

House of Israel

(Inspired by: Israel 101, Part 2

O House of Israel,
Do you know who you are?
That once you were scattered
among the nations afar?

Now Yah is calling you back,
He's opening your eyes.
All that you were taught and believed
have been mostly lies.

You never questioned what you heard,
you just did as you were told.
But now you're seeing in His Word
why you felt so dead and cold.

You are the “dry bones” Ezekiel saw,
and you're coming back to life!
Yah has called you out of the darkness,
out of misery and strife!

You served the gods of this world,
but now serve only One.
He is your Heavenly Father,
revealed by the Son.

You're learning to love His Law
and daily seek His Face.
No longer confused by religion,
you're safe in His embrace.

The House of Israel is the “fig tree”
that blooms in the last days.
This is the final gathering
of all who love His Ways.

Your name no longer “Gomer”.
Yahweh has made you clean.
Soon you will rule on earth
with King Yahshua as His “Queen”!
