

## **Prayer**

### **Unlocking the Unseen Realm** (Pastor Vaughn, Part 7 of 11, fhtv.tv #2913)

A true father is a gift  
but he cannot be your friend.  
His job is to prepare you  
for challenges on end.

A friend will always tell you  
what you want to hear.  
They need you to like them  
and always keep them near.

But a father is not allowed  
this kind of luxury.  
His child may sometimes hate him  
for the discipline received.

Yahweh is our Father  
and His Word we must obey  
or suffer the consequences  
for doing things our way.

Prayer is the only way  
you can hear your Father's Voice.  
He's there to help you  
always make the right choice.

He has a plan for everyone  
but first, He must have sons  
who are fit to rule and reign  
with Yahshua when He comes!

Start every day with prayer,  
and quiet time too.  
Listen for your Father's Voice,  
He has a message for you!
