify something. I tell you what, let's do this. Sister, what does the word God mean? *Ruler, king.* Then Yahshua is God. Next. *He died for us, he saved us.*

No, I'm asking you for the meaning of the word God. *Oh, ok.* Ruler is one of them. So Yahshua is God. Go ahead. *Ok. Almighty, all powerful?* Ok then. He's definitely powerful, he's definitely mighty. Actually the word God does mean mighty, the word El means mighty, so he is God. Next. *How there are also other Gods.* Absolutely there are many Gods. So Yahshua is God. *Ok.*

I'm trying to teach you. Yahshua is God if God means "el". The Hebrew word El which means mighty. Ruler. He's mightier than me and you, right? He's divine. Does God mean divine? Yes. So he's definitely God. Alright. *But not coequal.*

But here's the problem. When people say the word "God" — in their psyche, in their mind, they're actually saying "the Creator". And no, Yahshua is not the Creator. *Right. That way no.* Ok. So that's why with my antagonists, I drive them crazy because they can't back me in a corner...*well you don't believe Jesus is God!* Yes I do. *Well you said...*what did I say?? I don't believe he's Yahweh. I don't believe he's the Creator, but he's definitely God.

Why? Because Satan is a god as well. *Exactly, he does call himself that.* The Bible calls him a god. Why? He's mighty. Satan is mighty powerful. Don't ever underestimate, he's one of the strongest angels in the army of Yahweh. He is a god. Why do you think the second commandment — you shall have no other "gods" before me? There are plenty of gods.

So if you say...do you believe Yahshua is God...absolutely, and it drives people crazy because they know I don't. Ha, ha! But don't let them back you into that corner. If someone asks you that question, say...well, what do you mean by God? And just watch them. *Well, you know what I mean—God.* No, I don't know what you mean, you need to explain to me, what do you mean God?

Do you mean...is he divine, much higher than me? Oh, absolutely. He's God. Do you now believe he's got eternal life and he's an eternal creature? He's God, I agree. But if you're asking me...do I believe he's the Father? Do I believe he's Yahweh? Do I believe he created all things? No. Here oh Israel, the Lord our Yah is One, and he created all things, and his glory he will not give to another, no one else besides Yahweh.

*Uh, what I always believed besides that teaching, is that Yahweh is the Creator, and he's the Father.* That's correct. *And Yahshua is our savior, redeemer.* That's right. Our Messiah. *What about a Holy Spirit?* Now you're making me teach all over these lessons I've taught so many times, I'm so sorry. I'm going to be here all day if I do. Here's what I'll do. Let me get you the lessons that teach all of that. The Holy Spirit—what it is, what it's not.

Let me tell where all of our confusion comes in. It comes from the Catholic Church that has God the Father, God the Son, and God the Holy Spirit, ok? Well if they would've never created that formula your mind wouldn't be so messed up. Because for 4,000 years there was no such terminology as God the Father, God the Son, God the Holy Spirit. No, no, no. The Catholic Church created that verbiage. Before that there was only one God. And he would send his son. And not one time did he ever call that son "God the Son". He called him "the son of God".

That's where our confusion comes in. God the Son. No, he's the son of God. Brothers and sisters, Yahshua is God by this virtue. Listen. If a dog has a baby, that baby will be a what? A dog! If a cat has a baby, that cat by virtue of it's birth will be a what? A cat. If a God has a child, and that child is born in the resurrection, that child by virtue of it's new birth will automatically be a what? A God. Dogs have dogs. Cats have cats. Men have men, and Gods have gods! It's that simple.

There are many gods, but Elohim is Gods aplenty. The angels are gods. Why do you think the Bible said have no other gods? They were worshipping angels as Gods. So don't come at me...*well you don't believe Jesus is God.* You don't know what I believe because you won't sit down and shut up long enough to listen. I believe that Yahshua is Elohim, not Yahweh. Learn the difference in Elohim and Yahweh, and all your confusion goes. So sister, here is the question we need to

ask: *Pastor Vaughn, do you believe Yahshua is Yahweh?* No I do not. *Do you believe he's Elohim?* Absolutely.

Now you've got to know what Elohim means, right? So watch the video on Elohim\*. So sister, watch that and all of a sudden you'll know why we believe Jesus is God, and yet we don't believe it. Ha, ha! Amen. Listen saints, if you want to get rid of all the confusion, start using proper names instead of the word God. God is generic, it's deceiving. *You believe Jesus is God?* I believe Satan is God. Next? Amen? We believe Satan is god! Ha, ha, ha! Ignorance, pure ignorance.

And I'm sorry, I won't be held to your level of ignorance. I will not be. I will teach you. I will teach you that Satan is part of the Elohim. He is part of the divine beings. And so is Yahshua.

Brother, go right ahead. *If I'm understanding this correctly, you're telling us that, once the great white throne judgment has occurred, we return to a garden of Eden where Yahweh walks with us in the valley as he did with Adam.* Brother the word is RESTORATION. What does restoration mean? It has to be put back like it was. Hallelujah. Amen. Thank you brother.

Sister, go ahead and then I've got to get back to the lesson. *This is a discussion that I've had. Do we worship Yahshua?* Excellent, ok, great question. The video is on FHTV. Who Do We Worship Yahshua or Yahweh\*\*. Amen. You all, the answer to every question, I've built you a storehouse over ten years. Yahweh had me build a silo and stocked it with this message. When nobody was listening. Hallelujah. And now I know why he did, so all these questions could be answered.

So sister, that is an excellent question. Let me just say this. I can show you in the scriptures where they worshipped David, I can show you where they worshipped Moses. Not with Yahweh's glory, but as a ruler, as they gave obediencence. You know, if I saw the Queen or King of England, I would bow. That's a form of worship. I would never bow to a man. Go read your Bible. They did it all through the Bible. They understood the proxies of Yahweh. They understood they were worshipping Yahweh by worshipping his proxy. Oh wow. Amen. Amen.

Ok, where are we even at on the Divine Mandate? Lord have mercy, you all took me down ten rabbit holes. Hallelujah. And I jumped in every one of them so willingly. Ha, ha! Amen. Alright!

\*[firstharvest.tv/video/1510](http://firstharvest.tv/video/1510) "The Meaning of Elohim"

\*\*[firstharvest.tv/video/1430](http://firstharvest.tv/video/1430) "Should We Worship Yahshua or Yahweh?"

Let's pick back up there and keep reading. Finish it out where Yahweh becomes all in all. In the book of Yahweh.

**1 Corinthians 15:28**

**When He has done this, then the Son Himself will be subject to Him Who put all things under Him, so that Yahweh may be acknowledged as the Supreme Head over all.**

There you go. The supreme head. Now do you all know why in our church services we give so much glory to Yahweh? Do you see now why it's all Yahweh? Because we're just doing what we're going to be doing for all eternity, making him the supreme head of all things. Now, we give honor and reverence to Yahshua. We give him glory as the Messiah, but not as Creator. Not as our Creator. Amen.

Alright, why do we have a dominion mandate? The answer's in Romans 8:21. Why must there be a people who carry the dominion mandate? It's for this one purpose.

**Romans 8:21**

**Because the creation itself will also be delivered from the bondage of corruption into this glorious liberty by the children of Yahweh.**

Did you hear that? Did you hear BY THE CHILDREN OF YAHWEH? All of creation is going to experience the same freedom that we now have? Do you know what? I can tell nobody understands that by your response. I tell you that scripture does something to me. It reveals to me my mandate. My mandate. Hallelujah. Do you all understand that you, not Yahshua, is going to set creation free? Now you might want to get free from things. Hallelujah.

Do you now see that you might want to get free from your pornography? You might want to get free from your temper, your bullying people, your stubbornness? You see now why? You know why you might want to get free. Because all of creation is waiting for you to get free so you can set them free. Oh my Lord have mercy.

So my question is...why were you going to heaven again? Amen. Why were you going to heaven? I don't get it. If you're going to set all creation free, you can't do it from heaven because creation is on the earth. Let me show you when that's going to occur. Let's go to Daniel 7:18-27.

(see next page)

**Daniel 7:18-27**

**18 But the saints of Yahweh will take the kingdoms by force, and will possess the kingdoms forever, yes, forever and ever.**

I thought Yahshua was going to do it. Not what it says there is it? The saints will take the kingdom.

**19 Then I would know the truth of the fourth beast, which was different from all the others, exceedingly dreadful, whose teeth were of iron, and his claws of bronze, which devoured, broke in pieces, and trampled the residue with his feet,**

**20 And of the ten horns that were on his head, and of the other horn which came up, before whom three fell the horn that had eyes, and a mouth that spoke very great things, whose look was more stout, more mighty and imposing, than his fellows.**

**21 I behold, and the same horn made war with the saints, and prevailed against them,**

There's a little horn (and I'm not going to teach on that little horn today, I don't have time; I'll do it when I get into Daniel), but there is a little horn that's going to make war with the saints. Why is the little horn making war with the saints? Why not make war with Yahshua, or Yahweh? Because he understands the dominion mandate has been passed down to the saints, or the house of Israel.

**22 Until the Ancient of days came, and judgment was given to the saints of Yahweh, and the time came that the saints possessed the kingdoms.**

**23 This is what he said, The fourth beast will be the fourth kingdom upon earth, which will be different from all other kingdoms, and will devour the whole earth, and will tread it down, and break it in pieces.**

**24 And the ten horns out of this kingdom are ten kings that will arise, and another will rise after them, and he will be different from the first ones, and he will subdue three kings.**

**25 And he will speak great words against Yahweh, and will wear out, mentally attack to cause to fall away, the saints of Yahweh...**

How's he going to wear the saints out? Well first of all this little horn is different than the other world kingdoms because he's a religious leader. His name is the

pope of Rome. And this little horn is going to wear down the saints—the true saints, the overcomers, the manchild. How's he going to do it?

First of all, he's going to change their Sabbath. That's the first way he's going to wear us out, we're going to get tired of fighting for the Sabbath. We're going to get tired of standing up against his Sunday law. We're going to get tired of fighting against his Trinity. Do you all know how much easier it is to be Trinitarian? Do you know how much easier, you've got to explain nothing. Yeah I believe God the Father, God the Son, God the Holy Spirit...whew hallelujah, baptized in the name of the Father, Son, and Holy Ghost, I'm good.

Do you know the battle I'm in wears me out night and day? Do you know I go to bed at night at 4 in the morning from trying my best to teach one more person against that Babylonian system? It's a battle that wears me out. Standing against the lies. It's the same thing with the Trump deal. I have to battle the lies daily, and it's easier to go with the mainstream media because everybody believes that. It's easier to go with the pope. It's easier to go with Christmas. This other stuff wears me out!

Do you understand? That's his job. Don't you understand that was prophesied by Daniel that he would wear all of you out? Oh not all of you, there'll be a remnant. But his job is to wear all of you out by changing what? The times, the feast days and the laws. This religious leader's going to change your Sabbath days, your feast days, change all of this and wear you down by doing it. There'll be hardly anybody left that cares. They'll say....alright, fine, let's just go with it, put up a Christmas tree, I'm done, tired of fighting. And therefore, that was prophesied.

And it's the same thing with Donald Trump. Do you know all these patriots at the beginning, in 2020, was hoo-rah-rah-rah—where are they at now? They're worn out. They don't even watch my show anymore. They're wore out! Why? Satan knows he can never get you to turn from God, but he can get you to turn to the wrong God. He can get you to wear out by changing times and seasons. This little horn is not going to make you backslide—he's going to make you tired.

*“Did God really say?” That's what he's going to do. Did God really say it? Go ahead sister. He can try to. It says he intends to. It doesn't say he does it. Well he does the majority of the true saints. And then we're going to find out when we start to get worn down, then we're going to find out...oh we've been fighting in the flesh. Oh that's the problem. That's correct. Ok, now let me start fighting by the Spirit and he's no match for us.*

Amen and we get to that in the next few scriptures. But I'm trying to pause at this point where we are in church history, what he's done for 2,000 years. He's worn

down to where only ones left will be those—see Yahweh has to let him wear us down to see who's got fight left in them.

Sister go ahead. *Mine says times and law, so does that mean the Torah?* Correct. The Torah and the seasons in the Torah. Everything in the Torah he's going to change. And do you know what sister? I don't know. Maybe you all grew up in a different world than I did, but 30 years ago, 20 years ago, I never even heard the word Torah. I grew up in church all my life and I never heard the word Torah ever. And now you're hearing it everywhere.

That's because for 2,000 years Satan changed the Torah, wore the saints down, and Yahweh has sent a supernatural restoration of strength to his end-time saints to get back in the fight. And to fight for Torah, and to fight for truth. Amen? *And the ten commandments—do you ever think about the ten commandments, and what's the first one, do you know? Say it. That's where he changed it to the Trinity. So it's like the ten commandments have been totally corrupted.*

And do you know what? Actually I think the Catholic Church literally changed the ten commandments to the nine commandments if I'm not mistaken. But that is this little horn. Notice what it says about this little horn. It's not like those ten kings. In other words, it's not a government leader, but it is a religious leader. Keep reading to verse 27.

**...and think to change times, Yahweh's Feast Days, and Laws, and they will be given into his hand until a time, and times, and the dividing of time.**

Alright, see that's just what sister said. These saints will be given into his hand (the pope of Rome) for times, times and half a time (1,260 years). If you'll trace the start of this little horn, it's comes to about 3 to 400 years after Christ died. And if you add to that, it brings us right up to where restoration begins with the pilgrims. Do you all know who the pilgrims were?

I just watched a movie on Netflix, there's two parts of it. The title of the movie is Saints and Strangers. It is the story of the pilgrims. Ironically, the pilgrims, there were 40 of them, the number of testing and trial. But there were 102 people on the Mayflower which is the number 12 if you take the zero out. Now what's so interesting is of those 102 people, only 40 were saints. The others were strangers or sinners, ok?

Half of those other people, 62 people, came over here to find money, treasure. The 40 came over to establish the kingdom of God. Now they, in that movie, I was blown away because it was everything that I teach! In that movie, the 60 sinners

who were with them are celebrating Christmas. They got them out there celebrating Christmas. They've got them out there celebrating Christmas and they're watching the pilgrims out there plowing the fields. They say...why are they working today it's Christmas. And the governor said...they don't celebrate Christmas. Ha, ha, ha! And I thought amen, that's what I've been teaching all this time.

It was illegal to celebrate Christmas in the United States of America when the colonies were set up by these puritans, by these pilgrims. So anyway, that is the church and it's going to come under that little horn's control for a certain amount of time. But read the next one.

**26 But the judgment will sit, and they will take away his government, to consume and to destroy it completely.**

Listen. But the saints are going to rise up and take away his government out of their life. This little horn. They are going to rise up and take his Sabbath and hand it back to him. They're going to take his holidays and hand them back. They're going to rid from their throne Zeus. They're going to rid from their throne Odin. They're going to rid from their throne Baal and Osiris.

They're going to rid from their throne themselves and the saints will rise up against the power of that little horn. That's what sister was just saying. He will not wear out those that have the dominion mandate. He will wear out the church but not the manchild. Oh hallelujah! The manchild will be born and take his government away! Glory!

He is the beast that gives power to the antichrist, that religious system. You have the mark of that beast if you're under the control of that system. But when something wakes you up to your dominion mandate, you will rip his government from your mind and take his mark off your forehead. Amen. Hallelujah! Oh that's all prophesied to happen in the day you're living in.

**27 Then the kingdoms and governments...**

Then—when these people rise up, the feet of Yahshua. When those with the dominion mandate rise up, tell me what's going to happen.

**...and the greatness of the kingdoms under the whole heaven, will be given to the people of the saints of Yahweh, Whose kingdom is an everlasting kingdom, and all governments will serve and obey Him.**

And why were you going to heaven? This is your mandate. All governments of earth will bow down to you, they will serve you. See, there we go. They're going to bow down to us? Yes. Isn't that worship? I thought worship only goes to Yahweh. Who do you think you are? You are the "made in the representative image" of Yahweh! My, my, my.

That's why I don't mind giving worship to Yahshua and to Yahweh. Why? He is the representative governor of the kingdom of Yahweh. When you've honored the governor, you've honored the king. When you honor the prince, you've honored the king. When give all honor to Yahshua, all glory to Yahshua. Why? Because he earned the right to it because we know he turns around and gives that glory and that honor to his Father in heaven! He doesn't hold it to himself. Hallelujah.

I can give it to Yahweh through Yahshua, and it'll go right to the Father in heaven. Why? He passed the test. He would not keep that glory for himself. One young man said...good master. And he said...hey, hey, hey, there's only one who's good and it's my Father in heaven. Glory. Oh I feel the Holy Spirit. Hallelujah. Glory, glory, glory. Yahweh's revealing your mandate to you beloved.

Your destiny's to rule the nations. That's why you've got to rule yourself. Next time I'm going to start on that next part. I'll start on part six and it's going to blow your minds what Yahweh has planned for you. I'm teaching you the dominion mandate today, and if you'll ever get it, you'll treat people right. If you ever get it, you'll love the unloveable, you'll help the unhelpable. You will love his creation.

### **Daniel 12:7**

**Then I heard the man clothed in linen, who on that future day is teaching, when he held up his right hand and his left hand toward heaven, and vowed by Him Who lives forever, that, It will be for a time, times, and a half, when Yahweh will have accomplished pouring out His power through His holy people, all these things will be finished.**

Did you hear that? Yahweh is going to accomplish his work through his holy people. Not all people. His holy people. His set-apart people. They're so set apart they keep a weird Sabbath day. They're so set apart they keep weird holidays. They're so set apart they don't eat like the world, they don't dress like the world. They're literally SET APART PEOPLE. And that's who Yahweh is going to rule through. Brothers and sisters, that is the dominion mandate.

## Let's break down this mandate's meaning...

Now, let's break this mandate down shall we? Let's look at some meanings of words.

### Image

Adam was made in Yah's "image". The first we're going to look at is IMAGE. Genesis 1:26. "Let us make man in our image". This word image is the Hebrew word **SELEM**. Now out of all the meanings, it comes down to this: a shade, a phantom, an illusion, a resemblance, hence a representative figure or an idol. Now this is very important because Adam was literally made as a phantom. What does that mean? What you see is not what you see. It's an illusion. Come on now. You think you're looking at a man, but you're actually looking at the very image of Yahweh himself. He is a representative of figure, therefore, he can be made an idol.

Literally he is a representative, a phantom. It's like this: In the ancient days the king of England would send a representative to his wedding to marry his wife in his place. If you're not careful you would think the bride was marrying the man that's standing beside her. No, no. But the man standing beside her is a phantom, an illusion. Because the man standing beside her is the king. If you ever understand proxy, regency. You need to understand power of attorney. You need to know what that means.

If one of your family members has power of attorney, what does that mean? They literally turn into you. They literally can sign like you are signing. A man, Adam, was not a man. Adam was an illusion because when you were looking at him you were looking at the official representative of Yahweh himself. That's why I tell you to discern the body. You better look at these people on your screen right now. You better know that's all a phantom. Oh hallelujah. You better know these are not what you think they are. They are carriers of the dominion mandate. And that's why the Bible said that it's better to have your neck hung about with a millstone and thrown into the sea than to hurt one of these!

That's why the Bible said speak no evil against the king. Because that's not a king. That's authority and all authority comes from Yahweh! You see, this ministry will teach you to honor men. Oh yeah. Why? We understand it's a phantom darling. *Oh well that's just pastor Vaughn.* You better know better. You better know better! You better know that this fat boy is not who you think he is. Oh, no, no, no, no. What I represent is an eternal kingdom and when I speak on behalf of that kingdom, I'm no longer who you thought I was! Hallelujah.

That's why we need to speak gently to one another. We need to understand who each other is. We carry a dominion mandate and you think you're looking at little sister so-in-so. You think you're looking at this one sister or that sister. But you're not looking at them. They are an illusion. You are looking at what they represent and who they are in God. That's why the Bible said touch not mine anointed, do my prophets no harm. Some of you have no problem running a preacher down. Do you know why? Because you're dumb. I said you're as dumb as a box of rocks.

You have no problem running a man of God down you know is anointed of Yahweh. Do you know why? You are dumber than dumb. You're like a jackass snorting in the wind the Bible said. You don't know your head from a hole in the ground. You have no honor for holy things. Oh no, that man's not holy. But that man's just an illusion. Yahshua—why do you think he said when you've seen me... I'm just a phantom, I'm just an illusion. When you've seen me you've seen the Father. Hallelujah!! He said...what, have you been so long with me that when you look at me you don't know that when you've seen me you've seen the Father?

People try to take that verse and try to make it say that Jesus said he's the Father. No, Jesus is saying that I'm an illusion. I'm the image of the invisible God. But I'm not him—I'm the image of it. Oh my, my. I hope your spirit-minds are opening up and seeing what I'm trying to teach you today. You don't realize who you are. When you look at sister so-and-so, you just see good old sister. Oh no! That's an illusion! Glory. Glory, glory, glory. Somebody say I know who I am in Yahweh. Hallelujah. Glory! I know who I am in Yahweh. And if you know that then the devil can never wear you down. Did you hear me? I said the devil can Never. Wear. You. Down.

Look, I fall asleep at 4 in the morning only because my eyes won't stay open any longer. And I wake up four ours later ready to do it again. Why? I know who I am. I get three hours of sleep every night. I know I've got work to do! I'm going to die one of these days, this body's going into the ground, I've got to get the entirety of this message out to the world before I leave so therefore I'm not worried about anything because I know my job isn't done yet. Hallelujah. We've got work to do saints. Hallelujah. We've got work to do!

Now that is why...have no other Gods before me. Because here's what was happening. The people of the world were taking those angels that were illusions of Yahweh, and because they didn't know the difference in the illusion—they thought the illusion was the real deal, and they turned them into Gods of worship. Instead of worshipping Yahweh through Yahshua, they were turning Yahshua into Yahweh. You didn't hear what I just said. Hallelujah. Hallelujah.

Do you understand what Yahshua was saying when you pray, pray to our Father, but do it in my name? Do you understand what he's saying? Don't mix me up with him! Do not turn the illusion into the God. And no, don't talk...good morning Holy Spirit. Benny Hinn wrote an abominable book when he wrote "Good Morning Holy Spirit". Now the sad thing is the Holy Spirit is Yahweh, but you've renamed it and you think it's the feminine side.

Listen there's a big feminine movement—that's the feminine God. Listen! You don't know your head from a hole in the ground. Yahweh is the Holy Spirit. Don't turn the Holy Spirit into a false idol. And don't turn Yahshua into a false idol. You shall have no other "Creator" God beside me. He's a very jealous God. I said he's a very jealous God. Every other ministry out there focuses on Holy Spirit. This one focuses on Yahweh. Amen. Hear O Israel, he is ONE.

Sister your hand is up. *If I'm separated in prayer from Yah right now because of conditions, does that separate me also from the Holy Spirit because the Holy Spirit is of Yahweh?* Well, first of all sister, you can never be separated from Yahweh so I'm not sure what you mean by that verbiage. *My situation, the strife. He doesn't hear my prayers because of my situation. He's not listening to me right now.* Ok. Well, there's Bible for that, I don't know your situation so go ahead.

Are you living in open rebellion to Yahweh? *I don't try to.* Ok. Then you're not separated from him. The only thing he said you're sins have separated you between you and your God, your commandment-breaking. But if you're doing all you know to do and you're walking in truth, then I just don't believe you're separated from Yahweh. *Alright, it's difficult to explain.* Ok. *Ok, I'll just leave it.* No, no, I mean I want to help you. But I think I can help you by just telling you that you need to tell yourself that that's a lie of the enemy in your mind that you're separated from Yahweh because I just asked you are you living in open rebellion and you said no. And if that's the case then that's a lie.

You are not separated from your heavenly Father, You can pray to him in the name of Yahshua, and the Bible said if you believe when you pray then I'll hear that prayer. So you've got to change your belief from 'he's not hearing me' to 'oh he's absolutely hearing me' when I pray. And so when you believe that, it will change your prayer life. So I hope that helps you sister. But what I will do is I will pray for you today after class that the Father would remove that lie from your mind. That the Holy Spirit would give you that power to believe. Amen?

Yes sir. *Pastor can I give her a verse that might help her?* Yes go right ahead. Paul said in Romans 8:38-39...

**For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, nor height, nor depth, nor any other creature, shall be able to separate us from the love of Yahweh, which is in Yahshua Messiah our Lord.**

Come on now! That's the word right there. Nothing can separate us. The only thing—notice what he didn't mention was rebellion. That's the only thing that separates us from our God is open rebellion and defiance. Amen.

### Likeness

Let's look at the word *likeness*. Made us in the likeness. Let's see what LIKENESS is.

*Pastor I wanted to ask you something about what the last lady was saying. I've heard you say that if our husbands, as pertaining to obedience, are not where we are...this is the way I heard and understood it, that our prayers are not heard and answered.* No, no, no. You misunderstood. Let me explain it. Your prayers are hindered the Bible said if you and your husband are at odds. In other words, if you're being defiant and hateful, disobedient and rebellious to your husband, then you have misunderstood his position as head of the home.

And therefore you go and pray to God while being in rebellion, then that will hinder your prayers. *Then what if he's not obedient per se and not stepping up, and I want to, for example, I want to be obedient and I try to be a good wife and I'm not in disobedience and he's not going to church or trying to learn the word.*

Well I'll read you what Peter said in 1 Peter 3:5-7. This is an interesting set of scriptures.

#### **1 Peter 3:5-7**

**5 For after this manner in the old time the holy women also, who trusted in God, adorned themselves, being in subjection unto their own husbands.**

**6 Even as Sara obeyed Abraham, calling him lord, whose daughters ye are, as long as ye do well, and are not afraid with any amazement.**

She called him Lord. He said you're Sarah's daughters. You're not Hagar's daughters, you're Sarah's daughters.

**7 Likewise, ye husbands, dwell with them according to knowledge, giving honor unto the wife, as unto the weaker vessel, and as being heirs together of the grace of life, that your prayers be not hindered.**

So what he's telling husbands...husbands, if you're not honoring your wife you're not allowed to pray, your prayers will be hindered. If you're not treating your wife as the weaker vessel, don't come talk to me. Talk to your wife. So let me go and read another scripture to you about your husband and in this particular situation you're in. 1 Peter 3:1-2.

**1 Peter 3:1-2**

**1 Likewise, ye wives, be in subjection to your own husbands, that, if any obey not the word, they also may without the word be won by the conversation (conduct) of the wives.**

**2 While they behold your chaste conversation (conduct) coupled with fear.**

Let me break that down for you. If you have an unbelieving husband and if you will live according to Yah's word in front of them, they will not even need to hear me preach. They will hear me preach through you. And you obey them. Now there's a fine line. If they tell you to go murder someone, you're not going to obey them, right? If they tell you to violate Yahweh's law, then they have no legitimate authority there.

But if there the kind of husband that says...*hey, I love you, I honor you, I don't like your religion, I don't like your preacher, I don't like what you're learning. I don't like any of that, but do you know what? I love you. So here's a deal. You do you and leave me the heaven alone.*

Ok? Alright. At that point that's ok. At that point a good wife says absolutely Lord. No I'm kidding! Ha, ha! She's says absolutely sir. And she does what? She begins to live in such a way that he notices it. As a matter of fact, a sister is here right now. Her husband refused for her to pay tithes on his money. Sister felt like she was obeying Yah by slipping around and sending the tithe, ok? We told her to not ever do it again. Pay tithe on your money, but if he tells you to not do it on his, then you have to obey your husband because that's not your money, you know, if you all set it up that way.

So, sister, tell us what happened right after that and maybe this will help this sister. *Ok. What happened was I had my Social Security check that I pay tithes on, but my husband said...we're one, we're married, we need to put the money together. And I thought well, yeah, I didn't think tithing was up for discussion*

*because I was obedient in every other way. But then pastor said to not send any more money without his approval, without his blessing. And I thought...I'm torn between pleasing Yahweh and pleasing my husband. And that's a miserable place to be as a believer.*

*But, it came to me through pastor's teachings that when I obey my husband, I am pleasing Yahweh. Amen. Because your husband represents Christ. That's right even if he's not acting like Christ. Even if he's not acting, Christ is behind him and you are obeying your husband in it because you see him as the head. And the wife represents the church. It says we're to obey our husbands in every thing. And the other thing it says is obey your own husbands, you know, whoever you've become married to.*

*This is part of our test, part of our training and it encompasses all of it. When my husband says ok you're really going to let me be the head? I mean I was independent and took charge of everything. And he let me. But when I lined up in divine order, it's hard to explain it. But it was such a peace that came into our home. And he said to me...I'm going to let you give \$50 a month until we get back on our feet, straightened up with our finances. "I'm going to LET you give \$50 a month". Pastor I'm saying I'm giving this with my husband's blessings!*

*Amen. So now she's allowed to give. Hallelujah! And that's going to be better because we're going to get blessed financially. It's a seed. That's correct. But the important part is the harmony in the relationship.*

Now let me follow up sister. I want to make clear to all because we have a lot of ladies in your situation, they're all watching right now, listening. I want to clear something up. If your husband is a tyrant, if your husband is ungodly—I don't mean he doesn't go to church. There's a lot of good men who don't go to church. It doesn't mean he doesn't pay his tithes, but he says honey you can pay your tithes. That's a good man right there. Ok?

If you've got a good husband, most the time you can reason with them, you can make deals with them. You can say honey I'm willing to submit. Please don't ask me to violate my conscious towards God. Even the United States government is not allowed to make me violate my conscious. This is my conscious. You're asking me to love you more than my Father in heaven. And if you get in a situation where that man says...no, you're going to deny God....well ok now, you're putting me in a position to follow pastor Vaughn's other teaching on divorce and remarriage.

Uh huh. Now you're making me cross a line that I'm not willing to cross for you or anybody. And that is love for my God and I will never. So if a husband says

you're going to deny God right now or we're not going to be married, well bye-bye buddy. Ok. In other words, I'm not going to live in rebellion to you, I'm just not going to let you be my husband, we'll divorce and then I'm free from that bondage and I'll serve the Lord.

*So my question to you is about our prayers being hindered because my husband's not a bad man. Actually he likes that I'm tithing. He likes, should I say, that we are tithing. He likes that I do that. He just isn't where I'm at. Yes ma'am. As long as your doing all you know to do your prayers will not be hindered sister. Let me explain like this to everybody and help break it down.*

If the president of the United States of America told me...*alright Mr. Vaughn I need you to turn all your weapons in.* Well, I'm supposed to obey them that have the rule over me, right? Ok. But Mr. President, you sir, are out of line because the same law that makes you the president—the Constitution—that gives you your presidential power, told me that you could never take my guns away from me. So at this moment I'm gong to rebel, not against legitimate authority, but false authority. That's why I've stood up against Joe Biden's for three years. He's not a legitimate president. It's a fake presidency.

So, therefore, when we know that a husband and wife gets outside of their legitimate authority, then we're completely ok to say no. In other words, I'm your pastor. According to the word, I have the rule over you all. Now what does that mean? No, it doesn't mean I'm a cult leader. It means I have the authority over the church in the place of Christ.

But, what if I got up today and said...*alright brother Joey, you're going to take my wife, I'm going to take yours, and then we're going to add three more to it, hallelujah.* Now you're supposed to obey them that have the rule over you. But I've went outside of the Bible. I've went outside of the same Bible that told you to obey me I'm not even obeying. So now I'm outside of my legitimate authority. All my authority as a pastor is granted by the word of God.

If I get out of the word, I have no more authority over you. Because it's not me that has the authority, it's the word that I preach, alright? So sister have no fear darling, keep praying. *Thank you pastor.* Alright. Bless you sister.

Alright, let's continue. Adam was made in the likeness. That Hebrew word is **DEMUWTH**. And that means "in every way just like God". That's why we're creators. The family business of the God-family. By the way, if you don't know

what I mean when I say the God-Family, go watch my video on the Elohim.\* The God-family has a family business just like the Brown family has a funeral home business. Just like the Smith family has a hardware business. That's the business of the whole family. The Kneppers have a water business. The whole family is involved in the water business.

Well, the Elohim has a family business. Creation. We're the only creatures of planet earth that can create. We can put a building in our brain and have it created the next day. Why? We're made in his likeness. His image looks just like him. His image is his representative, his likeness. We're like him in every way. Yahweh looks like a man! I don't know why people have a hard time with that.

He's not the Holy Spirit out there just scattered throughout space—watch him on Star Trek—blobs speaking from the dark void. That's how we think of God, Yah. But he looks just like us! And no, he's not invisible except to those in this slower dimension. But when we get into that faster dimension and time speeds up and we move out of that continuity of time, then you will see him face-to-face the Bible says.

So what does that prove? He's got a face. And so do you! He said Yahshua is sitting at his right hand. So that means Yahweh has a right hand. And so do you! He's not like a bird. He's like a man. He is spirit-man. Not flesh and blood, but spirit-man. But it looks the same. Just like superman looks just like you, but he's divine. He cannot die, he cannot bleed. It's the same thing children. And I'm a million miles off my subject.

He was created to subdue the earth, or the land. The word subdue is the Hebrew word **KABASH**. It means "to bring into bondage, keep under, force". That's why I weep when I see an addicted man. Because a man that was created to bring things into bondage has been brought into bondage himself. The dominion mandate tells you to subdue, to bring everything in your life, in your mind...why do you think the Bible says casting down evil imaginations? Bring it into bondage.

You were created to bring everything into bondage! You were created to control. People say...pastor Vaughn loves to control...yes, it's what I was created to do, I'm a control freak. *Creation means you have control and control means you have dominion*. There you go, bingo brother. If you have the dominion mandate, you're a control freak. You control your appetite, you control your sex drive, you control your language, you control your emotions. I'm a control freak.

\*The God Family Revelation, [firstharvest.tv/video/1899](http://firstharvest.tv/video/1899)

*Amen pastor.* You control your addictions. You control how you let people affect you. Just like this week. Do you all think Tim Grier really affected me this week? You all sending me all the stuff he put on social media. He's back on me now, he's done with Greg. You all think I care? *I know you don't because I know who you are.* I don't want to see anything. I don't want to know! I've got work to do. Do you think I give a care? I mean it when I say that I couldn't care less. Not that I'm being rude, I'm a control freak.

I have to control my responses, so, therefore, I control what I see so I won't respond, you see? Amen. Control what you're hearing, control what you're seeing, and then you can control what you're saying. We all need to become Kabash, bring things into subjection. Subdue those things.

That gossiping tongue you've got that's subduing you...you were created to bring under subjection. Bring it into bondage. That quick temper? Listen. I've let some of you by with saying this and I shouldn't. When you get around me you think you're being cute—*well that's just the way I am.* The way you are won't work in the kingdom.

*Well that's just who I am.* Well, you've got to die. You've got to die. We've got to bring forth someone with a dominion mandate. Husbands who can control their anger towards their wives. Women who can control their rebellion toward their husband. Let me tell you something. No, oh Lord. Ok I'll do it.

Listen. When you can't write a tithe check, you have no control over your finances. You're in bondage to your money instead of you bringing your money into bondage to you. If you're not a tither, you have no control over your money. If you're cheating on your tithe...tithe is 10%. And look, I never talk about it because I hate when people say I'm in it for the money.

But I have to tell you that the tithe belongs to the Levite, it belongs to the worker of the temple. Those tithes don't belong to you. If you don't have the ability to get rid of them, you're under bondage. Someone said going back to the tithe is going back to bondage. No, it's setting you free from bondage. It's literally you bringing your money into bondage. Amen? Not letting it control you, but Kabash.

Now let's look at the Greek word for subdue. You were created to subdue. Now that also includes government over other men. Any man that's not a child of Yahweh you will govern, you will rule. The Greek counterpart for Kabash is **ARCHETE**. It's where we get the word archetype, its where we get archangel. It's where we get any word that starts with arch. It means "to be first, to begin, as leader to be first, to rule". So you were created to be first, to start, to lead. You were created to lead. Amen. Alright I've got to move along quickly.

## How Was Adam to Rule?

By complete obedience and submission and transformation into the complete image of Yahweh filled with two things: Authority and Mercy. He was created to judge. He was created to rule. The RIGHT TO RULE and the understanding of true authority.

The authority to rule is earned and not granted.

Leadership is the right and the power to serve—not to be served. Anyone who does not have the spirit of Yahshua—do you know that the only time that a pastor abuses his authority over a church is when he forgets that he's the chief servant of the church. All the elders of this ministry—can I tell you, they were not chosen to be elders because they were to be better than any of you. They were chosen to be elders to serve you. They were not granted some high position. They were made official servants of the church. Literally.

They answer the phone when you call even when they say...oh God she's probably got the same problem again. Hey! Hallelujah! But we serve. We serve. We serve you in prayer. We pray for you everyday. We serve you in the word. These elders are your servants! I am your servant. I wake up everyday to serve this ministry.

Let's read about true authority in the dominion mandate. *Oh ok I've got the dominion mandate, I'm ready to rule!!* No, you're ready to serve. And that's why everyone that moves to First Harvest church at headquarters—some of them get so disillusioned because we bring them out to the ranch and give them a shovel. We bring them out the ranch and give them a paintbrush on a hot day.

Do you know why? The first lesson we teach here is service. That is the lesson of the kingdom. Our women that want to come here and be superstars, they wind up as cooks in the kitchen. Anyone who wants to come here and be all that, you're going to wind up being nothing. It's those we're trying to teach how to serve your brothers, your sisters. Do you all know that this local church serves all of you every feast day? Do you know the work they put in? Oh my God, if you only knew how tired they are when they go home at night from making sure that you are royalty while you're here. Let's read.

### **Matthew 20:25-28**

**25 But Yahshua summoned them, and said, You know that the rulers of the Gentiles exercise control over them, and they who are greater still exercise authority over them.**

**26 But this must not be so among you, for whoever will be great among you, let him be your servant.**

**27 And whoever will be first among you, he must be your slave.**

**28 Just as the Son of Man did not come to be waited on, but to serve, and to give His life as a ransom for many.**

Amen. That is true authority. When you learn that lesson you are ready for your dominion mandate. Let me tell you. I want to show what being a slave and a servant looks like. Now Toto is a public figure and a star in the MAGA world, ok? For two years when we were having a Toto retreat, if you'll remember at the beginning of the meeting, they would hoopla it up and we would have a grand entrance, you know, as professor Toto. The pastor Vaughn in me always hated that. But it's part of the event.

But the minute we changed it to the Feast of Tabernacles, I told everybody that ends because I'm not a star in the church. In the church I am a slave. I'm a servant. That's why last year we didn't do, you know, that grand entrance because I don't believe in grand entrances. I believe we're servants. I believe we're slaves. And yes we honor those servants and we honor those slaves, but those slaves aren't to honor themselves.

Elder, if someone forgets to call you an elder, get over it. Amen? If someone forgets your title, at the end of the day, you're their servant. Amen? That's their dumbness for not using the titles that you've earned. But you should never get hurt or upset at anyone who forgets your title. Amen. Amen.

### The Mandate is Passed Down

**Psalms 8:4-6**

**4 What is man that You are mindful of him? And the son of man, that You visit him?**

**5 For You have made him a little lower than the malakim (angels), but You will crown him with glory and honor.**

**6 You made man to be the ruler over the works of Your hands, You will put all things under his feet.**

Wow. That scripture just hit me in my stomach. You have created man to be the ruler over the work of your hands. That is the Dominion Mandate. This church, First Harvest Ministries, is the work of Yahweh's hands. He chose a man to rule

over it. Do you see that? He crowned man to rule over the works of his hands! That's why the Bible said give honor to whom honor is due. And those that labor in the word, the Bible says they are worthy of double honor. Why? Because the Word is the work of Yahweh's hands. And those who are giving you that word the Bible said they're worthy of double honor.

I watch people mistreat the men of God so much, and I look at them, and my heart breaks. They don't understand that God has made that man the ruler over Yahweh's work. David said...who is man that you are so mindful of him? You're more mindful of him than the angels. I'm going to let that sink in. I don't know if we get it. The dominion mandate does not belong to Yahshua alone. It belongs to men. Israel, certain men. Israel.

Adam was to rule in Yah's place. Did you hear that? Adam was to rule in Yah's place on the earth as a Proxy and a Regent. That purpose for the sons of Yahweh has never changed. This is the job description of what the church must produce—the MANCHILD that will rule all nations. The church will not rule all nations. What they produce will. The church will not rule, the Manchild will. Why? Because the dominion mandate was given to the Man. Hallelujah.

The church is producing the manchild. She's been aborting that manchild for 1,260 years. She's been aborting the manchild with that little horn, that pope of Rome. The manchild's been aborted. Don't say...when is Yahshua coming? The question is...when is the manchild coming? That's the question. We wait for Yahshua to come—no we're waiting on the manchild to come. We're waiting for the men and the women of Yahweh to get in line with the word so that manchild can come forth. Hallelujah. Because that's who's going to rule the nations, that manchild.

Now I want to ask you a question. If you mistreat people, do you think he's ever going to let you handle his people? No, no. That's why the Bible said love your enemies. Do good to them who despitefully use you because they don't even know that you're my proxy.

### Adam Failed !!!

That was the mandate Adam failed. You can read that story in Genesis 3:16-17.

#### **Genesis 3:16-17**

**16 To the woman He said: I will greatly multiply your sorrow and your conception. In pain you shall bring forth children, you must be led by your husband, for he shall rule over you.**

**17 Then to Adam He said: Because you have heeded the voice of your wife, and have eaten from the tree of which I commanded you, saying, You must not eat of it--cursed will be the ground for your sake, in toil you shall eat from it all the days of your life.**

In those verses Yahweh cursed two things. And Adam's not included in that curse. Yahweh cursed the serpent and the woman. But he never cursed his son. He cursed the ground for his son's sake so he didn't have to curse his son. That's why the Bible said all creation is groaning—they're under the curse. All of creation was cursed for Adam's sake. Why? Because if he would've cursed Adam he would've cursed the dominion mandate. *Wow that is deep!*

If you don't understand that, then ma'am, you'll curse your husband. Sir, you'll curse your pastor not realizing what you're cursing. You're cursing the dominion mandate. And when you do it, you curse yourself.

Now you need to know right now Adam failed. Why did he fail? Adam did no sin by the way, did you all know that? There's no sin laid to his charge except for this: You did not take dominion, you allowed your wife to. Listen carefully. Adam's sin was not being the head of his home, and allowing Jezebel to rule him.

*Pastor, when I was reading and doing my devotions, that God created Adam and when he created him, he said...do not take the fruit of the tree. But when he created woman, it was after the fact that he told Adam that. So, is this true that Eve was not there when he spoke to Adam about it?*

No, because the Bible says he spoke male and female created he them. They were created—Eve was in his womb, and when she came out, she already knew about the command or else she wouldn't have told Satan "Yahweh told us not to eat the fruit of the tree". *Ok, thanks for clarifying that.* Your welcome. Be careful what you all read out there.

Now notice Adam did eat, but that was not a sin. He was not cursed because he ate the fruit...which by the way, that's all not even literal. That is a metaphor of all of that. It's not real trees. It's not real serpents. It's not real fruit. It was something he partook of that he should not have partaken of because he gave up his right to rule his home. He gave up the dominion mandate and gave it to his wife. She now leads him.

That's why in the book of Revelations Yahweh says I have something against the church. You've allowed that woman Jezebel to teach you. You see, same thing. Genesis, Revelations, see? Come on! The more things change the more they stay the same.

Now it's imperative that you understand how Yahweh sees authority. That's it. Adam gave up it. And some of you men watching me right now—you've done the same thing, you're nothing but cuckolds to your wives. Your yes men. You're afraid of their emotions. That's because you gave up your dominion mandate. You're no different from a gay man that lays down for another man if you lay down for your wife, that's even worse. Don't give up your manhood.

And let me tell you what manhood is not. It's not tyranny, it's leading. Leading. If you don't lead her to the house of God, if you don't lead her to the things of God, you're not her leader. You may be her husband, but you're not her leader. Adam should've led Eve to the other tree. Lead. Lead. Men, you are leaders. You write the tithe check out. You have your family's hands in your hands while you're walking in for the Sabbath day. You be the leader. Quit trying to be a man, be a leader. Be a leader.

Because then you get mad at your wives...*well she leads everything...*that's because you don't lead anything. Your wife leads when you don't. So stand up and take your dominion mandate over your home. Lead them in how to honor authority. Show them how submitted you are to authority. I'm telling you, if you've got a real woman, she's waiting for you to lead. If you've got a real woman, not a Jezebel, she's waiting for you to step up and not take over, but lead. Just lead. And watch what Yah will do in your home. Amen.

Now what happens when Adam lost the dominion mandate? You're fixing to find out.

### **Genesis 3:19**

**In the sweat of your face you shall eat bread till you return to the ground, for out of it you were taken, for dust you were, and to dust you shall return.**

When you lose your dominion mandate, you go back to dust. Animal. When you lose your dominion mandate, you become a regular man, not a son of Yahweh. You go back to dust. Now you know why Satan will feed off of dust...you'll crawl on your belly, and dust you shall eat. You're the dust that feeds the devil. You're the dust that turns the serpent into a dragon, from a little serpent into a big dragon. He feeds off of the dust which you have gone back to when you're not a son of Yahweh.

If you will not be a son of Yahweh, you will be a child dust. What does that mean? You'll act like mere men. I said you'll act like mere men! I believe in 1 Corinthians 3:3 Paul says that. You're still carnal Paul said.

### **1 Corinthians 3:3**

**For you are yet carnal. for where there is among you envying, and strife, and divisions, are ye not carnal, and walk as men?** (Or behaving like mere men?)

Listen to me. There's something called more men and mere men. More men are sons of Yahweh. How do you know they are a son of Yahweh? Obedience. That's what separates you from a mere man. Mere men are their own men. *I'm my own man! You rise up against me, I'll show you!* I know. You're a mere man. *Well Hoss I'm a man.* I know. Some of us are not. Some of us are sons of Yahweh. Some of us are more than men.

And that's your goal in life, to become more than man, not a mere man. That's the only way you get dominion authority is when you take dominion over that mere man. Hallelujah. When you understand that your whole life will change before your very eyes. *This is way bigger than the deliverance services.* Oh brother, this is deliverance. *That's right it is.* This is deliverance.

Before we go to the next scripture, I want you to look at the tree in this picture.

Everybody says...*Pastor the tree of knowledge of good and evil, we know what that was, but what was the tree of life?*

If you'll look closely at those fruits, you'll find out what the tree of life is. It's the fruit of the Spirit that grow on the tree of life. It's the fruits of carnality that grows on the tree of knowledge of good and evil. And only those who have these fruit in their life have partaken of the tree of life.

Let's go to Romans 5:12

### **Romans 5:12**

**Therefore, just as sin entered the world through one man, and death through sin, and in this way death spread to all men, because all have sinned.**

(Note: the verse below is the scripture that brother read in class instead)...

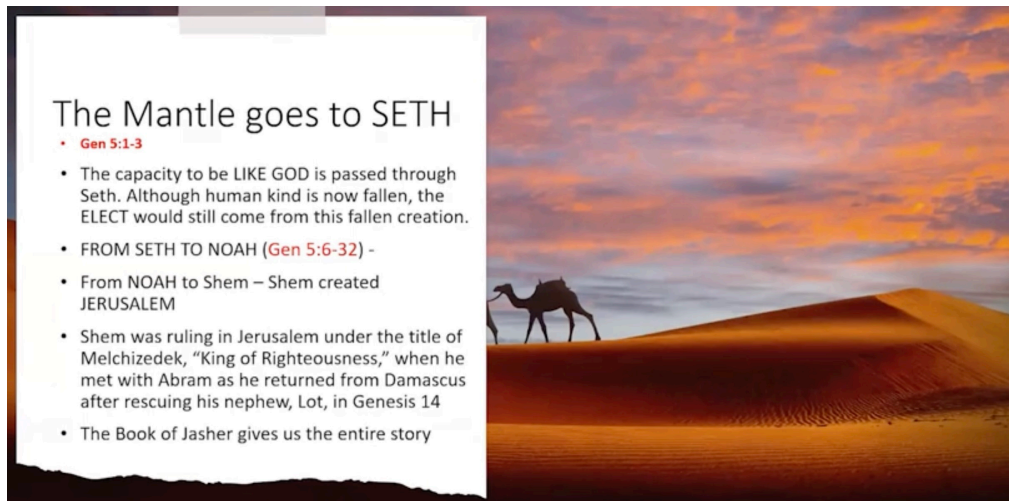

## **Romans 3:12**

**They all have gone out of the way, they have together become unprofitable, there is none who does righteousness, no, not one.**

And that's why not one man will have the dominion mandate, except...do you hear that? No men any longer have the dominion mandate. No men have it. Why? They've all gone out of the way doing their own lusts, eating the tree of knowledge of good and evil. So, therefore, none of them have the dominion mandate.

So what am I going to have to do? Create One New Man. Hallelujah! Hallelujah! I'm going to have to create one new man to restore the Dominion Mandate! That will be more than men. Hallelujah.

Quickly, I'm going through these next slides because we're running out of time.

The Mantle goes to SETH

- Gen 5:1-3
- The capacity to be LIKE GOD is passed through Seth. Although human kind is now fallen, the ELECT would still come from this fallen creation.
- FROM SETH TO NOAH (Gen 5:6-32) -
- From NOAH to Shem – Shem created JERUSALEM
- Shem was ruling in Jerusalem under the title of Melchizedek, "King of Righteousness," when he met with Abram as he returned from Damascus after rescuing his nephew, Lot, in Genesis 14
- The Book of Jasher gives us the entire story

The mantle, after Adam died, or after Adam forsook it, went to Seth. (I'm not going to read all these scriptures.) It went from Seth to Noah. It went from Noah to Shem. Now Shem is actually the man that built the city of Jerusalem. Shem built Jerusalem. Shem was also Melchizedek the king of righteousness.

And then Shem meets Abraham and Abraham tithes to Shem and creates a spiritual connection. *How do you know all of this brother Vaughn?* It's all in the book of Jasher which was in the Bible before they took it out. Jasher tells us this whole story. So if you ever wondered how Abraham got the dominion mandate, he got it from Shem when he became a tither into his ministry. Hallelujah.

Whoever you're tithing to is the dominion mandate you're walking under. The tithe is that connection, that seed, that cord, of covenant between me and you. That tithe is what connects us. Not your words saying 'I love you pastor', that's beautiful. But tithes shows that love and connects that ministry with that person.

And now because Abraham tithed to Shem, all of a sudden now...look at the picture...and you're going to find out what happened next with the dominion mandate. So very important. Now the mantle finally reaches the man it always was supposed to reach. Abraham. How did Abraham get it? He was a tither, he

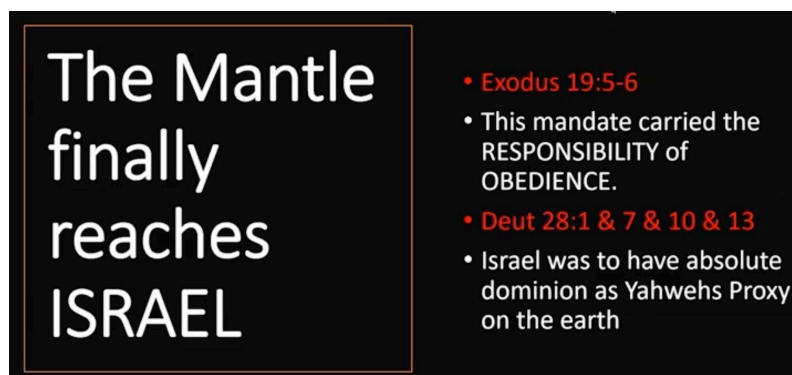

**The Mantle  
finally  
reaches  
ABRAHAM**

- This event apparently established Abram as Shem's successor to receive the birthright.
- IN ABRAHAM WE FIND THE DOMINION MANDATE Re-Established
- A GREAT AND MIGHTY NATION
- A blessing to all families of earth
- A Vast multitude of people
- A multitude of nations
- Kings
- Possesses the gates of the enemy

was obedient. Do you follow me? It wasn't about the tithe, it was about the what? What do I say makes you a son of Yahweh instead of a son of man? Obedience. Abraham didn't have to pay his tithe. There weren't any 'tithe police' walking around to get him if he didn't.

But Abraham met Shem and knew he had the dominion mandate through Noah. The Bible said Noah was perfect in all his generations. What does that mean? All the way back to Seth you could trace that dominion mandate. Now Abraham gets the mandate, ok? Let's read about that mandate real quickly and see what it looks like in Abraham's life.

Now Abraham reestablishes that dominion mandate, and here's what that dominion mandate looks like. I'll make you a great and mighty nation. A blessing to all the other families of earth, a vast multitude of people. A multitude of nations. Kings will come out of you. You will possess the gates of your enemies. Does that not sound like a dominion mandate to you? So that dominion mandate is now going through Abraham brothers and sisters.

**The Mantle  
finally  
reaches  
ISRAEL**

- Exodus 19:5-6
- This mandate carried the RESPONSIBILITY of OBEDIENCE.
- Deut 28:1 & 7 & 10 & 13
- Israel was to have absolute dominion as Yahwehs Proxy on the earth

Now let's read Exodus 19:5-6 and finally the mantle reaches our subject, Israel 101. Now the dominion mandate goes from Abraham to Isaac to Jacob and finally to all of Israel. Now do you see where I'm going with today's message? Alright. The dominion mandate winds up among one group of people on earth. Keep that in mind. One people have the dominion mandate. Now you might know why the city of government has all 12 of their names on it.

Hallelujah. They will have the mandate of government of ruling and reigning. Only them, nobody else has that mandate.

### **Exodus 19:5-6**

**5 Now therefore, if you will truly obey My voice, by keeping My covenant, then you shall be a special treasure to Me above all people, for all the earth is Mine.**

Above. Above all people—dominion.

### **6 And you shall be to Me a kingdom of priests...**

All the earth is mine, I'm going to get them all back, but they will not all be kings and priests. They will not have dominion. They will be in my kingdom, but they will not have dominion. All the earth is mine. I love them all. And I need you to train them all. So I've got to get you trained so that you can be a king and a priest. That's your dominion mandate.

**...and a holy nation. These are the Laws that you shall speak to the children of Israel.**

The dominion mandate comes with what? Law. And that's why the Christian church and the pope of Rome took the law away from you, so that you would never come into your dominion mandate. I just gave you so much truth in those few words. They took your mandate away from you by taking the law away from you.

### **Deuteronomy 28:1, 7, 10, 13**

**1 And it will be, if you will listen diligently to the voice of Yahweh your Father, by observing and doing all His Laws which I command you this day, that Yahweh your Father will set you high above all the nations on earth as His kings and priest.**

Do you all see the dominion mandate? Is anybody with me? You all stay with me a few more minutes please. Is that not the same thing Yahweh told Adam? That if

you will obey me, I will put you over everything. I need everyone in this class to listen to your pastor right now. That mandate has never changed! If you will obey me, I will put you above all my creation. And yet you go to churches that tell you obedience is not necessary because he knows you can't. Do you see the abortion doctor, do you see him? Do you see the abortion doctor killing the manchild? And it's Christian preachers who are killing the Manchild.

This dominion mandate starts off—if you Adam won't eat that tree, if you tell your wife 'as for me and my house we're going to serve Yahweh'. If you will do that Adam you will rule and reign in my place, in my stead, over my creation. I'll give it all to you Adam. And then he told that to Abraham. Then he told it to Israel, just looking for someone who wanted the dominion mandate.

The sad part of this story—even Israel didn't want it. Oh hallelujah. All's he ever wanted to do was find someone in his image who would rule in his behalf. And you grow up in churches that that idea of ruling and even the pastor ruling and... *nobody rules over me...* is so prevalent. Do you see what we've created? The dominion mandate—the abortion doctors are killing the manchild. And only a certain church will be able to produce this manchild. Oh hallelujah.

**7 Yahweh will cause your enemies, who rise up against you, to be defeated in front of you, they will come out against you from one direction, but flee from you in seven directions.**

Listen, did you hear that? I'll give you such a dominion mandate that I will cause enemies to rise up against you because you have the dominion mandate. I will cause Judases to rise up because they recognize the dominion mandate on your life. I will cause your enemies to rise up against you. Why? So that I can defeat them for you in the presence of everyone, and display your dominion mandate.

My Lord. I don't know how that doesn't turn some people on. Do you understand, Yahweh said...if Israel, you will obey me, I will cause your enemies to fall because of your dominion mandate.

**10 Then all the people on the earth will see that you are called by the Name of Yahweh, and they will fear you.**

Whew! Does that sound like a dominion mandate to you all? *Amen*. Do you know why the church doesn't have a dominion mandate? They don't call on the name of Yahweh. Read that verse again. How will they know? They'll see you are called by the name of Yahweh and will fear you.

Ahhh. I believe elder told me that some folks were afraid of us out there on the land because they see that name Yahweh on our property. They don't know who he is. Listen to me. The Bible said that because you call on the name YAHWEH, or YAH, whatever name you know him by, because you call on that name—I'll set you above all the people. All the earth will become under your dominion.

### **13 Yahweh will make you the head, and not the tail.**

Whew-hoo. See, you all been quoting that scripture in those Charismatic churches. You didn't even know what you were talking about! *I'm the head...* That's not what that's talking about, none of that. I'll give you the Dominion Mandate and you'll be a ruler instead of a citizen. I'll make you the head! I will put you in the dominion mandate. You're out there quoting a scripture...*I'm the head and not the tail*. You can't even get power over your tail! Hallelujah. And taking everybody's tail. You ain't no head! Hallelujah.

**You will be at the top only, and never be at the bottom, if you will pay attention to the Laws of Yahweh your Father, which I command you this day, and are then careful to observe and do them.**

<b>The Mantle finally reaches YAHSHUA</b>	<ul style="list-style-type: none"><li>• <b>Luke 1:32-33</b></li><li>• <b>Luke 1:71-74</b></li><li>• Yahshua would deliver His people from their enemies.</li><li>• <b>Mark 1:14-15</b></li><li>• What was He preaching? The GLAD TIDINGS of the DOMINION MANDATE</li><li>• Lets look at "Kingdom" - KINGLY RULE !!!!</li></ul>
---	--

The mantle. The dominion mantle finally reaches Yahshua. Why? Israel failed. Natural Israel failed. That's why the first shall be last and the last shall be first. Natural Israel failed. The ones who get the mandate last are going to be the ones who become first. Oh hallelujah. Finally, follow the mandate. Follow it.

We went through Seth, we went through all of them. They all failed! We went to Abraham, Jacob, Isaac, we went to Israel. Nobody wants the mandate. Until we get to the book of Luke. Let's read it.

#### **Luke 1:32-33**

**32 He will be great, and will be called the Son of Yahweh...**

He's going to be CALLED the SON OF YAHWEH. There's a difference in 'he will BE the son of Yahweh' ... and he will be called the son of Yahweh. Listen carefully. He WAS the son of Adam. But isn't there a scripture that said he 'calls those things that are NOT as though they (already) are? Just like he does you? Goodbye Guilt — does anybody remember, is anybody with me? Even though you are with sin, he says you have no sin. Why? Because he's already calling you a son of Yahweh even though you're not yet fully matured. He's calling you that from your begettal. *Hallelujah*.

One verse says... "Now beloved we are the children of God", another verse says we'll have power to become the sons of God. Which is it? Why are we called sons of Yahweh already, right now? Because just like Yahshua was called the son of Yahweh. Oh, because Yahweh knows the end from the beginning. He knew that Yahshua would be the first one that would take the mantle and would not fail! *Hallelujah! Whew!*

How can he be the son of Yahweh and the son of Adam? He was born the son of Adam, but called the son of Yahweh. Just like you were born the son of your mama, but you're being called the son of God even though you're not yet. Oh there's so much revelation right now. Oh! What a blessed people we are!

**...and Father Yahweh will give Him the throne of His father David.**

Awww, because I'm calling him a son of Yahweh now I can give him the throne or the dominion mandate that I tried to give to Adam, that I tried to give to Noah, that I tried to give to Abraham, that I tried to give to Israel. THIS ONE I'm going to give him the crown because I've already seen he was crucified before the world was created. I already know he's going to do it! So I'm going to give him the crown. Somebody say THE MANDATE...DOMINION MANDATE — is going to Yahshua.

**33 And He will reign over the house of Jacob...**

He'll do what? Will anybody go back with me to the book of Genesis? In the book of Genesis, what was Adam told he would do? Reign. Rule. Now here's the SECOND ADAM and he's taking the dominion mandate.

**...and of His kingship there will be no end.**

*Hallelujah! Whew! He'll always be the king and we'll always be kings as well. Hallelujah!*

**Luke 1:71-74**

**71 That we should be saved from our enemies, and from the hand of all who hate us,**

**72 To perform the mercy promised to our fathers, and to remember His holy covenant,**

**73 The oath which he vowed to our father Abraham,**

And what oath was that? The dominion mandate.

**74 To grant us to be delivered from the hands of our enemies, that we might serve Him without fear.**

That is the Dominion Mandate. To deliver us from the hands of our enemies. What did Paul say creation was waiting for? For you and I to deliver them from the hands of their enemies. Do you see? The dominion mandate is to set you free that you can set them free. That is the dominion mandate that nobody wants.

**Mark 1:14-15**

**14 Now after John was put in prison, Yahshua came into Galilee, preaching the message of the Kingdom of Yahweh,**

Uh huh, uh huh. What was his message? Dominion mandate! His message was not the death, burial and resurrection, and give your heart to Christ. He wasn't preaching that. He was preaching the kingdom is here in me because I'm the king of that kingdom and the kingdom is coming. HE PREACHED A GOSPEL THE CHURCH HAS NEVER PREACHED. He preached the dominion mandate.

Let me show you what he preached if I may. Let's go to the word KINGDOM. It's the Greek word (Strong's G932) *basileia*. That's where the Catholic Church gets the word Basilica from. Basileia. He came preaching the kingdom, or he came preaching the "royal power, kingship, dominion, rule". He wasn't preaching "give your heart to Christ"!! The gospel we preach is a dominion gospel. It's a kingship gospel! First Harvest Ministries preaches dominion! Guys, that's what he came preaching.

Why? Because that's what his Father wanted—somebody to preach DOMINION. All these years the church has not preached it! The pope has sit on the throne and took dominion over the people rather than bringing the people into dominion! Hallelujah! Hallelujah saints, that's good stuff. Read the next verse. What did he say about this kingdom?

## **15 And saying: The time has been fulfilled...**

The time!!! THE TIME HAS BEEN FULFILLED!!!

### **...and the Kingdom of Yahweh is at hand!**

The kingdom of Yahweh! Now that word “hand” is a bad translation. I’ll show it to you. It should say “approaching”.

**“The kingdom of Yahweh is approaching.”**

### **Repent...and believe the message!**

Repent! Quit breaking commandments! Quit breaking the law! And take dominion over your rebellion! That’s the gospel I preach! It’s the gospel that Yahshua preached! Hallelujah! He came preaching DOMINION. How do you take dominion? Repent! And what is repent not? It’s not “I’m sorry”. It’s not even crying at the altar. It’s not even begging, oh no. No! You ain’t gotta do any of that by the way. TURN AROUND!!!

Return to the God of Abraham, Isaac and Jacob! Return to the Father’s faith. That’s what First Harvest is doing. That’s what you support me to do. To go throughout the nation and the world calling men to the kingdom by repentance!! Turn away from Christmas. Turn away from not doing what the word says. Turn away from it.

*Brother Vaughn, why don’t you do altar calls?* I don’t even like altar calls. All you’re doing is coming up there lying 90% of the time—what are you going to do? Just go outside and turn around. Just start turning around. That is the altar call. You had all these altar calls, people signing cards. What are you signing?! Some of you got more big Billy Graham cards that you signed in your desk drawer. You can literally make a book out of all the little cards you signed to follow Jesus!

You don’t have to sign any card. Just turn around. If you’ve been in rebellion, quit being rebellious and welcome to the narrow way, and we’ll meet you in the kingdom. See, I don’t do all of that. Now I do an altar call to minister to the people, their spiritual needs, but I’m not trying—uh uh, don’t come here—I ain’t signing nothing. Just let me watch your life, let me see you turn it around. *Well sign right here.* You ain’t gotta sign nothing. Sign it with your life. I said sign it with your life.

*Zacchaeus didn’t need to.* That’s right. Zacchaeus didn’t need to sign any card. Nobody accepted Jesus in their little hearts. No, no, no. I’ll know you’ve accepted

him in your little heart when you return, when you repent, when you turn around. Amen. Oh hallelujah. Oh let me end this so you all can get out of here. Hold tight. Hallelujah.

<h1>The Mantle finally reaches YAHSHUA</h1>	<ul style="list-style-type: none"><li>• After His Resurrection <b>Matt 28:18</b></li><li>• Rom 5:14</li><li>• I Cor 15:22</li><li>• I Cor 15:45</li><li>• YAHWEH IS establishing the fact that THE ORIGINAL MANDATE has been PROPERLY SERVED to one of ADAMS SONS !!!</li></ul>
---	---

Now when did he get his dominion mandate? You'll find that answer in Matthew 28:18. He did not get the dominion mandate before his resurrection. *Well brother Vaughn, he's out there walking on water, he's doing that.* No, no. That was power not authority. Notice the difference. While he was in his human body, he was operating under his Father's authority as a proxy for his Father. So he had all power. He was able to do miracles, but so was Moses, so was Elijah, so was Abraham. All able to do miracles, signs and wonders.

Somebody says...*he's God because he walked on the water.* Moses parted the water, so really? Come on now. *Well he raised the dead.* So did Elijah. Ok? That's not what made him all that. But he did something Elijah didn't do. He did something none of them did. He obeyed his Father perfectly. And now what did that earn him? Let's find out—right after his resurrection.

### **Matthew 28:18**

**And Yahshua came and spoke to them, saying: All authority is given to Me in heaven and in earth.**

Awww. He had all power. There's a difference in power and authority. He had all power. And the authority he had was simply as a proxy. But now after his resurrection—all authority in heaven and in earth. ALL authority.

Look at me. Everyone listen carefully. Why did he get that authority? He earned it. He earned those 10 cities, those 5 cities. And you my beloved brother and sister will get your authority after your resurrection. You will rise with authority that you earned in this lifetime. You're not going to heaven, you're going to work. It's a good work. You know, there's some work you don't mind doing. How many of you remember when we go out to the ranch and work together? That's a work you go

out and don't mind doing, do you? It doesn't even feel like work. It's fellowship. That's the kind of work you're getting ready to have. You'll be with the saints, Hallelujah.

**Romans 5:14**

**Nevertheless, death reigned from Adam to Moses, even over those who had not sinned according to the likeness of the transgression of Adam, who was a type of Him Who was to come.**

Adam was a type of him who was to come. All these other men that carried the mandate for dominion were types of The Man who was coming.

**1 Corinthians 15:22**

**For as in Adam all die, in the same way all who are as Messiah will be made alive.**

In the first Adam they all died. In the second Adam they'll all be made alive.

**1 Corinthians 15:45**

**And so it is written: The first man Adam became a living being, the last Adam, a life-giving spirit.**

All these scriptures are proving something to you. Do you know why Yahshua is the last Adam, the second Adam? Why name him that? Because with the dominion mandate, the gifts and calling are without repentance. What does that mean? When Yahweh gives you a gifting and a calling, he never takes it back. Why did he allow Saul to sit on the throne even in sin? He never takes it back.

He gave Adam the Dominion Mandate. And it was going to be a son of Adam that had to be born or it would have not been the dominion mandate. It had to be a second Adam. The plans and the purposes of God are perfect.

Now, just as the first Adam was a shadow of the last Adam, I've come to tell you, the last Adam was a shadow of the complete Adam who's yet to come.

So next week we'll pick up on the dominion mandate after Yahshua, and we'll follow that dominion mandate and you'll understand who you are in Yahweh. Hallelujah. Because he said "I am the light of the world, I have the dominion mandate" right before he left. He said now you are the light of the world. I'm giving my mandate to you. It gets good. And then I'm going to show you next week what tool Yahweh created right now to prepare us to carry that mandate.

Thank you for joining me. It has been my absolute pleasure to teach you!
