

# **Did You Know...**

Did you know your mind's recording  
everything you say and do?  
And when this life is over,  
the Judge will call on you.

He'll look at every act of kindness  
and sacrifice you made.  
How you spent your money,  
and if your debts were paid.

And you will give account  
for every idle word,  
for everything you did  
and everything you heard.

For the deeds you repented of  
with all sincerity.  
They are gone forever,  
never to be seen by Me.

You will receive a fair trial,  
and penalty only for  
the Laws and Commandments  
you chose to ignore.

Here is the reason  
this message is being sent:  
To stay in My Mercy,  
now is the time to repent!
