

**ISRAEL 101**  
**Part 7**  
**“The Manchild’s Mission”**

By Pastor Shane Vaughn, First Harvest Ministries

**Revelation 12:5**

**And she brought forth a man child, who was to rule all nations with a rod of iron, and her child was caught up unto Yahweh, and to his throne.**

This is the manchild and I’ve been teaching on the manchild for several weeks now at church. The manchild is the next thing on God’s agenda. What Yahweh has been doing for the last 2,000 years is known as the church age. But the church age is closing. We’re at the end of the age of Pisces, the church age. We are moving in the cusp in the Mazzaroth, and we are now entering into the manchild age or the millennium.

The church will not rule in the millennium. Now the church is ruling right now, and I’m going to be talking about the church a lot today. The church is not going to rule in the millennium. The purpose of the church—it has one duty on earth. Someone tell me what that one duty is. What is the church to produce right now? What is the purpose? The manchild. That’s the purpose of the church, to produce the manchild.

We’re going to find out today who that manchild is, and we’re going to tie the manchild to Israel 101. Why? Because we’ve been teaching you about the dominion mandate. Last week we talked about being transformed into this new creature which is the manchild. The manchild is the new creature that is being created by whom? The church. The church is over and done once the manchild is ready. What happened to the woman in Revelation 12:5? Once she produced the manchild she goes into the wilderness and she’s over with. In other words, her time is up. The Bible said time will be no more at that point.

The church age ends when the manchild is fully matured. Now, man’s mandate for the sons of Adam has always been—we read, I’m not going to read it again, last week we went to Genesis the week before that, and showed you the mandate of mankind has always been to what? Dominion. To take dominion and rule the earth. Do you know the only institution in the world that teaches you the total opposite of that? The church. Do you know the reason you don’t have a dominion mandate? Do you know the reason you’ve been robbed of that dominion mandate? Because you’re a Christian that’s why. Or you were a Christian.

The Christian church does not teach the dominion mandate. The Christian church teaches the dichotomous opposite. The church teaches you what? *Fly away and go to heaven*. And leave it all behind. Leave it all, leave it. Let the devil have it. You know some people believe Yahweh's going to destroy the earth? Can you believe that?

Would Michael Angelo ever destroy the Mona Lisa? That's his greatest creation. The earth is more beautiful than heaven. *Oh pastor I don't know about that*. Well you better go read your Bible. The Bible said that when Yahweh created the earth the sons of God went to dancing and shouting for joy—it was such an amazing beautiful creation. So if heaven is better than earth why are they dancing over such an inferior creation? Amen?

Brothers and sisters, heaven is a dimension that you were not created for. Heaven is a dimension you were never intended to go to. Not one place in the scripture has anyone — I will give you \$1,000 to show me one place in the scriptures, in context, that says you're going to heaven. You know sister, I have offered this same \$1,000 for years (thank God I haven't had to pay it out because I'm broke), but anyway, nobody yet has made a claim on it. I mean there's a reason for that guys. It's not in there.

And yet the church has robbed you of this dominion mandate. Now I'm going to teach you today the purpose of even the local church. Today you're going to begin to understand why Yahweh raised my voice to speak to the American government. You're going to see the purpose of those that are being formed in the manchild is to begin practicing future dominion today in every realm of earth.

I'm going to teach you in a few minutes the very purpose of the church was to speak to government and to be a nation higher than any nation on earth. You're going to begin to see it. If anybody's ever told you the church should not get involved in politics, I'm going to prove to you today that we are commanded to get involved with it. Do you know why the Jehovah's Witnesses tell you not to vote? And even the old Herbert Armstrong Church of God and others? Do you know why? Because in their mind when Yahshua said 'my kingdom is not of this world' they have an escape mentality to have nothing to do with this world.

But brothers and sisters, the church has been raised up to be the voice, the light of the what? The world. Heaven doesn't need a light darling. The earth does. And that's why he said 'don't hide your light under a bushel'. In other words, don't stay in your prayer closet and say I'm praying about it all. Come on now. I didn't say don't go to the prayer closet, but don't live in there. Why? Because once you prayed you've got to come out and say what he told you to say. You've got to be in dominion in your mind. The reason Yahweh raised up professor Toto at the very

moment that he did, he told me then “pick up your phone and speak to the nation”. I had never done that before because I was of the mentality to just go pray about it.

I was of the mentality “we’re about ready to get out of here, you all can have it all”. But no, see we’re going to inherit all this mess. Do you understand? And we’re going to have to fix all this mess. So Yahweh now is giving us wisdom and understanding in the earth. So my job today is to change your thinking from that old song “Goodbye World Goodbye”. What a demonic song.

Now I grew up singing that song. Let’s see, the lyrics are:

I told all my troubles goodbye, goodbye to each tear and it’s sigh,  
this world where I roam it cannot be my home,  
I’m bound for a mansion in the sky.  
I’m gonna walk and talk with my Lord,  
I’ll feast everyday on his word. Heaven is near,  
I can’t stay here, goodbye world goodbye.

Really? Show me that in the word of God. Satan is a preacher. Remember Satan’s job is to transform himself into a what? A preacher, the angel of light. The word angel means what? Messenger. And that messenger isn’t preaching darkness. Do you understand Satan? That’s why I tell people Christmas is more dangerous than Halloween because it’s light. Do you follow me?

Ok. Halloween is darkness, right? So Satan doesn’t come preaching darkness. He preaches light. And to do that you’ve got hire him in your church. That’s the only way he can get in. The deacon board has to hire him. And he comes in and preaches to you the opposite of the manchild message, the opposite of the dominion mentality.

This manchild—notice what he does the moment the church produces him. He doesn’t go to heaven. We assume that’s what that verse is saying. But sister tell us where he goes to in Revelation 12:5.

### **Revelation 12:5**

**And she brought forth a man child, who was to rule all nations with a rod of iron, and her child was caught up unto Yahweh, and to his throne.**

You see, he was caught up to his throne. We assume that throne is in heaven. And because it says ‘caught up’ we think ‘there he goes’. No, no, no. No, no, no. Many of you were just caught up moments ago from your carnal mentality. You were

brought up when you started this Bible study, I've been pulling you up. But that doesn't mean you're going up, up ... does anybody follow me? You're coming up to your destiny.

He came up from son of man to son of God. Do you understand? He was caught up to his throne. I'm trying to catch some of you UP from complaining about your life, from being defeated by life, to taking dominion in your life, and coming up from that 'woe is me' mentality. I have zero patience for 'woe is me'. The minute I see a church member headed towards me with 'woe is me'—I know I'm supposed to be a good pastor and sit there and listen—I call an elder to listen to them—I haven't got time for it. Why? Because, uh uh, I'm up there baby. I'm in a throne in dominion over the things Satan's attacking me with. Why? Because I told all of you that I'm more of an apostle than I am a pastor.

That's why Paul didn't even baptize people. Did you know that Paul said "I came not to baptize"? Did you all know that he said that? Do you know why he didn't baptize? The pastors of his church did it for him because his calling was not to even baptize people. His calling was to build people and to teach them how to baptize. His calling was to create a dominion church.

And so what I come to tell you today is you've got to change your mentality that one day it's all going to be better. No darling. For you it's better today. When you come into the dominion mentality you're not waiting for joy to come in the morning for you. Joy has already come, you're in your morning already. Do you understand? Joy's coming for the world in the morning. But it came for you today. It came for you the moment you changed your mindset from defeat to dominion in Christ seated together with him in heavenly places RIGHT NOW!

You've got to change your mentality! You are not defeated. *Brother Vaughn all my bills are due.* Your God owns the cattle on a thousand hills, and if you will be faithful in covenant with him, all your needs will be supplied. Now, that's if you do your part. Get up, go to work. If Yahweh gives you an idea follow through with that idea.

Let me give you an example. Let me give all of you an example of a dominion mentality. When Toto came along I knew that Yahweh had raised up that platform to set me free from needing anybody's money. You all quit judging preachers for not preaching the truth. They can't. They can't afford to darling. Do you understand? They've got wives and children that's in schools and the church is giving them a nice house. They can't afford to preach the truth.

Now they'll be judged for it and condemned for it, but I'm trying to make a point to you. You cannot preach like I preach if you depend on tithing. You just can't do

it because as soon as you do you're going to be concerned about what sister so-and-so thinks about you or sister so-and-so. You won't say things because you don't want to offend anybody. The reason I don't care — every one of you can leave today and Yahweh will still provide all my needs. Here's why. Because he told me what to do with the Toto thing.

Now I'm trying to teach you how Yahweh works, ok? I'm sitting there thinking... now Lord I don't want to sell advertisements like all these others do. What can I do? That's when the idea of the Patriot's Buying Club came to my mind. Create a business out of the Toto platform that will give a rate of return to the ministry and that's what you're going to live on.

My income is not from First Harvest Church. All the tithing that comes into this church I give most of it away. Right now, this leadership retreat, the elders are not having to pay a penny. We give most of it away. I just went and bought a woman a new vehicle last week, \$7,000. The week before that I bought another vehicle for a lady in need. In other words, we use that money to pay for the feasts and all the things we have to pay for.

But my income, if it wasn't for the idea that Yahweh gave me about the Patriot's Buying Club, then I would not be able to be here today and every Tuesday and Thursday night. I would be on a job. I would be out running my business again. But Yahweh told me what to do. What would've happened if I said no the Lord will provide. The Lord will provide. I'm not worried about anything. That's dumb. That's not faith, that's dumb, ok?

Faith is God gave me an idea. I didn't know if it would work. And that's when Lori Boutieller called me and told me about Melaleuca, and I said ok, I can make all of that work. And I did. But it was his idea that wanted to set me free. What if I had ignored that? And then here come the gold and silver (well I was always a member of that years before Toto). But as I was beginning to put those business enterprises together, I created for my wife and children and me our income. Every month when you buy from the Patriot's Buying Club, 10% of that is coming back, and the gold and silver. That is it.

The tithing we don't touch. That's God's money. But I'm making a point. I could live in a defeat mentality and always waiting for God to make a way. But God never honors laziness do you understand? God hates laziness. But if you're doing your part, if you're a tither—now if you're not a tither you're a thief. And you're not in covenant with Yahweh, you're not in the house of Israel. That 10% of your increase belongs to the work of Yahweh.

Now if you're not in that, I can't help you. Most people I know who are always broke are not faithful tithers. And there's a reason for it children. I couldn't care less what you do with your money. But I'm going to tell you the truth. Come into a dominion mentality. What is that mentality? God's word said 'all my needs will be supplied'. I'm going to claim that and I'm going to cooperate with God and listen for business ideas.

I'm believing for every one of you to become business owners, to be free from those evil taskmasters that will not let you off on the Sabbath day. I'm believing for God to give you business ideas of how to move forward. That has nothing to do with today's lesson, but I feel like it's for somebody. I'm believing somebody needs to hear it. Amen. Amen. That's all part of a dominion mentality. Alright I'm going to get out of your business and go back to the word. Praise the Lord.

Let's identify this manchild. And let's find out who the manchild is. He goes to the throne. Here's the problem. How can the manchild go to the throne when Yahshua was promised the throne? There are two thrones that you need to never mix up. The throne of creation belongs to Yahweh. However, Yahweh has created another throne to govern his creation. That belongs to Yahshua. It was promised to him as an inheritance.

So this manchild that is born—that's why when people read Revelations carnally think that that manchild is Jesus Christ, Yahshua. And by the way, there's an example of how I always use the name that people know him by and follow it up with the name they don't know him by so I can educate. There was a conversation I didn't quite get before the class started, but I want to make everybody know, we are not anti the name Jesus, we're not against that name.

We're against the false Messiah that goes by the name Jesus, but the name Jesus we're not against. We're trying to educate the world to the original identity of the true Messiah who is Yahshua. So you don't have to go around afraid to say Jesus or afraid to say God. Don't go there. But if you do say it, follow it up. If you say God, follow it up with Yahweh. Listen to my preaching, how I do it. I'll say God and Yahweh so people know.

Otherwise you're talking in tongues to them. That's no different than speaking in tongues. The apostle Paul said they'll think you're mad. I had one lady come up to me and say...*now who is Yahoo?* She thought I was talking about the chocolate milk. Amen? So we're educating, we're not beating people, we're educating people. That's all we're doing.

Ok, so Yahshua is sitting on the throne. So how does the manchild go up to the throne if there's already somebody sitting on the throne? Well let me answer that

with asking you a great question. Do you think where the head is that the body must be also? Oh hallelujah, I just gave you a revelation right there. Amen. Do you think where the head is the body needs to get to it as well? The head is on the throne, but not the body. There's no body on that throne. You see, Yahshua cannot return until the neck bone connects with the collar bone. Do you follow what I'm saying?

That's why Yahshua has not returned. He doesn't have a body to return in. Ah, now you see why he returns with the saints. Come on, put all them together and you'll start seeing where I'm headed. You see, the Bible said he returns with and in his saints! The coming of Yahshua is really the coming of the saints. The manchild is who will be sitting on that throne of government over the millennial reign. Not just Yahshua. Amen.

You've got to know this guys because if not you won't understand that you were created for the throne. There can be no throne government without a full body sitting on the throne. That's why there must be the restoration of all things. Because Yahweh's not going to allow a manchild who still believes in a Trinity. He's not going to allow a manchild that still makes a man God. He's not going to allow a manchild that's not been baptized in his name. He's not going to allow a manchild where their doctrines are all messed up.

Why? Because when we begin to teach doctrine in the millennial reign we had to get it right here or we'll have it wrong there. Is everybody with me this morning? Alright. *Brother Vaughn why do you all focus on doctrine so much? Let's love people. You know, let's just get people saved. Saved people are not going to the throne. My, my, my. It's so hard sometimes to get these depths out. Brother Vaughn let's get people saved. Look, let the church do that.*

The manchild is creating perfection. The manchild is creating a new creation that's got to rule over the church and over the nations of the world. We have to get our doctrines right here so that we can teach them right there.

Sister go right ahead. *I was just gonna mention in Matthew 8:20, there's a verse that's so amazing to me, as it goes right along with what you're talking about. It says that Yahshua replied to the throngs of people, this was after Peter's mother was healed, and was talking about discipleship, and he says in verse 20: Foxes have holes and the birds of the air have nests, but the son of man has no where to lay his head.*

Aww, his head! His head, oh wow. Amen. Yeah. *Foxes have babies in holes, birds have babies in nests, but Yahshua cannot multiply his self with children because he doesn't have a body. Whew whew! I just got it! Hallelujah. Oh wow. He*

doesn't have a nest. Hallelujah. We are the nest where he lays the head. Hallelujah! Whew, that's good right there. Oh I just felt that flying man. Hallelujah! Oh wow, wow, wow. We are building the nest for him to lay his head. Whew! If I was in church I would have just ran them aisles right then. Hallelujah. Glory! We're building the nest for the head, he has nowhere to lay his head. And you know that's true.

Do you know why that's true sister? Not just because you said it, but do you know that Yahshua in the New Testament there's two instances where he had a home? He had a house. It talks about it twice. He had a house. We always thought that that meant he was homeless. Yahshua was not homeless. Yahshua had plenty of money. Remember he got gold, frankincense and myrrh at his birth from kings of the East. He was not poor. He was not a vagabond. He had a carpenter's shop business.

So I always wondered what that scripture meant because I knew he wasn't homeless. I read twice in the New Testament where he had a home, a house. That was his house. But listen. We are the HOUSE! Hallelujah. We're the third temple. We are the house that he is going to live in. He's homeless until WE put this house together. Amen! Wow, wow, wow.

Go ahead brother. Now folks I'm going to move quickly today because I've got a long way to go. *Yeah I just want to touch on that. I was the same way. It was like 'foxes have holes, birds of the air have nests, but the son of man has nowhere to lay his head'. I always that was interesting that he was talking about all these other animals, like they have homes and he doesn't. And then he goes on and talks about the calling of following Yahshua. I thought...why did they just talk about a home there right before then he's calling everybody to go and live not amongst them but live separate and live and follow him and get work done. Now it makes sense. It's the upward journey that sister just talked about. I just saw it as well.*

Amen. It's a revelation. And let me show you that Yahshua had a home so he wasn't homeless. Mark 2:15.

### **Mark 2:15**

**And it came to pass, that, as Yahshua sat at meat in his house, many publicans and sinners sat also together with him and his disciples, for there were many, and they followed him.**

Where? In Jesus' house. So he was not homeless! And yet the scripture said he had nowhere to lay his head. You see, he that hath an ear let him hear what the Spirit is saying to the church. Amen.

So let's find out who this manchild is. *Brother Vaughn, you know, I'm not just gonna—I see what you're saying, but I need Bible proof who the manchild is. Maybe it is Jesus.* Let's find out.

### **Revelation 3:21**

**To him that overcomes will I grant to sit with me in my throne, even as I also overcame, and am set down with my Father in his throne.**

We're getting ready to identify who the manchild is. There is a promise, not to Christians, and not to saved people. But one group of people—overcomers. Ok, now hold on now. Who are the overcomers? Aww I'm glad you asked. Israel was a condition before it was a name of a people. The Bible said that Jacob wrestled with Yahweh (the angel of Yahweh) until he was overcome. And the moment he yielded what looked like his defeat was him overcoming Jacob.

Here's the proof that Jacob overcame. He looked at the angel of Yahweh. The angel said...I need to go. Evidently someone was praying for a miracle and he had to go and do what he had to do. He told Jacob...I got to go dude, I've got an appointment. Jacob said...I'm not letting you go until you bless me.

Now we're talking about the deceiver, Jacob was a deceiver. Jacob was a con artist. In all of Jacob's life he had blessed himself do you understand? He knew how to bless himself. But today that con artist was ready to repent. He was ready to yield to obedience. And he said...I'm not letting you go until you bless me. I'm tired of blessing myself. I'm tired of doing it my way. I surrender. The Bible said the angel overcame him and touched his thigh and he limped the rest of his life.

You listen to me. The minute you surrender you'll limp the rest of your life. That limp is your obedience. That limp is 'thy will, not my will'. That limp is 'I can't do it without you'. You will be limping all your life and yet you'll be walking taller than you've ever walked. Hallelujah.

Jacob limped. Hallelujah. But he was an overcomer. Do you know what the word Israel means? "A prince with God" or "a son of God". You have overcome your humanity. You have overcome your Jacob-ness. You have overcome your own thinking-Jacob. And now you have asked him to bless you. I've got men watching me right now. You need to learn how to limp. You're so used to making things happen on your own. You're so used to creating. You're a self-made man. You need to limp.

Yeah, some of you men say...*ain't no man gonna tell me what to do.* You need to limp. You need to find the angel of Yahweh in your life whoever that is and limp. You need to surrender and submit to the word of God and quit being such a man.

You need to become a broken man, did you hear? Beautifully broken. Oh thank you Lord. That was Jacob, beautifully broken. You need to be his hip. You need to be beautifully broken in all the right places. Why? So that you can overcome. And you can overcome your own ideas and surrender them.

How many of you men watching me right now kneel down and pray everyday? To kneel down and pray everyday means that you're a broken man. Men that are broken, they have to kneel. That have to kneel because they're limping so bad that they just have to kneel down. God wants to make a limper out of you.

I really feel somebody needs to hear what I'm teaching. You're hearing the angel of the Lord right now. You don't recognize me as such, I get that. But the angel is the messenger. And I'm bringing you a message. I'm wrestling with somebody right now. I'm telling you it's time for you to limp so that you can be an overcomer. Every time you reach in your pocket and that hard money that you worked for, and you have to give it away, that's limping. Oh yeah, you're yielding. When you start planning to come to the feasts and you don't even have money to pay your own rent, you're limping, but you're overcoming. You're overcoming.

And according to what we just read...to him that overcomes will I grant to him... not to him that got saved...not to him that accepted the Lord Jesus in their heart. I want to prove something now. Of course you have to accept the Lord Jesus. That reminds me of the Nikki Haley situation this week, about slavery. If you've not watched the news, they're all attacking her because someone asked her what the civil war was about. And she was actually trying to educate people. And she didn't say slavery. She talked about state's rights which is the real purpose behind it all. And they are eviscerating her. And then she came back and said...of course it was about slavery.

But I figured what was understood need not be explained, and I was trying to give you—so in other words, of course you have to be saved—that goes without saying, right? So I really felt sorry for Nikki and I don't even like her. But I always stand for the right and they were wrong. She was trying to educate and so that's what I'm trying to do now. So don't leave here and say...*pastor said we don't have to accept Christ*. Of course we do. But now let me explain to you that that person that accepted Christ is not sitting on the throne—only the overcomer.

Continue reading...

### **Revelation 3:21**

**To him that overcomes will I grant to sit with me in my throne, even as I also overcame, and am set down with my Father in his throne.**

He said I'm the pattern son. Notice what he didn't say. Notice what he did not say. He didn't say I sit on my throne because it was my throne in the beginning. Now you all this is powerful, don't miss what he just said. He just told you that he had to earn that throne. Now if it was his throne in the beginning, if he preexisted, according to Christianity, he was sitting on that throne from the beginning of time. And what did he do? He left that throne and came down to earth. Has anybody ever heard that story? Ok.

He came down to earth, but I don't think that's what he just said. He said in order for him to sit on the throne what did he have to do? He had to overcome. Now why would he have to overcome if that was his throne to begin with? I just need a little help. I need everybody to say ok. He said if you're going to sit on the throne, you've got to do like I did. You've got to earn it. And if you go in a Christian church, do you know what they'd tell you about this message today? *Anybody that tells you you've got to earn salvation, get out of their church.* You're right because we're not talking about salvation.

Come on now. We're talking about earning something by works. Oh the church would crucify me if this message ever got out in the public. Why? Because pastor just said you have to earn the throne. No, no, pastor didn't say it. I'm sorry. We were reading the Bible. We were just sorta reading what Yahshua said. Hallelujah? Amen. Isn't that funny how that works? They say...*Vaughn's teaching* ...no Vaughn ain't teaching you nothing. Vaughn's reading the word! And according to that word, you will not get the throne unless you earn it.

How do you earn it? You overcome. What do you overcome? Awww we're headed there. Let's find out who this manchild is that goes to the throne.

### **Revelation 2:26-27**

**26 And he that overcomes, and keeps my works unto the end, to him will I give power over the nations.**

There's the description for overcoming. What does it mean to overcome? You just read it, I don't have to teach you anything. Read it. You keep my works until the end. Now hang tight. The Bible says he that endures to the end, there it is right there. If you keep my works to the end. That makes you an overcomer. It didn't say if you keep my works when you first heard this message and got all excited about it. But he said if you keep my works till the end.

Now that word "works" there. I'm just interested in that. "My business". There you go. Keep my business (my employment). "Someone that's occupied", "labor or work", "anything accomplished", "an act or a deed", "the idea of working is emphasized".

That is the root word *ergo/ergon* (Strong's G2041). So you've got to handle my business he said. You've got to get in the family business. He that keeps my business. In other words, as long as you're not one of those other people who tells the pastor...get out of my business, then you can...ha, ha, ha. It ain't none of your business anymore darling. We're in the business of keeping his business until the end. That makes you an overcomer.

I'll take two and then I've got to move on, go ahead sister. *John 6:29. The disciples were saying...what do we do to do the works of God? And he said...this is the work of God, that you believe in the son whom he sent. So the first work we all got to do is to believe. And after that, if you do that work, you can do his works. Until you do that work you'll never be able to do his work. You'll do your own.*

And do you know what? Let's go look at those works. That's good sister. Talking about those first works. You know, the apostle Paul talked about not laying again those first foundations. But move on past the doctrines of baptisms.

### **Hebrews 6:1-2**

**1 Therefore leaving the principles of the doctrine of Christ, let us go on unto perfection, not laying again the foundation of repentance** (what you just said, that first work believing on Christ) **from dead works, and of faith toward God.**

**2 Of the doctrine of baptisms, and of laying on of hands, and of resurrection of the dead, and of eternal judgment.**

There comes a time when you need to quit repenting, in other words, you need to quit believing on Christ and quit just having simple faith towards God. And quit talking about baptism and the laying on of hands and these things. He said you've got to move on to what? Perfection.

You've got to leave those principles and go on to perfection. And those people who go on to perfection, that don't just want to believe in Christ. They don't want to just be baptized, they want to move on to perfection. Well you're in this room today, hundreds of you, moving on to perfection, maturity. Those people will sit on the throne that keep my works till the end. Amen.

Sister you have your hand up, go ahead. *After the apostle Paul was saved and regenerated for many years, said...I run the race that I might win the prize. Come on now. So that there is evidently a competition going on for this position on the throne.* Now sister that's powerful because we thought the prize was salvation years ago. But he's been running the race a long time and he's still not

won the prize. The prize is the high calling. And then he tells us what that prize is actually. It is the first resurrection. That is where the manchild comes forth in the FIRST resurrection. Philippians 3:12-14, 21. He said...

**Philippians 3:12-14, 21**

**12 Not as though I had already attained, either were already perfect, but I follow after, if that I may apprehend that for which also I am apprehended of Christ Jesus.**

**13 Brethren, I count not myself to have apprehended: but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before,**

**14 I press toward the mark for the prize of the high calling of God in Christ Jesus.**

So in other words, he said 'I've been apprehended and chosen for the throne, but I don't know if I'm going to make it' he said. He said 'I do not consider that I've already gotten that throne'. And then he tells you that 'I may know him in the power of his resurrection, and the fellowship of his sufferings being made conformable to his death, I press toward the prize of the high calling'.

Not just the calling, but being chosen. *And brother Vaughn, what is that high calling?* It's in verse 21.

**21 Who shall change our vile body, that it may be fashioned like unto his glorious body, according to the working whereby he is able even to subdue all things unto himself.**

When he changes our vile body that we might get the glorious body or the heavenly body. So the high calling is that first resurrection where he gets that glorious body to rule and reign with Christ. Hallelujah? Amen. Glory!

Brother you were next, go right ahead. *Pastor I got a new revelation a few minutes ago when we were reading Revelation 3:21. Forever and ever the church would drill in our heads verse 20. "Behold I stand at the door and knock. If anyone hears my voice and opens the door I will come into him and will eat with him and he with me". Never ever ever did I hear that spoken in conjunction with verse 21. And I think that's the difference between what we came out of and what we've come into.*

Do you know what that proves brother? That proves that he was not in the church, he had to knock on the door and only the ones who answered, not the

whole church, did you hear me? Only the ones who answer the calling will he sit down and feed them this food that he's feeding them right now. See, he was outside the church. How many's ever heard God's knocking on the sinner's heart's door? No he's not. He's knocking on the church door. He's trying to get into his own church.

*And that goes back to the Bible that was written for Israelites. Amen. Amen.* These overcomers are Israel 101.

*Go ahead next sister. You did a quick little study on the word "works" and it reminds me of Luke 2:48-49. They'd been looking for him, they had lost their boy. And when they saw him they were amazed. His mother said to him...son why have you done this to us? Look, your father and I sought you anxiously. And he very calmly said to them...Why'd you seek me? Did you not know I must be about my Father's business?*

Come on! Let me look that word business up. I wonder if that's the same as works, that would be awesome. There we go. He was what? Busy working. I love to look at these words. So yes 'my Father's business' Luke 2:49. And do this to teach you all how to study. Business there is (G3962) *Pater* is the root word. Ok that's just the definition of father. It's not giving me the definition of 'business'.

That's so good, and do you know what? If he's our example sister then we must also not be about salvation. We must be about the business. And what was he there doing? What was the Father's business? Let's think about it. He was in the temple (must've been the Sabbath day so he was keeping the Sabbath). He was hearing the word and teaching the word. It was all about the word, he was learning and he was speaking. So he was working in the word.

The Father's business guys is what you're doing right now, every one of you. We are working the Father's business today. Why? Because the Father of all the people of the earth wants you to know who you are. He needs somebody to sit on this throne guys! Somebody who's willing to suffer with him, that they might reign with him. Oh the glory of it!

Let's keep reading in verse 27 of Revelation 2.

**27 And he shall rule them with a rod of iron, as the vessels of a potter shall they be broken to shivers, even as I received of my Father.**

Who? Who's going to rule? Yahshua, but read verse 26. Not just Yahshua. Read that verse 26. It's the overcomers.

**26 And he that overcomes and keeps my works unto the end, to him will I give power over the nations.**

He that overcomes will rule the nations with the rod of iron. You see how we automatically just think that's talking about Yahshua? Do you see what I'm saying? Your mind wants to give that job to Yahshua. Ruling the nations is not the job of Yahshua. It's the job of the manchild. I don't know how long it's going to take me to get it in your mind before it clicks guys that Yahweh's going to have a manchild. And he's gathering us together.

Where is he gathering us from? The church. Why? It's mama church who's producing us. It was that good Baptist church you grew up in. You had to be in there before he could knock on your door. He couldn't knock on your door in the barroom. Follow me folks. Don't be mad at the church you came out of. They were the belly! They were the womb that was hiding you, and you loved Yah so much that you heard when he started knocking with more. Hallelujah! Oh you heard when he started saying...*you know I really didn't die on Good Friday, I wasn't resurrected on Sunday, that's only a day and half.*

You heard a knock! And you said...wait a minute, what?? *You know the 7th day of the week is not the 1st.* What?? You heard a knocking, you didn't have to open the door, some of you might wished you wouldn't have, ha, ha, ha! You didn't have to open that door. You could've stayed dumb and happy. But you heard a knocking.

He said 'I'm knocking. If you let me in, I'll sup with you'. What does that mean? It doesn't mean that he's going to sit down and eat a steak with you darling. He that hath an ear! Hear what he's saying. If you're hungry! If you're hungry I will come in and I will feed you with manna, the hidden manna. Oh hallelujah. I just need to know who's listening, who's hungry enough to listen to the next knock of truth. Oh glory.

*Thank heaven he knocked on my door.* Amen sister. He knocked. There's not one person in this class right now that came from the world. I want you to listen to me. Everyone here came from the what? The church. Why? Because if you'll come into the church, you must have some kind of love for God, right? Because your listening to that junk but you love him so much you don't know where else to go.

And it's that love that drew him to knock. The church taught you the golden rule. Don't hate the church. They're the ones who brought you up in Sunday School teaching you. So, in other words, we cannot be church-haters. No, no, no. That's our mother. Because we were in mother-church, Father-God was able to send us the knock that allowed him to come in. And once he came in and fed us, then he took us by the hand and lead us out, hallelujah, and preparing us to rule and

reign with Christ. Amen. Hallelujah. Oh the wonder of it! Oh the wonder of it. Hallelujah. Oh I feel the wonder of it right now. Hallelujah.

I'm so thankful. I'm not mad at the church. No, that's my mama. Hallelujah. Ooh I'm just thankful that my daddy showed up and said...hey son, let me come in, hallelujah, and let me talk to you a little while. Whew! My daddy is the word. What's the seed that gave me birth? The word, the sperma of the word. My daddy showed up, the word. Aaah! And said if you're tired of listening to music and singing and fog machines, and if your tired of mama's frilly-ness, daddy wants to claim you as son!! Hallelujah! Whew!! We're not mad at mama! We're just happy about daddy! Hallelujah. Glory, glory, glory.

Read verse 27. I still have so much to go! I'm not going to take any more comments right now guys because if I do I'll never get done. I'll do it at the end of the class.

**27 And he shall rule them with a rod of iron, as the vessels of a potter shall they be broken to shivers, even as I received of my Father.**

Who? Who will rule? *Yahweh*? Nope. See that's the point I keep making. No. The overcomers. The overcomer. When it says he will rule them, you're thinking of the head. But the head is not the "he". Oh I could preach on that! The head is not the he! What's the he? You've got to have a full body to have a he. You can't have a HE with a head! You've got to have a body with a head to have a he. Oh that's a tongue twister. Hallelujah. You can't have a he without a head, but you can have a head without a he. Yeah we can make a rap song out of that, ha, ha!

It all is one. That's why at Passover many are sick among us because they eat the body not discerning who that body is. That body is not Yahshua. That body is each one of us, and if you're eating up one another and you eat the bread, you've not discerned the body. If you're gossiping about one another and eat the bread, you brought damnation on your own self because you didn't discern how special the body is. And the Christian church teaches nothing about the body.

Right there when people read 'and he shall rule all nations', who is everybody thinking that's talking about? He, Yahshua. But I just read he that overcomes goes to the throne as the manchild. And when the neck bone connects to the collar bone, and the collar bone connects with the shoulder bone and so forth. It's all connecting to make a "he". They all better connect with the head bone. Hallelujah. Why? Because brothers and sisters, you don't have a he without a head and a body.

So now when you begin to read that verse, why do you think I keep stopping it? I need you to finally get it. I need you to see HE shall rule the nations with a rod of iron is not Yahshua alone. So let's read it again. Verse 27. We'll try to get through this verse.

**27 And he shall rule them with a rod of iron, as the vessels of a potter shall they be broken to shivers, even as I received of my Father.**

You see that's a main difference in us and Carlton Pearson's doctrine. Many of you may not know Carlton Pearson. He was one of the first ones to begin to preach an inclusion gospel. Sort of like what we believe only way off because Carlton just believes that everybody was automatically saved no matter—they don't even have to receive Christ, there's going to be no suffering, there's going to be no judgment. So we're not that. What I call extreme inclusion-ism. That's not our message.

We believe the vessels of wrath are going to be broken with the rod of iron. We believe there's going to be 100 years of judgment. We believe people will be thrown into the fiery judgment of God until they're broken. So that is what's going to be happening during that time period.

He's going to rule the nations and break them with that rod of iron just like he broke all of you about five days ago on December 25 when all your family and friends were posting their Christmas pictures on their timelines. When they were all gathering. When they were doing their thing, and admittedly it's a soul-tie. And admittedly you had to be broken again this year to obey Yahweh rather than man. That's called the rod of iron. For me, I'm at the point where I don't even miss it anymore, I honestly don't. I used to, but I'm beyond it now.

But that rod of iron, do you know what, he doesn't even have to whip me. I did it. He said have nothing to do with those pagan customs of the pagans. That's what he told me to do. I did it. So I'm not going to have to get a butt whipping over that. Amen? Why? I'm learning under the rod of iron. Hallelujah.

Alright let's quickly go to Daniel 7 and let's find out who these overcomers are. We've just proven that the manchild is the who? *The Overcomers*. Alright now we need to find out who the overcomers are, ok? So watch this.

**Daniel 7:13-14**

**13 I saw in the night visions, and, behold, one like the Son of man came with the clouds of heaven, and came to the Ancient of days, and they brought him near before him.**

Alright in this vision what is Daniel seeing? The Father and the son. What does Daniel see here? He sees Yahweh sitting on the throne, but the son of man is not. The son of man is standing before Yahweh. This is Yahshua and Yahweh in this vision. Alright keeping reading.

**14 And there was given him dominion, and glory, and a kingdom, that all people, nations, and languages, should serve him, his dominion is an everlasting dominion, which shall not pass away, and his kingdom that which shall not be destroyed.**

Alright, so what does this prove to us? If you believe in preexistence you have a real problem with this verse. Somebody tell me why, I'm tired of teaching. Somebody tell me why you have a real problem with verse 13 if you believe in preexistence. *Because he wouldn't be given these things. He was given authority.* Thank you all. If you have a God that is coequal, coeternal, and coexisting, then why is Daniel calling Yahshua the son of man in this verse, and that this son of man has to come before Yahweh because he has earned this something?

So if Yahshua is coeternal, coexisting, co blah, blah, bah, and he was always on the throne, why is he standing before Yahweh instead of sitting beside Yahweh? Sometimes I just let things sink in for a minute because I get so many emails about preexistence, and all you've got to do folks is read. Just read these verses.

*Pastor is the son of man just Yahshua? Or is it the manchild, the whole body?* Well you're about to find out in the next few verses. Yes ma'am. But in this particular instance this is the first of the first fruit. So this is the man Yahshua, the physical man right now. But now you're going to see in a minute where he connects with the head bone and connects with the neck bone.

But folks let's stay on the preexistence subject real quick because so many of you, once you start talking to your Trinitarian family, remember what Trinity means. All three Gods are COEQUAL. Folks that's blasphemy. Do you hear me? When you make anything equal to Yahweh, that's beyond blasphemy. That's double blasphemy. That's insanity. And we did it all of our lives. As a matter of fact, many of you in this room didn't even know your Father's name or even had a name for your whole Christian life.

Here is Yahshua, not on the throne, but he's standing as a son of man before his Father. And then the Father does what? Grants the son of man all authority over heaven and earth. And now with that authority he is creating another throne. Because a throne must be built on the authority of something. So Yahweh is literally creating the throne of government of creation. He never gets off his

throne of creation. But now he's giving a proxy, full authority, to go forth in Yahweh's name. And to govern. And his kingdom will never pass away. Alright is everybody clear on that? Guys it takes me so long because I have to unlearn you. I wish I could be like most preachers and just teach, but I have to unteach. And that's the hard part of my job is to get that out of your mind. *Preexistence is really split personality*. That's what it is. You know what we call split personalities don't you? Schizophrenia. Amen.

Sister go right ahead. *So you're saying that if there was preexistence, how could Yahweh give the son of man authority if he already had it.* Bam. Bingo. That's right. You can't be given something if you're coequal to the Father. The Father can't give you anything.

Ok, let's talk about business partners, alright? I owned a car lot. We were 50/50 partners. You can't give me anything that's already mine.

Ok sister go ahead. And then I've got to move on. *Well, talking about giving authority, the word ekklesia means governing body.* That's where I'm heading. You're absolutely right. Remember when I said I'm going to be teaching today about why we speak to nations? That's where I'm going. Thank you for being on the same tack with me. Absolutely, we are a governing body. That's why when somebody tells you that the church is not meant to judge, that's the biggest lie in the world.

Alright go to verse 21 and 22 and let's try to get to where sister just brought us.

**21 I beheld, and the same horn made war with the saints, and prevailed against them.**

**22 Until the Ancient of days came, and judgment was given to the saints of the most High, and the time came that the saints possessed the kingdom.**

We are overcome by that horn which is what's happening right now. All the saints in the world are being overcome right now. Faith is diminishing all over the earth. That war to wear down the saints is working, ok? They're giving up on truth, even the Catholic Church. They're blessing same-sex marriage. Listen guys. There'll be no faith left on the earth when Yahshua returns, except in the remnant.

But, so, how long does that last? Until judgment is given, not to Yahshua, but to whom? Come on, what does the word say right there in that scripture? The saints. Judgment is given to the saints. Now how can that be when your church taught

you not to judge? I want you all to think about it. How is judgment going to be given to the saints when the main message of the Christian church is judge not? *So are we not to judge now, but when it is given to us?* How would you be able to judge then if you don't know how to judge now?

You don't get a new mind in your new body. The mind you've got right now is going in that new body. If you don't know how to judge now, how are going to judge then? It's just like if you don't know how to keep the Sabbath now—if you don't know how to obey Yahweh now, you're not going to obey him then.

Judgment begins where? In the house of Yahweh, in the church. The purpose of the church sister is to train you how to judge.

And what's so sad is you were told “do not judge”. That's because Satan is a preacher. He knows your ultimate destiny in God is to judge the world. Is anyone comprehending? Because if not, you'll keep believing these lies that we shouldn't judge. The Bible never says that. Go read my teaching, or watch my teaching on “Judge Not”.\* And I explain it all. Brothers and sister, let's read 1 Corinthians 6:1. Boy if you all don't get out of them Christian churches. Your mind is warped. Here's what Paul says.

**1 Corinthians 6:1-3 (NLT)**

**1 When one of you has a dispute with another believer, how dare you file a lawsuit and ask a secular court to decide (judge) the matter instead of taking it to other believers!**

**2 Don't you realize that someday we believers will judge the world? And since you are going to judge the world, can't you decide (judge) even these little things among yourselves?**

In other words, don't you think that you should be judging right now?

**3 Don't you realize that we will judge angels? So you should surely be able to resolve (judge) ordinary disputes in this life.**

So you should be able to judge right now in the church. Brothers and sisters, that's why people don't want to go to a local church, they don't want to be judged! Why do people tell you they don't want to go to church? Why do they tell you they don't go to church? “I don't want to be judged by all them hypocrites.”

\*<https://firstharvest.tv/video/242> “Thou Shalt Not Judge, Says Who?”

*Was it the apostle Paul that says himself is judged of no things, but all things are judged by the Spirit?* Absolutely. Sister just listen to what you just said. Listen. I want you to listen. We don't judge by our mind either, but by the Holy Spirit. *Right, ok.* In other words, we've got to judge.

You all think about it. Every one of you are judges. If not then let your little granddaughter go home with any pervert on the street. No, you judge "that's a pervert". What? Oh did you judge him? I sure did! *No I get it. That's just what my family give me.* I know it. I know it. But what did Paul say? 'I'm not going to judge them by Paul's mind. I'm going to judge them by the Holy Spirit'. Discernment. What do you all think the gift of discernment is? It's the gift of judging.

*Yes, but the world will judge you. The world and your family will judge you a lot more than we even judge them.* Absolutely. But you see, when people come into my church, I start judging them the minute I see them. What? My Holy Spirit radar. I'm watching. I'm watching. Why? Because I'm commanded. The Bible says to judge every tree by the fruit it bears. How can I judge if I'm not supposed to judge?

*Well brother Vaughn, Yahshua said...* Don't go there because you don't know what he said. Ok I'll go there with you. "Judge not that you be not judged." And you act like that's the end of the scripture? Are you really going to take one line and throw your little Roman rocket? That's called a drive-by shooting. *Oh the Bible says 'judge not that you...'* No that's not what the Bible said darling. You don't even have to go to the next verse. Read the clause number B.

Unless you're ready to be judged by the same judgment. The word of God. *In James it says the same thing. He said all should not be teachers because teachers are held to a higher standard where people will judge them.* That's right. We are commanded. *Brother Vaughn I don't want to judge.* Then just go listen to TD Jakes preach all day if you're not going to judge.

I can't listen to a preacher because I'm judging the whole sermon. If I don't judge that sermon, I'll be caught up into the emotions of it and they'll be planting sperm-seed, the seed of their word into my spirit-mind, and mess up this manchild. Do you think I tell you to go listen to every minister out there because I want you just listening to me? Perish the thought! I'm trying to protect your mind because some of you are not able to judge yet.

Now there's many of you who are mature in the Lord. You're able to judge. Go do what you want to, but the reason I don't tell every book I read—I don't want you reading it. I can read it because I can judge. Many of you are able to do that.

Some of you can't. It messes you up. So I encourage you. Stay with FHM until, you know, you're able to listen to another minister and you're like...*wait a minute, that's not right*. Guys, if we don't do that, what was Yahshua's greatest command for the end times? Be not deceived. They said...tell us about the end times. He said...all you need to worry about is be not deceived. Because there will be many that rise in my name saying that I said this, and I said that, but I didn't say that.

Folks, if you're not a judge, you're not going to be in the manchild. My wife will tell you. I walk through the house and a preacher will be on the TV or whatever. And I'm like...*get it off, get it off!* Why? Because they're great motivational speakers. Oh my Lord, if you want to be motivated, great. But if you want to be matured and perfected, that ain't it darling. You've got to learn your role, what Yahweh is doing in your life.

Judgment is not condemnation. I'm not talking about condemning people. I'm talking about judging them. Is that a good person or a bad person? You've got to make that judgment. Everyone that tells you that they don't believe in judging people, they've already judged you darling. We're all judges. But some people judge by their mind, and some people judge by the word. We're going to judge the world, not by our personal feelings, but by the word of God.

And how will we do that when so many of you don't even know the word? Do you know why? You want to go to church and get everybody prayed through with the Holy Ghost. You want to go to church and get everybody on the altar, have good church. And you become so ignorant of the word. And the church has made you an emotional prostitute selling your mind to emotions.

Folks listen to me. I will not allow this ministry to not be perfected in the word. That's why many times some of you may say things and you think I'm jumping on you. No, no, no. I'm jumping on that bad word that's coming out of your mouth. And if you're not mature enough to take it, you're in the wrong ministry because I'm not here to coddle you or fondle you, that's what perverts do. I'm here to correct you. *Well who do you think you are?* I know who I am. And until you do, then you can't be corrected.

Because brothers and sisters, authority. It's just like your husband ma'am—right or wrong—submit. Why? Because in so doing, you are literally submitting yourself to the word. Do you not know that you are going to judge the whole world? I want everybody right now to imagine today is resurrection day. You get up out of the grave—you got a new body, but you don't get a new mind. That's what people don't comprehend. You're not going to get a new mind, you're not going to start thinking different in the resurrection.

If you go to your grave hating anybody, when you get out of your grave, you're still going to hate them. Your mind doesn't change in the resurrection, only your what? Your body. That's why the Bible says to let your mind be renewed now. The transforming of the mind has to happen in this life by the what? The preaching of the word. Do you know what I'm doing to all of your minds right now? I'm doing mind control, I literally got you in a cult and I'm doing mind control on every one of you. Did you know that?

I'm changing your mind. How many of you in this lesson have already begun to think different about certain things? I'm changing your mind BY THE WORD OF GOD. If I don't, you'll get up in that resurrection, and you're going straight to the throne. By the way when you come in the resurrection—the manchild—where does he go? Straight to the throne.

So my question is when you get on there, and they come before you, sinners to be judged, you look around to sister and say...*now we ain't supposed to judge nobody. Now I don't want to judge them because I got a mote in my own eye.* No baby, we got all your motes out with the teaching of the word, do you understand?

Brothers and sisters, I know sometimes I sound like a smart aleck, get over it. I am trying to get you to grow up. Quit thinking like the church. You are called to judge one another. *Pastor, doesn't the fact that they actually said we can't judge is judgment. They're judging that they can't judge.* That's right. That's a judgment in and of itself isn't it?

Brothers and sisters, listen to me. In the local church, do you know what the apostle Paul said in 1 Corinthians 5? He said I hear that in the church someone's sleeping with their stepmother, there's sin in the church. He said if you go to that brother and that brother does not submit to the word, I want you to take that brother and throw him out of the church and give him to Satan.

Can I ask all of you how they were supposed to do that if they didn't judge that that brother was living in adultery? What if they were like the church you grew up in, and said...*well we've all got sin in our lives, we've all messed up, better not do that.* Uh, I'm sorry, I'm not an adulterer so that mote is not in my eye, do you understand. What that's saying is...if you commit adultery don't go throw them out. Throw both of you out!

You see, you've been convinced because you're not perfect in every area of your life that you can't judge. Aren't you glad it's not you judging, that you can use the word to judge with? Do you think that judge in the local courthouse has his life

together more than anybody? Do you all think that the judges that's about to judge President Trump's immunity case is perfect, do you all think that? Do you all think the local judge is perfect? No, no, no. But he's not judging you by his own mind, he's got to judge you by the law.

Ladies and gentlemen, you don't have to be perfect to read God's word that if a man lays with another man it's an abomination. You ain't got to be perfect to say...*hey brother I'm sorry, the word says. And do you know what, I may not be perfect, but the word says.* They got you all scared to death to judge because you're not perfect. But the word is. *Goodbye guilt.* Goodbye guilt. Judge. Obey God's word. We didn't say condemn. We love all men. And there's a path to restoration for every one of us. The Bible says you that are spiritual raise those men back up. We do that. But first you've got to judge it.

Alright, where were we even at? *Daniel chapter 7.* Ok go to verses 27 and 28 now. Did we read verse 22? Read that.

### **Daniel 7:22**

**Until the Ancient of days came, and judgment was given to the saints of the most High, and the time came that the saints possessed the kingdom.**

We cannot possess the kingdom until we learn to judge. First we judge and then we're given the kingdom because we're able to judge between clean and unclean, between right and wrong. Do you know we're living in a world today that no one can judge the difference anymore? How many of you remember growing up and everybody knew what right and wrong was? Can you say that that's the case today? Nobody knows right and wrong.

When I was growing up, it was wrong to speak to an adult by their first name. My grandma would've slapped by face if I would've called an adult by their first name. It was yes ma'am, no ma'am. We knew right and wrong. Nobody knows it today, the kids don't know it. Nobody knows right and wrong. The church doesn't know right and wrong. The church says we should let that sinful lifestyle come in the church and show them the love of God.

The Bible says lifting up holy hands in the congregation. Achan, Achan, don't bring that Babylonian garment in this church Achan! Achan you'll bring sin in the camp! You all better get serious about sin. Do you know that they killed all of Achan's family? Do you know why? Because they thought they could bring sin in the church and show them the love of God. Darling the love of God is to judge them.

Do you know that the Amish people figured this out decades ago? That's why they shun people. Do you know why? Do you know what the shunning does? It causes that person to know that they're not right. And when the church lets you think you're right living in sin, you bring that sin into the church. They shun them. Do they do it forever? God no. They do it long enough to where you start missing the church, and you start missing the things of God. And you know you can't come back living like that. So you come back on bended knees and it saves your soul.

Do you all know what I'm preaching right now nobody preaches? Do you know nobody preaches what I'm preaching right now? This sounds hateful to them. This is the word of Yahweh. Because if you don't teach people the error of their way, they will come into the church and they will be deceived. Why will they be deceived? Because they will feel the Spirit of God moving all over them.

Guys, when the wind of the Spirit begins to blow, it doesn't pass anybody up. It goes through the building. Do you know what people tell me all the time? *But I feel the presence of God*. Of course you do. The rain falls on the what? The just and the unjust. Amen. Our job is to make you not think you're just.

Why do you think the church here locally at headquarters empties out every six months? Because people start exposing themselves. And we have to start all over. We get about 30 in and we keep about seven and then we get another 30 and keep them seven, then in about 50 years we'll have a large church. Amen. Why? Because this is the manchild we're producing guys. This ain't church anymore. We're producing maturity and perfection. God demands it.

### **Daniel 7:27-28**

**27 And the kingdom and dominion, and the greatness of the kingdom under the whole heaven, shall be given to the people of the saints of the most High...**

Ok it didn't say it would be given to the saints of Yahweh. It will be given to the people of the saints, or that certain group of people among the saints. That certain group of people that come out of the saints! Do you hear? Listen brothers and sisters. What God wanted to do in the church, the saints, he could not do because after judgment they would not stand up to the test, so what does he do? He gives it to the people of the saints. Notice that. Underline that.

Judgment is going to be given to the "people of the saints". The remnant. There they are. You've got all the saints and then you've got a people of the saints. That's the ones I've been teaching you about. The mama that gives birth is the saints. Mama church is the saints. But it's the people that come out of the saints that this is given to brothers and sisters, the overcomers. The manchild is not the

saints, it is the people that the saints produce. And what's going to be given to us? All the kingdoms in heaven. No. I'm just testing somebody that's all I'm doing. You all what does the verse say? The kingdoms under heaven. My question. If that's your inheritance—to inherit everything under heaven, can you tell me why you were going *to* heaven?

Like Ferris Bueller's teacher said...anyone, anyone? That's right sister, we were going to retire. But you see our job's haven't even started yet. We're still being birthed. Our job begins in the millennial reign. And we're going to be given authority over everything under heaven. Now Yahshua, the head, was given authority over everything *in* heaven and *on* earth. He operates, but not you. You were never ever meant to go to heaven. You have nothing to do up there. What are you going to do?

I saw a cartoon one time of two men who had just gotten to heaven, they had fresh wings, they had just got their wings, and both of them had a golden harp over their arms. And there they stood. And in the little cartoon, one man looked at the other and said...*well I wish I had brought a magazine*. Did anybody catch it? In other words, that's how bored he was, ok? I wish I had brought a magazine. Ha, ha! *That's funny*. And yet it's filled with truth.

What were you planning to do in heaven, I don't get it. What were we going to do? *Play the harp*. Amen. Brothers and sisters, read the scripture. What's going to be given to you is UNDER the heaven. Keep reading, I'm trying to close.

**...whose kingdom is an everlasting kingdom, and all dominions (nations) shall serve and obey him.**

All nations will serve...I need somebody to say the word ALL. Joy does come in the morning. All. A.L.L. All nations will obey Yahshua's word. Do you know what that means? In order to be saved, all you must do is confess that he is Lord and obey him. And according to what this scripture says everyone's going to do that. My God. My God. Do you all know when you read those verses, do you know what your religious mind does? *Well surely it can't mean that*. Why don't you quit? Why don't you start limping. Quit.

Just give up your religion and read the word and believe it. It said ALL NATIONS. Everyone on earth will bow before him and obey him. Now do you think that after they do that he's going to send them all to hell? Oh come on saints. *It's the three harvests pastor*. That's the third harvest right there. Brothers and sisters, we've got to get this right. If not you will not prepare for this job that Yahshua's given you.

Today I had 14 pages of notes. I'm in the first paragraph of the first page. Hallelujah. Fourteen pages I did not get to the church and what I wanted to get to today. I'm so far away from where I want to get. But it takes me so long to dig this out of your minds. But brothers and sisters, the day is coming—read verse 28, what's going to happen.

**28 Hitherto is the end of the matter. As for me Daniel, my cogitations much troubled me, and my countenance changed in me, but I kept the matter in my heart.**

This was a vision and Yahweh told Daniel—let me show you something. *Brother Vaughn, why hasn't anyone—you know, what makes us so special. Why hasn't anyone caught all this in the book of Daniel all these years?* It's very simple. The answer's Daniel 12:4

**Daniel 12:4**

**But thou, O Daniel, shut up the words, and seal the book, even to the time of the end, many shall run to and fro, and knowledge shall be increased.**

Daniel seal it up. I don't want anybody to understand it yet. It's not time. I'll reveal it at a time when the whole is running to and fro, and they create something called an internet where knowledge can be increased. And there'll be a YouTube channel where I'll send this message when knowledge is increased and people are running to and fro. Seal it up until the very end and then I'll reveal it to the manchild that lives in the end-time. Amen.

Seal up Daniel. It's not for the early church. It's not for the middle ages, no. It's for the end. *For such a time as this.* At such a time as this. Notice what he said. Knowledge will be increased, people will be running all over the world, to and fro, and knowledge will be like it's never been before. The internet must be created for this to reach sister in Las Vegas, and this family in Minnesota, and this duo in Texas and this couple in Indiana.

I need knowledge to be increased so that I can send this out right when it's supposed to go out. My God I didn't even get to the good stuff. Oh well. I'm literally in the first paragraph of 14 pages of notes. *Pastor line upon line.* Amen. Precept upon precept. Amen. Amen, Amen. *Not page upon page.* Ha, ha, ha, ha! It's heartbreaking because there was something I really wanted to get to today but we will try. Sister is so right. She just texted in the chat group and said...we would never have found this message without the internet. Amen.
