

## **Living Sacrifice**

**(based on “The Plural Principle of Passover”  
Pastor Vaughn, fhtv.tv #1433)**

Romans 12:1 urges us to be  
a living sacrifice  
holy, acceptable unto Yah,  
it is a reasonable price.

Rejecting this world's holidays,  
enduring their anger and hate.  
We're dying out to these lies  
as we walk the path that's strait.

We die to our emotions  
and our feelings, too.  
No longer controlled by them,  
our mind we can renew.

We are a living sacrifice,  
dying a little each day  
each time we refuse  
to let self have its way.
