

# **The Sacred Simplicity of the Sabbath**

**Pastor Vaughn, Chapter One**

## **A Ministry Under Mandate**

From the beginning we kept the Sabbath  
as outlined in the Word.

But others soon appointed themselves  
to teach what they had heard.

They proclaimed there were more rules  
that all of us must follow.

But they had no authority  
and their words rang weak and hollow.

Yahweh never intended a day  
where every step is measured.

He gave us the Sabbath Day  
as a gift to be treasured!

So light the Sabbath candles,  
laugh together and feast!

Attend the Holy Convocation,  
for there you will find peace!
