

Preparation for Passover
(Part 1 – Pastor Vaughn, fhtv.tv #2302)

The Way

The road to Life is narrow.
Truth comes at a high price.
But Yahshua, our example
shows us how to sacrifice.

Are we willing to be walked on,
ignored and berated?
Are we ready to be overlooked,
mistreated and hated?

Can you forgive them
for all they do to you,
and say with Yahshua:
“they know not what they do”?

Search your heart, be sure
you're not holding a grudge.
Your words and actions
will be your judge.

If we drink the Passover cup
without full repentance,
we could become seriously ill
or given a death sentence!

Passover is not
to be taken lightly.
There are consequences
if not done rightly.

We present our body
as a sacrificial lamb,
without spot or blemish,
to the Great I AM!
