

## **The Sacred Simplicity of the Sabbath**

### **Pastor Vaughn, Chapter Ten Reclaiming Sabbath Joy**

Every Sabbath is a celebration!  
We gather, we dance, we sing!  
We welcome it with open arms,  
it's a rest from everything!

A rehearsal for that Great Day  
Yahshua and His Bride are wedded!  
Our hearts overflow with joy because  
we see where we are headed!

No pouting or frowning allowed,  
flesh will not have its way.  
We are preparing for our King  
Who is coming here to stay!

Let the Sabbath be celebrated  
in every home and congregation.  
Let there be rejoicing  
flowing from every nation!
