

The Mazzaroth

(Pastor Vaughn, Part 7 – fhtv.tv #2014)

No matter what you've learned,
no matter what you've heard,
you are not a Gentile -
it's written in the Word.

The color of your skin
does not identify you.
Deep within your heart
you know this is true.

Your bloodline carries seed
from Father Abraham.
You're an Israelite indeed,
called by the great I AM!

The lost sheep of Israel
is who Yahshua came for.
The next time He comes,
the whole world He'll restore!

Yahweh wrote this in you
when you were born.
That's why you were a misfit
and treated with much scorn.

There's a longing deep within
to hear your Father's Voice.
That's why He used a man on earth
to lead you to this choice!

Yahweh made a covenant
to have a people of His Own
to love Him and to serve Him
and make this glorious truth known!
