

THE HEAVENLY SCROLL

The Mazzaroth Part 13, *Cancer Part 1*

By Pastor Shane Vaughn, First Harvest Ministries

We are now on part thirteen of *The Heavenly Scroll*, and we're moving from The Two Witnesses to the Crab, or CANCER. I'd like for you to look at the Crab, and I want you to carefully notice the Crab. I want you to look at the Crab and notice the claws. Don't they look like a vice grip to you? Don't they look like if they get a grip on something, nothing is going to take it from them? Amen? Cancer means *to hold*, or *to protect*. Keep that in your mind: TO HOLD or TO PROTECT.

When we ended our sermon last week, we ended with Gemini and The Two Witnesses in the book of Revelation. If you'll remember, in the book of Revelation, those Two Witnesses had resurrected from the dead. Those Two Witnesses had gone into the clouds to meet Yahshua in the air. What is going to happen when The Two Witness Ministry comes forth? The next chapter, which is Cancer, or the Crab. When The Two Witnesses rise—Spirit and Truth—they are calling forth The House of Israel. They are calling forth

the Two Sticks. They are calling forth REMNANT ISRAEL. What happens after The Two Witnesses start calling us forth?

You're going to learn that today in the Crab, or in Cancer. Let me explain a few things about this Crab or this Cancer, if you will. The term Crab was chosen because of its ability to take hold of something and hold it firmly, and protect it. The Crab can take a hold of something and protect it. I promise you when a crab gets a hold of your finger, there is no devil in hell that can snatch it out of their hands. HalleluYah! Once the Spirit of Truth has called you out of Babylon, then the End Time is upon us, and the attack of the enemy will intensify in your life like you've never seen before!

In the End Time, there is going to be a spirit unleashed on the Church. That spirit is going to drive the Church to a place in which we must come under His total protection! There's coming a time when everyone of us is going to have to run into the claws of the Crab for Him to hold us—The House of Israel. There is a prophecy in the stars that says that after The Two Witnesses have begun their ministry, that there would be a TIME of PROTECTION! We don't believe in the rapture. We believe that the Father is going to protect Israel right here on earth in those Crab claws! He is going to gather us together and hold us in great protection!

The Bible just repeats itself over, and over, and over. All you have to do to find out what is going to happen in the End Time when the plagues begin to fall, is go back to The House of Israel, and find out what happened there. What happened when Yahweh poured His wrath down upon Egypt? Did He rapture Israel, or did He take them in those claws, and protect Israel? He did what? He took them and hid them in the shadow while He was sending plagues upon the earth. He was protecting His people.

That's what's going to happen to us when the plagues of Yahweh are going to fall. When destruction begins to come by Taurus—that raging Bull—there is going to be an ingathering of The House of Israel. We are going to come under the protective claws of Cancer the Crab. That is a prophecy that is in the stars. The word crab in Hebrew is the word *Klaria*. It literally means

either *the sheepfold* or *the cattlefold*. A rancher or a farmer builds a protective fence, and they call it a fold—a sheepfold or a cattlefold. It's where all the sheep are driven into, to come together in protection. That is klaria, or the sheepfold; the enclosure. I know a God Who will take His people and literally ENCLOSE them in the time of trouble. He will literally take those claws and pull you out of the battle, and bring you into a protection that the enemy cannot touch, and cannot penetrate!

I'm encouraging you this morning to know that there's a CRAB; there is an ENCLOSURE; there is a SHEEPFOLD; a place of protection for every Israelite! And after the enemy has fought you on every hand, have no fear because those claws will reach down! The Bible says He is a very present help in the time of trouble! He will reach down, pull you out, and hold you in the sheepfold! He will put you in the hiding place of the Most High God! You've got to know that, you've got to trust that!

Yes, you are an open target for the devil. You are an open target for your enemies. But I'm going to tell you what I told the church last night: You may be an open target, but he is a lousy shot, because everytime he shoots you, he misses! Do you know why he misses? Because that Crab has taken you and enclosed you in that protection that's promised to Covenant Keeping members of ISRAEL. You can trust those claws, those claws of protection!

Klaria is the Hebrew name for the Crab, and now I want to teach you what crab is in Arabic. It is the word *Al Sartan*. It means *to hold together* or *to bind*. Before long, you're going to start getting the picture of what this prophecy is in the stars. After He calls Israel out with The Two Witnesses, then what does He start to do? Bind them together; hold them together. He begins to bring them tighter!

I just heard the voice of Yahweh say to me, "If it were not for the attack, I could never bring Israel together into the sheepfold and cluster them together to hide from the attack." We are living in a moment now, where the Father is bringing this ministry closer, and tighter, and more unified!

The Crab Claws are coming OUT! The sheepfold has been built for us to run to in this hour, and at this moment! *Al Sartan* means to BIND TOGETHER. I feel that binding together right now! He literally has promised Israel: *Once I've called you, I'll bind you together.* We have in this room about a thousand people who have heard the call to come out of Babylon. In this FHaMily, many have never met one another face to face, yet you are all enclosed in the same sheepfold.

Do you know why you can't wait to get here on Saturday morning? Because you know you are going to be enclosed with the sheepfold. You're going to find that place where you know you are protected from Babylon; you are protected from the deception of this age and this world! Brothers and sisters, *al sartan* means *to bind together*! We've gone through the Hebrew, which is *klaria*. We've gone through Arabic, which is *al sartan*. Let's talk about the Greek name for the crab, which is *karkinos*. *Karkinos* means *holding or encircling*.

I just heard that scripture that says *the angels of Yahweh do camp round about those who fear Him, encircling them*. Once The Two Witnesses have called you out, then the encircling will begin! You'll begin to feel the Ministry of the Crab. You'll begin to feel what the crab does—it pulls; it reaches in and pulls out. It brings you in from one fold into another fold. It separates you from where you were to where you are being encircled; where you're being repositioned to. It means *holding you*. There is a HOLDING POWER that comes after you've heard the voice of The Two Witnesses.

Then you will experience a holding power binding the sheafs of wheat together! He's a BINDER, He's a HOLDER!!! We are living in THE BINDING MOMENTS! That's why the Bible said that everything that can be shaken will be shaken. The very proof that you're not in the claws of this Crab, is if you can fall out of them. HalleluYah!

What about the Latin word for Cancer? It is *Kahn*. You're not going to believe what *khan* means. It literally means *a travelers' rest or inn*. It is literally a hotel. It is literally where a traveler would stop and rest. So the

word Cancer is *a place of rest*. When you've heard the message, you will find a resting place that you've never known before.

And finally, let's talk about the Acadian name for Cancer. It is the word *Sukulna*. Guess what it means. *The Possessor of the Seed*. I want you to remember that word *seed*. I'm getting ready to teach about that seed. I want to tell you today that if you are watching me, you are the seed of Abraham, and you are being possessed. But it's not by devils; it's by a Crab. You're being possessed. You're being claimed. The seed is POSSESSED! If anyone tries to tell you that you are possessed by devils, you tell them, "No, I'm possessed by a Crab. I'm possessed by the claws of the holding power of Almighty Yahweh." Amen.

Inside of Cancer; inside of that cluster of stars, there is a bright cluster of stars known by modern astronomers as the Beehive Cluster. In ancient days it was known as Praesepe, which means *a multitude* or *offspring*.

Remember what the Acadian meaning was: *a possessor of the seed*. What does Praesepe mean? *A multitude or offspring*. What does a seed normally produce? A multitude of offspring. Stay with me. Let's talk about the brightest star in that constellation. It's called Tegmine. It simply means *holding*. Is anyone starting to get a picture here? That's all I'm trying to do.

Tegmine means holding. Then, in the large claw of Cancer, in that big claw on the right is a star called Acuben, and it means *a hiding place, a sheltering place*. Is anybody starting to get the picture? There is another star in the other claw. You've got two claws, and there are bright stars in each one. That star in the other claw is named Maalaph. It means *the assembled thousands*. Now remember, in Acadian it is *the possessor of the seed*. Then remember that the Beehive Cluster means *a multitude*. Then when we get to Maalaph, it means *the assembled thousands*; or 144,000! Is anybody awake today?

Now we're going to get somewhere in a minute. I just have to get through this foundation. Over here we've got *holding*, we've got *gathering; a hiding place*. We have a HIDING PLACE for the 144,000! Who called those

144,000 out? The Two Witnesses. Once they are called out, they now need a what? A Hiding Place! There's a constellation in the stars that says to you, *FEAR NOT!* There's a prophecy in the stars that says, *Fear not, little children for I will bring you unto Myself. I am the Crab. I will send forth that gathering claw to gather you to the sheepfold—the hiding place where I am assembling the multitude of the seed.* HalleluYah!

If you ever start to feel like the sky has fallen, just wait for that crab claw to reach out. The Bible said, “I was about to fall, and He reached down and picked me up.” I feel that crab claw right now! HalleluYah! He'll pull you right out! He'll put your feet on a solid rock! HalleluYah!

There are another two stars that I want to talk to you about that are right there in that cluster. The name is Asellus. The word Asellus means *ass*, or *donkey*. This is called the North and the South Star of the Praesepe. Both of these stars are called asses—assellus, or donkeys, or wild asses. If you need to go watch my sermon from Isaiah on fhtv.tv called *Sniffing the Wind*, these two wild asses leave the fold, and go out on their own. Who did that? Judah and Ephraim. They went out on their own. The House of Judah, the Jewish people, and then you, The Lost Tribes—out there like wild asses.

But it is a promise that when The Two Witnesses begin to call you, the Crab is going to reach His hand out to those two wild asses and bring them into the sheepfold. Then they will go from an ass to a lamb, from a lamb to a ram. This is promised to happen to us in the End Times. How many of you remember when He grabbed your wild ass and brought you into the sheepfold? HalleluYah! You quit running.

You quit running from church to church, running from religion to religion, from doctrine to doctrine. No. You heard The Two Witnesses, and then the Crab brought those two wild asses into the sheepfold. All of a sudden what was running wild has now submitted to godly authority, and the teaching of the Word. They have come into that enclosure. Praise Yahweh! I want to show you these two wild asses. Go to Genesis 49:14. I'm going to show you an end-time prophecy that you didn't know was an end time prophecy. One

of the tribes in the Twelve Tribes of Israel had a symbol of two asses on their banner. That was their symbol. It wasn't a lion. It was two donkeys. Let's find out which tribe that was.

Genesis 49:14 Issachar

Issachar! Let's see what he has to say about Issachar, and how he describes this particular tribe.

Issachar is a strong donkey

Issachar is a strong, rebellious ass! He's strong. He will NOT submit. He will not come under the government of Yahweh. He will not come into the sheepfold. He will not be controlled. But in the end times, here is a prophecy of what will happen to the scattered Lost Tribe of Issachar. Listen to what he's going to do.

lying down between two saddlebags.

KJV crouching down between two burdens

Listen. He is going to crouch down between two what? Burdens. Control is the burden. When they put the bridle on their mouth, it was called a burden. He's going to crouch down between the burdens; the saddlebags.

15 When he sees how pleasing is his resting place,

He's going to find a resting place, and it's going to be good. Some of you watching me right now, the Father took you from a wild ass and placed a burden on you. It has caused you to crouch down into the sheepfold, and you have found rest in the resting place, and it is good for you. And the land was pleasant! Read that.

and how pleasant is his land, then he will bend his shoulder to bear a burden; and he will submit to forced labor.

This strong ass is going to bow his shoulder. He is going to come into the sheepfold. He's going to be a servant instead of a leader. You can't become a leader until you first become a servant. I hope you see these two asses in Crab is the Tribe of Issachar, which represents The Lost Tribes of the House of Israel. These two rebellious asses will come into the sheepfold and be protected. When does this protection happen? Go to the book of Obadiah.

When does this ingathering occur? I need everyone to hear in the Holy Ghost. They have been out there bucking against truth; bucking against godly authority. Someone wrote in one of their hit pieces on the ministry that Saul fell and he was no longer God's anointed, but that is a lie from the pits of Hell. Even when Saul fell, what did David say? "That is God's anointed. I will not put my hand against him no matter what I think he may have done, or may not have done. If God calls him anointed, I cannot call him no longer anointed."

So we need to understand that in order to come into the anointing, into the protection of the anointing, we must allow those crab claws to grab us. After we've heard the call, we must come into the UNITY of the assembly. We must come under the burden, and do the work we were born to do. Let's read Obadiah, verses seventeen through nineteen.

Obaydyah 17-19 But upon Mount Zion will be deliverance, and there will be holiness; and the house of Yaaqob will possess their inheritance.

18 The house of Yaaqob will be a fire, and the house of Yahseph a flame; but the house of Esau *will be* for stubble, and they will kindle in them, and consume them. There will not be *any* survivor in the house of Esau, for Yahweh has spoken.

19 *They of the South; Negev,* will possess the mountains of Esau; *they of the Philistine lowland* will possess the fields of Ephraim and the fields of Samaria; and Benjamin *will possess* Gilead.

I want to show you something here. These are all The Lost Tribes of Israel that are being named. There is a prophecy for those tribes, that one day they will possess what has been possessing them. The only way you can come into the possession is for those crab claws to grab you and pull you into the sheepfold. I want you to hear me. There is a spirit in the Church today, and it is a wild ass spirit. Here is what it does: It refuses to have a burden placed on it by the ministry.

It refuses to come into the unity of the sheepfold. That wild ass spirit wants to run around outside of the sheepfold, outside of the government of Yahweh. It wants to run around loving the message while separating from the sheep in the sheepfold. Yahweh is calling you today to become more united with your brothers and your sisters that He has called into this sheepfold—more than you’ve ever been before.

Now is a perfect time to do it because everyone that was our Judas’ have left the building. Everyone who is with us today has been called into a sheepfold. Do not allow the voices of those who have not one ounce of anointing in their voice or on their life to influence you. Don’t allow them to become an instructor to you. Paul said, “You have many instructors. Everybody wants to teach this message, but you don’t have many fathers.”

Who is your father in the Lord? You better have one, and you better know him by name, because it’s the Father who brought you the LIFE of this message. When you separate from the Father, you are separating from the LIFE of the Father. I want to explain it to you like this: Take a spring of fresh water where there is fresh revelation every service. Everytime I take the mic there is a fresh revelation. That’s called Living Water.

You can go to that pool of Living Water where we’ve dug out a pool for it called First Harvest Ministries, where living water is flowing in and out of it. You can take that water out of that Living Water and build yourself a reservoir, and pour that Living Water into that reservoir. You can take the message that you heard taught in that pool and bring it over to another reservoir, but something is going to happen to that water a few days later.

It's going to get stale, and everytime you listen to them all you're going to hear is about the Sabbath Day. The only thing they know how to teach is a message that came from Living Water.

That's what happened to the Seventh Day Adventist Church. They had Living Water in the beginning with Miss White. I don't agree with everything she teaches, but there was a fresh revelation flowing through her. They took that, and they took it without godly leadership and built a reservoir, and now that water is stale. All they know is the Sabbath Day.

All you know are the Holy Days. Do you think all there is, are the Holy Days? If that's all we are, then you don't have to come back. You know about the Holy Days, and you know about the Sabbath. Have a good day. If you think that's what the message is, if you think the message is *What Happens to the Dead?* No, no, no. The message is the fresh word that comes forth daily from this ministry! That reservoir that they're trying to get you to drink out of, is going to dry up and be infested with fungus and algae.

Pastor, may I speak? I see the picture of the shepherd. In the winter he brings in the sheep for protection when the bad weather comes; when the bad times come. Those who will not come into the fold, they die.

They die. This next scripture is going to go perfect with that, Sister Sandra. Ezekiel 34:12-16. I want to show you now the prophecy of the Crab, the prophecy of Cancer. I want you to see the prophecy now in the Old Testament. It's going to line up perfectly with the Heavenly Scroll. Until we get to Cancer, there is no ingathering in the Heavenly Scroll. We see Pisces talking about the coming together of the two Churches; we see Aquarius—the outpouring of the Holy Spirit. We see Sagittarius as the Church maturing. We see the Two Witnesses as Gemini, but we don't see any ingathering until we get to Cancer. Let's read in your Bible that prophecy that was first written in the stars.

Yechetzqyah 34:12-16 *Just as a shepherd seeks out his flock in the day that he is among his sheep that are scattered; so will I seek out My sheep, and will deliver them out of all places where they have been scattered in the cloudy and dark day.*

13 And I will bring them out from the people, and gather them from the countries, and will bring them to their own land, and feed them upon the mountains of Israyl by the rivers, and in all the inhabited places of the country.

14 I will feed them in a rich pasture, and their fold will be upon the high mountains of Israyl; there they will lie in a pleasant fold, and *in a rich pasture they will feed upon the mountains of Israyl.*

Did you hear it? Do you see Cancer. Do you see the Crab? I'm going to gather them together into what? A good fold. I'm going to bring them into a fold, not by themselves, not out there like wild asses; but I am going to gather these two wild asses into a good fold.

15 I will feed my flock, and I will cause them to lie down, says Father Yahweh.

16 I will seek that which was lost, and bring back that which was driven away. *I will bind up that which was broken, and will strengthen that which was sick; but I will destroy the fat and the strong; I will feed them with judgment.*

Hold on. I'm going to do what to the strong; those who take a stand out of the sheepfold, those who have a rebellious back, those who love the message but they don't love the members of the message; they don't love the fold? What am I going to do to them? I'm not going to bring them into the fold. I'm going to destroy them. There is the Crab, and there is the ingathering of The House of Israel. We don't get an ingathering until we get a message of Spirit and Truth through The Two Witnesses.

Ladies and gentlemen, you are living in the finest hour of mankind; the greatest hour in the history of the world. You are living under the voice of The Two Witnesses. You are living under Spirit and Truth! Now you are being ingathered into a good fold, yes you are. That Crab reached you in Georgia, Mama Dot. That Crab reached you in Texas, Sister Ann. Sister Susie, that Crab reached you in Arizona. It has brought us all into a Good Fold where there is Living Water, Fresh Revelation, and we will ignore the strong and the fat. Together we will become The BROKEN and The OBEDIENT. We will become members of This FOLD. HalleluYah! May the Father of heaven hear our prayer today.

Now I want to show you a revelation today that you need to understand. Remember, one of the meanings of the Crab was the multitude and the seed. I'm going to prove to you today who that multitude is that the Crab is grabbing, and how we get this multitude. I want to go to John, chapter twelve, and I'm going to read you perhaps one of the strangest verses of Scripture: John 12:20-24. When we get to John, chapter twelve, this is a very strange scripture. I'll explain why as we read it.

John 12:20-24 Now there were certain Greeks among those who came up to worship at the Feast;

21 And they came to Philip, who was from Bethsaida of Galilee, and asked him, saying; Man, we want to see Yahshua.

So here you have some Greeks at the Feast, and they had one desire. They wanted to see Yahshua. That was all they wanted. They wanted to see the man, Yahshua. In the next verse you are going to see when the apostles went to Yahshua and said, "Hey, there are some people who want to see Yahshua."

22 Philip came and told Andrew, then Andrew and Philip again told Yahshua.

23 But Yahshua answered them, saying:

Listen carefully. I know that many times as Professor Toto I go to events and people say, "Somebody wants to meet you outside." I might say, "I'm busy, but I'll be there in a minute," or I might say, "Sure, take me to see them." I give a response to the question, but not Yahshua. No, no, no. They said, "Yahshua, there are some people who want to see You." Listen to His answer. It is the strangest answer in all of the gospels.

The hour has come that the Son of Man should be glorified.

24 Truly, truly, I say to you: Unless a kernel of wheat falls into the ground and dies, it remains alone. But if it dies, it brings forth much fruit.

Hold onto your britches; it's coming in hot! He said, "Tell them that what they're wanting to see does not exist yet." They want to see the Son of Yahweh: Yahshua. He said, "You go back and tell them He's not here yet. You go back and tell them He's not ready yet. Tell them what they want to see doesn't exist right now, but the hour is coming where what they want to see, they will see." Then what does He do? He compares Himself to a SEED.

He said, "They want to see the Son of Yahweh, but right now if I go out there and meet them, they are not going to see the Son of Yahweh. If I go out there, they're only going to see the Seed Son." I'm getting ready to show you the multitude that Cancer is grabbing. Listen to me carefully. Now let's read the verse about the seed again.

24 Truly, truly, I say to you: Unless a kernel of wheat falls into the ground and dies, it remains alone. But if it dies, it brings forth much fruit.

The Son that you want to see is not here yet! I alone am NOT the Son of Yahweh. I'm just the Head, and without a body, I am nothing. Hang tight.

When He went in the ground and died, watch that Seed. He said He was the Seed Son. That is Who Yahshua is! He is not the FULLNESS of the Son.

That's the problem with modern Christianity. They have you focused on the Seed, instead of the Fullness of the Son. When He was resurrected from the grave, that's what He looked like. See the Son? He went in as the Seed Son, and He told those people who wanted to see the Son of Yahweh, "He's not ready yet!" Watch this. He said, "When I come out of the grave, I'm still not going to be ready for you to see. As the Church is maturing, I'm still not going to be ready for you to see the Son of Yahweh." But when it looks like this, you will see the Son of Yahweh.

THE FIRST HARVEST IS THE SON OF YAHWEH! Glory!! Glory!

Christianity preaches that picture. Have you heard them say, "It's all about Jesus."? No, it's not! The First Harvest is all about the Son in His FULLNESS! I promise you, everything that was in that Seed is in that harvested corn. He loved His enemies, and His corn is going to love their enemies. In how He acted to those that did Him wrong, that corn is going to be just like the Seed. Everything that was in the Seed is in the corn; it's in the First Harvest!! Amen.

Brother Branham was right about that shuck in the seed. I got this seed message way before now. That harvest is going to be the Seed duplicated. Satan wants the Church to be preaching about a man on a cross, but the

real ministry will be preaching about MANY men in the sheepfold. THAT is the Son of Yahweh.

So many people misunderstand that scripture that says, *The fullness of the Godhead dwelled bodily in Christ*. They think that's talking about a man called Jesus. No! You need to read my booklet called *The Godhead*. You need to read that the fullness of the Godhead is bodily. It's bodily. What does that mean? The Fullness of Yahweh was not IN Christ. The Fullness of Yahweh is in the FULLNESS OF CHRIST!

It's not in the Seed; it's in the HARVEST, because the harvest is the Fullness! You better understand these things. It's hard to teach them because our minds are so conditioned. You need to understand why Satan wants to distract this ministry. I promise that those fighting us don't get the emails that I get on a daily basis from those people who have been called out of Babylon.

Don't you dare try to compare your fruit with this fruit. Yahweh has used this ministry to help bring forth the First Harvest. He didn't give the name First Harvest to our enemies. He gave that to this ministry. We are the Original Seed, and nothing you're going to do or that I am going to do can stop it. You better realize it before it's too late! This all started here, and this is where Yahweh is working. That harvest is in the Seed.

They said, "We want to see Yahshua." What did Yahshua say? He's not ready yet. How many of you read that all your life and you never saw that? That's the revelation of truth. That's when I talk about fresh water. You just got it. When I say it's about the message, that's what I mean. All of a sudden, one scripture transforms before your eyes. He said, "The hour is still coming. Tell them the bread is still baking. Tell them the garden is still growing." The Fullness of Messiah is not yet here. Amen. We need to understand that there is a HARVEST coming forth, and Yahshua is the Seed of that harvest, and we're coming into those Crab hands where He's going to protect the multitude.

Go back to the meaning of the word Cancer and Crab. Remember, it was being possessed; the multitude of the Seed. HalleluYah. I hope you are starting to understand Cancer now. Remember this: First the Seed, then the Blade, then the Ear, and then the Corn. How do you know the difference between fake believers and real believers? There are three types of believers. I'm going to borrow that from Brother Branham. True believers, unbelievers, and make believers.

Remember that as long as you live: TRUE believers, UNbelievers, and MAKE believers. You don't need the gift of discernment to know the difference in the true believer and the unbeliever. It's pretty obvious. You're going to need the gift of discernment to know the difference between the make believer and the true believer. They look just alike. Let me show you the stages that they all go through. It's important that you understand that they all go through these same stages together. Look at this image again. Look at those three stages.

The make believer goes through all of those stages along with us. Over on the far left they hear the word; that's the seed level. They decide they like it; they believe this message, and over there as the plant emerges, they start growing with us. They are dancing with us; getting out in the

aisles and shouting with us. Over here on the far right, they look just like us. They sing in the Spirit with us, have good church with us; the whole nine yards. But the problem is when you get to the harvest.

When it comes time for the harvest, anything that doesn't bear corn—those ears—gets blown away when the wind starts blowing. There is nothing to hold them; they have no weight to them. Those that have ears of corn are

going to be there when the battle is over. I want to encourage everyone of you today to understand that Messiah planted the seed, and you have become the seed. Let's go to the book of Revelation as we get ready to close today;

chapter seven, and verse three. Once the Father calls you and as we enter into these end-times, as trouble is coming upon the earth today, I want you to hear these promises.

Revelation 7:3 Saying: Hurt not the earth, neither the sea, nor the trees, until we have sealed the servants of our Father in their foreheads.

In other words, anything that is not sealed or protected in the crab claws is going to have judgment upon them. Anything that is not protected by those crab claws. Anything not in those claws is going to have judgment upon them. But notice what it said: *The sea, and the earth, and the trees*. That is the flesh realm, and the realm of evil. That is religion and evil. There is a certain group of people who are stuck on the earth. He said, "Before you destroy it all, I want you to gather My people with the crab claws, and seal them on their forehead." Let's go to Revelation 9:4.

Revelation 9:4 And it was commanded them that they should not hurt the grass of the earth, neither any green thing, nor any tree—but only those men who do not have the seal of Yahweh on their foreheads.

Only those not in the enclosure; only those who have not been pulled into this mysterious protection that no matter what you throw at them, it won't stick, no matter how hard you fight against them, there is something around them that surrounds them! In Donald Trump we see the same thing. When you come into the crab claws of Yahweh's protection, the enemy cannot penetrate it! He will seal them and protect them! Cancer is the sign of the protection of the 144,000! Amen. We are going next to Revelation 14:1. Before you read this, there is something you need to get, and I will probably have to teach it next week, but let's start.

Revelation 14:1 And I looked, and behold, the Lamb standing on Mount Zion, and with Him 144,000 having His Name and His Father's Name written in their foreheads.

His Father's Authority! We were under the authority of the Word, and not Babylon. We were under the authority of the Sabbath. We were under the authority of the number SEVEN instead of the number ONE. We came under our Father's authority, and now because we have come under that authority, those crab claws have reeled us in.

Let's go to Revelation, chapter twelve. Before you read Revelation twelve, remember what was in Revelation eleven—The Two Witnesses, Gemini. But as we come into Revelation chapter twelve, the scene is about to change. Remember, The Two Witnesses went up into the clouds to meet Yahshua, and I want you to see what happens after The Two Witness message begins to go out. We're going to start in Revelation 12:1.

Revelation 12:1-2 And there appeared a great wonder in heaven: a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars.

2 And she, being with child, cried out, laboring in birth, and pained to be delivered.

So the scene changes from two witnesses, to a woman giving birth to a child. Why? Why do we all of a sudden have a change of scenery? Beloved, once you understand the word pictures of the Bible, you will understand that we have not had a change of scenery. We have simply had a change of descriptions of what the last scene was doing. Bear with me. In the scene of The Two Witnesses, they are calling forth the BRIDE, the END TIME BRIDE. This woman in Revelation twelve is now getting ready to produce a Man-Child. Now you might understand why Yahshua told those people from Greece who wanted to see the Son of Yahweh, “He’s not ready yet.”

Somebody is going to grab what I just said and get it so deep. That’s how I know who the true ones are; those who have ears to hear what the Spirit is saying, not what Brother Vaughn just said. Behind Shane Vaughn there is a Spirit Drop right there that somebody is going to get. They told Yahshua, “We want to see Yahshua!” He said, “He’s not ready yet, because He doesn’t come out until Revelation chapter twelve!”

It was a future event. It wasn’t then.

Say it brother! Absolutely, because He is still baking in the oven of the Church. Now you know where the fullness of the Godhead is. It’s in this Man-Child that’s about to come forth. I want you to listen to me. The Bride of Christ is those who have heard The Two Witness message: Spirit and Truth. Do you want to know how she got pregnant with a true Son of Yahweh—a Man-Child? Because it takes two to tango: Spirit and Truth. You’re all starting to get it now!

In other words, we’ve had the Church for 2,000 years. Why have we not had a Man Child? Because it takes TWO to tango. The Church has been a Whore, not a Bride!! The Church has been sleeping in bed with the Pope for years! She’s been producing children, but not the Man-Child. But this Whore has been having babies! Her churches are full! But in the End Time, when Spirit and Truth come in, it will create in those who are called out, the very Man-Child that Mary created!! You have been CHOSEN. That’s why

Satan is trying to abort the Man-Child and your belief in it; to stop the birthing of the Man-Child.

The order has been given: KILL THE MALE CHILD!

But I'm hearing from the Lord. I'm looking at some midwives in this room who tell Pharoah, "We're not going to listen to you. We're not going to kill those male children. We're not going to be part of what you're trying to do. We're going to bring forth this Man-Child! Tell those abortionists, *put your scissors back in your bag; put your scalpel back in your bag!* Yahweh is producing among this sheepfold, the Man-Child!" The Lord said everyone of you are the midwives of the Man-Child; protected. Tell Pharaoh that we are not killing them! They didn't kill them. They protected them. This Man-Child is coming forth.

Do you know why I know the Man-Child is coming forth? Because I've kept this quiet for months. I have never retaliated against those who have attacked me. As long as you're attacking me personally, I will never retaliate. The only time you will see me come out of the closet is when you attack the integrity of this ministry, and bring a false accusation. The Bible said when you do that, you've got to bring it before the whole brethren, the whole church.

Brothers and sisters, we are called to protect this work. This Man-Child is coming forth. I want you to hear me now. How do you produce a Man-Child? Yahweh is how many? ONE. One can never be divided. If the Seed is One, then the bride must be One—indivisible. Thank you, Father! That fresh stream is flowing now. If you want to destroy the Man-Child, divide the mother. Destroy the mother, and you will destroy what she's birthing. Divide the mother!

But if you want to bring forth the Man-Child, you cannot disconnect from the BODY. We are all ONE! We are called into brideship and sonship. How do we stay as One? We stay focused on the TEACHINGS. Write that down! We remain one when we don't become focused on the man, but the

teachings coming from the mouth of that man. That's where we stay strong. The teachings will unite us. I give you my word; there is nowhere else that these teachings are coming forth in the land today.

Stay with the teachings and know it is so much GREATER than the Sabbath Day. Stay with the teachings. You'll keep this body together. Remember, if you are looking for a fault with the man, you'll find it every time. But if you're looking for a fault with this teaching, you'll come up short every time.

In closing, the firstborn, the Seed Son, came from what? A woman. Remember Virgo, the first sign a Seed was coming. There was going to be a lot of seeds coming. He came from a woman. He was hidden in her womb. But He was growing, and so today, the seed of the Man-Child has come inside the womb of another woman.

He is hidden inside of us, He is growing inside of us. He is taking form inside of us, and just as He came forth out of Mary, so He is now coming forth out of our flesh to be visibly seen, manifested right here on earth. He will be revealed coming OUT of the womb of the Church—the people in whom Christ was formed. The Bible said that He is being formed within us! HalleluYah!

I want to read one verse for you that will tie everything together: Galatians four, verse nineteen and twenty. HalleluYah!

Galatians 4:19-20 **My children, for whom I am again in the pains of childbirth until *the character of Messiah* is formed in you;**

KJV **My little children, of whom I travail in birth again until Christ be formed in you.**

My, my, my. He's being formed. What is He travailing for? In the next verse He will tell you. Because the Church was dividing up.

20 How I long to be present with you at this time, and to change my tone of voice; because I am in doubt of you.

He said, “I desire to be present with you now, and to change My voice.” Did you hear what He said? He said, “I don’t want to be this mean pastor. I don’t want to change my voice. I’d like to be Pastor Vaughn, not the voice of Elijah, if you will allow me. I want to be the one who says, *What do you need? What can I get for you, can I help you?*—for everyone that has come here and we have put in homes and cars, and have tried to help. I want to use that voice.”

He said, “But I’m so determined that this Man-Child will not be aborted, that I will change My voice if I have to. That is what He said: *Until Christ be formed in you*. Now let’s read verse two of chapter twelve of Revelation.

Revelation 12:2 And she, being with child, cried out, laboring in birth, and pained to be delivered.

Why is she crying? Because the baby is breech, and He may not come out. What did Paul just say in Galatians four nineteen? “I’m crying! I’m groaning,” he said. Thank you Father. I didn’t know why I was crying this morning, and now I know. The baby was in trouble. You don’t know me; I don’t cry. You can ask my wife. I don’t cry very often, but I felt the baby in trouble this morning.

Just like Paul, he said, “I’m groaning because of this baby formed in you,” and the woman was crying, and I know the anointing of Yahweh was on me to lead me, because I wept. I don’t cry over me. You can hurt me all day long. It never affects me. But when I have the work of Yahweh in my hands, the little child coming forth, it brought tears to my eyes. I had to turn my microphone off because I was weeping like a woman in travail. Now I know why.

Paul said, “I groaned. I groaned because Christ wants to be formed in you.” Christ doesn’t bring these accusations, Christ doesn’t bring this hatred.

Christ doesn't bring this destruction. I want to be formed in YOU and love those that despitefully use You. Read verse two again as we close.

Revelation 12:2 And she, being with child, cried out, laboring in birth, and pained to be delivered.

Next week we will do part two of Cancer.
