

Preparation for Passover
(Part 3 – Pastor Vaughn, fhtv.tv #2317)

The Why of Passover

Settle it in your heart,
you are going to keep Yah's Law
even if others refuse
and you don't understand it all.

Obedience will guard you
till faith has made it plain.
It's not about about what you give up,
it's about what you will gain!

When the sisters dress in white
do they realize
that what is in their heart
cannot be disguised.

When brothers wear something red
the Blood to signify,
they must come with a pure heart,
ready for each other to die.

Truth is more than physical,
with the spiritual it is combined.
One without the other
is like a body without a mind.

When I drink the Blood,
I will let the Blood drink me!
It will cleanse me from everything
and set my spirit free!

I will eat the Body
and let the Body eat me!
I will live in harmony
and perfect unity!

If you're not getting it,
then it's not getting you.
It's just another event
among the things you do.

But if your heart is hungry
for a true experience,
keep doing what you know is right
to show Yahweh you are serious.

To stay on this narrow way
obey the Laws and then
keep the Holy Feast Days
until Yahshua comes again!

When we do these things outwardly,
do we know they signify
we're ready to change inwardly
and to His every Word comply?

A broken and contrite spirit
is a true sacrifice.
Not my will, but Thine
only will suffice.

If keeping the Passover
doesn't bring you here,
then your prayers and pleas
He will not hear.

It becomes a meaningless ritual
and Yahweh despises it.
Fleshly pride tries to hide
but there's no way to disguise it.

We all have a Gethsemane
that we have to face
and die out to our will,
in submission take our place.

Get back up when you fall!
Tell Satan he's a liar.
You can overcome it all,
even through the fire!

When you follow Yahshua,
He is following you!
To the end of this journey,
He will lead you through!

Yahshua is interceding for you
as your advocate.
There's nothing you can't overcome
if you stay on the path that's strait!
