

S E R M O N TRANSCRIPTION SERIES

Prepare for your spiritual eyes to be illuminated with fresh revelation of Samson. What has been hiding right before our eyes all these years is now revealed to us by the Spirit of Yahweh. The revelation was held for THIS DAY and THIS HOUR specifically because SAMSON has nothing to do with the MAN SAMSON as much as it has to do with END TIME ISRAEL.

JUDGES 14:4

*Now, his father and mother did not realize that this originated with Yahweh — that He was looking for some occasion to move against the Philistines; **for the Philistines had power over Israyl at that time.***

It is interesting to note in this verse at the time of Samsons birth, a very unique situation was going on in the land of Israel. The Philistines, the very enemies of Israel had power and authority over Israel and was in fact governing them, the chosen people of Yahweh.

The Philistines and the Babylonians both represent the Gentile pagans who held authority of Gods true church. What a sad and unfortunate situation Samson was born into, for such a time as this.

I want to use the teaching of Samson as an example of what the acronym **P.A.R.D.E.S** looks like.

P.A.R.D.E.S is colloquially known as the acronym for P.R.D.S, the **FOUR-LEVELS** of Biblical interpretation: I'm going to teach you how you can move into this same anointing for biblical understanding that comes from P.A.R.D.E.S.

The first letter of Pardes is '**P**' which is the Hebrew word **Pashat**.

PASHAT means "**plain,**" *just like it's written. **Whatever it says, that's what it is:*** plain, surface; that's the meaning of PASHAT. The Plain and Surface level of biblical understanding. Reading the text for what the text explicitly says.

The second letter of the acronym PARDES is ‘**R**’ which stands to represent the Hebrew word **Remez** and means “**hint**.” IT’S THE HINT LEVEL OF BIBLICAL INTERPRETATION.

For those that have ears to hear the Spirit, when you’re reading the scriptures at the REMEZ level, you’ll get a hint while reading the plain text, the under surface will call you to explore it further; the hint–REMEZ–is telling you to read it again, it is calling you to notice something that the PASHAT level of the text is not explicitly saying.

You will feel a little hint in your spirit-mind that says, “*You know what, I know that is what it says but I feel like it’s saying something else there.*”

If you are faithful to follow that leading of the Spirit through those two stages then you will be lead to the third level of Bible study: **THE DRASH LEVEL**, which means “**searching**” where we get the word Research from.

You will be reading the PASHAT and you get the REMEZ and it drives you to research or searching. It leads you to open up the concordance and start comparing scriptures to scriptures. Now you’re getting ready to do what ninety percent of Christians don’t know how to do: go past the Pashat. All of the glorious treasures of the Spirit are hiding behind the text.

I’m going to prove it to you by giving you an example of what PARDES looks like. Once you get past the DRASH level and you’ve done your research and you’re starting to connect some dots, then all of a sudden you come to the **SOD LEVEL**, which means “**hidden**.”

The reason most Christians will not or cannot follow our teachings and the teachings of others like us is because they are addicted to the PASHAT level of Biblical understanding and they have no spiritual desire for more.

They will say familiar phrases such as “*I’m reading what it says and that’s what it says.*” BUT IT’S NOT WHAT IT SAYS! Although the text you are reading literally says what it says, listen closely for the whispers and the hints of the Holy spirit, it is a test to see who you are. As you begin to follow the gentle promptings of the Spirit of Yahweh, the Holy Spirit it will call you more and more into the SOD, THE HIDDEN LEVEL.

The Bible gives a promise to the Overcomer, that they would eat of THE HIDDEN MANNA of the Word. The thirtyfold believer eats the manna—THE PASHAT—but there’s another group of people that receive the hidden manna of Yahweh’s Word. The Father is hiding this Book from the world and revealing it only to babes, His babes that are currently withing the womb of the church awaiting their full manifestation.

I’ll give you an example. If you visit my home you will be shown my beautiful collection of rare gold and silver coins. If you’re not interested in my coins; if you’re not into coins I will know that by your lack of interest or curiosity so as a result I will withdraw my collection from you and put them away; they’re now hidden from you. It’s not that I want to hide them from you but I understand that we’re both wasting our time.

The Father has hidden in the Word only what those who hunger and thirst for it will receive. If you don’t have a hunger or thirst for the hidden manna, you will never find it. But once you do find the hidden manna, what the PASHAT Christians will do is make fun of you for going past the PASHAT or textual level.

There is a group of people that Yahweh is calling to come deeper; to see something in the Word. That’s why I don’t make you a promise that I’ll be the best pastor, and I don’t make you a promise that I won’t make any mistakes. But I’ll make you this promise: Every time you walk in our congre-

gational assembly or read one of our books you'll hear a fresh revelation of the Word of Yahweh.

THE HIDDEN MANNA IS IN THIS HOUSE! You'll come here and hear what you've never heard before because there's hidden manna in this House and only those who walk through those doors or come onto this channel or read these writings will ever understand it. That's why I tell everybody, that I KNOW WHO THE REAL MEMBERS OF THIS MINISTRY ARE. Do you know how I know? Every Saturday morning at ten o'clock when I see them come in for that deep manna of the Word of Yahweh. Hallelujah!

PARDES means **PARADISE** in Hebrew. Once you find the hidden manna, "*This day you shall be with Me in paradise.*" THERE'S A GROUP OF PEOPLE COMING INTO PARADISE. What is paradise? It's peace and rest. When you come into the hidden area of Yahweh's Word, you will be at peace no matter what is going on. You've got to hunger for it!

Now, I taught you all of the above about PASHAT, so that I could demonstrate for you what the entire process of PASHAT looks like in the following story;

All my life I never understood why Yahweh put the story of Samson in the Bible. It's a good story but it does nothing for me: a strong man tied some foxtails together and burned everybody up. I never knew why Yahweh put the story of Samson in the Bible: it does nothing for me spiritually; it doesn't help me. I don't know anybody that just reading about Samson helps them in their daily spiritual life. It tells on the PASHAT level that Yahweh is powerful, but by the divine revelation of Yahweh, I've come to tell you that before now I only understood the story of Samson on the PASHAT level.

I read the story of Samson in the book of Judges so many times. I read the chapters and I could tell you the story front

and back BUT I COULDN'T REALLY TELL YOU THE STORY. I saw was the text was saying but I couldn't hear what The Spirit was saying.

As I was reading on the Pashat, textual level, I heard a hint in my spirit-mind and I said, *"You know what, I've always wondered about that long hair on Samson because it's a shame for a man to have long hair."* I always wondered about that long hair on Samson. I've heard it preached on a million times and I've never been satisfied with what I heard, there had to be more to the story and I desired to know what that MORE was.

At that moment of hunger in my spirit, I heard something say, *"Go look at 'the hair'. Go look at 'the hair'."* I could have ignored that and I could have said, *"Well, I know the story."* But you see, the Father knows there is a hunger in me and if He teases me, I'm coming to get it. The Bible says, *"He who hungers and thirsts after righteousness shall be filled."* If you love truth, truth will love you. If you seek it, it will seek you.

So I continued to wonder about the hair and then I said, *"All right, that's that: Oh my Lord, that's the Remez; that's the hit! Let me get my Bible out because I'm hearing some things up here but it has to line up with the Book."*

So now I'm going into DRASH to search to research scripturally what I heard in the REMEZ HINT LEVEL. I've got to search and I've got to look, and I've got to pull that scripture and make it line up with this one, and I've got to make it all line up and while I was doing it in the evening at about four o'clock, that SOD level came, that level of what THE SPIRIT IS SAYING TO THE CHURCH.

I am here to tell every one of you: Samson is not a story about a man. It is a hidden prophecy about the End Time House of Israel.

THE ENTIRE STORY IS NOT WHAT IT SEEMS ON THE PASHAT LEVEL. **It has nothing to do with a man.** It's got everything to do with the end times.

It has been hidden from my eyes UNTIL NOW. YAHWEH put this little inconspicuous story about Samson in this Bible and after reading it over and over so many times, I felt that HINT LEVEL in my spirit, *"No, go back and read it again and I'm going to reveal to your congregation and those who watch you; I'm going to show you the end times through Samson."*

After I told YAHWEH I was ready, He every so graciously began to unwind it and now you and I, we are going to unwrap this beautiful hidden story together before our ever opening eyes of the Spirit.

Beginning with ***Judges 13: 1-5***, we are going to read these verses beyond the human eyes and venture into the PASHAT level. We are bringing you good doctrine and a fresh understanding of the end times with Samson. REMEMBER, THE PHILISTINES WERE RULING YAHWEH'S PEOPLE AT THIS TIME: the Philistines, a collective symbol of all religions of this world other than the House of Israel; the Catholics, the Baptist, the Pentecostals, all the denominations that are part of that religious system that teaches the doctrines of Babylon; there were at that time as they are now, ruling over the Church, the called-out ones, Yahweh's chosen, set-apart people.

This verse stood out to me initially more than anything: "THE PHILISTINES RULED ISRAEL." Israel didn't rule Israel but rather fake religious leaders ruled Yahweh's people at the time of Samson's ministry. This is key to understanding!

Judges 13: 1 *Again the children of Israyl did evil in the eyes of Yahweh, so Yahweh delivered them into the hands of the Philistines for forty years.*

Yahweh has done in your day, the days of Remnant Israel exactly what he did in ancient Israel, He has allowed and delivered His Church, His set-apart people, into the hands of the Catholic Church, the Protestant church and all the denominational systems of this world.

Judges 13: 2-3 *A certain man of Zorah, named Manoah, from the clan of the Danites, had a wife who was barren, and he had no children. 3 The malak of Yahweh appeared to the woman, and said to her; truly now, you are barren and have borne no children; but you will conceive and bear a son.*

Why doesn't Yahweh go down to Israel and set them free? Because, He's never done it that way and He never will. If you don't learn this, you will always go in a circle in your life. Yahweh always uses a man to fulfill His work in the earth, He has chosen the foolishness of mankind to work His sovereign will through. Man is in deed the very hands of Yahweh in the earth. We can see the same thing with our beloved America. Why doesn't Yahweh just come down and save America? The answer is clear, He never changes His patterns and His plans. Just as he used Samson and others to deliver ancient Israel, He will raise up men to save the modern day end time Israelite nations of America and Great Britain.

The reason Yahweh doesn't save America is because He raised up Trump to do it in this particular time. You all better learn this: Yahweh never changes. Yahweh isn't going to go kill those Philistines Himself; He doesn't work that way.

When you needed money and prayed for a financial miracle, it wasn't Yahweh who gave it to you, but yet it was.

Yahweh has no hands and Yahweh has no money but Yahweh has people that do. He'll wake them up in the middle of the night and say, "*My servant is in trouble; send him some money. Let him know I've not forgotten about him; let him know.*"

You just obey Yahweh; just obey Yahweh. He always sends a deliverer. He always sends a helper for Israel; He never comes Himself. That's our problem; we need to learn that when somebody hands us a check in our hand, that's literally the hand of Yahweh handing it to us. That's why the Bible said to give honor to men: because it is men that God has to use to get your blessing, to you.

You've got to learn how Yahweh works. I'll give you another example. I'm preaching to you the Word of Yahweh and there are some people that will say, "*Well, I'm just waiting on the Lord to speak to me.*" Excuse me? Do you not hear the voice behind my voice talking to you? God spoke through a donkey.

As we learn to serve man that is when we are indeed serving Yahweh. I'm determined to turn this ministry into the most in-line, obedient, submitted ministry on planet Earth; that is my desire. If we all line up with Yahweh and get in-line, watch what will happen; YAHWEH will bless you in ways you cannot even comprehend. He always brings a deliverer, He always uses a man every time.

The Bible said, "*I sought for a man but couldn't find one so therefore it didn't get done.*" If you are ever lying in your bed and Yahweh speaks to you to give somebody a hundred dollars, that is Yahweh saying, "*I can't get it to him if you don't help me. Well, come on, could you help me?*" Could you pray, "*Thy will be done on earth?*" He says to us as believers, "*I'm trying to get My will done 'on earth as it is in heaven' but I need some earth partners; I need some earth co-workers; I*

need some people that understand I always work through a man."

That's why I want to puke when people say, *"I don't follow a man."* Well, *who do you follow?* Apostle Paul said, *"Follow me as I follow Christ."* You better learn to quit talking ignorant of the Word of YAHWEH just because the Christian Church talks like that. Find out who your Father in the Lord is; hook your umbilical cord up to Him and let that anointing flow down to you and through you.

Quit being as an illegitimate child running all over the country cutting your umbilical cords off. Life is coming through the cord and when you disconnect, you're out there on your own: you're out there with the wolves; out there doing your own thing.

Judges 13:4 *Now, therefore, be careful now and drink no wine or strong drink, and eat nothing unclean.*

The angel is telling the woman not to partake of wine or anything unclean because the child is going to be so special he must come through a special separated womb.

Judges 13: 5 *For you shall conceive and bear a son. And no razor shall come upon his head, for the child shall be a Nazirite to Yahweh from the womb; and he shall begin to deliver Israyl out of the hands of the Philistines.*

I really want to make this plain for you: this child is going to be different; this child is going to be a Nazarite. You can find the details of the Nazarite vow in Numbers 6: 1-21. The Nazarite vow was not for your whole life; it was for a season.

Any time Yahweh is getting ready to promote you, He will require a new level of consecration from you.

Things that you used to be able to do on that level, you now have to lay down on this new level. You can no longer get by with things you used to get by at that former level because now you are moving from a thirtyfold to a sixtyfold. You might be able to get by with some things on that thirty, but the minute you walk through that narrow pathway to come on up to the hundredfold, now a new vow is required; a new level of consecration.

The reason the old Church had so much more power; because they had so much more separation and consecration. People gladly laid down the world; they laid down things that may not even be a sin.

I love when people tell me, “*Well, Pastor, that’s not a sin.*” I didn’t say it was; I just said you better lay it down. It may not be a sin but it’s foolish; amen? Your little puff of weed; your little puff of marijuana: I never said it was a sin; it’ll mess you up. Why? Because you’re coming into a new level of consecration. There’s other people around you that can get by with it and they may be all right, but not for Israel. Remember, Samson is born with a calling: Israel has a calling!

We are not like nominal Christians! In days of yore, We were not be like the world nor did we want to be. We’re not like the common Christian because Christians can get by with a lot of stuff that Nazarites believers can’t get by with. When you want to know if that’s a sin, that’s the wrong question. Here’s the question: DOES THAT PLEASE MY FATHER? This thing isn’t about going to hell. This thing’s about getting through that narrow gate.

If you take the Nazarite vow, there are things you have to give up. If you don’t have this Nazarite vow on your life, I’m not talking to you; do what you want to do. If you are a Nazarite you have to give up the things that keep you distracted from your goal as an Overcomer. As a separated

church, as Samson was, You can't go near a dead body just as he couldn't. Mark them that cause death in the Church; you can't go near them. I'm under a Nazarite vow. If you're not, I love you; you're my brother. Go do your thing, but I'm under a Nazarite vow.

NOW WHAT WAS THE PURPOSE FOR THIS VOW? I want to explain it to you. When I looked at Samson's hair, I read on the surface level, just the word "hair." Then I felt that hint level calling me to look once against at that vow. THE HAIR IS CONNECTED TO THE VOW. And the Father said, "*What is a vow? It's a covenant.*" I said, "*Thank you.*" ***It was never about the hair; it was about the covenant.*** He came into a covenant from his birth.

The Nazarite covenant was this:

I WILL SEPARATE MYSELF FROM THE WORLD TO FULFILL YOUR PURPOSE IN MY LIFE.

When I heard that, then the Father said to me, "*Now what is the covenant?*" That's when I went into DRASH LEVEL, and began searching. He said, "*You taught it two weeks ago; the covenant is the Torah.*" **The hair was a symbol of the covenant** between Yahweh and Samson except there's one small problem: Samson is not really Samson.

SAMSON IS A SYMBOL OR A WORD PICTURE FOR THE NATION OF ISRAEL, THE MAN SAMSON IS PROPHETIC IMAGERY OF A MUCH LARGER ENTITY of which you're now members, and ISRAEL MADE A COVENANT WITH YAHWEH FROM THEIR BIRTH; JUST LIKE SAMSON.

From the moment Israel was born: "*You shall be My son!*" Israel was Yahweh's first son, and there was a purpose for the birthing of Israel: that they will not be like other nations. **YOU WILL HAVE LONG HAIR; YOU WILL HAVE A DIFFERENCE.**

The long hair was THE difference; it was a covenant between Yahweh and Israel.

What was the covenant? *“If you obey Me, I will be your God and you will be My people.”* And Samson was born to be in the covenant of obedience with Yahweh.

He was born by an angelic proclamation. The Nazarite vow was reserved only for those that were going to be given very high authority in the nation of Israel. Everybody in Israel didn’t take a vow; only those that were training, only those that there was a higher purpose for their birth, only those with this higher calling in life took a Nazarite vow.

They said, *“You know what? You maybe can get by with that, and you can live for God doing that, but in my life there is a purpose for my birth. I was born for authority; I was born for greatness. I’m not like you, I’m not like them. I am who I am: foreign.”*

Don’t you imagine that Samson walked around wondering why all the other men didn’t have long hair and they were still called Israel and they were still loved by Yahweh as much as He loves Samson?

BUT YAHWEH WASN’T TRYING TO USE THEM LIKE HE WAS TRYING TO USE SAMSON. I really need you to hear what I’m saying: It doesn’t have to do with salvation; we’ve been preaching this holiness message wrong. This isn’t about heaven or hell; THIS IS ABOUT A NAZARITE VOW. This is about separating and knowing who you are: living like it, walking like it—standing in holiness. Samson was born different from the fellow believers.

I know growing up I used to wonder how I went to the old holiness church and I’d go to town and there’s all kinds of Christians down there and they’re not having to live like we

lived and they have a good church: and in their midst the Holy Ghost was just as present.

We must get our eyes off of others and what they are allowed to get by with; They are none of your concern; they weren't born with a vow. They weren't called to this. If you've been called to holiness, you better kiss the ground of the holiness church. IF YOU'VE BEEN CALLED TO HOLINESS, IF YOU'VE BEEN CALLED TO A SEPARATED LIVING, YOU ARE CHOSEN FOR THE BIRTHING OF THE DELIVERANCE OF ISRAEL, THE MANIFEST-ED SONS OF YAHWEH!

All of Israel in that day was *the Church*; they were all so-called saved, they were all loved by Yahweh, but they needed a people that would deliver them from the rule of worldliness and the rule of the Philistines and the rule of Babylon.

THE CHURCH NEEDED A CHURCH! It's not the world that needs a Church; it's the Church that needs a Church.

Israel was in trouble because in the pulpit was Philistines. The Bible said that the Philistines ruled Israel. So here's what Yahweh said: *"Since the Church has backslidden, since they became Trinitarians; they believe in three Gods. They believed the Father is co-equal with the Son. They believe these lies. He said, 'I'm going to leave them right there. I love them and what I plan to do with them isn't any of your business.'"*

You holiness people need to quit worrying about what other people aren't doing right. If they want to put up a Christmas tree, hush your mouth and wish them well! If they want to eat ham on a plate, let them eat it. NONE OF THOSE PEOPLE ARE YOUR CONCERN; THE ONLY PEOPLE WHO UNDERSTAND WHAT YAHWEH'S DOING IN YOU AND IN THIS BUILDING, ARE THOSE THAT HAVE BEEN CALLED TO THIS BUILDING.

They might have a Christmas tree. They might do what they want to do, BUT I KNOW A GROUP OF PEOPLE THAT CAN'T AND THEY'RE GLAD ABOUT IT. They're not missing out on anything. They've got a calling. They've got a destiny. They've got a ministry. They've got to rule and reign with Yahshua to restore the Church: the House of Israel. These are the Days of Elijah, the days of Restoration of all things.

The Philistines ruled Israel. Yahweh's Church was ruled by Catholic priests: **Babylon**; ruled by Trinitarians: **Babylon**; ruled by these demonic doctrines. Yahweh said, "Don't worry. I've given birth to something that know one even knows about except those to whom I have revealed this end time move unto."

I told you, THIS IS A VISION OF THE END TIMES. THIS ISN'T ABOUT SAMSON, and we've missed it our whole lives. I read a scripture that said ***it would be unsealed at the last day***; these books will be unsealed for those that it was written for.

We always tell the Father concerning the modern church "*Israel's in trouble, Yahweh.*" He said, "*No she's not. I went over there and told them, 'You're going to produce a ministry, or a child.'*"

The angel said, "*This ministry's going to be different. It's going to have a covenant with the Torah: with this Word, I'm going to bring this child to the covenant.*"

Israel (the church at large) had left the covenant. Yahweh still loved them so much that He's still trying to raise up a people to deliver them. He told Samson's mother she was going to have a child. As you read verse five again, I want you to hear exactly why this child is going to be birthed in the last days. Remember, I've taught you that Old Testament Israel is a precursor to end time Israel.

Judges 13: 5 For you shall conceive and bear a son. And no razor shall come upon his head, for the child shall be a Nazirite to Yahweh from the womb; AND HE SHALL BEGIN TO DELIVER ISRAYL OUT OF THE HANDS OF THE PHILISTINES.

I want you to hear the Father talking to First Harvest Ministries: *"You are going to conceive and bear a son."* This child is not going to be like the Christian child. This child is not going to come to the Cross and say, 'I claim the Blood.' THIS ONE'S GOING TO CLAIM THE BIRTHRIGHT. THIS ONE'S GOING TO CLAIM THE DIFFERENCE. THIS ONE'S GOING TO CLAIM HOLINESS. THIS ONE'S GOING TO CLAIM THE TORAH. THIS ONE'S GOING TO CLAIM THE COMMANDMENTS.

"You're going to produce something new that's going to deliver My people from the Palestines. You're going to produce something that keeps the Sabbath Day holy. The Church mocks it and makes fun of it but don't worry about it; they don't even know what I'm doing. They don't know I'm giving birth to the entire end time Ministry right before their eyes and they cannot even see it."

You better know Torah. Now you see; now you know why Yahshua said in Matthew, chapter 5, *"He that teaches Torah will be the greatest in the Kingdom."* He that doesn't teach the Torah, did you say, "the least"?

Israel was the least. Samson was first. And the funny thing about Samson: HE RULED OVER ISRAEL AND YET IT WAS ISRAEL THAT GAVE BIRTH TO SAMSON. Did you hear what the Holy Ghost said? **THE VERY THING THAT'S GOING TO DELIVER THE CHURCH IS GOING TO BE BIRTHED FROM THE CHURCH.** Israel will burn Samson and Samson will deliver Israel. I love the old Church; she gave me birth; but I've got a calling to bring her deliverance from Babylon.

You've got this twisted if you think I hate the Church. Oh no, THE CHURCH IS MY MOTHER, but my Mother's in trouble and Yahweh said, "*I'll raise a man child that will save the Mother.*" This is why some of you don't understand what I'm preaching now. That's why some of you make people hate holiness. Yes, you go around trying to change them into what you were born to be.

"Samson, you can have long hair but I didn't call you to evangelize everybody else to have long hair." This is the problem: some of our followers are out trying to condemn everybody for their Christmas trees and for their Easter bunnies. Listen! Whatever they want to do, let them do it, but as for me and my house, we will serve Yahweh. We know who we are: we walk in holiness. We don't judge no one else by this vow. The terms of every vow are different. You can't copy Samson's vow. The Father will deal with you what your vow in your life is.

Some women have made a vow not to marry; to serve the Lord as a single woman. But the minute you go tell another woman she can't marry, you just messed the whole thing up. Samson didn't go around and say, "HEY, YOU DIDN'T GROW YOUR HAIR LIKE MINE." No, Samson knew who he was. He knew what he was born for. He was born for authority because he was going to rule Israel; for twenty years he was going to be their ruler.

If Yahweh's told you to wear a long dress, put it on but shut your mouth about anyone else that doesn't. You better live your conviction and you better live it with everything you've got, but the minute your convictions become the standard by which everyone else has to line up to you, you have destroyed your own vow.

If it isn't in the Bible, I don't preach it; I leave it up to your vow. When Yahweh gives you a conviction, I promise you

it will haunt you, it will follow you; you can't get rid of it no matter how hard you try.

When my grandmother married my grandfather, Brother Terrell, he gave her a wedding ring. Back then, the old Apostolic churches didn't wear any type of jewelry at all and he gave my grandmother a wedding ring and she put it on and wore it. She said, *"I was washing dishes and the thing fell down the drain and I said, 'that's that,' the Lord doesn't want me to have any jewelry."* That was her vow between her and the Lord, but she can't come to me and tell me I can't. I wear one; that's not my vow.

You've got to learn to keep your vow and to keep it between you and Yahweh. I think I lost some of you now because I preached Truth; I preach it on this side and that side. Holiness is within and if it's going to come out, that's between you and Yahweh. If you've got to ask your pastor what you can wear and what you can't; if you've got to ask me, I question your vow. I question your Holy Ghost. I question your ability to serve the Lord on your own. He'll convict you.

Judges 13: 8-9 *8 Then Manoah prayed to Yahweh and said; O Yahweh, please let the man of Yahweh, whom You sent, come to us again and teach us what we shall do for this child who will be born. 9 Yahweh listened to Manoah, and the malak of Yahweh came to the woman again as she was sitting in the field; but Manoah, her husband, was not with her.*

The burden of your conviction will determine the breadth of your power; your authority in Yahweh. That's why some people can pray and nothing happens, but when a Nazarite prays, the Bible says *'it availeth much.'* Now we're going to skip down to verse 12.

Judges 13:12 *Then Manoah said; Now let your words come true! What will be the judgment of the boy and his work?*

I want you to hear that: *“All right Father, You want us to give birth to an end time ministry. Would you give us the instructions of how we’re supposed to raise this child?”* All the other children in Israel didn’t have an angelic announcement because they didn’t have an angelic destiny.

Watch young people. You’ll know the hand of Yahweh is upon their life early. The call of Yahweh doesn’t come later in life; it generally comes in childhood. You may not know it’s the call of Yahweh, but there will be a unique tenderness in your heart because the Father has fixed your heart for His work. They’ll always find you in an altar somewhere as a child because you were born with an angelic proclamation. You’re not like them.

I don’t know if you’ve ever heard of brother William Branham. He was a great prophet of Yahweh. When he was born, the angel of the Lord told his mother not to let him drink alcohol and don’t ever let him smoke. His ministry touched the whole world. You know why? He was being protected from vices. If you are born with a destiny, you’re going to have to make some new vows to walk circumspectly. I’m not here to condemn anyone. I’m here to raise you up higher; to tell you that you are not like them; you’re just not. You are this child right here in verse twelve. The father asked how to raise him and the angel told him how to raise the child: *“Don’t let him watch Hollywood. Don’t send him to the public school. Don’t let him get a hold of him. Protect the anointing. Protect the calling. Protect the destiny.”*

Yahweh is telling this ministry the reason we can’t have troublemakers and division makers. I told you, we’re not a local church; we don’t do that stuff. WE ARE DIFFERENT:

We are One. We are anointed. We are called for this hour. If you're here to start trouble, you've got to go. We love you but go on out there. *"As for this house, how do you want us to raise him? What do you want the rules of his life to be?"* "What... Rules?" They tell you on TBN, Yahweh doesn't have rules. He said, *"This is a different child. This child is part of the covenant which is full of rules."*

Do you know why the Queen of England never went to public school? Do you know why she was never taught science? Because her Daddy said, *"You don't need science."* You know why she was never taught mathematics? *"You don't need math."* You know the only class she had from the time she woke up until the time she went to bed? Government and Constitution because she was born for a destiny and she was trained for that role. Yahweh is raising up an end time work that you have been called into. We don't have time for this petty mess.

The carnal minded naysayers often say *"If anyone gives you rules, that's religion."* No, it's called ORDER. Learn the difference. *"How do you want us to raise this church or this child? This ministry? What's the rules going to be: the covenant?"* The covenant is going to be the rules. Now let's read the last two verses of chapter thirteen.

Judges 13: 24-25 *24 So the woman bore a son and called his name Samson; Shimshon; Like The Sun: Powerful, and the child grew, and Yahweh blessed him. 25 And the Spirit of Yahweh began to move upon him, while he was at Mahaneh Dan, between Zorah and Eshtaol.*

The word 'Samson' means "LIKE THE SUN." I read in Revelation that a woman's going to give birth to a man child who's like the sun. Now we're getting to the end times. Listen to what she said: *"You're going to have a child and his name will be Samson."* And the child grew and Yahweh blessed

him. The Spirit of Yahweh is already in him as a child.

I remember at four years old, listening to the preacher preach. Other children were going to sleep. Other children wanted to go to the nursery. I wanted to hear the preacher. There was something in me. I wasn't born for this life. I was born for greatness, as a child. He began to do that: move upon me. The verse said the Spirit of the Lord began to move on him as a child. My grandma would come into my bedroom at night and you know what I was doing? Listening to the radio preachers. Why do you think He let me go to prison? He had to say, *"Hey dude, you weren't born for this, son. I've got to get your mind right. I chose you from a child and I'll put you in there until you say, 'Yes Sir,' and 'How high do you want me to jump?'"*

Watch your children. If there's a stirring in them towards Yahweh, you better protect them. Let me tell you what happens to special children if you don't protect them: child molesters and abusers. Why do you think my stepmother beat me like a bloody animal as a child? Why do you think I was molested as a child? Because the Spirit of Yahweh was moving me and Satan saw it. No one was there to protect me. I didn't have anybody to protect me. As the Spirit of Yahweh gives birth to First Harvest Ministries, just as much as Yahweh is touching us, the enemy will. If he sees a special touch on the ministry, you'll get a special attack. Grasp this: we're not like other churches! If you think we're going to sit here with no attacks and you get tired of a little trouble, and you get worn out from a little trouble, you're not worthy to be here. If the child was worth birthing, it's worth protecting! At First Harvest Ministries, it's worth birthing; it's worth fighting for; it's worth protecting; it's worth taking care of.

Now let's go to chapter fourteen, verse two. Let me show you what happened to this young boy that was born with a destiny: Let me show you what happened to him. This is

Yahweh's Remnant Israel. SAMSON IS REMNANT ISRAEL LIVING AMONG NATURAL ISRAEL. Samson is an Israelite by birth but he's also a Nazarite by calling, which is Remnant Israel. If you're going to be part of Remnant Israel, you're going to take a Nazarite vow; you're going to lay it all down, yes you are. But what happened to Yahweh's chosen vessel?

Judges 14: 2 When he returned, he said to his father and mother; I have seen a Philistine woman in Timnah. Get her for me as my wife. "I've seen a Philistine woman and I'm going to go get her as my wife."

Yahweh's people said, "I've seen the Christian church and I'm determined to be just like them and go mix in with them. I've seen Babylon and I'm tired of this difference; I'm having to live what they're not having to live. I took this vow but I just saw another church that looks like they got a good program going. I just saw a Philistine woman and my eyes are turning away from the covenant; I'm being tempted by Babylon."

But Samson, don't you remember all the truth you've learned in this ministry? "Yeah, but I'm lonely. I'm tired of sitting in my house, no church to go to. I'm tired of being by myself and everybody thinks I'm a lunatic because I follow this message and I think I'm just going to look at one of those Philistine women; one of the Babylon churches, and just go sit there in the midst of them."

Israel, your deliverer is coming if we can keep his eyes off of Delilah or Jezebel. He was impressed by Delilah. He didn't know what he had was so sacred.

"What is the big deal about Sabbath keeping?" IT'S CALLED SACRED. "But we can go over there and do this and be part of the Club and we could join the Royal Rangers and we could do this for our children."

If you don't love your children enough to get them out of Babylon, don't say you love them. Teach them Truth. Delilah was not walking in Torah; but she was having 'church'. She wasn't in the covenant. There was nothing different about her but she was having church, if you will.

They had a mixed marriage. He started flirting with Delilah and here's something I want you to notice: he went over and started necking with her. *"Can't hurt; just go hang out with the enemies of the ministry. Can't hurt; just go neck with them."*

Notice this point carefully; It was while he was necking with Delilah that he performed his greatest miracles: he killed the lion on the way to Delilah's house. He picked up the gates of the city while he was in bed with Delilah because Yahweh will test a true Israelite to see if they're in love with their miracles or their mandate.

THAT WAS A PROPHETIC WORD. Samson is necking with Babylon and burning up foxtails and vineyards. DECEPTION COMES WHEN YOU FORGET YOUR LONG HAIR: the symbol of your sacred separation is what makes you different from Babylon.

"Brother Vaughn, I can't be deceived." Of course you can, you were already deceived once. Many of you thought the military was going to bring Trump back. Don't tell me you can't be deceived. You told everybody on Facebook: *"Just wait till next week; it's happening."* You told them JFK was going to bring him back. Don't tell me you can't be deceived. You already have been. You better find a Voice of Truth and stake your claim in the Voice of Truth so you won't be deceived.

I told you for the last two years that I'm going to tell the world exactly how it was going to happen. You can trust the

Voice of Truth. *“But the Voice of Truth is not as pretty as Delilah; she’s more exciting.”*

I’m just telling you I’m tired of it all right now: running after every little Tom, Dick and Harry; and you’ve got Truth and you don’t even know what you’ve got. When it’s all over in 2024, you’ll come back and say, *“Thank you for Truth, Pastor.”* This truth will stand when the world’s on fire. That’s the reason we’re still here: Truth.

He went and necked with Delilah and she kept asking him, *“Where do you get your strength from?”* The enemies of Israel—the Philistines—did not want to kill Samson. THEY WANTED TO MAKE HIM NORMAL; THEY WANTED HIM TO BE LIKE THE OTHER ISRAELITES: NORMAL.

Listen to what I just told you: Satan’s not out to kill you; he’s out to emasculate you and he’s out to circumcise your power and to make you like other Christians.

If they wanted to kill Samson, they’d have just killed him. They didn’t want him to have the anointing. They wanted him to be normal. *“Don’t have power: be normal. Go to the church and be a normal Christian.”* It’ll be a cold day in ‘you know where’ before I ever become a normal Christian. I’ll be loud. I’ll dance. I’m afraid of becoming normal because the minute I become normal, I’ll lose my calling. It happens the minute we lose that mandate!

“Where’s your power, Samson? Where’s your Holy Ghost power you’ve got in there? Where’d you get it?” You notice he wouldn’t tell her the first few times. Once you start playing with the enemy, you don’t start going over to their camp suddenly. It happens one lunch meeting after another lunch meeting. It happens after one inbox after another inbox. You know, you don’t just go over there. No, it takes Delilah a few visits to get in that ear; before you become normal and leave

the work of Yahway to go to normalcy.

In verse seven of chapter sixteen Samson said, *“Just tie me with seven ropes.”* That didn’t work. In verse eleven he said, *“Use new ropes.”* That didn’t work, but I want you to notice what happened the third time. He still didn’t give up the secret which was the Torah: the Covenant, the Commandments; but he gave a hint. On the third time, here’s what he said, *“Take the weave of seven braids of my hair... “Uh oh, start chipping away at my covenant.”* Now he didn’t tell her, *“Cut my hair,”* because he wasn’t ready to leave the Church just yet. He wasn’t ready to walk out of his calling just yet. But here’s what he did do: he said, *“I tell you what; if you’ll braid my hair...”* Oh oh oh, he’s getting close to the secret now.

Finally, this is what Delilah said to him:
Judges 16: 15 Then she said to him; How can you say: I love you, when you do not trust me? This is the third time you have made a fool of me and you have not told me the secret of your great strength.

Here’s what the other church world will tell you when they want you back; here’s what the Babylonian church says to you: *“We need to be united; we need more love.”*

This is Babylon on your Facebook page talking to Israel saying, *“Quit being so divisive; we need more love and unity. If you love me Samson, you’ll give up the covenant: you’ll shut up about the Sabbath Day, you’ll shut up about the Holy Days. If you love me, unite with me; give up your difference.”* I’d rather be divided in Truth than united in error. I don’t want to join up with you; join up with that. The church always plays the love button.

“Oh, Y’all need to show more love.” We do show plenty of love; you just can’t handle it.

The Bible says, “*He chastises those that He loves.*” When we draw out that sword, that’s love coming your way. It’ll cut off the sin, it’ll cut off the rebellion; it’ll cut off everything that isn’t supposed to be there. She said, “*If you love me, join me.*” I’m really talking to somebody! “*It isn’t that big of a difference what day we worship on; we need more love and happiness. Y’all just don’t have any love over there. I want to know the secret to Y’all’s difference.*” The secret is love because we’re so in love with the covenant, we’re not about to give it up to compromise with you.

So there they lay and she pulls the love button. This is when you’ll fall; when your family pulls the love button on you. The end time Israel is falling because of a false, pseudo love; a love that is no love at all. How can you tell me to love you when you’re trying to destroy me; trying to take my covenant? But you said, “If I love you...” If you loved me, you would shut up and leave my hair alone.

Judges 16:16 *And so, when she had nagged him with her words day after day, and pressured him, until he was tired to death;*

What did she do? She nagged him daily on Facebook. “*Y’all need more love; don’t cause more division. Don’t cause any strife; just love everybody.*”

Judges 16:17 *Then he told her everything...*

Then he told her everything! You better not take this sermon lightly; this is the sermon of the year! This is coming from the Throne of Yahweh for an End Time Church! The minute they pull ‘more love’ is the minute you’ll give up every day: “*This covenant I have with Yahweh; take it away.*” And they did, shortly after the Church was birthed, she started giving away her power to the Philistines that ruled Israel.

She gave away her difference to be like the world. That's what Samson is: he's the symbol of this church, but there's a part two to this story.

Yes, they took power from the Church; Israel's in trouble. The one that was supposed to deliver the Church has now taken the Commandments lightly. Here they came and what did they do? Gouged his eyes out. Do you know why? What was it that caused him to leave the Torah?

"I saw a woman. I saw another religion. I saw an easier way. I saw an easier life." And Yahweh said, *"Okay buddy, I need to knock your eyes out so your hair will grow back on your head, son. I need to take whatever's distracting you from the sacredness of My Covenant and blind you to it."*

And now the End Time Church: Yahweh knocked their eyes out hundreds of years ago. We've been walking around in blindness and in the darkness, but the Bible said in the last days, their hair will grow back: Samson will rise again.

At the end of time, at the end of the story, at the end of the sixth day, this old blind church that Yahweh had to take the love of the world out of their eyes, started saying, *"You know what? I'm going to return to my covenant."* it was him, Samson, that could scream, *"Babylon has fallen!"* because it was him that pushed down the walls. Hallelujah! Babylon has fallen! It will be the Samson ministry of the end time church that will have restored eyes because they restored the Covenant and they will push down the walls of Babylon and *"Let my people go."*

Remember what Yahweh said about Samson when he was born? *"You're going to deliver My people. The Philistines are not going to rule over them any more."* When he pushed down those walls, he ended the Philistine rule over Yahweh's people. Those walls are coming down right now. Babylon has

fallen! This ministry has been called by Yahweh to put our hands on the wall to push; push lies with Truth. I want you to take both hands in the Spirit, prophetically right now and push.

Yahweh said, *“I’ve called you to push Truth; push away lies; stand for the Covenant and for the Commandments.”* Babylon has fallen! Babylon has fallen!

THESE WORDS WERE SPOKEN AT THE END OF THE SERMON BY MOTHER WANDA KENDRICK - the Bishops Wife.

Samson was running toward Delilah’s church. That’s why we can’t be like the world. The Bible says to be a separated people. We have to look different, act different: different everything. That’s why if we want to be the Church, we better line-up: check our life daily. We don’t want to look like them; we’ve got to be a different people all together.

I’m grateful this sermon went across the world because this is what the Church needs more than ever before. They’ve been straddling the fence too long; they’re lukewarm. They think, “I’m fine; I’m alright,” but they’re not. Either you’re hot or you’re cold. We’ve got to come to grips with life.

We’ve either got to be a Samson or a Delilah. You better choose this day who you’re going to serve because our God is a very jealous God. When you’re looking at me, I’m no different here than I am at home; I’m the same. When we go out in public, we’ve got to be a shining light; we’ve got to act right.

We’ve got to act right toward our neighbor, toward everybody.

From Pastor Vaughn:

I prophesy that at these end times, the hair is about to grow back on Yahweh's Church; the difference is about to grow back on Yahweh's Church.
