

The Mazzaroth

(Pastor Vaughn, Part 14 – fhtv.tv #2105)

As end-time believers,
we have learned to recognize
those who are deceivers,
spreading hellish lies.

They can prophesy and raise the dead,
but regardless of their action,
if they do not love the Torah,
they are only a distraction!

The woman in Revelation 12
is waiting to give birth
to the One who, with the Son,
will rule and reign on earth!

Though the Dragon tries his best
with the birth to interfere,
to no avail, he will not prevail
as that glorious Day draws near!

While we are waiting
for the right to rule,
we are still in training,
we are still in school!

We must learn to control
our emotions and our feelings.
Never let them interfere
with any of our dealings.

Love those who hate us,
forgive all attacks.
Always remembering,
Yahweh has our backs!

We were once as blind
as they now seem to be.
But Yahweh gave us sight
and the truth we now can see!

Stay on the narrow path,
accepting all correction
until in unity of faith
we finally reach perfection!

Keep walking in the truth
and speaking it in love
so we grow up in all things
and please our Messiah above!

When we are questioned by others
who want to walk this way,
tell them they must prove it
by being willing to obey.

The whole Spirit of Torah,
when all is said and done,
is to first love Yahweh,
then love everyone!
