

THE HEAVENLY SCROLL—The Mazzaroth part 4

In Search of the Throne

By Pastor Shane Vaughn, First Harvest Ministries

Let's go straight to our lesson today picking up with the Mazzaroth of course. Here's what I would like to do: I would like to go back to the beginning for just a moment and I'd like to make sure that you're picking up what I'm putting down; that you're getting an understanding of this Heavenly Clock which is the WHOLE GOSPEL. By the way, if you did not hear the sermon last night entitled *The Seven Spirits of God*, it is on fhtv.tv right now. Just fast forward through the singing and the worship, and get to the sermon. You've got to hear about The Seven Spirits of God. Make sure you watch that.

Somebody, tell me what are you looking at right here? *That's the Heavenly Scroll.*

That Scroll is not just a scroll; it is telling us something is it not? *It's telling us the Plan. It's telling us the Gospel of Jesus in the heavenlies.* Amen. Remember that Yahshua said that He came from heaven. Most people misunderstand that. They think He is talking about the third heaven, but what is the Hebrew word for heaven? *Shamayim*. Yes. And what does it basically mean when you put it all together? *Where the stars dwell.* Amen. So when Yahshua said, "I came from heaven," He is saying, *I came from where the stars dwell.*

I want to show you an interesting scripture if you'll bear with me. It just came to my mind—Psalm 68:33-35. It is so important that you know this Heavenly Scroll. If the church you are attending or the denomination you grew up in is not preaching every one of these symbols; if they're not preaching this circle, you are not hearing the Whole Gospel. It's important that you judge everything you hear by this Heavenly Scroll. Any doctrine you hear has to line up with the Heavenly Scroll.

There is one symbol you will not see anywhere in here. You don't see the symbol of a vacuum cleaner. Most of your churches teach you that you are going to be vacuumed out of here; that you're going to be raptured. You won't find the Trinity here. You won't find any Incarnation here. You won't find that God became a man here. You won't find anything that the Christian Church teaches. You won't find Sunday worship here. You will not find pagan holidays here. This was the ORIGINAL BIBLE so let's read these verses from the book of Psalms from The Book of Yahweh.

Psalm 68:33-35 *Sing to the One Who rides the ancient heavens above,*

Now hold on. It says, *SING to the One Who rides the heavens!* We're talking about YAHWEH! What does Yahweh do? He RIDES the heavens, or where the stars dwell, or the MAZZAROTH. In other words, if you want to SEE Him, He rides through the Mazzaroth! You can see His Entire Story because He rides through the heavens. I want you to look at the picture of

the Mazzaroth again and get that scripture in your mind as we read it again, then continue reading to the end of the verses.

Sing to the One Who rides the ancient heavens above, Who thunders with a mighty voice! 34 Proclaim the strength of Yahweh, Whose majesty is over Israyl, Whose power is in the heavens! 35 You are awesome, O Yahweh, out of Your sanctuary! You, O Yahweh, the Father of Israyl, give strength and power to Your people! Blessed be You, O Yahweh!

Notice what it says: If you want to see the MAJESTY of Yahweh, you've got to look to the Heavens. You've got to look to where He rides. Do you all see that circle on page one? He rides in that circle. Every year He rides in that circle, proclaiming to the world, the WHOLE GOSPEL in that circle. Now let's look at this picture below, and someone tell me what VIRGO is telling us about the majesty of Yahweh.

A virgin will give birth to a son that will produce many sons in the branch. That's right. In her left hand is a seed, and in her right hand is a harvest. The woman will produce a seed, and the seed will produce a Harvest. That's why the Bible said that Yahweh knew the End from the Beginning. In other words, if you will look at the beginning of the Mazzaroth, you will know the end, because there is a GREAT HARVEST in Virgo's hand that comes from the Seed Son.

What does Libra tell us? *The scales are out of balance for man.* Why is that, brother? *Because of sin.* That is correct. In other words, he has been weighed in the balance and found wanting. When you look at those scales, you see that you have been weighed in the scales, and mankind has come up short. And mankind does not have the ability to balance out these scales. There are no works you can do, there's no Sabbath Day you can keep; there is nothing you can ever do to balance those scales out, because now that they are unbalanced they demand PAYMENT.

The only payment that will balance it is the PERFECT LAMB of Yahweh. This story just told you, "Don't worry about those scales because a virgin will have a Son." HalleluYah! She will produce this child and HE will come and BALANCE out the scales. However, it is not going to be a piece of cake for Him; it's not going to be a walk through the tulips to balance these scales out. The rest of the Mazzaroth is telling you the story of HOW He is going to balance out these scales.

In SCORPIO, it shows you that He's going to spend His life doing what? *Struggling with the dragon.* Absolutely. This dragon is also a scorpion. He's also a snake. Yahshua would spend His life just like you have: wrestling with that dragon. Unfortunately, many of you believe in Incarnation which is just as damning as the Trinity. You believe that God became a man. Well, God doesn't struggle with dragons. Only a man struggles with a dragon, and only a man gets bitten by the scorpion on his heel. So we need to learn that Yahshua was FULLY MAN! If you don't understand that, you will turn Him into an IDOL beyond what His position is in the Godhead.

He is the Son of Yahweh. He is the One Who conquered the dragon! He is the One Who came from the waters of baptism declared to be the Son of God. Brothers and sisters, this Scorpio is your example of your life when you take up your cross and follow Yahshua. Really, you are taking up your snake and following Yahshua. It's the same. You're looking at the Cross of Christ. The Cross of Christ is the daily struggle that you and I go through to BECOME like Yahshua.

Notice that this snake is wrapped all around Scorpio. It gets all around you if you aren't careful. Then look at Scorpio's left foot. He finally puts that scorpion under His feet. This is what the Bible meant when it said you should take up serpents, and no deadly thing shall harm you. If you think this means to go out and find a bunch of snakes, you're reading the Bible carnally.

Those serpents are the ones you are dealing with on a daily basis, and most of them are Christian serpents. Yes! They are the DOCTRINES of Christianity that have destroyed the Christian Church and turned us into an anemic powerless people, because we don't have a testimony of holiness and sanctification. Holiness is when your foot is on TOP of that serpent, and that serpent has now become your SLAVE rather than your master. Amen.

Now we come to the next part of the story: SAGITTARIUS.

Now I need someone to tell me what Sagittarius means, and let's continue the story. *Sagittarius is the archer, the redeemer's triumph, turning from an animal into a Son of Yahweh. Absolutely! How does He do it? With that*

bow and arrow. What is he pointing back to? *The scorpion*. He is looking back to Scorpio and He has overcome Scorpio. When did He overcome Scorpio? Somebody, please tell me the exact moment when He overcame and shot that arrow at Scorpio. Does anybody want to take a guess at that? *In the desert*. There you go!

Brother Anikewich, you are exactly right. Who came to Him in the desert? The SAME SNAKE that came to Eve in the garden of Eden, came to Yahshua in the desert. He very well could have convinced Yahshua. He could have convinced Him. Let me show you this story in the book of Zechariah. I want to show you exactly *when* He shot that arrow.

Zechariah 3:1-4 Then he showed me Yahshua the High Priest standing before the malak of Yahweh, with Satan standing at his right hand to oppose him.

Let's pause a minute. The angel showed me Yahshua the High Priest. Christian theologians cannot handle this chapter. This chapter blows their mind, and all of them try in their commentaries to show that this is talking about Joshua, another High Priest in Israel; the grandfather of John the Baptist. But I'm getting ready to prove to you that is impossible. Let me show you why it's impossible. Let's read verse eight.

8 Hear now, O Yahshua the High Priest, you and your companions who sit before you; for they *are* men wondered at. For behold, I will bring forth My servant the BRANCH.

Who is the Branch? YASHUA. There is only ONE branch that Isaiah spoke about. This IS the Branch. The book of Zechariah is about Yahshua the Branch. Read who is standing there. Number one, the Angel of Yahweh. Who is the Angel of Yahweh? *Michael*. So now you have Michael standing there and you have Hassatan, Satan standing there with Yahshua the High Priest. Now read what Satan was doing in verse two.

2 And Yahweh said to Satan: Yahweh rebukes you, O Satan! Yes, Yahweh Who has chosen Yerusalem rebukes you! Is not this a brand pulled from the fire?

There is no other High Priest in the Old Testament referred to as *a brand pulled from the fire*. Do you know what *a brand pulled from the fire* is referring to? Yahshua, because He was in a burning hot desert, and Satan was tormenting this BRAND that looks like He's about to dehydrate after no food or water for forty days. He is a Brand that looks like He just came out of the fire.

3 Now Yahshua was clothed with filthy garments, and stood before the malak.

Filthy garments is a metaphor for SIN. Listen, Yahshua is sitting there and He has on filthy garments where? In the Desert! Satan is right there beside Him, teasing Him before the Father.

4 And He answered, and spoke to those who stood before Him, saying: Take away the filthy garments from him. Then to him, He said: Behold, I have taken your iniquity away from you, and I will clothe you with the change of raiment.

Do you see now why Christians are not able to handle this chapter? What does it say about Yahshua? It said that there was INIQUITY that had to be taken away. He was a human that struggled, and His garments got filthy like yours get filthy. That's why He had to be baptized; to fulfill ALL righteous requirements of the Law. It is at baptism that your sins are washed away. You go down with old garments, but you come up with new garments. The Bible said that you are a NEW CREATION; old things are passed away at water baptism. EVERYTHING is made new.

So ladies and gentlemen, I declare to you today that before the baptism of Yahshua at thirty years old, that man that lived for thirty years does not

exist! He does NOT EXIST! That thirty-year-old man DIED in the water, just like you do.

Pastor, that verse you read last night in Revelation 3:21 said: To him who overcomes I will grant to sit with Me on My throne, as I also overcame, and sat down with My Father on His throne.

See? What did He overcome if He had nothing to overcome; nothing to trip Him up? But the Bible said He had to learn something. Does anyone know what He had to learn? *Obedience to the Father*. I'm not a smart man, but if you tell me you have to learn something, that tells me you didn't know how to do it before. I'm not a smart man, but I've got sense enough to see through CNN.

They can't handle it because the modern Christian Church teaches He led a sinless life. Absolutely. If He did lead a sinless life, there was nothing to learn. If you have to LEARN obedience, that only leaves it up to the logical mind that if you have to learn obedience, at one time you were walking in what? Disobedience.

Why do you think the New Testament tells nothing of His life for thirty years? Because it ruins their narrative, and listen carefully, everybody: From the age of twelve years old, Yahshua disappears from history. There is nothing in the Word of Yahweh about those learning years. HalleluYah! Those learning years are not in your Bible because they don't serve a purpose. THAT man DIED in baptism!

The other part of the equation that is hard to explain to a trinitarian is: How can Yahshua be our example to follow if He's God? We can't follow that example. Absolutely! And then what does Satan do? He uses that to convince the Christian Church to not even try. And he puts us in lawlessness.

I'm going to tell you something that I've been reading that I find to be quite interesting. I have been searching for years for *the lost years of Christ*,

trying to find out about those lost years. Of course we have nothing concrete, but I am doing my research to confirm this: According to the books *When Scotland Was Jewish* and *The Pagan Book of Days*, legend and tradition reveal that Joseph of Arimathea brought Jesus Christ, Yahshua for those missing years to Great Britain; to the Islands of the Sea. It was there that He was trained in the Torah and learned OBEDIENCE.

How do we all learn obedience? By the Torah. What I'm trying to tell you today is that you are going to spend your life like Yahshua did; coming to a place of TOTAL SURRENDER. When you get to that place, you are going to begin experiencing a new authority and a new blessing that is more than you've ever known in your life!

Let's pause now and I want to take some questions before we go to today's lesson, because I know some of you are struggling a little bit. If you need clarification I'm ready to help you. This is your chance.

Sir, this is Holly Edmonds. I do have a question. We're saying that Yahshua did not live a sinless life before He was baptized, so when He was conceived in the Virgin Birth was that still conceived by the Holy Spirit?

Do you know who else was conceived in the womb who had the Holy Spirit? *John the Baptist*. Does that mean that he was sinless? *No*. You were conceived by that same Holy Spirit whenever you received the Seed. It was the same Seed. Were you sinless? *Definitely not*. Even after you received the Holy Spirit? *No*. You had to LEARN obedience. This is not a super seed that just came in, and one day I will teach you what happened with that Holy Birth. You all aren't ready to go there yet. One day I'll teach on it.

Sister Holy, listen to me carefully. If Yahshua was born with this super seed, He has an advantage over you Holly, because I would think if He had a super seed, then He was NOT tempted in the same way that you are. But according to the Bible, He WAS tempted exactly like you are. If He didn't have the ability to lust over a woman, He was not tempted in the way I am.

Let me ask you a question, and I want everybody to answer this question. It's a big *What if?* What if Satan could have gotten to Yahshua? Remember, Yahshua begged every day not to do what? To Die. The Bible said He spent His life praying to the Father, crying out: *I don't want to do this!* Satan knows your weakness, and Satan knew Yahshua's weakness was: *I don't want to die.* So Satan offers Him the chance to have the forbidden fruit without dying; to have the nations of the world.

What the Father promised the Son in the book of Psalms was that He would give Him the nations of the world. He said, "I'll give you the nations as Your inheritance." So Yahshua has been given an assignment and an inheritance: If you want the nations, you have to die for the sins of the world. Then here comes Satan and says, *Hold on buddy. Knock knock. What are you talking about, Jesus? I've already got the nations of the world because Your Father gave them to me in the book of Ezekiel. He set me over the nations and put their authority in my hand. That's why I'm still the god of this world, Jesus.*

Satan is so good; he comes to our moment of weakness with the thing that tempts us the most. I promise you he said all this to Yahshua. He said, "The nations have already been given to me. They're mine." And do you know what else he said to Yahshua? "Here is what we're going to do. That Cross: scratch that. I'll make you co-ruler over the nations with me. We'll do this without the Father."

What if Yahshua would have said, "Sounds good to me."? *Then Yahweh would have to find another Adam.* Absolutely. But here's what I need everyone to digest in their mind. IF Yahshua was God in the flesh; if He was *God became a man*, and He didn't have the ability to accept Satan's offer, it was all a joke and the entire story is a scam. Here's my next question. If He was God made man, and had accepted Satan's offer, would He still have been God made man? *No.*

What if Yahshua had said, "Let's shake on it." Do you know who He would have been at that point? Just like you: a fallen man that could not learn

obedience. But thank God He learned obedience! How did He learn it? By the Word of Yahweh. That's why He turned to Satan and said, "Get behind Me!" It is written in the Word of Yahweh, and that's the arrow and the bow that He shot at Scorpio! And that's the moment that an animal turned into the SON of Yahweh. GLORY, GLORY, GLORY!! HalleluYah!! He is your EXAMPLE, not your excuse. Read that scripture now. Here is what Yahshua was promised.

Psalm 2:8 Ask of Me, and I will give You the nations for your inheritance. The ends of the earth will be for Your possession.

That is all Yahshua was ever promised: the nations of the world. Satan could offer Him the exact same thing. I want you to think about that. All the Father ever promised the Son was the nations. Go ahead Joseph Anikewich.

What you just said proves to everyone who is struggling with this: Satan is going to tempt God to go against Himself. That is impossible. And then God's going to partner with Satan and go against God? No! Yahshua is a MAN. That's it. Case closed!

Brother Anikewich, that is what is called confusion. What is Babylon? CONFUSION! The most beautiful part of the story is this: He obeyed the Father. He qualified for the Throne right then. He can be trusted now for all eternity to never turn on the Father like Hassatan did. Now you are in the same testing—for seventy-five years—that Yahshua was in, to see if you can prove that same obedience to the Father so that you may qualify to be joint heirs with Yahshua to be sitting on His Father's Throne.

Last week I was told to do a fast for five hours, and I couldn't make it through. How did Yahshua make it through forty days? Because He HAD to prove Himself an Overcomer. The biggest test is against this flesh. The flesh will desire these things. He desired the Spiritual; the connection to the Father. He desired to be obedient to the Father, not to the flesh!

The reason we fast is for the Father to reveal to us how we bring sickness in our life in any way. Be honest and He'll tell you. If not, claim your healing. If He shows you something to confess, call whoever you need to call. Get it out of your system. Healing comes right behind it. Sister Rachel Alex, go ahead.

I'm not clear that He did sin or just had the propensity to sin.

According to Zechariah, Thy iniquities are forgiven. Zechariah said He had on filthy garments, and then Zechariah said, "I have forgiven Thine iniquities." Remember, the High Priest always had to make confession for himself first, and then for the people. I don't preach what the Bible doesn't say. Zechariah is clear to me. He said Yahshua had on filthy garments. If you keep reading chapter three, it will blow your mind. The Father said they put new clothes on Him right there; the clothes of the High Priest. They put a mitre on His head. He was dressed into the office of the High Priest.

What I do know is that at the moment of baptism when He was declared to be the Lamb of Yahweh, from that moment forward He was the SINLESS, SPOTLESS Lamb of God. He could not have broken the commandments and been the Lamb. This is so important. He was not the Lamb of God until His baptism, after He learned obedience. That's when His new identity came on Him. Who was it who identified Him? Elijah the Prophet, through John the Baptist. He said, "Behold the Lamb of God that takes away the sins of the world." From that moment forward, He could not break one commandment because He spent thirty years learning obedience. Amen.

If it's not plain as day, it's confusion. It is so simple. There is ONE God. He had a Son. That Son proved Himself. That Son was resurrected as the Firstborn, and today He sits on High at the right hand of the Father as an Overcoming Son. It is that simple. Brothers and sisters, I want to make something plain: If you make Yahshua a super God-man, you have no hope in the first resurrection. You'll never make it. You must understand that yes, God was IN Christ, and I can show you that next scripture that says if that SAME God in Christ also dwells in you, THEN you can do the same

things that Christ can do because there is no difference of the Spirit. Satan wants you to believe you are a subhuman and Yahshua was a superhuman. The Church is powerless because they look at Christ like, *Why can't I be like that?* The Father says that unless you become like that, you have no part in Him.

How do you become a superhuman if you aren't one? Listen to me everybody. This is more powerful than you understand, that you get a correct revelation of the HUMANITY of Yahshua. If He didn't expect you to be on the same level as Him, why did He say, "Greater works than I've done, you shall do."? You're living BENEATH your privileges. Do you know why? Because you refuse to believe who you are. I'll say it again. You're living beneath your potential because this mind that was trained in Christianity cannot accept anything less than a demigod.

You can't accept it because they took Yahweh out of the picture, elevated Yahshua in the place of Yahweh, and that is Who your affections went to, your adorations, rather than the Father; your prayers, everything. When I come telling you that we've got to RESTORE the Father back to the Church and we've got to get you back on the same path as the Son, all of a sudden Satan kicks in and says, "Don't believe that. He was born of a virgin."

Satan has used that long enough. If you're in this class, I'm determined to set you free from the limitations. There are no limitations. THAT SAME SPIRIT is in YOU!! Why can't you accept that? Because you grew up a Christian. Christianity is Twistianity. It has twisted the Son and brought Him to the place where there is no more Father in the Church. He can't be your Elder Brother and your Father.

Pastor, in Virgo there was that one seed, and that one seed produced all those branches. ONE SEED. This is my calling: to set you free from Christianity, to set you free from the limitations, and to help you understand YOUR TRUE CALLING AS AN ISRAELITE! Let's read Hebrews 2:10. I want to show you all this verse. Listen closely.

Hebrews 2:10 For it was fitting for Him—on account of Whom *are all things* and through Whom *are all things*, in bringing many sons to glory—to lead the Prince of their salvation to perfection through sufferings.

How can you make something that is already perfect, perfect? You can't. He is going to bring many sons to glory and He's going to make the Prince of their salvation—Yahshua—PERFECT. How can you make something perfect, perfect? My God from Zion, I wish people would hear this word and quit trying to buck against it because of your Christianity! Yahshua had to be perfected, the same way Thomas Morgan has to be perfected. Thomas Morgan had on filthy garments, but the moment he won the victory in Sagittarius he got on new garments, and now you're a priest with the High Priest. HalleluYah!

Yahweh wants to make you perfect. How many of you have heard the devil say, "You can't be perfect."? That's not what your Bible says. Let's read what the Bible said. Let's see exactly what the Word says. C'mon Saggittarius, shoot that scorpion with this bow and arrow. Matthew 5:48. Shoot that Scorpion with this scripture right here!

Mattithyah 5:48 Therefore, become perfect, just as your Father Who is in heaven is perfect.

Do you know what people do with that scripture? They ignore it. They put it on a shelf. What have you heard in every church you've ever been to? *Nobody can be perfect.* That word *perfect* means *mature*. It doesn't mean *without mistakes*. It means mature. Obedience is maturity. *Be you therefore perfect.* The Greek word for *perfect* is *teleios*, and it means *full grown; adult*. In other words, grow out of those filthy clothes and come into the light of obedience.

Brother Shane, In Ecclesiastes 12:13 it says: Let us hear the conclusion of the whole matter: Fear God and keep his commandments: for this is the whole duty of man.

That's the only reason you were born, Sister Irene. Amen. Sister Denisa Eaton.

I've got an issue with II Corinthians 5:21 saying that God made him who knew no sin, to become sin on our behalf, so that in him we might become the righteousness of God. He didn't sin, but He took on our sin which made his garments as filthy rags.

That is correct. You're exactly right. He did exactly that. I am going to go to the book of Revelation and answer Sister Denisa's question. That scripture does mess up a lot of people's minds when they see it. Let's see what the Word of Yahweh says. Sister Denisa brought up a scripture that seems to say that Yahshua never knew any sin; He never knew any sin whatsoever. It is true that He knew no sin, and I'll explain why and how that is.

Let's read Revelation 14:5. This is talking about you and me; the sons of Yahweh—the first harvest, the 144,000. The whole context of Revelation fourteen is the 144,000, which hopefully you and I will be in that number. Let's see how we are described as the born again sons of Yahweh after our baptism. It's talking about you, Sister Denisa.

Revelation 14:5 And in their mouth was found no guile; falsehood, for they are without fault before the throne of Yahweh.

Now this is speaking of Denisa Eaton. It says that you are identified as having no sin. You've not sinned. You know no sin because you've been baptized in Jesus' Name, Yahshua's Name, and you're now walking in the position of that New Man. That New Creation knows no sin. That is how you are identified. Yahshua never knew sin from the moment His life began; His NEW LIFE that began at water baptism.

Let me ask all of you a question. Whenever you went in the waters of baptism did the preacher not tell you that the Old Man is now DEAD? *Yes. He has passed away.* He doesn't even exist anymore. Now what is the only

point forward that you are now judged by? *After Baptism*. Absolutely. That is when Yahshua knew no sin; EVER from that point forward! In the mind of Yahweh, the old Yahsua before baptism does not exist. The old man doesn't exist anymore. I studied that scripture for years and asked the Lord, "What does it mean?"

He said to go to Revelation 14:5. He said the same thing about you: You knew no sin! He said there's no guile in my mouth and I'm without sin. He said, "These are they which are not defiled by women for they are virgins. These are they which follow the Lamb—which is Yahshua—wherever He goes. These are fruits unto Yahweh and the Lamb, and just like the Lamb, they knew no sin. Just like the Lamb, they are sinless." I thought, "How can that be?" He said, "When I taught you that the old man is dead, I wasn't just saying it to be cute. The old man does not exist!"

Yahshua lived thirty years learning obedience, being perfected, and then declared to be the Lamb of Yahweh. Every one of you needs to watch my video called *The Yearling Lamb* where I prove to you that He was sinless as the Lamb of Yahweh. He was never the Lamb of Yahweh BEFORE His baptism. He was the Son of Man before His baptism. Baptism matters, children! I am a huge believer in water baptism. It is where it happens!! Sister Jenelle Brown.

Before I heard your teaching the Lord said, "Are you ready to give up some sacred cows?" I said, "Yes, I am. I'm here to learn, but not to put my mind out to pasture." I bring my mind under the authority of the Holy Spirit and I came to no confusion in a different way than you describe. I'm willing to change that. Even though I questioned that Jesus had sin and learned through what He suffered, I'm willing to change that.

II Corinthians 7:1 says: Therefore, having these promises, beloved, let us cleanse ourselves from all filthiness of the flesh and spirit, perfecting holiness in the reverence of Yahweh. He's talking to Christians here to get rid of filthiness of sin; the flesh, AND the spirit. The spirit of a born again Christian needs cleansing, but we've been taught that it doesn't. We've

been taught here, “No, it needs some more work.” The result is perfecting holiness in the reverence of God.

Oh yes. I love that verse. I love the phrase *PERFECTING HOLINESS* because that is what Yahshua did, and what we have to do on a daily basis. Amen. According to the Word of Yahweh, Yahweh says, “I change not. I will never change. I cannot be tempted with sin.” He also said, “I am not a man, neither am I a Son of Man.” So if you believe in the doctrine of Divine Immutability as I believe, you believe that Yahweh is immutable. You believe that what He is is what He will always be, and that’s why the Spirit of Yahweh had to leave Yahshua on the Cross.

Yahshua said, “Why have You forsaken me?” Because He cannot allow sin—which Yahshua is now carrying the sin of the world—to be near His Presence. He cannot die so therefore, He cannot be at the point of death either. So we get into some very murky water when we try to divest Yahweh into anything other than what He said He is, and that’s ETERNAL. As a matter of fact, He never came down to Earth. He said He went to Sodom and Gomorrah, but He didn’t. He sent his angels which is the same as Him coming because they are His proxy angels. He didn’t leave the children of Israel. He sent His angel Michael to do it.

I believe language is very important, and I don’t believe Yahweh divested Himself into anything other than what He said He is, which is Spirit. Perfecting holiness has been the story of my life, and it needs to be the story of your life, and everybody’s life. Every day we’re given the chance to perfect holiness in our life. Last night I preached on *The Seven Spirits of God*, and the purpose of those SEVEN PERFECTIONS of Yahweh, if you will. It’s those areas of our life where the Holy Spirit beams out and basically brings those seven characteristics of wisdom, and understanding and might, and fear of the Lord. I don’t believe we start off our walk with Yahweh, with those Seven Spirits. They come in Perfecting Holiness. Beautiful scripture. Thank you Sister Janelle.

Why don't I do at least one more sign for you all before we run out of time. I'll first do two more questions and then we'll do the next sign. Sister Renee, go ahead.

Philippians 4:13 has been a canned phrase of mine for a long time prior to your teachings and my learned knowledge: I can do all things through Messiah Who strengthens me. I don't think I ever truly considered or grasped the ability that that single verse can give an individual. When you were talking about Matthew 5:48, those two verses are totally related because of Sagittarius's representation and Yahshua's perfecting at that point. It just makes it so much deeper. Christians will tell you all day long that they can do all things through Christ, but they don't understand.

They don't get it. Thank you, Sister Renee. Sister Sandra Broliar, go ahead.

From the beginning of my walk with the Lord I would use the term "chosen," but I didn't understand why the Lord would choose me because honestly, I know the filthy garments that I've worn. Christian people would rebut me on that word "chosen," and you have clarified a great deal for me today and I want to thank you for that. I have a question. When Yahweh made a plan for us, He set the stars in the Shamayim, and He wrote the Gospel in the stars, and He showed the seed in the hand of Virgo. Prior to this, did He look down through the annals of time and choose Yahshua? It seems so miraculous to me that out of all of mankind He chooses those whom He does.

It's not a great comparison, but I always try to compare it to a business owner, and let's say this business owner has a factory with thousands of workers in the factory. But he is sitting there designing the next phase of the factory, or the business, and he chooses in his mind who he is going to place over that before he ever creates it. In his mind, he has already chosen the man. He knows what he looks like and he knows his name. He has already chosen him because he knows the end from the beginning. He sees all.

Remember, it was not just Yahshua that Yahweh chose, but the Bible says: *those that He did foreknow He did predestinate to become the sons of Yahweh.* So it wasn't just Yahshua that He saw. You in this class today: He saw YOU! That's why Satan must abort any child that he can. If he could have aborted Sandra, he would have gotten rid of the predestined seed of Yahweh.

When John the Baptist was born, He was born by the Holy Spirit. People don't understand that ALL births are by the Holy Spirit. He foresees and foreknows and understands these things. So everybody needs to know that when Yahshua was placed in the womb of Mary, I pray you don't believe that somehow this was a Holy Ghost seed that went into her womb. That would be a violation of Torah! Torah forbids the mixing of SEED.

You cannot create a human child with Spirit seed. You need a HUMAN seed! That's why the Bible refers to Yashua in the genealogies as the son of Joseph. There's some way the Holy Spirit planted Joseph's seed. I wasn't there. I can't give you details, but I know the Torah said Yahweh destroyed the angels for inhabiting and manifesting in flesh bodies, and having children. Yahweh wiped the earth clean, and now He's going to do the same thing with a woman? NO! He arranged that seed to get in that woman, however He did it. It wasn't Ghost seed. The Bible calls Him the Son of what? MAN!

Ladies and gentlemen, those words *Son of Man* mean something. If He doesn't come from a man's seed, He's not the Son of Man. Hear me! He's NOT half God, half man. That would be Hercules. That's paganism. All of these Catholic teachings of the Immaculate Conception is PAGANISM! This is all Greek Mythology. Yahweh arranged the birth of Christ Miraculously, and it was the same way with John the Baptist. The Bible said that he was filled with that seed of God in the womb!

Brothers and sisters, I am fighting right now against some people in this room who have come to love and trust me. I want you to hear me, and hear me well. I cannot NOT tell you the truth just because you can't handle it!

I'm asking the Father right now to place in every one of you an understanding of WHO Yahshua is, and WHO your Father is, and for you to know that your Elder Brother is not your super brother. He is your ELDER Brother. He was born with a predestined destiny, just like Jan and Erin Meadows were. The Father saw you and CHOSE YOU just like He did your Elder Brother.

Now I want to clarify something with everybody. I'm talking about the man that walked the earth when I use the phrase *your elder brother*. But the man Who was resurrected is your KING! Amen? He is God, do you understand? But that man that walked the earth, was not. Everybody please listen. What does the word *God* mean? DIVINE!

Yahshua is not like you anymore. He is high above you. He is exalted above every one of you. He is the FIRSTBORN. What does that mean? Double Portion. You will never be equal to Yahshua, Never! He's the King of kings, but you are one of the kings He is the King of. Amen. He is Lord of lords. You are going to be a landlord one day over the nations of the world, but He's going to be the Lord of lords.

He's the Firstborn among many sons of Yahweh. The Catholic Church has tried to make His FIRST birth the more important. No, no, no. Let me pull up a scripture for you so you can read it for yourself. It's hard for me to teach today when I can feel you battling me today. Let's turn to Romans 1:3-4. This is going to show you the two births of Christ. Watch it carefully.

Romans 1:3-4 Concerning His Son, Yahshua Messiah our King, Who was born of the seed of David according to the flesh,

How can that be if He was born of the seed of God? It tells you the seed line! Do I need to tell you that *seed* means sperm? Do I need to break this thing all the way down? The word *seed* is the Greek word *sperma*. Yahshua was the sperm, the seed of David. If not, He's not the King of the Jews! He's an illegitimate King of the Jews otherwise. He had to be of the seed line of

David, and that doesn't mean His mother, because the mother doesn't carry the bloodline.

We have been swimming in muddy water. Yes, ma'am, and I'm trying to clear the water up, but everybody wants to be swimming with tadpoles. No virgin births. Listen to me carefully. He was made of the SEED of DAVID! If not, He cannot sit on David's throne! Now, when was He the seed of God? Read the next verse. WHEN? Read it.

4 And declared to be the Son of Yahweh with power, according to the Spirit of holiness, by the resurrection of the dead;

When? At The Resurrection of the DEAD! That's when you will be declared the son of Yahweh! You and Yahshua are following the same PATH. You are a man right now. You're not a son of God yet. You're called a son of God because you're an embryo in the womb of the Church. You're growing into that; you're perfecting holiness, but when you are resurrected, that is when you are born again, and declared to be SONS OF GOD! Right now you're children of God. You're not sons of God yet.

We have come to the church of the firstborn. There you go! That's it right there in a nutshell. Yahshua would never have been the Son of God if He had not been perfected and passed the test! When was He declared to be the Son of God? *When He was resurrected from the dead.* He might not have been resurrected from the dead if the second Adam had done what the first Adam did. Therefore, He couldn't officially be declared the Son of God until He was BORN AGAIN! If you've not watched my teaching on *Born Again*, you don't know what you're missing.

Nobody in this room is born again. I'm being perfected every day. I'm tempted every day. I have the same weaknesses that every man has. EVERY DAY, I try to kill myself more, and more, and more because my desires—the things that are in this flesh—die when I look to Yahshua, the Author and the Finisher. Do you know why Yahshua is the Author and the Finisher? Because it wouldn't have been enough for Him to just be the Author. He

had to be the FINISHER. Yahshua wasn't just the Starter; He was the Finisher! The first Adam was a starter, but he didn't do what? Finish. You've got to finish. I want you to hear me today: YOU'VE GOT WHAT IT TAKES TO FINISH! Look in my eyes. You've got what it takes to finish this race strong.

Brother Vaughn, what do I have? The same thing Yahshua had: a relationship with His Heavenly Father. Do you know why some of you cannot finish? You must EXPOSE yourself to the LIGHT of your Father!! You hide your sin! But when you reveal it, it HEALS you, and you can finish this race! Sin destroys everything that it touches! That's why you cannot afford not to be in this class on the Sabbath. It is on the Sabbath that this man of God makes you so mad you want to punch him in the face. I tell everybody that if I don't make you mad, I'm not a preacher.

What is your prayer life like? You don't miss going to the gym. If you don't get a prayer life and are not focused on prayer EVERY SINGLE DAY, you will NOT win this race! *Brother Vaughn, I don't know how to pray.* Then don't. Just sit there and love on Him. *Brother Vaughn, I don't know what to say.* Then don't say anything. Just sit there and adore Him. It's not about what you say. It's about your frame of mind. Sometimes prayer has no words. Sometimes prayer is just, "I love You, Oh I LOVE You, I LOVE YOU!"

Listen to me. There's times in married life where one partner and the other partner are not on the same page. In those times you just show up and let them know you love them. The Father just wants a relationship with you. He doesn't need you to perform. He doesn't need you to pray right. He just needs you to show up and say, "I don't even know what to say or what to do, but for the next fifteen minutes, I'm going to love on You." It will change your life!

If you're going to survive, you've got to do it like Yahshua. You've got to PRAY EVERYDAY. I don't care if it's five minutes. You need to have a time on your calendar. You need a DATE with Yahweh everyday, and you need to

get a notification on your phone: PRAYER TIME! That's why I built a garden behind my house. When my dinger goes off, I walk back to my waterfall, and there's times when I don't even say a word. I just look at the water, and I see my Father in the water. There's times I just sit there and moan in the Spirit, but I've got to make it! Do you understand? If you're going to make it, you've got to perfect holiness!

What time is your prayer time every day? I have about eight hundred of you here. WHAT IS YOUR PRAYER TIME EVERY DAY? If you can't tell me right now, you're not going to survive. Do you have a prayer time? You have a doctor's appointment. You have a lawyer's appointment. Do you even have an appointment with your Father, or does that just not matter? You've got a weekly appointment called the Sabbath Day, but what is your daily appointment? *First thing in the morning*. Amen. Stop what you're doing and talk to your Father. I promise you, your life will change.

Let me knock out one more Sign real quickly. I've got to teach you at least another one of the Signs before I go. I'm just going to jump over to CAPRICORN. I want you to look at the symbol of Capricorn. Do you notice the front two legs are broken? When those front two legs are broken, this is a prophecy of the CRUCIFIXION.

Yahshua struggles with the serpent while in Scorpio; that's Him in the Garden of

Gethsemane. That's

Him on the Mountain of Temptation. But then He defeats that dragon, and now it's time for His ultimate submission: Capricorn. I want you to notice the picture very carefully as I teach it to you. Yahshua is represented here by a GOAT from the Feast of Atonement. The DAY of Atonement is the Day of the Crucifixion, if you will. It was there that He is damaged.

Look at that picture. Yahshua is damaged. It is here that the serpent bit His heel, just like Genesis 3:15 prophesied. But notice something. Notice behind the goat. Notice that something is coming out of the goat. It is a FISH. LIFE is coming to the CHURCH from His DEATH. This is the first prophecy of the Church that we see in the Heavenly Scroll. It is here that Yahshua is DYING and yet is coming more ALIVE than He's ever been because the Fish is the symbol of the NEW COVENANT. That's why when you read about the fishes in the parable, those fish are always a reference to the Church.

He's been damaged by the Crucifixion, but the RESURRECTION is what you're seeing in that picture of Capricorn. It's producing LIGHT. The fish is giving BIRTH to the Church. Oh HalleluYah! There is the broken Messiah giving birth to the Church! Isn't that beautiful? This is actually the sign that Christ was born under because the fullness of time had come for Him to give birth to the Church.

Ladies and gentlemen, it is important that you understand that this sign is the prophecy in the stars that He is NOT DEFEATED. His legs are broken, and Yahweh was telling us that Yahshua's First Coming would not be His Final Coming, but it would produce LIFE in the Church. Next week I will take you through the next few prophecies of the Heavenly Scroll, and what they mean for all of us.

Did anybody see the dead Messiah giving birth to the fish? Do you see it now? Is it plain to you? *Yes. Absolutely.* Before He could give birth to the Church, He had to kill Scorpio, and He had to be transformed from a Son of Man to a Son of God. Amen. Sister Strang, go right ahead.

I'll make this quick. I was looking at Sagittarius and I was looking where it said "the head not the tail," and that was a revelation. It just started making sense because everyone loves saying that.

That is a wonderful revelation. We are the head and not the tail. Amen. *My last statement is that there are many things that are metaphorical. When*

we talk about Yahshua walking on water, I don't think I'll ever walk on water, but is that metaphorical too?

You are walking on snakes and scorpions, right? There you go.

Just real quick, Pastor. This is Dave Strang. After last week's service, I went outside and low and behold, that evening in the southern sky in Tennessee I saw Sagittarius and Scorpio clear as day. They were in the southern sky about 8:30.

Everybody look for Scorpio and Sagittarius tonight, and remember they're talking to you. The Bible said the stars are TALKING to us. Amen.

I have something to say about walking on water.

Okay, Sister Vaughn has something to say.

Walking on water is symbolic of not looking down, not looking away from His Word, not looking away from Him or His promises, and are in total obedience and trust and surrender. Total Surrender; not looking away from Yahweh. Amen. Yahshua was our physical example.

Brother Christopher, go right ahead.

Hello, Pastor. I just wanted to make a comment. I've been following you for over a year now, and before that I had a lot of questions, but I don't have a lot of questions now because it seems like everything is falling into place. Oh, HalleluYah! The one thing that is really helping me, especially with new teachings or questions like where Yahshua was before the age of thirty, is realizing that it is irrelevant.

We have to focus on the Eighth Day. Correct. That's when Yahweh brings back heaven on earth. Really, He's bringing back the Garden of Eden on earth. Because I'm focusing on that, everything in between is irrelevant.

We know that Yahshua is the Blueprint of mankind, and all we have to do is follow His footsteps to be there on the Eighth Day.

Brother, you just said a mouthful. Here's why. When people talk about things like me saying that Yahshua might have sinned, and they freak out about it, here is what they don't understand: If He did or if He didn't, it's irrelevant. Because from the point of His baptism forward, we know He didn't sin. So the rest of it is irrelevant. At that moment of baptism He had already learned obedience, and He knew no sin. From that point forward is the only point that the Father reckons. Do you understand? The point of your surrender is the point of your reckoning.

How many of you have heard the old preachers preaching that God has got a red dot, and he doesn't preach past that red dot? That's true. There is a point at which *that man* does not exist. I wish we believed what we said we believed: that you come up from the baptism waters, a New Creation. Do you know how I know we don't believe it? We can't even imagine that Yahshua may have had or may not have had. You don't understand He's a NEW CREATION. The baptism was a New Creation and that was the only one that matters.

Pastor Vaughn, that is what it says in II Corinthians 5:17: Therefore if anyone is in Messiah he is a new creation: the old has passed away; behold, the new has come.

ALL THINGS have passed away. Plain as day, Sister Irene. That is a powerful scripture that nobody believes. Everybody says they believe it until I start talking about Yahshua's baptism creating a new creature, and then it's: *Oh, no, no*. All of a sudden that scripture doesn't mean what it means. But from the MOMENT He was baptized: BEHOLD THE LAMB OF GOD! He wasn't the Lamb of God before that moment. He became that because He learned obedience. He was no longer a goat because He became the Lamb of God. Behold Him! He's been broken like a brand plucked out of the fire. He's the Lamb of God. Amen. Sister Denisa, go ahead.

I got a revelation. When Jesus obtained everything in the desert and told Satan to “Get behind Me,” it is written that you shall obey the Lord God, and no other God. So He was speaking of Himself. He wasn’t telling Satan that He was His God. He was speaking of Himself, saying “I will only worship the Lord Thy God.”

Yes, yes, yes! And it was at that moment, Sister Denisa, when He shot that arrow. *I was taught that that was proof that He was God. No, ma’am.*

But He told Satan, “You know better. I will only serve the Lord, Thy God.” And Yahweh is Satan’s God too.

HalleluYah! “I won’t serve you and God; I will only serve My God.” That’s a good revelation. He said, “I will serve God ALONE.” That is a revelation you received, and I hear it in your voice. Oh HalleluYah! I feel the Holy Ghost. I feel the fluttering of the angel’s wings all around me. That’s when one of His children sees the light. HalleluYah. Thank you Lord.
