

# **The Mazzaroth**

**(Pastor Vaughn, Part 10 – fhtv.tv #2064)**

Here we have the Gemini  
with an important role to play.  
These two twins in the sky  
are Spirit and Truth in our day!

The Seventh Day is coming!  
The reason they are here  
is to measure the Bride for Yahshua  
as that time draws near!

The Father now is seeking  
true worshippers in the Spirit.  
He's revealing the hidden Truth  
and calling those to hear it!

Spirit and Truth together,  
finally in this age!  
This makes Satan tremble  
and fills him full of rage!

He knows the Day is coming  
when he will be dethroned.  
Yahshua will replace him with  
a government of His own!

When the dragon breaths fire on us,  
trying to slow us down,  
we'll breathe our Holy Ghost fire on him  
and fight from higher ground!

The foundation of Truth is the Torah,  
thank Yahweh we have found it!  
All the rest of Yah's Word  
is solidly built around it!  
Two witnesses, two olive trees,  
all for one purpose:  
to unite Spirit and Truth  
and give us all clear focus!
